

My Life 2081

Chapter 2081: The rest of my life is long. I am lucky to have you! (29)

The Doctor said that the baby was developing very well in her stomach.

Compared to her calmness, Yu Yuehan's emotions were clearly fluctuating when he heard that the baby had grown up again.

Although Xiao Liulu was brought up by him, he was not by Nian Xiaomu's side when she was pregnant back then.

From the time she was pregnant with Xiao Liulu to the time when Xiao Liulu was one year old after she was born... Yu Yuehan was absent.

This was the first time he had participated in the process of a small life, from its germination to its growth.

It was mysterious, sacred, and filled with anticipation and surprise.

Every single change made him palpitate.

His hand caressed her belly gently.

His thin lips pursed nervously.

"Nian Xiaomu, let your son move a little."

Nian Xiaomu:"..."

How Old was the baby? How could he be obedient now.

Furthermore..

"What do you mean by my son? Yu Yuehan, there is a ambiguity in your words. What if I give birth to a daughter? Would that also be my daughter?"

"My daughter," Yu Yuehan replied without hesitation.

When he finished speaking, he paused when he saw that Nian Xiaomu did not look well. It seemed like he also felt that something was not right.

He cleared his throat lightly.

"Alright, Alright. My Son and daughter are both ours. I will be in pain. These are not the main points. The main point is, can you make it move a little now?"

Ever since Yu Yuehan had felt the movement of the fetus the last time, he had been obsessed with Nian Xiaomu for the past few days, pestering her to listen to the movement of the fetus every day.

However, the baby in Nian Xiaomu's stomach seemed to be deliberately going against him.

It would only move around when he was not around. However, it became quiet once he arrived.

Yu Yuehan was so angry that his teeth were itching, but he was not convinced.

He kept emphasizing this to Nian Xiaomu.

“It’s a coincidence. It’s just a coincidence. I am the biological father of the child. How can it not love me?”

After Yu Yuehan had hypnotized himself for a while, he was sure that he could not feel the movement of the fetus and was prepared to work hard to earn money for the child’s milk powder.

Just as his hand was about to move away from Nian Xiaomu’s stomach, something suddenly pressed against his palm.

His body stiffened quickly.

Immediately after, he lowered his head to look at Nian Xiaomu’s stomach in surprise.

He saw that on her stomach, which was wearing a maternity dress, a small foot was slowly lifted up as if she was stretching her body.

It moved on Nian Xiaomu’s stomach.

When it moved to the position under Yu Yuehan’s palm, it even paused for a moment as if it was greeting its father.

“Nian Xiaomu, did you see that? The baby moved. It’s kicking me!”

Nian Xiaomu:”...”

Of course, she did not need to see it to know that.

The baby was kicking her stomach. Even though she was in excruciating pain, he was still smiling like a silly roe deer.

Was he preparing to anger her to death?

However, when she saw that Yu Yuehan was so happy, Nian Xiaomu gave it some thought and decided to let it go.

She allowed the baby in her stomach to make a ruckus, allowing Yu Yuehan to feel the baby move a few more times.

With the comfort of having a second child, Yu Yuehan’s days were slightly better.

However, he was still in deep trouble.

To get to the bottom of it.

It was a mental illness.

Every day, he would say that he did not care and that he had to respect the child’s childhood. However, the way he stared at fan fan and Xiao Qi was as if he was guarding against thieves.

Nian Xiaomu felt tired for him just by looking at him.

It could be seen that his clothes were getting wider and he was getting thinner by the day. Furthermore, he was still heartbroken over giving her stewed supplements every day.

Who would have thought that Yu Yuehan would not gain any weight after taking in the tonics every day? On the contrary, he had caused her to lose weight.

If not for the Doctor's advice, Nian Xiaomu would not even have the strength to get out of bed.

She finally saw through his trick and decided to let Yu Yuehan fend for himself.

For half a month, Yu Yuehan did not even manage to touch a single finger of hers.

Every night, he would float around like a vengeful spirit at the door of the master bedroom... he would struggle until the dead of the night and float into the study room to work overtime in despair.

Chapter 2082: The rest of my life is long. I am lucky to have you! (30)

"Nian Xiaomu, you don't love me anymore."

Another week passed. Yu Yuehan crawled out of the study early in the morning and stood guard at the door of the master bedroom on time. He blocked Nian Xiaomu, who had just gotten up and was about to head downstairs for breakfast.

His tone was filled with resentment and he sounded very pitiful.

If not for the previous experience, Nian Xiaomu's heart would have softened.

She pushed away his extremely handsome face and walked past him, intending to head downstairs.

The wedding preparations for Tang Yuansi and Fan Yu were almost complete. It was said that they had even arranged their honeymoon trip.

