

MY HIDDEN 801

Chapter 801: The Legend of Kissing

The shooting went very smoothly throughout the entire day.

The photographer had thought that it would be very stressful to take the wedding pictures for Boss and Lady Boss.

However, the two of them were so good-looking and they got along so naturally during the shoot that doing the photoshoot was easy.

Gu Weiwei had thought that the filming would take up the entire day, but it ended early in the afternoon.

She got changed, removed her makeup and drank afternoon tea with Fu Hanzheng. Then they went for a walk at dusk.

Fu Shiyi and Fu Shiqin were so bored that they followed them out.

Since they did not want to watch the two of them showing off their love in front of them, they quickened their pace and walked ahead. Out of sight, out of mind.

Gu Weiwei and Fu Hanzheng were walking behind them hand in hand, enjoying the foreign scenery under the setting sun.

They came to a tree and Fu Hanzheng stopped and broke off a branch that had a small green fruit on it.

Gu Weiwei took it and said with a smile, "Mistletoe."

"Yes, it is a symbol of love in the West," Fu Hanzheng said.

Gu Weiwei looked up at the mistletoe tree and said with a smile, as she played with the branch in her hands, "Did you know that mistletoe was used in the West to steal a kiss from your lover at Christmas?"

The mistletoe was a very common decoration at Christmastime in the West and it was a tradition that if a couple were found standing under the mistletoe on Christmas day, they must kiss.

So on this day, some boys would carry mistletoe, and when they met a girl they liked, they would take it out and ask her for a kiss.

"Oh?" Fu Hanzheng was surprised.

Gu Weiwei chuckled and continued.

"In the Norse mythology, Baldur, the God of Peace, was shot to death by the arrows made by Loki, the God of Mischief, with the mistletoe. Baldur's mother, Freya, found out about it and was in great anguish. She and the gods tried to save Baldur, and they succeeded."

“Freya was very grateful and promised that anyone who stood underneath the mistletoe would be given a kiss. As time passed, the legend became that the couple who kissed under the mistletoe would stay together forever.”

...

Fu Hanzheng took hold of her waist and asked, despite knowing the answer, “So?”

Gu Weiwei looked up at him with a smile. “So, Mr. Fu, do you want to give Mrs. Fu a kiss?”

“My pleasure.”

Fu Hanzheng smiled and kissed the girl’s soft lips.

Gu Weiwei put her arms around his neck and enjoyed the kiss from her lover.

Fu Shiyi and Fu Shiqin were walking in front, when they suddenly heard no sounds behind them. They turned around and almost fell over.

“Damn, damn it, they are kissing again.”

They had been kissing and hugging each other during the afternoon photoshoot, and now they were kissing again.

“Single men like you don’t know how fun kissing is.” Fu Shiyi snorted.

Fu Shiqin squinted at him. “You sound as if you are not single yourself.”

“I have Dongdong,” Fu Shiyi said proudly.

“She is not your girlfriend.” Fu Shiyi snorted.

This man was such a b*tch. He had no interest in those women who surrounded him, but now he was courting Ding Dongdong, who had turned him down time and time again.

“She is not my girlfriend now, but she might be in the future,” Fu Shiyi said with a smile.

Fu Shiqin chuckled.

“If you get married in the future, I will invite your ex-girlfriends and rumored girlfriends to the wedding.”

Fu Shiyi countered.

“If you have a girlfriend, I will steal her away from you. I have done it before.”

“Damn you, Fu Shiyi!”

“No, damn you!”

...

Chapter 802: Stealing My Girl

Life in the Chenis castle was far away from the bustling city and was as peaceful as a paradise.

Gu Weiwei and Fu Hanzheng took the wedding pictures for two days, and after that, they spent the time reading books in the castle or taking walks by the lake. It was a very sweet and relaxing time.

However, Fu Shiyi and Fu Shiqin, who came with them, looked at it differently.

They started to fight with each other, and within a few minutes, they were back to being friends again.

The day they left Chenis, Gu Weiwei and the others were having breakfast in the dining room when Fu Shiyi came downstairs with a mask over his face.

