

MY HIDDEN 991

Chapter 991: Calmness

Fu Shiqin looked at his brother sympathetically. His sister-in-law had only moved out for a short while and her place of residence and work were all intertwined with his brother's love rivals.

"Brother, we are all angry, but you know what is going on at home these days. Just tolerate it for now."

If he was going to deal with his love rival in a fit of anger, the Old Lady and his father would find out that he was still in contact with sister-in-law, then he would be in big trouble.

But if they kept pestering his sister-in-law, his brother would be furious.

Fu Hanzheng stayed silent for a while and gradually calmed down.

"Anything else?"

"Not for the time being. The news that Anthony Gustav confessed his love to his sister-in-law is very popular online, but... the popularity should drop in a few days," Fu Shiqin said.

Fu Hanzheng let out a deep breath. "If there's nothing else, go and finish your work."

Fu Shiqin was startled. "Brother, are you... really fine?"

It was such a serious 'enemy situation' and he had such a reaction.

"What is it?" Fu Hanzheng continued to work.

"Sister-in-law..." Fu Shiqin reminded him.

Was his brother really not reacting to Anthony Gustav and Qin Lv courting his sister-in-law?

"No matter what they do, they will not succeed. What am I worried about?" Fu Hanzheng said calmly.

If it were in the past, he would have worried about this because he did not know her well enough.

But after she confessed, he knew that no one could break their relationship.

He was indeed displeased by the appearance of those two, but he knew that no matter what they did, they would not succeed.

Therefore, because of this moment of anger, the conflict at the old mansion would be stimulated, which would be even more detrimental to their relationship.

Fu Shiqin thought for a while and mumbled, "That seems to make sense."

He was indeed his brother. Even after getting divorced, he still looked calm.

The moment he left Fu Hanzheng's office, Gu Weiwei called him.

"You saw the news?"

Now the news that Anthony Gustav confessed his love to her was all over the internet. Even if he did not pay attention to the entertainment news, Fu Shiqin, who was a gossip, would still know about it and report it to him.

“Yes, I did,” Fu Hanzheng answered briefly, sounding a bit jealous.

“I didn’t expect that they would get involved, but trust me, I am very devoted to you.” Gu Weiwei promised.

Normally, as long as the other party had good conditions and the contract was fine, they would not be able to investigate the other party’s background.

Unexpectedly, Anthony Gustav and Qin Lv were involved.

Hearing her words, Fu Hanzheng smiled.

“I know.”

“I will try my best to avoid contact with them, but if you see any news, you must trust me. I have nothing to do with them,” Gu Weiwei said.

“I know, don’t worry.” Fu Hanzheng could tell that she was worried, so he consoled her with a gentle voice.

She had just finished speaking when she heard Yuan Meng talking.

“Hey, aren’t you two in the wrong roles? That line is from a boyfriend to a girlfriend.”

Fu Hanzheng stayed silent for a few seconds and said, “I am not that controlling.”

“...”

Gu Weiwei found it very funny. Was he really speaking with a conscience?

Chapter 992: Calmness 2

After the conversation, Fu Hanzheng cooperatively got off work.

After they returned to Landscape Villa, Fu Shiyi had thought that his brother would be displeased after hearing the news, but he saw him coming back happily.

“What is it?” Fu Shiyi whispered to Fu Shiqin.

“It is just some gossip, our brother is the real husband, he won’t mind such a small rumor,” Fu Shiqin said.

Fu Shiyi chuckled. He had always treated his brother in this way, when he and sister-in-law were rumored to be together.

However, he would not believe that he did not mind his sister-in-law’s gossip.

“It is not that he doesn’t mind, but that he can’t mind now. When he can do it later, will he let those two go?”

“They deserve it.” Fu Shiqin showed no sympathy.

“I am afraid that it will not be easy for our father and the Old Lady.” Fu Shiyi sighed and said, “I went to attend sister-in-law’s opening ceremony today and our father called me the moment I returned.”