After the two couples got married, they would form a group to go on their honeymoon.

Of course, this news was kept from Yu Yuehan.

If he were to find out that the two little devils might have to stay in the Yu family Villa for a period of time, he might put a knife to his neck on the spot and threaten Nian Xiaomu to send them away..

Nian Xiaomu felt a little more benevolent when she thought of this.

She turned around and invited the man behind her.

"Do you want to have breakfast together?"

"I would rather eat you," Yu Yuehan said sincerely.

Nian Xiaomu rolled her eyes at him.

Then, she went downstairs alone.

The living room was very quiet, and it did not look like there were three children.

When Nian Xiaomu went downstairs, she thought that it was just her imagination. When she scanned the room and was sure that she could not find any children, she immediately called for the butler.

“Don’t worry, they are fine. Xiao Liuliu went to visit Grandma while fan fan fan and Qi Qi went with her. The Butler came over to pass the message that the children had made Grandma very happy and that Grandma was reluctant to send them back, so she might have to keep them in the right courtyard for a few more days.”

Yu Yuehan was one step slower than her as he walked down the stairs and opened his mouth calmly.

He was in a very good mood today when he finally could not see the two brats.

However, when he thought about how his little princess had also left his sight, he felt a little uneasy.

If it wasn’t for the fact that he was filial to Grandma, Yu Yuehan would have gone to fetch Xiao Liuliu back long ago.

“Let’s go and visit Grandma after we finish breakfast.”

Nian xiaomu calmed down and said after some thought.

She missed Grandma too.

Yu Yuehan did not have any objections. He walked forward and pulled out a chair to sit down.

He got the butler to serve him a bowl of porridge and blew it cold before feeding it to Nian Xiaomu.

Nian Xiaomu had a big belly, and she had just woken up and was feeling lazy. Even if someone was serving her, she would not be pretentious and obediently opened her mouth to drink the porridge.

After she had eaten her fill, she was so comfortable that she was about to go back to sleep when she suddenly heard someone speak.

“Nian Xiaomu, do you know what day it is today?”

“HMM?”

Nian Xiaomu narrowed her eyes and looked at him blankly.

In her heart, she went through all the days that they had spent together.

It was not a date’s anniversary, not a wedding anniversary, nor was it her birthday..

In the end, a date flashed across Nian Xiaomu’s mind, and she sat up straight in her chair.

His birthday..

She had forgotten it.

Was it too late to pretend to remember it now?

“Hah, you have indeed forgotten it. You Really Don’t love me anymore. On my birthday last year, you even bought me a couple’s watch. You said that you wanted to be by my side forever, just like how the minute hand in the watch revolves around the hour hand. Now, you don’t even remember my birthday. It Hurts!”

Yu Yuehan pressed his hand against his chest and looked as if his heart was in pain.

Nian Xiaomu felt a little guilty all of a sudden.

It had been three years since she was pregnant, and she really could not remember anything recently... would such a reason be able to comfort him?

If it was someone else, it might be possible.

However, Nian Xiaomu could not.

She was famous for her photographic memory. Not to mention a simple birthday, she only needed to glance at a series of numbers on the financial statements to remember them.

Chapter 2083: The rest of my life is long. I am lucky to have you! (31)

This reason sounded perfunctory.

Nian Xiaomu cleared her throat and pretended to be calm.

“We are all adults, and you are a man. What birthday are you celebrating?”

“The subtext of this sentence is equivalent to you admitting that you don’t love me at all. Are you sure?” Yu Yuehan shot her a chilly glance, and his gaze was filled with resentment.

Nian Xiaomu had also made a mistake.

Recently, she had been happily accompanying the few children and had been careless for a moment, so she had not remembered Yu Yuehan’s birthday.

This was great. Now that she had been caught by Yu Yuehan, she would not be able to move on without sacrificing a little.

“I said it casually just now. How could I not remember your birthday? Of course I remember! I even prepared a gift for you.” Nian Xiaomu sat on the chair and straightened her back nervously.

She touched her round belly and asked tentatively.

“Let you listen to the movements of the fetus?”

“Heh, it’s perfunctory.” Yu Yuehan snorted coldly.

Nian Xiaomu licked her lips, rolled her eyes, and finally raised her head to ask.

“I don’t know how to make a cake, but I know how to make longevity noodles. Shall I make you a bowl of noodles?”

“When you celebrated my birthday last year, not only did you give me a watch, but you also cooked noodles for me. Is there only one bowl of noodles left this year? You’re insincere.” Yu Yuehan continued to reject her.

Nian Xiaomu’s mind raced.

Time was of the essence, and conditions were limited. Where was she going to find a satisfactory gift for him in such a short period of time?

