

My Life 2401

Chapter 2401: The super genius lurking around (11)

Yu MUYANG had applied for leave.

For the first time in his life, those who had never missed a class during their enrollment did not go to the classroom to sleep. Instead, they applied for leave.

“Hiss —”

“Brother Yang, don’t move. Don’t move at all. Let me take a good look.” Fang Ji pinched Yu MUYANG’s chin with one hand, turning left and right, in the end, he came to a conclusion. “This punch was definitely practiced. It was just right, right in the middle of the eye. It didn’t deviate at all, and it definitely didn’t show any mercy...”

“Shut up. be quiet and apply the medicine for me.” Yu MUYANG pushed his hand away and glared at him unhappily.

Just as he moved, his left eye squinted in pain again.

He couldn’t help but curse softly.

When he watched TV dramas chasing girls, didn’t they always hold hands and kiss each other whenever there was a disagreement? Why was it that after holding hands for so many years, he was instantly beaten up into a one-eyed man with just a kiss on the lips.

“Brother Yang, I tried my best. Take a look for yourself.” Fang Ji put down the medicine and raised a small mirror to stand in front of Yu MUYANG.

Yu MUYANG raised his head to take a look.

His fair and handsome face was still beautiful, but there was a bruise on his left eye. It looked like a color palette that had been teased by a child. It was as comical as it could be.

Yu MUYANG reached out and pressed on it. It was so painful that she took a deep breath.

“Is this medicine useful? It’s been a few days, why is the swelling still not reduced?” Yu MUYANG reached out to take the medicine bottle from Fang Ji’s hand. She glanced at the description on it and asked in disdain.

“It’s only been three days. You Can’t tell the extent of the injury to your eyes at all. I’m afraid it won’t do for at least ten days to half a month,” Fang Ji said slowly. After saying that, he realized that Yu MUYANG was glaring at him, so he quickly changed his words.

“Actually, it’s not too bad. You’re pretty enough. It’s just a small injury to your eyes. It’s not a big deal.”

Yu MUYANG: “Really? Touch your conscience and say it.”

Fang Ji: “...” he couldn’t say it out loud.

The whiter a person's skin was, the more obvious the injury would be.

Yu MUYANG belonged to this type.

His skin was delicate. Although he was very fair, he didn't look feminine. Instead, it made his exquisite facial features look even more charming.

Now, his eyes were bruised, like a blemish on a perfect jade.

No matter how he looked at it, he felt uncomfortable.

Not to mention Yu MUYANG, if it was fang ji, he would probably ask for leave as well.

In case he had to face the gazes from all directions, he would not be able to explain himself.

Besides, there was no way to explain this matter.

He could not tell everyone that he had secretly kissed the girl he liked and was punched by her..

"PFFFT –"fang ji couldn't help but laugh out loud.

When he came back to his senses, he quickly covered his mouth.

He found an excuse to leave the dormitory.

A few seconds after he left, he came back and shouted excitedly, "Brother Yang, brother Yang, hurry up and get up. Someone is looking for you!"

"I don't want to see anyone. You Don't have to comfort me. I don't need to be comforted."Yu MUYANG's heart was like dead ashes as she fell onto the bed. She reached out to pick up the mask that was placed by the bedside and covered her face.

She was too ashamed to see anyone.

Fang ji was stunned. He suddenly took a step forward and walked to Yu MUYANG's bedside. He reached out to remove his mask. "It's Qi Rou. A classmate just came up from downstairs and said that she was standing right below our dormitory. It seems like she's here to look for you!"

"I said I don't want to see... who are you talking about?"

Yu MUYANG reached out and wanted to snatch back her mask. When she heard Fang Ji's words, her body froze.

He had forgotten to take back the mask that he had obtained.

When he realized what Fang Ji had said, he jumped up from the bed.

He ran out of the dormitory in his slippers!

Chapter 2402: The super genius lurking around (12)

After dashing out of the door for three seconds, he rushed back.

He kicked off the slippers on his feet and also changed the wrinkled shirt on his body. With a shake of his body, he was the young man who could charm people to death with a smile.

“Don’t wait for me for dinner. I have an appointment.” Yu MUYANG smiled with a smug look on his face.

Fang Ji was stunned. He pointed at the bruise on his left eye and kindly reminded him, “Didn’t you say that you don’t have the face to see anyone now and that you need to go into seclusion to reflect on yourself?”

