

MY HIDDEN 941

Chapter 941: Cayman Dorrans Is Here

Although everyone felt that it was a pity that the wedding could not be held, they understood that Old Lady had been hospitalized.

So they packed up and left the castle to get into the car.

Martin Green was the last one to leave. He thought of how Gu Siting called Weiwei at the wedding and asked Fu Shiyi about it.

“Third Master, where is Mr. Gu?”

He had a feeling that something big must have happened after they went upstairs.

When Gu Siting came to Fu Hanzheng and Mu Weiwei’s wedding and called her Weiwei, he was sure that he was not referring to Mu Weiwei.

So it could only have been Gu Weiwei he was calling...

“To his hometown, of course.” Fu Shiyi snorted.

“Why is he here for the wedding?” Martin Green asked.

Fu Shiyi pulled a long face and said unhappily, “Hey, why are you so gossipy?”

“Sorry for disturbing you,” Martin Green said goodbye to Fu Shiyi and left Chenis Castle.

He felt that he needed to visit the Gu Family.

After Fu Shiyi saw everyone off, he returned to the hall and sat down with Gu Weiwei and Yuan Meng.

“The guests are all gone.”

Gu Weiwei nodded without uttering a sound.

“My brother asked me to stay and send off the guests, because he wants me to stay with you,” Fu Shiyi said.

He thought that of course his brother wanted to stay by her side, but Grandma’s life was in danger, so of course it was more important for him to go.

“I know,” Gu Weiwei said.

“But don’t be sad, sister-in-law. Grandma and our father just can’t think straight. When Grandma recovers, they will no longer object to you and our brother.” Fu Shiyi consoled her, fearing that she would let her imagination run wild.

Gu Weiwei turned to Fu Shiyi next to her. “You don’t hate me, my surname is Gu?”

“So what if your surname is Gu? You are not a child of the Gu Family, that is something you can’t choose.” Fu Shiyi played with the freshly untied bow tie and said, “I don’t want to be born at the same time as Fu Shiqin, can I do that?”

She was Cayman Dorrans’ daughter, and it was not her fault. Could she have chosen her own father?

He heard that she was only a year old when she was sent to the Gu Family, so how could she object?

Yuan Meng snorted in amusement. “You seem quite open-minded.”

“Grandma has lost a son and a daughter, as well as a daughter-in-law and a son-in-law. My father is the only one left among the three siblings. It is understandable that they are sensitive when it comes to the Gu Family. We were too young to know about it, so we can not empathize with them.” Fu Shiyi sighed and looked at Gu Weiwei, who was in a low mood. “So give my brother some time to deal with it.”

Gu Weiwei made a promise to him helplessly. “Don’t worry, I never want to break up with your brother.”

For her, it was not that the Fu Family could not accept her, but that Fu Hanzheng might not.

Now that he did not pursue her past, she had nothing to fear.

“No matter how much our parents object, you can’t break up.” Fu Shiyi stressed.

If she broke up with his brother, his brother might really end up being alone. He felt so pitiful as he imagined that scene.

They were just talking when the sound of a car pulling over arose.

Fu Shiyi did not think that it would be his brother or his men, so fearing that Gu Siting and his men had come to kidnap her again, he rushed out of the castle to check the situation.

Chapter 942: Cayman Dorrans is Here 2

The Hummers stopped outside the castle and a group of well-trained foreigners got out of the cars.

Then he saw Yuan Shuo coming out of the car with Yuan Bao.

A tall foreign old man came out of the same car as him. He was leaning on his cane because one of his legs was a prosthetic leg but he still looked quite intimidating.

Wait a minute, Gu Siting said that Yuan Shuo and Cayman Dorrans were in Slovakia too.

So this was his sister-in-law’s father, Cayman Dorrans?

Yuan Shuo came over with Yuan Bao and asked Fu Shiyi when he saw him, “How are you doing?”

“Gu Siting came to ruin my brother’s wedding and drove my grandma into the hospital. Do you think we are doing?”

Fu Shiyi got very annoyed when he thought of what happened just now.

