

MY HIDDEN 551

Chapter 551: Blind Date 2

Unfortunately, Fu Shiqin was just about to deliver the files when he heard his brother's words, as he stood outside the door.

Then he patted his chest in anger and returned to his office.

He was wondering why his brother was so concerned about his future. So it turned out that he did not want to have children and wanted him and Fu Shiyi to get married and have children first.

He made a call to Fu Shiyi, who was also going to be persecuted, thinking that it was time for them to unite.

Fu Shiyi had just finished a program and was about to go home.

"Second Brother, does our brother know that you are so lazy at work?"

Fu Shiqin said, "Then do you know that we are going on a blind date, did you know that?"

Fu Shiyi said, "Yes, grandma told me at lunch that she wants me to meet a dancer."

Fu Shiqin said, "You are going to meet her?!"

Fu Shiyi said, "Yes, she looks quite pretty too."

Fu Shiqin gritted his teeth and said, "Grandma did not arrange this blind date, our brother did."

Fu Shiyi did not care at all. "It is fine if they dig a few more pits that look like this, I'll be very happy to jump into them."

"Our brother is being urged by our parents to have a child but he doesn't want to have one himself. That is why he wants us to get married and have children. You stupid man, do you think that is a good thing?"

Fu Shiqin bellowed furiously when he heard that he was going on the blind date.

"..." Fu Shiyi was startled for a few seconds and asked, "Are you serious?"

"Mu Weiwei is here at the company. I was delivering something to our brother's office and I heard what he said at the door." Fu Shiqin was furious.

Fu Shiyi was still quite optimistic. "So what? Just because I am on a blind date doesn't mean that I will get married."

"If our mother forces him into a corner, he will tie you up and marry you off himself, so that your wife can play new families with our mother." Fu Shiqin analyzed the consequences.

Fu Shiyi said, "It seems that... our brother would do that."

Fu Shiqin locked the office door and whispered, "So we must think of a way to fight back."

Fu Shiyi asked in fear, "Can we... fight back?"

It seemed that if his brother really wanted to do something to them, they would just end up struggling in vain.

“Let’s meet He Chi at the usual place after work.” Fu Shiqin said.

Fu Shiyi said, “Okay.”

...

Two hours later, the three of them arrived at the headquarters of the Destroy Fu Hanzheng team and had a secret meeting.

Hearing what they said, He Chi smiled without sympathy.

“Isn’t it just a blind date? Go and do it! Maybe you two will be able to meet someone for real!”

“Why don’t you smile again?” Fu Shiqin said as he picked up the bottle.

He Chi controlled himself and asked, “Then what do you want to do?”

“Of course we have to fight back. They are either giving birth to their own children or setting us up to get married and have children.” Fu Shiqin said.

He did not want to give up his precious single life.

Fu Shiyi touched his chin. “But if we turn down the blind date, the consequences will be worse, right?”

Fu Shiqin thought for a while and said, “We still have to go on blind dates, as long as we don’t get married and have children.”

He Chi glanced at the two brothers and suggested.

“How about... I tie two knots in you-know-where for you? If you can’t give sire children, he can’t do anything about it.”

However, the moment he finished speaking, he was beaten up by the two men.

“Do you believe that I won’t kill you first?”

“How dare you come up with such a stupid idea, are you tired of living?”

...

Chapter 552: Many Girls Waiting for Me

He Chi felt wronged. He had suggested the most effective method.

“Don’t call me to help if you think my ideas are bad.”

Anyway, they were the ones who were going to get married and have children, not him.

“I asked you to help me but you literally just tried to set us up.” Fu Shiqin complained.

He Chi said, “It is just a tie, plus it does not affect the function. Look at what you are saying.”

Fu Shiyi squinted at him and snorted.

“Who knows if you hold a grudge against us or not. If you do, you will ruin our lives.”

“Then go and take the bullet for your brother.” He Chi said.

Fu Shiqin touched his chin and sighed.

“It seems that Yuan Bao was counterproductive.”

Although he was annoyed at his brothers the other day, he did not dare to be angry at Yuan Bao, so they were very pleased.

