

How Death Became My Rebirth by Evelyn Florence

Chapter 521

Chapter 521

Jeremiah's heart was in a mess. What happened to Yannick? How could he confess his love to him like

others?

Did he look gay?

He just didn't want to have a girlfriend, but that didn't mean his sexual orientation was abnormal.

Jeremiah probably didn't realize that he had a different attitude towards Yannick. When Yannick confessed his love, he stammered and couldn't say no, but when others confessed their love, he refused directly or even fought with them. This might be the difference.

The dormitory instantly fell into silence, and the atmosphere was somewhat delicate. Jeremiah felt a

little uncomfortable.

He frowned and said, "I have to go back to Whitecrane Hall. I'm leaving now."

He couldn't stay here anymore. Jeremiah chose to leave. The most annoying thing was that he could

not tell Elaine about this matter. What if Elaine rejected him? If she thought something was wrong with

him, the loss would outweigh the gain.

He went back to The Urban silently and stayed on the fifth floor. His whole mind was in a mess, not

knowing what to do.

Yannick watched Jeremiah leave the dormitory helplessly. He couldn't stop him and had no position to tell him not to go. Jeremiah was free, even independent, and even his master gave him freedom. So

how could Yannick control him?

Kayden originally planned to go to the dormitory for a meal but found that there was only Yannick left. He looked around and didn't find that person who could cook. He asked curiously, "Where is Jeremiah? Did you fight?"

It didn't look like they had fought. Was everything okay?

"He's going home. I don't think he will come back for a while." Yannick was a little frustrated. As long as

1/5

Chapter 521

he thought of Jeremiah's actions to refuse him, he felt sad.

What a terrible feeling.

"Well, why?"

"I confessed..." Yannick became more frustrated. Jeremiah was avoiding him.

Kayden's eyes widened in disbelief. "Are **you** serious?"

"What else could it be?"

"So he refused you?" Kayden thought for a while and said, "There's something wrong. There should be no response. You must have scared Jeremiah."

Yannick kept silent.

He must have been a man who knew fate in his previous life.

"Mr. Yates, is there any way?" Yannick thought he was really crazy. He asked Kayden to help him. If Kayden's ideas were bad, then he would be screwed.

"I can't help you. This is between you two." Kayden stood aside with his arms crossed and seemed to watch a fantastic show. "However, I heard that many men in the base have been confessing their love to Jeremiah recently. You'd better hurry up. After all, he's very popular."

Yannick said, "Mr. Yates, you're wrong. Jeremiah is not some normal guy. He can't accept someone so easily."

He retorted directly, feeling that Kayden was ruining Jeremiah's reputation. But he had no evidence.

"Well, who do you think he should like?" Kayden looked at Yannick with great interest. And the word "gossip" was all over his face.

"I don't know. Just let him be happy. No matter who he chooses, I will respect him," Yannick pretended to be tough and said. He had no other requirements. If Jeremiah refused him, he then hoped that Jeremiah could find someone he truly liked.

2/5

Chapter 521

"What if he finds another man? Can you accept he finds a girl or a man after rejecting you?" Kayden's words made Yannick a little confused. He didn't seem to have thought about this question, but Kayden

just said it out loud.

"..." Yannick was lost in thought..

Could he not mind? Not mind if he liked other women or men.

No, he minded.

He would mind if Jeremiah found a man.

"I have something else to do. I'll go out first, Mr. Yates," After saying that, Yannick left. He even took out his clothes and changed them into new ones.

Kayden was a little confused. He came here for a meal, but none of them were in the dormitory now. Did they ever think about his feelings?

Why were these people like this?

In The Urban, the door was suddenly opened when Jeremiah was still in a daze.

It was Yannick. Why was he here?

“Why are you here?” Jeremiah asked blankly.

“I’m here to find you. Have you made up your mind?” Yannick sat opposite Jeremiah trembling, looking a little embarrassed. He was a little rash. How could he be so reckless?

“Do you think I can figure it out?” Jeremiah couldn’t help rolling his eyes. What the hell was wrong with Yannick? How long had he just come out? Could he think it through in such a short time?

“But...” It had been a long time. Why couldn’t he figure it out?

“Jeremiah, I have a question for you.”

3/5

“Go ahead.”

“We confessed. I want to know why you can say no to others, but not me?” Yannick’s question stunned Jeremiah. He had never thought about it.