Yuan Shuo and Cayman Dorrans exchanged a look. They were too late.

“Where is Gu Siting?”

“He ran away,” Fu Shiyi said.

Cayman Dorrans asked anxiously, “Where is Weiwei?”

“Inside.”

Fu Shiyi could not be passionate when facing Cayman Dorrans.

Didn't his father say that today was a very auspicious day for marriage?

But now, his brother's wedding was ruined and his grandma was hospitalized. Gu Siting and Cayman Dorrans came to visit her one after another.

Within a few hours, the world had been turned upside down.

Hearing his words, Cayman Dorrans walked into the castle with his cane and went straight to the hall where the wedding was held.

The moment he entered the hall, he saw the girl in the wedding gown sitting with her back facing him.

He slowed down and approached the girl who was sitting alone.

He came closer and stopped behind her.

Yuan Meng turned around and left when she saw him. The moment she came out of the hall, she saw Yuan Shuo holding Yuan Bao.

She complained as she thought of what had just happened here.

“Honestly, what are you guys doing? Why can't you keep an eye on Gu Siting?”

“He knew that we were watching him and used a smokescreen. It was too late for us to react,” Yuan Shuo said helplessly.

When they saw Gu Siting's trusted aide Kuroda Shio going to Zilina with him, they arranged for someone to follow them.

He had not expected that it was just a distraction, and that the real him was going to their wedding.

What was more infuriating was that they didn't even know when Gu Siting met the owner of the Nine-Eyed Pearl.

Since he had not found anyone with a suspicious background among the people he met every day, they believed that the owner had not appeared.

“Weiwei is so doomed.” Yuan Meng sighed.

Hopefully, the Old Lady could get through it, otherwise if anything happened, the Fu Family would not be able to accept Weiwei.

“Did the Fu Family object?” Yuan Shuo asked.

“Old Lady used to love her so much but she cancelled the wedding! She was so angry that she had a heart attack and she is still in the hospital receiving treatment. Fu Shengying did not allow Weiwei to go to the hospital, so what do you think?” Yuan Meng said angrily.

Although it was reasonable for the Fu Family to have such a reaction, what had Weiwei done wrong?

Facing the Fu Family, she did not even defend herself, fearing that she would intensify the conflict.

“Gu Siting is still the same, he never cares about anyone else.” Yuan Shuo sighed.

Gu Siting had thought that if the Fu Family knew that she was actually from the Gu Family and if the Fu Family could not accept her, she would obediently follow him back to the Gu Family.

Chapter 943: Cayman Dorrans is Here 3

But Weiwei was never someone who gave in easily.

If he did that, she would hate him even more.

He had thought that he loved her, but compared to Fu Hanzheng, he was nothing.

Seeing Cayman Dorrans entering the hall, Fu Shiyi was about to follow when Yuan Shuo stopped him.

“Third Master, let them meet.”

Cayman Dorrans had been waiting for this meeting for too many years.

Ever since he sent her to the Gu Family at the age of one, he had not seen her again. When they met again, everything had changed.

“What, another one who wants to take my sister-in-law away?” Fu Shiyi asked annoyedly.

Yuan Shuo thought for a while and said, “Look at her. Cayman won’t force her.”

“I am telling you, you better tell that old man that even if my brother did not get married today, she is still my sister-in-law who already has her marriage certificate with my brother.” Fu Shiyi crossed his arms and gritted his teeth as he said, “No one is allowed to take my sister-in-law away today.”

“Alright, your sister-in-law this, your sister-in-law that, no one is fighting over her.” Yuan Meng snorted.

He had been going against his brother all the time, but yet he kept defending him whenever he ran into trouble. He and Fu Shiqin were both weirdos.

Fu Shiyi thought for a while, looked at Yuan Meng and then at Yuan Shuo.

“My sister-in-law and Gu Siting... did they used to have feelings for each other?”

“What feelings?” Yuan Meng raised her eyebrows.

“Love.” Fu Shiyi said.

Gu Siting’s attitude did not seem to be that of an elder brother facing a younger sister. Based on his experience in dating, he must have had some feelings for his sister-in-law before.