If he knew that his brother and sister-in-law were going to meet up, he would be livid.

“So serious?”

Fu Shiqin frowned. He had to be more careful when helping his brother and sister-in-law meet tomorrow.

“You are right, I can’t even meet sister-in-law, let alone our brother.” Fu Shiyi sighed.

His brother and sister-in-law finally got married and it was going to be a happy ending.

But now, it was back to the way it was before they were married. It was even more difficult than when they were just in a relationship. They now had to meet in secret.

“This is not a good situation.” Fu Shiqin sighed.

Fu Shiyi glanced upstairs and whispered, “It is not just bad. I went back to the old mansion yesterday and I heard that our father wanted our brother to go on a blind date.”

It was obvious that they were not very happy about Gu Weiwei.

“Oh my gosh.”

Fu Shiqin just could not believe it. He had thought that they would be satisfied after a divorce, but now they wanted his brother to marry someone else.

But if only his brother was interested in other women.

“Can they meet again?” Fu Shiyi was very worried about his brother.

Fu Shiqin said as he was searching for food in the cupboards, “We are meeting tomorrow.”

It had been more than half a month since they last met and if they did not meet, his brother would miss her terribly.

Fu Shiyi nodded. Hopefully, his brother and sister-in-law’s first meeting would go smoothly, and most importantly, he could not be discovered by his father and the Old Lady.

“Who arranged it?”

“I don’t know, our brother did not say anything,” Fu Shiqin said as he ate.

It was such an important matter, and the fewer the people that knew about it, the better.

Fu Hanzheng had just got changed upstairs and was about to take a rest when the call from the Fu Family’s mansion arrived.

“Are you free tomorrow? Come home, your father has something to discuss with you.”

"I have an important banquet tomorrow night, the day after tomorrow," Fu Hanzheng said straightforwardly.

Apart from socializing, they were meeting tomorrow night.

They had not met for so many days and they could not break this promise.

"Alright then, come home early after work the day after tomorrow night." Mrs. Fu reminded him.

The last time she had seen him was at the hospital after the Old Lady's operation and she had not received a call for so many days, let alone him coming home.

He might not have objected to his divorce with Gu Weiwei on the surface, but he must be angry at them.

However, he did not show any emotion on his face, unlike Shiyi and Shiqin.

"Got it." Fu Hanzheng agreed and hung up.

Chapter 993: First Meeting After the Divorce

The following day, Fu Hanzheng went to work as usual, but he spent more time checking his watch than before.

Gu Weiwei also came to the studio and had a meeting with everyone to confirm the actors and staff of the new movie.

However, Anthony Gustav asked to attend the meeting as the producer.

Although he did not make any comments throughout the entire process, he kept staring at Gu Weiwei with a smile.

"If you can't control your eyes, I will dig them out!" Yuan Meng could not stand it anymore and threatened with a gesture.

Anthony Gustav did not take her threat seriously at all and looked even more obvious with his chin in one hand.

Suppressing her anger, Gu Weiwei finally finished the meeting.

"Mr. Gustav, you are affecting our work."

"Does it matter? I don't object to anything," Anthony Gustav said.

Gu Weiwei was too lazy to argue with him. "Our meeting is over, can you leave now?"

Without saying anything more, Anthony Gustav smiled and left the studio with his servant.

Gu Weiwei gave some work to the others and left with Jolin and Yuan Meng for makeup, ready to attend the anniversary event in two hours.

When she arrived at the scene, she ran into Anthony Gustav.

Maybe it was because she barely had any work these days, but when she showed up at the event, the audience burst into thunderous applause and screams.

The host noticed Anthony Gustav who came with her and teased her.

“Weiwei, are you really not going to think about Prince Anthony who is being so considerate?”

Gu Weiwei shook her head with a smile. “Mr. Gustav is not my type, and I really don’t care about relationships right now.”