“That was a minute ago. Now, I take back what I said before and add one more thing. A man’s appearance is not important. I’m relying on his inner qualities!” Yu MUYANG closed the dormitory door and disappeared in the blink of an eye.

Leaving behind a dull Fang Ji, he rubbed his nose in a daze and whispered, “A fickle man is scarier than a woman.”

Downstairs of the male dormitory.

Yu MUYANG rushed to the first floor in one breath. Before he could run out, he had already seen Qi Rou standing beside the flower bed outside.

She was wearing a white knitted shirt paired with a dark green dress. The hem of her dress swayed gently in the breeze.

There was no makeup on her clean face.

A pair of pure eyes were looking up at the window of the high-rise building.

Yu MUYANG could tell at a glance that she was looking in the direction of his dormitory.

Qi Rou was really looking for him!

This realization made Yu MUYANG’s mood soar again.

Even her footsteps were a little unsteady. She floated out of the dormitory building and floated in front of Qi Rou.

“Xiao Rou, are you looking for me?” Yu MUYANG stopped in front of her and called out softly.

As he thought of something, he raised his hand and pressed on his left eye. The bruise around his left eye made him look weak and pitiful.

Not to mention Qi Rou, there were many students who stopped in their tracks and sized up Yu MUYANG who was “Disfigured”.

“... does it still hurt?” Qi Rou licked her lips and asked guiltily.

Before she could finish her sentence, Yu MUYANG had already smiled and replied quickly, “No, it doesn’t hurt at all. It’s just a punch. I usually get beaten up by my dad, so this little injury is nothing.”

He spoke very quickly, as if he had already prepared his speech.

However, such a smile and indifferent words, coupled with the obvious scars on his face, made Qi Rou feel that he was trying to comfort her on purpose.

Hence, Qi Rou felt even more guilty.

At that time, it was just her instinctive reaction, but she seemed to have hit him too hard..

“I’ve prepared some medicine for you. You can use this to help you recover faster.”

Qi Rou had been holding a small bottle of ointment in her hand the whole time. After she finished speaking, she passed it to Yu MUYANG.

Yu MUYANG reached out to receive it. After receiving the ointment, she even held her hand in passing.

She realized that her fingertips were a little cold, so she covered it for her. At the same time, she reminded her, “The main door of this dormitory building is facing the vent. Next time you come to look for me, remember to call me in advance. Don’t wait down there. Be careful not to catch a cold.”

“...”

“I’m a little hungry. I’ve been eating takeout for the past few days, and I’m a little tempted to eat the dishes from the restaurant last time. Can you accompany me?” Yu MUYANG held her hand and refused to let go.

He pulled her to his side and took the opportunity to take her hand and put it into his pocket.

It looked like she was holding his arm and snuggling in his embrace.

Many people who passed by them stopped in their tracks and took photos in shock when they saw this scene.

Qi Rou felt the warmth and strength from his palm and instinctively wanted to pull her hand back. However, she heard Yu MUYANG suddenly speak with an apologetic and cautious tone, “Xiao Rou, we’re back together, okay?”

Chapter 2403: The super genius lurking around (13)

Okay?

Qi Rou was stunned. She lowered her gaze and stared at the hand that he was holding tightly. Her gaze was a little lost. “I’m not angry. I thought you were angry.”

Yu MUYANG: “...”

“I didn’t hit you on purpose that day. I just subconsciously hit you back.” Qi rou blinked her eyes and explained seriously, “I know you didn’t do it on purpose. It’s just that I didn’t control myself and hit you like this...”

Qi rou pointed at the bruises around his eyes and a trace of heartache flashed past her eyes.

After she finished speaking, Yu MUYANG was dumbstruck.

After a while, he came back to his senses. The first thing he did was to want to die.

He took the first step with great difficulty and mustered up the courage to kiss the girl he liked. In the end, she actually felt that he didn't do it on purpose?

He did it too deliberately!

Please don't explain for him. He was really acting like a hooligan.

"Xiao Rou, what if... I mean what if... I did it on Purpose?" Yu MUYANG tightened her grip on her hand. Her voice was slightly hoarse, as though she was teaching a child, she explained patiently, "Just like how I'm holding your hand now. If it were someone else, would you let someone else hold your hand?"

"..." Qi Rou didn't say anything, but a hint of resistance flashed past her eyes.

She did not like strangers holding her hand.

