

MY HIDDEN 731

Chapter 731: Uncle Fu

Hearing his words, Fu Hanzheng turned around and stared at the approaching Bentley.

He had not seen her for more than a month and now he was going to see her with another man.

This was not a good meeting.

Sitting in the car, Gu Weiwei saw a group of people standing at the gate of Queen's Island Palace and recognized Fu Hanzheng.

She knew that when he received the news, he would definitely help her to leave this place.

But she had not expected that he would pick her up so soon.

It had been more than a month since she last saw him when she left the capital for the promotional event.

The moment the car stopped, she pushed open the door and got out of the car, running towards the man she had missed for a long time.

"Weiwei!"

Seeing her getting out of the car, Anthony Gustav followed her and saw her flying towards someone. He could not stop her.

Gu Weiwei rushed into Fu Hanzheng's arms and wrapped her arms around his waist.

Anthony Gustav took a few steps forward and saw her hugging a man, so he walked over with a dark face.

"Weiwei, who are you hugging?"

He had spent the entire afternoon on the boat and had been attacked by her words. If he had not brought bodyguards with him, she would have kicked him into the lake.

The moment she got out of the car, she threw herself into the arms of another man.

Gu Weiwei ignored him and threw herself into Fu Hanzheng's arms, feeling as if everything around her had disappeared.

She was the only one left in his eyes and he wished that he could carry her away forever.

Fu Shiyi blocked Anthony Gustav, who was coming towards him. "She is hugging her boyfriend, what can you do about it?"

"Boyfriend?"

Anthony Gustav looked at Fu Hanzheng and saw him holding the girl in his arms, looking very possessive. He could not help but show some hostility.

Fu Hanzheng looked at him too, looking cold.

“Anthony Gustav, please stay away from my girlfriend.”

If he had not been a member of the royal family, he would have been in a lot of trouble. What he had done today would have cost him dearly.

Instead of backing down because of Fu Hanzheng’s warning, Anthony Gustav said, “You are not married, let’s have a fair competition.”

Gu Weiwei released herself from Fu Hanzheng’s arms and stood next to him instead.

“We are engaged, and we are getting married as soon as we return home.”

This pompous prince did not understand a single thing about rejection. She had told him many times that she was getting married, but he was still not giving up.

“You can get a divorce when you are married.” Anthony Gustav said.

This was a very interesting girl from Hua Land. If he had to marry a girl as the Princess Consort, then it had to be her.

“Anthony!” Ryan approached and tugged at his brother, who was provoking Fu Hanzheng in front of them and whispered, “Apologize to Mr. Fu and... stop staring at his girlfriend.”

He had known Fu Hanzheng for years and this was the first time he had seen him being so concerned about someone.

If Anthony took away his love, he would only bring unnecessary trouble to himself and the royal family.

“She is just in a relationship with him, not his personal possession. It is normal for a beautiful woman to have admirers,” Anthony Gustav said confidently, as he looked at Gu Weiwei. “True love comes first.”

“...” Gu Weiwei gritted her teeth – who the hell loved him?

Her one and only true love was her Uncle Fu.

Chapter 732: I Miss You

Seeing the terrible atmosphere, Ryan stepped forward and said, “President Fu, I have asked someone to prepare a place for you. You and Miss. Mu must have a lot to talk about, let’s go inside.”

He also needed to have a good talk with his brother.

Having said these words, he asked his servants to lead them in.

Anthony Gustav could only watch this ill-intentioned man leave with her hand in hand. When they were all inside, he asked his brother, “Ryan, why are you helping that man instead of me?”

“Anthony, we did promise not to interfere with what kind of girlfriend you are looking for, but you can’t court his girlfriend.” Ryan seriously warned him.

“Why?” Although Anthony Gustav was born into the royal family, he paid little attention to politics and business.

Although he thought that the man looked familiar, he did not immediately recognize him.

“Because he is Fu Hanzheng,” Ryan said.

