

# MY HIDDEN 471

## Chapter 471: Mu Weiwei and Gu Weiwei

At the Gu Family's mansion of the A Land.

The sunlight streamed in through the window, and the girl in bed frowned as she mumbled feebly, "Fu Hanzheng..."

Seeing that she was waking up, the servant went out to inform the people outside.

After a long while, she finally forced her eyes open.

She wanted to get off the bed but felt that she had become too feeble to sit up. When he finally managed to rise to a sitting position, she was sweating hard.

She glanced about the familiar yet strange room, feeling dizzy.

This room was very familiar to her.

This was where she used to live. The ornaments, the colors of the draperies and the decoration style of the room were all European.

But all of these things were far gone in history. Why were they still appearing in front of her face?

And where was she?

She remembered joining Fu Hanzheng's bodyguards and getting out of the hotel.

Then the bodyguards were attacked, and she used their gun to kill one person but someone else had a gun pointing at the back of her head.

Then when she woke up, she was here at a place that resembled the Gu Family's mansion.

She was just looking around, trying to find out where she was when the door of the room was opened.

A man dressed in a casual outfit approached her and looked at her from the bedside.

"You are awake now."

Gu Weiwei looked at this man who appeared in front of her in astonishment. "Gu Siting?"

What was Gu Siting doing here?

Damn, where was she?

Standing by the bedside, Gu Siting showed a very gentle and beautiful smile.

Gu Weiwei looked dizzy as she asked, "Where am I?"

Gu Siting replied. "The Gu Family."

Gu Weiwei looked around at this familiar environment and then at Gu Siting who was standing by the bedside.

Suddenly, she had an illusion that she had just had a very long dream.

In the dream, she died and turned into another person.

In the dream, she met Fu Hanzheng, fell in love with him and was about to marry him.

Then she woke up.

She found herself being in the Gu Family's mansion and Gu Weiwei still...

But that dream was so real that whenever she thought of Fu Hanzheng, she would feel sweetness cast over her heart.

"Fu Hanzheng..."

"You are never going to meet him again and he will never find you again." Gu Siting said.

Gu Weiwei was startled. None of this was a dream. All was real.

She was not Gu Weiwei. She was Mu Weiwei!

She tried to calm herself down and think about what happened, before she lost consciousness.

"You were behind the terror attack at the hotel?"

Gu Siting threw himself down on the sofa and calmly said, "I did not participate in the attack, just made a deal with them to get you out through the attack."

Gu Weiwei breathed feebly and gritted her teeth.

"Mr. Gu already has a Movie Queen Ling, why do you still need me?"

Gu Siting looked at her deeply, as if he were looking for someone else in her.

"Because you resemble her way too much, my sister Gu Weiwei."

"Your name is like hers, the way you play the piano and the way you speak, and even yours eyes look like hers."

....

Gu Weiwei suddenly realized what Gu Siting was thinking.

"Fu Hanzheng will kill you if he knows!"

Gu Siting turned on the TV in the room using the remote control. The news that F Land had a terror attack was broadcast on TV.

He came over to the bedside and said, "In his eyes, you are a dead person."

"And soon, there will be no Mu Weiwei in the world... only Gu Weiwei!"

## Chapter 472: I Hate You

“Gu Siting, what do you plan to do?!”

Gu Weiwei turned to the man and interrogated him in a surprised tone.

Standing by the bedside, Gu Siting stared at the furious girl as he reached out for her face.

“You are so much like her, except for your looks but I will make you become exactly like her.”

Gu Weiwei slapped away his hand and asked, “You want to turn me into her?”

Gu Siting withdrew his hand and said, instead of continuing with his touches,

“I have arranged for you to have the best plastic surgeon. In two weeks’ time, you will become Gu Weiwei.”

At this thought, he suddenly felt that he had gained something back for himself.

Gu Weiwei sneered and looked at this man in front of her disdainfully.

“Gu Siting, you disgust me thoroughly.”

He pretended as if he could not forget her and needed to find the past but actually, he was trying to get her and turn her into Gu Weiwei, so that he could complete the deal with the Dorrans Family.

Then everything would become as normal, just like before she passed away but even if she was back and turned into the person he wanted her to become, nothing would be the same anymore.

Calmly, Gu Siting looked at the servant next to him.

