

My Life 2031

### **Chapter 2031: Face smacking! Wife slaves online! (21)**

“What White Moonlight?”

Fan Yu frowned, looking as if he could not remember anything.

Qiao Yuanfei was instantly infuriated.

She reached out and poked his chest.

“Stop pretending. When you rejected the engagement back then, you told grandfather fan that you already had someone you liked and that you would never like me. I heard it all!”

“...”

“That woman is Fu Xi, right?” “You rejected me back then for her. Now that you’ve just proposed to me, you changed your mind the moment she came back. Forget it, you even brought her to show off in front of me. If it wasn’t for my good temper, you would be lying in the hospital right now!”

“...”

Fan Yu was pointed at his nose and scolded. Instead, the corners of his mouth curled up into a smile.

The more she scolded him, the more obvious his smile became.

The smile on the corner of his mouth was as smug as he could be.

Seeing her grandmother’s fierce appearance, his heart softened to a mess.

Just as he was about to reach out to hug her, Qiao yuanfei slapped his hand away and glared at him with reddened eyes.

“You can still laugh now, but you’re actually laughing at me...”

She was already so upset, but he did not reflect on himself or comfort her, but still laughed.

He was smiling so happily, as if he had found money.

Qiao Yuanfei was about to explode from anger.

She was so embarrassed that she pushed him away and was about to leave.

Just as she took a step forward, she was pulled back by Fan Yu.

Fan Yu: “I’m not laughing at you, I’m just happy.”

Qiao yuanfei: “You are laughing at me!”

Fan Yu: “I really am not.”

Qiao yuanfei: “You can still laugh at me when I’m so sad. I can’t forgive you even if it’s not a joke! “Don’t think that just because you’re handsome, I can tolerate you flirting with Qin Muchu. Let me tell you, from today onwards, we’re done with each other...”

Fan Yu reached out to cover her mouth without a second thought and said in a deep voice.

“Fu Qian is not my Bai Yueguang!”

“...”

“We have no relationship at all. She’s just someone I hired to help. You’ve been unwilling to marry me all this while. Someone gave you a bad idea and things turned out like this.”

Fan Yu sold Yu Yuehan off without hesitation.

He reached out and pulled the dazed Qiao Yuanfei into his embrace.

Just as he was about to lower his head and kiss her, Qiao Yuanfei nimbly avoided him.

She narrowed her eyes suspiciously.

“Is she really not your white moonlight?”

“No,” fan yu said sincerely.

“I don’t believe it. There is light in her eyes when she looks at you!”Qiao yuanfei said firmly.

A woman’s intuition was a terrifying thing.

The corners of Fan Yu’s mouth curled up, and a devilish smile appeared on his face.

“What light? Is it as wretched as the way Zhuo Liye looks at you?”

Qiao Yuanfei:”...”he was the wretched one!

“Fu Qian is only my sister. Moreover, I’ve already told her from the start that you’re my fiancée. Tell me, what does Zhuo Liye have in mind for You?”

Fan Yu countered with a question of his own.

Qiao Yuanfei wanted to retort, but she opened her mouth but could not say a word.

Her aura instantly weakened.

“I didn’t call him here. He’s only here because he’s worried about me. He’s not as crafty and cunning as you, and he’s even using other women to test me!”

“...”

Fan Yu was indeed in the wrong in this matter.

His plans could not keep up with the changes and he almost shot himself in the foot.

“That’s only because you haven’t been willing to marry me.”

Qiao Yuanfei:”...”

Fan Yu:”...”

Almost at the same time, both of them realized how childish their current actions were.

Fan Yu took the opportunity to hug the person in his arms tightly.

He bent down slightly and kissed the corner of her mouth gently. His breath was like a charm.

“Feifei, I apologize to you. Let’s reconcile, HMM?”

### **Chapter 2032: Face smacking! Wife slaves online! (22)**

Let’s make up, Alright?

When she heard fan yu speaking to her in such a gentle tone, for a moment, Qiao yuanfei almost suspected that the agonizing pain of the past two days was just her own illusion.

There was no Fu Qian’s appearance, nor was there any conflict or anger.

They were still the same as before..

But before Fu Qian appeared, what were they like?

Qiao yuanfei suddenly couldn’t remember.

She liked fan Yu, and even loved him.

From the moment she had followed grandfather fan to the fan family’s villa, the first time she saw him, she had fallen in love with him at first sight.

And later, because he had adopted fan fan..

For so many years, she had not only loved him, but worshipped him more.

She regarded a person as her spiritual leader. Even if she knew that he could not see, she would never understand the impact he had on her.

She continued to work hard in silence, wanting to become a better version of herself. She hoped that one day, he would be able to see her existence.

With such a small fan mentality, when she really faced fan yu, she would always worry about gains and losses.