Jeremiah opened his mouth and didn’t know how to explain, but Yannick did not give him a chance to explain. “Does this mean that I still have a special position in your heart? Or you’d have kicked me out, right?”

“It doesn’t matter that you don’t like me now, but I will wait until you agree to make that special position in your heart unique. At least you are unique in my heart now,” Yannick said affectionately.

Jeremiah panicked.

“But I’m an orphan: I don’t have any friends. I only have Elaine, Declan, and Cyrus.” It sounded like Jeremiah was a little inferior. He had no friends or social contacts, and he was with Cassandra all the time.

That was the happiest time for him. The second happiest thing was to go racing. But since Elaine took the car and blocked it for Raymond, he didn't touch the car anymore. He was afraid that there would be accidents.

"What are you worried about? I'm also an orphan. Without Kenneth, we would have died a long time ago. I am Yannick. Ethan, Lamont, Oliver, and others are all orphans. When we were about to die, Kenneth saved us. Aaden was the youngest. When Kenneth saved him, he was only 10 years old. Now he's working for Kenneth.

"We are all orphans and lonely people. We have met the right person. Isn't it fate that we meet?" Yannick thought what he said made sense and deserved applause.

4/5

Chapter 522

Jeremiah didn't know what to say for now.

Yannick's words sounded weird.

"Yannick, I think you are a hooligan." Jeremiah felt that he was led away by this man. He couldn't be like

that, so he wanted to win back.

Yannick giggled and scratched his head awkwardly. "But I think what I said makes sense."

Jeremiah was silent and suddenly said seriously, "Yannick, it doesn't matter whether I like men or

women as long as I like them. But I can't figure out my feelings, and I don't want to hold you up. I admit that I have different feelings for you, but I don't know whether it is like or not. If I'm wrong about my feelings, then it will be very embarrassing. So please wait."

He was very serious about relationships and didn't like to have casual sexual relations with others.

Yannick nodded and said, "I know. That's why I want to tell you that I will wait for you anytime. As long as you like me, I can do anything."

I

After understanding his feelings, Yannick was completely different.

Jeremiah didn't refuse him. He even talked to him frankly, which was a surprise for him. This feeling was different.

He loved it.

People like him could also have happiness. That was a gift from heaven.

"You..." After hearing this, Jeremiah felt like he was a scumbag. What was Yannick talking about?

"I won't bother you. You have a good rest, and if you need anything, just call me. My phone is open round the clock," After saying that, Yannick left. He didn't come here urgently to ask for an answer but just wanted to know Jeremiah's attitude. Now that he knew his attitude, there was nothing to worry about.

1/5

Chapter 522

Jeremiah was speechless.

It seemed that Yannick was not the one who had just come to ask him if he had thought it over.

Jeremiah pulled his hair frantically and became even more annoyed.

Jeremiah got up and took the key from the table. He was going to make a fuss of himself.

He went racing. Although he hadn't driven for so long, it wouldn't be a problem

.

On the winding mountain road near Drieso, many people were waiting for Jeremiah..

“Oh, what a rare visit. Mr. Lawson finally wants to go beyond his comfort zone and race with us?” A man with yellow hair said, making fun of Jeremiah and looking very greasy.

“What? It’s been a long time, and you have the final say in this race?” Jeremiah didn’t like this man, so he talked back without any respect.

“You... If I’m the boss here doesn’t have much to do with Mr. Lawson,” The yellow-haired man didn’t answer Jeremiah directly, “Mr. Lawson, what do you want to compete with today?”

“Nothing. I’m just here to drive by myself.” He **was** just out to relax, not look for fun.

“Don’t be so bored. How about I compete with you? 1 million dollars in cash?” The yellow-haired man challenged Jeremiah confidently. He practiced hard for so long, but Jeremiah had stopped racing for more than a year. How could he beat him?

“Do you think I’m short of 1 million dollars?”

[Oh, my goodness, Mr. Lawson is going to be against Mr. Cooper.]

[I think it’s exciting!]

[I’m on Mr. Lawson’s side. Today, Mr. Lawson doesn’t seem to be coming for a race. Besides, this track is not exclusive to Mr. Cooper, instead, there is Mr. Lawson’s share. If Mr. Lawson doesn’t want to race, no

2/5

Chapter 522

one can force him.]

[I don’t understand why Mr. Cooper forced Mr. Lawson to do racing. Is he trying to prove something?]