“Get Doctor Li.”

A doctor dressed in a white gown and wearing a mask came in with drugs.

Seeing the shots filled with fluid, Gu Weiwei cringed into the corner of the bed.

“Gu Siting, what are you doing?!”

“The drug won’t cause you any harm.” Gu Siting said and asked the two servants to press her down.

Gu Weiwei intended to escape but her feeble body did not allow her to fight back.

She was pushed down onto the bed, as the doctor put the syringe into her arm.

“Gu Siting, I hate you so much, so much!” She screamed violently.

Instead of being moved by what she said, Gu Siting said, after the doctor did the infusion, “The drug will not do you any harm. It will just make you forget about the past, so you can accept your new identity and new life...”

Gu Weiwei collapsed further into the messy bed. A flash of hatred crossed over her eyes, as she looked at the man standing by the bedside.

She had not hated him during the years when he drifted away from her.

She had not hated him when she learned that he had been with Ling Yan ages ago.

She had not hated him even when he promised to give her heart to Ling Yan.

But at this moment, she started to completely hate him.

He was going to ruin the happiness she had tried so hard to get and had brought her back to this hell that she had no intention of returning to.

He was going to turn her into Gu Weiwei so she could forget Fu Hanzheng and stay trapped in this damned cage.

Seeing her look of hatred, Gu Siting suddenly felt a sense of pain but the feelings quickly disappeared.

“Mr. Gu, you are wanted on the phone.” A servant said as they entered with the phone.

Gu Siting took the phone and said, “What is it?”

Kuroda Shio who was still in F land said, “Fu Hanzheng doesn’t seem to believe the results given by the police and the hospital. He has sent He Chi to get another round of DNA testing done.”

Looking heavy hearted, Gu Siting walked out of the room and asked, “Do something to convince him that Mu Weiwei is already dead.”

Fu Hanzheng was not easily tricked.

Even the remaining things and the DNA test from the hospital did not convince him, so much so that he had his own man run another test.

But he must not find out that the deceased was not Mu Weiwei.

At least before Mu Weiwei was turned into Gu Weiwei, no one should find out where she was.

### **Chapter 473: Happiness to be Stolen Away**

With Gu Siting gone, the room fell into a dead silence.

Lying in bed, Gu Weiwei was watching the report about the terror attack of F Land being broadcast on the TV.

Gu Siting told her that in Fu Hanzheng’s eyes, she was already dead, so he must have arranged a corpse, just for Fu Hanzheng under the guise of the terror attack.

And he had tried every method he could to make Fu Hanzheng believe that she was deceased.

In this way, Fu Hanzheng was not going to look for her anymore and a few days later, she would be turned into Gu Weiwei.

In this world, Mu Weiwei would be totally gone.

Thinking of what Fu Hanzheng was currently confronted with in F Land, she closed her eyes with an aching heart. Tears rolled down alongside her cheeks.

He must be grieving so badly right now.

Gu Siting, you have already given my heart to Ling Yan, you are not going to steal away my happiness again!

She lifted her arms with the little energy she had, wiped away the tears and forced herself to think of any opportunity possible, so that she could run away.

The Gu Family was well guarded, and running away by force would expose her before she reached the gate.

If she was supposed to do the surgery, a multitude of doctors and staff would be called to this place and that would draw the Fu Family's attention.

So he was definitely going to take her to the hospital on the sly and the hospital would be St. Paul Hospital, which belonged to the Ling Family.

There were many staff and patients going back and forth in that place, which would be her best shelter.

That would be the place where the Gu Family was least guarded, the only place for her to run away from him.

As long as she was able to flee out of the scope of Gu Siting's dominating territory, she would be able to reach Fu Hanzheng and tell him that she was still alive.

She was injected with drugs every day and forced to take other drugs orally under the strict watch of the servants, so she did not object to any of their moves.

But every time she took the medicine, she kept the pills underneath her tongue and spat them into the toilet after the servants had left.

On the night of the following day, she screamed that she was having a headache.

Gu Siting brought Doctor Li over who said, after checking on her, "The medicine levels in her are quite a lot now and they are all aiming for the brain, so it is quite normal that she is having a headache."

"But that also means that the medicine has started to work now."

....

"But it has only been two days... can it work so fast?" Gu Siting asked.

