Chapter 11 – You were no good during that night

Xiao Wang immediately opened the window and asked, “Do you two need me...to wait for you two??” Just that, this voice became smaller and smaller, seemingly as if he was just saying that as a show of respect to his work. Seeing them walked away, he stepped onto the pedal. I don’t want to see those two anymore, they are too hurtful.

Sizing up the surrounding food stalls, Qing Ya pursed her lip, “Do you normally eat those?”

“I normally order take out.”

“In any case, you are also a boss, why do I feel that you are especially poor?” Qing Ya had wanted to ask this question for quite a while, but she was afraid of hurting Ye Hua’s pride.

Ye Hua walked towards a skewer shop and said leisurely, “I donated the money that I earned, and the rest is used to pay the workers’ wage.”

“You actually know how to donate money?” Qing Ya seemed as if she had just discovered a new mainland. The impression that Ye Hua gave her was that of a cold and detached playboy. Incorrect! The impression that Ye Hua gave her was only that of a playboy that has serious eccentricity. But right now, in her view, she felt that he still at least had a bit of heart.

“I heard that one could nurture compassion by doing this.”

“You do indeed lack compassion.” Qing Ya immediately found a loophole and mocked at Ye Hua.

Ye Hua’s footsteps suddenly came to a stop, causing Qing Ya who was immeasurably self-satisfied to knock into him.

“If...”

Ye Hua did not even finish speaking and Qing Ya cut him off and said, “If it was in the past, you would have already killed me, I know, I know, but the question is, do you dare to kill me now? Aim and stab right at my stomach, remember to aim properly!”

Ye Hua took a few huge deep breaths. Staying together with this woman, I will sooner or later turn back to that state in the past. However, as the child’s mother, it is not bad

that she has this kind of courage. She has a chance to become the supreme overlord's madam.

Seeing that Ye Hua was unhappy, as if he just ate a housefly, Qing Ya felt really happy, just that she kept that happiness in her heart and her expression was still that cold as usual, seemingly as if everyone around her owed her money or something.

The two of them casually found a table and sat down on the table. The waitress brought a menu and ran over. The waitress was an adorable young lady, she did not dare to look at the two people and had her head lowered.

Ye Hua took the menu and tossed it over to Qing Ya, seemingly lazy to even order dishes.

"Lazy thing." Qing Ya mumbled. However, she was indeed feeling hungry right now, after all, she did not eat breakfast when she woke up in the morning.

Ye Hua did not bother with her, if not for the child, I wouldn't even sit with her and have a meal together. I really want to use magic on that mouth of hers and seal it.

Qing Ya also did not take the initiative to chat anymore. The two of them quietly waited for the dishes to be served. After all the dishes were served, Ye Hua said calmly, "Prepare for me."

"Prepare what?" Qing Ya went into a daze.

Ye Hua indicated by looking at those skewers, then looking at his own bowl.

Qing Ya was angered to the point that she laughed. Do you really think that you are a big shot? To actually want me to help you prepare, do you want me to also feed it into your mouth!

"Prepare it yourself." Qing Ya said coldly.

"You are my wife now, you have the authority to serve me." Ye Hua said with a deep voice, seemingly feeling in a bit of a bad mood already.

Qing Ya almost spat out the tofu that was in her mouth, "I have the authority to serve you! Sorry, I give up on this kind of authority."

If it was during normal times, Ye Hua would still prepare it himself, after all, there was only him alone. But right now, this woman was considered nominally as his wife already. If he was to still have to prepare it himself, if words of that were to spread out, he would be losing face.

Seeing that Ye Hua remain seated and did not eat anything, Qing Ya pouted her mouth and said, "Your temper is quite big huh."

Ye Hua did not pay attention to her. I should not come out with her to eat anymore in the future.

After 10+ minutes had passed, Qing Ya was amazed by Ye Hua, finally, she stretched out her hand, prepared a skewer for Ye Hua and placed it in his bowl, "Eat it."

"Seems like you have already realized your own mistake." Ye Hua said coldly, then picked up his chopsticks and picked up the meatball.

Qing Ya felt that her lung was going to explode already, why is this fellow this annoying? I only prepared a skewer for you after seeing that you were so pitiful.

