

MY HIDDEN 971

Chapter 971: Who on Earth is She?

Ling Yan found it increasingly difficult to breathe. She tried hard to pull away Gu Siting's hands but failed.

The suffocating pain made her face turn a ghastly red and the veins on her forehead pop out.

When she thought that she was going to be killed by him.

Gu Siting released her and pushed her away.

"I am letting you off too easily."

Ling Yan staggered and fell to the ground, panting heavily with her hands over her neck.

She thought of what he had just said. He said that Gu Weiwei had told him that she had given her the drugs.

She glanced at the body in the crystal coffin and shivered.

He had really... met her after she was reborn.

Only she, her mother and the deceased Gu Weiwei knew about the drug.

She and her mother had kept it a secret, so no one had found out about them.

But now he knew that she was the one who injected the drug and not her mother Ji Fang.

So... it was very possible that Gu Weiwei was still alive.

He had left in a hurry the other day and hadn't answered her calls these past few days. He must have gone to find her.

Gu Weiwei, why are you still alive?

Why?

Seeing that he did not kill Ling Yan, Ji Fang rushed over and caressed her daughter's swollen face.

She regretted that she had not been more forceful these past two days and brought her away from A Land.

Then she would not have had to suffer.

Gu Siting took the towel from Kuroda Shio and wiped his hands as if he had touched something dirty.

"Although I really want to kill you, I will not let you die so easily."

Killing a person took only a few minutes, and death was a relief.

He would not let them be released so easily. He was going to make them pay back everything they had done to her.

Ji Fang looked at Gu Siting with fear as she shielded her daughter Ling Yan.

“What... are you doing?”

Gu Siting was a very cruel man. Now that he knew that Gu Weiwei had been killed by them, he would not kill them but he would not let them go either.

“Didn’t you ask her to die for you by being brain dead and then dig out her heart?” Gu Siting tossed away the towel he had wiped his hands with and looked at the distressed mother and daughter coldly. “From today on, you will also be injected with the drug until her heart is given back to her.”

Ji Fang shivered. As a doctor, she knew how harmful the drug was to the body.

He was tormenting her to death, so that he could remove Yanyan’s heart and give it back to Gu Weiwei.

“Gu Siting, you are killing someone, it is illegal!”

“You killed her too, didn’t you?” Gu Siting looked at Ji Fang, who had killed someone but was now blaming him. “Now, I just want you to pay with your life, it is very fair.”

However, when a living person gradually becomes brain dead, the process would undoubtedly be torture for both the body and the mind.

Ling Yan came back to herself and looked at Gu Siting unwillingly.

“You said that she told you who she is. Who is she now?”

If Gu Weiwei was still alive, who was she?

Gu Siting threw a cold look at Ling Yan who had a swollen face and blood-stained lips.

“Didn’t you already meet her? You couldn’t be compared to her before, and you never will.”

“Who is she? Who on earth is she?” Ling Yan asked hysterically.

“Mu Weiwei.”

Chapter 972: She

Hearing her name, Ling Yan shivered and mumbled, “It is her, it is her, it is her, it is her...”

She should have known that it was her, but she had not believed that she was still alive.

Only she knew Gu Weiwei so well, and only she would have tricked Gu Siting back when she was kidnapped by the Gu Family. Only she would have made such a scene in the movie...

She should have known, but she did not believe that she was related to Gu Weiwei.

Even after Sleepless was released, she still didn’t suspect that she was Gu Weiwei.

Gu Siting turned around and was about to leave when he said to Kuroda Shio, “You know how to stop them from running away.”

“Yes.” Kuroda Shio nodded and walked towards Ji Fang and Ling Yan.

The mother and the daughter took a few steps backwards as they watched Kuroda Shio approaching them.

“What are you doing?”

Kuroda Shio grabbed Ji Fang who was standing in front of Ling Yan and broke her legs without much effort.

“Ah!” Ji Fang screamed in pain.