Doctor Li thought for a while and said, "Actually, it varies from person to person. If someone does not have a strong immune system, then they may be easily affected by the drugs."

It was quite normal for the patient to have a headache, especially when she was being given medicine both orally and through an injection.

"Then, can we start the memory interference?" Gu Siting asked.

Doctor Li looked at the pale-looking patient in bed. "Yes, we can."

Gu Siting said, "Let's start tomorrow. We are running out of time."

"Yes, Sir." Doctor Li replied.

They did not leave the room until Gu Weiwei looked better and fell asleep in bed feebly.

Hearing the door close, Gu Weiwei opened her eyes.

It was a good thing that learning to act all these years had not been done in vain, so that she managed to lie to them.

As long as Gu Siting believed that the drugs worked on her, he would become less on guard and then, she would have more opportunities to run away.

If she did not act cooperatively, they would most likely drug her too much for her to be able to control herself.

So when Gu Siting and the doctor came to check on her on the third night, she started to behave a bit strangely.

“Where am I, who am I?”

“You are home, and you are Gu Weiwei.” Gu Siting said.

#### **Chapter 474: Man in Front of Her**

“Home... Gu Weiwei and my home...” Gu Weiwei looked at him dubiously as she mumbled.

Seeing her dubious look, Gu Siting continued.

“I am your elder brother, Gu Siting.”

Seeing him frowning, Gu Weiwei blinked and said, “Then who is Mu Weiwei? Who is Fu Hanzheng?”

“Miss. Weiwei, those people are just part of your dreams.” Doctor Li said to her with a smile.

Gu Weiwei sneered inwardly, so their plan was to indeed toy with her in this way.

Because she was prepared and never swallowed the drugs, the drugs injected into her hadn't actually affected her brain.

A few days later she would have a fuzzy memory if not for her quick wittedness today and when her brain was fuzzy, they would start to brainwash her.

After she had the plastic surgery, she would become Gu Weiwei and totally be at the mercy of these people.

The truth is, she is totally awake at the moment.

She knew who she was and understood what she needed to do.

She scratched her hair, pretending to be confused.

“Gu Weiwei... so I am Gu Weiwei?”

“Yes, you are my little sister Gu Weiwei.” Gu Siting looked gentle and elegant.

Gu Weiwei looked at him in astonishment and said after a long pause, “... So... Brother?”

She purposefully relaxed her voice, trying to summon the voice she used to have as Gu Weiwei.

Gu Siting shivered slightly and then he gave a very bright smile.

Then he reached out for her hand and called out to her repeatedly.

“Weiwei, you are Weiwei...”

Gu Weiwei looked at him curiously. “Brother, what is wrong with you?”

Gu Siting hid away the ecstasy that was overflowing in his eyes and calmed himself down, before saying, “Nothing, it is just that you have not addressed me in this way for a long time.”

It seemed that what he had been searching for was on its way back to him.

Sure enough, his decision was the right one.

“Why haven’t I?” Gu Weiwei asked with an innocent expression.

Gu Siting’s lips pursed as if he were trying to swallow down his misery and helplessness. Then he asked, as he glanced at the sunshine outside the window, “Want to go out?”

Gu Weiwei nodded. She also had the intention of checking out who else was in the mansion.

The servant put on the coat for her as Gu Siting helped her out. The sunshine was just right.

She ceased her steps as she saw the Chinese wisteria blooming in front of her and thought of how Fu Hanzheng placed the bunch of flowers in her hands, under the cloud of Chinese wisteria, below Jinxiu Compound.

The Chinese wisteria below their apartment must be blooming now.

“Want to take a look at them?” Gu Siting asked.

Weiwei also liked Chinese wisteria and she was in her best mood, when the flowers bloomed in April and May.

Gu Weiwei nodded, allowing him to help her walk over to the Chinese wisteria.

The sun was warm as the breeze blew by and the scent of flowers spread all over the place.

However, the man in front of her was not the man she liked.

She was looking at the flowers whilst Gu Siting was looking at her.

She still had the features of Mu Weiwei, but he seemed to have caught sight of the other Weiwei.

The first year when the Chinese wisteria were planted, he happened to see her standing below the flowers.

That was when he had come home from a business trip. At that time, she was smiling so brightly as well.

