When Nicholas finished with his speech, he looked away and gave his assistant permission to leave. “You can leave now. If there are other important documents, you could take them to Kieran.”

“Understood, President Sawyer.” Edward nodded and walked away.

Surprised by the caller's tough attitude, Nicholas frowned and asked in a voice.

When the caller heard a man's voice, she looked stunned and asked, "Who is speaking?"

Nicholas cast a glance at Tessa, whom he saw still sleeping. So, it took a second to

“Ah, claro. Su superior. Amber se suavizó un poco cuando Nicholas le dijo que él era el superior de

“Ella está en el trabajo ahora”, respondió Nicholas con una mirada glacial en su rostro.

Amber se quedó sin palabras y se vio obligada a cambiar de tono. “Oh, en ese caso, por favor dile que

Tan pronto como Nicholas escuchó eso, colgó la llamada de inmediato. A juzgar por el tono

desagradable de la anciana, se dio cuenta de que no era alguien fácil de llevar. Luego, recordó los

"I'm glad you're okay. I don't want you to get sick, Miss Bella. Greg let out a sigh of relief to hear Tessa's words.

Tessa remembered what happened last night and nodded awkwardly with her flushed cheeks. "By

Nicholas' eyes darkened because he soon remembered the call Tessa's grandmother had made.

Done before. After a brief hesitation, he decided to go ahead and tell him. "Your grandmother called you

several times this morning and demanded that you come back, saying that he has something to talk to you about."

Tessa was stunned when she heard Nicholas' words. Grandmother? Are you talking about the old lady?

of the Reinharts? Thinking of Amber, you could see Tessa with her eyes becoming indifferent, her voice

sounding as cold as ice. "Okay, I heard you."

Despite Tessa's affirmative answer, it was clear that she didn't want to go home. Basically,

As soon as Tessa heard what Nicholas said, her icy eyes were filled with warmth once more. Then he looked at Gregory and spoke in a soft voice. “Honey, that’s very kind of you.

Upon hearing the news, Amber was enraged and condemned Tessa for passing off her only child for so much.
