

Chapter 43

Dorothy looked at Reuben's youthful and handsome face. There wasn't much change in her expression.

If there was, it was just a little bit of imperceptible disappointment.

As she had seen the photos, Dorothy recognized that he was Reuben at a glance.

However, she was sure he was not her lover the moment she sensed his aura.

The man in front of her had a pure temperament like an elegant and gentlemanly prince, while her lover was a cold and inviolable god!

Feeling Dorothy's gaze, Reuben couldn't help but smile bitterly.

Five years ago, Dorothy chose to be reborn in Country Z to handle certain matters and to find the man who died to save her.

Meanwhile, he resolutely gave up everything he owned and followed her to find the possibility of being with her, who he had been secretly in love with for many years.

After her rebirth, Dorothy no longer had the absolute beauty of her previous life, but she retained the domineering and unparalleled aura around her.

With just one glance, he knew that she was the person he was looking for!

However, the reality in front of him told him the truth:

Dorothy never had feelings for him!

Even though he was already standing in front of her, she could not recognize him...

"Reuben!"

Before Reuben could recover from his sadness, Connie got up and ran over to him.

She raised her hand intimately, wanting to hold Reuben's arm.

Before her hand could touch Reuben's sleeve, he moved, and Connie missed.

Connie's expression stiffened.

"R-Reuben?"

Although she hadn't seen Reuben for years, she still remembered that he had been very kind to her when she was a child. He even said that he would marry her when she grew up.

The Crawford and the Wilkins families also intended to set them up together.

When she saw the photos of Reuben and heard that he was a star student at Imperial College, she decided to marry him.

Plus, she believed Reuben would not refuse her with her appearance and background.

However, reality hit her hard in the face.

She never dreamed that after being so proactive in showing her affection to Reuben in front of everyone, he wouldn't give her any face at all.

At this time, the surrounding girls looked at Connie with dissatisfaction in their eyes.

"Connie..."

"A girl should be reserved. Even if you like Mr. Wilkins very much, you didn't have to do this, did you?"

"Connie, come over quickly! You scared Mr. Wilkins!"

When Connie heard the girls' words, she looked very embarrassed.

Right then, she wished she could find a hole to hide in.

She had never thought that she would fail to embarrass Dorothy despite trying so hard, and that she would be the one who ended up being humiliated!

However, when she thought of how she had already been embarrassed, she went all out.

She hesitated for a moment, then looked at Reuben and asked,

"Reuben, don't you know me?"

Reuben looked at her, and his gentle and elegant voice was filled with indifference.

"I do, but I don't like it when someone touches me without my consent."

When Connie heard Reuben's words, her body stiffened.

Her last hope for Reuben was shattered by his words.

Additionally, her dignity had been trampled on the ground by him.

However, unlike Connie, the surrounding girls' eyes brightened a few degrees at the words.

A few of the girls tried their best to hold back their urges to scream out loud.

However, their hearts were already in turmoil.

Ahhh!

Reuben was simply too handsome!

Not only was he handsome, his every move was filled with an indescribable sense of nobility and charm!

Right at that moment.

A soft female voice with a hint of reproach came from the entrance of the banquet hall.

"Reuben, how can you talk to Connie like that?"

As soon as that voice fell, everyone around looked at the woman.

Then, the well-dressed Mrs. Wilkins and Master Wilkins appeared before everyone.

Under everyone's gaze, Mrs. Wilkins slowly walked to Reuben's side and said with a smile,

"Son, your father and I didn't tell you before that today's banquet is not just to celebrate you becoming a star student in Imperial College, but also to announce your relationship with Connie to everyone."

Everyone was stunned when they heard Mrs. Wilkins' words.

Reuben and Connie's relationship?

What relationship could they have?

Could it be...

All of a sudden, many girls' breathing stopped!

Hearing that, Reuben subconsciously looked at Dorothy.

When he saw that Dorothy's expression had not changed in the slightest, there was a hint of relief and disappointment in his eyes.

Then, he looked away, and there was a tingle of coldness in his gentle tone.

"Why didn't you tell me before?"

When Mrs. Wilkins heard Reuben's tone of voice, her heart immediately sank.

Then, she said with a smile,

"Because we wanted to give you a surprise! Besides, didn't you make a promise to Connie a long time ago? You also liked her when you were young!"

"At that time, I was still young, so the promise can't be counted."

The moment Reuben finished speaking, countless girls present heaved a sigh of relief at the same time.

Fortunately, Reuben was not blind.

Otherwise, it would be too easy for Connie!

However, before everyone could feel relaxed, Mrs. Wilkins frowned and suggested,

"Reuben, why don't you spend a few days with Connie first?"

"No need! I already have someone I like!"

As soon as Reuben finished speaking, the whole place fell dead silent.

At that moment, the sound of countless girls' hearts breaking seemed to ring out on the scene.

Connie stared blankly at Reuben, and the forced smile on her face began to crack inch by inch.

She then tried her best to control her emotions and asked Reuben,

"Mr. Wilkins, can you tell me who that person is?"