Ling Yan had just arrived at the Gu Family home and saw the two of them standing in the garden. She scurried over to them.

“Brother Siting, what is she doing here?”

“None of your business, no more questions.” Gu Siting replied.

Seeing Ling Yan’s annoyed look, Gu Weiwei asked, as if she knew nothing, “Brother, who is she?”

Hearing her words, Ling Yan looked at her with both anger and astonishment.

“What... did you just call him?”

#### **Chapter 475: Your Love to Her**

Seeing Ling Yan’s loathing flash in her eyes, Gu Weiwei said, with an innocent expression, “My surname is Gu, and his surname is Gu too, of course I can call him brother.”

“Mu...”

“Ling Yan!” Gu Siting interrupted Ling Yan and said to her, “Go to study. I will be there soon.”

Ling Yan threw a look at Gu Weiwei and returned to the room with clenched teeth. She was waiting for Gu Siting in the study because she wanted an explanation.

Gu Siting pointed at the rattan chair not far away and said, “Can you go there to take a rest. I will be back soon.”

Gu Weiwei nodded and sneered as she watched him leave.

Then she snapped off some flowers and sat down in the rattan chair.

Ling Yan had done such a horrible thing by killing her and she would definitely not be happy if Gu Weiwei was here again.

If she had not been in a hurry to meet Fu Hanzheng, so that he did not have to be so worried, she would very much like to toy with them for some time.

In the study of the Gu Family.

Ling Yan was pacing back and forth in the room. She felt her heart throbbing whenever she thought of how Mu Weiwei addressed Gu Siting as her brother.

She had heard Gu Siting talking about bringing Mu Weiwei to the Gu Family so she could be turned into Gu Weiwei.

She had thought that because Mu Weiwei was, after all, Fu Hanzheng’s woman, he would not be so irrational to steal the girl from Fu Hanzheng.

Unexpectedly, however, he had managed to bring her here through the terror attack in F Land and Mu Weiwei seemed to have started to forget who she really was!

Gu Siting entered the study and threw a look at the anxious-looking Ling Yan.

“Soon, she will become Gu Weiwei and I expect you to bear this in mind.”

Two more days, then the plastic surgeon would take her to the operation table.

By that time, she would become Gu Weiwei... inside and out.

“Brother Siting, you are mental! She is Mu Weiwei, she is Fu Hanzheng’s girlfriend!” Ling Yan said.

Gu Siting looked at her and said seriously, “She will no longer be Mu Weiwei or Fu Hanzheng’s girlfriend. Soon, she will become Gu Weiwei.”

“Brother Siting, she is not Weiwei, Weiwei is dead already!” Ling Yan bellowed.

Gu Siting looked cold and stayed silent for a long time.

Then he looked up and said to her, “I need a Gu Weiwei and so does the Gu Family.”

“Have you ever thought that if Fu Hanzheng ever finds out...” Ling Yan had to bring up Fu Hanzheng to threaten him.

Standing by the window, Gu Siting looked at the girl sitting under the Chinese wisteria.

“Fu Hanzheng has not found out and he never will.”

He had replaced the DNA test Fu Hanzheng asked He Chi to do.

So no matter what tests they did, the result would always show that it was Mu Weiwei who died.

Two days later, Mu Weiwei would disappear from this world completely and she would become Gu Weiwei of the Gu Family.

“Brother Siting, you said that you don’t love her.” Ling Yan looked at this man between sobs and said tearfully, “You said that you don’t love her.”

After she died, all he had been doing was longing for her.

Now he was getting someone to make her into a new Gu Weiwei.

She felt her hair on the back of her neck standing on end, when she thought of how the deceased Gu Weiwei would appear again in front of her face.

She had the real Gu Weiwei killed and now an imposter was here.

“Don’t visit my place these next few days.”

“Even if you make her look like Gu Weiwei, she is still Mu Weiwei, who has been with Fu Hanzheng!” Ling Yan said with gritted teeth.

Coldness dominated Gu Siting’s gaze as he looked at Ling Yan.

“You can say those things in front of me but when you are not with me, you have to keep your mouth shut.”

#### **Chapter 476: Not Mu Weiwei**

Fu Hanzheng had been in F Land for three days.

The result He Chi gave to them, still showcased that the deceased was Mu Weiwei.