The host sighed. It was the dream of many women in the world to marry a handsome and excellent member of the royal family like Prince Anthony.

Mu Weiwei had turned him down time and time again. He just could not understand.

Although Gustav came with her, he did not attend the anniversary ceremony for a long time, so she was not affected.

After the event, Jolin and Yuan Shuo helped her remove her makeup and get changed.

In order not to be discovered by Anthony Gustav, Jolin asked Xu to put on her clothes and mask, and then he left with her.

Sure enough, Anthony Gustav followed them.

After receiving Jolin’s notice, Yuan Meng took her up two flights of stairs to the room they had booked.

“I will wait for you in the car, happy meeting.”

Gu Weiwei waved at her and entered the room, removed the mask and hat and texted Fu Hanzheng that she was already in the room.

Soon Fu Hanzheng replied.

[On the way, see you soon.]

Gu Weiwei read the message and glanced around the room. The curtains were already drawn.

There was a bottle of red wine and two glasses on the table. It was obvious that Yuan Meng had prepared them.

Not only that, there was a row of condoms on the bed and a note attached to it. “You can choose whatever one you want.”

Gu Weiwei tossed the note into the dustbin and was about to hide the condoms in the bed.

But before she finished packing, the door opened and Fu Hanzheng entered with Yuan Meng’s room key.

He locked the door and took a few steps towards her. Then he looked at the things in her hands and raised his eyebrows in surprise.

“I did not bring this here, it is... it is Yuan Meng...” She panicked and stuttered as she explained.

Chapter 994: First Meeting 2

Fu Hanzheng chuckled and took away the condoms from her hands to have a closer look.

“This is what you like?”

Gu Weiwei flushed. “You came here and this is what you want to discuss with me?”

“Of course not.” Fu Hanzheng took hold of her waist and pulled her into his arms. “But we can discuss this matter.”

Having said these words, he lowered his head and deeply kissed the girl’s soft lips.

After more than half a month of separation, a kiss quickly set off an inferno.

Having been separated for so long, the intimacy of the body was more than words could express.

In the silent room, the sound of panting arose.

After a round of passionate intimacy, Gu Weiwei nestled herself in his arms.

“Are you really not angry about Anthony Gustav and Qin Lv?”

“It would be a lie to say that I am not angry,” Fu Hanzheng said.

But he just could not be angry with her.

Gu Weiwei chuckled. She knew that he was narrow-minded and petty.

“The movie filming starts next month and I may not be in the capital for two months.”

They barely met each other, and it was even more difficult for them to meet when they had to worry about the Fu Family.

“So you don’t want to see me for two months?” Fu Hanzheng looked down and asked her.

“Of course I want to, I will find a way to meet you in secret.” Gu Weiwei blinked at him sincerely.

Fu Hanzheng kissed the top of her head. “When the Old Lady recovers, I will think of a way to persuade them.”

“Okay,” Gu Weiwei said and thought of something. She looked up at him and said, “No matter how angry you are, don’t worry about Anthony Gustav. Don’t add fuel to the fire.”

“If it had not been because of our situation this time, Anthony Gustav would not have lived opposite you.” Fu Hanzheng sounded jealous when he mentioned his love rival.

They were just talking when Fu Hanzheng’s phone rang.

Gu Weiwei pursed her lips, knowing that it was a call urging him to leave.

But the phone rang twice and Fu Hanzheng still did not answer it.

She glanced at him. “Not answering?”

When the phone rang again, Fu Hanzheng sighed and picked it up.

It was Fu Shiqin who called and he asked, "Brother, where are you?"

"The banquet has been going on for half an hour, how am I going to explain if you don't show up?"

...

He knew that he was meeting Gu Weiwei, but he did not know where they were meeting.

"I will be there in ten minutes," Fu Hanzheng said.

He did not want to attend the banquet, he was just here to have a proper excuse to meet her.

Gu Weiwei urged him as he rang off.

"Go down now, otherwise people will suspect you."