(Back then, Raymond was racing with Mr. Lawson here. If it weren't for Mr. Lawson, Raymond would have died long ago. Raymond is also a big shot in racing.)

[Over there? Stop saying that. He is nothing, but in terms of strength, Mr. Cooper may not be as powerful as Raymond.]

[I just want to know how Mr. Lawson should deal with it. Mr. Lawson is not in a good state.]

[I think it's better not to compete if he's not feeling well.]

Du idiots! Don't you know that racing is about passion? If not excited, who will compete?]

[Take chances with life?]

[Anything wrong?]

"Then I can give Mr. Lawson whatever you want." Tyshawn held a beauty in his arms and looked at Jeremiah provocatively.

"If I win, you can't race for two years. And I want your car," Jeremiah said, "If you win, I'll give you 10 million dollars. What do you think?"

Tyshawn pondered for a while. This deal was profitable.

10 million dollars was enough for him to refit two more cars. But if he lost...

He could try.

"Okay, I agree."

Jeremiah was surprised.

Was he a fool?

3/5

Chapter 522

Jeremiah and Tyshawn got in the cars, and Tyshawn had been ahead of him on the winding path, far

ahead of Jeremiah.

Just as he came to the last corner smugly, Jeremiah began to speed up on the corner and directly overtook Tyshawn.

Maybe Jeremiah was hesitant and out of his mind, so he almost rushed out of the corner. Fortunately, he turned around in time, not only stopping Tyshawn's way but exceeding him a long way.

Jeremiah was still in shock, and there was also a man who went straight up the mountain.

Damn it! Was he going to kill himself? How could he do such a dangerous thing?

Not only did he accelerate at a corner, but also not focused. He wanted to die, didn't he?

Yannick directly drove up to look for him, and Jeremiah just finished the game. He was a little shocked.

Just now it was the moment of life and death.

"You cheated on me!" Tyshawn opened the door and shouted at Jeremiah.

"You have no other rules. How can you say I cheated?" Jeremiah said indifferently.

"You lost, leave your car. You are not allowed to do racing for two years." Jeremiah felt that he needed at rest now, but he didn't know anyone there.

"I don't accept it."

"If you don't accept it, I will beat you up." Yannick suddenly got out of the car very fast. He tried his best.

to teach Jeremiah a lesson.

Seeing Yannick, Jeremiah didn't know what was going on. Why was he here?

"You..."

"Shut up!" Yannick roared at him and then looked at Tyshawn. "You are not going to honor the bet you

two made before the competition?"

4/5

Chapter 522

"So what if I don't? What can you do to me?" Tyshawn looked arrogant. He didn't take Jeremiah and Yannick seriously.

"Since you don't want to honor it, I can only help you." Yannick kicked him to the ground and broke his legs.

"Now, you can't compete with him. As for whether you can be cured or not, it depends on whether your

are lucky or not," Yannick said coldly and didn't take Tyshawn seriously at all.

He got up and looked at Jeremiah with a cold face, which made Jeremiah tremble. His eyes were even

scarier than Elaine's.

Chapter 523

"Are you crazy? You dare to speed up on a corner, and you **are** not focused. You might have killed yourself. You know that?" Yannick was so angry that he wanted to beat Jeremiah up.

However, he didn't have the right to control Jeremiah now, but he just couldn't help it.

Jeremiah was so bold. He didn't know how frightened Yannick was when he saw the live broadcast.

This man was still calm and indifferent, which made Yannick even more angry

“I didn't want to compete with him, but he wouldn't let me go...” Jeremiah said as if he was

complaining.

Hearing this, Yannick seemed to be even angrier.

But this time, instead of being angry with Jeremiah, he turned to look at Tyshawn, who was screaming

on the ground.

Then he stormed over and stepped on Tyshawn's feet in an unpleasant mood. Seeing that his injury

became more serious, he was satisfied and said, “You son of a bitch! You can threaten Jeremiah? If I see you again, I will kill you!”

A strange feeling suddenly appeared in Jeremiah's heart. This was the only person who defended him except Elaine. Even though Declan and Cyrus defended him, they would teach him a lesson, which gave

him a headache.

However, it seemed that Yannick came up to defend him without hesitation. He was angry because he

risked his life, and then he directly beat Tyshawn up.

After Yannick vented his anger, he walked to Jeremiah and put him in the passenger seat. Then he drove

away.