Seeing the report He Chi showed to his brother, Fu Shiyi's soul felt like it drained away.

Three days in a row, his brother had not slept for a single minute. He had been engaged in investigating the whereabouts of the terror attack.

Among all the three outlaws, four of them were killed on the spot.

Unconvinced, He Chi and Fu Shiyi tagged along with him for a while.

"There are only three people missing, what is your brother going to do, if these three people are caught and killed too?" He Chi asked with a small voice.

He had not spoken a single word after he got the report and ordered the search of the outlaws.

And now, he had ordered to kill those outlaws who were captured, because his loathing towards them had increased to a very high degree.

What was going to support him, He Chi worried.

"How would I know?" Fu Shiyi whispered.

His brother was like a robot who sleeplessly kept searching for the outlaws. He did not dare to close his eyes, fearing that something would happen to him.

Now he simply had the intention of knocking his brother out, so he could at least sleep.

He Chi said, "How about I go home first, so I can find a specialist in mental health, who can talk about your brother's situation?"

Once those people were all caught, Fu Hanzheng had to face the truth of Mu Weiwei's death.

By that time, he might have terrible ideas, if he was not guided through it properly.

Fu Shiyi thought for a while and said, "Okay, you can go home first."

Instead of saying goodbye to Fu Hanzheng, He Chi went back to the lab and was about to pack and grab his things.

As he was packing, he suddenly found that something felt a bit weird.

He compared one thing after another and suddenly went to the hospital to fetch a new sample.

Then he did a new round of DNA testing in the lab again.

Three hours later in the lab, he got a surprising result.

"Oh wrong, totally wrong!"

He grabbed it and rushed all the way to the place where Fu Hanzheng and Fu Shiyi were.

"No, everything is wrong!"

"What is wrong?" Fu Shiyi was confused by his manic expression.

He Chi panted and said, "The DNA report I showed was wrong!"

“Wrong?” Fu Shiyi looked at him and said with a small voice, “I know you want to offer some help right now but you don’t have to lie, okay?”

He must be thinking about changing the results of the report, after seeing his brother in such a bad state, so that his brother could believe that the deceased was not Mu Weiwei.

“Damn you, I’m not lying!” He Chi grabbed a jade necklace around his neck and said, “I swear to my mother’s legacy that if I am lying to you, I am a scumbag!”

Silence reigned for a moment. Fu Hanzheng asked, “Why is it wrong?”

He Chi said, “I was packing away my things in the lab, ready to go back to the capital...”

Fu Shiyi said, “To the point, can’t you just get to the point?”

“That is the point!” He Chi bellowed back and said to Fu Hanzheng, “I was packing away, when I realized that someone had touched my stuff. Although the lab equipment is more or less the same, I am quite obsessed with order, so even if two things might look the same, the materials can be different. So the equipment I use for the sample is different from the rest of...”

“And? And?!” Fu Shiyi asked urgently.

“I just got a new sample and did a new test. It turns out that the deceased is not Mu Weiwei.” He Chi said and showed Fu Hanzheng the report. “Someone is watching us and he must have touched my stuff.”

“That means...” Fu Shiyi turned to his brother slowly.

Fu Hanzheng’s dead eyes suddenly filled with a flash of hope.

“That means she is still alive.”

Otherwise, nobody would be watching them and hoping to convince them that she was already dead.

#### **Chapter 477: Yuan Shuo: I Know Where Mu Weiwei Is**

Hearing the words, Fu Shiyi patted He Chi’s shoulders heavily.

“You have been really useful at this critical point, it’s a good thing that my brother has been supporting you all this time.”

Relieved, He Chi turned to Fu Hanzheng.

“There are few people who are allowed to enter the lab, maybe we can find out who it is.”

“I am telling Xu Qian and Lei Meng about this!”

Without hearing waiting for confirmation from his brother, Fu Shiyi called Xu Qian.

He was so excited that he almost cried, when he heard that it was not Mu Weiwei who was dead.

Fu Hanzheng turned to He Chi and said sincerely, “Thank you.”

This news had brought him out of the pool of despair.

If he had not been careful enough, so as to run this test once again, he might have accepted this result and given up searching for her.

He Chi chuckled. "We are friends, you are welcome."

Although he was against him in small matters, he was by his side when it came to important events.