"Prepare another skewer for me."

"Are your hands broken?" Qing Ya was not going to pity Ye Hua anymore, and her tone was even colder.

"Prepare another skewer for me, I won't repeat it the second time!" Ye Hua felt that this woman really needed to be taught a lesson.

Qing Ya snorted coldly, "You already said it the second time."

"Pa." Ye Hua slammed the chopsticks heavily onto the table. The surrounding customers were all shocked by that and wondered just what this super good looking man and women were doing.

Qing Ya was also shocked by that, and she felt really grievance in her heart. Resisting her tears, she said, "Come on, hit me then!"

Looking at the eyes that were gradually turning red, Ye Hua's anger calmed down by a bit. He leaned on the chair once again and did not say anything.

However, the surrounding customers were all discussing spiritedly.

"Holy shit, that handsome guy was going to hit that beautiful woman."

"Tsk, tsk, tsk, to even be able to bear to lay his hands on a woman like this, this handsome guy is truly..."

"The handsome guy is so handsome!"

"Sicko!"

The atmosphere between the two immediately became calm, all the way until Qing Ya's phone rang. Looking at the caller, Qing Ya wrinkled her brows, however, she still picked up the phone.

"Qing Ya, I heard that you went to Long'an City, why didn't you inform me, I could have accompanied you to go to Long'an City."

Qing Ya said indifferently, "I'm accompanying my husband, I'm going to hang up first."

"Qing Ya, can you not be mature a bit and not play this kind of routine anymore? I know that your impression towards me is not good, but feelings can be nurtured." The man on the phone seemed to be very persistent, and at the same time, had blind confidence of himself.

"I'm accompanying my husband, I will not repeat this sentence a second time!"

Ye Hua said indifferently, "This is the second time already."

Qing Ya ruthlessly took a glare at Ye Hua, just whose side are you on!

"Alright, alright, alright, you are accompanying your husband. Grandpa wants us to go back to have a meal, just nice you are at Long'an City right now, I will come to Long'an City this afternoon, how about we have dinner together tonight?"

"I'm not free! I'm accompanying my husband!"

Ye Hua said indifferently, "This is the third time already."

Qing Ya couldn't stand it anymore and shouted, "Will you die if you don't speak!"

"What are you talking about Qing Ya?" The person on the site was confused, he felt that Qing Ya's anger was very big today.

"I want you to die!" After finish speaking, Qing Ya hanged up the phone and began gorging on the food.

All the customers that were present were shocked. This woman is really hard to suppress, she has such a strong aura, wanting someone to die at the drop of a hat...

Ye Hua took out a cigarette and smoked silently.

"I'm full already." Qing Ya stroke her flat belly and felt that she had eaten up all her gloominess into her stomach, and after a while, all of it would be digested.

Ye Hua did not say anything and stood up and walked out of the stall.

“Hey, are you really not going to eat? I’m asking you a question!” Seeing that Ye Hua really walked out of the store, Qing Ya paid the bill and hurriedly followed after him. This fellow sure is stubborn.

After catching up to Ye Hua, Qing Ya was a bit gasping for breath, “Can you walk a bit slower!”

Ye Hua turned his head over and took a look at Qing Ya, “Your body is no good, during that night, you almost fainted after only half an hour.”

“I.....”

Ye Hua’s words immediately made Qing Ya recalled what happened during that night.

“You are precisely a bastard!” Qing Ya shouted coquettishly and walked towards another direction while panting in rage.

Ye Hua originally did not want to chase after her, but after thinking that his child was still in her stomach, he had no choice but to chase after her. This woman is really a woman that makes one feel vexed!

Chapter 12 – Comparing figure? I’m not afraid of you!

Qing Ya who was panting with rage walked straight forward all the way, and unconsciously, there was actually no more path to walk. Without choice, she turned around and immediately saw Ye Hua who was catching up with her. At this moment, half of her anger had already disappeared, but she still did not pay attention to Ye Hua and walked towards the shopping center.