After arriving at the gate of the base, Yannick had a real feeling and held him in his arms. “Can you think about me when you race next time? I'm still waiting

for your answer. What if what happened today. happens again?" Yannick's voice was trembling... He was scared, and that was the first time he felt

1/6

Chapter 523

afraid.

He had never been afraid of anything before, but....

Yannick thought he was crazy.

"I... won't next time," Jeremiah stiffened his body and replied to Yannick.

Yannick hugged Jeremiah hard and released his hand.

"Are you scared? Sorry. I can't control myself."

"I'm fine." Jeremiah was dizzy.

"We have arrived at the base. Go have a rest. I need to see Ethan." Maybe Jeremiah didn't want to see

him now, so it was better to leave.

"Let's go back together. It's already late at night."

Yannick followed Jeremiah back to the dormitory in disbelief, and they were silent. They didn't know

what to say.

"You..."

Yannick was stunned and asked, "What do you want to say?"

"So... Are you serious?"

"What?" Yannick didn't get it.

Jeremiah said, "Never mind."

Only then did Yannick realize what Jeremiah meant.

“Seriously, of course.” Yannick was eager to show his loyalty.

If he hesitated at this time, he would lose his love.

2/6

Chapter 523

“Let’s have a try,” Jeremiah said in a deep voice.

+5

Perhaps it was the night race that changed him. Anyway, it was just dating so meone. It didn’t matter whether it was a man or a woman. Most importantly, having feelings for him was more than any reason.

“Good! You said yes!” Yannick was so excited.

He hugged Jeremiah and circled. It was wonderful.

He said yes.

Great...

Not long after they were together, Cassandra caught them on the training ground. Jeremiah was quite

embarrassed.

“Mrs. Zelinski, I am with Jeremiah. I hope to get your blessing.” Cassandra asked, “When did you two get

together?”

“Just... before training.

“Why did you hide it from me?”

“No, no one knows. But Kenneth should have noticed...”

“How could I hide it from you? I just don’t know how to say it. Besides, I need to be prepared and have

no chance to go back.” Jeremiah was like a different person in front of Cassandra, and he didn’t have

the confidence to speak.

Cassandra snorted coldly. “Oh, do you believe what you said?” –

Jeremiah scratched his head in embarrassment. He didn’t mean it. He just didn’t know how to say it. If

Elaine hadn’t caught him...

“I want to have a try with Yannick. I can’t guarantee what will happen in the future. At least for now, I

3/6

Chapter 523

like **him**,” Jeremiah told the truth.

Cassandra raised her eyebrows and said, “Talk nicely. I never want to embarrass you.”

“Yeah,” Jeremiah narrowed his eyes and said with a flattering look, “I want to ask you something.”

“What?”

“Just... Can you draw some comic pictures for me and Yannick?” Jeremiah had been thinking about this

question for a long time. Although he was good at hacking, he couldn’t do graphic animation or 3D animation. He was just bad at drawing.

They gave him a headache, but Elaine could do everything. Then things became much simpler.

“Draw a set of comics?” Cassandra didn’t know what he meant, **as** if she didn’t remember how to draw.

“Have you forgotten that you are still a cartoon master?” It was well-known to everyone in the ACGN

field. As long as her cartoons were updated, they would always be topping the list.

“Can I draw?”

“Ha ha, think about it yourself. You have another name, Cassan.”

Cassandra fell into silence.

She seemed to have such a name.

Her cartoon had no longer been updated for a long time. Did she want to restart it?

“How about I draw a set of comics for you?” Cassandra asked, raising her eyebrows.

As soon as Yannick and Kenneth came in, they heard it. Yannick immediately replied excitedly, “Great!

Thank you so much!”

Jeremiah said, “No, I just need two profile pictures.”

“Mrs. Zelinski, please draw for us. I want to keep it.” It must be a blessing to have a set of comics that

4/6

Chapter 523

belonged to him and Jeremiah.

Kenneth asked in surprise, “Do you know how to draw cartoons?”

“Oh, yes.” If Jeremiah hadn’t said it, Cassandra wouldn’t think about it herself.

She hadn’t updated her comic story for a long time.

“Then why didn’t you draw for us?” Kenneth protested with dissatisfaction.

“Can I say that I just remembered?”

“Elaine, thank you,” Knowing that Kenneth was jealous, Jeremiah didn’t want to stay here and said, “By the way, your comic book hasn’t been updated for two years. You should come back.”