“She is not that blind,” Yuan Meng said.

They had grown up together and they had a good relationship. Gu Siting had expressed his interest in Weiwei when he was young, but soon after he found out about his father's death, he ignored Weiwei and started to mess around with Ling Yan.

After that, Weiwei ended up staying with them at the Yuan Family, just like how Gu Siting used to.

"That is good." Fu Shiyi let out a sigh of relief.

My brother and sister-in-law are both in love for the first time. If sister-in-law and Gu Siting had been in a relationship before, his brother would have suffered.

Although it was nothing, he felt very uncomfortable.

Yuan Shuo glanced at the hall and said, "I am afraid that Gu Siting will not give up so easily."

"What, does he still want to bring her back?" Yuan Meng gritted her teeth.

Of course she knew that Gu Siting would not give up. He had learnt about the heart transplant from Weiwei and he also knew that in this situation, she was not willing to leave with him.

That was why he had left for the time being.

But he was so shameless that he would definitely want her to return to the Gu Family.

"If he dares to break apart my brother's marriage, he will suffer!" Fu Shiyi said fiercely.

His brother had already caused a great loss for the Gu Family because Gu Siting had kidnapped his sister-in-law last time.

When his brother was free, he would take revenge against him.

"If her father is useless, then he might as well not give up."

Yuan Meng complained about Cayman Dorrans. If his men had stopped Gu Siting, this situation would not have happened.

The happy marriage had been ruined by Gu Siting.

"You can't blame Cayman this time. Gu Siting has been setting us up since before he met that man. It was impossible to defend ourselves," Yuan Shuo explained.

But when he thought about it, he realized that when Gu Siting started to receive nobles and politicians at home, he had been waiting for that man to show up.

As for them, they truly had not noticed which of the people he had met was the Nine-Eyed Heavenly Pearl's master.

Chapter 944: Cayman Dorrans is Here 4

In the quiet hall, Gu Weiwei was thinking about what she and Fu Hanzheng were going to face.

Cayman Dorrans sat down opposite her, had his hands on the handle of his cane and said after he looked at her, "Can't the Fu Family accept you?"

Although he was not here for what had just happened, Gu Siting had just left, most of the Fu Family were gone, and the wedding was cancelled.

So it was not hard to guess that Gu Siting had told the Fu Family that she was Gu Weiwei and stopped her wedding with Fu Hanzheng.

Then the Fu Family could not accept the result. What else could have happened so that most of them were not here anymore?

Gu Weiwei came back to herself and threw a look at the old man who was both familiar and strange to her.

“The Fu Family and the Gu Family have such a deep grudge against each other, how can they accept it?”

She had expected for it to happen when they found out that she was Gu Weiwei.

However, she had not expected that he would let them know in such a cruel way on such a day.

She and Fu Hanzheng had planned to tell them when they had a child.

Maybe they still could not accept it for the time being, but it was not that contradictory.

However, because of Gu Siting’s sudden appearance, nothing was going according to her wishes.

“Then... do you want to go back to Italy with me?” Cayman Dorrans asked.

Gu Weiwei shook her head and turned him down straightaway. “I don’t want to go anywhere that is away from him.”

Cayman Dorrans said concernedly, as he saw her looking depressed in the wedding gown, “But if his family doesn’t accept you, you won’t be happy together.”

Not only because her surname was Gu, but also because she was his daughter, so the Fu Family would not accept her being with Fu Hanzheng.

“As long as he accepts me,” Gu Weiwei said resolutely.

As for what the Fu Family thought, they would slowly come up with a way to make them accept them.

At least she was no longer hiding it from them.

Cayman Dorrans sighed. He knew that she was with Fu Hanzheng, but he had not expected that she would have such a deep relationship with him.

They had never interacted with each other before.

Within two years, everything had changed.

“Weiwei, I am sorry that I have caused you trouble.”

If he had not sent her to the Gu Family, she might not have experienced so much misery.

Gu Weiwei shook her head with a smile. "Maybe you think that I was unlucky because you sent me to the Gu Family, but if I had not gone to the Gu Family, I would not have died and I would not have met him."