Could it be that she was going to point at her stomach and tell him, “Hi, Darling, the baby in my stomach is my birthday present to you. Do You Like It?”?

She could almost imagine that Yu Yuehan wanted to beat her heart to death in an instant.

In the end, she could not come up with any good ideas and could only give up.

Gritting her teeth, Nian Xiaomu stood up from the chair, held her waist, and slowly moved in front of Yu Yuehan. Then, she snuggled into his embrace.

She acted coquettishly in a tone that was almost suffocating her.

“Hubby, I have been pregnant for three years. You Can’t be calculative with me at this time. You Are Bad!”

“Urgh!”

Yu Yuehan did not vomit, but Nian Xiaomu was disgusted by herself.

She almost spat out the porridge that she had eaten earlier on.

She waved her hand and gave up on this tactic.

She leaned weakly into Yu Yuehan’s embrace and admitted her fate.

“I have indeed forgotten your birthday. Let Me Apologize to you. What birthday present do you want? I will make it up to you, Alright?”

“Alright.”

Yu Yuehan seemed to have been waiting for this sentence, so he agreed without hesitation.

Before Nian Xiaomu snapped back to her senses, he carried her in his arms and turned around to head upstairs.

“It’s still broad daylight. Why are you carrying me upstairs? Yu Yuehan, I am not sleepy now. The Doctor said that it is not suitable to exercise excessively even if you are in the middle of pregnancy. If you were to act recklessly, I will scream...”

As Nian Xiaomu frantically warned him, she was steadily placed on the bed in the master bedroom by Yu Yuehan.

Yu Yuehan propped his arms above her and stared fixedly at her bulging belly with his deep, dark eyes.

Nian Xiaomu did not notice his gaze and wanted to get up as soon as she touched the bed.

“Don’t move.”

Yu Yuehan suddenly opened his mouth and placed his hand gently on her belly.

“You’re bigger now. Do you think that the baby can hear me now?”

“... Yes, it can hear me, but it definitely won’t understand me,” Nian Xiaomu said honestly.

The baby was in its mother's stomach, so it wasn't completely oblivious to the outside world. However, the effect of the audio on them would not be the same as that of a newborn baby.

"Does it know that I am its father?" Yu Yuehan asked again.

Chapter 2084: The rest of my life is long. I am lucky to have you! (32)

His pious tone sounded like someone who had come to pray.

Nian Xiaomu did not relax her tensed nerves and felt that Yu Yuehan was acting strangely.

She swallowed her saliva and replied.

"... he probably doesn't know."

"That's not right. I feel that he knows." As Yu Yuehan spoke, he moved his hand on Nian Xiaomu's stomach again.

He called out for the baby.

As if to verify what he had said, Nian Xiaomu could clearly feel the baby in her stomach move.

Although it wasn't very obvious, it did move.

Nian Xiaomu took the opportunity to speak.

"Yes, yes, yes. The baby knows that you are Daddy. If you bully me now, it will definitely know that you are the one who made it uncomfortable. The baby will hold a grudge!"

"..."

Yu Yuehan looked at her suspiciously.

Nian Xiaomu hurriedly raised her hand and made an oath.

"I swear on my integrity that everything I said just now was the truth."

"You have no integrity."

Yu Yuehan ignored her oath

Nian Xiaomu: "..."

Young Master Han, I'm afraid that you don't want a wife anymore, right?

Nian Xiaomu glared at him angrily until her eyes were sore. When she realized that Yu Yuehan was not looking at her at all and was still studying her stomach, she was suddenly a little angry.

She poked his shoulder lightly with her finger.

She pouted her lips.

"Hey, it's my fault for forgetting your birthday. You Don't have to torture me like this. Just tell me what birthday present you want. If you continue to Dawdle, I will regret it..."

“Nian Xiaomu, I have thought of my son’s name.” Yu Yuehan opened his mouth suddenly.

This sudden sentence stunned Nian Xiaomu instantly.

What was that?

He was talking about his birthday present. What name was he talking about?

Yu Yuehan raised his head, and a serious glint flickered in his deep black eyes.

He enunciated each word carefully.

“Our son’s name is not da Shun. I have already thought of his name. Do you want to know?”

“...”

Nian Xiaomu almost blurted out his name.

However, the moment she opened her mouth, she suddenly realized that it was a trap.

She had yet to agree to let him pick her son’s name, and he was already trying to trick her?

It wouldn’t be that easy.

Nian Xiaomu took a glance at him and did not say a word.

She only hinted at him with her eyes, so she could tell him about it.

“I will only tell you if you promise me first.” Yu Yuehan was also trying to keep her guessing.