Then he took Yannick’s hand and left.

Whether she was gonna draw a comic story or a profile picture, it was OK. As long as they were fine.

3

Cassandra was trying to find her account. When she logged in, she was shocked.

She couldn’t believe there were so many comments. Even today, there were comments to remind her to update the story.

Suddenly she felt a little bit unprofessional. Maybe she should do as the readers asked.

So, she picked up the brush again and began to draw a continuation of the story two years ago.

5/6

Chapter 524

200

Cassandra drew a follow-up to the previous story, which took about four hours. And it was finally done.

She read it over and over again, made some adjustments, and uploaded it after she found that there

was no problem.

Kenneth “tortured” her on the bed, and she didn’t sleep well. She then fell asleep after uploading the latest chapter.

However, it was okay for her to sleep, but the netizens were not calm anymore.

Hashtag: “Cassan Updated!”

Such a topic instantly went viral, and netizens felt unbelievable.

[What do I see? Cassan updated the story?]

[Oh, my goodness. It’s been two years. I feel a little unreal!]

[Ah, I finally saw Darling Cassan update the story!]

[Damn it! I’ve forgotten all the previous plots. To read the follow-up, I have to read the previous story again. I’m so excited!]

[I... I forgot my account. I feel so sad.]

[I want to read the update, but I can’t find my account and password. Look at what Darling Cassan had done to me.]

[If it weren’t for the comic book of Cassan, I wouldn’t have downloaded it. But who knows that she has changed for two years? I even forget what I was reading before.“]

[I have finished reading the update. I don’t know why, but I feel that Darling Cassan is using colors more brightly than before as if there is a new her.]

1/6

Chapter 544

[It’s not my delusion alone. I have the same feeling.]

[So, is it because Darling Cassan has experienced something happy that makes her so lively?]

if you say so, I can't wait to read it. However, the platform can only be logged in with an account. Can't they set a mobile phone number for login?]

[Haha, I have to urge her once a day for 735 times in total. It took me two years and five days to see her

alive!]

Jeremiah also saw the Twitter trending topic.

This guy was really something that could hold her head high in front of everyone.

Cassan was a top painter and writer of X-Comics. Whether it was the novel section or the comic section

popular on the platform, she was always the top 1, which made all authors look up to her.

"Look, how many people are waiting for an update from Elaine!" Jeremiah couldn't help showing off to

Yannick.

Elaine was the best in the world, even better than Kenneth. After all, Kenneth listened to Cassandra.

Yannick glanced at it and wanted to answer perfunctorily, but he found that Cassandra was "Darling **Cassan**".

What?

"Mrs. Zelinski is the cartoonist Cassan?" Yannick didn't believe it. It was impossible! It was impossible!

How could a person know and be good at so many things?

"Yeah, now you know why I asked Elaine to draw us cartoon and wanted a cartoon profile picture.

Men never grew up.

Pictures?” Jeremiah felt like a child

“But... You didn’t say that Mrs. Zelinski is Cassan.” Yannick’s voice suddenly rose. He was not yelling at

2/6

Chapter 524

Jeremiah, but very excited.

“Well, you like Cassan?” Jeremiah suddenly asked.

“Of course, everybody liked her two years ago. We were all attracted by Darling Cassan’s story.” Yannick was no exception. Not to mention him, his friends also liked her. Ethan said he wasn’t interested in it, but he was finally impressed by her comic.

“Then you can worship your idol in the front row. It doesn’t take long for Elaine to draw that cartoon. every day, but I didn’t expect it to become so popular.” Jeremiah didn’t mean to show off, but people who listened to his words didn’t think so. However, Yannick felt that Cassandra was such a capable

person.

She knew everything.

She could solve all the problems.

It was just a cartoon. How could that get her?

“I’ll call Ethan and tell them!”

But before he could make the call, Ethan called. His tone was very exciting, probably because Cassan

had updated. He was so excited.

Judging from the color scheme, her life changed, and her new life must be colorful, so the picture.

became brighter.

Yannick asked mysteriously, "Do you know who Darling Cassan is?"

"Who is it?"

Yannick replied, "It's Mrs. Zelinski."

"What?"

"It's Mrs. Zelinski."

3/6

Chapter 524

Ethan hung up the phone, unable to accept the truth.

About half a month after Cassandra returned to Drieso, she turned the story of Yannick and Jeremiah into a comic story, released her new book, and completed them all at once.