The two of them arrived at the shopping center. Every time when Qing Ya entered into a shop, she would discover that Ye Hua was standing outside of the shop while smoking. I will count it that he still has a bit of conscience! However, when she walked out of the last shop, Qing Ya discovered that Ye Hua suddenly disappeared!

This damned bastard, where did he run off to! It can’t be that he saw some beautiful woman and eagerly followed after the beautiful woman right!

“You finished buying everything?” Ye Hua walked out unhurriedly from the other side.

Qing Ya’s brows wrinkled, “Where did you run off to just now!”

“I went to the toilet.” Ye Hua said indifferently.

Ye Hua snorted, I will count it that you are tactful!

“Carry it.”

“I’m not carrying it.” Ye Hua took a look at those small and big bags. As a supreme overlord, how can I help a woman carry things! If words were to spread out, where would my status be and how would others view me!

Qing Ya was simply angered half to death. She felt that living together with this man, she would definitely have to live half a lifetime lesser.

Taking out her phone, she called Liu Hang’s phone.

“CEO Qing, is there anything that I can help serve you?”

“Send a car over to First-Rate Shopping Center.” Qing Ya said indifferently.

“Alright CEO Qing, please wait a moment.”

After hanging up the phone, Qing Ya looked at the hateful figure and mumbled, “Forget it if you are not willing to help me carry things, but you still even walk that fast, do you not know that I am pregnant?!”

“That’s right! Why did I forget about this, I am a pregnant woman, I am the biggest!”

“Aiya!” Qing Ya cry out in alarm and feigned falling down onto the floor and held onto her stomach with a face full of pain.

Ye Hua’s figure came to a stop, red light radiated within his pitch-black eyes, and when he saw that the small life was safe and sound, he let out a huge breath of relief.

But, this woman almost caused my child to be gone! Anger, rage! The entire shopping center suddenly trembled lightly. It caused everyone to be shocked, they thought that it was an earthquake. Luckily, the tremble disappeared very quickly. Just now, if not for Ye Hua controlling it well, everyone in the shopping center would have most likely been dead.

“What’s the matter with you, don’t you know how to talk!” Ye Hua shouted towards Qing Ya. Everyone in the shopping center heard that and couldn’t help but looked over.

Qing Ya was stupefied by Ye Hua’s shout at her. I am pregnant with your child, what’s wrong with me telling you to help me carry some things! Although I feigned the fall, can’t you at least be concerned about me for a bit!

Tears of grievance immediately started falling out as she thought about the helplessness during this period of time. I thought that I found a person who could help me, but in the end, I found a much more cold-blooded fellow!

“That’s right! I don’t know how to walk! You leave! The child and I don’t need you to care! I don’t want to see you anymore!” Qing Ya cried, and she cried out very brokenheartedly. Not a single man is a good thing at all, why is my life this bitter...the men that I meet are all scumbags.

The people at the shopping center leaned forward on the guard rail and looked at Qing Ya and Ye Hua and sighed incessantly. Such a beautiful woman is actually pregnant, and the man seems to be very cold-blooded. The woman had already fallen down on the floor and the man did not even show a bit of concern at all, and instead even questioned her if she knew how to walk or not, tsk, tsk tsk...

It was the first time for Qing Ya to lose her self-control like this and weep endlessly in a public place with where there were numerous people. Suddenly! Qing Ya who was crying bitterly felt something strength carrying her up. When she opened her eyes, she saw that face which seemed as if it was carved. It must be said that, Ye Hua was indeed really very attractive.

“Even if you don’t find it embarrassing, I also find it embarrassing.” Ye Hua said indifferently.

Qing Ya took a look at the surroundings and discovered that there were a lot of people looking at her. I must have definitely been very embarrassing just now, I hope no one took a video of me just now, this is but precisely my black history! All of this is to be blamed on that damned bastard, to actually shout at me like that!

But...I am carried in his embrace right now! What does this count as, does he know that he is in the wrong already?

Incorrect! He said that I am embarrassing, how am I embarrassing! Which woman is able to grow up as beautiful as me, have such a good figure like me, and also have that much money at the same time! And he even dares to say that I am embarrassing, he is too much of a bastard!

“Let me down!” Qing Ya said calmly, her small face was a bit face.

