

My Life 2019

Chapter 2019: Face smacking! Wife slaves online! (9)

Seeing that the caller was fan fan and not fan Yu, the tip of her nose turned sour again.

What was the use of being a man?

At the critical moment, he was not as reliable as her son!

When Qiao Yuanfei finished picking up the phone, she suddenly could not smile anymore.

This was because the purpose of fan fan calling her was to stay at the Tang family villa to accompany Xiao Liuliu.

“Mom, can I wait for Xiao Liuliu to go back before I go back with her?”

“...”

What could she do?

She was in despair.

Qiao Yuanfei held back her tears and said, “Okay, you’re a little brother now. Remember to help take care of Xiao Liuliu and little brother.” After that, she hung up the phone.

She threw her phone away and cried out in grievance.

“What do you mean ‘strangers are like Jade, a gentleman is unparalleled in the world’? It’s clearly an act of a stranger, a scumbag pretending to be a gentleman!”

“Since you can’t let go of your own white moonlight, why did you still say that you want to marry me and become fan fan’s father? Bastard!”

“You’re clearly kissing me with others, yet you still pretend to be inexperienced in front of me. You said that the first time, the first time, you almost tortured me to death. Who would believe that? You’re a big fool!”

“You still have the face to make me take responsibility. I want to draw a villain to curse you...”

Qiao Yuanfei was truly angered silly.

Fan Yu did not pursue her, not even giving her a phone call or an explanation.

Fan fan also accompanied Xiao Liuliu.

It was as if she had been forgotten by the whole world at the same time.

She could only cry.

She cried desperately.

It was as if she wanted to vent all the pent-up emotions in her heart at once.

She blew her nose with a tissue and scolded fan yu at the same time.

It was as if only then would she feel better.

As she cursed, she suddenly quieted down.

After crying for too long, she couldn't help but Burp, and then she fell silent again.

She stared at the pile of paper towels that she had thrown under her feet and recalled what she had said to Fan Yu just now. At that moment, Qiao Yuanfei felt as if she didn't know who she was anymore.

Fan Yu was her Prince Charming.

He used to be a prince charming who could be infinitely satisfied just by looking at him from afar.

She had always thought that it was an incredible thing that he would like her, so she felt extremely insecure.

But just now..

When she realized that there might be other women around him, her first reaction was disbelief.

Then, she wanted to escape, not knowing how to face it.

After she digested all the information, she actually wanted to beat him up.

Not only did she want to beat him up, she also wanted to beat up his white moonlight at the same time. She wished that they would be together for a hundred years, have a child early, and not go out and harm others.

After she realized her valiant thoughts, the distance between her and fan Yu disappeared in an instant.

At this moment, she suddenly felt that fan yu was actually an ordinary person in her eyes.

An ordinary person with small emotions and flaws.

At most, he would be a little better than ordinary people, and he would no longer be the idol that she had always praised on the altar in her eyes.

Sensing the change in her thoughts, Qiao Yuanfei could not help but think.

If he appeared in front of her at this time and seriously proposed to her, would she agree?

The answer was... Yes.

All her worries and insecurities disappeared at this moment.

Instead, they were replaced by anticipation and joy.

If he really liked her and was willing to accompany her for the rest of her life, she would be filled with anticipation for the rest of her life..

But now... The Jerk!

The scene in the villa flashed before Qiao Yuanfei's eyes again, and the anger that had just subsided returned.

She took out her phone and looked at it again.

There was still no call from fan Yu.

Did he really intend to leave her hanging like this without explaining anything?

Or was he already thinking about how to break up with her?

Did she have to prepare in advance so that when the time came, she would not be at a disadvantage if she offered any conditions as a break-up fee.

Chapter 2020: Face smacking! Wife slaves online! (10)

After all, he was going to kick her out the moment they had sex.

It was an insult to her feminine charm!

Qiao yuanfei vented her anger and calmed down. She started the car again and went back to the company.

She turned her anger into strength and worked crazily.

It was not enough to work for an entire day. She even planned to stay and work overtime.

“President Qiao, there aren’t any projects in the company that require overtime recently. It’s rare for everyone to have a break. If you don’t leave, I’m afraid that no one will dare to leave,”the secretary reminded softly under the pressure.

Qiao Yuanfei was stunned. She raised her head and looked outside the office.

She saw that although everyone was sitting in their work positions, they were looking at her with anticipation in their eyes. For a moment, she realized that her actions were inappropriate.

“I got it. Tell everyone that I won’t be working overtime today. Tell them to go back at ease.”

The Secretary felt relieved and went out to inform everyone.

Soon, she returned to the President’s office and placed an invitation letter in front of Qiao Yuanfei.

“Oh right, President Qiao, there’s a very grand fashion show today. It’s said that all the fabrics in the fashion show are made with tie-dye technology. It’s very unique. Do you want to go and take a look?”

The secretary paused and added.

“Many colleagues in our company are preparing to go. President Qiao didn’t say that he wanted to find an opportunity to get familiar with everyone. I just feel that today’s opportunity is not bad.”

“Tie-dyed fashion show?”

Qiao Yuanfei took the invitation letter and opened it to take a look.

She saw the introduction of the design team on the invitation letter. Her gaze was fixed on the photo below a certain person’s name and name.

Wasn’t this the girl she saw at Fan Yu’s villa today? Fan Yu’s white moonlight..

“Where did this invitation letter come from?”

The top designer team’s fashion show had an extremely high standard and was difficult to obtain.

The gilded invitation letter was filled with seats in the front row.

It wouldn’t be strange if it was just one, but from the secretary’s words, it seemed to be more than that.

“The invitation letter was a gift from the fan corporation. They said it was to celebrate the smooth cooperation between the two parties. If we were to say that the fan corporation was really generous, they gave us dozens of invitation letters for the top-tier fashion show. They even gave us VIP seats so that our entire team of colleagues in charge of the project could participate...”

The Secretary didn’t know that Qiao Yuanfei had broken up with fan Yu.

Whenever she had the chance, she would spare no effort to say good things about fan Yu.

Usually, Qiao Yuanfei would be happy to hear her say that, but for some reason today, the more she spoke, the more president Qiao’s expression seemed to become strange.

“Who is the person who sent the invitation letter?”

Qiao Yuanfei clenched the invitation letter in her hand and gritted her teeth as she asked.

The secretary: “President Fan’s assistant.”

“...”

Very good. Fan Yu was doing this on purpose, wasn’t he?

He kissed and kissed his white moonlight in front of her, not giving her a proper explanation for the entire day.

Now, he was inviting her to attend his white moonlight fashion show.

To be able to get his assistant to personally deliver the invitation letter, Fan Yu did not even know that this was a misunderstanding. Qiao yuanfei would not believe it even if she was beaten to death!

“President Qiao, President Qiao, Are You Alright? What’s with this invitation...”

“Nothing, I’ll go with you guys!”

Qiao yuanfei turned around to get her coat and bag. She stuffed the invitation into her bag and replied with her head held high.

Wasn’t it just a demonstration.

Who was afraid of WHO.

Who had not met a few scumbags in their lives? Since fan Yu wanted to show off his love for her, she would go and take a good look!

Not only would she go, but she would also invite Zhuo Liye to go with her to see who would stimulate who!