Until Fu Qian appeared..

Compared to the fear of losing fan Yu, what made her even more afraid was that she seemed to see herself losing herself in front of Fan Yu.

She finally understood that her distrust of herself was actually also her distrust of him.

In the world of love, everyone who tried hard to love was equal!

“Feifei...”

Fan Yu waited for a long time but did not get her answer. He kissed her lips uneasily.

Just as he was about to take a step closer, Qiao Yuanfei had already reached out and pushed him.

While he was still in a daze, she kicked his knee.

“You said you were going to test me. You said you were going to make up with me. Dream On!”

“...”

“Propose? You still have the nerve to propose to me? Who would propose to me like that? The ring rose has nothing. She threw a contract at me right after she woke up. People who don’t know would think that you’re a human trafficker. You deserve to be single for 10,000 years!”

After Qiao Yuanfei finished cursing, she took the opportunity when Fan Yu was still in a daze to punch him in the chest. She turned around and ran away with a red face.

She ran out of the venue in one breath.

“Qiao Yuanfei!”

Fan Yu turned around and saw her disappearing figure. He touched his aching chest.

He was stunned for about a second before he realized what she meant. His eyes lit up instantly.

So, she did not reject the marriage because she did not love him and did not want to marry him. It was just because his proposal ceremony was not formal enough?

No, he did not even propose at that time. He had forced the marriage directly..

Fan Yu snapped back to his senses and quickly took out his phone to call Yu Yuehan.

“Yu Yuehan, we are one family. As long as you help me this time, I will forgive you for setting me up this time. From now on, we will be blood-related brothers...”

Before fan Yu could finish his sentence, Yu Yuehan had already hung up on him.

If he tried to call again, his phone would already be set to reject the call..

What a disloyal fellow!

Fan Yu cursed in a low voice, skipped Yu Yuehan, and continued to call the others.

Qi Yan.

Mo Yongheng.

They all refused to pick up.

When Tang Yuansi finally picked up the call, Fan Yu was so touched that he almost cried.

“You are indeed a good brother...”

Fan Yu had prepared a series of words to win him over. Before he could speak, Tang Yuansi had already interrupted him.

“Fan fan and Xiao Liulu are living very well in the Tang family. They eat well and sleep early. There is no need to worry at all. I picked up the call purely to tell you this. Now that I have finished speaking, Goodbye!”

“Wait...”

Fan Yu's exclamation was accompanied by the beeping sound of the phone hanging up.

### **Chapter 2033: Face smacking! Wife slaves online! (23)**

[ I have a wife, I am glorious ] group chat.

Tang Yuansi: [ brothers, we have fulfilled our mission and successfully completed the mission given by the party and the people. ]

Yu Yuehan: [ excellent! ]

Mo Yongheng: [ Excellent! ]

Qi Yan: [ Excellent! ]

A series of excellent comments made everyone's eyes hurt.

A few grown men were all famous and feared figures in the business world and other fields.

At this moment, they had gathered together and formed a small group just to achieve the big plan of 'scamming their brothers'.

[ do you think fan Yu is stupid? With him at the bottom, we can live a carefree life. We can coax our wives to make babies, and our lives will still be wonderful. We can even show off our love and find a sense of achievement in front of him. Who would be willing to help him get a wife? ]

Qi Yan was the first to retort.

He expressed his views with true feelings.

Closely following him was Mo Yongheng, who had always been taciturn and had the most magnanimous bearing.

It was rare for someone who rarely crossed swords with Qi Yan to give him a thumbs up today.

[ I have no objections to Fan Yu having a wife. After all, I do. However, his son is already five years old. I Can't take it anymore! ]

[ I can't take it anymore + 1. ] Yu Yuehan.

"I can't take it anymore + 2."Tang yuansi.

"I can't take it anymore + 3. One more thing, because of this incident, the joy of me becoming a father has inexplicably decreased by a lot. No one can be smug and angry anymore!"This was Qi Yan.

Ever since he found out that Tan Bengbeng was pregnant, he had been the most active among the few of them.

He had been showing off to others every day.

The person who had been showing off the most was, of course, Fan Yu, who did not have a child at that time. Even his wife was nowhere to be seen.

In the end, Fan Yu suddenly turned the tables overnight.

Not only did he have a wife, but he also had a five-and-a-half-year-old son!

He failed to show off and was abused instead, not to mention how abused he was.

Fan Yu actually dared to ask him for help in pursuing a wife now. Hehe, when he was showing off that he had a son, did he not know what was going to happen today?

[ seconded! ] Mo Yongheng followed suit and ridiculed.

Zheng Yan's body was weak and it was not easy for her to conceive.

He was not in a hurry to begin with regarding the matter of the child. He could just leave it to fate.