....

Meanwhile at Fu's Enterprise in the capital.

Fu Shiqin went to the car, when he found someone standing in front of the car, with a small boy next to him, who was eating a lollipop.

"Move away please, I need to go out."

The man came over to the door and said, "Fu Shiqin, I need to see your eldest brother Fu Hanzheng."

Fu Shiqin took a look at the man standing at the door and then at the small boy who was eating the lollipop.

"Sorry, my brother is too busy to see you."

Due to what happened to Mu Weiwei, his brother had not slept for days. He would not be able to meet anyone.

Having said the words, he rolled up the window and prepared to leave.

The car had just started, when the man outside the car smashed the window with his elbow.

Startled, Fu Shiqin climbed out after opening the door.

"Honestly, please mind where you are right now. How dare you smash my car?!"

"I need to see your brother, he will compensate you for your loss."

Fu Shiqin snorted, thinking that this man was mental.

He smashed the car and said that his brother would pay for the loss.

He called the security and said, "Hello, someone is making a fuss here, you must come down..."

"I know where Mu Weiwei is." The man standing behind him said.

Startled, Fu Shiqin turned to the man who was speaking.

"What did you just say?"

"Mu Weiwei is not dead. I know where she is." That man repeated.

Fu Shiqin hung up and observed the man who was talking.

Although the terror attack was all over the news, no one outside the family was supposed to know about Mu Weiwei.

This man not only knew about this, but also about the relationship between Mu Weiwei and his brother.

Gritting his teeth, he called his brother and decided to take a risk.

Fu Hanzheng finally received the call after several attempts.

“What is it?”

“Brother, someone is here at the company saying that Mu Weiwei is not dead and that he knows where she is.”

Silent for two seconds, Fu Hanzheng said, “Give him the phone.”

Fu Shiqin gave the phone to him. “My brother is asking for you.”

The man took it and said straightforwardly,

“She is not in F Land. If you still want to find her, you better hurry back or... it will be too late.”

Fu Hanzheng asked briefly after the words.

“Who are you?”

The man was silent for a while and said, “My surname is Yuan.”

Fu Hanzheng seemed to understand something and said, “Let Fu Shiqin take the call.”

Fu Shiqin took over the phone. “Brother, this man...”

Fu Hanzheng said, “Bring him back to the villa. I will be back in five hours.”

#### **Chapter 478: With Gu Siting**

Fu Shiqin hung up and looked at the man in astonishment. Then, he glanced at the little boy eating the lollipop.

“What are your names?”

The adult said, “I am Yuan Shuo.”

The little baby said sweetly, as he pulled the lollipop out of his mouth, “Yuan Bao.”

Fu Shiqin looked at the little round-faced boy and said, “You do look round.”

His brother asked him to bring the man back home and he was even personally returning home.

So his brother believed what this man said – Mu Weiwei was not dead.

Yuan Shuo took his son and got into the car, following him back to the Landscape Villa.

“Well... you said you know where Mu Weiwei is... How did you know and where is she?”

Yuan Shuo helped his son to get some food as he glanced at Fu Shiqin.

“I don’t want to repeat what I am going to say to both you and Fu Hanzheng.”

“1...”

Startled, Fu Shiqin was very annoyed that this man didn't want to spill the information to him.

But if his family name was Yuan, was he related to the Yuan person they were looking for previously?

But it had been a woman they were searching for right?

Yuan Shuo was eating when Yuan Bao took out the carrots on the sly.

“Yuan Bao, finish the carrots!”

“I ate it yesterday!” Yuan Bao complained.

“No candies, yoghurt or snacks tomorrow if you don't eat the carrots today.” Yuan Shuo threatened.

Yuan Bao threw a look at his father and stuffed the carrot into his mouth tearfully, as if he were swallowing some kind of bitter medication.

Then he opened his mouth to show off his achievement.

Fu Shiqin had tried to get some words out of him but no matter what he asked, the man always behaved in a way that showed he had no interest in talking with him.

Having eaten the food, Yuan Shuo turned to Fu Shiqin.

“Can you show an animation series to my son for an hour?”

Fu Shiqin went to turn on the TV for the boy. “Yuan Bao, what do you want to watch?”

“The Undersea Team!” Yuan Bao climbed onto the sofa and said excitedly.