Fu Hanzheng kissed her forehead, took a shower and got dressed quickly.

Gu Weiwei got up, put on her robe and saw him off at the door.

With arms around her waist, Fu Hanzheng did not want to open the door until Fu Shiqin called again.

"Alright, go now."

Gu Weiwei asked him to leave, but she did not release him.

They had been looking forward to this meeting since yesterday, but they had not expected that the meeting would be so brief.

Under the current situation, she did not know when they would meet again.

Fu Hanzheng thought for a while. "I need to go to Dubai for business next week, do you have time?"

"I can make the arrangements." Gu Weiwei nodded.

Compared to meeting in the country, it was easier to meet abroad.

Under Fu Shiqin's urging, Fu Hanzheng kissed her lips deeply and left.

Chapter 995: A Date!

At the banquet, people kept asking Fu Shiqin about Fu Hanzheng's whereabouts, which was making him very anxious.

His brother did not answer his calls one after another.

He was just about to smash his phone when he saw his brother coming into the venue dressed in a suit. He greeted his fellow colleagues calmly and chatted with the representative.

It was not until he was free that Fu Shiqin came to his side and saw his proud face.

"You met sister-in-law?"

"Yes." Fu Hanzheng took a sip of wine and said, "I will go to Dubai next week for business."

"I don't need to come?" Fu Shiqin asked instantly.

"No need," Fu Hanzheng replied.

Well, if it was not convenient for them to meet in the country, they could go on business trips often.

Fu Shiqin thought for a while and understood what he was up to.

"You are meeting sister-in-law in Dubai?"

"Why are you asking so much?" Fu Hanzheng squinted at him, apparently unwilling to reveal anything more.

"Alright, alright, forget it." Fu Shiqin was too lazy to ask anything more, when he suddenly noticed that the hair on his brother's neck was a bit wet.

He thought for a while and suddenly realized that he must have checked into the hotel the banquet was being hosted in.

Also, he must have been in bed when he made the call.

...

Soon after Fu Hanzheng returned to the banquet, Gu Weiwei packed up her things and left the hotel room, heading downstairs to meet Yuan Meng.

Yuan Meng made a call and asked someone to tidy up the room and check out.

Then she threw a look at the glowing Gu Weiwei and chuckled.

"How was it? Did I leave you anything useful?"

"If you ever do anything more next time, I will fire you!" Gu Weiwei glared at her.

Seeing her flushing face, Yuan Meng easily came to a conclusion.

"Why are you blaming me for being nosy?"

She must have used it, otherwise she would not have blushed so.

"You..."

Gu Weiwei got so annoyed that she felt that it was a very wrong decision to hire her as an assistant.

Yuan Meng said as she drove, "No need to be embarrassed. You have been separated for a long time and of course, the right way to communicate is in bed. You can't possibly hold hands and talk about life and ideals, stop joking."

Gu Weiwei gritted her teeth and wanted to end their friendship for the umpteenth time.

"I am going abroad next week."

Yuan Meng glanced at her. "Are you going abroad to meet Fu Hanzheng?"

Although she was the new assistant, she still knew about her schedule. She had no work to do abroad these days.

And this decision was made after she met Fu Hanzheng, so they must be meeting abroad.

“What private meeting? It is a date!” Gu Weiwei stressed.

Private meeting, private meeting, as if their relationship was something shameful.

“But honestly, isn’t it very exciting to meet in secret?” Yuan Meng asked with a smile.

“I am not as weird as you.” Gu Weiwei snorted.

When they returned to Yijing Pavilion, they saw Anthony Gustav guarding their doorstep.

Yuan Meng got out of the car and said, “My dog is already guarding the door, you don’t need to watch it.”

Anthony Gustav ignored Yuan Meng and asked Gu Weiwei directly, “Weiwei, you... you asked your agent to lie?”

When he came back, he found that it was only her assistant in Jolin’s car.

“I did not sue you for stalking me, but ask me if I asked you to follow me?” Gu Weiwei asked in amusement.

