Edward, on the other hand, didn't press anymore and got to work immediately. However, he wondered.

what Nicholas' intentions were for Tessa.

Meanwhile, at the Reinhart Residence, the bodyguards who had been sent to the Residence

Having listened to their reasons, he agreed that time was something they could not.

They allowed themselves, so they got up and went to see Timothy in the dead of night.

Timothy was currently held captive in the heavily guarded former Reinhart mansion.

Silas and Lauren were soon arriving. They had just walked through the door when Silas sneered and asked with

sarcasm: "Have you already considered our offer, brat?"

Timothy estaba sentado en la esquina de la habitación con los ojos cerrados, pero cuando escuchó esto,

soltó una áspera carcajada. Ni siquiera quería dignificar a Silas con una respuesta.

Al ver su desafío, Silas se indignó y su voz adquirió un tono más duro cuando exigió:

Lauren, sin embargo, se apresuró a calmarlo. "Ahora, ahora, cariño, ¿por qué te irritas tanto? Déjame esto

Timothy was irritated at this, and his eyes slammed open. He fixed a cold and sinister gaze on her.

His chin rose at a haughty angle while laughing. "Oh, I guess there's something getting in.

We are, but what are you going to do about it? I know you care a lot about your sister, Timothy, so

I won't hurt her yet. If you hand over that software of yours to me, maybe I'll consider letting you go. If you don't...

I guess your sister will have to marry for our benefit."

He rubbed his temple as if the idea exhausted her. "Our family has some elite acquaintances, and

Timothy was so furious that his anger soared and he was almost hysterical with rage. Suddenly, he looked at Silas.

And he cried out, “Silas, is this your intention?”

Silas opened his mouth, but he did not deny it. Therefore, Timothy let out a chilling grimace. “Good,

Under Timothy's gaze, Silas felt that guilt was growing in him, so he hurried to leave with Lauren.

The next day, Tessa had breakfast early in the morning and immediately called the Reinhart family.

to ask them angrily, "Lauren, are you going to let him go or not?"

At this point, it was already 7:30 AM. It was still half an hour before the 8:00 a.m. appointment with Timothy.

so naturally Lauren couldn't let go.

Lauren laughed loudly on the other end of the phone and spoke in a reckless tone. "Tessa, do you want to

report it to the police?

No han pasado 24 horas desde que Timothy desapareció, así que no tienes suficiente tiempo para

presentar un caso. ¿Crees que a la policía le importará?

Después de hablar con valentía, colgó el teléfono.

Tessa estaba extremadamente exasperada. Por supuesto, ella sabía que la policía no abriría un caso si las

personas habían desaparecido por menos de 24 horas. Sin embargo, ¡no podía esperar

más! Inmediatamente salió, lista para dirigirse a la comisaría a denunciar el caso. Antes de irse, Gregory

tiró de la esquina de la camisa de Tessa y dijo de mala gana: "¿Todavía vendrás por la noche, señorita

Se inclinó y acarició con amor la cabeza del niño, diciendo en voz baja: "No estoy seguro, pero si voy, te

llamaré con anticipación”.

Él asintió, sus dos ojos oscuros y redondos como uvas. Luego, volvió a preguntar: “Entonces, ¿lo que

dijiste ayer todavía cuenta? ¿Volverás para enseñarme?

Tessa sonrió cálidamente. “Por supuesto. No te preocupes, cariño. No me retractaré de mi palabra”.

“¡Hurra!” El pequeño asintió, luciendo mucho más tranquilo, y solo entonces le permitió irse.

Coincidentally, at this time, Nicholas also left the house. The morning sunlight fell

“Go ahead,” Nicholas spoke coldly without raising his head.

Edward explained: “President Sawyer, according to my research, Miss Reinhart's brother, Timothy,

Hearing this, Nicholas suddenly became cold and stern. “Why does the Reinhart family want to take

The topic finally reached the most important part.

He looked inexplicably serious as he continued: “According to my sources, Timothy and his partner

After listening to the story, Nicholas' expression stiffened, and his eyebrows tightened.

Could it be that this woman is going to get Timothy back alone again?

Although this woman looked tame on the surface, she was actually stubborn. Clearly, given that

She couldn't take her brother home, refused to give up, and returned early in the morning.

Suddenly, Nicholas ordered coldly: "Drive faster and follow Tessa. I want to see what she

When Edward heard this, he was a little startled. "President, forgive me for saying this, but don't you?

¿Demasiado preocupado? Cuando Edward terminó sus palabras, Nicholas lo miró por el espejo

Timothy. Si podemos obtener esto y firmar el contrato sin problemas, será de gran ayuda para la

Al escuchar esto, de repente se dio cuenta de las intenciones de Nicholas. Entonces, inmediatamente

pisó el acelerador y alcanzó a Tessa.