But now that he did not want children anymore, he had turned to them.

“You are the cause of this! If you had not sent Yuan Bao to stimulate our brother, we would not have ended up like this!” Fu Shiyi complained.

Although throwing Yuan Bao into the picture would make his brother suffer, it would also make his brother realize that with a child, he would lose his position.

So now, he no longer wanted children!

Not only did the implementation of the “Little Demon Plan” fail but they had also been tricked as a result of it.

He Chi poured a glass of wine and laughed.

“What about going on a blind date and getting married like your brother?”

Fu Shiyi said, “Get lost, there are so many girls waiting for me to flirt with, so how can I get married?”

Fu Shiqin said, “Don’t you know that marriage is a grave? I am not going there.”

He Chi sipped the wine and tried to persuade them.

“Look at your older brother, he can’t wait to bury himself.”

They just could not understand why Fu Hanzheng, who had hated Mu Weiwei so much before, would suddenly become so obsessed with her.

There was one time when he asked him out of curiosity and he said that one day, when he saw her, his heart beat faster, as if he had received a surprise that he had been looking forward to for a long time.

Fu Shiqin threw a look at Fu Shiyi who was playing with his phone and complained.

“What we need to focus on now is not being tricked by our brother. Can you put down your phone?”

Fu Shiyi texted as he said, “I am meeting with the girl tomorrow.”

“...” Fu Shiqin picked up the bottle and seriously wanted to knock him to death.

He had told him that he was also here to fight against their older brother and refuse to go on the blind dates, get married or have children but now he was agreeing to meet his blind date.

Fu Shiyi removed the bottle from his hand and put down the phone.

“This girl is my type, it would be a pity if I don’t see her.”

“Any pretty girl is your type.” He Chi complained.

Fu Shiyi clinked glasses with him. “He Chi knows me best.”

“Your blind date is seriously the most important thing right now?” Fu Shiqin slapped the back of Fu Shiyi’s head and stressed. “What should we do now, so that My Weiwei can get pregnant and have children first with our brother, so that we can avoid being persecuted?”

“That is not something we can control, right? I have sent so many pairs of sexy pajamas to our brother but nothing has happened.” Fu Shiyi said.

Fu Shiqin said, “What is the point of giving him those things? He has hidden so many of them”

Fu Shiyi and He Chi exchanged a look and then He Chi said, “Then what should we do? Steal it from him?”

Fu Shiyi said, “Won’t he buy it if we steal it?”

He Chi thought for a while and said, “Go and poke him!”

Fu Shiqin nodded. “That works too.”

Fu Shiyi asked, “Who will do it?”

Fu Shiqin and He Chi exchanged a look and turned to Fu Shiyi.

“Captain, it is your turn!”

Chapter 553: Gu Weiwei

At Landscape Villa.

Fu Hanzheng was busy dealing with the foreign documents, so he had no idea what his two brothers and He Chi were up to.

Gu Weiwei packed up the luggage she was supposed to bring the following day, came up behind him and put her arms around his shoulders.

“How much longer?”

“There is still some time left, why don’t you sleep first? You are getting up early tomorrow.” Fu Hanzheng took hold of her hands and said with a gentle voice.

Gu Weiwei shook her head. “Not yet.”

Hearing the words, Fu Hanzheng took her into his arms and said, as he leafed through the files,

“Cayman Dorrans is indeed investigating the Gu Family but he is not focusing on them.”

Gu Weiwei frowned. “He doesn’t believe that Gu Weiwei passed away after she returned to the Gu Family?”

Fu Hanzheng felt her head and explained with a gentle voice.

“He has been in charge of the Dorrans Family for years because he doesn’t believe in rumors.”

“Also, it was the Fu Family who spread the news. He thinks that the Fu Family is trying to drive a wedge between the Dorrans Family and the Gu Family, right?” Gu Weiwei asked.

Fu Hanzheng nodded. No matter how secretive he was, Cayman Dorrans would find out that he was the one who spread the news.

