

Chapter 42

As soon as Dorothy finished speaking, the scene fell into dead silence.

Everyone was stunned when they saw the invitation card falling at Patrick's feet after hitting his face.

No one had expected that Dorothy dared to throw the invitation card at Patrick's face.

.....

Plus, no one had expected that Dorothy would say such words to Patrick fearlessly!

Right then, everyone had the same thoughts in their minds.

Dorothy was done for!

It didn't matter if the invitation she took out was genuine or if she used some means to make Graham respect her.

However, Patrick represented the dignity of the Wilkins family!

Now, Dorothy slapped Patrick's face with the invitation card, which was equivalent to slapping the face of the Wilkins family.

She had slapped the Wilkins family in the face at their family banquet. Her legs being broken and her being thrown out would be the lightest punishment she would suffer that day!

Connie looked at Patrick, who was too shocked and stunned, and a strange smile gradually appeared on her face.

Hehe!

It seemed that she was right.

Dorothy was not as weak as she was five years ago.

However, Dorothy was even more stupid than she was.

It seemed that Connie didn't need to do anything that day, and Dorothy

wouldn't have a good ending!

Then...

Under everyone's gaze, Patrick slowly came to his senses.

He lowered his head stiffly and looked at the invitation at his feet.

Then, he squatted down slowly and picked up the invitation.

He opened the invitation card and read it carefully several times, and his expression became more and more gloomy.

A moment later, he finally raised his head. His cold and sharp eyes that seemed to be able to freeze air as he stared straight at Dorothy.

"Speak! Where did you get this invitation card?"

Hearing Patrick's question, Dorothy answered with a faint expression.

"You only need to be sure whether that invitation is real or not. Does it have anything to do with you how I got it?"

Hiss!

Hiss!

The moment Dorothy's voice fell, there were sounds of people gasping around.

At that moment, there was only one sentence left in everyone's heart.

That woman was courting death!

As for Patrick, he looked at Dorothy and laughed out of extreme anger.

"How you got the invitation card has nothing to do with me? Ha! Do you know the Wilkins family's invitation cards are divided into levels? There are not more than five in Northon City who have such an invitation card!"

"With your status as a junior of the Clark family, you are not qualified to receive such a high-level invitation in your next life, let alone now!"

When the people around heard Patrick's words, they were all stunned.

Almost all the invitation cards were black and gold in color, but the patterns on them were different. Thus, no one noticed that Dorothy's invitation card was of a different level.

At this time, when everyone heard Patrick's words, their expressions when they looked at Dorothy changed again.

Originally, they thought that Dorothy had only angered Patrick that day, but they didn't expect that her crime might be far beyond that!

While everyone was secretly shocked, Patrick narrowed his eyes and scolded Dorothy with a serious and cold expression on his face.

"Speak! How did you get this invitation card?"

However, before Dorothy could speak, Connie suddenly shook her head and said with sadness and disappointment on her face,

"Dorothy, you've been imprisoned in Northon Prison for five years. I thought that you'd be able to undergo some good changes in those years."

"However, I didn't expect that you not only didn't start a new life but even went even further. You even did something like steal an important invitation card. You let me down!"

Most of the people around had already had some guesses about the origin of Dorothy's invitation.

Right then, Connie's words confirmed their guesses.

Immediately, everyone looked at Dorothy with even more disdain and contempt in their eyes.

"I knew it. How could a trash family like the Clark family get an invitation from the Wilkins family? It was stolen!"

"She dared to steal things as soon as she was released! She'll never change her ways!"

"Mr. Patrick said that there were no more than five people in Northon City who could get that kind of invitation card. If the big shot whose

invitation card was stolen by her couldn't get in, would the Wilkins family be in trouble?"

When Patrick heard the last person's words, his heart tightened.

Without any hesitation, he looked at the Wilkins family guards who were close to Dorothy at this time. He immediately ordered in a cold voice,

"Take her down. If she dares to resist, execute her on the spot!"

"Yes!"

The Wilkins family responded in unison.

In the next moment, everyone attacked the weakest parts of Dorothy's body almost at the same time.

Seeing that, the surrounding hotel guards looked at Dorothy with gloating eyes and a little expectation.

They wanted to see how this woman, who claimed that she could easily remove their arms, would kneel and beg for mercy!

They had no doubt that even if Dorothy knelt in the most humiliating and humble manner and begged Patrick to let her live, it would be useless!

After all, with Reuben Wilkins, such a big shot in the family, the Wilkins family couldn't be humiliated!

However, in the next moment.

Crack! Crack...

"Ah! Ah!"

The sounds of bones breaking and the miserable screams that accompanied them suddenly rang out in the banquet hall.

Ten seconds later, more than a dozen strong men of the Wilkins family fell to the ground. Everyone held their arms tightly and screamed in pain.