Perhaps even she did not realize that she did not like to have physical contact with others, except for Yu MUYANG.

"A person can only lose control of himself when facing the person he likes. Just like how you only let me hold your hand, I only want to kiss you alone. Do you understand this feeling?" Yu MUYANG asked a little nervously.

Wasn't his confession very straightforward to this extent?

Yu MUYANG waited for a few minutes. Seeing that Qi Rou did not say anything, he almost blurted out that he liked her. The next second, he heard Qi Rou say, "So, the fact that I only like you holding my hand means that I like you, right?"

Yu MUYANG: "..."

What was going on?

Wasn't he supposed to like her?

Why did she come to the conclusion that she liked him.

Wait, she liked him holding her hand?

Yu MUYANG raised her head and looked at Qi Rou as though she had just won the lottery.

Her face was filled with disbelief.

His little wife actually said that she only liked him holding her hand. He was too touched..

If her expression wasn't so blank, he would be even more touched.

Yu MUYANG was afraid of scaring her, so she lowered her voice and opened her mouth slowly. "Xiao Rou, I like holding your hand and wanting to kiss you. It's all because I like you. Do you understand what it feels like to like you alone?"

"..." Qi Rou pursed her lips and shook her head.

Then, she said, "My dad said that you can't let boys kiss you."

Yu MUYANG said, "I'm not casual. I'm very serious. I like you very seriously, and when I kiss you, I'm also very serious."

He had only liked one person in his entire life.

He had even pursued her for so many years. Was it easy for him?

If she rejected him, he might start to doubt his life.

When Yu MUYANG thought of this, she reached out and grabbed Qi ROU's shoulder. Qi ROU was restrained and subconsciously grabbed his wrist, wanting to give him a shoulder throw.

The person who reacted and grabbed her was Yu MUYANG, but he stopped again.

"Xiao ROU, you actually have me in your heart." Yu MUYANG took in all of her reactions and the corners of his lips curled up slightly. His gaze became gentle. "Let's go out, Alright?"

Qi ROU looked up at him and hesitated for a few seconds before opening her mouth faintly. "Not good."

Yu MUYANG: "???"

Chapter 2404: The super genius lurking around (14)

"You failed your professional course, and you love to be late for class... if Uncle Yu finds out about this, he will definitely be very angry. Unless you can pass your next exam, I won't like you anymore," Qi ROU said seriously, she turned around and left coldly.

Yu MUYANG was left stunned on the spot.

If she liked him, she liked him. How could she not like him just because she failed the next exam? How could this be considered liking him?

Wait a minute, what did she just say?

If he passes the next exam... Yu MUYANG suddenly reacted and shouted at Qi ROU's back, "Xiao ROU, you can't go back on your word. If I pass the next exam, you will be my girlfriend!"

His voice was so loud that almost everyone in the male dormitory building heard it, let alone Qi ROU who had just walked out.

Therefore, not long after, everyone in the female dormitory building also knew about it.

The power of gossip was so great that it was unimaginable.

The next day, when Yu MUYANG entered the classroom on time with a bruise on his left eye, the classroom was filled with gasps.

Many people exclaimed that the power of love was truly terrifying!

“If a bad student can become a straight-a student because of love, then it can be considered an inspirational story for K University.”

“I don’t think so. Yu MUYANG usually doesn’t even listen to class. Is it useful to cram at the last minute?”

“In my opinion, regardless of whether it’s useful or not, old Ji should treat our Qi Rou to a meal and silently solve a huge problem for him. Now, Old Ji no longer has to worry about anyone in our class being late, leaving early, and missing the evening self-study.”

“...”

In the classroom, during class break, the surrounding discussions were all about Yu MUYANG and Qi Rou.

Only Ge Yue was sitting beside Yu MUYANG. When he saw Yu MUYANG playing whack-a-mole on his phone, he nearly vomited blood.

He really wanted to call the surrounding students over to take a look.

What was the young master Yu, who was trying his best to catch up, doing at this moment.

There was no such thing as hard work. He was playing a game.

With Yu MUYANG’s ability, as long as he was willing, not to mention passing, he could even get full marks.

However, what was the operation of Whac-a-mole?

Could it be that this game had some mysterious operation that an ordinary person like him could not see through?

Ge Yue’s slightly plump body moved closer to Yu MUYANG’s side and asked humbly, “Brother Yang, you’ve been playing for a long time. Is there any mystery to this game?”