Gu Weiwei looked at the man who was wearing a mask indoors. "Third Master, why are you wearing a mask?"

"I have a cold." Fu Shiyi turned down the food and started to play on his phone.

Hearing his words, Fu Shiqin put down his bowl and laughed.

"He has put on too many face masks and become allergic to them, ahahaha."

Gu Weiwei threw a sympathetic look at Fu Shiyi. He had been wearing so many face masks these past two days and she had been trying so hard to persuade him not to.

He had put them on in vain because now he had an allergic reaction. He must have done something wrong to have such an outcome.

"Go and check with He Chi."

"He will ruin my face!" Fu Shiyi snorted.

Fu Shiqin said, "Well, even when you flirted with the girl he liked he did not stab you then."

"It's because I'm so handsome, is it my fault that women like me?" Fu Shiyi proudly brushed his fringe and snorted.

Fu Shiqin unlocked his phone, opened WeChat Moments and said to Fu Shiyi, "Then it is not his fault that he and Ding Dongdong are drinking tea together either."

Fu Shiyi stood up and grabbed the phone, only to see He Chi taking a selfie with Ding Dongdong.

"Damn you, He Chi, how dare you steal my girl!"

"..."

Gu Weiwei had no words to respond to him. Those three were so annoying.

Fu Shiyi urged Gu Weiwei after seeing the pictures.

"Sister-in-law, when are we leaving?"

Gu Weiwei took a sip of milk. "We need to finish breakfast first."

After she and Fu Hanzheng finished breakfast, they were going to leave for the airport.

Fu Shiyi took over the task of driving the car and Fu Shiqin sat in the passenger seat whilst Gu Weiwei and Fu Hanzheng sat in the back.

But Fu Shiyi was in a hurry to return home, so he started to speed the moment he left the castle.

Fu Hanzheng warned him with a cold voice, "Get out of the car if you don't know how to drive."

"If you want to die then die alone, don't drag us into it." Fu Shiqin snapped.

He was driving so fast that they were almost flying.

Fu Shiyi glanced at his brother's cold expression through the rear-view mirror and slowed down.

Along the way, he had planned a hundred ways to kill He Chi.

"Fu Shiyi, didn't you say that you are going to propose to Dongdong? It doesn't look like it's going to be the case," Gu Weiwei asked curiously.

He had said that he was going to propose to her, but now it seemed that they weren't going to be engaged just yet.

"She did not even agree to be his girlfriend." Fu Shiqin ruthlessly exposed him.

Fu Shiyi confidently said, "One day she will beg me!"

"You went to flirt with other girls and now you are flirting with Ding Dongdong. You deserve to be turned down." Fu Shiqin gloated.

Every time he heard that he was turned down, he would be happy for the entire day.

Fu Shiyi, who had always been charming, was now in trouble.

Chapter 803: Yuan Bao

It was already after midnight when they returned to the capital, so Fu Hanzheng went to work after having only a few hours of rest.

Gu Weiwei slept all the way until noon, when she was woken up by Qin Man's call.

"Mu Weiwei, have you returned home?"

"Yes, I came home last night," Gu Weiwei sat up and replied.

Qin Man said, "Are you free this afternoon? Come and meet me."

"What is it?" Gu Weiwei asked cautiously.

Qin Man was a straightforward career woman. Although she and Meng Ruya were cousins, they had totally different personalities.

If it was just meeting her, she would not reject it but since she was Qin Lv's aunt, she had to be careful.

Qin Man stayed silent for a moment and said, "I want to bring Lui to meet you. This child is quite stubborn, but he is the one who keeps asking about you, so..."

"I don't think that is a good idea." Gu Weiwei turned down Qin Man's request.

She knew without thinking that Fu Hanzheng would not be happy about her meeting with Qin Lv.

Although they were indeed fine, the original Mu Weiwei had courted Qin Lv before.

“That is strange. Didn’t you write so many love letters to Lui? Why did you suddenly change your mind?” Qin Man asked in confusion.

She had read those letters and she could tell that she liked Xiao Lui very much.

Although she knew that Lui and Fu Hanzheng were indeed incomparable, she still felt that something was wrong.