“If you don’t want to tell me, then so be it. I am not very curious either. Great Shun is also pretty good. It just so happens that he is with Xiao Liuliu... MMM!” Before Nian Xiaomu could finish her sentence, someone had already blocked her mouth.

Yu Yuehan kissed her fiercely.

He blocked her mouth with words that she had deliberately provoked.

He licked his thin lips with a wicked smile on the corner of his mouth.

“Are you still trying to anger me on Purpose?”

“...”

Nian Xiaomu glared at him angrily. Suddenly, something flashed past her mind, and a crafty look flashed across her eyes.

“I’ll let you name your son. Do you want to forget about the birthday present?”

“Okay.”

Yu Yuehan agreed without hesitation.

It was so fast that Nian Xiaomu felt as if she was hallucinating.

She stared at him blankly and felt that he was a little strange today.

Based on her experience, why would he use such a chance to do whatever he wanted to do in such a serious matter like naming his son?

Was he the fake Yu Yuehan?

Nian Xiaomu looked at him worriedly and reached out to pinch his face.

She only heaved a sigh of relief after she was certain that she could not tear off a human skin mask.

She stared at his extremely handsome face and asked,

“If you give birth to a son, what will his name be?”

“Yu Muyang, Yu Yuehan’s Yu, Nian Xiaomu’s mu, and Ocean’s Yang.”

His surname, her first name, and ocean, the place where life was born, indicated that this child had unlimited possibilities in his life.

Chapter 2085: The rest of my life is long. I am lucky to have you! (33)

When Yu Yuehan read out this name, his gaze was fixated on Nian Xiaomu.

His eyes were filled with a deep affection that could not be dispelled.

Nian Xiaomu was stunned for a few seconds before she recovered from the shock of hearing this name.

She chewed on this name carefully.

“Yu Muyang...”

He wasn’t teasing her. He had really thought about their son’s name seriously.

He had named their son after her name.

Yu Mu... yang.

Could it be interpreted as Yu Yuehan Loving Nian Xiaomu?

She liked this name.

She was deeply shocked the moment she heard this name.

Her eyes turned red when she met Yu Yuehan’s dotting gaze.

She took the initiative to wrap her arms around his neck and kissed him.

“Hubby, I love you. Also, Happy Birthday!”

She should not have doubted his intentions.

This man would always inadvertently touch the softness in the depths of her heart, causing her to be unable to stop.

It made her love him more and more.

“It’s good that you like it. My Son will definitely like it too,” Yu Yuehan said confidently.

After all, compared to the name “Yu Dashun,” which sounded like a name given by a phone bill, a child with no problems with his IQ would prefer “Yu Muyang.”.

Yu Yuehan caught the emotions in her eyes as well as her body that was gradually relaxing. The corners of his lips curled up into a triumphant smile.

He took the opportunity to kiss her lips.

His large hand also easily untied the maternity dress that she was wearing the moment she was distracted.

She planted a gentle kiss on her round belly.

The coldness in the air caused Nian Xiaomu to snap back to her senses!

However, it was too late!

She had been careless and had lost Jingzhou. Someone had taken the initiative and it was already too late for her to escape..

“Yu Yuehan, how can you ask for a birthday present twice? You are cheating!”

“Am I? I gave you my son’s name as a present, and you are my birthday present. There is nothing wrong with that.”

Nian Xiaomu:”...”

If she continued to believe him, she would be a pig!

—

Time passed very quickly.

The day of Tang Yuansi and Fan Yu’s wedding arrived very quickly.

The wedding that was jointly organized by the parents of both parties was grand and luxurious.

Shangxin had initially hoped that the wedding would be simpler. However, Shang lingsi only had a daughter, so how could he bear to see his beloved daughter suffer?

Furthermore, Tang Yuansi had always felt that he owed her and wanted to give her a grand wedding of the century.

Hence, the two of them had the same idea. The wedding preparations had completely exceeded Shangxin’s imagination..

Fan Yu and Qiao Yuanfei had the same idea.

It was simple to hold an open-ended wedding so that everyone could gather together and have some fun.

In the end, when grandfather fan heard about the Tang family and the Shang family’s wedding, he refused to agree to their “Simple”request no matter what.

Of course, it would be best if the two families held the wedding together at the same time.

They could not allow Tang Yuansi and Shangxin to hold the wedding in such a grand manner and let them do whatever they wanted.

“Everything else can be discussed, but Feifei must not be wronged. Both of you should take good care of Fan Fan. Leave the wedding to grandfather!”

The old man patted his chest and took on the task.

In the end, he discussed with Shanglingsi and the scale of the wedding went up another notch.

In the end, it was an air wedding.

Rose petals were scattered all over the church, the beautiful grounds, and helicopters flew in and out of the sky..

It became a rare sight in the entire City H.