Not to mention the collaboration between the Fu’s Enterprise and the Royal Family of Sweden, the Northern European branch of the Fu’s Enterprise in Stockholm alone, had a huge economic impact on the entire Sweden economy.

If Anthony had not been the third in line, Fu Hanzheng would not have let him off so easily.

Anthony Gustav raised his eyebrows in astonishment.

“Fu’s Enterprise?”

“Who else?” Ryan said.

Anthony Gustav nodded and said, “Okay, can I go back and rest now?”

Having said these words, he walked around Ryan and entered the palace.

So her boyfriend was him.

Well, he admitted that her boyfriend was better-looking and richer than he was.

But he would not give up on pursuing his own love, just because her boyfriend was Fu Hanzheng.

On the other side, Fu Hanzheng and his men arrived at the room that was arranged by Ryan’s servant.

Fu Shiyi did not follow them into the room but closed the door after they had entered.

Then he went to the room next door.

Fu Hanzheng let go of her and asked.

“What hap...?”

Before he finished the words, the girl looked up and kissed him on the lips, with her arms wrapped around his neck.

Fu Hanzheng lowered his head and responded to the girl’s initiative.

He had been angry because she had come back with Anthony Gustav.

This kiss had appeased him.

It took them a long time before the kiss ended.

Sitting on the sofa, Fu Hanzheng had one hand over the back of the sofa and the other leaning against the girl’s shoulders.

“He did not bully you?”

“No, if he was not the Third Prince, he would have been fiercely beaten up.” Gu Weiwei said fiercely.

Honestly speaking, although Anthony Gustav was arrogant because he was born into the royal family, he was not the type to take advantage of her.

He only threatened her to attend a ball and go to Lake Melalon with him.

“Why did he kidnap you?” Fu Hanzheng asked.

As far as he was aware, they had never met before.

“He saw the report on the Lugano Film Festival and asked someone to check my information. Then we were attacked that night and he caught us.” Gu Weiwei honestly confessed.

Fu Hanzheng had heard that Prince Anthony was always unpredictable, so it was not strange that he would do something like this.

“Anything else?”

Gu Weiwei looked up and kissed him on the lips.

“Yes, I have missed you so much.”

Chapter 733: Li Xing'er Wants You Dead

Fu Hanzheng's gloomy mood was immediately lifted by the surprise hug.

The kiss that had just ended, had caused his sour mood to mostly disappear, and now when she said that she missed him so much, he felt much better.

“I miss you too.”

“When can we go home?” Gu Weiwei looked up at him and asked.

The promotional work for the movie had basically ended, and the only thing left to do was to do some work in the capital.

Fu Hanzheng looked down at her and said, “We have not found out what happened to the person who attacked you last night. We will go back when we have some leads.”

“Did Lei Ning find anything?” Gu Weiwei asked.

If she knew what Lei Ning had found out, she would be able to tell if Yuan Meng's men had succeeded.

“The ones they found are all dead, and the survivors have escaped. Also, it seems that more than one group of people are involved.” Fu Hanzheng frowned and said, “You are attracting too much attention, and we need to investigate a large area.”

Hearing what he said, Gu Weiwei was sure that Yuan Meng had taken them away.

Also, Yuan Meng was very good at interrogating people.

As long as the person was in her hands, she would definitely be able to find some clues and maybe she would be able to find the mysterious person who had provided the secret of her identity to the Anderson Family.

“Then what should we do? If he is dead, there won’t be any clues.”

“The only thing we have found is that those men are from a gang in Europe, led by a man named Kerry. But he has been killed. However, not by Lei Ning,” Fu Hanzheng said thoughtfully.

Gu Weiwei threw a look at him and asked, “Then he was killed by the other group you mentioned?”

“That should be the case. They are not here for you, but they killed Kerry and his men, who were going to attack you. They left quickly and we have not found anything yet.” Fu Hanzheng sighed.

Kerry and his men were in the business of killing people, and someone had spent money on her assassination.

“If they are not here to kill me, then there is no need to continue the investigation,” Gu Weiwei mumbled nonchalantly.