“Mom! Mom! Let go of my mother!”

Ling Yan screamed and lunged at her, trying to save her. However, she could only watch as her mother’s legs were broken, and was left speechless.

After Kuroda Shio dealt with Ji Fang, he looked at Ling Yan.

Ling Yan retreated in fright and rushed to Gu Siting’s side, begging as she kneeled by his feet.

“Brother Siting, don’t treat me like this, please don’t treat me like this. I love you and everything I do is because I love you and I want to stay by your side. Gu Weiwei doesn’t love you at all. She didn’t love you before, and she still doesn’t love you now. Only I truly love you and can keep you company...”

...

Without taking a look at them, Gu Siting urged with a low voice.

“Kuroda!”

Kuroda Shio approached and pulled Ling Yan away, breaking both of her legs too.

The sound of the women’s crying and screams echoed around the cellar, yet Gu Siting stood still and did not turn around.

Ling Yan gradually lost the strength to cry because of the pain, but Ji Fang still endured the pain and threw herself to her side.

“Yanyan, mom is here, mom is here.”

Ji Fang still did not abandon her daughter even at the critical moment. Instead, she stared at Gu Siting’s back, looking furious.

“Gu Siting, you can’t get her back even if you kill me. You have never been able to get her person or her heart. She has fallen in love with Fu Hanzheng! She is with your enemy Fu Hanzheng! Even if you kill me to take revenge for her, she will not spare another look at you!”

...

Hearing her words, Gu Siting took a deep breath and said with his teeth clenched, “Kuroda, I don’t want to hear any more words from this woman.”

“Got it, I will ask Doctor Bai to deal with it as soon as possible,” Kuroda Shio answered.

If he couldn't stop her from talking, then he could just cut off her tongue.

Gu Siting walked out of the cellar, looking dark and cold.

Standing in the living room, he looked around at this home that he had lived in for more than twenty years, and endless pain and regret arose in his heart.

If he had not hated her for causing his father's death and distanced himself from her, none of this might have happened.

She would not die, she would not leave him or fall in love with Fu Hanzheng.

Chapter 973: She Won't Come Back

Kuroda Shio locked Ling Yan and her mother in the cellar and said to him as they returned to the living room, "President Gu, Doctor Bai will be here tomorrow morning."

After all, it would take a doctor to figure out how to do the infusion.

Otherwise, if he accidentally killed her, he would end up being the one to suffer.

Honestly, he had not believed that Ling Yan, who had always been gentle and weak, had murdered Miss Weiwei.

Miss Weiwei had saved her so many times and had still tried to help her find a heart that could be transplanted.

But in order to survive, she set her eyes upon Miss Weiwei's heart and caused her brain death right under their noses.

Since Miss Weiwei had signed the organ donation letter and President Gu had a very subtle feeling towards her, he agreed to transplant her heart to Ling Yan.

After Ling Yan had Weiwei's heart transplanted, she had been deliberately imitating Weiwei's every move.

So much so that President Gu had thought that she had become like her because she had Weiwei's heart.

So he started to take good care of her and even proposed to her.

Hearing his words, Gu Siting came back to himself.

"Watch them, and... from today onwards, the Gu Family will no longer support the Ling Family."

"Yes, I will ask the company to stop everything that is provided to the Ling Family," Kuroda Shio replied.

At the beginning, it had been because of Miss Weiwei, so Gu's Enterprise had provided some opportunities for the Ling Family, who was just a small enterprise, to grow bigger.

Later on, when Weiwei passed away, the Gu Family provided even more opportunities for the Ling Family because Ling Yan had Weiwei's heart.

Even if President Gu proposed to cancel the engagement, he did not take back everything he had given to the Ling Family because of his debt.

In the end, everything Miss Weiwei and the Gu Family had done had been fed to the ungrateful Ling Family.

Gu Siting looked at the piano that had not been touched for a long time and suddenly saw the shadow of a girl playing it.