“No,” Yu MUYANG answered directly without even raising his head.

His hands were still controlling the hammer on the phone screen, accurately hitting the Gophers back one by one. It was fast and accurate!

Ge Yue felt that the hammer was right on top of his head, causing his scalp to go numb.

Until the end of the game, Yu MUYANG finally raised his head. “One of my brothers sent me this game. He said it’s suitable to relieve stress. The last time he asked his girlfriend to move in with him and was rejected, he relied on this to vent his emotions. I think it’s okay.”

Ge Yue: “...” she was rejected by her girlfriend and needed to vent her emotions. Since you weren’t rejected, what was there to vent?

Yu MUYANG saw his confusion and smirked. “I’m going to have a girlfriend soon. I’m happy.”

Ge Yue: “...”

Yu MUYANG: “Xiao Rou told me personally that she likes me to hold her hand and only likes me to hold her hand. You have no idea how obedient she looked at me when she said that.”

Ge Yue: “...”

Yu Muiyang: "Oh, she even told me that she wasn't actually angry when I kissed her because it was me and not anyone else. Do you understand?"

Chapter 2405: The super genius lurking around (15)

Ge Yue: "...he didn't understand, nor did he want to understand.

He was a single dog, why did he have to sit here and watch others show off their dog food?

"Ge Yue, to be honest, go find a good girl to fall in love with. You will find that as long as she smiles, life can become very beautiful," Yu Muiyang patted Ge Yue's shoulder and sincerely suggested.

Ge Yue could not feel the beauty of love. Right now, he only wanted to shut Yu Muiyang's mouth.

The cold dog food flapped wildly on his face. He was so bloated. BURP!

"Yu Muiyang, there seems to be someone looking for you outside." A classmate walked to their table and shouted.

Yu Muiyang looked up at the window and saw the person standing outside. His eyes narrowed slightly. Then, he closed his eyes, stood up as if nothing had happened, and walked out of the classroom.

The person who came to look for Yu Muiyang was Selection.

The moment Yu Muiyang confirmed that the other party had come to look for him, the corners of his mouth curled up into an evil smile. Very good. He had not gone to look for this guy with the surname Zhen, but Zhen had come first.

Selection and Yu Muiyang exchanged a glance. The two of them did not speak, but were silently competing with each other.

After a long while, when he heard the bell for class preparation, Selection was really not as calm as Yu Muiyang. He took the lead and said, "You're not suitable for Qi Rou. If you're with her, you'll only delay her."

"..."

The audition didn't look at Yu Muiyang's expression, he continued, "Perhaps in your world, you don't understand what responsibility is. You Can't even handle an exam. What can you give Qi Rou if you're with her? A stable life or a happy life? I'll tell you the truth. I like Qi Rou and I firmly believe that I'm more suitable for her than you are."

"..."

Yu Muiyang's lips curled into a cold smile as she silently looked at the person in front of her.

What was this?

Was he here to persuade her to leave or to demonstrate his power?

Yu MUYANG could tell that this fellow had ulterior motives from the first time she saw him personally deliver medicine to Qi Rou's dormitory.

A man's intuition was always surprisingly accurate when faced with a love rival.

"Why aren't you saying anything? Do you have nothing to say?" The audition couldn't wait for Yu MUYANG to speak, so he anxiously glanced at his watch.

The bell was about to ring, and if he didn't return to the classroom, he would be late.

"Who told you that I can't even handle a single exam?" Yu MUYANG slowly opened his mouth and leaned against the white wall outside the classroom. He crossed his arms, his posture lazy and noble.

The silent pressure emanating from his body surprised even the young master of the selection.

He had only dared to look for Yu MUYANG after he had investigated him. There was nothing special about Yu MUYANG in the information. His family background and academic records were all ordinary.

He had received an elite education since he was young. He had been praised and praised by his teachers and classmates along the way. He also had a strong family background to support him. There was no way he could be compared to Yu MUYANG.

The two biggest points on Yu MUYANG's resume were probably that no matter which school he went to, he would always be the school belle.

This included the fact that Yu MUYANG had snatched the title of school Belle from his hands when he had just arrived at K University.

Now, he was even one step ahead of him and had wooed the girl he liked..

Selection narrowed his eyes, he opened his mouth in disdain. "So what if you can really pass the exam this time? You still can't beat me. Compared to me, you're still too far away. Qi Rou will find out the difference between the two of you sooner or later."