"But..."

"If those difficulties are the price of me meeting him, I am willing to suffer," Gu Weiwei said with a smile.

She was willing to go through all the trouble in the world, even if it meant going to hell. As long as he was waiting for her at the end of the road.

Cayman Dorrans laughed in relief.

The little girl who had left him when she could just about walk, had grown up.

And she had found the happiness she desired the most.

"Then what should I do?"

Gu Weiwei thought for a while and shook her head.

"Nothing, I am walking my own path."

Cayman Dorrans nodded thoughtfully and stood up with his cane.

"Then come back to Italy when you have finished your business."

With her current situation, the Fu Family would find it even more difficult to accept her, no matter how often they had interacted with her when she was the actress Mu Weiwei.

Therefore, it was best for him to leave everything to her and stay out of it.

Chapter 945: Cayman Dorrans is Here 5

"Okay." Gu Weiwei agreed.

Cayman Dorrans patted her shoulder as he passed her.

"I will deal with the Gu Family. I hope that on the day when you really hold the wedding, I will walk you down the aisle."

Maybe that day would not come too soon, but he would wait for that day to come.

"Thank you," Gu Weiwei said.

Cayman Dorrans left with his cane. "Goodbye, Weiwei."

He walked out of the hall and saw Yuan Shuo and his men standing in the corridor. They asked him when they saw him coming out, "Finished?"

"Yes." Cayman Dorrans nodded with a smile, looking very happy.

Yuan Shuo looked into the direction of the hall. "Not taking her home?"

“She has a place she wants to stay.” Cayman Dorrans walked out with his cane and said, “You are free. You don’t have to come with me anymore.”

They had agreed that as long as he met Weiwei, he would be released.

Now that he had met her, he no longer needed to restrict his freedom.

Seeing Cayman Dorrans leaving, Yuan Meng frowned.

“Leaving just like that?”

“What else would you want from him?” Yuan Shuo asked with a smile.

Yuan Meng thought for a while and said, “In this situation he should have glared at the members of the Fu Family and said, ‘How dare you dislike my daughter! Do you want to die?’”

“...” Yuan Shuo was startled for two seconds and did not want to make any comments.

Of course Cayman Dorrans wanted to be closer to Weiwei, but he knew that he was sensitive to the Fu Family because of his identity, so staying away from her was the best thing for her.

“I think you don’t want my brother and sister-in-law to be together,” Fu Shiyi said.

He wondered how everything at the hospital was going.

...

At the Taya Hospital in Slovakia.

He Chi followed the emergency helicopter and drove the Old Lady to the hospital, where they did a small operation.

When Fu Hanzheng and his men arrived at the hospital, the operation had already started.

The family nervously waited for the news of the operation to finish. Fu Shiqin consoled Mrs. Fu and Fu Shengying as he threw a worried look at his brother.

If something like this happened to grandma, he and sister-in-law would be under a lot of pressure.

Almost an hour later, He Chi came out of the operation room and asked the medical staff to take the Old Lady into the ward.

“She is out of danger, she will wake up after the anaesthesia.”

“It is all thanks to you, He Chi.” Mrs. Fu thanked him and went to take care of Fu Shengying in the ward.

When they entered the ward, He Chi turned to Fu Hanzheng and Fu Shiqin.

“Need to talk somewhere?”

He found it strange. How could a proper wedding turn out to be like this?

They were upstairs for less than an hour and the Old Lady had passed out. When they were taking the Old Lady away, they saw Fu Shengying turning down Mu Weiwei from coming to the hospital with them.

When the three of them came to the corridor, He Chi said to them, "The Old Lady is out of danger for the time being, but only for the time being. She will need to have surgery after she returns home, but the surgery is very risky and recovery is very difficult. So, wait for the Old Lady to wake up to have the discussion, she will need to cooperate with you in order to complete the surgery."

Fu Hanzheng nodded. "We will talk with her."

"Alright, alright, you have to tell me what happened, okay?" He Chi asked.

He did not know anything, yet he was called downstairs and worked for half a day.