If it had not been for his royal identity, she would have called the police and had him arrested for following her.

Chapter 996: Divorce

Anthony Gustav was speechless, but he stopped himself from continuing.

They were not in a relationship, so it was normal that she did not tell him where she was.

He was just... displeased.

“Forget it, forget it.”

Without saying anything more, Gu Weiwei went inside with Yuan Meng.

After dinner, she made a call to Yan Hong and made a modification of the script.

Then she washed up and was about to take a rest when Fu Hanzheng’s call arrived.

“Home?”

“What about you?” Gu Weiwei asked.

“On the way,” Fu Hanzheng replied.

Gu Weiwei thought for a while and said, “I will go abroad next week, but... I need to find a way to stop Anthony Gustav from following me.”

This guy had been like a tail these days, appearing wherever she went.

Fu Hanzheng sounded cold. "You do."

Although he was in charge of the Fu Family, the Old Lady and his father could easily find out anything they wanted to know.

And now was the time when they were most sensitive, so he had to stay out of their affairs.

Otherwise, he would have sent Anthony Gustav back to Sweden.

"Then go home and rest early, goodnight." Gu Weiwei checked the time and was about to hang up.

"Goodnight," Fu Hanzheng said goodnight to her and hung up unwillingly.

Although they had only met briefly, it was still a consolation for them.

...

The following day, before it was time to get off work, Mrs. Fu called again to remind them to return to the old mansion for dinner.

Unexpectedly, Fu Hanzheng, who had been working overtime, got off work on time and returned to the old mansion with Fu Shiqin.

The Old Lady was still under the care of the hospital and only Mrs. Fu and Fu Shengying were at home.

"Mom, how is grandma doing?" Fu Shiqin asked.

"She is doing well. She will be discharged soon and can come home to rest," Mrs. Fu said.

Fu Shiqin nodded. "Great, should we pick her up on the day she is discharged?"

"No need, you can visit her when you have time." Mrs. Fu knew that they were busy with work, so she did not ask them to do these trivial matters.

Fu Shiyi buried himself in the food after being lectured about visiting Gu Weiwei's studio opening and did not interrupt anything.

They were not here for him and Fu Shiqin, but for his elder brother.

Sure enough, his mother mentioned it casually.

"I have been watching the news these past two days and Gu Weiwei seems to be very close to the Swedish Prince."

"That perverted man is stalking her." Fu Shiyi interrupted.

Having said these words, Fu Shengying glared at him.

"I did not ask you to speak."

Fu Shiyi surrendered and ate in silence.

But when Gu Weiwei's name was mentioned, his father still reacted so strongly.

His brother's love life would be very difficult.

Mrs. Fu threw a look at Fu Hanzheng and said with a gentle voice, "Hanzheng, what we mean is that Gu Weiwei will have her own home no matter if she is with the Prince of Sweden or the Gu Family. But you are not young anymore, you need to get married."

...

Fu Hanzheng put down the bowl and chopsticks calmly and said to Fu Shengying, "Since you have asked me to get divorced, don't ask me to do anything else."

Divorce was forced by the situation, but it was too much for him to marry another woman because of this.

Chapter 997: Gu Weiwei

Seeing his objection, Fu Shengying asked fiercely, "Are you still not giving up?"

"Dad, dad, don't be angry. You have to give our brother some time. Our brother had no feelings for other women before our sister-in-law. You have to give him some time, okay?" Fu Shiqin saw that the atmosphere was not right and tried to persuade him.

Mrs. Fu sighed helplessly and said to Fu Hanzheng, "There is no hurry for marriage, but we have found a few girls and the Ming Family has a niece who is studying abroad. She will be returning home soon. What does your father think? Are you interested in Qin Man? After all, she has a good family background and is a diplomat, and she is your old friend."

...

"If that is the reason you asked me to have dinner, you don't need to ask me to come home." Fu Hanzheng stood up, feeling that there was no need to stay for dinner.