Now it was not Jeremiah but Yannick who was happy.

It was so...

"Mrs. Zelinski is so awesome.

+5

"Am I that handsome?"

"Am I that bossy?"

"This kind of story is exactly Jeremiah and I's story.

"Oh, my goodness. I love it so much."

Jeremiah was speechless because Elaine portrayed him as an arrogant girl.

Was he that arrogant?

He was not that arrogant.

Why did she portray him like that?

[I like her new book so much. It's lovely. I can feel it.]

[Oh, my goodness! I love reading it! Why is it a short story? Why not update?]

[Who is watching such a story? Oh, it's me!]

[This plot is too vulgar. It's so speechless for two men to fall in love. Please draw all the details of their

relationship. I got money. I can pay for the details!]

4/6

Chapter 524

[Damn it. I almost lost control.]

[I can't hold back anymore. Let's kill.]

[I'm totally immersed. I don't want to read short stories. I want long ones! Please write a long story!]

[Agree!]

Cassandra didn't expect that this comic would be popular. It was almost as popular as her first comic.

Now everyone likes **it**?

There were so many private messages and comments. Cassandra decided to log out of the account in

case too much information would bother her.

But after Yannick and Jeremiah came over, Yannick said that he also wanted to read the follow-up...

Cassandra was speechless.

What the hell was it that he liked reading his own story?

"You want to see how you and Jeremiah develop, that's your business. How can I know? Don't go too

far!”

What the hell was that?

Seems that you:

right. We’re the continuation of love, and we don’t need to read comics.” Yannick’s greatest advantage was that he could listen to others’ suggestions, so he didn’t insist

anymore.

He and Jeremiah would always be together, which was the best future and the best follow-up.

Wasn’t it?

Their story would never end.

Chapter 525

Thirteen years later, Weston and Abril were already 18 years old, while Nelson was already 20 years old. Both of them were at the right age for youth.

They were adults, not little kids anymore.

Nelson was Eddie and Lydia’s son. Weston and Abril were Cassandra and Kenneth’s children.

“Nelson, are you going to the army?” Weston looked at Nelson with some disagreement, and he didn’t want him to go

Abril had been in the army long ago, crying and clamoring to go. She completely inherited her father. and wanted to dedicate everything to the country, so she went to the army early and was trained by Yannick personally.

Maybe he was more like his mother, who loved freedom and didn’t even like the feeling of being tied down. Therefore, he only took over the National Security Bureau. It would be good if he could serve the country differently.

However, Nelson had learned a lot, so he didn't have to join the
army.

"Weston, all my family are soldiers, and I like being a soldier very much. I never went to the army. because I didn't want to miss your 18th birthday celebration. Now that you have grown up, then I should go to the army." Nelson was very rational. Even if he didn't want to separate from him, he had no other options.

He had to fulfill the mission that belonged to the Frey family.

"When are you going to come back?" Weston's face darkened, and his voice instantly became low and hoarse.

"I don't know."

"So, you and Abril would no longer accompany me. She went to the army a long time ago. Now that you are going too, I'll be there alone." Whom Weston's temperament like, his father or his mother? Anyway,

1/5

her was quite like a little unassemble sentitotation

"..... Marcon, don't be like this in will be back seen," When Nelican said this, he lacked confidence treaus

He didn't know how long he had been in the army. Hic grandiga once said that when Edille went to the

army for training, it took him two years to become an invincible woldier

But it only took Kenneth one year. He created a legend

He was not as start as Kenneth, but he had been training for so many years, so his physical ability was

extraordinary.

Weston didn't listen to him at all. Nelson was really annoying. When they were small kids, Nelson always called him little brother. Now when they grew up, Nelson was going to leave him.

"Wait for me for two years, okay? On your 20th birthday, I will come back!" Nelson had no choice but to give a deadline

He didn't know if he could do it, but he would try his best.

As long as he thought that someone was waiting for him at home, it should be different. Wasn't his father the same?

His mother waited at home, and his father would come back safely,

So, he should be able to.

"Really?" Weston looked at Nelson with uncertainty

and he didn't believe him

because no one could predict the future.

"Well, just two years. When you celebrate **your** 20th birthday, I will come back, okay?" Seeing that there was hope, Nelson said more decisively. No matter what, he had to complete it.