"Are you in a hurry to go out today?" Yu MUYANG suddenly asked.

The random question stunned the selection.

The next second, Yu MUYANG walked up to him and smiled wickedly. "I forgot to take my medicine."

Chapter 2406: The super genius lurking around (16)

Selection: "..."

Yu MUYANG patted his shoulder sympathetically. "Paranoia is an illness. I advise you to see a doctor."

"Yu MUYANG, don't go overboard. I came to look for you today to give you face. Otherwise, do you really think that I want to have anything to do with a scumbag like you? If you were more sensible..."

Yu MUYANG: "Ten, nine, eight, seven..."

Selection: "What is it?"

Yu Muyang tapped the watch on his wrist and continued counting furiously. "Six, five, four, three, two, one."

As he finished counting the last number, the bell for class suddenly rang!

The rapid ringing of the bell resounded throughout the entire teaching building.

Yu Muyang walked into the classroom calmly and elegantly. When he reached the door, he turned around to look at the stunned selection with a wicked look on his face. His thin lips parted slightly. "Classmate, you're late."

The selection:"..."

Once the selection had left, GE Yue immediately pulled Yu Muyang, who had just sat down in his seat. "What's going on? Why did the school's best student come looking for you? I saw that he didn't look too good when he left. Did you offend him?"

"I'll give you a chance to repeat what you said just now." Yu Muyang glanced coldly at GE Yue and protested against him calling the selection "School's best student."

Ge Yue raised his hands in surrender. "Fine, fine, fine. Campus Belle Yu, I'm just used to being quick with my words. But to be honest, if you want to successfully graduate from K University, you'd better not provoke the selection. He's the teacher's treasure. His family background is good, his grades are good, and he has won many international competitions on behalf of the computer science department. In the computer science department, other than Fang Ji, who has the title of 'Mechanical God,' he has the highest reputation. There are rumors that his family still has relatives in the education bureau. provoking him won't do you any good!"

"OH." Yu Muyang smiled coldly.

How could he be afraid of a gifted student who wasn't even as good as his roommate?

If they were to compare their family background, how could he, Yu Muyang, lose.

Ge Yue was still nagging at him. "Anyway, just listen to me. I Won't Harm You..."

"Ge Yue." Yu Muyang suddenly opened his mouth and interrupted him.

Ge Yue, who was suddenly called by his name, raised his head to look at him.

"Do you know when Qi Rou and I met? We were actually childhood sweethearts. From the moment we were born, we saw eye to eye. From a young age, you liked me and I liked you..."

Ge Yue:"..."

Yu Muyang, F * ck you!

—

The exams for K University's specialized courses were not held at the end of the semester. There were mid-term exams.

Thirty percent of the mid-term results were included in the final exams.

Therefore, even if it was not the time of life and death, the library was still facing a rush of people as the mid-term exams approached. It was hard to come by.

This included Yu Muiyang.

He did not want to come. Qi Rou had asked him to come.

Qi Rou called Yu Muiyang. When she asked him out, she did not tell him that their first date after they had expressed their feelings to each other would be in a crowded library.

“Your Foundation isn’t good. If you want to pass the exam in such a short period of time, you’ll have to put in a lot of effort. I’ve already read through your professional courses. I’ll be sitting next to you. If there’s anything you don’t understand, you can ask me.”

Yu Muiyang:”...”

Yu Muiyang was already starting to feel a little regretful. Why did he pretend to be an underachiever back then and pretend to be a pig to eat a tiger in front of her.

If he told her now that he was actually an underachiever, would she believe him?

Chapter 2407: The super genius lurking around (17)

“Look, is that Yu Muiyang? He’s even more handsome in person than the photos on the school’s Internet!” A girl could not help but exclaim in a low voice as she passed by Yu Muiyang.

There were a few female students beside her. When she turned her head and saw Yu Muiyang in the library, her eyes lit up instantly.

“He’s really working hard for his girlfriend. Why haven’t I met such a handsome and inspirational boyfriend?”

“The underachievers are already working hard. What reason do we have to slack off?”

“...”

The few girls walked away as they talked.

Yu Muiyang, who had regained his senses after a long while, and Qi Rou, who could not help but laugh out loud, were left behind.

Qi Rou saw the awkwardness on his face and reached out to pat his shoulder. “Everyone thinks highly of you. Do your best!”

Yu Muiyang:”...”

..”

The exam week was coming soon.