“I used to do stupid things when I was younger, but now I know who I love, so... I can’t meet Qin Lv,” Gu Weiwei said.

It was not a change of heart, it was just that she was no longer Mu Weiwei.

Qin Man sighed. “Then let’s talk about business.”

“Go ahead,” Gu Weiwei said.

“The World Youth Forum needs the speech to be in English. You need to prepare it yourself and then get someone to check it,” Qin Man said.

“Okay, I will make sure to have it ready.” Gu Weiwei agreed.

“Then goodbye,” Qin Man said and hung up.

Gu Weiwei checked the time, washed herself up and arranged to meet Yuan Bao at the kindergarten in the afternoon.

Then she ate lunch alone and received a call from the agent who was in charge of Longsheng Enterprise.

“Miss Mu, there is a board meeting at Longsheng that requires you to attend in person.”

“When?” Gu Weiwei asked.

For the past few years, Li Jiacheng and Zhou Meiqin had been in charge of the company and most of the top managers were their trusted aides.

Now that the two of them were in jail and she had arranged for someone to take over the case, those people would definitely not be happy.

“Next Monday.”

“I will be there on time,” Gu Weiwei replied.

She hung up the phone and packed away the luggage she had brought home the night before. It was time to meet Yuan Shuo.

She texted Fu Hanzheng and told him that she was meeting Yuan Shuo and would be home before dinner.

Then she changed into a blouse and jeans, put on a hat and mask and went out.

She had just walked halfway when Yuan Shuo called, “I am on my way now...”

“Weiwei, Yuan Bao has been taken away, can Fu Hanzheng get someone to locate their car while I am chasing after him?” Yuan Shuo asked anxiously.

Gu Weiwei’s face changed. “Which direction? The number plate.”

“West, Huaihai Road, E53693,” Yuan Shuo said immediately.

Chapter 804: Yuan Bao 2

Having heard his words, Gu Weiwei made a call to Lei Meng as she drove towards the west city.

At this moment, she had no time to talk with Fu Hanzheng.

“What is it, Mrs. Fu?” Lei Meng was very surprised to receive her call.

“Yuan Bao was kidnapped by a group of unknown people and now a car with the license plate number E53693 is on Huaihai Road in West City. We can track the direction of this car and ask someone to help us, right?” Gu Weiwei made a long story short and said it straightforwardly.

Lei Meng asked someone to track the car.

“We are sending someone there now, but... Mrs. Fu, you better not go there by yourself.”

She spent most of her time at home these days and went out with Boss, so they did not arrange for anyone to protect her.

It was obviously a dangerous situation, and if anything happened, they would not be able to answer to their Boss.

“I am near Huaihai Road, get someone to tell me the direction of the car and come here as soon as quickly as you can,” Gu Weiwei said without hesitation.

Lei Meng gave his phone to the man in charge of tracking the car. “Report the location of the car.”

Then he left the room and made a call to Fu Hanzheng as he hurried towards the west city.

Fu Hanzheng was in the middle of a meeting, so the phone rang twice before he picked it up.

“What is it?”

“Boss, Yuan Bao has been kidnapped. Mu Weiwei and Yuan Shuo are chasing after him. We are on our way.” Lei Meng reported the situation.

Hearing the words, Fu Hanzheng stopped the meeting.

“Where is she now?”

“The Huaihai Road in West City, she should be approaching the target car soon.” Lei Meng finished the report and said, “I tried to persuade her but she did not listen.”

“Get there as soon as possible, I will also be there soon,” Fu Hanzheng said.

He hung up on Lei Meng and called Gu Weiwei again, but the phone kept on ringing.

He could only ask Fu Shiqin to continue with the meeting and left the company to head to West City.

With her temper, she would not be convinced to abandon chasing after Yuan Bao, even if the call went through.

The only person who would do that to Yuan Shuo's son was Will Dorrans, whom they had met in Austria a few days ago.

They had thought that he might cause trouble for Yuan Shuo and Yuan Meng, but they had not expected that he would ask someone to kidnap Yuan Bao.

Gu Weiwei saw Fu Hanzheng's call but did not answer.