Seeing his objection, Fu Shengying knew that he was not giving up on Gu Weiwei.

So he stood up and said to Fu Hanzheng angrily, "Even if you don't give up on her, as long as your grandma and I are still alive, you will never bring her into the Fu Family."

Fu Shiqin lost his appetite because of the atmosphere. He put down the chopsticks and called out to his father.

"Dad, can you not force our brother?"

"True, if you force our brother to break off his father-son relationship with you, he will find someone to run away with. What do you think?" Fu Shiyi echoed.

Startled, Mrs. Fu tried to persuade him.

"Yes, yes, yes, we can't force him. Take it slow, take it slow."

They had not divorced of their own free will, and it was already very filial of him to stop seeing Gu Weiwei.

Gu Weiwei was the only person he had feelings for after so many years. Even if they got divorced now, he would not be able to let go of her anytime soon.

They were indeed being a bit anxious about asking him to remarry.

“If we take it slow, he will be back with Gu Weiwei.” Fu Shengying did not approve of taking it slow.

Fu Shiyi and Fu Shiqin exchanged a look. The flame of love had never been extinguished.

But they would not betray his brother.

“Dad, our brother understands you, that is why he did not go against anything. You asked them to divorce, they divorced. If you continue to force him, you will force his revenge.” Fu Shiqin tried to persuade him.

He was afraid that if his father forced his brother to remarry, his brother would really abandon the Fu Family and run away with his sister-in-law.

“I don’t believe that he will turn against me because of that woman!” Fu Shengying said furiously.

“Try him!” Fu Shiyi said.

“What are you talking about?!” Mrs. Fu glared at Fu Shiyi and said, “You two should try to talk your brother out of it.”

Fu Shiyi and Fu Shiqin both smiled without saying a word. Were they going to persuade his brother to remarry?

Only if they were tired of living.

“Not only your brother, but you two are not allowed to have any contact with that woman either. Fu Shiyi, let me find out one more time that you’ve seen her, and I will break your legs.” Fu Shengying glared at Fu Shiyi who had attended Gu Weiwei’s studio opening the day before.

“So if we meet again at work, I must run away?” Fu Shiyi countered.

Fu Shengying thought for a while. It was inevitable that they would meet in the same industry.

“I am asking you to not meet her on purpose.”

“I’m not the one who likes her, why shouldn’t I meet up with her?” Fu Shiyi snorted.

Chapter 998: Interested in Your Ex-wife

The meal ended unhappily because of the conflict between Fu Hanzheng and Fu Shengying.

When Fu Shiyi and Fu Shiqin left together, they could not help but sigh.

“Didn’t you hear what our father said? He and grandma will never allow our brother and sister-in-law to be together.”

“Our mother is still neutral, the key lies with grandma and our father.” Fu Shiyi sighed.

Fu Shiqin sighed for his brother when he thought of his father’s attitude.

“It will be very difficult for them to accept our sister-in-law.”

“We can do whatever we want. If it doesn’t work, you can take over the company and let our brother and sister-in-law elope,” Fu Shiyi said.

Fu Shiqin was displeased. “Why not you? Why me?”

His brother’s position looked powerful and prestigious, but he was so tired every day. He did not want to take over the company.

“I am not familiar with company work, so you can do it,” Fu Shiyi said with a smile.

Fu Shiqin glared at him and said, “Honestly, we need to think of a way to aid our brother.”

If his sister-in-law did not return, he would not have a good time.

He would rather eat dog food every single day than work overtime.

“Our father won’t listen to any ordinary persuasion from him.” Fu Shiyi touched his chin and said, “Unless our brother is in a critical situation like grandma’s, our father will never agree to what he wants.”

Fu Shiqin thought for a while. “That sounds reasonable, but our brother would never end up in such a position like grandma’s.”

“This is the time when acting skills are important, but it also depends on the timing, it is not easy to implement.” Fu Shiyi sighed.