“Kuroda, do you think she will come back?”

He had thought that by finding her, he had found hope.

He could bring her home and they could live together.

Yet when he found her, what he found was not hope.

He saw her dressed in the wedding gown, standing side by side with his enemy Fu Hanzheng, and he had become the person she hated.

No matter how much he called out to her, she was not willing to return to his side.

Kuroda Shio looked at him and thought for a while before saying, “One day, Miss. Weiwei will understand what you have done for her.”

It was true that he had hurt her, but it was also true that he loved her deeply.

But whether Miss Weiwei would return or not, he really could not say.

Miss Weiwei had met him so many times but she had always pretended not to know him. Instead, she got closer and closer to Fu Hanzheng.

Even if he had used such an unconventional method to bring her to the Gu Family so she could stay, if Miss Weiwei wanted to stay, as long as she compromised and did not resist, she could almost come home righteously.

But she escaped, and after lying to him, she ran away from the home she had lived in for more than twenty years and went to Fu Hanzheng.

Therefore, when President Gu asked him if Miss Weiwei would still return home, if he was being truthful he would definitely say no.

Her heart was fully set upon Fu Hanzheng, and she was never going to return to the Gu Family which was the complete opposite of Fu Hanzheng.

Chapter 974: I Killed Her

Hearing Kuroda Shio’s reply, Gu Siting laughed at himself.

“Everything I have done is just losing her little by little.”

He had distanced himself from her, and he had caused her death and drove her into Fu Hanzheng arms.

When he wanted to turn around and make everything the way it was, she refused to return.

He went upstairs and sat alone in the dark room.

It was not his own bedroom, but Gu Weiwei's old room.

He had restored everything to how it was when she used to live here, but the person who once lived here was gone.

When Mrs. Gu received the news that he had returned home, she rushed over from the Gu Family's mansion that night.

The moment she entered the room, she saw Kuroda Shio alone. "Where is Siting?"

"Madam, President Gu is upstairs," Kuroda Shio said.

Mrs. Gu went upstairs with a gloomy expression. When she went into Gu Siting's room, he was nowhere to be seen.

So she went to Gu Weiwei's old room and saw him sitting there when she turned on the light.

"Why did you go to Fu Hanzheng's wedding? Do you think that the grudge between the two families is not deep enough?"

She had heard that the Fu Family was holding a wedding for Fu Hanzheng and Mu Weiwei in Slovakia, but he, who had been on a business trip to Austria, had suddenly gone to Slovakia.

Also, he went to Fu Hanzheng's wedding and caused the wedding to be cancelled, and the Old Lady of the Fu Family was then hospitalized.

The Gu Family was not as powerful as before when they had the Dorrans Family as their shield. Now they could not fight against the Fu Family, but he was still trying to ruin Fu Hanzheng's wedding.

Sitting there, Gu Siting whispered, "Mom, I found her."

"Who did you find?" Mrs. Gu casually asked.

"Weiwei, I found her," Gu Siting said.

"Mrs. Gu looked at the man who was speaking, in astonishment. After a long while, she asked, "Did you really... find her?"

But what did it have to do with him ruining the Fu Family's wedding?

Could it be...?

Mrs. Gu suddenly realized something and said to Gu Siting in disbelief, "She is in the Fu Family?"

Gu Siting nodded, looking disappointed.

"She is in the Fu Family, she is marrying Fu Hanzheng."

Mrs. Gu covered her mouth, realizing who he was referring to.

It must be her, Weiwei was the Mu Weiwei who was next to Fu Hanzheng.

That was why he was at Fu Hanzheng's wedding, and why the Fu Family cancelled the wedding and the Old Lady of the Fu Family was hospitalized.

"If she is Weiwei, why did she stay away from home for so long?"

Maybe no one would believe that she was Gu Weiwei.

But they would definitely believe what she and Siting said and let her come home.