The Handsome Groom, the beautiful bride, the big guests attending the wedding, the celebrities in the business world... overnight, it became a persistent topic in the industry.

No one can compete with the spotlight!

Chapter 2086: The rest of my life is long. I am lucky to have you! (34)

Tang Yuansi and Fan Yu were both the bridegroom and the best man of each other's wedding ceremony. Along with Qi Yan and Tan Bengbeng, Mo Yongheng and Zheng Yan rushed back to attend the wedding ceremony.

The group of people who rarely gathered together got drunk when they were happy.

When they hugged each other and sang “Happy marriage” and “Brothers” in the end, the five men were so touched that they almost burst into tears.

Fan Yu and Tang Yuansi were the last to get married and had the deepest feelings. They almost held their wine glasses and took the microphone to the podium to sing for everyone.

If it were not for Shangxin and Qiao Yuanfei, who could not afford to embarrass themselves and forcefully dragged them along, they would probably wait for the wedding to be over before the headlines came out tomorrow.

The two male gods in City H would be reclassified as male gods..

They could not afford to offend them!

After the wedding was over, the happiest people were not Tang Yuansi and Fan Yu, but Yu Yuehan.

Just as all the major media outlets were crazily reporting on the wedding and the headlines of the massacre...

In the Yu family's villa.

After Yu Yuehan had a hangover, it was rare for him to wake up so early in the morning.

As if something good had happened, he hummed and sang as he went downstairs with a smile on his face.

Upon closer inspection, he saw that Tang Qianqi was still sleeping in his arms.

Little Qi's soft and squishy little body was curled up in his swaddling clothes. His beautiful eyes were tightly shut, and his small hands were clenched into fists as he placed them beside his handsome little face.

He looked extremely adorable when he was asleep.

Yu Yuehan carried him downstairs and immediately called for the butler.

"Is the pram ready?"

"Yes, it's ready. This is the pram that President Tang used when he sent Xiao Qi here. There are also the necessities that were placed on the pram at that time."

The Butler pushed a pram forward and reported respectfully.

"Shh, be gentle. Don't wake him up."

Yu Yuehan was rarely gentle as he gently placed the baby in his arms into the pram.

He changed his diapers for him.

He even took the initiative to brew a bottle of milk for him.

The Butler was stunned when he saw Yu Yuehan acting like a stay-at-home dad.

He wanted to ask him if he was really young master Han.

In the end, when he saw Yu Yuehan lower his head and kiss the little qilin, the butler almost poked his own eyes until he heard Yu Yuehan laugh out loud and show off at the sleeping baby with an evil look on his face.

"Little Brat, you are going to get lost today. Uncle Yu is in a good mood, shall I sing you another song?"

The Butler:"..."

That's right, this was his young master Han.

He was three years old indeed.

Yu Yuehan helped the Kirin pack his luggage. Very quickly, he turned his head and looked at fan fan behind him.

He gave him a loving yet sinister smile.

"Fan fan, it's your turn..."

Fan Fan:"..."

Fan Fan did not wait for him to make a move. He got down from the sofa and was about to turn around and go upstairs to pack his luggage.

Just as she took a step forward, Yu Yuehan grabbed her collar.

Yu Yuehan carried her back and allowed her to sit on the sofa.

He turned around and instructed the butler to pour him a glass of milk.

He touched his head and said,

“All of you are my biological sons today. Sit here obediently and don’t go anywhere. Uncle Yu will personally pack your luggage for you. He will definitely pack everything for you so that you won’t have an excuse to come back!”

After Yu Yuehan finished speaking, he floated upstairs happily.

After a short while, he carried a small suitcase downstairs.

He pushed it to the side of the stroller.

He clapped his hands in satisfaction.

“The beautiful life is about to begin!”

He needed to think carefully about what wine he would open to celebrate after sending these two little devils away.

He remembered that he had a bottle of premium red wine that he had treasured for many years. It was perfect for celebrating this perfect moment..

Chapter 2087: The rest of my life is long. I am lucky to have you! (35)

Just as Yu Yuehan was about to get the butler to fetch the wine, he turned around and saw Nian xiaomu holding Xiao Liuliu’s hand as they came downstairs.

Xiao Liuliu had just woken up.

She was in a daze as she rubbed her eyes with her little fists.

When she walked downstairs, she saw that fan fan and Qi Qi were in the living room. They climbed onto the sofa as well and laid down beside fan fan and continued to laze on the bed.

Nian Xiaomu placed her hands on her waist and stood in the middle of the living room.

Her gaze swept past the eye-catching pram in front of her, and she took another glance at the luggage beside the pram.

The corners of her mouth twitched slightly.

Why didn’t he sleep early in the morning just to get up and tidy up this mess?