Instead, she called Yuan Shuo after she arrived at Huaihai Road.

"I am already nearby, how many people are there?"

"Five, maybe with guns," Yuan Shuo said.

Gu Weiwei said, "Lei Meng is on his way."

Yuan Shuo said, "They are heading towards the port and they might want to leave via the sea. There must be someone waiting for them there. We must save Yuan Bao before they arrive at the port."

Gu Weiwei checked the time and felt very anxious.

"We don't have much time left. There are only two of us now, and Yuan Bao is still in their car, so we can't do anything."

She had already seen the target car, but the car was driving at a high speed. If she forced the car to stop, she might cause a serious accident and hurt Yuan Bao.

"But when we arrive at the port, they will have a helper, so it will be even harder to save them," Yuan Shuo said anxiously.

Gu Weiwei said, as she saw Fu Hanzheng's phone ringing, "Let me answer Fu Hanzheng's call."

Now it was just her and Yuan Shuo, and it was not easy to save him on such a dangerous road.

After all, Fu Hanzheng was the one who made the arrangements in the capital, so it was better to ask him for his opinion.

Chapter 805: Yuan Bao 3

After ending the call with Yuan Shuo, she answered Fu Hanzheng's call.

"I have arranged for someone to rush over, find a safe place to park and wait for me."

"But Yuan Bao is still in their car," Gu Weiwei said.

She knew very well that Lei Meng's men had not arrived yet.

So the only person who could help Yuan Shuo was her, as she was the closest person to him.

She had watched Yuan Bao grow up and it was not an exaggeration to say that he was her own child.

Will Dorrans wanted to take him away and threaten Yuan Shuo and Yuan Meng, but it was all because of her.

Therefore, she could not stand by and watch Yuan Bao be in danger.

"I will get him back, I promise you," Fu Hanzheng said with a low voice.

Hearing his words, Gu Weiwei felt a bit relieved.

But when she saw the car that had Yuan Bao in it, she still could not let him go.

"I will stop when Lei Meng arrives."

Fu Hanzheng's tone lowered. "Weiwei!"

Gu Weiwei said, as she chased after the car, "I promise you that I won't take risks, but I can't just wait here doing nothing."

Fu Hanzheng knew that words could not stop her, so he said, "They are probably planning to leave through the port, and some police officers are already there to stop them. Be careful."

"Okay."

Gu Weiwei ended the call with him and called Yuan Shuo.

"There are too many cars on the way and it is not easy to save them. Someone is already heading to the port to help stop them, we can do it there."

"Thank you." Yuan Shuo, who was driving on the left, glanced at her car from the rear-view mirror and thanked her.

Although she was eager to save Yuan Bao, she was right. It was not the best time to save him right now.

In this place, even if he could deal with those people, he would not be able to control the rest of the cars on the road. If he was not careful, it would cause a car accident and put Yuan Bao in even more danger.

"We will arrive at the port in ten minutes. Try to delay them until they arrive," Gu Weiwei said through the phone.

There were only the two of them and Yuan Bao was in their hands.

Even if Yuan Shuo was excellent at fighting, it was not a good idea to fight then all head-on.

"They are armed, try not to come out," Yuan Shuo instructed her.

Although he was in a hurry to save his son, he knew how worried Fu Hanzheng was about her safety.

"I know, I'll be careful," Gu Weiwei replied calmly.

Three cars sped along the road and soon arrived at the port by the sea.

Yuan Shuo's car pursued the kidnapper and Gu Weiwei took a detour using another road, she sped up and blocked his way.

The car was not allowed to go anywhere else but around the port full of containers.

No matter what they did, cars would always rush out to stop them from getting on the ship.

After some negotiation, they brought the child out of the car.

Gu Weiwei saw one of them carrying a child with a teddy bear backpack and drove after him.

Just as she was about to catch up with him, the front tire of her car exploded and the car crashed into the container. The airbag popped out, making her dizzy.

Someone approached the car and was about to shoot again, when Yuan Shuo stopped him.

The three of them stayed behind to deal with Yuan Shuo, while the other two brought Yuan Bao to the ship.