But why did she rather stay at the Fu Family than at the Gu Family?

Sitting still, Gu Siting said calmly, "Mom, do you know how Weiwei died?"

Startled, Mrs. Gu asked, "Didn't Anderson send someone to assassinate her?"

Although Cayman Dorrans had never believed it and had sent his men to investigate, they had not found anything.

So it must have been Anderson who stabbed Weiwei, causing her to be seriously injured and die.

Gu Siting closed his eyes in pain so as to conceal his misery.

"No, she was not stabbed, she was killed by me."

"What on earth are you talking about?" Mrs. Gu asked.

She knew that he had blamed Weiwei for his father's death, but he would never kill her.

Gu Siting sighed. "She woke up from the coma but Ling Yan injected her with lethal drugs. I actually believed that she was really brain dead. I actually transplanted her heart into someone else..."

Chapter 975: I Killed Her 2

After hearing what he said, Mrs. Gu could not believe him.

It was not until a few minutes later that she calmed down a little.

"You saw her?"

"Yes, at her and Fu Hanzheng's wedding," Gu Siting said.

He had been waiting for news about her, waiting to get her back.

But when he found her, she was with another man.

And that man was Fu Hanzheng, the greatest enemy of the Gu Family.

Nothing hurt him more than this reality.

Leaning against the chair, Mrs. Gu sighed deeply.

"Is she really not coming home?"

"I don't know." Gu Siting sighed.

Of course he could tell that she did not want to come home.

But he was not willing to lose her just like that, seeing her and Fu Hanzheng together.

“Where is Ling Yan?” Mrs. Gu asked.

She had not expected that Ling Yan, who had been saved by Weiwei, had killed her.

She had killed Weiwei and transplanted Weiwei’s heart, and she had hidden it so well in front of them. How cunning was this woman?

She had used such a method to kill Weiwei so she could transplant her heart. The Gu Family must take revenge on her.

Because of her selfishness, Weiwei, who she had raised as her own daughter, broke off the relationship between the Gu Family and the Dorrans Family, and caused her son Gu Siting to fall into an abyss of misery...

“I will see to it when I find her,” Gu Siting said coldly.

He would make the mother and the daughter pay a heavy price for what they had done to Weiwei.

Mrs. Gu understood his personality. If something like this happened, he would not let the Ling Family off easily.

But that was the price they should pay.

“What about Weiwei, what do you plan to do?”

She was staying by Fu Hanzheng’s side and refusing to come back. If he did not give up, he would start a conflict with the Fu Family.

The Gu Family and the Fu Family had a grudge against each other, and it was fine if the two families had another conflict.

But more importantly, there was Cayman Dorrans.

When he knew about Weiwei and how she had died, he would not only take revenge on the Ling Family, but also the Gu Family.

After all, he had agreed to give Weiwei’s heart to Ling Yan, so the Ling Family proceeded with the operation.

“I will not let her be with Fu Hanzheng, never!” Gu Siting said resolutely.

She might hate him, but he was not so magnanimous as to allow her to be with Fu Hanzheng.

Maybe it would take a long time before she returned, but he would not give up.

“Siting, if she had wanted to come back, she would have come back for us. What is the point of not giving up?” Mrs. Gu felt sorry for him, but she did not want to see him continuing on his own in this way.

After receiving so much information about the Fu Family, the Gu Family had known how much Fu Hanzheng adored her.

Therefore, it was totally understandable that Weiwei fell in love with Fu Hanzheng, who spoiled her so much, after she died because of Siting.

After all, when she was at her lowest, Fu Hanzheng was the one who stayed by her side.

Her surname was Gu, but this was not her real home.

After being so disappointed by this family, it was normal that she did not want to come home.

He did not cherish her when she was in this family.

It was not until she was with someone else that he realized how to cherish her. It was too late.

Chapter 976: Best Wishes for Her and Fu Hanzheng?