After all, there was still fan Yu, a single dog, at the bottom.

It was not too late for him to be anxious when fan Yu married his daughter-in-law..

In the end, just as Qi Yan had said, it was not enough for fan Yu to mention a daughter-in-law. Instead, he had given him a five-and-a-half-year-old son. This instantly made Mo Yongheng look pitiful among the five of them.

He could tolerate it, but he could not tolerate it!

As for Yu Yuehan and Tang Yuansi, their situation was not much better.

The two of them were the first to have children. One of them was a daughter while the other was a son. Everyone was their own king, and it was not pleasant to chat with each other.

This was especially so for Nian Xiaomu, who was already pregnant with a second child.

Yu Yuehan was the biggest winner among all of them.

Now that fan fan had appeared, his Xiao Liuliu had become the second child, Xiao Tangbao had become the third child, and his second child was not even ranked in the top three..

Therefore, when they found out that Fan Yu was planning to propose to Qiao Yuanfei, the four men simultaneously stood on the United Front.

That was, they could not let fan Yu off so easily!

[ oh no! Brothers, I feel that something is not right. ]

In the group message, Tang Yuansi suddenly blurted out.

Yu Yuehan: [ has fan yu been bothering you? ]

Qi Yan: [ beat him up! Don't be polite! ]

Mo Yongheng: [ don't beat him to death. As long as he is still breathing, it will be fine as long as he can be healed. ]

The replies below were all without any hesitation.

Tang Yuansi: [ ... ]

Tang Yuansi: [ Fan Yu did not look for me, but Fan Yu's wife is here. She said that she is here to fetch fan fan. I am afraid that she is planning to bring her son back to reconcile with fan Yu? ]

#### **Chapter 2034: Face smacking! Wife slaves online! (24)**

Tang Yuansi: [ speaking of which, allow me to say a few more words. Yu Yuehan, let me remind you that this brat called fan fan might be trying to abduct your daughter.@yu Yuehan ]

Yu Yuehan: [ break his leg, don't stand on ceremony! ]

Qi Yan: [ agreed, Xiao Liuliu grew up under the guidance of Beng Beng. If she wants to marry, she can only marry my son. We are a family, do you dare to agree if I call you in-law?@yu Yuehan ]

Mo Yongheng: [ Yanyan and I also like Xiao Liuliu very much. We will definitely treat her as our biological daughter.@yu Yuehan ]

Tang Yuansi: [ both of you are not reserved. You look very frivolous! ]! We are all respectable people. Can you please pay attention to your image? @

Yu Yuehan@yu Yuehan@yu Yuehan@important things@three times! I saw Xiao Liuliu kiss my son yesterday. They are true love. I feel that as elders, we should respect their choices and fulfill their wishes! ]

Yu Yuehan:"..."

This group was poisonous.

Yu Yuehan: "Are we still going to talk about fan Yu?"

With a light reminder, everyone instantly snapped out of the tense atmosphere of fighting over Xiao Liuliu.

"Fan fan is their son. Now that Qiao Yuanfei is here to pick up their son, Tang Yuansi can't refuse, right?"Qi Yan did not say anything.

Mo Yongheng pondered for a moment and gave another guess.

[ didn't fan Yu not succeed in proposing? I heard that he even quarreled with his wife previously. Heh, forgive me for being blunt, but a man who dares to quarrel with his wife is destined to be single for the rest of his life. Qiao Yuanfei might have seen through his true colors and planned to take his son away. ]

Tang Yuansi: [ I am willing to give her a plane ticket. ]

Qi Yan: [ if it really doesn't work out, I can charter a private plane for her. ]

Mo Yongheng let out a long sigh.

[ I really want fan Yu to enter this group to see how dissatisfied everyone is with his actions of bidding farewell to his single status. Can't he just be a single aristocrat? It's clearly you and me who are doing well. ]

Yu Yuehan: [ agreed. ]

Qi Yan: [ agreed. ]

Tang Yuansi: [ agreed. ]

The four men who were earning a lot of money every day had their hearts broken over Fan Yu's marriage.

They engaged in a lively discussion in the group chat for a long time.

In the end, Tang Yuansi, who was the only one who could get in touch with Qiao Yuanfei and test her feelings at this moment, was entrusted with an important task.

Tang Yuansi: [ brothers, I am about to go to the battlefield for all of you. Please remember me. There is no need to express gratitude on the surface, but if you really feel guilty in your hearts, my account is XXXXX. There is no need to be too realistic. Just give me a few hundred million. I am not the kind of person who loves money very much. ]

Yu Yuehan: [ ... ]

Mo Yongheng: [ ... ]

Qi Yan: [ ... ]

– ..

In the Tang family's villa.

Tang Yuansi put his phone into his pocket and walked out of the bedroom slowly.