“Yu Yuehan...”

“Why are you up as well? It’s still early. If you feel tired, you don’t have to stay here and accompany me to sleep.” Yu Yuehan strolled forward and opened his mouth in an extremely considerate manner.

Actually, he was afraid that Nian Xiaomu would not agree to let him send the two brats away.

“Oh right, I forgot about something more important.”

Yu Yuehan suddenly turned around and went upstairs. In less than a minute, he carried a thick stack of documents down and placed them on fan fan’s luggage.

He took a step back satisfactorily.

“The two brats and the contract with the Fan Corporation. In another ten minutes, when they are all sent away, only the four of us will be left with a happy life.”

Yu Yuehan pulled Nian Xiaomu into his embrace.

He helped her to pull up her long hair that had fallen to the side of her temples and exhaled in a charming manner.

“Honey, Tang Yuansi and Fan Yu’s wedding has already ended. It’s only right for you to take care of your own children. You Won’t object to me, right?”

Nian Xiaomu:”...”

She did not object, but..

Nian Xiaomu took a glance at his happy face and hesitated to speak.

Yu Yuehan thought that she was reluctant to part with fan fan and Qi Qi, so he automatically ignored her.

He looked anxiously at the clock on the wall and waited for the time that he had agreed upon with Tang Yuansi and Fan Yu at the wedding yesterday to arrive.

Time ticked by.

Finally, it was the moment that Yu Yuehan had been looking forward to the most.

It was already eight o’clock!

According to their agreement, Tang Yuansi and fan Yu should have come personally to pick up their son at this time and leave his villa smoothly and swiftly!

“Young Master Han, no one is outside.”

The Butler reminded him carefully.

“HMM? That’s impossible. It should be the traffic jam on the road. It’s understandable that it’s during the morning rush hour.”Yu Yuehan was stunned for a moment before he quickly calmed down.

Nian Xiaomu wanted to say something, but Yu Yuehan quickly covered her mouth with his hand.

“Don’t say anything else. I know what you want to say. If you can’t bear to part with them, we can go and visit them anytime. There’s no need to leave them at the Yu family villa. Really, children wish to stay by their parents’ side. I am doing this for their own good.”

“...”

Nian Xiaomu looked at the sky helplessly.

That was not what she wanted to say.

After another ten minutes, no one appeared outside.

Yu Yuehan furrowed his brows. Just as he was about to call Tang Yuansi and Fan Yu, the butler shouted excitedly.

"They're here, they're here! Young Master Han, someone is here!"

"Cough, cough!"

Yu Yuehan pretended to be calm and walked forward without changing his expression.

However, he realized that the people who had come were not Tang Yuansi and Fan Yu.

A strange feeling flashed across his heart.

Then, he thought about it again. Yesterday was their wedding night. Perhaps they were too tired to get up, so he had asked his assistant to come and pick them up.

The details were not important.

As long as he could take these two brats away from his villa, he did not have to force them to thank him in person.

"This is Qi Qi's luggage and this is fan fan's. Don't make a mistake if either of you take the other's luggage..."

Chapter 2088: The rest of my life is long. I am lucky to have you! (36)

"Young Master Han, I am not here to pick up the child," one of them said.

"Neither am I." the other person followed suit.

As soon as the two of them finished speaking, the living room seemed to have fallen into a strange spell.

The sudden silence caused everyone's hearts to thump.

This continued until Yu Yuehan's deep voice broke the silence.

"What did you say? Say It again."

Upon hearing this, Tang Yuansi's assistant stepped forward first and braced himself to speak.

"President Tang has already booked the earliest flight out of the country for his honeymoon with young mistress today. He said that he won't be back for a month, and he would like to trouble all of you to take care of young master for a period of time..."

"Young master fan is the same."

Fan Yu's assistant hurriedly added on.

Yu Yuehan:"..."

Yu Yuehan's body instantly stiffened, and the smile on his face froze as well.

After being stunned for half a minute, he suddenly laughed.

"This must be a little trick that Tang Yuansi and Fan Yu did together, right? Do you think that you can trick me just like that? I don't believe it."

Yu Yuehan took out his phone from his pocket and was the first to call Tang Yuansi.

"The number you have dialed is switched off. Please try again later..."

The mechanical announcement made his face instantly turn gloomy.

However, on second thought, it might just be a coincidence.

There was also fan Yu..

Very soon, he dialed fan Yu's number again.

The same notification sound could be clearly heard over the phone.

This time, Yu Yuehan hung up without hesitation and called his assistant to ask him to check the flight out of the country this morning.

Very soon, the results were out.

"Young Master Han, President Tang and young master fan have indeed left the country. Just an hour ago, I'm afraid that they are all on the plane now..."