Someone had started a discussion on the school’s Intranet. The topic was: do you think Yu Muiyang will be able to pass the exam smoothly?

Usually, before the exam, the school's Intranet was the calmest.

Even if someone posted something, it would be the top students sharing their study notes or exam techniques. The common gossip would miraculously disappear at this time.

But now, the topic about whether Yu MUYANG could successfully pass the exam had actually been pushed to a popular post within an hour.

The number of likes and discussions surpassed any posts on the school's Internet.

"I hope that he can turn a bad student into a true love. Such a script is too touching."

"Analyze it realistically. It's very difficult for him to have such a basic foundation."

"I don't think it's useful to cram at the last minute. Moreover, it doesn't seem like there's any positive energy to propagate such things. It's only right to work hard."

"Don't go overboard. Let's talk about the facts. I hope that Yu MUYANG can pass. After all, a handsome and intelligent Prince Charming is more in line with the school's role model. It's perfect!"

"I hope that he can't pass because I like Qi Rou."

"Downstairs + 1!"

"..."

Yu MUYANG did not look at the school intranet. GE YUE sat beside him and read all the news to him word by word, hoping that the world would not fall into chaos.

"Brother Yang, tell me the truth. How's Your Exam preparation? As your classmate and deskmate, I made a bet with someone. I bet ten times that you win. Now, whether I can become rich or not depends on you!"

Ge Yue wasn't really betting a lot. He just didn't like the way the rest of the class looked down on Yu MUYANG.

He wanted to see them get slapped in the face.

However, Yu MUYANG hid his face too deeply. He didn't even know how good Yu MUYANG was.

"Which exam did you take today?" Yu MUYANG heard his words and raised his head to ask.

Ge Yue: "..."

Ge Yue: "Brother, it can't be. You Don't even know what the exam is today. How did you revise?"

Ge Yue was in despair.

Yu MUYANG ignored him and leaned back on the table, reminiscing the scene of Qi Rou encouraging him when they left the library yesterday.

At that time, he had just casually said that he wanted a loving encouragement.

Who would have thought that Qi rou would really stand on her tiptoes and kiss him on the cheek.

That soft lips were pressed against the corner of his mouth..

Yu MUYANG suddenly felt a little uneasy. She raised her head and looked at her deskmate seriously. "Ge Yue, do you know the difference between my revision and Yours?"

"What?" Ge Yue, who was suddenly called, was a little lost.

"I have my girlfriend's encouragement. Xiao Rou even kissed me yesterday." Yu MUYANG pointed at the spot where Qi rou had kissed him yesterday, even though there were no hickeys there.

Ge Yue: "..."

Chapter 2408: The super genius lurking around (18)

The invigilator showed up on time with the exam papers and saved Ge Yue who wanted to die.

The consecutive days of exams made everyone a little tired.

Whether it was in the classroom or on the school internet, the atmosphere became less lively.

Until the day the exams were over..

"I'm Free! I'm going to find an internet cafe and soak in it for a day and a Night!"

"I'm going to have a big meal. I heard that a few new restaurants have opened near the school during the exam days."

"I've made an appointment with my boyfriend to watch a movie..."

In the classroom, the students were chatting while packing up their things.

GE Yue would no longer take the initiative to ask Yu MUYANG about her plans for this weekend. Even if Yu MUYANG wanted to tell him, he didn't want to hear it.

After packing up, he ran away without giving Yu MUYANG any chance to show off their love.

"There's really no love at all between classmates." Yu MUYANG packed up her things and walked over to pick up Qi rou with her long legs.

The test results would only be released next week. He planned to make use of the weekend to have a good date with his "Girlfriend-to-be."

However, just as he walked to the door of her classroom, he saw Qi Rou walking out of the classroom with a thick stack of books in her arms.

Yu MUYANG quickly went forward to carry her over. Just as she was about to ask her why she was carrying so many books, she lowered her head to take a look and realized that they were all textbooks for the finance department.

Yu MUYANG's eyelids twitched and a bad premonition suddenly rose in her heart.

The next second, she heard qi rou say, "Your foundation isn't good. Although you've already completed your exams, you still have to grasp the basics from the beginning. These are the books I just bought for you. I'll accompany you to the library this weekend."

Yu Muiyang:"..."the place where he had his date couldn't be separated from the library, right?

The weekend passed in the blink of an eye.