Unos minutos más tarde, se apeó del taxi en la comisaría y corrió directamente a denunciar el caso.

“Oficial, mi hermano ha sido secuestrado. ¡Quiero denunciar un crimen!” ella gritó en voz alta.

Una vez que la policía escuchó que se trataba de un caso de secuestro, se acercaron rápidamente y

Tessa told them the truth, but after the police officer heard her, she frowned and

They must be dreaming! However, Timothy was not naïve. He knew well what the situation of the

Lauren's pupils contracted; she chuckled, "Little brat, what do you mean?"

Lauren estaba tan enojada que su respiración se aceleró. Apretando los dientes de nuevo, miró a

Timothy con odio. ¡Parece que tenemos que usar más fuerza en estos dos para obtener lo que

queremos!

Sin embargo, justo cuando estaba a punto de hacer algo, Silas de repente habló desde un lado: “Daré 1

millón, pero no más”.

Diciendo eso, le entregó el teléfono directamente a Timothy y luego ordenó: “Llama a tu compañero de

clase ahora y pídele que envíe ese software. De lo contrario, enviaré a tu hermana a Linus Corporation”.

¿Corporación Linus? Timothy nunca había oído hablar del nombre, pero su intuición le dijo que Linus

Corporation definitivamente no era un buen lugar para ir.

“Ja”. Mientras reflexionaba, Sophia de repente se rió a un lado. Miró a Timothy con desdén y se regodeó:

Timothy gritted his teeth indignantly, the sarcasm in his eyes incomparably deep. "Silas, do you think everyone is as cold as you and only cares about the money? B*stard! You will never have a good ending!"

After saying that, he took his phone and called Henry.

Resentment boiled deep in his heart, but he didn't say a word. All he did was

Half an hour passed, and Henry had finally arrived. As he walked through the door, he saw at a glance that

Timothy was with Silas, and he couldn't help but be surprised.

"Timothy, what's going on?"

Henry took a few steps forward with uncertainty. Timothy looked at Henry, his eyes full of

guilt before explaining why he told Henry to come.

"What?" After hearing the explanation, Henry was shocked for a long time. There was never

Immediately, Henry gritted his teeth and became resentful. I was angry, not because the software

When Lauren saw that, her eyes instantly darkened! How dare this boy leave?

Everyone was stunned to hear this! As for Silas, he was really frustrated. Never

He imagined that this problem would occur right after he managed to force Timothy to agree to sell the

software.

Moreover, what Henry said was true. It didn't matter if Silas had forced his own son, but it was

against the law to compel others. After thinking about it, he suddenly relaxed his tone a little and said, "So,

How about this, Mr. Tompkins? I can give you 5 million as originally agreed. You just need to leave

This software here with us and both can leave in peace."

However, Henry sneered and replied, "Sorry, I don't sell it for 5 million. I already said I want 20

When these words came out, everyone in the room was stunned. Timothy was also surprised, but

he soon realized that Henry was trying to get justice for him. Therefore, his heart

He couldn't help but feel a little warm.

As for Lauren, she was furious. How could anyone challenge her?

From then on, Tessa stood up, brimming with anger. His eyes were scarlet with rage. while coldness emanated from her. "Who pushed him?" she demanded in all seriousness.

“You!” Hearing this, Silas was so furious that he almost exploded. “Tessa, I dare you to say it about

new!”

Tessa's eyebrows gradually tightened cruelly. “What if I do? Everyone can see what kind of

of person you really are! Also, let me warn you, if this kind of thing happens again, never

I'll let go! Let's go!”

Después de decir eso, se inclinó y recogió a Timothy, lista para enviar a su hermano al hospital. La policía

también se presentó sin decir nada y quería llevarse a Silas y Lauren. Silas parecía nervioso al pensar que,

después de todo, él era el presidente del Grupo Reinhart.

Si se supiera que hoy me llevaron a la comisaría, ¿qué pensarían los de fuera?

Al pensar en esto, inmediatamente gritó fuerte y enojado: “¡Tessa, detente ahí mismo!
¿Estás seguro de

que quieres hacerme esto? ¡Yo soy tu padre! Si me tratas así, ¿no tienes miedo del karma?

Cuando Tessa escuchó las palabras, hizo una pausa y se volvió, sonriendo sarcásticamente. “¿En

realidad? ¡No sé si sufriré karma, pero al menos sé que es hora de que seas castigado por todas las cosas

terribles que has hecho en el pasado ahora! Disfrútala; ¡Todo es obra tuya!