“But he is also investigating the traces of the Gu Family’s activities after the assassination but it has been almost a year and it is not easy to find any concrete evidence.”

Gu Weiwei pursed her lips. The focus should not be on the Gu Family but the Ling Family, who was involved with the Gu Family.

But she could not say it clearly.

“If he is willing to dissect the body, maybe he will find something.”

The drugs that caused brain death in her body could be found with current medical skills.

But Gu Siting had not been able to find out anything and neither had Cayman Dorrans.

“At first, Cayman Dorrans brought his men to the Gu Family to take away the body, but after some agreement with Gu Siting, he did not.” Fu Hanzheng said.

Since the Dorrans Family had stopped cooperating with the Gu Family, why did he leave his daughter’s body at the Gu Family?

When she was alive, she stayed there for protection but now that she was dead, it would be weird if she stayed there.

“What agreement?” Gu Weiwei asked.

Fu Hanzheng sighed and said, “Only Cayman Dorrans’s trusted subordinates and the Gu Family were present, so we don’t know what agreement they have reached.”

He was only guessing that Cayman Dorrans was going to take the body away from the Gu Family.

But he gave up in the end.

With Cayman Dorrans’s power, the Gu Family would not be able to stop him from taking her away.

In the end, he did not take her away. He could only guess that they had reached an agreement that allowed him to keep Gu Weiwei’s body in the Gu Family.

Gu Weiwei looked serious. “If he fails to find out the truth, Yuan Meng will not be able to return safely.”

Fu Hanzheng said, “Whether she is involved or not, the Dorrans Family will not give up because she is from the Anderson Family. The Dorrans Family has been targeted by the Anderson Family many, many times...”

Gu Weiwei mumbled worriedly, “Yuan Meng should be safe.”

Fu Hanzheng said, "It has not affected her yet."

Gu Weiwei leaned against his chest and said, "When Gu Siting brought me to the Gu Family, he said that I look like Gu Weiwei."

"Fu Hanzheng, if you met Gu Weiwei first, would you fall for her?"

...

Fu Hanzheng leafed through the files and did not think too much about it.

"No."

Chapter 554: So Infatuated?

Gu Weiwei lowered her long eyelashes, concealing the sadness that flashed across her eyes.

"Why? Because her surname is Gu?"

With one arm around her, Fu Hanzheng kissed her forehead.

"Because I like you and you are the only one I like."

Gu Weiwei wrapped her arms around his neck and looked out the window behind him.

The question that had been lingering in her heart for so long, struck her again.

Fu Hanzheng, if I were Gu Weiwei, would you still like me so much?

No matter who I am, do you like me that much?

Fu Hanzheng put down the files and removed her arms around his neck.

"What is it?"

Gu Weiwei looked up and kissed him.

"I am leaving tomorrow morning and you still want to work?"

"One more thing."

Fu Hanzheng chuckled, picked up the files and was looking forward to finishing the work as soon as possible.

Gu Weiwei looked at him. "Work is important, so I'm not?"

Fu Hanzheng helplessly put down the files helplessly, picked her up and left the study.

"Of course you are important."

However, such rare initiative always led to serious consequences.

Within two hours of returning to the room, she wanted to kick him back to the study to work.

In the middle of the night, Fu Hanzheng lifted and carried her into the bathroom to take a shower, before he went to the study to finish the remaining work.

The work had just finished when Lei Meng called.

“The Gu Family does not seem to have any reaction to Dorrans’ investigation.”

Fu Hanzheng stayed silent for a moment. “Nothing?”

“No, unless they had erased all the evidence, then Gu Weiwei’s death had nothing to do with them.” Lei Meng said.

Fu Hanzheng stayed silent for a moment with a serious look on his face. According to Yuan Shuo, it must have something to do with the Gu Family.

“Did you find anything about the Ling Family?”

After she died, her heart was given to Ling Yan. Maybe something was wrong there.

“They must have already started the investigation, so we can’t interfere.” Lei Meng said.

Fu Hanzheng said, “Just keep an eye on the progress.”