Chapter 946: I Love You, Weiwei

Fu Shiqin glanced at his brother. His brother would have to make the decision whether to tell He Chi or not.

After all, it was about him and sister-in-law.

Fu Hanzheng stayed silent for a moment.

"Tell him."

There was nothing he couldn't know.

Hearing the words, He Chi turned to Fu Shiqin and waited for him to explain.

After all, it was never Fu Hanzheng who would tell him what had happened.

Fu Shiqin thought for a while and sighed tiredly.

"It is a long story."

"Then make it brief." He Chi urged.

Fu Hanzheng took out his phone and made a call to Gu Weiwei, who was still at Chenis Castle, but Gu Weiwei had left her phone in the room, and she had not gone upstairs since then.

So he called her twice but she did not answer.

So he made a call to Fu Shiyi instead.

"Hello, Brother, how is grandma?"

"She is out of danger." Fu Hanzheng told him about the situation in the hospital and asked, "Where is Gu Siting? Still there?"

"He is gone, sister-in-law slapped him hard across the face," Fu Shiyi said.

Hearing that Gu Siting had left, Fu Hanzheng let out a sigh of relief.

He had been very calm on the way to the hospital, but he did not call her because grandma was in an urgent situation and he did not want his father to be conflicted.

"How is she?"

“Sitting alone in the hall. Cayman Dorrans just came and talked with sister-in-law for half an hour before leaving.” Fu Shiyi reported everything that had happened.

Hearing the words, Fu Hanzheng said, “Give her the phone.”

It was an emergency and his father had forbidden her to come to the hospital with them. Since they were in a hurry, he had no time to console her.

She must be in a very bad mood right now.

“Hang on.” Fu Shiyi almost ran and gave the phone to Gu Weiwei.

Gu Weiwei took the phone and asked nervously, “How is grandma?”

“She is out of danger for the time being. When she is awake, she needs to be transferred home for further treatment,” Fu Hanzheng said.

“Okay, take good care of her.” Gu Weiwei was relieved to hear that she was out of danger. “Don’t worry about me, I will take a rest and go home myself.”

Hearing the words, Fu Hanzheng felt even more worried.

“Weiwei, I am sorry that my father and grandma hurt you.”

Also, he could not be by her side when she was grieving.

“It is okay, as long as grandma is out of danger,” Gu Weiwei gently replied.

He had to deal with the urgent matters first. In this situation, he had to take care of his family first.

Also, if she went to the hospital, she would probably agitate Old Lady and Fu Shengying, so it was natural that she did not follow him.

“Take a good rest, I will meet you after I settle everything at the hospital.” Fu Hanzheng stressed.

Although he wanted to go home now, his father must still be angry. What if the Old Lady woke up and found out about it, she would be in danger if she got angry...

He could only go home to see her after his father was calmer and the Old Lady had woken up.

“Okay.” Gu Weiwei agreed.

Silent for a moment, Fu Hanzheng said, “Weiwei, I love you, we will not be separated.”

Apart from her, he would not find any other girl in the world who could move his heart.

So no matter what happened, he would never let go.

“I know that we will not be separated.” Gu Weiwei sounded determined.

Chapter 947: Sister-in-law

When Fu Hanzheng was talking with her on the phone, Fu Shiqin had tried his best to make a long story short and told He Chi what happened after they went upstairs.

He Chi listened to him speechlessly and could not believe what he had just heard.

“Is your sister-in-law really not Mu Weiwei but Gu Weiwei from the Gu Family who is already dead?”

“Yes, how many times do you want me to repeat myself?” Fu Shiqin protested. He had asked him this question three times in a row.

Yes, it was indeed shocking that a dead person was reborn in another person’s body.

But he did not have to keep asking him this question like an idiot.

After repeated confirmation from him, He Chi said excitedly as he clapped his hands, “But your sister-in-law did not break up with your brother...”

“Damn you, you are the one breaking up with him!” Fu Shiqin snapped at him before he finished the words.

His brother and sister-in-law would never break up.

But... she had just run into a small problem. It was impossible for them to break up.