Después de decir eso, recogió a su hermano y se fue sin mirar atrás. No importaba cuánto gritaran Silas

y Lauren detrás de ella, ya no les prestaba atención.

¡Estos idiotas! ¿Harían lo que hicieron si supieran que enfrentarían esto hoy?

Pronto, toda la gente salió de la casa. En este momento, el lujoso Rolls-Royce gris oscuro todavía estaba

esperando al borde de la carretera. Después de dudar por un momento, Tessa caminó lentamente con

su hermano y golpeó suavemente la ventana del auto. La ventanilla del coche se deslizó hacia abajo,

revelando el rostro impecable y el aura poderosa de Nicholas.

Mordiéndose el labio inconscientemente, Tessa sintió algo de aprensión, pero aun así preguntó:

“Presidente Sawyer, es difícil tomar un taxi en este vecindario, ¿podría enviarnos al hospital?”

Nicholas levantó su mirada indiferente y miró la frente manchada de sangre de Timothy, luego los dejó

entrar sin decir una palabra. En ese momento, Henry también lo siguió. Todavía estaba agarrando la

computadora portátil en su

manos, y tenía moretones. Por lo tanto, fue al hospital junto con los demás.

Por otro lado, Silas y Lauren también fueron escoltados al coche de policía sin piedad. Sophia nunca

había visto esta escena antes, por lo que se sintió aterrorizada en su corazón. Rápidamente los alcanzó,

gritando desesperadamente: “¡Papá, mamá!”

“Sofia!” Lauren’s eyes filled with tears. Silas, on the other hand, was calmer. Before you leave,

She made sure to tell her daughter what to do next.

“Sofia, it’s okay. Talk to Mr. Fisher, our firm’s attorney, and ask him to help me rescue me. Do you listen?”

After Tessa sent her brother to the hospital, she immediately subjected him to medical examinations.

and bandaged his wounds. Fortunately, apart from suffering some superficial injuries, there was nothing

serious in Timothy’s injuries, and Tessa couldn’t help but breathe a sigh of relief when she heard that,

feeling much more relieved in her heart. After his brother received treatment for

Wounded, everyone left the hospital.

At this time, Tessa unexpectedly saw that Nicholas hadn’t left yet and was still

waiting outside. Thinking of what had happened today, she bit her lip and immediately

he went forward to thank Nicholas. “President Sawyer, thank you very much for today. If it weren’t for your

Help, my brother might still be locked up right now.”

She was really grateful to him from the bottom of her heart this time. After all, if he doesn't

She would have been there, she really wouldn't have been able to guarantee that she could get her brother out alone.

Nicholas' expression was the same as always, without the slightest hesitation. He said indifferently: “It's not big.

thing. As long as you're fine.”

As they talked, Henry went out with Timothy. Seeing his sister talking to a man, Timothy

He surprised a little, so he walked over. “Who is this, Tessa?”

Smiling, Tessa quickly introduced: “Timothy, this is Chairman Nicholas Sawyer of the Group

Sawyer.”

Once Timothy and Henry heard who this man was, they were both stunned,

especially Henry, who immediately adopted a proper posture. It was widely known.

that the Sawyers were the most important family in the country and that the president of the Sawyer Group was a

legendary figure.

Both of them didn't expect Tessa to meet this man. However, Tessa didn't notice anything and kept going.

sonriendo. “Timothy, de hecho, solo pude traer a la policía gracias a la ayuda del presidente Sawyer. Sin

él, es posible que realmente no pueda salvarte “.

Al escuchar eso, Timothy rápidamente volvió a sus sentidos, luego se inclinó cortésmente. “Gracias,

presidente Sawyer”. Nicholas todavía parecía indiferente; simplemente dijo con voz helada: “No hay

necesidad de agradecerme. No es un gran

problema. Ya que estás bien, me iré primero.

Tessa asintió levemente y dijo: “No te preocupes por Greg. Iré a enseñarle”.

Al escuchar esto, Nicholas la miró profundamente por un momento, luego asintió y estaba a punto de

irse. Inesperadamente, antes de que pudiera alejarse, Timothy de repente le gritó: “¡Presidente Sawyer,

por favor quédese un minuto!”.

Deteniéndose, Nicholas levantó levemente una ceja y miró hacia atrás confundido. “¿Hay algo más?”

El corazón de Timothy latía con fuerza y su respiración era un poco rápida. Inconscientemente tragó

saliva y finalmente reunió el coraje para preguntar: “Presidente Sawyer, ¿está libre? ¿Puedo tomar algo

de su tiempo? Tengo algunos asuntos de negocios de los que quiero hablar contigo.