She did not want Fu Hanzheng to get any further involved because he had sent Lei Meng and his men to investigate the matter. No matter how secretive the investigation was, the Fu Family’s mansion might discover some information.

Therefore, she would rather let Yuan Meng and Yuan Shuo continue the investigation.

“They did help you last night, but that doesn’t mean that they are no longer a threat to you,” Fu Hanzheng said.

Gu Weiwei asked, “Some of their people are dead too, so how are we going to find them?”

“On the way here, Lei Meng found out that one of Kerry’s overseas accounts has a sum of money that Wei Ziting transferred into it,” Fu Hanzheng said.

Gu Weiwei said, “Are you saying that the Li Family hired someone to kill me?”

Fu Hanzheng said, “Li Jiacheng and Zhou Meiqin are in jail and the Old Lady of the Li Family is at the Zheng Family. The only person who has a motive and can use Wei Ziting’s account to transfer the money is Li Xing’er.”

Gu Weiwei pursed her lips and thought for a while. So many things had happened in the Li Family, so it was not surprising that Li Xing’er wanted her dead.

But where did she find such an expert to kill her?

Fu Hanzheng said, “On the surface, it seems that the Li Family wants your life, but they wouldn’t be able to hire someone like Kerry.”

“But no one else wants me dead, more than them,” Gu Weiwei said with a smile.

Was Li Xing’er trying to kill her or was Ling Yan and that mysterious man trying to kill her? She had to contact Yuan Meng as soon as possible.

Chapter 734: Fu Hanzheng

“They are not the only ones.” Fu Hanzheng looked thoughtful.

Actually, what he wanted to say was that someone from the Gu Family might have approached her. But he had promised Yuan Shuo that he would not ask her anything more until she told him herself. Therefore, he did not speak out his thoughts.

“Take your time, I will not leave the capital for a long time after I return, so you don’t have to worry about me running into this kind of thing abroad.”

Leaning against him, Gu Weiwei felt very warm and peaceful.

“The trial of the Li Family is going to be held soon, do we need to give the evidence to the lawyer too?” Fu Hanzheng asked.

He could help her with her affairs, but she always handled them herself.

“No need, just leave it to me.” Gu Weiwei said.

“Okay.” Fu Hanzheng agreed and did not ask her what she was planning on doing.

After they finished the conversation, they were just enjoying their time together, when Fu Shiyi and someone else started arguing outside the door.

Fu Hanzheng could tell that the other voice belonged to Anthony Gustav. He looked down at her and said, “It seems that Prince Anthony is quite devoted to you, yes?”

Her real boyfriend was here and yet he was not backing down.

“Something is wrong with him.” Gu Weiwei pointed at her own temple and complained. “I have a boyfriend and I am getting married soon, but that man is totally stubborn.”

This evil second generation prince really thought that the world revolved around him.

Fu Hanzheng brushed her hair to the side and said, “I really shouldn’t have let you enter the entertainment industry.”

“What does that have to do with me entering the entertainment industry?” Gu Weiwei asked with amusement.

He was talking about Anthony Gustav, so why was he mentioning her work?

Fu Hanzheng sounded jealous. “More and more people like you because you make movies.”

This was not something her boyfriend could be happy about.

Gu Weiwei chuckled. “Don’t talk about me. Do you think that there are only a few women who lust after your beauty?”

Fu Hanzheng chuckled. “But you are the only one for me.”

Gu Weiwei chuckled and wrapped her arms around the man’s neck.

“No matter how many people like me, you are the only one I like.”

Fu Shiyi was still arguing with Anthony Gustav outside, while Fu Hanzheng and Gu Weiwei were in the room, feeling very sweet and cozy.

Anthony Gustav was about to knock on the door when Fu Shiyi caught him.

“Hey, what are you doing?”

“Do I need your permission to do anything in my own home?” Anthony Gustav countered.

“Then did my brother approve of you harassing my sister-in-law?” Fu Shiyi countered with his arms crossed.