“Do you want me to give up and wish her and Fu Hanzheng well?” Gu Siting countered.

He doesn’t think that he would ever be able to do that.

“Siting, forcing a relationship will only cause you more pain.” Mrs. Gu tried to persuade him.

He was too stubborn and wanted to do everything according to his own wishes.

But the world was not going to work out as planned.

“Mom, I know what to do,” Gu Siting said tiredly.

The Fu Family would not accept her any more, and she and Fu Hanzheng would be separated sooner or later.

By that time, she would have left Hua Land and returned to the Gu Family.

Gu Siting did not listen to her and so sheave up. She just stressed her point to him one last time.

“Be careful dealing with Ling Yan, she is a public figure after all.”

This woman had fooled so many people with her gentle and weak look.

However, she had killed Weiwei and even now she still wanted to be Mrs. Gu of the Gu Family.

But because they had discovered that Weiwei was still alive, if she was really dead and no longer in this world, maybe they would never know what she had done.

“I understand,” Gu Siting answered.

Mrs. Gu went downstairs and saw that Kuroda Shio was still there, so she asked a few more questions.

“How is everything within the Fu Family?”

“The Old Lady seems to be seriously ill. I heard that she needs Fu Hanzheng to get divorced before she is willing to undergo the surgery.” Kuroda Shio reported what he knew.

Although he was not the one who went to the wedding on that day, he could tell that everything had been turned upside down.

The Fu Family and the Gu Family were each other's worst enemies. It would be impossible for them to accept that Mu Weiwei was Gu Weiwei.

Therefore, it was inevitable that Fu Hanzheng would divorce her.

Mrs. Gu sighed helplessly. No wonder Siting refused to give up.

The Fu Family did not accept Weiwei, so even if she and Fu Hanzheng were not separated right now, they would not be able to stay together for long.

"Keep watching."

"Got it, Ma'am." Kuroda Shio replied.

Mrs. Gu was about to leave when she stopped and asked, "You must be careful not to let the public know about Ling Yan."

Ling Yan was a public figure after all, and if what they did to her was known to the public, it would definitely cause a huge sensation.

This woman was too greedy and cunning. Weiwei had saved her life and helped her realize her dream of becoming a Movie Queen that was admired by the world, but this was how she ruthlessly repaid her.

It was not enough to kill such a person a hundred times.

"We will be careful, don't worry, Madam," Kuroda Shio replied.

Now, Ling Yan and her mother would never leave the cellar. As long as they created some evidence that they had gone abroad, no one would notice their disappearance.

Mrs. Gu thought for a while and turned around.

"Also, let me know what Siting does to the Fu Family from today onwards."

They had been enemies before, but mostly in business.

But now, because of Weiwei, his conflict with Fu Hanzheng has worsened.

Kuroda Shio looked at Mrs. Gu and nodded.

"Yes, Madam."

Because of Miss Weiwei, he was worried that President Gu would lose his rationality and do something improper.

He was just a subordinate and it was not easy to persuade him.

If he could inform the Madam in time, since they were mother and son, she would be able to persuade him.

Chapter 977: Gu Weiwei

In the cellar of the Gu Family's mansion, Ling Yan and her mother could not even stand up because of their broken legs.

Ling Yan kept hitting the crystal coffin and cursing, as if she wanted to drag the person inside out and kill her again.

“Gu Weiwei, why are you still here? Why are you still here when you are dead?”

...

Ji Fang reached out for her bleeding hand and tried to persuade her.

“Yanyan, that’s enough. It’s useless to blame anyone now.”

What they had feared the most had finally happened.

When Gu Siting found out that they had murdered Gu Weiwei, he would torment them every single day, even if he did not kill them right now.

“Mom, I don’t want to die, I don’t want to die here.”

Seeing the cold cellar and the crystal coffin where Gu Weiwei’s body was placed, Ling Yan was on the verge of breaking down.