“Then why are you talking about it? You are wasting my time.” Fu Shiqin snorted.

The two argued the entire way back to Landscape Villa where Fu Hanzheng was already resting.

They had thought that the blind date mentioned by Mrs. Fu would be forgotten.

However, two days later, Qin Man came to the headquarters of Fu’s Enterprise.

Also, Qin Man, who always wore professional clothes, wore a dress, put on exquisite makeup and did her hair.

“Sister Qin Man, what are you...”

“I am here for your brother,” Qin Man said straightforwardly.

Fu Shiqin sized her up from head to toe. “Why are you dressed like this when you are meeting my brother?”

Qin Man smiled, went straight to Fu Hanzheng’s office and sat down on the sofa.

“Fu Hanzheng, at your father’s request, I am here on a blind date with you.”

“Blind date?” Fu Shiqin was startled.

“Yes, otherwise I would not have dressed up like this.” Qin Man brushed her hair and said to Fu Hanzheng, “Let’s eat after work.”

However, Fu Hanzheng did not look up from the moment she entered the office.

"I have no interest in eating with you."

"I think that eating with me is better than eating with Miss Ming and Miss Sun." Qin Man reminded him kindly.

Ever since he got a divorce, the Fu Family had been looking for a new partner for him and she was one of the targets.

Fu Hanzheng signed one file and said calmly, "I am not interested in you, and you told me that you are not interested in me either, so we don't have to waste time."

Qin Man leaned against the sofa and said with a smile, "Of course I am not interested in you, but... I am interested in your ex-wife."

If you are interested in having your ex-wife call me Aunt, then so be it.

Chapter 999: Interested in Your Ex-wife 2

Hearing these words, Fu Shiqin asked in astonishment, "Sister Qin Man, are you... gay?"

Qin Man squinted at him. "I am not gay, even if you are gay."

"Are you interested in my sister-in-law?" Fu Shiqin asked.

Qin Man confessed her purpose to Fu Hanzheng with her arms crossed. "Lui is interested in her. You two got your marriage certificate but now you are divorced, so it is not a big deal for him to court Mu Weiwei."

When they got their marriage certificate before, she admitted that he was better than Lv.

Now that they are divorced, she, as his aunt, would definitely support him in courting Mu Weiwei.

Honestly speaking, she was looking forward to Mu Weiwei becoming her nephew's wife.

"So in order for Qin Lv to court my sister-in-law, you are on a blind date with my brother?" Fu Shiqin's lips twitched. This woman was helping her nephew Qin Lv to steal his brother's girl.

But his brother could not say that he and sister-in-law were only divorced and not broken up.

"Yes." Qin Man admitted that she was helping him.

Fu Shiqin glanced at Qin Man and then at his brother.

"My brother is divorced, so Qin Lv can just court my sister-in-law. Why are you looking for my brother?"

"To prevent him from causing trouble," Qin Man said confidently.

"..." Fu Shiqin had no words to counter with. You are the one who is causing trouble with your nephew and yet you are still trying to stop his brother from causing trouble.

Qin Man sneered at Fu Hanzheng. "You are divorced, but you haven't given up. Maybe... you are still in contact with each other."

After being in the government for so many years, she was still capable of observing people.

Fu Hanzheng's divorce was because of pressure from his family.

Before the wedding, the two of them were still stuck together, but they got a divorce within a few days.

She would not believe that they had truly broken up after getting divorced.

Fu Hanzheng's hand that was holding the pen paused. He still did not look up at her.

"So?"

"That is why I am here on a blind date with you, to ruin your relationship."

"..." Fu Shiqin was startled. What was this?

But your purpose is so clear, can you still achieve your purpose?

Qin Man glanced at Fu Shiqin. "Get me a cup of water, thanks."

Fu Shiqin went to the tea room and poured himself a cup of water.

"Sister Qin Man, you are not being nice."