Yu Muiyang, who had been repeatedly pinned down in the library, was looking forward to the announcement of the exam results for the first time.

After all, the exam results this time concerned whether he could have a girlfriend and whether he could change the venue of his date!

As the exam results were about to be announced, the school intranet, which had been silent for two days, was flooded with posts from before.

The hottest topic at K University right now was whether Yu Muiyang could pass the exam smoothly.

On Monday, Yu Muiyang received numerous concerned looks on his way to the classroom with Qi Rou.

There were also students who did not know him at all, who gave him "Go" signs.

Yu Muiyang could not smile.

He hoped that when the results were announced later, his classmates would be able to smile.

"The teacher is here!"

In the classroom, someone shouted, but the bell didn't ring. Everyone fell silent at the same time.

Yu Muiyang looked up at the classroom door. Old Ji had really come.

He looked at everyone expressionlessly and called out the class monitor's name. He asked the class monitor to follow him to the office to get everyone's results. Then, he called out Yu Muiyang's name. "Follow me to the office as well."

Yu Muiyang:"..."

"I printed out the results in advance. Everyone's exam results will be synchronized to the school's Internet. You can also go online to search for your student ID and password later."After saying this, Old Ji turned around and left.

Once they left, the classroom immediately erupted.

"TSK TSK, did you see Old Ji's dark face? I have a feeling that Yu Muiyang definitely didn't pass the exam."

"It's normal for a scumbag like him to not pass the exam. Does he really think that he's a genius and can get high marks just by cramming at the last minute?"

“Maybe it’s because the questions for this exam are too difficult. To be honest, I don’t understand many of the questions either. It’s too harsh on students who don’t have any foundation. Yu Muiyang’s luck isn’t good.”

“The class monitor is back —”

Chapter 2409: The super genius lurking around (19)

The counselor’s office was not far from the classroom, and everyone was in a heated discussion. The class monitor, who had just left, had returned with a fresh report card.

He was only a dozen steps away from the classroom door.

“Oh No, oh no, did you see the class monitor’s ugly expression? Yu Muiyang must have done badly on the exam. Maybe the entire class did badly.”

“The questions this time are difficult. It’s normal that everyone didn’t do well. It’s fine. It’s just the midterm. We can still salvage it during the final exam...”

“Come on, so what if it’s simple? Yu Muiyang is just a scoundrel. Isn’t it a joke if he wants to score well and chase after the school Belle?”

The boy who spoke sarcastically was Chen Li, the study commissary in the class. He had excellent grades and had always looked down on scoundrel students.

He was the one who usually bullied Yu Muiyang the most.

However, Yu Muiyang had never cared about what others thought of her and had always ignored them. The study commissary alone could not stir up a storm.

The matter of Yu Muiyang making a bet with Qi Rou this time was already known by everyone.

After Chen Li heard about it, he was the first to scoff.

He threatened that if he let a last-minute underachiever chase after a goddess, it would not be the magic of true love. It would be the greatest insult to students like them.

He was the one who wanted to see Yu Muiyang get slapped in the face the most.

“Chen Li, aren’t you being too harsh? Who said that a student who is crappy can not like a student? I think Yu Muiyang and Qi Rou are quite compatible. Could it be that you like Qi Rou and can’t Stand Yu Muiyang?” Someone teased.

The next second, Chen Li’s expression changed slightly.

“So what if I like Qi Rou? Qi Rou is such an outstanding girl, she shouldn’t be spoiled by Yu Muiyang!”

After Chen Li finished speaking, the surroundings suddenly quieted down.

Chen Li came back to his senses and realized that the class monitor had already come in with the report card and stood on the podium. All the students in the classroom were sitting in their own seats. Only he was still standing there foolishly.

Chen Li hurriedly sat down as well.

The topic of conversation ended just now. However, because of the short-lived argument, everyone became especially concerned about the report card in the class monitor's hands.

"Class monitor, there's no need to say anything to pave the way. First, recite the highest score in the entire major so that everyone has a good idea."

"What do you mean by the highest score? I think we should start from the lowest score."

"What do you know? People need to have aspirations. Do you even need to snatch the job of being at the bottom? Have you forgotten that Yu MUYANG is in our class?"

The three words "Yu MUYANG" seemed to have poked the class monitor's acupuncture point. The class monitor's expression became more and more complicated.

"Could it be that Yu MUYANG is really at the bottom?" Someone saw that the class monitor's expression was not right and muttered softly.