“Oh yes, one more thing...” Lei Meng stopped Fu Hanzheng who was about to hang up and said with a strange tone, “Second Master, Third Master and Doctor He Chi, ran into each other today.”

Fu Hanzheng frowned. “Got it.”

It was very likely that their meeting was related to him.

Indeed, they have been too free these days.

He ended the call and went back to the bedroom. Gu Weiwei had already taken a shower and was fast asleep in bed.

Out of habit, he held her in his arms and sighed as he gazed at her sleeping face.

“Weiwei, what are you still suspecting?”

He had only liked her from the beginning to the end, but she was never sure if he truly liked her.

Even if he had said countless times that he loved only her.

Even if they were already getting married.

She seemed to suspect that his feelings for her were not strong enough.

Early in the morning, the alarm rang twice before Gu Weiwei turned over lazily and threw herself into his arms.

“What time is it?”

“If you don’t get up now, you will miss the plane.” Fu Hanzheng reminded her.

Gu Weiwei sighed helplessly, got up, washed herself and got changed. She ate some breakfast and got into his car, allowing Fu Hanzheng to drive her to the airport.

Jolin received the call and came to the airport parking lot to pick her up.

He had just taken the luggage, when the girl behind him called out.

“Uncle Fu!”

He turned around and saw his girl showing a big heart with her arms to Fu Hanzheng, who was about to get into the car.

Ugh, it was so early in the morning!

Chapter 555: Love

She had only taken a few steps and had then turned her head to show her love.

Not only did he then express his love for her, he also expressed his love for her in various languages.

I Love You.

J’adore.

Saranghe.

...

Each word was more loving than the other.

Jolin could not stand it anymore and walked away with his and her luggage, feeling too lazy to continue watching the show.

Seeing the cute girl, Fu Hanzheng smiled brightly.

It was not until she was out of sight in the elevator that he got into the car and headed to work.

He could not help but smile, when he thought of how lovely she looked just now.

Jolin complained helplessly, when he saw his girl turning back to normal.

“You have been with Boss for so many days, haven’t you had enough?”

“A few days is not enough, not even a lifetime is enough.” Gu Weiwei said.

Jolin said, “Stop showing off your love, I refuse to eat it.”

When they arrived at the airport terminal, Xu and a new assistant were there.

But she did not look like an assistant at all. She was small, had a round face and looked a little cute.

Jolin whispered, “Boss asked us to bring her here.”

After what happened last time, he must have asked her to bring a bodyguard with them.

“Hello, Miss. Mu, I am Lei Ning.”

Gu Weiwei sized her up and said with a smile, “Lei Meng’s sister?”

Lei Ning said, “Sorry, I am his sister.”

“...”

Gu Weiwei’s lips twitched – Lei Meng had such a cute sister?

Was she really here to protect her, not to just stand around and look cute?

Lei Ning saw her smiling face and said, “Don’t doubt my abilities, alright? I have been fighting him since he was little.”

“No, Sister Ning, please take good care of me.” Gu Weiwei stopped smiling.

Soon, the four of them boarded the plane.

Jolin sat down next to her and told her what her schedule was after the plane landed.

“We are going to shoot a new commercial for MG after we get off the plane. This is the proposal.”

“After the commercial, there is an interview with a foreign fashion magazine.”

...

Gu Weiwei took over the proposal and leafed through it. It was a good thing that she could do the shoot as soon as possible.

“Oh yes, Merlin asked you to meet him in Paris. He said that he wants to talk with you about the design problem. I have not given him a definite answer.”

Gu Weiwei said, “Let’s go if we can.”

It must be about the design details of the wedding gown, although she had chosen his draft.

But there were still details that needed to be discussed and he needed the stylist to measure her figure before he could start the production.

Jolin made a mark on the itinerary. “I will reply to him when I get off the plane, and then there are two scene-scapes we need for the movie. You need to go and take a look.”

“Got it.” Gu Weiwei put on her blindfold after reading the plan.

She had spent last night with her man and slept late into the night because of him. Since she was going to shoot the commercial the moment she got off the plane, she needed to get some sleep.