Just as he reached the staircase, he heard Shangxin and Qiao yuanfei chatting in the living room.

Fan Xiaoliu and Little Tang Bao were both in the living room.

The two adults were taking care of a few sleeping children and talking about their experiences as mothers.

Shangxin was talking about the anticipation and nervousness she had when she was pregnant.

As Tang Yuansi walked downstairs, he was thinking about how to complete the mission that everyone had given him.

After thinking about it, he felt that it was safest to buy a plane ticket for Qiao yuanfei and send the mother and son out of the country.

It was best to send them to a place where fan yu could not find them. This way, Fan Yu would not have the chance to show off in front of them.

Tang Yuansi was secretly calculating in his heart. The next second, he suddenly heard Qiao Yuanfei's voice coming from the living room.

“Actually, I am not fan fan's biological mother...”

### **Chapter 2035: Face smacking! Wife slaves online! (25)**

Tang Yuansi suddenly stopped in his tracks.

The sound that drifted past his ears seemed to be an illusion.

He grabbed the handrail of the stairs with both hands and looked down through the guardrail.

The person sitting in the living room was indeed Qiao Yuanfei.

When Qiao Yuanfei said this, she turned her head to look at fan fan, who was sleeping at the side, a little worried.

After confirming that fan fan was asleep and could not hear her, Qiao Yuanfei lowered her voice and continued to chat with Shangxin.

“I met Fan Yu very early and I was engaged to him. However, fan fan is not our child. I adopted him,” Qiao Yuanfei said honestly.

Very few people knew about fan fan’s background.

Even Zhuo Liye had always thought that fan fan was her biological son.

She had chosen to tell Shangxin because she could feel that Shangxin had truly treated her as a friend and was sharing the joy of being a mother with her.

Besides, she did not want others to misunderstand fan Yu.

She thought that he was the kind of man who had two lovers and had abandoned her.

In fact, Fan Yu did not know that she had adopted fan fan from the beginning to the end.

“Although fan fan was not born by me, I raised him myself and he will always be my son. When I adopted him, he was only this small...”

Qiao yuanfei continued to explain to shangxin after comparing his size.

She recounted the entire process from when fan yu donated his bone marrow to fan fan fan to when she adopted fan fan.

Although Shangxin was surprised, she quickly regained her composure and the two of them continued to talk about parenting.

On the other hand, Tang yuansi, who was at the staircase, did not go down after he was halfway down the stairs.

He turned around and went upstairs to his room.

As he sat on the sofa, he could not hide the smile on his face.

He was even more ecstatic in his heart.

As he said, there was something wrong with Fan Yu’s sudden appearance of a five-and-a-half-year-old son!

Hahahahaha!

He had been depressed for such a long time and it turned out to be a blunder.

Tang Yuansi took out his phone from his pocket and thought about it before deciding to hide this news.

He opened the [ I have a wife, I am glorious ] group chat.

Tang Yuansi: [ brothers, I have not managed to get any information for the time being. However, I suddenly feel a little guilty. As brothers, even though fan yu is heartless in the first place, do we really have to be heartless in the second place? I am such a kind person, I am a little reluctant to do it. In fact, I suddenly feel a little sympathetic towards him. ]

Yu Yuehan: [ ? ? ? ]

Qi Yan: [ Fake Tang Yuansi? Let me ask you bluntly, what does kindness have to do with you? ]

Mo Yongheng: [ could it be that Shangxin registered his account? ]

Tang Yuansi: [ ... ]

A bunch of ignorant fellows.

Everyone knew that he was kind-hearted, alright!

Alright, even if he wasn't kind-hearted, he already knew that fan fan wasn't fan Yu's biological son. Furthermore, there was such a touching story behind it. How could he do such a wicked thing with the aim of breaking up other families?

Most importantly, Fan Yu did not have the right to show off in front of him at all.

Just thinking about it made him feel exceptionally good.

Even Fan Yu was pleasing to the eye.

Tang Yuansi suddenly felt that fan Yu was still his good brother.

Cough Cough!

Tang Yuansi calmed himself down and continued typing.

[ I am the real me. My name is Tang Yuansi and my nickname is kind. I am an upright and righteous person. I really could not do such a thing that would hurt the feelings of my brothers. Your request is really a little difficult for me... ]

Yu Yuehan: "Red card warning."

Mo Yongheng: "Picture"

Qi Yan: "Picture"

Other than the text that Yu Yuehan sent, Mo Yongheng and Qi Yan sent screenshots.

They were all the chat records that Tang Yuansi had strongly demanded that fan yu be pressed to death on the beach and that he absolutely must not let him have the chance to show off.