Fu Shiqin found the right channel, threw a look at Yuan Shuo not far away and turned to Yuan Bao.

“Yuan Bao, what is your father doing here with you?”

Yuan Bao was watching the show instead of talking with him.

Fu Shiqin grabbed some of his candies and offered them to him.

“If you tell me something, these are all yours.”

Yuan Bao grabbed a handful of candies, stuffed them into his pocket and said, “Dad says that he needs to find an uncle so mom and wife can be found.”

“Your wife? You have a wife?”

“Yes, my wife is very pretty!”

Fu Shiqin scratched his head. How was his mom and wife related to his brother and sister-in-law?

He bribed the child with a pile of candies and chocolates, yet this boy told the story in a very unclear way.

So he ended up finding no useful clues at all.

An hour passed, Yuan Shuo picked up his son to go wash up and brush their teeth, then he tossed him onto Fu Shiqin's bed so he could sleep.

Then he sat in the living room, waiting for Fu Hanzheng to return.

At 11:30 p.m., Fu Hanzheng hurried home from F Land. The black rings under his eyes were very dark and his eyes were deeply bloodshot.

Same went for Fu Shiyi and He Chi.

The moment he entered the apartment, Fu Hanzheng asked straightforwardly, before even drinking any water, "You said you know where she is."

Yuan Shuo glanced at his companions instead of answering his question.

Understanding his fear, Fu Hanzheng said, "They are my men, spill it."

Yuan Shuo glanced at Fu Hanzheng and said seriously, "She is at the Gu Family, Gu Siting has her."

### **Chapter 479: Gu Weiwei is Dead**

"Gu Siting?!"

Fu Shiqin frowned, not wanting to believe what he said.

If it were Gu Siting, why didn't he kill her so he could annoy his brother?

Why did he need to bring her to the Gu Family and create the false scene where Mu Weiwei was already dead.

Fu Hanzheng was not overly surprised. After knowing that his family name was Yuan, he seemed to have speculated something.

"How did you know about this?"

Yuan Shuo brought out his phone and clicked on a video to show to Fu Hanzheng.

In the video, Mu Weiwei was standing below the Chinese wisteria with Gu Siting holding her arm.

The video was short and ended quickly but it could still be seen clearly that Gu Siting was with Mu Weiwei.

Fu Shiqin asked, "What is Sister-in-law doing with Gu Siting?"

Fu Shiyi said, "Bastard, why is he holding her arm?!"

He Chi said, "What is it going on, this Gu person and Mu Weiwei..."

Having watched the video, the three men were annoyed and confused.

Ignoring these three annoying men, Yuan Shuo turned to Fu Hanzheng and explained. "She must have been affected by some drugs so that her memory has started to be altered."

"Soon she will forget every single one of you and if she is brainwashed, she will be turned into a completely new person."

....

Fu Hanzheng looked serious and asked, "Where did you get the video?"

"Yuan Bao's mother sneaked into the Gu Family and filmed it. But... she has fallen out of contact with me."

"Yuan Bao?"

Fu Shiyi frowned, wondering who this person was.

Fu Shiqin said, "His son, sleeping in my room right now."

Yuan Shuo took back the phone and said to Fu Hanzheng, "Actually, you should know about Yuan Bao's mother. Not too long ago, she met Mu Weiwei and you thought that she was cheating on you. So you were busy looking for her."

Fu Shiqin suddenly was reminded of something and exclaimed. "Oh, that perverted man!"

Damn, so that woman was his wife!

This man did have some strange tastes in women.

He even had a son with her!

Yuan Shuo glanced at him. "Yuan Bao's mother is a very talented woman, please don't ruin her name."

Fu Shiqin sighed. "Really? She is indeed talented, dressed up as a man and visiting male prostitute bar."

"Male prostitute bar?" Yuan Shuo frowned.

"Didn't you know that she and sister-in-law met at a male prostitute bar?" Fu Shiqin asked.

She must be a very wild wife.

Yuan Shuo sighed and gritted his teeth. This woman of his was really way too...

Fu Hanzheng surveyed Yuan Shuo in front of him. So he and that woman must have been whom she was seeing secretly.

"How did you get to know Weiwei?"

Yuan Shuo calmly said, "We used to be Master Mu's friends, so after we came to Hua Land, we found her."