“Oh yes, what is going on with Third Master’s blind date today?” Jolin asked, searching for gossip.

Gu Weiwei removed the blindfold. “He is really going?”

Fu Hanzheng had said that he had arranged a blind date for Fu Shiyi and Fu Shiqin, but shouldn’t they have objected to it?

“He went to the company early in the morning and asked the stylist to create a very flirty style for him, saying that he was going on a blind date.” Jolin said speechlessly.

Chapter 556: First Meeting with Cayman Dorrans

Gu Weiwei thought for two seconds, put on the blindfold and said, "Then his blind date must be very pretty."

As long as Fu Shiyi found the woman pretty enough, he would go on blind dates.

Jolin nodded. That was probably true, otherwise he would not have dressed himself up.

It was already evening when they arrived in Rome.

Martin Green received them at the airport and wanted to give her a hug when he saw her, but when he thought of her boyfriend, Fu Hanzheng he had to restrain himself.

So he shook hands with her briefly.

"I am so glad that you are safe."

When he found out about the incident at the film festival, he was unable to contact her.

Her agent only told him that she was missing and it was not until many days later that he received the news that she had returned to Hua Land safely.

"Thanks." Gu Weiwei said with a smile and followed him into the car.

She claimed that it was currently too chaotic for her to contact him, so she had to go into hiding.

So Martin Green had no idea that she had been taken to the Gu Family by Gu Siting.

"We have a very important banquet and we need you to get changed at the hotel. Come with me now."

"But I don't drink." Gu Weiwei said.

Ever since she got drunk and broke up with Fu Hanzheng, he had forbidden her from getting drunk again.

"I just want you to show up so you don't need to drink, because tomorrow's shooting site is a private mansion." Martin Green said with a pleading expression.

Gu Weiwei thought for a while and then agreed.

"Alright."

They returned to the hotel and Martin had already arranged in advance for a stylist to help her. He gave her a light gown, had her put on some makeup and pulled her into the car.

Since it was not convenient to have too many people around, she only brought Lei Ning with her to keep her safe.

"The commercial is going to be filmed tomorrow, mainly a European style, so I borrowed someone else's mansion for the shoot. Today is an important celebration for the owner's company." Martin Green told her the reason for the banquet in the car.

Gu Weiwei saw Martin rubbing his right thumb and forefinger, a sign of his nervousness.

"You seem a bit nervous?"

Martin Green loosened his bow tie and said, "Actually, most of the attendees are underground organizations from Europe, so I am a bit nervous."

Hearing this, Lei Ning immediately said, "Stop the car, we are not going."

If she went to such an occasion, she would not be able to answer to Boss if anything happened.

"But they invited us because they knew we were going to shoot the commercial there." Martin Green said.

Although he had some status in the fashion industry, he could not afford to offend such an important figure.

"Mr. Fu will not allow Miss. Mu to attend such an occasion." Lei Ning looked serious.

Gu Weiwei looked outside and said, "We are here, so we have to go now."

She had just finished speaking when the butler opened the door for them.

"But..." Lei Ning looked at the brightly lit castle outside.

Gu Weiwei lowered her voice and said, "Leave your knife and gun in the car, we are just going in to show ourselves and we will come out as soon as possible."

If she brought such a thing in, people would think that she was there to provoke them or cause trouble.

Lei Ning thought for a while and left all her weapons in the car, before getting out of the car with her.

The three of them entered the castle and each took a glass of champagne. Martin Green pointed at a tall, handsome middle-aged man not far away.

"Let's go and say hello to Mr. Dorrans, then everything will be fine."

Gu Weiwei was startled. "Mr. Dorrans?"

Chapter 557: First Meeting with Cayman Dorrans 2

Dorrans?

Was he from the Dorrans Family?

Martin Green looked at her and explained.

"The Dorrans Family is a very influential family in Europe and Mr. Cayman Dorrans is the current leader of the Dorrans Family. Tomorrow, the shooting site of our commercial will be using the scenery of this ancient castle. We borrowed it through several connections."

Hearing the name Cayman Dorrans, Gu Weiwei's hand that was holding the champagne shook.