### **Chapter 2036: Face smacking! Wife slaves online! (26)**

Tang Yuansi: [ ... ]

Yu Yuehan: [ one must learn to face one's own heart, Ask Your Heart, and let go of Fan Yu. Does he agree? ]

Qi Yan: [ can you still treat fan Yu as a brother now? After knowing that his son is five years older than your son? hahahahaha, are you joking? hahahahaha, I don't believe it! ]

Mo Yongheng: [ Buddha said that a person who pretends to be kind is not really kind. ]

Tang Yuansi: [ ... ]

Tang Yuansi: [ are you all devils? ]

Tang Yuansi: [ let me make it clear first, I didn't mean to eavesdrop. I just happened to hear that fan fan is not fan Yu's biological son. ]

Tang Yuansi picked up the important points and simply passed on what he had heard from Qiao Yuanfei to the other three people in the group.

The truth of the matter could be explained in a few sentences.

However, the meaning behind this truth was not so easy to digest.

The group chat was extremely quiet for a full minute.

Following that, there was a notification in the group chat: [ Tang Yuansi has been removed from the group chat. ]

“...”

What the hell?

Tang Yuansi almost jumped up from the sofa. He stared at the notification on his phone and turned around to give Yu Yuehan a call.

The next second, he realized that he had been pulled into the group chat again.

However, the group name had changed.

From 'I have a wife, I am glorious'to 'Brothers walk together for Life', the group was still headed by Yu Yuehan.

What the hell was that?

Was this a new group chat?

Tang Yuansi was stunned. He was completely clueless about what had just happened and was about to send a message to ask them what was going on.

Before he could send the message, he suddenly saw a new notification in the group chat: [ Yu Yuehan has invited fan Yu to join the group chat. ].

Tang Yuansi's heart skipped a beat. The chat below had already started.

Yu Yuehan: [ the signal wasn't very good previously and the call was accidentally hung up. Since brother has something on, it is of course incumbent on Me.@fan Yu. ]

Mo Yongheng: [ I was busy taking care of the family head and did not bring my cell phone with me. Did you call me?@fan yu. ]

Qi Yan: [ I'm good at chasing after daughters-in-law. Just call me if you need me! From the group's name, this group was specially created for you. If you call me brother, we'll be brothers for life. Don't stand on ceremony!@fanyu ]

Tang Yuansi: [ ? ? ? ]

Did he enter the wrong group or was his eyes playing tricks on him?

Were these still the few people he knew?

This wasn't how a split personality would play out!

Previously, all of them had been shouting for him to hurry up and buy a plane ticket to send fan Yu's wife and son out of the country.

With a twist of his face, they started to act like they were brothers..

Then, as the only person who had mocked fan yu over the phone, wouldn't he be an outsider?

Just as Tang Yuansi realized this, someone spoke up in the group chat.

Qi Yan: [ Tang Yuansi, I heard that you even hung up on Fan Yu earlier? This is your fault. We are all brothers. Tell me about you... What do you want me to say about you? ]

Tang Yuansi: [ ? ? ? ]

Mo Yongheng: [ Yes, we are all brothers. Fan Yu already has someone he likes. We should be happy for him. How can you hang up on him just because you are jealous of him? This is too unkind. ]

Tang Yuansi: [ Hey, no, are all of you performing the Sichuan Opera? ]

Yu Yuehan: [ everyone is criticizing you for your own good. You have to accept it humbly. No matter what, we have known each other for so many years. Don't you know what kind of people we are? ]? How could we possibly be jealous of Fan Yu? It's just words. If you take it seriously, you are treating us as outsiders! ]

Tang Yuansi: [ ... ]

### **Chapter 2037: Face smacking! Wife slaves online! (27)**

Tang yuansi could only wish that he had not taken a screenshot before. Otherwise, he would have let fan yu see their true colors!

He had already been kicked out of the group chat and all the chat records were gone. All he could do was to suffer in silence.

In the end, he thought about it and came up with a ruthless move.

Tang Yuansi: [ brother, let bygones be bygones. I am still very considerate of you. To be honest, I have a piece of information that I want to tell You.@fan Yu ]

After Tang Yuansi sent out these words, he waited confidently for fan Yu to ask him what it was about.

He took the opportunity to keep him in suspense and ask Fan Yu to remember his favor. The relationship between the two of them was still very good!

In the end, before fan yu could react, the other three people spoke up one after another.

Yu Yuehan: [ Qiao Yuanfei is at the Tang family Villa. ]

Mo Yongheng: [ she specially came to pick up your son. At the moment, I am not sure if she intends to reconcile with you or flee far away. ]

Qi Yan: [ don't believe Tang Yuansi. He just said that he wanted to buy a plane ticket for your wife and send her thousands of miles away. ]

Tang Yuansi: [ ... ]

Were they still human?

Wouldn't their conscience hurt?