Chapter 806: Yuan Bao 4

Gu Weiwei felt dizzy and her ears were ringing. She opened the door and got out of the car with difficulty.

Yuan Bao had already been carried away by the other two, when she saw Yuan Shuo fighting with the three men.

But Lei Meng's men and the police were not here yet.

She gritted her teeth and chased after the two men who had taken Yuan Bao away. They were getting closer and closer to the ship.

The group of people on the ship seemed to have seen what was going on, so they came down from the ship and got ready to take Yuan Bao.

Yuan Shuo caught up with her after dealing with the three people. His heart tightened when he saw the group of people coming down from the ship.

He glanced at Gu Weiwei. "How are you?"

"I am fine, save Yuan Bao first." Gu Weiwei tried hard to suppress the discomfort she felt after the accident.

But the two of them had no chance of winning against the dozen men who were holding Yuan Bao hostage.

However, they also could not bear to watch Yuan Bao being taken away.

"Yuan Shuo, if you want to see your son, come with us." The leader threatened them.

"Release the child and I will leave with you," Yuan Shuo said straightforwardly.

Having said these words, he threw a look at Gu Weiwei – if they released her, she could leave with Yuan Bao first.

The man took a look at Yuan Bao, who was being carried by someone.

"You are not easy to deal with, we better take your son with us."

He had killed three of them in just one minute, which showed that he was indeed skilled.

If he went with them, they might not be able to take advantage of him.

“Isn’t it too much to do that to a three-year-old child?” Gu Weiwei said with teeth clenched.

“Mu Weiwei, this has nothing to do with you. We are here for Yuan Shuo,” The leader glanced at Gu Weiwei and said coldly.

Since he was here for Yuan Shuo, he would definitely investigate the situation around him.

This was Fu Hanzheng’s fiancée, and they did not want to attack her because that would cause a lot of trouble.

Hearing his tone, Gu Weiwei realized that he did not dare to do anything to her because of Fu Hanzheng.

“I am involved in this matter. If you want to take this child away, you must kill me.”

“Mu Weiwei, being a busybody is not a good habit,” The leader warned her with a low voice.

She was Fu Hanzheng’s woman, so they would not dare to do anything to her.

“This is my business.”

Gu Weiwei knew that the man did not dare to do anything, so she ignored the guns pointing at her and walked towards the man holding Yuan Bao.

The leader pointed the gun at the child next to him.

“Mu Weiwei, come any closer and I will shoot him.”

Gu Weiwei paused but did not stop.

“Because Fu Hanzheng is your backer, we dare not do anything to you, but this child... is not that important,” The leader said as he clicked off the safety.

Gu Weiwei had to stop. Just when she was at a loss of what to do, the police and Lei Meng’s men surrounded them from both sides.

Seeing that the situation was over, the men who had taken Yuan Bao put down their weapons and surrendered.

Gu Weiwei and Yuan Shuo rushed over and carried the child down.

But when they carried the child over, they found that the child they had kidnapped was not Yuan Bao, who they were trying to save.

Gu Weiwei looked at this strange child and asked Yuan Shuo.

“Isn’t this supposed to be Yuan Bao?”

Yuan Shuo was shocked when he thought of what he saw at the kindergarten.

“We were tricked by them.”

This child was dressed in clothes like Yuan Bao's, carrying the same bag and wearing the same hat.

When he saw the child being carried into the car, he had been so frantic to save his son that he had not anticipated that this child would not be Yuan Bao at all.

Chapter 807: Yuan Bao 5

Yuan Shuo gave the strange child to the police and thought about everything that happened near Yuan Bao's kindergarten nervously.

"If this child is not Yuan Bao, when did they take him away?"

After school, he picked him up from the kindergarten. When he was answering a call, the child went to the convenience store and bought candy.

Then he saw the child being brought into the car and chased all the way here after him.

"They came prepared, and this child was just there to attract our attention," Gu Weiwei said.

He was in a hurry to save his son, so when he saw the child in the same clothes as Yuan Bao being taken into the car, he came after him.

On the way, he had no time to see what the child looked like.