"You promise if you go back on your word, and I didn't see you when I was 20, I would drive a fighter plane and blow up your base" Weston agreed

2/5

Chapter 525

Nelson smiled softly. This younger brother was not cute at all, and he was still threatening people at the

age of 18.

And he could do nothing about it.

Two years later, on his 20th birthday of Weston, Nelson did not come back and didn't even appear at the

birthday party.

Weston looked very unhappy. The whole birthday banquet was gloomy. It didn't feel like he was celebrating his birthday, but a memorial day...

Abril had come back early. Although she had joined the army, she entered the Falcon Special Operations Force after a series of screenings. The base of the Falcon Special Operations Force was in Drieso, so it was very convenient for her to go home.

"Weston, what are you doing? It's a nice birthday party. What are you thinking about? You don't want to celebrate your birthday with me?" Abril spoke carelessly and didn't act like a girl, but she had a cute girl's face.

"Watch your manners. I'm your brother." Weston protested.

Although he might not be able to defeat his sister, she should show some respect.

Weston felt a little hurt.

"You came out ten minutes earlier than me. Why should I call you brother? Why don't you call me

sister?" Abril talked back.

She had always wanted to have a younger brother, but her father never wanted to have another child.

So she had no choice but to let Weston become a younger brother.

It was only ten minutes.

"Every minute counts. I'm your elder brother."

“Who knows if the doctor made a mistake? Don’t even think about it!

“Hey, why are you so unhappy? Why do you wear a sad face?” They shouldn’t keep fighting like that.

“Nothing. You don’t understand.”

“Nelson didn’t come back, right?” Abril broke the silence.

“Why do you ask if you know it?” Weston glanced at his sister. She was not cute at all.

“By the way, what’s going on between you and Nelson? Are you going to be together?” Abril was eager to know the truth.

Weston was speechless.

“You’re overthinking,” Weston pushed his sister out and said, “Hurry up. Don’t disturb me.”

Although the two families had tacitly agreed, he still didn’t know how to say it after being asked by his sister so suddenly.

In particular, Abril was not good at keeping secrets. What if Nelson knew it?

He couldn’t help whispering, “Damn it! You promised to come back when I’m 20 years old. I am 20 now,

yet, you bad guy!”

but I haven’t you

He muttered for a long time, and he felt more and more irritable.

When everyone was having fun, he went to the garden and sat in a daze.

“Nelson, if you don’t go out now, I will bomb your base!” He was very cute when he looked fierce.

“You can’t do that. If you bomb the base, I will be guilty.” Suddenly, the voice from behind stunned

Weston!

Was the man he thought of coming back?

“You... You come back?”

Chapter 525

“Yeah, if I don’t come back soon, someone will bomb my base. What can I do?” Nelson, who had been absent for two years, became more solid, and his skin looked healthy. He became a strong man.

“Humph, why didn’t you come back earlier?”

After saying that, Weston directly threw himself into Nelson’s arms, and they fell to the ground together.

“Nelson, how should you make it up to me?” Weston smiled evilly as if he had seen his prey.

“Get up.” Nelson pushed Weston and found that he couldn’t push him away. When did Weston have such great strength?

“No, you haven’t said how to make it up to me...”

Chapter 526

Cassandra and Kenneth had been married for six years. It was in Zosteylor.

Darren stood by Leanna’s side as usual, but he had been waiting for more than seven years. How long

did he have to wait?

“Leanna, I’m almost 60 years old. How long are you going to keep me waiting? Can you wake up?”

For most of his life, he had been guarding a sleeping body and wasted his whole life.

However, he was willing to.

Looking at this scene, Harper was numb. It wasn't that he was unfilial, but they abandoned their children for their love. He couldn't accept the fact that his innocent sister had to be abandoned by them

again and again.

He just came here every day as a routine, without any extra feelings.

However, what they didn't know was that Leanna seemed to be trapped in a dream.

In the dream, a child was taken away from the hospital. It was her child. She knew that she wanted to stop him and tell him that it was her child, but no one could hear it at all.

That man placed the child at the door of the welfare home, and she was guarding the child there. The next day, the welfare home received another child who seemed to be a little older than her own.

That child was abandoned by his mother.

She didn't know why someone wanted to hurt her child and kill her child. They thought that she had robbed something. The dean had no choice but to throw the child away.

"Why are you throwing away my child? It's mine!"

No one answered her, and no one could hear her.

Chapter 526

The child was adopted by an old lady in the end.