They were the ones who were scheming against fan Yu in secret. Why was he the one who took the blame in the end?

Tang Yuansi's alarm went off as he typed a line of words quickly.

Just as he was about to remind fan yu not to believe their words, Fan Yu, who had been silent all this while, finally appeared.

Fan Yu: [ Tang Yuansi, I will remember you. ]

Tang Yuansi: [ ? ? ? ]

It really had nothing to do with him. He was just the one who took the blame!

Just as he was about to send the message, he was suddenly stuck on the phone screen.

There was only anger in his heart that he had nowhere to vent.

Yu Yuehan: [ forget it, forget it. We are all brothers, Tang Yuansi was just muddle-headed for a moment. ]

Mo Yongheng: [ don't be angry, we will teach him a good lesson and strive for the unity of our brothers. ]

Qi Yan: [ in the end, we are all one family, why should we separate ourselves? Alright, Alright, this matter is all in the past. ]

“...”

Tang Yuansi was so angry that he almost fainted when he saw the hypocrites in the group chat.

After blocking the group chat, he stood up from the sofa and went downstairs to find his wife to comfort him.

Fan Fan was still not awake.

Qiao Yuanfei was reluctant to wake him up and had been sitting on the sofa in the living room, chatting with Shangxin.

When Tang Yuansi went downstairs, she had just carried Little Tang Bao, who was the first to wake up, from Shangxin's arms and was playing with him.

When she raised her head and saw that it was Tang Yuansi who had come downstairs, she was slightly stunned.

Following which, she greeted him politely.

Tang Yuansi had been holding in his anger for a long time. He greeted her politely and walked over to Shangxin to ask for a hug.

In the end, before he could hug his wife, Little Tang Bao saw him and burst into tears.

The Little Fellow, who usually did not acknowledge others, suddenly stretched out his arms to look for his mother today.

Tears that were as big as beans fell out of his eyes as soon as he said it.

This infuriated Tang Yuansi.

This brat was only so young, yet he dared to compete with him for his favor. Would he believe that he would throw him into the trash can later?

"Baby..."

With Tang Yuansi blocking in front of them, Shangxin did not have the time to carry Little Tang Bao. Xiao Liuliu, who had been sleeping on the sofa since she was tired from playing, heard the sound of crying. With a jolt of her body, she kicked off the blanket and sat up from the sofa.

She rubbed her dazed eyes and shouted, "Little brother!" As she slid down from the sofa.

She ran forward.

She tiptoed in front of Qiao Yuanfei and patted little Tang Bao's chest gently.

She coaxed him in a childish voice.

"Little brother, don't cry. Sister Is Here!"

The Little Fellow, who had always fought for the favor and could only be dealt with by Shangxin, narrowed his eyes and saw that it was Xiao Liuliu. He pursed his lips and held it in.

### **Chapter 2038: Face smacking! Wife slaves online! (28)**

She sobbed twice and held back her tears.

Her big black eyes stared at Xiao Liuliu with grievance.

“Little brother must be hungry.”

Xiao Liuliu picked up the milk bottle on the coffee table with ease and ran to find a nanny.

She asked the nanny to help make the milk.

When she came back, not only did she hold a milk bottle, but she also brought back a small scarf for feeding.

He took a glance at the teary-eyed little Tang Bao and lowered his head to give him a kiss on his small face.

“You will be able to drink the milk soon!”

Little Tang Bao did not seem to be able to react in time. He remained motionless ever since he was kissed. After a few seconds, he blinked his eyes and blushed..

The baby in the swaddling clothes turned his face away as if he was really shy. He was embarrassed to look at Xiao Liuliu.

It did not even drink the milk that Xiao Liuliu had fed it to him.

From the way it looked, it no longer had the valiant stance of wanting to compete with Tang Yuansi for the favor just now?

A Little Wolf Dog turned into a Little Puppy Dog in an instant?

Tang Yuansi looked at the scene in front of him in astonishment.

When he looked at Xiao Liuliu again, it was as if he saw the opportunity for him to turn the tables around.

If his son could successfully turn Xiao Liuliu around, not only would it solve the problem of the father and son competing for the favor, but it would also help him infuriate Yu Yuehan to death!

Hahahahaha!

Just the thought of this scene was beautiful.

Tang Yuansi let go of Shangxin and turned around to carry Xiao Liuliu without even looking at his son who was still crying for food.

He caressed her soft hair lovingly and asked gently.

“Xiao Liuliu, do you like your younger brother?”

“I do!” Xiao Liuliu smiled with her eyes and eyebrows curved as she answered without hesitation.

Tang Yuansi was very satisfied with this answer.

He touched his head and continued to ask.

“Then, if your mother gives birth to a younger brother for you in the future, do you still like this younger brother?”

“I Like It!”Xiao Liuliu replied without hesitation.