Coincidentally, Chen Li, who was sitting at the side, heard it. The smile on the corner of his mouth became playful.

With the mentality of watching a good show, he deliberately said, "Since everyone is so curious about Yu MUYANG's results, class monitor, why don't we fulfill everyone's wish and announce Yu MUYANG's results first?"

"This..." class monitor hesitated slightly.

"Actually, I'm quite curious about Yu MUYANG's results. He has been working hard recently."

"I'm more gossipy. I just want to know if he can successfully woo goddess Qi Rou."

"Class monitor, did Yu MUYANG pass the exam? What's his rank?"

"..."

More and more people were asking about Yu MUYANG's results, but the class monitor couldn't take it anymore. He wiped the sweat off his forehead and opened the report card in his hand again. When he saw a certain person's shining results, he swallowed his saliva.

"Yu MUYANG... First Place."

Chen Li suddenly laughed out loud. "Class Monitor, did you miss out on two words? You're the last place, right?"

Chapter 2410: The super genius lurking around (20)

“Chen Li, pay attention to your attitude!” The class monitor’s voice was low, and his expression became especially serious.

Although he was very shocked and felt like he was floating from the teacher’s office all the way back to the classroom, he was still in awe of the strong.

If Yu MUYANG could really obtain such heaven-defying results, he would still be convinced.

Hence, when he heard Chen Li’s disdainful tone., the class monitor could not help but raise his voice. “Didn’t you all want to know Yu MUYANG’s results? I’ll read it to you clearly now. Every single one of his specialized courses has a full score! His total score is even the best in the entire department!”

Full score!

The best in the entire department!

For these two honors, as long as one could obtain one, it would already be considered a very high honor. Yet, Yu MUYANG actually managed to do it all by himself.

Wasn’t that... wasn’t he a bad student?

The classroom went from extreme silence to extreme excitement.

“He got full marks in every single department. Oh My God!”

“Pinch me quickly. I must be dreaming, or the class monitor must have mispronounced it.”

“I even mocked Yu MUYANG before, even though he didn’t hear it. Does this count as a slap in the face?”

“This heaven-defying result, is he still human...”

“...”

Among everyone, the person with the ugliest expression was Chen Li.

He stood rooted to the ground in a daze. After a long while, he couldn’t regain his senses and looked at the class monitor on the podium in a daze.

The exclamations of the students in the class echoed in his ears continuously.

He had gotten full marks for all his professional classes... he knew that he couldn’t achieve such a shocking result.

But he didn’t believe that Yu MUYANG could do it!

It could be said that it was a coincidence that he got full marks for all the doors. Was this still a normal person?

“Let me see!” Chen Li walked out from his seat and strode onto the podium. He took the report card from the class monitor and lowered his head to take a look.

When he saw the name on the first place, his pupils suddenly shrank!

100,100,100... a series of "100" neatly lined up behind Yu Muiyang's name, wanting to blind Chen Li's eyes.

"The results of this midterm evaluation have been synchronized with the school intranet. Everyone can look it up on the internet by themselves," the class monitor stood at the side and glanced at Chen Li, who had snatched away the report card, and reminded him lightly.

After the class monitor finished speaking, no one moved.

Everyone's attention was no longer on their own results, but Yu Muiyang's.

Someone had already moved quickly to Chen Li's side and leaned forward to look at the report card in his hand.

"Wow!" The first scream came from the classroom.

Soon, the second and third..

"Has our K University ever had such a good result? Is Yu Muiyang still the Yu Muiyang that I know?"

"If I knew he was so good, I wouldn't have laughed at him in the past."

"In my opinion, Yu Muiyang's results have nothing to do with a scumbag. He should be a member of the Learning Committee. At the very least, he is more worthy of his name than Chen Li."

The student who had spoken was glared at by Chen Li and forcefully changed his words in the end.

However, his words had attracted the attention of many people towards Chen Li.

Everyone looked down at the same time to search for Chen Li's results.

They found that Chen Li had done well in the midterm exam this time. The total score of the top three was also worthy of his status as a study commissary. However, compared to Yu Muiyang's full marks in all subjects, he was still completely crushed.

The key point was that Chen Li had been spouting nonsense in the classroom a second ago, looking down on Yu Muiyang.

Now that the results were out..

The eyes of the surrounding people turned to Chen Li in unison.

Chen Li stood stiffly on the spot, his face burning!