And when they were chasing this child here, another group of people had already taken away the real Yuan Bao.

"Where is Yuan Bao now?" Yuan Shuo mumbled as he followed her into the car.

The child was either with him or with Yuan Meng and had never been separated from them.

But now, he had fallen into someone else's hands, and he would be so scared.

Gu Weiwei analyzed the situation calmly with Lei Meng and asked someone to check the surveillance cameras around the kindergarten.

If they did not find them soon, Yuan Bao might really be taken away from Hua Land.

"Madam, I will get someone to check on you. You are injured, so go to the hospital first," Lei Meng said when he saw the blood on her forehead.

"I am fine, let's find out where they took the child." Gu Weiwei wiped off the blood on her forehead. She couldn't care less about this small wound.

If the child fell into Will Dorrans' hands, it would be even more difficult for them to save him.

Lei Meng said, "But Boss said..."

"Rescuing Yuan Bao is more important right now," Gu Weiwei said as she asked Yuan Shuo to get into the car.

They had just got into the car and were about to leave, when she saw several cars approaching. She recognized that the first car belonged to Fu Hanzheng.

So she glanced at Yuan Shuo and said, "Don't worry, let's talk with him first..."

"Yuan Bao!"

Before Yuan Shuo finished speaking, a child came out of Fu Hanzheng's car.

Gu Weiwei heard his exclamation and saw Yuan Bao and Fu Hanzheng coming out of the car one after the other.

She and Yuan Shuo got out of the car and Yuan Bao ran into Yuan Shuo's arms.

"Dad!"

Yuan Shuo hugged his son tightly and kissed him repeatedly. He was so overwhelmed that he almost burst into tears.

He had thought that because of his own carelessness, he had been kidnapped from Hua Land.

Seeing their reunion, Gu Weiwei let out a sigh of relief and approached Fu Hanzheng.

"Where did you find Yuan Bao?"

Seeing the blood on her forehead, Fu Hanzheng looked serious.

"I promised you that I will bring the child back. But what about your promise to not take risks?"

Gu Weiwei felt guilty and said, as she touched the blood on her forehead, "Ah, why am I bleeding? Ah, my head hurts..."

With a sunken expression, Fu Hanzheng guided her into the car and asked the driver to go to He Chi's hospital.

On the way, he grabbed a tissue and pressed the wound on her head.

Gu Weiwei kept glancing at his face and weakly explained, "I did not take any risks. I didn't even do anything. Someone else blew up my tires and made me hit the container."

The child was taken away by Yuan Shuo and she had ended up with the wrong person.

Fu Hanzheng only knew that the child had been taken away, but how did he know that they were courting the wrong person so quickly and he even rescued Yuan Bao?

Chapter 808: No Pain

Fu Hanzheng looked cold and said nothing to her explanation.

He took her to the hospital and asked He Chi to check and deal with her injuries.

"Mu Weiwei, what did you do now? Are you not feeling well?"

Whenever she was injured and Fu Hanzheng was in a bad mood, he and Fu Shiyi would be implicated too.

"It was a small car accident," Gu Weiwei said.

After He Chi finished the examination for her, he sent her to the ward and reported the situation to both her and Fu Hanzheng.

“The wound has been bandaged, and so you can just take some medicine. You also have a slight concussion, so stay at the hospital for 24 hours. If you feel any discomfort, let me and the other medical staff know.”

Seeing that he was still angry, Gu Weiwei obediently went to bed.

After He Chi was sent away, she whispered, “See, I told you that I am fine.”

“Weiwei, why didn’t you believe me?” Fu Hanzheng looked at the girl lying in the sickbed.

Gu Weiwei bit her lips. “It is not that I didn’t believe you, I just wanted to do something to help.”

“When have I not fulfilled my promises to you?” Fu Hanzheng asked.

Gu Weiwei shook her head. “Never.”

She did trust him, but she just had to do something in that situation.

Also, everything was because of her.

“Then can’t you trust me and wait patiently?” Fu Hanzheng asked.

Gu Weiwei pursed her lips, reached out for his hand and took hold of it.

“I am fine, don’t be angry.”