The first one was always the most special.

This was the younger brother that she had been looking forward to for a long time.

A glint flashed across Tang Yuansi’s eyes and the corners of his mouth curled up.

“If Uncle Tang is willing to give you his little brother, are you willing to take care of him for the rest of your life?”

Shangxin:”...”

Qiao Yuanfei:”...”

“Xiao Liuliu is rich and can take care of his little brother for the rest of his life!”The little glutinous rice ball did not understand what Tang yuansi meant and had already promised anxiously while patting her chest.

Qiao yuanfei could not interrupt.

Tang Yuansi did not give Shangxin the chance to say anything.

He turned around and instructed the butler to bring a pen and paper over.

He personally wrote an agreement and placed it in front of Xiao Liuliu.

“Come, Xiao Liuliu. As long as you sign this, your little brother will be yours from now on.”

“Brother Xiaosi...”

The corners of Shangxin’s mouth twitched when she saw the contents of the agreement.

This was not a “Foster brother” agreement. This was clearly an “Engagement” agreement.

Even though Shangxin had said to Nian xiaomu that she wanted to arrange a child marriage for the two children, that was under the premise that both parents were present.

Tang Yuansi’s move was clearly to deceive Xiao Liuliu..

“Really?”

The moment Xiao Liuliu heard that she could foster a younger brother, she picked up the pen with her small hands and wrote her name down in an exceptionally serious manner.

Her signature was very impressive.

In the end, Tang yuansi even stamped his signature with his fingerprint.

He had gotten his daughter-in-law!

Perfect!

Tang Yuansi put Xiao Liulu down and was grinning from ear to ear when he saw her happily playing with little Tang Bao.

He took out his cell phone from his pocket and took a few photos.

Then, he opened the group "Let's walk together as brothers for Life".

He sent the photo and @yu Yuehan.

The caption was as follows.

[ a daughter-in-law from Xiti. The surprise came too suddenly! ]

### **Chapter 2039: Face smacking! Wife slaves online! (29)**

Tang Yuansi was pleasantly surprised.

Yu Yuehan was afraid that he was shocked.

The group chat, which was in a heated discussion just a moment ago, suddenly became frighteningly quiet.

After a long while, no one could speak.

Hence, after nearly a minute of silence in the group chat, Tang Yuansi was successfully kicked out of the group again.

"AHAHAHAHA..."

Tang Yuansi almost fainted from laughter when he saw the message notification on his phone.

Yu Yuehan's call came in the next second.

Tang Yuansi was not a fool. Why would he pick up the call at this time.

He hung up without any hesitation.

Then, he set the reject button.

Even though he was separated by the phone screen, he could already imagine how Yu Yuehan was so angry that he wanted to eat someone up.

He went forward in a rare cordial manner and hugged little Tang Bao from Qiao Yuanfei's hands.

His words were sincere and sincere.

"Son, the happiness of us, father and son, is all tied to you. You must do your best!"

Little Tang Bao, who was in his swaddling clothes, was spitting out milk bubbles. He was not in the mood to look at him at all. He was trying his best to look for Xiao Liulu with his small head tilted to one side.

When he was forcefully turned away by Tang Yuansi, he seemed to roll his eyes at him and turned his small head away.

His small arms stretched out straight towards Xiao Liulu with a face that looked like he was begging for a hug.

Tang Yuansi: "..."

It was true that he was his biological son.

After a commotion in the living room, Fan fan woke up as well.

When he saw Qiao Yuanfei, he blinked his eyes and called out "Mommy" happily. Then, he threw himself into Qiao Yuanfei's embrace.

Following that, he raised his head and looked behind her. He looked like he was looking for Fan Yu.

Qiao Yuanfei's heart tightened slightly.

She lowered her head and kissed him on the forehead.

"Mommy is here to pick you up."

"Are you going back to Daddy's House?" Fan fan leaned into her arms obediently and asked expectantly.

"I Miss Daddy a little."

Hearing her son say that, Qiao Yuanfei felt a little uncomfortable.

Actually, it was not only fan fan who missed fan Yu. She also missed fan Yu a little.

Women were always stubborn when they argued. When they turned their heads, their hearts softened faster than anyone else.

Ever since she found out that there was nothing going on between him and Fu Qian, and that he was merely putting on an act to deceive her, her anger had completely dissipated.

However, if she were to forgive him too easily, what if he were to do the same thing again in the future?

On the other hand, fan fan's current words put her in a difficult position.

If she did not forgive fan Yu, fan fan would not be able to see her father.

However, if she were to forgive Fan Yu..

Fan Yu had not even come looking for her yet. What was the point of her bringing her son to his private villa now?

"Are you hesitating whether you should forgive fan Yu or not?"