Yu Yuehan could no longer hear what the assistant said after that.

His handsome face was covered in a layer of haze.

He gritted his teeth and said,

"Tang yuansi -"

"Fan Yu -"

"You guys are dead meat!"

-

On an international flight.

"Achoo!"

"Achoo!"

Two handsome men, who were dressed appropriately, suddenly sneezed one after the other.

Following which, they turned around and hugged their sleeping wives as if nothing had happened before they continued to sleep.

The days when they did not have a burden on them were as lively as a fairy..

—
Some of them were elated while others were miserable.

Yu Yuehan, who was in high spirits, locked himself in the study room after he chased away the two assistants.

Nian Xiaomu was worried that he might not be able to take things lying down, so she went to the study room to coax him.

She opened the door and spoke immediately.

“Actually, it’s not too bad that fan fan and fan qi stayed in the Yu family villa for more than a month.”

“It would be more lively if there were two more children in the villa. Grandma likes them very much. Can you treat them as filial grannies?”

“Think about it from another perspective. Tang Yuansi and fan Yu left the children to us because they trusted us.”

“Eh!”

Nian Xiaomu was rambling on for a long time. When she lifted her head, she realized that the person at the desk was not looking at her at all.

Yu Yuehan’s expression was the same as usual, and he did not look like he was in trouble at all.

He had been staring at the computer in front of him the entire time.

“What are you looking at?” Nian Xiaomu leaned forward curiously.

On the computer screen, the enrollment information of the kindergartens was overlapped.

Yu Yuehan was choosing a kindergarten.

Could it be that he was thinking of..

“Fan fan is already five and a half years old. I heard that he is already in kindergarten overseas. He can’t stay away from school after returning to China. I have already taken good care of him.”

Yu Yuehan grabbed the computer screen and turned in the direction of Nian Xiaomu.

She tapped on the screen of a kindergarten.

“This international bilingual full-care kindergarten is the most suitable for him. It has a high level of education, and most importantly, it is far away from Xiao Liuliu’s Kindergarten!”

Nian Xiaomu: “...”

It was one thing for it to have a high level of education, but what was the reason for it to be far away from Xiao Liuliu’s Kindergarten?

Shouldn’t the two children be together since they were both in kindergarten?

Could it be that he had been overly stimulated and had become a fool.

Nian Xiaomu licked her lips and asked cautiously.

“What about qiqi? Qiqi is still a baby in swaddling clothes. Even if you were to send him to kindergarten, no kindergarten would be willing to accept him!”

Nian Xiaomu spoke first, afraid that Yu Yuehan would say that they would be sent to kindergarten together.

In the end, Yu Yuehan looked at her coldly and opened his thin lips slightly.

“I’m not stupid.”

Nian Xiaomu:”...”

She was too silly and naive.

Then, how was he going to deal with Qiqi?

Yu Yuehan leaned back in his chair and opened his mouth calmly.

“Didn’t president Shang not like his grandson very much? It was such a good opportunity to nurture a relationship between the two of them. At the same time, he wanted President Shang to know how Tang Yuansi usually mistreated his grandson, killing two birds with one stone!”

“...”

Nian Xiaomu did not know what to say anymore.

Yu Yuehan, who was experiencing extreme joy and sorrow, turned into a devil.

She felt like praying for Tang Yuansi.

She had never been liked by her father-in-law, and now that she had been stabbed twice by her brother, she hoped that he would be able to stay strong and live on when he returned from his honeymoon.

May God bless you, Amen!

Yu Yuehan spent a day to make arrangements for fan fan and Qi Qi.

Worried that Xiao Liuliu would not be used to the sudden loss of playmates, Yu Yuehan sent Xiao Liuliu to kindergarten on the same day that he sent the two devil kings away.

Three places for the three children.

In the Yu family villa, Yu Yuehan was the only one lying comfortably on the sofa.

He stroked Nian Xiaomu’s belly and waited for her to give birth in peace.

Nian Xiaomu’s first birth was a caesarean section.

Furthermore, due to the accident at that time, there were other parts of her body that had not recovered well from the wound.

As she grew older, she appeared to be much more careful than an ordinary pregnant woman.

Before the due date had arrived, Yu Yuehan had already accompanied her to the hospital.

Qi Yan and Tan Bengbeng had also returned to city h ahead of time.

Tan Bengbeng was only pregnant a month later than Nian Xiaomu. Since she was pregnant, it was inconvenient for her to bend over.

Since she was unable to take care of Nian Xiaomu personally, she could only be anxious at the side.

“With Qi Yan around, and the Doctor said that the baby’s condition is very good, you can perform the surgery ahead of time if you really can’t. You Don’t have to be too nervous.”