“What if something happens?” Fu Hanzheng was annoyed but he also felt helpless.

Seeing that holding hands did not work, Gu Weiwei sat up and moved to the edge of the bed, wrapping her arms around his waist.

“Can you stop lecturing me? My head still hurts, but when you lecture me, my head hurts even more.”

Fu Hanzheng looked down at this pitiful girl. Although he knew that she had said that on purpose, he still pursed his lips and swallowed down the words of reprimand.

“Should I call the doctor?”

“No need.” Gu Weiwei pointed at her injured forehead and said with a smile, “It won’t hurt anymore if you kiss me.”

Fu Hanzheng did not know whether to laugh or cry. He lowered his head and kissed her wound.

“Alright, lie down.”

Satisfied, Gu Weiwei released his waist and lay down in bed.

“Where did you find Yuan Bao?”

How did he find the real Yuan Bao when they chased after the fake one to the port?

Fu Hanzheng sat down by the bedside and calmly said, "After realizing that it might have been Will Dorrans' men, I asked someone to keep an eye out for the CCTV near the site of the accident. Then I found that after Yuan Shuo left, someone took another child away. There was only one man and one woman holding the unconscious child. If you don't pay attention, you will think that it is a family of three. They were preparing to leave on the next plane at the nearest airport, so I asked someone to bring the child here."

...

Gu Weiwei nodded. "Yuan Shuo was desperate to save his son, so he did not think deeply about the situation and fell into their trap."

When she heard Yuan Shuo saying that Yuan Bao had been kidnapped, she did not think much about it either and went after him. She had been too busy thinking about saving him, so she did not think that it was a trap.

Chapter 809: One of the Perpetrators

After Gu Weiwei finished the examination and laid down in the ward, Yuan Shuo came to visit with Yuan Bao.

"Is Yuan Bao alright?"

"He has had a checkup, nothing serious," Yuan Shuo said.

Yuan Bao took one of his candies and gave it to Fu Hanzheng.

"Thank you, this is for you."

Fu Hanzheng threw a look at the cute boy and then at the candy in his chubby hands and reached out for it.

Then he peeled off the wrapper and gave it to Gu Weiwei who was lying in bed.

Yuan Shuo bowed to Fu Hanzheng sincerely and said, "Mr. Fu, thank you so much for saving Yuan Bao in time. We will always remember your kindness."

He did not dare to imagine what kind of danger Yuan Bao would have been in, if Fu Hanzheng had not rescued him from the other group of people.

"You were just trying to save him and so became misled," Fu Hanzheng said calmly.

If he had not been smart enough to get someone to check the place where the accident happened, he might not have been able to make it in time before the child was taken onto the plane.

The other party had cleverly made use of their parent mentality. When parents saw their child in danger, they would definitely chase after them to save them, without thinking about anything else.

"It is a good thing that you found something suspicious and stopped them in time," Yuan Shuo said gratefully.

When he realized that the child he had saved was not Yuan Bao, he almost thought that he would not be able to save his son at all.

“As long as he is fine,” Fu Hanzheng said.

Although he had found something suspicious at the time, he was not sure which party had the real child.

Therefore, he did not stop them from saving the boy, but brought his own men to rescue the other one.

“Thank you very much,” Yuan Shuo thanked him again.

Although he knew that Fu Hanzheng saved Yuan Bao because of Weiwei, it was an undeniable fact that he had saved Yuan Bao.

Fu Hanzheng threw a look at Yuan Shuo and said, “Will Dorrans attacked your child but his ultimate goal is still you. You must have found out something that can threaten his interests.”

Yuan Shuo threw a look at Gu Weiwei and nodded.

“I do have something that I’m holding against him.”

Fu Hanzheng thought of what Will Dorrans had told them at the banquet and asked, “Because of what happened in Spain?”

At that time, Yuan Shuo and Yuan Meng went to Barcelona, and Will Dorrans said that he was in Madrid, and then he attacked Yuan Shuo’s son.

Yuan Shuo stayed silent for a moment and nodded.

“Yes.”

Fu Hanzheng looked at him and then at Gu Weiwei who was lying in bed.