She had never expected that the man she had been searching for, for so many years, would suddenly appear before her.

Recently, because of Yuan Meng, they kept mentioning this name.

But she had never expected to see him.

Hearing that it was Cayman Dorrans, Lei Ning also became nervous and reminded her with a small voice.

“Miss. Mu, we should leave as soon as possible.”

Although they had received the news that the Dorrans Family and the Gu Family had terminated their collaboration, the Dorrans Family and the Fu Family still had many conflicts and it was not a good thing for them to stay here.

Gu Weiwei came back to herself and took a sip of the champagne to calm herself down.

“Okay, let’s leave as soon as possible.”

“I thought you don’t drink?” Martin Green looked at the woman, who had taken a large mouthful of champagne, in astonishment.

Gu Weiwei looked at the glass in her hand. “I am a bit thirsty, I forgot that this was alcohol.”

She looked past the crowd and saw the tall and slender Cayman Dorrans, who was holding a cane.

He was in the middle of a conversation with someone, looking a little arrogant.

Hearing this, Martin Green asked the waiter to get her a cup of water.

“Don’t drink. If anything happens, I won’t be able to answer to Mr. Fu.”

Although he did not know how she got together with Mr. Fu, that man had flown all the way to Italy to keep her company, so they must be very close.

Luckily, he had stopped flirting with her.

Otherwise, who knew what would have happened.

Martin Green looked in the direction of Cayman Dorrans and took a few deep breaths nervously. It was difficult for him to deal with such a man.

But the host had invited them and they were going to shoot the commercial at his place tomorrow.

They should greet him in person.

After a long time, Cayman Dorrans finished talking with the person.

Martin Green was still trying to make up his mind when Gu Weiwei spoke up.

“Let’s go and say hello.”

Martin Green nodded and followed her to greet Cayman Dorrans.

“Hello, Mr. Dorrans, I am Martin Green. Thank you for renting us this place so we can shoot the commercial.”

Cayman Dorrans smiled. “You are welcome, MG is a brand that I admire very much.”

It was the brand that Weiwei used to like.

Therefore, when they wanted to rent a place, he readily agreed.

He looked at the young Chinese girl who came with Martin Green and was slightly startled.

“This...”

Martin Green was a bit nervous. Then he remembered that he had not given an introduction.

“This is Mu Weiwei from Hua Land, the global spokesperson of MG this year.”

“...Mu Weiwei.” Cayman Dorrans looked at Gu Weiwei and mumbled her name.

He suddenly remembered that this was the girl from Hua Land, who looked like Weiwei, that Gu Siting had mentioned.

Chapter 558: My Father

The girl was very young and did not resemble Weiwei at all. She was a pure and beautiful girl from Hua Land.

But those eyes...

The pair of eyes that were looking at him seemed to contain thousands of words, yet it was difficult to say them out loud.

Startled for a moment, Cayman Dorrans stretched out his hand and said, “Hello, Miss. Mu Weiwei.”

Gu Weiwei came back to herself and shook his hand calmly.

“Hello, Mr. Dorrans.”

Cayman Dorrans looked at her and suddenly asked, “Miss. Mu, do you know me?”

The way she looked at him was not the kind of fear and admiration that most people would have when they saw him, but a strange kind of... intimacy.

Gu Weiwei shook her head with a smile. “No, but I have heard of you.”

I heard that you were my real father...

And I am no longer your daughter.

Cayman Dorrans nodded. She was Fu Hanzheng’s girlfriend and Yuan Shuo and Yuan Meng were also hiding at the Fu Family’s mansion, so it was not strange that she knew about him.

But she did not resemble Weiwei in any way. He just could not understand why Gu Siting said that she resembled Weiwei.

He even kidnapped her and brought her to the Gu Family in A Land.

“Heard about me?” He smiled deeply and asked, “Did Mr. Fu or... Yuan Shuo?”

“Both.” Gu Weiwei said.

She had tried to find him for so many years but she had never expected that it would take a change of her identity, after her death, before she could meet her real father.