"When I was not around, we admitted that Lui could not win against your brother. Now that I am back, we want this nephew and wife to be together," Qin Man took a sip of water and said confidently.

Having said these words, she took a selfie with the phone of her and Fu Hanzheng.

Fu Shiqin curiously approached and saw Qin Man posting his brother's picture on Moments.

[When the blind date gets off work, we are going on a date soon]

Fu Shiqin almost rolled over. "Do you think it is proper to post something like this on your Moments?"

Qin Man's Moments had always been about the political activities of the Ministry of Foreign Affairs or some important international news. It was so strange that such a post suddenly appeared on her Moments.

"Don't worry, only Mu Weiwei can see us and let her know that we are on a blind date."

Fu Shiqin was speechless. This was what she meant by ruining his brother and sister-in-law's relationship.

This kind of trick might work on other women, but it would be useless on his sister-in-law.

Chapter 1000: Interested in Your Ex-wife 3

After Qin Man finished posting, she said as she drank water, "I bet that within half an hour, she will call and question you."

However, half an hour later, Gu Weiwei did not call.

And she liked her post.

Seeing her opening the Moments and staring at the Likes, Fu Shiqin laughed so hard that he punched the sofa.

“You lost, right? My sister-in-law did not call.”

“Maybe she went and cried after wishing me and your brother a happy blind date.” Qin Man forced an explanation.

Fu Shiqin stopped laughing and explained.

“What my sister-in-law means is that she’s okay with it, as long as you have fun.”

Hearing the words, Qin Man deleted the post.

“I didn’t expect that your ex-wife would be so smart.”

Hearing her joke, Fu Hanzheng reminded her coldly.

“If you are done, you can leave now, I have work to deal with.”

Instead of leaving, Qin Man said to Fu Hanzheng, “Lui is participating in the entrepreneurial company, and it will open in two days’ time. Do you want to support him?”

“Damn, you people!” Fu Shiqin was speechless.

Anthony Gustav lived opposite his sister-in-law and Qin Lv started a company to open sister-in-law’s studio. They all wanted to be the first to get close to her.

“Fu Hanzheng, it is better for young people to be with young people, don’t think about taking advantage of young girls.” Qin Man tried to persuade him, hoping that Fu Hanzheng would give up.

“Sister Qin Man, it is not my brother who is fighting with Qin Lv for my sister-in-law, it is Anthony Gustav. You have got the wrong person,” Fu Shiqin reminded her with a smile.

“Come on, you are trying to send Anthony Gustav away by using me, it’s not going to work.” Qin Man revealed the real purpose of Fu Shiqin’s words.

Anyway, she had to get this wife for Lui no matter what, even if her opponent was Fu Hanzheng.

Fu Shiqin surrendered completely. He had lost and he was not as smart as Qin Man.

“Sister Qin Man, there are so many other girls, can’t you ask your Lui to change his dream girlfriend to someone else? Why must he keep his eyes on my sister-in-law?”

“She is your brother’s ex-wife, not your sister-in-law.” Qin Man glanced at Fu Hanzheng who was still working and said, “Judging from your family’s tone, they will never accept her again, so let go of her in time.”

Although she did not know the details, the Fu Family had asked them to get a divorce and now Fu Hanzheng was on a blind date.

It was obvious that he was not going to accept Mu Weiwei, so if he released her, she would be his nephew and wife.

Fu Hanzheng did not respond to her words, but dealt with the files in his hands and called Xu Qian.

“Inform them that the meeting will start in ten minutes.”

“Hey, Fu Hanzheng, did you hear what I said?” Qin Man asked.

Fu Hanzheng threw a cold look at her. “Next time, please don’t talk about private matters during my working hours.”

“So you don’t agree with me.” Qin Man could tell that he was not going to let go of Mu Weiwei completely.

Alright, so be it. As long as Mu Weiwei was not part of the Fu Family, they would have time to court her.

This time, she must not let Lui lose to Fu Hanzheng.