Nian Xiaomu was in a very optimistic state of mind and instead comforted Tan Bengbeng.

Tan Bengbeng was the one who knew her physical condition the best. Although she did not say anything when she heard what Nian Xiaomu said, the worry in her eyes did not disappear.

Premature babies were not easy to take care of.

Nian Xiaomu would not have operated on them if she had no other choice.

However, the risk that she would have to take would be much greater.

How could Tan Bengbeng not be worried?

If Qi Yan had not stopped her, she would have already packed her luggage and moved to the hospital to stay with Nian Xiaomu.

In any case, the due date was more than a month away. It was still uncertain who would be the husband.

“My ancestors, I promise that Nian Xiaomu will be fine. Calm down and don’t scare our baby.” Qi Yan held onto her and coaxed her nicely.

Compared to Yu Yuehan, his nervous look was even more intense.

He and Tan Bengbeng had not managed to keep their first child, so they could not afford to have any more accidents.

“The one in danger now is Xiao Mumu. Why are you staring at my stomach?” Tan Bengbeng had a helpless look on her face.

Qi Yan did not care. When he saw that she was agitated, he turned around and brought a chair over for her so that she could sit down first.

The world was big and the wife and child were the biggest.

In front of Tan Bengbeng, he repeatedly confirmed Nian Xiaomu’s condition with the obstetrician and the surgical plan that needed to be prepared..

After settling everything, Tan Bengbeng left the hospital with Qi Yan with ease.

After sleeping for less than six hours, they rushed to the hospital to accompany Nian Xiaomu the next morning.

When Qi Yan entered the room, half of his body was leaning against the door frame.

He drifted in while yawning.

Looking at the two women who had gathered together and started to talk about their children as if they did not exist, Qi Yan rubbed his handsome face and floated to Yu Yuehan's side.

"Brother, to be honest, do you feel a little uneasy when you see this scene?"

Qi Yan whispered.

After confirming that Tan Bengbeng and Nian Xiaomu could not hear him, he continued.

"I am a little worried that after Nian Xiaomu has given birth, Bengbeng will suddenly tell me that the person she truly loves in her heart is her Xiao Mumu and ask me to divorce her."

Yu Yuehan:"..."

"To tell you the truth, when we were on our honeymoon outside, there was once when she was angry with me and I intentionally took a cold shower to catch a cold. Initially, I thought that she would be very anxious when she saw that I was sick and would ask after my well-being. I took the opportunity to pretend to be pitiful and coax her so that the two of them could reconcile. In the end, did you know? She ignored me the entire time. When she saw that I was on the verge of death with Snot running down my nose, she even laughed at me coldly and said, 'If you're sick, you won't take your own medicine. Are you retarded?' look at how Nervous Nian Xiaomu is right now. To be honest, I'm a little jealous and my heart hurts a little."

Qi Yan leaned on Yu Yuehan's shoulder and looked like he was seeking comfort.

Yu Yuehan glanced at him and scoffed.

"I can't empathize with her. My wife loves me very much. When I was sick, she was more anxious than anyone else. We Are Different."

Qi Yan:"..."

Qi Yan was still struggling. "Haven't the two of you ever quarreled when you were together?"

Yu Yuehan pondered for a moment and nodded.

"Yes."

Qi Yan instantly regained his balance. Before he could be happy for too long, Yu Yuehan added another sentence.

"But my wife will coax me. She can't bear to let me be angry for too long."

Qi Yan:"..."

Why did he have to talk about this with Yu Yuehan?

Couldn't he just live a good life?

The legendary daughter-in-law of another family..

"I don't believe it!"

"What do you not believe?" When Tan Bengbeng heard his voice, she subconsciously raised her head and looked at them.

Qi Yan was about to say that it was nothing, but Yu Yuehan had already beat him to it and opened his mouth slowly.

"He's complaining to me that you don't care about him. This person's thoughts are a little dangerous!"

Tan Bengbeng:"..."

Qi Yan:"..."

"Yu Yuehan, you bastard!" Qi Yan cursed in a low voice and jumped up in a hurry to explain to Tan Bengbeng.

However, after hearing his words, Tan Bengbeng was about to hit him with a backhand.

"You still have the nerve to say that? You're already such an adult. When you're unhappy, you intentionally make yourself sick to gain sympathy. Do you think I'm Blind? Didn't I see that you deliberately adjusted the temperature of the water when you were bathing? "You like to get sick so much. You deserve to die of illness. If I coax you, you'll do this every day from now on. If anything really happens, what will happen to me and the baby?"

Tan Bengbeng was angry at first, but as she spoke, she suddenly felt a little wronged.

Her eyes turned red as she stared at Qi Yan.