Ye Hua took a look at her, “Are you able to walk properly?”

“You are the one that is not able to walk properly!” Qing Ya snorted and walked forwards in huge strides.

Liu Hang personally drove the car to First-Rate Shopping Center to wait for Qing Ya. When he saw Ye Hua this unfamiliar man, he was puzzled, who is this guy? Could it be that he is that guy that the corporation had been crazily spreading and talking about?

“CEO Qing, careful of your head.” Liu Hang opened the door and smiled respectfully, while Qing Ya had a cold face.

Ye Hua stood at the side and said indifferently, “Move inside.”

“Do you not know how to enter through the other side!” Qing Ya was puzzled, must this fellow make me get in a bad mood? Finding a problem when there is no problem!

Ye Hua took a look and said lightly, “It is not safe.”

Qing Ya, “.....”

If I can reverse time back to that night, even if I got beaten to death, I also wouldn't go to that bar, and would never want to get acquainted with this man.

“What are you being in a daze for?”

Without choice, Qing Ya moved inside and Ye Hua finally entered into the car.

Liu Hang witnessed everything with his own eyes and he seemed as if he had just seen a ghost. CEO Qing actually moved! How could it be, is this man really this formidable that even a woman like CEO Qing must do what she was told!

“Ceo Qing, are we going to the company or?” Liu Hang started the Audi A8, then turned his head around and asked.

Qing Ya looked outside the window and said indifferently, “Ask him.”

“Leisure Bar.” Ye Hua also looked outside the window and said coldly.

“Eh...” Liu Hang felt that the atmosphere was a bit strange and did not dare to say anything. However, he felt that CEO Qing and this fiancée of hers was still quite matching. At the least, when comparing both of their looks, both of them could be placed on the same level.

It is only the afternoon right now, going to a bar at this timing isn't too appropriate right? However, wherever the CEO says she wants to go, I will just drive to that place.

After a quiet journey, they arrived at the front of the bar and Qing Ya said lightly, “Leave the car here, I will be using it.”

“Alright CEO Qing.” Liu Hang clasped the key with both of his hands.

Ye Hua silently took a look and totally did not had the intention to stretch out his hand to take the key. Opening the door, he walked into the bar by himself.

Qing Ya felt angry, but she also could not show that she was angry in front of her subordinate and could only swallow her anger and take the key, and also the huge bunch of daily products and clothes to wash and change into.

“CEO Qing, let me help you.”

Because Qing Ya was not in a good mood, her tone was a bit strong, “No need!”

Liu Hang felt that it was better for him to not involve himself in this matter and going back home to eat his wife’s cooking was the right path.

Qing Ya placed carried everything to the bedroom. Right now, it just so happens that Ye Hua was changing his clothes. Those muscles are strong like rock, and also that line, just how perfect is it? Incorrect! This fellow is definitely doing it on purpose and showing off his body in front of me! Tsk! Showing off one’s body, who don’t know how to do that!

Right in front of Ye Hua, Qing Ya actually took off her shirt and skirt, and leaving herself only with her undergarments. That curvaceous figure, that perfect curve, that delicate skin, every part of it was that perfect, any man who saw this body would definitely go crazy for it.

Little guy, to actually try to show off your body in front of me, if I don’t bewitch you to death, I will write the word Qing horizontally! Right now, I reckon that he is closely staring at my back and fantasizing. Don’t know if his saliva is dripping or not.

“Calabash Brothers, Calabash Brothers, 7 flowers on a rattan. Windswept and battered by the rain, it is also not afraid, la, la, la, la~”

Qing Ya’s body froze, and her delicate hands clenched tightly.

“Bewitching spirit! Where do you think you are running!”

This fellow not only do not have humanity, there is also a problem with his IQ. Instead of looking at me, he is actually watching a cartoon, and even more, he is watching Calabash Brothers! Humiliation!

“Where is the bathroom!” Qing Ya asked angrily.

“It is right beside you.” Ye Hua revealed out an expression as if he was looking at a fool, almost angering Qing Ya to the point that she fainted.

## Chapter 13 – Erotic dream

“Bang!”

