

## Chapter 28

Right then, everyone's mind went blank!

Only silence ensued.

It was so quiet that even the sound of the wind could be heard.

Colin and Lydia's eyes were about to pop out of their sockets!

How was that possible?

How could the legendary master of The Guardian be Dorothy?!

It was simply...

Sensing their shock, Dorothy remained calm. She nodded to the people of The Guardian and said lightly, "Get up."

After that, she slowly raised her eyes and looked at Thomas, whose face was pale and whose whole body was trembling. "I gave you a chance."

Her voice was so light that no one could detect her emotions.

However, Thomas felt even more uneasy.

His body stiffened, and his face turned pale as he looked at Dorothy.

At that moment, he knew that the Sherratt family was really doomed!

Howard could not help trembling in the wheelchair next to Thomas.

"How could it be possible? She is only a 19-year-old girl. How could the Rogers family cultivate such a monster? It's impossible! Absolutely impossible!"

The various forces that the Sherratt family had gathered were also shocked. They looked at Dorothy in disbelief!

The Guardian was a great organisation!

It should be noted that The Guardian was the haven of all martial arts practitioners!

It was a place that many dreamed of but could not even get close to!

However, they had never expected that the Master of The Guardian was a young girl who just reached adulthood!

Before they could process the shock in their hearts, endless regret flooded into their minds.

It was extremely difficult for one to join The Guardian with their own strength. Since they had offended their Master, hadn't they ruined their chances of entering The Guardian?

Dorothy didn't care about the other's reactions and thoughts. She turned her head slightly and looked at Lydia. "I gave you a chance, but you didn't cherish it. In that case, I'll give you my blessing."

"You said you want to get engaged to him. Therefore, I won't break you up. You can be a couple through life and death together."

Lydia's eyes widened instantly.

Dorothy was simply a madman!

After a moment of panic, Lydia thought of the nature of The Guardian and tried to calm herself down. She stared at Dorothy and asked in a deep voice, "Do you want to kill me?"

"The Guardian is limited to outside the domain."

"We're in the domain now. Do you want to kill anyone? My uncle is a Senior General. If you touch me, the whole Country Z's Ministry of Defence will not let you off!"

Dorothy smiled disdainfully. Lydia was already on the brink of death, yet she still wanted to resist?

Since that was the case, she would let it happen. "Let's see what the Ministry of Defence of Country Z can do to me if I touch you!"

Looking at Dorothy's unrestrained attitude, Lydia couldn't help but panic!

"Celestine, Uriel, do it!"

Dorothy didn't spare Lydia a glance. She just gave the order in a low voice.

Lydia was flustered. She stared at Dorothy with her eyes full of anger!

Dorothy was simply a lunatic!

However, just as Celestine and Uriel were about to take action, an old, majestic voice sounded. "Who dares?"

His voice was so powerful that most of the people present were shocked.

The crowd looked in the direction of the voice and saw an old man in a battle uniform from the Ministry of Defence walking in their direction.

The appearance of him made the Sherratt family instantly feel refreshed.

It was Donald Sherratt, Thomas' brother and a Senior Colonel of the Ministry of Defense!

"Senior Colonel Sherratt!"

Donald nodded slightly.

Due to his identity, he hadn't intended to show himself. He thought he wouldn't have to show up if Thomas could handle the matter.

However, he had never expected that such a young girl could force the Sherratt family into such a situation!

If he didn't come out then, Thomas and Howard would probably die in

the hands of that girl!

When Howard saw Donald, he was obviously relieved.

However, he immediately lowered his head in shame when he thought about how he and Howard had been beaten by a young girl and harmed the reputation of the Sherratt family.

Thomas also felt deeply guilty. He blamed himself and said, "Donald, I'm sorry. I didn't handle things well."

Donald shook his head and said, "It's not your fault. I didn't expect this girl to have such a background."

After that, he looked at Dorothy with a sharp gaze. "Little girl, you are indeed very powerful. My son and brother are no match for you. Can you let them go for my sake today?"

Dorothy looked into his eyes and said lightly, "Yesterday, I let Howard live for the sake of you serving Country Z for most of your life."

"As for today's matter, even Walter Knightley wouldn't dare to ask me to show him such respect!"

Donald didn't expect that a young girl would say such arrogant words. Walter was the big boss, whom he admired the most, yet she didn't take him seriously. Immediately, Donald's eyes darkened.

"Little girl, you are too arrogant for your age. You have some skills, but you can't become arrogant just because of that. No matter how powerful you are, are you more powerful than the Ministry of Defence?"

Dorothy smiled disdainfully. "Are you talking about Country Z's Ministry of Defence? You're just a Senior Colonel. Are you qualified to represent them?"

Donald did not expect Dorothy to be so arrogant, and he was immediately ridden with anger by her words.

He turned livid after being humiliated by a young girl in front of many people.

He scolded in a low voice, "You are so disrespectful towards a Senior Colonel of the Ministry of Defence. I will make sure that you are locked up for a long time!"

As if hearing a joke, Dorothy laughed, and there was a hint of disdain in her eyes. "If I was an ordinary person, I might be sentenced to death. However, your words are a form of disrespect towards a superior!"

Donald was stunned. In the next moment, his expression turned cold, and his eyes were gloomy. "You're actually pretending to be a higher-up of the Ministry of Defence? You have a death wish!"

Dorothy glanced at him indifferently.

Slap!

Dorothy raised her hand There was a crisp sound as an exquisite golden badge was thrown at Donald's face.