Ji Fang held her tightly and patted her back, consoling her frightened daughter.

“No matter what happens, Mom will be with you.”

Ling Yan leaned against Ji Fang. If she had known that this would happen, she would have promised her mother that she would leave A Land first.

But she had thought that Gu Siting would never know anything and Gu Weiwei would never be alive.

However, everything was far from what she had expected. Gu Siting knew everything that she had done, and Gu Weiwei was still alive and had targeted her numerous times.

Why was Gu Weiwei always luckier than her? She had Gu Siting by her side before.

She was dead, but yet she was reborn by Fu Hanzheng’s side and Fu Hanzheng was protecting her.

If it had not been for Fu Hanzheng, she would not have been able to live to this day and Gu Siting would not have known about it.

“If only I had never known Gu Weiwei.” Ji Fang sighed.

Maybe she would have a hard time being tormented by her daughter’s illness, but she would not have ended up in such a horrible situation.

“I don’t regret a thing, I just hate that I was not lucky enough.” Ling Yan gritted her teeth.

At the beginning, she had not expected that she would be so ambitious.

Gu Weiwei had saved her from attempted suicide, and she had helped her realize her dream of performing and showed her a brighter world.

It was she who made her miss the world more and more, and she desired to live even more.

But looking at her, who was around the same age and had the same Bombay blood type as her, who had a good societal family background, a handsome man and outstanding talent...

She could not help but think how great it would be if she could become her and live like her.

The moment she had this idea, she could not help but want to become her and replace her.

So when Will Dorrans asked her for help and said that she might be able to have Gu Weiwei's heart, she agreed without hesitation.

Also, in the end, she got what she wanted.

She had her heart transplanted and she was living a healthy life. She had returned to the film industry and continued with her acting career. She had even gotten engaged with Gu Siting and everything was perfect.

But because of Mu Weiwei, her dream life started to go wrong again.

In the end, Mu Weiwei was still her, Gu Weiwei. Even if she died, she would stay in this world until everything about her was ruined.

She was just thinking when a noise arose from the cellar door.

Kuroda Shio came in with two bodyguards from the Gu Family. "Bring Miss. Ling Yan to Doctor Bai."

Chapter 978: So Vicious

Ji Fang grabbed Ling Yan in fright.

"What are you doing? Where are you taking her?"

Kuroda Shio said expressionlessly, "President Gu said that he doesn't want to hear anything from Miss Ling any more."

Having said these words, he asked his two subordinates to take her away.

Ling Yan realized what was going on and started to struggle.

"I am not going, I am not going. Get lost, I am not going, I am not going..."

...

If she was not allowed to speak, she would become totally mute.

Gu Siting, how could you be so cruel?

However, no matter how much she struggled and how Ji Fang tried to save her, Kuroda Shio's men still dragged Ling Yan away.

Ji Fang tried to run after them but couldn't because of her injured legs. She could not catch up with them at all.

Ling Yan was brought out of the underground passage and saw the butler of the Gu Family, and as if she had seen the last hope of saving her life, she called out to him.

“Help me, help me, call the police, help me. Call the police, I can give you a lot of money, save me...”

...

However, the butler pretended as if he hadn't heard anything and left, the other servants in the mansion were also totally uninterested in her voice.

They had been serving the Gu Family for decades and they understood the rules here.

If they helped her in exchange for money, they would die.

Ling Yan was taken into a room and tied to the operation table.

Doctor Bai injected the anesthesia into her so that she lost the ability to scream and move. Then he took the scalpel and threw a look at Kuroda Shio.

“Kuroda, really?”

Wasn't she President Gu's fiancée before?

Why did he suddenly break her legs and want to cut off her tongue, so that she could no longer speak?

“She deserves it,” Kuroda Shio said.

Miss Weiwei had saved her, but she had repaid her kindness with ingratitude and caused her death. No matter how much she had suffered, it would not cancel out what she had done.