He Chi gritted his teeth out of anger. “I am not done talking, why are you in such a hurry?”

“Then what do you want to say?” Fu Shiqin asked with his arms crossed.

“I am asking you, is sister-in-law still with your brother?” He Chi asked.

“Of course, they have their marriage certificate even if they did not hold a wedding ceremony.” Fu Shiqin snorted.

He Chi asked with a smile, “Well... do you think that I can study your sister-in-law when I go home?”

A dead person could be reborn into another person’s body. This was such a shocking discovery and it was too unscientific.

“Do you want to die?” Fu Shiqin asked with his teeth clenched.

His family was in such a mess but he still wanted his sister-in-law to cooperate with him to help him understand rebirth.

“I promise that I will just do some harmless studies.” He Chi swore.

“If you ask my brother, he will beat you to death,” Fu Shiqin said and left.

Apart from surgeries, this man only knew how to do research. He had always wanted to dissect his brother for his studies, so his brother had taught him a lesson.

Fu Shiqin returned to the ward and accompanied his parents to take care of Old Lady.

Seeing that Fu Hanzheng missing, Fu Shengying asked, “Where is your brother?”

“Don’t worry, he did not go home to see sister-in-law. He is making arrangements to send grandma home,” Fu Shiqin said.

“Don’t call her sister-in-law, she is no longer a part of the family,” Fu Shengying said seriously with a serious expression.

The Fu Family would not accept anyone related to the Gu Family as their daughter-in-law.

What was more, she was Cayman Dorrans’ daughter.

Fu Shiqin sighed speechlessly and said to Fu Shengying and Mrs. Fu, “You were the ones who urged our brother to marry her, and now you are the ones who want to drive her away. Is it easy for our brother to find a girlfriend?”

“That is because she lied to us and hid her real identity,” Fu Shengying said.

If he had known that she was Gu Weiwei, he would not have allowed Hanzheng to be with her.

Fu Shiqin snorted and complained to them.

“Alright then, you guys continue to do whatever you want. If you ruin my brother’s wife, you will watch him be single forever...”

He had no doubt that without his sister-in-law, his brother would die alone.

“Is your surname Fu or Gu?” Fu Shengying got increasingly annoyed and his expression turned ugly.

Fu Hanzheng was so confused by that woman that he lost his rationality. He had followed that woman and forgotten that they were from the Fu Family, and the family rules.

Chapter 948: If You Don’t Get a divorce...

“You are my father, I will still have your surname.” Fu Shiqin snorted.

Seeing the father and son getting increasingly annoyed, Mrs. Fu changed her gentle tone and said with a serious face, “This is the hospital ward, can’t you two just stop arguing?”

Honestly speaking, she was still feeling very confused.

How did Mu Weiwei become the Gu Weiwei Gu Siting was talking about?

The Old Lady passed out in anger and was sent to the hospital, and her husband did not want to acknowledge her daughter-in-law any more.

What a happy occasion!

Fu Shengying glanced at Fu Shiqin. “Get your brother here.”

He knew that he could not let go of Mu...

No, it was Gu Weiwei.

Fu Shiqin went out unwillingly and went over to his brother who had just finished the call.

“Dad asked you to go in, he was afraid that you would sneak back to see sister-in-law.”

Fu Hanzheng followed him into the ward and took a look at the unconscious Old Lady, then he sat down on the sofa in the ward.

Fu Shengying threw a look at Fu Hanzheng and asked coldly, "What are you going to do with that woman?"

"Wait until we return home." Fu Hanzheng did not directly answer his question.

They had not yet calmed down and so they could not communicate with each other.

"Break up with her immediately after you return home."

Fu Shengying, who had never interfered with anyone else's private life, made the decision for him.

"You want them to break up just like that, they already got their marriage certificate and you were the one who urged them to get married..."

Seeing his brother not countering the old man, Fu Shiqin had to say something.

"So be it." Fu Shengying was determined.

He could let them do whatever they wanted with other things, but he could not be careless when it came to the Fu Family and the Gu Family.

Fu Shiqin was speechless about his father's response. "Dad, why must you sacrifice my brother's happiness for the grudge of the previous generation?"