Tang Yuansi sat at the side and took in all of Qiao Yuanfei's reactions. Then, he opened his mouth abruptly.

Qiao Yuanfei looked at him when she heard that.

Tang Yuansi did not panic. He leaned on the sofa calmly, leaned against the back cushion, and held Shangxin's hand as he spoke plainly.

“I know a little about the matter between you and Fan Yu. If you are angry because of Fu Qian, then there is indeed no need for that. However, if it is because of something else, I do have a way to help you vent your anger...”

Tang Yuansi did not finish his sentence.

He cast a deep glance at Qiao Yuanfei.

However, all he could think about was: no matter how those guys pretended to discuss in the group for an entire day, he did not have the innate advantage of being in direct contact with the person involved.

They wanted him to be the scapegoat and even tried to sow discord between him and fan Yu?

When he helped fan yu get a wife, they would know that everything was in vain.

Father Tang was still your father Tang!

Tang yuansi narrowed his eyes and continued.

“Don’t worry. I Am Fan Yu’s brother. I will not do anything that will really hurt him. I am only using a small method to help him see through his heart.”

#### **Chapter 2040: Face smacking! Wife slaves online! (30)**

“What method?” Qiao Yuanfei asked hesitantly.

Tang Yuansi did not say anything. He merely signaled for her not to make a sound. Then, he dialed Fan Yu’s number right in front of her.

The call was picked up very quickly.

Tang Yuansi had a lot of acting to do.

He acted as if nothing had happened one second ago. The next second, his expression changed when he realized that Fan Yu had picked up the call.

He covered his phone with both hands and acted as if he was in a hurry and was secretly making a call behind someone’s back.

Even his voice had changed.

“Brother, it’s not that I want to say this, but I am risking my life to inform you that Qiao Yuanfei has come to my house to pick up your son. You should know that this is a serious matter!” “I just heard her saying goodbye to Shangxin. I heard that Zhuo Liye will come to pick her up in a while and bring her and your son out of the country!”

“...”

Qiao yuanfei could not see Fan Yu’s reaction on the other end of the phone. However, at this moment, she was stunned.

He had to put on a full show.

Tang Yuansi was still trying to scare her.

“Don’t be anxious. Listen to me. I will get Shangxin to help you find out about Qiao Yuanfei’s flight... stop investigating! “When your assistant finds out that Zhuo Liye has kidnapped your wife and son... Alright, Alright, leave it to me. I will definitely find out about it for you. Go to the airport first and I will send it to you as soon as I find out about the Flight!”

Tang Yuansi made a solemn promise.

After hanging up the phone, he opened the webpage in a dignified manner and randomly found the nearest flight out of the country. He copied the flight information and sent it to Fan Yu.

With a few operations, he managed to trick fan yu into chasing after him at the airport.

When Fan Yu arrived at the airport, he realized that he had missed the flight. Just as he was feeling desperate, Qiao Yuanfei appeared in front of him with her son.

She was afraid that she would be so surprised that she would not care about anything else and force him to stay by her side.

As for Qiao Yuanfei, Tang Yuansi had his own plans in his heart.

Women were hard-spoken but soft-hearted.

When she saw with her own eyes how fan Yu was so anxious for her that he went crazy for her, no matter how deep the knot in her heart was, she would still be able to forgive him easily.

This move of his was much more effective than any romantic proposal.

Furthermore, it was a win-win situation.

Fan Yu had to consider this favor of his!

Tang Yuansi instructed the butler to arrange a car and prepare to send Qiao yuanfei and fan fan to the airport. At the same time, he kept calling fan yu and pretending that he was trying his best to stall for time for Fan Yu..

Qiao Yuanfei was amazed by this move of his.

She could not help but turn her head and ask Shangxin.

“President Tang... is usually like this?”

Didn’t they say that Tang Yuansi had a heart attack and was a prince-like figure with a melancholic aura?

Why did she see this..

“Ahem.”

Shangxin cleared her throat awkwardly. “I’m sorry, I forgot to give him some medicine today. Sorry for making a fool of myself.”

Qiao Yuanfei:”...”

Shangxin was kind enough not to tell Qiao yuanfei that if her hunch was right, she would soon discover the “Other side” of fan Yu when she was really with him.

A wife was the key to the other side of these men..

“The car is ready. Miss Qiao, are you leaving now?”The Butler stepped forward and asked respectfully.

Shangxin stood up immediately and sent Qiao Yuanfei out.

Before boarding the car, she whispered something into Qiao Yuanfei’s ear. Qiao yuanfei turned around and looked at her in surprise.

Shangxin smiled and winked at her playfully.

“At the moment, only I know about this news. I’m telling you in advance because I want to remind you that even if you believe fan Yu and are unwilling to test his intentions, you must still go to the airport today!”