Cayman Dorrans took a sip of the wine and said, "Miss. Mu is very bold. Aren't you afraid that I will use you to threaten Fu Hanzheng to hand over Yuan Shuo?"

Hearing his words, both Lei Ning and Martin Green gasped and tensed up.

Gu Weiwei smiled calmly. "You will not do that. Even if Yuan Shuo comes back, you can already guess what he will tell you and you will not believe what he says. So it is not wise to exchange me for him from the Fu Family, you will not do that."

Over the years, the Dorrans Family had been in conflict with the Fu Family because they had helped the Gu Family.

But it had always been a small thing, even in the dark.

But if he kidnapped her to exchange for Yuan Shuo, it would become a real conflict.

Although the Dorrans Family held a very important position in Europe, the Fu Family was not to be trifled with either. He would not take the risk to do such a thing.

What he wanted now was the truth about Gu Weiwei's death. If Yuan Shuo was the cause of the murder, he would do anything to kill him, even if he was hiding in the Fu Family.

Cayman Dorrans chuckled. "You are quite smart."

Yes, he would not do that.

Because even if Yuan Shuo was caught, he would tell him that he had fled to Hua Land because of Yuan Meng's identity and that he was not the cause of her death.

And before seeing the concrete evidence, he would not believe a single word he said.

So it was not worth it to use Fu Hanzheng's girlfriend in exchange for something he would never believe.

Gu Weiwei smiled and said nothing.

Matthew came over. "Cayman, there is something we need to talk about alone."

Cayman Dorrans nodded and raised his glass to Gu Weiwei.

"Good luck with the shoot tomorrow."

"Thanks." Gu Weiwei thanked him.

Then she watched Cayman Dorrans and Matthew disappear down the corridor.

Chapter 559: My Father 2

After the banquet, Cayman Dorrans did not appear again.

Gu Weiwei left the banquet under the urging of Martin Green and Lei Ning and went back to the hotel to rest.

However, she was not sleepy at all.

Within ten minutes, Fu Hanzheng called her.

“At the banquet with Dorrans?”

“Yes.”

Leaning against the floor-to-ceiling window, Gu Weiwei answered lazily as she looked at the night scenery outside.

Fu Hanzheng could tell that she was not in a good mood. “Is that all?”

“I am just a bit tired.” Gu Weiwei sighed.

She had been looking for her biological father for so many years and now that she had met him, she could no longer acknowledge him.

Fu Hanzheng stayed silent for two seconds and decided to let her rest.

“Then... rest early.”

“But I want to talk to you.” Gu Weiwei felt a bit better, after hearing his voice.

Fu Hanzheng chuckled. “Okay.”

Gu Weiwei pulled the curtains closed and said, as she lay down on the bed, “Uncle Fu, do you have a bedtime story?”

“Yes.” Fu Hanzheng thought for a while and recited a famous Italian poem to her.

Gu Weiwei was in a very good mood when she then heard Fu Shiqin’s complaint.

“Brother, that’s enough!”

It was still night time in Italy but it was already time for work in the capital of Hua Land and they were on their way to work.

She laughed and said, “Ti Amo!”

Fu Hanzheng checked the time and estimated the time difference.

“It is getting late, let’s get some rest. You have filming tomorrow, right?”

“Okay.” Gu Weiwei replied.

“Leave Italy as soon as possible after the filming. The Dorrans Family are all gathered there, so it is not safe.” Fu Hanzheng reminded her worriedly.

Although he knew that Cayman Dorrans would not do anything to her, he was still worried that something bad would happen if she stayed there.

“Got it, I will meet Merlin in Paris after the filming.” Gu Weiwei said.

“Good night.” Fu Hanzheng said good night to her and then hung up.

Gu Weiwei put down the phone and slept for a few hours.

Early in the morning, Martin Green and Jolin came knocking at the door and urged her to get up for breakfast.

Then they went to Cayman Dorrans's private mansion for the pre-production.

The Dorrans Family members were not present in the place where they were supposed to shoot and so did not disturb them.