Doctor Bai did not ask anything more, but took the blade and performed the tongue amputation at Kuroda Shio's request.

Then he tied the sutures and stopped the bleeding. The whole procedure was completed within an hour.

“Done.”

After everything was done, Kuroda Shio and his men took her away.

At the sight of her daughter, Ji Fang rushed over and hugged her.

When she saw the gauze in her daughter's mouth and understood what they had done to her, she screamed in pain.

“Gu Siting, you are not human, you monster! How can you be like this? How can you be like this?”

Kuroda Shio looked at the miserable mother and daughter, showing no sympathy.

“Mrs. Ling, you must pay for what you have done.”

Ji Fang wailed in despair as she held Ling Yan, who had yet to wake up.

Ever since Gu Weiwei's heart was transplanted into her, she had been reminding her every single day, fearing that the Gu Family would discover something.

Gradually, more and more people were watching this matter and she became more and more afraid.

That was why she had been in a hurry to take her away from A Land but she had refused to listen to her and insisted on staying by Gu Siting's side.

In the end, she was treated cruelly.

If everything could be redone, she would rather that they had never met Gu Weiwei.

Then everyone would be fine.

Maybe Yanyan would still die because she couldn't have a heart transplant...

But that was better than being tormented by the man she loved.

Chapter 979: Love

In the capital city of Hua Land.

On the second day after Gu Weiwei and Fu Hanzheng got a divorce, Old Lady had an operation and He Chi was the chief surgeon.

Fu Hanzheng also put down his work for the time being and the family went to the hospital to wait for the operation to be completed.

Luckily, the surgery went very smoothly.

After the operation, He Chi came out to inform them in person.

"The surgery went well, but the rest period later on is very important too. One more thing, do not let her emotions be stimulated, otherwise I can't do anything about it."

The Old Lady was old and the operation was too much of a burden for her. It was only because the Fu Family was well off that they used the best drugs and equipment.

That was why the success rate was guaranteed.

Fu Shengying said nothing but threw a meaningful look at Fu Hanzheng.

It was a warning to him not to get involved with Gu Weiwei, in case he irritated the Old Lady.

"Alright, Hanzheng knows how to behave." Mrs. Fu defended him.

He was divorced, Gu Weiwei had moved out and the contract with Shiyi Culture was dismissed, so he had nothing to worry about.

Fu Shengying thought for a while and agreed. This time, he had asked him to get a divorce and Weiwei had left without hesitation. Apart from the day of the divorce, he had not met that woman again.

"Alright, we can take care of this place, you can go back to the company to do your work." Mrs. Fu urged Fu Hanzheng and Fu Shiqin.

Although Hanzheng had divorced her as they had requested and stopped contacting Gu Weiwei, she still held a grudge against him and was strict with him because Hanzheng already knew about Gu Weiwei's identity, which was why he went to collect the marriage certificate with her behind their backs.

“Let us know if anything happens,” Fu Hanzheng said and started to leave the hospital.

Fu Shiqin followed him and said as they entered the elevator, “Our father is keeping such a close eye on you. Although the Old Lady has undergone surgery, she still needs to be careful when she is resting. It seems that you and sister-in-law can’t meet for a long time.”

Fu Hanzheng said nothing, but looked worried.

For safety’s sake, they could not meet these days. They had to make the family let down their guard.

“Third Brother suggests that you can drive to the parking lot every now and then. It should not be a problem if you don’t meet in public for a long time.” Fu Shiqin passed on Fu Shiyi’s bad idea.

This was not a meeting, but a secret meeting between them.

Fu Hanzheng squinted at him. “Why are you two so involved?”

“We are just worried about you and sister-in-law. Only the two of us are on your side. Do you want me and Fu Shiyi to be on our father’s side, reporting your whereabouts every day?” Fu Shiqin argued for himself.

If he and Third Brother sided with the old man, then he would never be able to meet Gu Weiwei again.