Many around were stunned for a moment and raised their hands to rub their eyes.

They couldn't believe what they were seeing.

At the same time, Connie's smug smile froze on her face.

She looked straight at Dorothy, who was quietly standing in the same place, with a frightened expression as if she had seen a ghost.

H-How could it be possible?

Was Dorothy the same useless person who couldn't do anything to Connie five years ago?

Not far away, the hotel guards felt a chill down their backs.

Presently, they no longer doubted Dorothy's previous words.

At the same time, they felt a deep sense of relief.

Fortunately, Graham came in time!

Otherwise, it wouldn't be the Wilkins family guards who were lying on the ground, but them!

At this time, the hotel guard's opinion of Dorothy had completely changed!

There was more respect in their eyes.

That was the respect one had for the strong!

"You... Do you know the Wilkins family's influence in Northon City? Not only did you steal the invitation card, but you also hit the Wilkins family's guards. It's a huge crime!"

"I, Patrick Wilkins, warn you in the name of the Wilkins family to surrender immediately!"

"Otherwise, the Wilkins family will fight to the death with you!"

However, at the moment when Patrick finished speaking...

The sound of high heels stepping on the ground suddenly sounded.

Then, a soft but aggressive voice came into everyone's ears in the silent venue.

"When did a servant get to decide the Wilkins family's matters? Or do I, Sue Crawford, have to get the butler's permission to give an invitation to Dorothy?"

Hearing Sue's rude words, Patrick did not show any anger on his face. Instead, his voice trembled obviously because of nervousness and fear.

"M-Miss Crawford?"

When the people around heard Patrick's voice, they slowly came to their senses.

Right then, everyone's eyes were full of deep disbelief.

How was that possible?

Sue was a real powerhouse in Northon City!

How could Dorothy have anything to do with Sue?

Connie was also stunned.

She had never expected that not only Graham, but also Sue was on Dorothy's side.

At that moment, she finally realized that Dorothy might not be as simple as she thought...

"Answer my question!"

Sue stared at Patrick with her sharp eyes, and her tone was cold and tough.

She didn't expect that when she had just met an acquaintance and was delayed outside the banquet hall for a while, Dorothy had been scolded like that!

Patrick took a deep breath and said in an extremely humble tone.

"Miss Crawford, I'm very sorry. I didn't know that you were the one who gave her the invitation..."

Before Patrick finished speaking, Sue interrupted him.

"You don't know? Because you don't know where my friend got the

invitation, can you accuse her of stealing the invitation without any evidence or order someone to hurt her?"

Patrick was stunned by Sue's words.

At the same time, under the pressure of Sue's fierce momentum, a layer of cold sweat gradually appeared on his forehead.

"Miss Crawford, I'm in the wrong today. You can punish me however you want..."

Sue did not say anything. Instead, she turned to look at Dorothy and asked respectfully.

"Miss Rogers, what do you think we should do?"

Dorothy glanced at Patrick indifferently and said in a light tone.

"He wanted to kill me. Miss Crawford, what do you think is the most suitable way to deal with it?"

Sue nodded in understanding.

Then, she turned her head slightly, and her cold and deep eyes fell on Patrick.

The moment he felt Sue's gaze, Patrick's body suddenly weakened, and he fell to the ground.

As the butler of the Wilkins family, he knew very well how much Master Wilkins feared Sue.

Patrick had no doubt that if Master Wilkins knew that he had offended Sue, Master Wilkins would kill him without hesitation, and then take his head to apologize to Sue!

Under the strong fear, Patrick quickly moved his legs and kneeled down to Sue.

"Miss Crawford, I really know I'm wrong. Please forgive me this time!"

Sue frowned and then took a step to the side.

"I'm not the person you should apologize to."

Patrick hesitated for a moment, but under the threat of life, he quickly knelt down to Dorothy.

"Miss Rogers, I'm really sorry. There was indeed a misunderstanding with what happened today. I hope you can forgive me this time!"

Dorothy looked at Patrick indifferently.

However, before she could speak, screams suddenly came from the mouths of the girls around her.

"H-He's so handsome!"

"How could anyone be so beautiful?"

"I've never seen such a handsome man in my life!"

"Ah, ah! If I can be his girlfriend even for a day, I will be happy even if I have to die!"

A man in a pure white suit, who was elegant as a noble prince, slowly walked over.

The girls present all looked at his handsome face, which was ten times more handsome than the most handsome star in the whole Country Z. Feeling the otherworldly aura around him, their hearts could not help beating faster.

However, the man acted as if he hadn't seen the girls. His gaze swept past the crowd and landed on Dorothy.

The moment he saw Dorothy, he was stunned.

Then, his breathing quickened.

At the same time, Dorothy's gaze fell on him...
