

My Lady is a Warrior Goddess

Chapter 19

"You b*tch! This is slander! You will die a painful death!" Mrs. Clark soon became furious after processing the initial shock.

According to the law of Country Z, insulting the high-rankings of the Ministry of Defence was equivalent to insulting the nation, and the penalty for such an offense would be a minimum of ten years of imprisonment!

If other members of the Clark family were grounded, how could the Clark Group operate normally? Didn't that mean they could go bankrupt?

The Clark family members were all dumbfounded!

The Clark family would be destroyed!

Mrs. Clark then looked at William and pleaded, "Senior Colonel Sherman, did my son, myself or anyone in the Clark family ever say anything disrespectful or insulting to you? How are we disregarding the members of the Ministry of Defense?"

William looked at Mrs. Clark with sympathy in his eyes.

They still hadn't figured out who they had offended until then!

He glanced at the people of the Clark family and said lightly, "Mrs. Clark, the one who was kicked out of the family and constantly insulted by you is now the youngest Senior General in Country Z!"

Boom!

William's words were like a bolt from the blue!

Everyone in the Clark family was stunned!

How was that possible? They must have heard William wrong!

Dorothy had been sent to prison by Mrs. Clark five years ago, and she had been a good-for-nothing. How could she become the youngest Senior General of Country Z?

That was absolutely impossible!

The Clark family's perception of Dorothy remained stuck in the image of her from five years ago, when she was considered a useless coward who could be insulted and beaten at will.

Who would have thought she would become the Senior General of Country Z in five years?

No one could accept such a statement!

Dorothy's expression remained unchanged. She glanced at William lightly with her poker face and asked, "Why aren't you doing as I said?"

William's heart tightened, and he immediately ordered the bodyguards to carry out the orders.

The Clark family noticed that those bodyguards were actually warriors, and everyone, including William, had obeyed Dorothy's orders. They finally came to see the truth.

Dorothy was indeed the Senior General of the Ministry of Defense of Country Z!

All of a sudden, a mix of emotions swept over them, and a wave of deep regret surged through their hearts.

Dorothy was only nineteen years old. She would surely stand at the top of the pyramid in the future!

If she were to lead the Clark family, they would undoubtedly become a top-tier family! Unfortunately, they had been blinded and had already offended Dorothy.

Not only would the Clark family fail to soar, but they were falling into hell.

The extent of the pain caused by reality was so great that they wanted to die.

From her initial doubt to regret, followed by fear, Mrs. Clark could only plead eagerly at the moment.

She looked at Dorothy and apologized with tears, "Dorothy, it's my fault. It was my fault. Could you forgive me this time? Please? Considering that I've raised you for so many years, could you please spare the Clark family and I? Please, I beg you!"

Looking at Mrs. Clark, who was presently changing her tricks, Dorothy furrowed her brows.

As Mrs. Clark saw that she was about to be dragged away by the soldier, Dorothy didn't respond at all. Her pleas then ended up turning into insults!

"What a b*stard! I'm your grandmother! If you treat me like this, you will go to hell! You will die a terrible death! Karma will get you!"

Dorothy remained unmoved.

Mrs. Clark panicked!

Suddenly, her eyes lit up as if she had thought of something important.

She shouted at Dorothy at the top of her voice, "The Crawford family now has a Senior General in their family! You killed Mr. Crawford back then, and they'll definitely not have mercy on you when they find out about you being released from prison."

"As long as you let me go, I will help you plead for mercy. I have influence in the Crawford family. Trust me!"

The Crawford Family?

William sneered when he heard Mrs. Clark's words.

Who did she think the Crawford Family was?

Although Dorothy was young, her military achievements were second to none in the entire Country Z!

Even if she had the same rank as a Senior General from the Crawford family, the Crawford family was certainly no match for her!

In addition, the higher-ups intended to promote Dorothy as well.

The Crawford family was indeed a nobody to them.

Meanwhile, William's work phone rang.

Upon seeing the contact name, William's breath instantly stopped, his heart tightened, and his back straightened.

He picked up the phone carefully...

William's respect and admiration for Dorothy grew stronger when the phone call ended.

Even the Field Marshal of the Ministry of Defense had come to Northon City for Dorothy's sake!

William calmed himself down and saluted Dorothy after he hung up on the call. He quickly instructed the soldiers to handle the matter pertaining to the Clark family and rushed swiftly to the battlefield in Northon City.

On the other hand, Dorothy took Elizabeth to the hospital, where Frederick was.

Nonetheless, what they didn't expect was that Martha was able to contact the Crawford family on their way to the Northon Prison, as supervision on them was compromised.