“Then finish your work first.” Fu Hanzheng walked out of the elevator and got into the car.

Weiwei had been preparing for the opening of her studio and had no time to meet him. She decided to wait until the Old Lady was better.

If the family discovered anything now, they would be in big trouble.

Fu Shiqin shut up. He was just trying to help him and sister-in-law get together so that he could have a more relaxing life.

Although they were always showing off their love to him when they were together, and would even give him tons of work, just because he was on a date with her, overall, life was quite happy.

Because when he and sister-in-law were in a relationship, he was usually in a good mood, so he was very forgiving towards them at work.

Now that they were divorced, he not only started to work overtime but also became so strict with them.

Damn, he missed the days that were filled with love.

Chapter 980: Fu Hanzheng’s Love Rival

After the divorce, Gu Weiwei was not depressed or staying at home feeling sad. Instead, she started to work.

She was as busy as Fu Hanzheng, when it came to the studio and the movie she was going to make.

Jolin was very efficient. He chose the address of the studio and contacted a company he was familiar with to come up with a renovation plan. Within half a month, the studio was completed.

Also, he had personally hired all the staff in the company.

Everything was ready to start and so they picked a very lucky day for the opening.

Jolin drafted an invitation and asked Gu Weiwei, "We have invited the director of the Long Wind and the Eyes of the Eagle, as well as Song Yu and Li Xing'er, but we have not invited anyone else."

Gu Weiwei nodded. "Just them will be enough."

Before Yuan Bao left school, Yuan Meng went to pick him up and brought him to the studio, where she continued with her assistant/bodyguard work.

Due to Yuan Bao's cute appearance and sweet mouth, he soon became the darling of everyone in the studio.

The little boy came back with a blue balloon in one hand and a pink rabbit balloon in the other. He went over to Gu Weiwei and said to her sweetly, "These are for you!"

Gu Weiwei looked at him and then at the balloons.

"Thanks, Yuan Bao, but I need to work now, so I can't play with you."

She not only needed to support the studio but also invest in the movie.

Therefore, if they could not get the movie started as soon as possible, they would not be able to afford the delay.

"Good luck!"

Yuan Bao clenched his fists and tried to cheer her up.

The staff who were in the meeting with Gu Weiwei felt that he was so, so cute.

After a long time, when everyone had finished the day's work, Gu Weiwei, Yuan Meng and Yuan Bao returned to Yijing Pavilion.

Yuan Shuo came home before them and came out to pick him up when he heard the noise of the car. He picked up his son and said to Gu Weiwei, who was getting out of the car, "Weiwei, I think that you are in some sort of trouble."

"Trouble?" Gu Weiwei frowned.

Gu Siting had already returned to A Land and he had not provoked the Fu Family. What trouble could he possibly cause?

Yuan Shuo pointed at a villa opposite them. "Someone moved into the residence that is opposite to us."

"Who?" Yuan Meng looked at the villa he pointed at curiously.

Hearing his tone and expression, Gu Weiwei could not help but take a look at the place he was pointing at.

For some reason, she had a bad feeling.

The three of them were just looking when someone came out of the villa opposite them. A tall Swedish man was walking towards them.

“Lovely Weiwei, we meet again.”

Gu Weiwei’s lips twitched – trouble indeed.

“Prince Gustav, are you so free?”

Anthony Gustav approached her and smiled.

“I heard that you are divorced, so I am here to keep you company.”

“No thanks,” Gu Weiwei said with her teeth clenched.

It was such a secretive matter but he actually knew about it and came to move in opposite her house.

Anthony Gustav was not disappointed by her rejection. Instead, he said, “Before, you could have used your fiancé to turn me down but now that you are divorced, I think I have the right to court you.”

Gu Weiwei laughed dryly. “I think that I have the right to turn you down.”

Yuan Meng gloated and mumbled, “Damn, Fu Hanzheng’s love rival is back online.”