Anthony Gustav said, “That is a man’s sincere pursuit of a beautiful girl.”

Fu Shiyi snorted. “You are so sincere about getting her to court you?”

He knew that she was his brother’s girlfriend, but he was the first one who was so persistent and fearless.

“Your brother did not say anything but you are so angry. Are you one of her suitors?” Anthony Gustav sized him up and asked.

“Damn you, that is my sister-in-law!” Fu Shiyi bellowed.

He truly admired his courage. No matter how brave he was, he would not dare to court his brother’s woman.

Chapter 735: My Sister-in-law Only Liked the Flowers My Brother Gave Her

Anthony Gustav was stopped by Fu Shiyi and started to argue with him at the door.

However, no matter how much they argued outside, the two people in the room did not even open the door.

That was until Ryan’s servant knocked on the door and said, “Mr. Fu, it is time for dinner.”

The door of the room opened and Fu Hanzheng came out with Gu Weiwei. Without looking at Anthony Gustav, he followed the servant downstairs to the dining room.

“Weiwei!”

Anthony Gustav gave up arguing with Fu Shiyi and followed them.

He felt annoyed, Fu Hanzheng could hold her hand, but he could not.

“Weiwei, I have a present for you.”

Gu Weiwei chose to ignore his voice and went into the dining room with Fu Hanzheng and sat down at Ryan’s invitation.

Anthony Gustav left when he came to the dining room and did not return until the dishes were served. On his return he was holding a bouquet of red roses.

“I picked this for you at the rose garden and I wrapped it myself. Here.”

Without looking at the flowers, Gu Weiwei said, "I don't like them and I don't want them either."

Fu Shiyi looked at Anthony Gustav, wondering if he should admire him or sympathize with him.

He had given his sister-in-law roses in front of his brother. Did he think that his brother was dead?

"You don't like red roses?" Anthony Gustav said and asked his servants to come in with a bunch of different roses.

Ryan had the urge to kick his brother out of the house.

He had told him he couldn't so many times but he had not listened even once?

"If you don't like red roses, then there are white roses and champagne roses... What do you like?" Anthony Gustav asked.

Gu Weiwei said, "I don't like flowers."

Anthony Gustav stayed silent for a while and asked his men to remove all the flowers. Then he sat down at the long dining table gloomily.

He had checked if she received flowers when she was doing her promotional events. Her fans had given her so many roses and she had happily accepted them all.

Fu Hanzheng put down the knife and fork and said to Ryan, "Can I borrow something?"

"What is it?" Ryan was surprised.

Fu Hanzheng got up, approached the centerpiece on the table, grabbed a red rose from the vase and said to Ryan, "I need to borrow this."

Ryan smiled. "Go ahead."

Fu Hanzheng sat down at the table with the flower and said to Gu Weiwei, "I was in a hurry and forgot to buy you flowers."

Gu Weiwei chuckled, took it and sniffed the rose.

"It's very pretty, thank you."

Anthony Gustav watched as the woman, who had just turned down his flowers and claimed that she did not like flowers, accepted another man's rose with an angelic expression.

"You said that you don't like flowers."

Fu Shiyi said sympathetically, "My sister-in-law only likes my brother's presents, not yours, understand?"

Anthony Gustav said, "Weiwei, that is not fair."

Gu Weiwei continued to eat as if she had not heard anything.

Fu Hanzheng suggested to Ryan as he ate elegantly.

"I remember that you needed to find someone to be in charge of the project. I think... Anthony Gustav is very suitable, and he can come home with us."

Ryan was still thinking about it, when Anthony Gustav agreed without thinking when he heard that he could go back to Hua Land with her.

“Okay, I will go.”

“...” Fu Shiyi looked at Anthony Gustav who had agreed to come home with them.

What his brother meant was that he would not be able to deal with him in Swedish territory, but in his own land, he would show him what he was capable of.

Chapter 736: Torture

Ryan looked at Anthony Gustav, who agreed to go without questioning anything and tried to persuade him.