“Then can I assume that the person, who helped the Li Family to get the assassin to attack Weiwei in Stockholm, is related to Will Dorrans? Or rather, Will Dorrans is one of the perpetrators.”

But Weiwei had told him that Ling Yan was the mastermind.

Yuan Shuo stayed silent for a moment and nodded calmly.

“Yes, I did not tell you the truth.”

“You didn’t tell Weiwei either?” Fu Hanzheng asked.

“No,” Yuan Shuo said straightforwardly.

Fu Hanzheng asked him, “Why?”

“I still have a grudge with the Dorrans Family, and I don’t want you to get involved in taking revenge for her,” Yuan Shuo said.

Actually, Fu Hanzheng was getting closer and closer to the truth that they had been trying so hard to conceal.

But because Mu Weiwei and Gu Weiwei looked like two different people, he did not associate them with each other.

Chapter 810: Damn Father

In the room, the atmosphere suddenly turned cold.

Fu Hanzheng looked at Yuan Shuo coldly and said, "I don't think you have the right to make the decision for me."

"You want to provoke the Dorrans Family over an attack that failed? Mr. Fu, you are not such an irrational person." Yuan Shuo chuckled.

True, the Fu Family had the ability to make Will Dorrans their enemy, but it was currently not a good time to do that.

Fu Hanzheng looked cold and asked, "Why? Will Dorrans spent so much effort on Weiwei, why?"

"We took so many detours because we did not want you to find out that he is the murderer. As for why..." Yuan Shuo said as he glanced at Gu Weiwei and then said to Fu Hanzheng, "Because she helped us find out that Will Dorrans was the one who murdered Gu Weiwei."

Fu Hanzheng turned his head slowly and looked at the silent girl. He knew that she was doing something behind his back.

So it was because of Gu Weiwei.

"So, Will Dorrans is afraid that Cayman Dorrans will find out about it, so he wants to silence everyone?"

Yuan Shuo nodded. "Something like that."

Fu Hanzheng coldly looked at Yuan Shuo.

"I think I have warned you not to get her involved with the Gu Family."

"That has nothing to do with Yuan Shuo," Gu Weiwei said.

It wasn't because Yuan Shuo had dragged her into the Gu Family's affairs but because she was the center of the storm and she had nowhere to run.

Even if she had decided to leave everything in the past, the people and matters of the past would still come to her.

"Alright, if Will Dorrans is so afraid that Cayman Dorrans knows about it, then let Cayman Dorrans know about it and let them deal with the rest," Fu Hanzheng said.

This time, Will Dorrans arranged for his men to catch Yuan Shuo's son in Hua Land. Since the matter had reached this point, he just needed to put in some effort and the news would reach Cayman Dorrans.

When the time came, even if they did not say anything, Cayman Dorrans would suspect why Will Dorrans suddenly attacked Yuan Shuo and Yuan Bao.

Yuan Shuo and Gu Weiwei exchanged a look but did not object to his proposal.

If Cayman Dorrans knew that Will was targeting Yuan Shuo, he would definitely be suspicious of him.

That way, they would not have to worry that Will Dorrans would plot against them.

They were just talking when Fu Hanzheng's phone rang for the third time.

"Something important must have happened, take the call first." Gu Weiwei urged him

Because of them, he had rushed here from the company at the last minute, so he must have had a lot of things to deal with.

Fu Hanzheng went out with the phone, went into He Chi's office and returned two work calls.

Seeing him leaving, Gu Weiwei said to Yuan Shuo, "If Cayman Dorrans starts to suspect Will Dorrans, we can give He Linna to him."

"Cayman is very suspicious. He will suspect Will Dorrans, but if we hand He Linna over to him, he will be suspicious of us too," Yuan Shuo said helplessly.

Cayman Dorrans had always believed in the results he achieved by himself, not the ones delivered to him.

Gu Weiwei sighed helplessly. "Why do I have such a terrible father?"

"When you are in a position like his, you must be careful about everything, otherwise you will not live long," Yuan Shuo said.

Over the years, his opponents had attacked Cayman many times and sent many people to approach him.

If he had not been so cautious, he would not have survived until now.