His brother understood the standpoint of the Fu Family and the Gu Family better than he and Fu Shiyi did, but after knowing about Gu Weiwei, he still went to register their marriage with her.

His brother liked her so much that he did not care who she was.

Also, he believed that apart from his sister-in-law, his brother would never like anyone else.

If they wanted him to break up with sister-in-law, wouldn't that ruin his happiness?

"Are the lives of our family so unimportant in your eyes?" Fu Shengying interrogated Fu Shiqin furiously.

"Alright, the Old Lady is still resting, if you want to argue, go outside!" Mrs. Fu lectured the father and son, and she could tell that Hanzheng truly liked Gu Weiwei.

But she also knew that the Old Lady and her husband would never compromise on the Gu Family's matters.

Fu Shiqin and Fu Shengying argued twice, but Fu Hanzheng never interrupted or made any comments.

The family stayed in the ward for almost two hours before the Old Lady weakly woke up.

He Chi received the text message and came over. He did a simple examination and talked with the Old Lady about the operation and recovery that would happen when she returned home.

Old Lady did not utter a word. After He Chi finished the story, he asked her if she would receive the surgery.

She weakly opened her mouth, but no one heard her clearly at first.

Old Lady calmed herself down and repeated her words.

Having heard the words, Fu Shiqin turned to his brother and told him what he had heard.

“Brother, Grandma said that if you don’t get a divorce, she will turn down the operation.”

Chapter 949: If You Don’t Get a Divorce 2

Hearing her words, Fu Hanzheng neither agreed nor turned her down.

Fu Shengying glanced at him and stressed.

“You heard what your grandma said. If you don’t break up with that woman, you won’t be letting her live.”

A son and a daughter had died because of the Gu Family, and the Old Lady just could not get over it.

Fu Shiqin felt that it was very unfair for his brother, but since the Old Lady had just woken up, he could not openly counter them.

Otherwise, if the Old Lady got so annoyed, she might need to be resuscitated again.

After He Chi finished his work, he left the ward with Fu Shiqin who was feeling very annoyed.

“Oh my god, they really want a divorce!”

The Old Lady was required to have the surgery, but if she agreed to the surgery, Fu Hanzheng would have to get a divorce.

“The Old Lady used to love my sister-in-law the most, but now she is so cruel.” Fu Shiqin sighed.

His brother had waited so long for his sister-in-law to become twenty years old and register their marriage.

The wedding had not even been completed and they were forcing them to divorce.

“It is a matter of life and death, they can just stay in a relationship after the divorce.” He Chi consoled him.

They were asking his brother to get a divorce. His brother had not even had a reaction, but now he was angry.

People might think that he was the one being asked to divorce.

Fu Shiqin was very worried. “Do you think that my brother can divorce my sister-in-law?”

“One is a divorce and the other is a life. Your brother can tell the difference.” He Chi was calm and not anxious at all.

They were doing well together before they got their marriage certificate.

So if they got a divorce certificate, they could still have a relationship.

At most, they could have a relationship behind the Fu Family’s back.

They had done this before anyways.

“Can’t my father and grandma be reasonable?” Fu Shiqin scratched his head, feeling very annoyed.

Fu Hanzheng’s surname was Fu, and sister-in-law’s father’s surname was not Gu either.

“Your surname is Fu too, shouldn’t you be listening to your old man?” He Chi asked in amusement.

Fu Shiqin glared at him. “Someone has to side with my brother, right?”

Did the whole family want to force him to divorce because they wanted to kill his brother?

In the ward, Fu Shengying asked him again, when he saw Fu Hanzheng staying silent, “Are you leaving her or not? Tell me.”

Fu Hanzheng looked at the feeble Old Lady and said after a long while, “We can do it when we return home. I didn’t get my marriage certificate in Slovakia.”

Hearing his words, Fu Shengying was finally satisfied and did not ask anything more.

Mrs. Fu looked at Fu Hanzheng who looked thoughtful and sighed inwardly.

Although he had said that he would do it when he returned home, she could not tell what he meant by that.