“Anthony, you have never done such things before, are you sure you can do it?”

Fu Hanzheng must have asked him to go back with them because he wanted to take revenge on him for what he had done, yet he still said yes.

In Sweden, Fu Hanzheng would not do anything to him directly because of his royal identity.

But the Fu Family territory was in Hua Land and it was up to them to deal with him.

However, Anthony Gustav had no idea what he was up to. He took a look at Gu Weiwei, who was sitting next to Fu Hanzheng, and said resolutely that he was going to become the manager of the project in Hua Land.

Fu Shiyi raised his glass and smiled. “Then welcome ahead of time.”

Seeing that he was so persistent about his sister-in-law, his brother would definitely welcome him.

Fu Hanzheng smiled and said to Ryan, “Since your brother is so confident, you should trust him.”

“...”

Ryan looked at Fu Hanzheng and then at his brother Anthony Gustav.

He was in such a hurry to be mistreated, what else could he say?

May God bless him, so that he could give up on pursuing Fu Hanzheng’s girlfriend.

Otherwise even Fu Hanzheng would not let him have an easy time.

Gu Weiwei did not make any comments throughout the entire process. She knew that Fu Hanzheng had suggested that Anthony Gustav should be in charge of the company, so that he could deal with him.

She felt that he had asked for it.

He had caused so much trouble that Uncle Fu was displeased.

After dinner, Fu Hanzheng was discussing with Ryan about the attack in Stockholm.

Although Lei Ning and the rest were investigating at the moment, because of the involvement of the Swedish police, some clues were in the hands of the police.

And if they wanted to get the clues from the Swedish police, they would need the permission of the royal family.

Instead of rejecting his request, Ryan quickly contacted the police in Stockholm and asked them to cooperate with the investigation.

Gu Weiwei wanted to contact Yuan Meng as soon as possible so that she could find out what she had found. She whispered to Fu Hanzheng, when he and Ryan were discussing, "Third Master and I are going out for a while, I want to contact Jolin to arrange the work later."

Fu Hanzheng threw a look at Fu Shiyi, who was playing with the phone, and at Anthony Gustav, who was staring at his girlfriend.

"Go, I will find you soon."

Gu Weiwei got up, called Fu Shiyi and left with him.

Seeing her leaving, Anthony Gustav naturally followed her.

Fu Shiyi turned around and threw a look at the tail who was following him. "I am talking about work with my sister-in-law, what are you doing here?"

"This is Queen's Island Palace, I can go anywhere I want." Anthony Gustav countered.

Since Fu Hanzheng came, he had not been able to talk with her.

"Sure, do whatever you want." Fu Shiyi was too lazy to argue with him. When he went to Hua Land, he would not be able to be so arrogant.

Gu Weiwei did not want to waste energy on avoiding Anthony Gustav anymore, so she asked Fu Shiyi in front of him, "Have you contacted Jolin and the others? Have you found my phone?"

"Yes, I did. You were flirting with my brother the moment you came home, and it seems I was the only one who was concerned about these things," Fu Shiyi said as he took out her phone from his pocket.

"Jolin and his men are safe, they are fine. I have arranged for them to return home today."

Chapter 737: Gu Family's Secret

Gu Weiwei turned on the phone and said to Fu Shiyi, "I will make a call and keep an eye on him."

"I promise that he will not come within ten steps of you," he said.

Gu Weiwei walked a few steps away and called Yuan Meng.

Since her plan with Yuan Meng was hidden from Fu Hanzheng, that was why she avoided Fu Hanzheng and made a call elsewhere.

The phone rang several times before Yuan Meng picked it up.

"I heard that you were kidnapped by the Swedish Prince. How are you now? Are you cheating on me?"

"Time is tight, let's get down to business." Gu Weiwei did not have time to listen to her teasing, so she asked straightforwardly, "Did your men catch anyone alive?"

“Apart from killing you, what else have I failed?” Yuan Meng said proudly.