"Why did you keep it a secret?" Fu Shiqin interrogated.

They had almost made them believe that the sister-in-law was cheating on Fu Hanzheng, who had gotten so annoyed.

"You are looking for us, so are the Gu Family, of course we have to keep it a secret." Yuan Shuo countered.

If she had not decided to tell Fu Hanzheng that she was from the Gu Family, he would not reveal her real identity without her approval, even though he was in a hurry to save her at the moment.

Fu Hanzheng's thin lips pursed. "Why did Gu Siting take her?"

Yuan Shuo said, "Because Gu Weiwei is dead."

## **Chapter 480: Gu Weiwei is Dead 2**

They looked at each other, failing to believe what they heard.

"So the Gu Weiwei you are talking about is Gu Siting's younger sister?"

But why was Gu Weiwei's death related to his sister-in-law?

Why did Gu Siting take his sister-in-law and manufacture a fake death?

He had been so scared these last few days because of this and stayed up for several days in a row, to the point where he had become totally exhausted.

"Yes, she is dead." Yuan Shuo repeated.

Fu Hanzheng squinted, weighing up whether what he was saying was true or false.

But Gu Weiwei had not shown up for ages, that much was true.

His men had been dispatched to look for them and he had thought that Gu Weiwei was with them as well.

"Can you prove what you said?"

"You must have found out that I was dispatched by the Dorrans Family to protect Gu Weiwei, if she were not dead, why would I have fled A Land?" Yuan Shuo countered.

He had thought about revealing the death of Gu Weiwei to Fu Hanzheng through another method but something happened to Mu Weiwei before he could do anything.

Yuan Meng suspected that her disappearance was related to the Gu Family, so she followed them to A Land and lost contact with him.

"But how is Gu Weiwei's death related to my sister-in-law?" Fu Shiqin asked.

Yuan Shuo took a sip of the water on the table and continued.

"The Gu Family has not revealed to the public that Gu Weiwei is dead because they are trying their best to keep it secret from the Dorrans Family. Now the secret is on the edge of bursting out, so... they need a Gu Weiwei to take the place of the deceased one."

Fu Hanzheng's eyes sank. "He is trying to turn Weiwei into Gu Weiwei."

Previously, Gu Siting had intended to bring her back to his home yet failed because he showed up in time, so all this time he had been mapping out a perfect plan to realize his goal.

He made use of the terror attack and captured her, bringing her to the Gu Family.

"Turning Sister-in-law into Gu Weiwei?" Fu Shiyi exclaimed.

Yuan Shuo's expression sank and explained to the men standing in front of him.

“As long as they use drugs on Mu Weiwei, her memory will turn blurry. Then they can use plastic surgery to turn Mu Weiwei into Gu Weiwei.”

Most importantly, her soul was Gu Weiwei after all.

Hearing the words, Fu Shiqin felt his hair standing up on end. If that was the true plan of that man, they would never be able to find her.

“What are we waiting for here, let’s go and save her!”

Yuan Shuo said, “She is at the Gu Family’s mansion. It is not so easy to bring her out. We need a plan and proper arrangements.”

The security of the Gu Family’s mansion was almost strict as that of the President’s house.

Also, before they approached the Gu Family, they would need to sneak into A Land as well.

Because once Gu Siting sensed something, he would transfer Weiwei into another secretive place and by that time, it would be extremely difficult to find her.

Fu Hanzheng asked, “How much time do we have?”

Yuan Shuo said, “At most two days, and Gu Siting might have Yuan Bao’s mother too.”

Hearing those words, Fu Shiyi complained.

“What is wrong with this man? He wants everyone’s woman!”

Fu Hanzheng thought for a while and said, “I will give you some of my men and you can go and rescue her.”

“He is going?” Fu Shiqin turned to his brother in disbelief. “This is a very important matter, we can’t allow an outsider to do this, what if...”

“Because I will have to be the one who is doing the rescue.” Yuan Shuo squinted at Fu Shiqin who was agitated and said, “Once your brother is found to no longer be in F Land, Gu Siting would suspect that he must have sensed something. So Gu Siting would build a stronger defence that makes the rescue even more difficult.”

Fu Hanzheng said, “Also... he knows A Land and the Gu Family, better than any of us.”