“Poor girl, you don’t have a mom. Then live with me. You will be my granddaughter from now on.”

The child grew up happily until she was ten years old. That old lady was very kind to her. She was pleased to stay by her side. This was her daughter, so she naturally had to protect her.

However, after the old lady died, there was a change. The girl began to work hard and study desperately. She learned everything. Fortunately, she had high talent and could learn anything quickly.

But somehow, when she was 18 years old, a man who claimed to be her biological parents came to her.

Her life changed. Her brothers misunderstood her, and the so-called parents didn’t understand or

believe her.

And there was a fake daughter.

All the scenes turned ugly.

On Desert Island, she saw her child fighting for food and life with wild animals.

What was going on? They didn’t treat her like their little sister. Why did they do that to her?

“No.

“Be nice to my daughter.

“She is a princess, the daughter of my royal family.”

But no one paid attention to her at all. Her daughter was suffering inhuman pain just because she

regarded those people as her parents.

“That is not your parents. I am.”

“Sister, why did you do this to me?” The knife was stabbed into her daughter’s chest.

“No...”

Chapter 526

Those men were not human beings.

How **dare** they **treat** her daughter like this?

And how dare they let that trash bully her daughter?

“You’ll get what you deserve!”

Her daughter died in front of her, just *lying*

there.

Why?

Wait, what was going on?

Her daughter seemed to have changed. Why did she start to alienate the Yate s family? What was going

on?

It seemed different.

Wait!

What was reincarnation?

That wasn’t an illusion. Her daughter died in the hands of those scumbags?

Now her daughter was reborn.

So this was the reason why she didn’t want to accept her?

It turned out that she and Darren were the culprits.

They made Cassandra's tragedy.

If Kenneth hadn't begged for ten years by the Sandu River, her daughter would not have come back.

It **was** no wonder.

Chapter 526

Suddenly, Leanna opened her eyes. Darren was stunned as if he had seen a ghost.

"Leanna, are you awake?" He couldn't believe it.

"Darren, our daughter..." Leanna was fine. She had been in a coma for a long time and couldn't speak

well.

Darren didn't care about anything else. He just wanted to reunite with her. He sat on the edge of the bed. and hugged her in his arms. "You finally wake up. Do you know I have been waiting for you for more than seven years?"

His voice trembled as if he couldn't believe it was true. His lover finally woke up.

"Darren, our daughter. I know why she doesn't accept me." Leanna didn't care about reunions with him or even her son. She said, "It was you who changed her genetic data and mismatched it with Benjamin. Do you know that our daughter died at their hands?" As long as Leanna thought of everything in her dreams, it hurt so much that she couldn't breathe. That was her daughter.

Why should her daughter go through this? It was their fault. They deserved to die.

"How... How is this possible? Didn't they..." Darren couldn't say a complete sentence. How did Leanna know that? She had been sleeping all the time.

"Leanna, how did you know that? Did Cassandra say something to you before you passed out?"

“No, I dreamed about it. I dreamed of Cassie’s previous life... She was tortured by her so-called biological parents and refused to accept me. I deserve to die...” Leanna cried out in grief.

Darren was confused by her words and didn’t know what she meant.

However, he could tell that Leanna was very guilty about what happened to Cassandra. But this guilt couldn’t be made up for.

“Leanna, I’ll take you to Cassandra when you get better. We apologize to her and try our best to get her back.” He could only coax her and couldn’t let her cry all the time.

Leanna knew that Darren didn’t understand what she was talking about, so she nodded and fell asleep

directly.

Darren didn’t expect that Leanna would ever wake up.

The doctor announced the “time of death” when he examined her.

Darren couldn’t accept it. Why did she just wake up and abandon him again?

Who could tell him why?

The doctor took all kinds of measures to save her. However, her heart still stopped beating.

He was unwilling to let go.

On the other hand, Cassandra suddenly woke up and found Kenneth looking straight at her with pain and affection in his eyes. “You’d been through a lot in your previous life.”

Cassandra smiled softly. “Yeah, but I’m a lucky girl. Because I got you. You prayed for ten years, so I can’t

be reborn and start all over again.”

She felt lucky. Luckily, she met Kenneth ten years ago. And she met him and fell in love with him again

after so many years.

Cassandra thought that she should have let go of everything and loved the an in front of her.

“Cassie, I love you.”

“Kenneth, I

I love

you too!”