Hearing her words, Gu Weiwei felt a bit relieved. If she could catch him alive, she would definitely find something.

“Any useful clues?”

“He is locked up in secret and Old Anderson is watching me closely. I need to find an opportunity to pry open his mouth.” Yuan Meng said.

When she returned to the Anderson Family, although Old Anderson did not punish her, he no longer trusted her that much.

Anderson had worked with that mysterious man to assassinate Gu Weiwei, and once he knew that she was investigating this matter for her, he would definitely inform that man.

“How long will it take?” Gu Weiwei threw a look at Fu Shiyi and Anthony Gustav who were arguing with each other.

Yuan Meng thought for a moment and said, “I will give you an answer within a week.”

“Alright, be careful.” Gu Weiwei said.

Having said the words, Yuan Meng started to play the hooligan again.

“Honestly, is Anthony Gustav really as handsome as the picture?”

After all, he was the man she had once drooled over, so of course she had to gossip about him.

“Enough!” Gu Weiwei snapped.

“Let me tell you, if it were not for your Master, I would have devoured the Prince of Sweden in the bedroom. Such a great opportunity has presented itself to you, don’t miss it.” Yuan Meng jeered.

Gu Weiwei gritted her teeth. “Then you can have it.”

“What, you are afraid that Fu Hanzheng will get jealous?” Yuan Meng asked.

She had missed out on so many handsome men at such a young age because of Fu Hanzheng.

Gu Weiwei said, “If you have nothing else to say, I am hanging up.”

Yuan Meng became serious and said, “They failed this time, but I am afraid that they are up to something. You better stay by Fu Hanzheng’s side.”

Ling Yan was not stupid, she knew how to get someone else to do the dirty work for her.

The Li Family was in the deepest conflict with Mu Weiwei, so she and that man had offered the Li Family an opportunity for revenge, so as to get the Li Family to hire the killer.

If her plan had succeeded and the murderer turned out to be someone hired by the Li Family, she would be able to reap the benefits.

"I don't have much work to do these days, just do it as soon as possible, in case anything happens." Gu Weiwei said as she saw Fu Hanzheng coming out of the room. "Let me know if you have any news."

"Got it, I guess your Uncle Fu is here for you again." Yuan Meng hung up after complaining.

Gu Weiwei hung up and walked towards Fu Hanzheng.

"How was the talk?"

"According to the clues provided by the Stockholm police, several other people showed up at the scene and they took one of them alive." Fu Hanzheng took hold of her hand and looked deeply at the woman in front of him. "At least we can confirm that it is not as simple as the Li Family paying the assassins."

He had a feeling that this must have something to do with the secret between her and the Gu Family.

Chapter 738: His Woman

Gu Weiwei smiled. "Then... can we find those people at the scene?"

Fu Hanzheng shook his head and led her upstairs to their room.

"They seem to have come prepared."

The Li Family hired killers to attack her, but another group of people seemed to have known about it and attacked the murderer and took him away alive.

Judging from the time when they attacked and how they left no traces, this was a planned operation.

But how did these people know that they were going to kill her?

"Oh!" Gu Weiwei replied in astonishment.

As they entered the room, Fu Hanzheng sized her up discreetly, wondering if she had been involved in this behind his back.

But he did not ask her directly.

Gu Weiwei had a feeling that he was suspecting something, so she changed the topic.

"When are we going home? I want to go home."

Because of what Old Lady said last time, she did not want him to interfere too much in her grudge with Ling Yan and the Gu Family.

"Tomorrow." Fu Hanzheng said.

Gu Weiwei approached him and took hold of his waist.

"Are you angry about Anthony Gustav?"

Otherwise, he would not have tried to lure Anthony Gustav to Hua Land, so he could take revenge.

"Shouldn't I be angry?" Fu Hanzheng frowned. If he had not removed the news in time, everyone in Hua Land would be saying that she was the girlfriend of Prince Anthony from the Swedish Royal Family. How could he, the real boyfriend, stand it?

“I don’t like him, why are you so angry?” Gu Weiwei asked with amusement.