In the study of the castle, Cayman Dorrans stood by the window and watched the busy film team on the lawn. He had been watching them for a long time.

Matthew approached and glanced at the MG team who were busy with the filming.

"You miss Weiwei?"

MG was a custom-made brand that Weiwei had worn for many years, when she was alive, and it was for this reason that he agreed to let these people come to his mansion for the commercial.

Cayman Dorrans pointed at the elegant-looking girl in a gown.

"I met Mu Weiwei last night."

Startled for a few seconds, Matthew said, "You mean the Hua Land girl who Gu Siting says resembles Weiwei, Fu Hanzheng's girlfriend?"

Cayman Dorrans smiled.

"Yes, she is a smart and interesting girl."

"Like Weiwei?" Matthew asked.

Cayman Dorrans shook his head. "They don't look like each other at all, but those eyes look very familiar."

"Like affection?" Matthew did not know what he meant.

Cayman Dorrans sighed and sat down at the desk.

"Yes, it feels familiar."

Chapter 560: Cayman Dorrans' Invitation

Since they were filming in Cayman Dorrans's private mansion, Gu Weiwei looked a bit distracted.

Martin Green asked the photographer to stop the filming and came over to ask her what was wrong.

"Weiwei, did you not sleep well last night?"

She had been in high spirits during the previous high-intensity filmings but today, she kept making mistakes.

Gu Weiwei took a deep breath. "Let me rest for ten minutes before we start again, alright?"

Martin Green was very easy to talk to. He asked the film crew to pause the filming and asked someone to make her a cup of coffee.

Jolin also found her behaviour strange today.

“You were not in the right state of mind just now, when you were shooting the commercials, what happened?”

Gu Weiwei was readjusting herself with the coffee, so she did not reply.

Jolin suddenly realized something. “Did you have a fight with Boss?”

No matter how much he thought about it, the only thing that would affect her was an argument with Boss.

“What are you thinking about? Do you think that we quarrel?” Gu Weiwei squinted at him.

She was just living in Cayman Dorrans shadow and could not concentrate, so she was not in a good state of mind.

“You are not arguing with Boss, so what are you doing?” Jolin complained.

“Can’t you leave me alone for a while?” Gu Weiwei begged him.

She was here to readjust herself, not to listen to his nagging.

He even suspected that she was arguing with Fu Hanzheng. How could they possibly argue?

Jolin shut up and waited for her to readjust herself.

Ten minutes later, Gu Weiwei gave the coffee cup to Jolin and said to Martin Green.

“Let’s get started.”

After she had readjusted herself, the filming started to go smoothly. The filming took place in two or three places.

When the shooting was completed, everyone did not leave immediately. Martin Green and the photographer checked over the film.

When they were done, the work was done.

After all, if they did not do a good job, they would have to do a second take.

Hearing Martin Green’s announcement that everything was good, Gu Weiwei removed her makeup and got changed.

Jolin followed her and checked the time.

“We can still catch the flight to Paris tonight.”

“Okay.” Gu Weiwei got changed and looked at the quiet and classical castle, feeling a bit complicated.

After the shoot, Martin Green waited for the camera team to pack up and get into the car, before he went to see Cayman Dorrans in person.

“Mr. Dorrans, thank you very much for providing us with the film site. Our filming is over.”

“Finished?” Cayman Dorrans asked.

“Yes, we are done.” Martin Green replied respectfully and bowed to the man. “Then... we will take our leave.”

Cayman Dorrans stayed silent for a moment and got up with his cane.

“It is getting late, stay for dinner.”

“Well...”

Martin Green was startled. Would he be able to eat dinner with Cayman Dorrans?

He had always heard that Cayman Dorrans was arrogant and cold, but why was he so approachable today?

Cayman Dorrans approached him. “Is Mr. Green in a difficult position?”

“No, thank you very much, I will inform them.”

Martin Green nodded and went out to tell the others to stay for dinner.

The moment he stepped out, Cayman Dorrans followed him and approached the young Chinese girl.

“Miss. Mu Weiwei, are you interested in seeing the rest of this place?”
