

My Life 2023

### **Chapter 2023: Face smacking! Wife slaves online! (13)**

As the saying goes, when the army comes, we'll take it as it comes.

Running away would not solve the problem.

Since the other party openly wanted to see her, it would be too petty of her to hide shyly.

Qiao yuanfei decisively followed behind the staff member and went backstage.

Zhuo liye subconsciously wanted to follow, but the staff member stopped him.

"Sir, the only person miss fu Qian wants to see is Miss Qiao. You Can't go backstage."

"Wait for me outside. I'll call you if there's anything," Qiao Yuanfei said.

Zhuo Liye was still worried.

"You've never met her. You Don't know her at all. If she suddenly wants to see you alone with hostility, you'll be in danger!"

The two of them were still discussing, but little did they know that this scene had already fallen into the eyes of Fan Yu and Fu Qian, who were not far away.

Seeing Zhuo liye standing beside Qiao yuanfei, Fan Yu straightened his back and his face was livid.

The hands hanging by his side were tightly clenched into fists.

From the looks of it, he seemed to be ready to pounce on Zhuo Liye at any moment and give him a beating.

"Is that man Miss Qiao's friend? He seems to be very concerned about Miss Qiao." Fu Qian followed his gaze and said softly.

Upon hearing this, fan Yu immediately snorted coldly.

"What friend? He's clearly a jackal! He took advantage of my absence to poach me. Despicable!"

Fu Qian:"..."

Fu Qian: "If he insists on following Miss Qiao, the situation might be a little awkward later on."

From a one-sided display of affection to a two-on-two..

Why did this feel like a primary school student trying to form a faction to play against each other?

"No, I have to think of a way to get rid of him. Otherwise, I might die from anger before Qiao Yuanfei gets jealous later on!" Fan Yu decisively took out his phone and called Yu Yuehan.

What was the purpose of being brothers?

They would do anything at the critical moment!

Even though they were not considered brothers, Fan Yu was very happy that they might stab Yu Yuehan twice.

Without any hesitation, he contacted Yu Yuehan and asked him to help him solve the problem.

In the end, he received a reply: "Calm down and don't explode. Believe in yourself and you will win!"

Fan Yu: "..."

"Miss Qiao seems to have convinced her friend." Fu Qian had been keeping an eye on the situation over there. When she noticed any changes, she immediately informed Fan Yu.

Fan Yu raised his head and happened to see Qiao Yuanfei walking in their direction alone.

Fan Yu immediately let go of the curtain in front of him and retreated backstage.

He turned his head to look at the model who was about to appear on stage and whispered to Fu Qian.

"Her personality is to be strong when she is strong and weak when she is weak. When you talk to her later, don't be too polite. Throw a soft knife and a hard knife together. It is best if it can stimulate her rebellious mentality. I will hide in the back. If anything is wrong, we will contact each other via text message!"

After fan Yu finished speaking, he heard footsteps coming from outside. Without saying anything else, he hid in the changing room that was used to change his clothes.

He closed the door.

At the same time, the curtain at the entrance was lifted.

Qiao yuanfei walked in with the staff who was leading the way.

Fu Qian was still standing in front of her seat. She lowered her head and thought about fan Yu's advice just now. When she raised her head and saw Qiao Yuanfei, she was slightly stunned.

The next second, she raised a confident smile.

She took the initiative to walk over and stretched out her hand towards Qiao Yuanfei.

"Miss Qiao, I've long heard of your name. I'm Fu Qian, Young Master Fan's... friend. I didn't expect to have the opportunity to meet you here today."

"..."

If she had to hesitate for so long to say that she was a friend, only a ghost would believe that the two of them were just friends.

Qiao Yuanfei cursed silently in her heart, but she remained calm on the surface.

She calmly held Fu Qian's outstretched hand and returned the same smile.

"I'm Qiao Yuanfei. It's a pity that fan Yu has never mentioned you to me."

Fu Qian: "..."

General Fu Qian failed and was checkmated.

Hearing Qiao Yuanfei say that Fan Yu had never mentioned her, a hint of disappointment flashed across her face.

Compared to Qiao Yuanfei's confidence, even though Fu Qian had fan Yu's support, her aura was still somewhat suppressed.

Just by looking at how she addressed fan Yu as young master fan, and Qiao Yuanfei addressing fan yu by his name, the two of them did not seem to be on the same level.

Fu Qian sorted out her emotions slightly and tried her best to calm herself down.

She smiled slightly.

"Yu is always like this. He likes to be alone and does not like to get along with others. Ordinary people simply can not enter his heart, not to mention listening to what he says from the bottom of his heart and mentioning what people he cares about."

A single "Yu" instantly caused Qiao Yufei to squint her eyes.

What an intimate way of addressing him.

So intimate that it made people jealous.

She had never called Fan Yu this way before!

Moreover, Fu Xi's words were clearly sarcastic, implying that the reason fan yu had never mentioned her to Qiao Yufei was because Qiao Yufei had never gotten into Fan Yu's heart.

From the beginning until the end..

Qiao Yuanyuan took a deep breath and told herself not to mind.

But she could not help but mind.

Because she knew from a long time ago that fan Yu had someone he liked.

Because of that person, he had rejected their engagement without even meeting her face to face.

After they were together, it was not that she had not thought of asking fan Yu.

But every time she wanted to bring it up, she could not help but remind herself that the past was no longer important.

Cherishing the happiness in front of her was the most important thing she should do.

However, before she could feel fan Yu's affection for her, it was not a dream but a real one. His white moonlight had already returned to the country and she had been kicked away by him.

At this moment when the domestic media was still frantically reporting the news of their marriage..

He was accompanying his white moonlight.

What a scumbag!

Qiao yuanfei told herself not to get angry, but the more she told herself not to get angry, the more she could not help but get angry.

Once a person was angry, it was easy to lose their rationality.

Especially when faced with a love rival who was showing off to her.

Qiao yuanfei almost blurted out.

“Since you know fan Yu so well, have you slept together?”

“Do you know what position he likes and how wild he is in bed?”

A series of questions.

Fu Qian was stunned by the questions.

Not only was she stunned by the questions, but her face turned pale and she took two steps back.

She looked at Qiao Yuanfei in disbelief.

She was not surprised that she and fan Yu had developed to this stage, but she was surprised that she would ask such a direct question.

This was too... too intrepid!

Fu Qian opened her mouth several times, but in the end, she could not utter a single word.

Thinking back to what Qiao Yuanfei had said just now, her face could not help but turn red.

She could not help but look in the direction of the changing room with a pleading gaze. However, Fan Yu, who could clearly see the real-time surveillance footage in the changing room, looked as if he was dead at this moment. There was no reaction at all.

He was probably just like Fu Qian, dumbfounded.

Fu Qian’s reaction, in Qiao Yuanfei’s eyes, was equivalent to giving her an answer.

The corner of her mouth twitched as she stood in front of Fu Qian.

She lowered her head and placed one hand on the table. She stared at Fu Qian and enunciated each word clearly.

“I forgot. Fan Yu said that I was his first woman and he even forced me to be responsible for him. Of course, you wouldn’t know what he looked like in bed.”

“Bang –”

A muffled sound came from the changing room!