Fu Hanzheng snorted. “How can I not be angry, when he still refuses to give up?”

Of course he knew that Anthony Gustav had agreed to go to Hua Land, not because he wanted to be in charge, but because she was going back to Hua Land, so he wanted to go with her.

And because he knew that Weiwei had nothing to do with him, he was only angry at Anthony Gustav.

“But he is one of the princes of the Swedish Royal Family, are you sure you can trick him into going to Hua Land, just to take revenge?” Gu Weiwei worriedly asked.

Fu Hanzheng said, “I don’t want his life.”

If he had not been a prince of the Swedish Royal Family, he would not have let him go so easily.

Westerners were very straightforward when it came to relationships. When they fell for someone, they would chase after them regardless of whether they were single or not.[1] But Weiwei did not fall for those kinds of tricks. He would not allow anyone to covet his women.

“Alright, as long as you know what you are doing,” Gu Weiwei said helplessly.

She was worried that he would get jealous and cause trouble for the Swedish Royal Family.

Fu Hanzheng allowed her to hold him and said, as he looked down at her, “Even if I didn’t get him to come with us, he will still run to Hua Land. Why not put him somewhere that can cure him of his unrequited affections?”

He had given her roses in front of him and he was determined to court her to the end.

Gu Weiwei nodded in agreement. Fu Shiyi said that Anthony Gustav had told the local media about him taking her to the birthday banquet.

She and Fu Hanzheng’s relationship had never been announced to the public. If he made a fuss, the public would think that she was dating the Swedish Prince, Anthony Gustav.

Gossip always worsened when it was revealed.

It was a good thing that Fu Hanzheng asked his men to remove the news, so that the news would not be spread back to Hua Land; otherwise she would have been put into a very difficult position.

[1] Not actually true. This is a very incorrect stereotype, and in reality, this type of personality is frowned upon.

Chapter 739: Prevention

At Ryan’s invitation, Fu Hanzheng and Gu Weiwei stayed at Queen Island Palace for one day.

The following day, she asked Lei Ning to leave some clues about the men who attacked her and Fu Hanzheng brought her and Fu Shiyi home.

They had just arrived at the airport when Anthony Gustav followed them.

Together with him were his bodyguards, stylists, chefs, drivers and personal assistants...

Also, he had brought more than ten suitcases with him.

It was almost as if the ancient emperor was on a tour.

Startled, Fu Shiyi complained.

“I know that you royal family members like to show off, but I didn’t expect you to be so good at it!”

He was not going to the Hua Land for business, he was moving.

“I don’t want to talk with you.” Anthony Gustav said.

“Alright, I don’t want to talk to you either. Bye bye.”

Having said the words, Fu Shiyi followed after his brother and sister-in-law who were about to board the plane.

Anthony Gustav put on his sunglasses and came with his followers.

But when she was boarding the plane, she was stopped by Fu Hanzheng’s private jet.

“Sorry, Mr. Gustav, our plane is overloaded and we can’t allow anyone else to board.”

Anthony Gustav looked at the plane that could accommodate dozens of people. They had just boarded the plane and now they were telling him that it was going to be overloaded.

Standing at the cabin door, Fu Shiyi waved at the men below.

“Bye, see you in the capital.”

What a joke! His brother would ask him to take the same plane as his sister-in-law?

Anthony Gustav knew that it was just because Fu Hanzheng did not want him to get close to Mu Weiwei, so he left with everyone else and contacted the private jet of the royal family to send him to Hua Land.

Also, she arrived at the capital before Fu Hanzheng arrived.

Fu Hanzheng’s plane came to a stop and Fu Shiyi was the first to come down after the door was opened.

From afar, they saw Anthony Gustav, who they had left behind at the Stockholm airport, had arrived at the capital with his huge entourage and was waiting for them.

And when she saw them coming down, she waved at them provocatively.

“I can come here even if I am not with you.”

Fu Hanzheng and Gu Weiwei ignored him and went straight to the driver.