Al escuchar eso, Tessa y Henry se sobresaltaron. Este último, naturalmente, sabía lo que Timothy quería

hacer, y de repente, él también se emocionó un poco y su mirada también brilló. Los ojos profundos de

Nicholas se desviaron un poco, pero estaba un poco sorprendido. Originalmente, estaba planeando

encontrar una oportunidad para hablar sobre esto, pero no esperaba que la otra parte tomara la

iniciativa de acercarse a él.

Sin embargo, Nicholas no estaba impaciente. Sus ojos negros recorrieron a Timothy, y al ver el vendaje

alrededor de su cabeza, no pudo evitar preguntar en voz baja: “¿Estarás bien?”

“Estoy m-” Timothy quería decir que estaba bien, pero después de hablar un rato, se sintió un poco

mareado y se tambaleó hacia atrás de repente. Cuando Nicolás vio esto, dijo sin ti “No hay prisa. Ya que

no te sientes bien, vuelve a descansar primero y podemos fijar otro momento para discutir asuntos relacionados con el trabajo”.

Al escuchar esto, Timothy no tuvo más remedio que asentir. “Está bien, entonces que tenga un buen día,

President Sawyer.”

Without hesitation, Nicholas turned around and left quickly. After the Rolls-Royce drove away,

Tessa breathed a sigh of relief. Turning his head, he asked with a slightly puzzled tone: “Timothy, the

Work-related issue they discussed just now is about the software that developed?”

Timothy replied, “Yes. I developed a piece of software with Henry, and it was also the reason why

Silas came to get me.”

first. Let’s talk about the rest later.”

Timothy nodded docilely. “Agreed. Thank you, Tessa.

Tessa smiled happily but felt a little worried in her heart, so she added: “But Timothy, You shouldn’t go home these days. Go and live on campus for a while, where it’s safer.”

Timothy understood that she was worried that the Reinhart family would come to her house to look for trouble.

so he naturally nodded. Then, he couldn’t help asking: “Then where would you live?”

Startled, Tessa realized that she had forgotten to consider where the night. It seemed to be a difficult problem. However, he thought that things would naturally fall into his place, so he smiled softly while reassuring his brother. "Don't worry, I will find a place to stay."

Although Timothy was not at ease, there was no other way, so he nodded. On the other hand, Henry was a

little confused, so he asked, "Tessa, are you worried that that family will look for you again? ¿But no

Tessa smiled bitterly. "What's the use of being arrested? They will be released sooner or later. It's just

They will let go now that they were harmed by us."

Hearing this, Henry couldn't help but fall silent, sighing silently inside. ¿Timothy and Tessa are very unlucky to have such a horrible father!

Of course, Henry didn't dare to say this out loud. After all, it was like rubbing salt on their

wounds, so he just kept it in his heart.

So, Tessa thought of something and asked kindly, "Henry, can I ask you a favor?"

"Yes. Tell me." Enrique nodded.

Smiling, Tessa then said, "Actually, it's not a big deal. I just want to ask you to help take care of

Timothy because he is physically weak. Now that he's injured, I'm worried about letting him stay in the

campus. So, I hope you can help him with things. With regard to today's incident, I regret

Very much to have been involved in it and to have hurt you.”

When Henry heard this, he smiled brightly. “Tessa, you are too polite. I’m a good friend of Timothy and I have thick skin, so they didn’t hurt me at all.”

Tessa smiled even more when she praised: “You are brave and fair. Timothy is lucky to meet a good

friend like you. Anyway, thank you very much.

At the compliments, Henry felt a little embarrassed and blushed without saying another word. Soon

They arrived on campus.

Before the two got out of the car, Tessa continued to remind her brother, saying, “Timothy, if

There’s something going on campus, he remembers calling me. Take care of yourself.”

Timothy nodded obediently, then smiled. “Don’t worry, Tessa. I will take care of myself. Take care

you too.”

Satisfied with the answer, she said no more. After that, he saw the two entering the doors before

leave and head to Dynasty Gardens.

“Miss Bella is back!”

When Tessa entered the door, Gregory didn’t expect her to come back so soon and was shocked. His

Unhappy little face lit up and immediately ran with her short legs before hugging the leg of

Tessa.

Similarly, she also smiled warmly. He squatted down, lovingly rubbed his head

of the boy and asked, “When I wasn’t home, what did you do?”

Gregory jumped up and said, “I was with grandma!”

At that, Tessa was stunned, and when she looked up, she saw Stefania. Stefania was now seated

on the sofa quietly, his expression somewhat serious, and his look complicated when he looked at Tessa.

When Gregory had food poisoning, he blamed Tessa in the first instance, prompting

that the atmosphere became very uncomfortable. Unexpectedly, in the end, he had hurt someone.

innocent.