Qing Ya closed the bathroom’s door ruthlessly, and the sounds of pitter-patter suddenly rang out from within the bathroom.

“If you spoil anything, you will have to pay for it.” Ye Hua rested his head on his hand and shouted out.

The sounds within the bathroom came to a stop for a moment, then in the next moment, the sounds became much louder. The sounds were like as if someone was tearing down the house.

After half an hour, Qing Ya walked out from the bathroom while being covered by a bath towel, “Call someone over to fix the tap, the tap is bent.”

“Not free, you call instead.”

“You can do as you please, in any case, this is also not my house.” Qing Ya spread out her hands and sat on the bed, then used the quilt to cover her own beautiful body that even she herself was about to salivate over for.

Ye Hua breathed in and out, then picked up the phone at the side and sent a text over to Wei Chang. As a supreme overlord, if everything had to be done by myself, what do I even need subordinates for.

However, where did Lie Gu ran off to again today? Could it be that he went to meet that female celebrity again? He truly does not even have a bit of aspiration at all.

“Where is your dog?” Qing Ya leaned on the bedhead and watched the cartoon along with Ye Hua.

“He went out to mate.” Ye Hua replied calmly.

Qing Ya’s brows wrinkled, “Can’t you talk properly!”

“He went out to reproduce offspring.”

“You!!! Ye Hua, is this how you have always been in the past?” Qing Ya said in a deep voice. I feel that this man should be sick, and now that I think of that, I do feel a bit afraid, will my child be infected by him?

Ye Hua said indifferently, “No.”

“Then how were you like in the past?”

Ye Hua turned his head over, looked at the gorgeous Qing Ya who was on the bed and said indifferently, "In the past, I was someone who made others feel frightened."

"Ye Hua, when you are not acting cool, you are quite handsome." Qing Ya shook her head helplessly. She felt that Ye Hua was just like a chuunibyou youth.

Ye Hua laughed lightly, "Act cool? In the past, there were many people who acted cool in front of me, but none of them were able to succeed."

"Haha..." Qing Ya was amused by Ye Hua. This man is always able to talk nonsense with a serious face, but at the same time, he is also able to anger me and make me cry in an instant.

Towards Qing Ya's laughter, Ye Hua chose to ignore it. No matter what, she is also the mother of my child, just that she is a bit stupid only. I'm really worried that my child's IQ would get pulled down by this woman.

After a while, Qing Ya said, "Go to my home to eat tomorrow."

"Alright."

So easy-going? This fellow is not thinking of teasing me again right?

"When you are at my home, you have to completely listen to me."

"Alright."

The more Ye Hua acted like this, the more worried Qing Ya was. She felt that Ye Hua was not reliable and was sloppy.

While thinking about it, Qing Ya gradually closed her beautiful eyes, and she actually dreamt of that night...

"Qing Ya! Qing Ya!"

A familiar voice rang out beside her ears and Qing Ya replied muddle-headedly, "Don't mess around~ I can't take it anymore~"

"Prepare to eat already!" Ye Hua said in a deep voice. This woman is really stupid to the heavens, she is actually still recalling about what happened during that night.

"Eat?"

Qing Ya who was within her beautiful dream immediately woke up and pointed at Ye Hua, "Just now...you!!!"

“You had an erotic dream.” Ye Hua said indifferently.

“Impossible!”

Ye Hua revealed out an expression of disdain, “I will record it down for you next time.”

“Go and die!”

Qing Ya bit on her lips and stretched out her hands to feel. Immediately, her face changed and turned completely red...

Looking at Qing Ya who rushed into the bathroom, Ye Hua let out a sigh. Opening Meituan, he began ordering food. Chicken mushroom stew seems quite good. Also, let's get a few catty of fried crayfishes.

(Meituan is a food delivery app.)

When Qing Ya came out of the bathroom, a fragrance was filled within the entire room. The bright red crayfishes emitted steam, making others to not be able to help but swallow their saliva.

Pulling over a small low stool, Qing Ya began tucking in unrestrainedly. Looking at Qing Ya, Ye Hua's brows wrinkled. This woman really does not have any manners!