Fu Hanzheng threw a look at Anthony Gustav and said to Gu Weiwei.

“I will drive you to your work.”

“What?” Gu Weiwei was startled.

His President was so busy every day, it was not very appropriate for him to take her home.

"If I don't go, he will." Fu Hanzheng said as he looked at the man standing outside the window.

Anthony Gustav became the most popular member of the royal family of many European countries because of his excellent appearance.

And because of the movie, she had become the national idol of the Hua Land.

If they were photographed by the media, it would be a big news in the Hua Land.

He did not want to see his girlfriend and another man making the headlines.

Gu Weiwei looked out of the window. "Alright, whatever you say."

This man was here with them, not just for the project manager.

Fu Hanzheng had removed the news from Sweden, so the country did not notice it.

But she did not want to report with him and cause trouble for Uncle Fu.

Chapter 740: Prevention 2

The box office of Sleepless had broken the records of the Chinese box office and the total box office was as high as ten billion yuan.

Gu Weiwei won the Best Actress Award at the Lugano Film Festival and her fans started to call her the Movie Queen.

The Film Academy deleted the critical report about her not attending school and even regarded her as an honorary schoolmate.

On the second day after they returned to the country, they were invited to attend a major business event. Jolin kept asking them to dress up and show up.

In order not to let Anthony Gustav disturb them, Fu Hanzheng asked Fu Shiqin to arrange a lot of work for him on the day he returned home, and to make sure he stayed and finished them within the time limit.

But just in case, he was the one who delivered her to the event that night and Fu Shiyi was there to attend with her.

Fu Hanzheng was dealing with work in the car, as he waited for the event to finish.

After Fu Shiyi entered the venue with her, he checked over the staff.

"No sign of Anthony Gustav, hopefully brother can remove the threat."

Men had tried to court his sister-in-law before, but Luo Qianqian's cousin was so frightened by his brother's phone call that he gave up, and Qin Lv gave up after being lectured by his brother.

Only this Anthony Gustav was fearless enough to go against his brother. He truly admired his courage.

Gu Weiwei had just escaped from the crowd of journalists, when she heard Fu Shiyi's words.

"Do you have to be so worried about Anthony Gustav?"

Fu Hanzheng did not feel assured when he saw her off, so he tied Fu Shiyi to her, so that they could attend the event together.

“It is not that we are being overly paranoid, but this love rival is a very powerful man and we need to be careful.” Fu Shiyi complained.

Anthony Gustav was born into the royal family of Sweden, so he was naturally of noble status. He was also good-looking and had the best physical features of Western men.

Although in his eyes, he was not as good as his brother.

But his brother was waiting for his sister-in-law to get married after her birthday and they did not want him to ruin his brother’s wedding.

“Haven’t you been hoping that your brother would be unlucky? Why are you helping him now?” Gu Weiwei said with a smile.

Fu Shiqin was helping Fu Hanzheng give Anthony Gustav a pile of work and he was also thinking of ways to mistreat him.

Without saying a word, Fu Shiyi put down his schedule and came to attend the event with his brother.

“Internal conflict is internal conflict, and external enemies are external enemies,” Fu Shiyi said.

No matter what they said about his brother, they were brothers. But if outsiders came to annoy his brother, that would not do.

Only a bastard like He Chi would suggest such a shameless idea of helping Anthony Gustav steal his brother’s girlfriend.

Gu Weiwei chuckled. She just could not understand their brotherly love.

“Let me tell you, if Anthony Gustav comes to Hua Land, he will only...” Before Fu Shiyi finished speaking, he saw the organizer and a tall, handsome foreigner coming in and shaking hands with everyone.

“Where did he come from?”

He was sure that he was not among the invited guests tonight.

Also, his brother had just asked Fu Shiqin to deliver a pile of work to him, but he still had time and the mood to hang out?

Gu Weiwei frowned slightly. Anthony Gustav and the organizer had already come over to them.

“Weiwei, you look so beautiful tonight.”