When he was in the relationship with Gu Weiwei, he was the first one who had fallen for her and he was also the one who had fallen deeply for her.

It was too difficult for him to get a divorce now.

“Stay at the hospital, I need to get changed and pick up something.”

They had left in a hurry and so they had come here in gowns.

The Old Lady could not leave home until tomorrow, and they could not stay dressed like this in the hospital.

Mrs. Fu asked Fu Shiqin to drive her home, when she arrived she got changed, packed up her things and went downstairs. She asked Fu Shiyi when she saw him, “Where is Weiwei?”

Fu Shiyi sighed and said, “Still in the hall.”

Chapter 950: Divorce?

Hearing his words, Mrs. Fu grabbed a coat and went to the hall, putting it over Gu Weiwei who was still in the wedding gown.

Gu Weiwei came back to herself and asked Mrs. Fu, “Mom, how is it going at the hospital?”

“The Old Lady is out of danger and she will go home tomorrow.” Mrs. Fu told her the truth.

Gu Weiwei nodded, pursed her lips and did not know what to say to Mrs. Fu.

Mrs. Fu said with a gentle voice, as she looked at the girl who did not complain at all, “Old Lady and the rest have been over the top, don’t take it to heart. They are just very sensitive about the Gu Family.”

“Yes, I know,” Gu Weiwei answered.

Mrs. Fu took hold of the girl's slightly cold hands and sighed helplessly.

"I do want you to be the daughter-in-law of the Fu Family, but the Old Lady is not willing to accept it, so we can't do anything about it."

Gu Weiwei could tell from Mrs. Fu's emotions that something bad was about to happen.

Sure enough, Mrs. Fu held her hands for a while and said with a heavy tone, "The Old Lady needs to have a surgery when she returns home, but... the Old Lady said when she woke up that if Hanzheng and you do not get a divorce, she will refuse the surgery."

"Divorce?" Gu Weiwei was startled.

"I know that Hanzheng can't tell you, but the Old Lady is dying." Mrs. Fu took hold of her hands and begged her. "So, I am begging you, please divorce him."

Of course she knew that they had a deep relationship, but no matter how deep the relationship was, it was nothing compared to the Old Lady's life.

Even if they disobeyed the Old Lady and refused to get a divorce, would they really be able to live on in peace if the Old Lady died because of this?

Gu Weiwei's eyes turned red and she asked after a long silence, "Grandma will not have the operation until we are divorced?"

Mrs. Fu nodded and said, "She is too old for the surgery, and if she doesn't cooperate well and have the operation, she may die at any moment..."

"I know." Gu Weiwei sobbed.

"You are young and pretty, you will meet someone you like." Mrs. Fu consoled her with a gentle voice.

She was not as hostile as the Old Lady, but she knew that she would not be able to marry into the Fu Family judging from the current situation.

No matter how much Hanzheng liked her, the Old Lady would not be able to tolerate it, so they had to get a divorce.

Gu Weiwei forced a smile, yet her eyes were full of bitterness.

Apart from Fu Hanzheng, she would never meet anyone else who suited her taste.

God was teasing her. On the day when she was supposed to hold the wedding, she had to get a divorce.

Seeing that she had taken her words seriously, Mrs. Fu hugged her and said, "Weiwei, you have not wronged us, but the Fu Family has wronged you."

She was not in the wrong, but she was blamed because her surname was Gu and she was Cayman Dorrans' daughter.

Gu Weiwei's mind was full of the divorce she had mentioned, so she did not utter a word as she allowed Mrs. Fu to hug her.

After a long while, Mrs. Fu released her and stressed, “I asked my men to get some food ready, we can ask Shiyi to bring it to you after you have some rest.”

After Gu Weiwei saw off Mrs. Fu, she went upstairs to her and Fu Hanzheng’s room.

She had wanted to pick up the phone to text Fu Hanzheng, when she saw several missed calls from Fu Hanzheng.

Judging from the time, he must have called Fu Shiyi before.

She typed a line on her phone and stared at it for a long time before pressing send.

[Fu Hanzheng, are we getting a divorce?]