“I thought you don't have any money? Where did you get the money to order food?” Qing Ya peeled a piece of crayfish, placed it into the broth and stirred it around, then ate it with a face of content. It is really delicious~

“My subordinate's money.” Ye Hua said indifferently.

Qing Ya almost spat out the crayfish meat, “You actually used other people's money to order food! Even if you want to donate, there is also no need to donate all of your money right?”

“I found it troublesome so I just straightforwardly donated my entire card.”

“Formidable!”

After pausing for a bit, Ye Hua continued speaking, “Using my subordinate's money is indeed not really good, give me a card later on.”

The corner of Qing Ya's mouth twitched, “So there is no problem if you are using your wife's money?! Not sure who is the one who said that money is but a bunch of papers only...”

“Remember to give me a card with a big overdraft.” Ye Hua totally did not pay attention to what Qing Ya just said.

Qing Ya said with discontent, “Why should I!”

“Because you are my wife!” Ye Hua’s temper also came. Using your money is because I show respect for you, and also because you are the child’s mother, if not, I wouldn’t even bother to pay attention to you.

Qing Ya was actually left speechless. I will just treat it as giving him labor fee!

Picking up the bag at the side, Qing Ya casually took out a black diamond card and placed it on the table. Ye Hua accepted the card unrestrainedly, and immediately bind the card to his WeChat, “What is the pin number?”

“123456.”

Ye Hua slightly went into a daze. This woman sure has a personality. After finish binding the card to his WeChat, he finally did not have to use Wei Chang’s money anymore. Because of this matter, Wei Chang had often complained to me about it, he is truly a stingy monster.

Ye Hua who was in quite a good mood said indifferently, “Help me peel the crayfish.”

The crayfish that was within Qing Ya’s hands immediately fell onto the table as she looked at Ye Hua in disbelieve, “Why should I!”

“Because you are my wife.” Ye Hua said indifferently.

Qing Ya slammed onto the table and stood up, “Am I your wife or your maid!”

“There are a lot of rules for being my wife, you can slowly learn.” Ye Hua said calmly.

Qing Ya snorted, “Whoever wants to be your wife can go ahead and be my guest. In any case, after my child is born, we will divorce.”

After Qing Ya finish speaking, the atmosphere within the room immediately froze. Ye Hua’s gaze was fixed onto Qing Ya, and the latter was looked at by Ye Hua to the point that she withdrew back.

Qing Ya did not feel that she was in the wrong at all. Giving him money, and also giving birth to a child for him, I have more or less give everything to him, and yet he still wants this and that, totally not considering about my feelings at all. For me to not slam the door and leave, I am already giving him a lot of face.

Sitting on the small stool, Qing Ya continued eating. Better eaten than wasted, you can just continue and foolishly watch me eat!

In the past, since Ye Hua ate alone, he had no other choice but to peel it himself, but it was different now, he has a wife now! Since I have a wife now, I don't have to peel it myself anymore. If I were to peel it myself, and words of it were to spread out, where would my face be!

This fellow is really not eating? He did not eat in the afternoon, and during the night, he also wants to be obstinate with me?

Forget it, seeing that you are so pitiful, I will peel a piece of crayfish for you, then reward you with a chicken butt too, haha~

Seeing Qing Ya taking the initiative to pass the food over to him, Ye Hua's mood became a little better. He felt that he was a bit agitated today, and his humanity which he had cultivated for a few years almost came close to collapsing today.

Seeing Ye Hua eat the crayfish meat that she peeled for him, Qing Ya had a kind of strange feeling in her heart, and unconsciously, she peeled another crayfish for Ye Hua. Afterward, the two did not talk anymore. Qing Ya ate one crayfish, then peeled another one for Ye Hua, and in a flash, a few catty of crayfish was eaten.

"I'm so full. My fingers hurt from peeling all the crayfishes." Qing Ya pouted her mouth and looked at her tender fingers, feeling heart pain incessantly for her fingers.

Ye Hua turned around and said indifferently, "Tidy up the table."

"You!!!" This Ye Hua must be sent by the heavens to punish me. I must persevere! Persevere for 9 more months!

## Chapter 14 – Acting cool after smoking syndrome

At this moment, Lie Gu walked into the room with jolting buttocks. When Lie Gu walked into the room, Qing Ya was shocked, and Lie Gu trembled for a bit, what a beautiful woman...

"Woof, woof, woof~" Lie Gu raised his head and barked a few times.

Imperial translation: "Your honor, didn't you say that you wouldn't touch the same woman twice?"

"She is my wife." Ye Hua said indifferently.

Lie Gu suddenly jumped backward and looked at Qing Ya in disbelief, then afterward, he knelt down on the floor and barked with his head raised, "Woof, woof, woof~"

Imperial translation: "Honorable madam, please receive this humble one's kowtow."

Qing Ya snorted, "The master is strange, and so is the dog too."

Although Qing Ya was grumbling with her mouth, her hands were focused on cleaning the table. She exerted all her strength to wipe off the oil stain on the table, seemingly not being to stand to look at this kind of thing. Seems like she was also a woman who has mysophobia. As for Ye Hua, he lied down on the sofa and watch the Calabash Brothers fight with the vixen together with Lie Gu.

After throwing away the rubbish, Qing Ya walked into the room and when she saw that Ye Hua was still watching the cartoon, she shouted, "I'm here tired like a dog, and you are here watching television, do you not know how to try helping me for a bit?!"

Ye Hua did not turn his head back at all. While stroking Lie Gu's head, he said indifferently, "You think too much, a dog isn't as tired as you."

"Ye Hua! Do you want to fight?!" Qing Ya's eyes immediately turned red. This is my first time cleaning things up, forget about you not helping me at all, but you actually mock at me after I cleaned things up, how could there be a man like this in this world!

"Woof, woof, woof~"

Imperial translation: "Your honor, the madam is crying."

Ye Hua shook his head. This woman's mental strength sure is weak, just one sentence only and it is able to make her cry, I really don't know how she managed to earn all that money.

In the past, Qing Ya was not like this. Perhaps it was because she was pregnant now and her mood fluctuation was comparatively bigger now. Adding on with that right now she only trusts Ye Hua, but the state that Ye Hua displayed out was different from what she had expected. This kind of feeling made her felt very perplexed and also grievance.

Ye Hua closed the television and said indifferently, "Let's go out and take a walk, it will be beneficial for the fetus."

Seeing that Ye Hua's tone softened, Qing Ya snorted, "Not going."

It has been a very long time that someone rejected me so many times within a day, yet, I can't do anything about it at all because she is my child's mother.

Lie Gu barked out a few more times again.

Imperial translation: "Your honor, madam sure has a personality."

Ye Hua took a glare at Lie Gu, and the latter curled up his body in fear. This woman is in lack of a lot of teaching!

Grabbing onto Qing Ya's pure white wrist, Ye Hua said in a deep voice, "Let's go!"

"Not going, not going!!!"

Ye Hua did not care that much and just pulled onto Qing Ya and walked.

"Be gentler a bit, it hurts!"

At this time, it was Leisure Bar's peak period, many women waited at the bar as usual. The familiar sounds of footsteps started ringing out from the stairs, just that the sounds sounded like it was in a bit of a hurry, and also, there were the sounds of another footstep.

When the women saw Ye Hua appeared, and he was pulling onto an incomparably beautiful woman, countless sounds of glass breaking could be heard within Leisure Bar, those were the sounds of heartbreaks.

"The boss...he is actually pulling onto another woman!"

"And they are so intimate too...what happened to the boss!"

"Let go of the boss, he doesn't belong to you, he belongs to the entire world!"

However, the men who were seated in the bar were different, when they saw Qing Ya's face, they were stupefied! It is not unreasonable that the boss likes a woman like this. Another woman like this cannot be found in this entire bar, that red eyes of the woman, it makes her seems so pitiful and lovely at the same time.

Eh, incorrect! Why are the beautiful woman's eyes red? Thinking about it, it could be that the boss is too vicious...

When Qing Ya heard the painful grumbles of those women, she felt disdain in her heart, what is good about this man, you all are only confused by his outer appearance, this man is already at the point where he almost needs to be spoon-fed when eating, being his wife is the equivalent of doing bitter work for him, and furthermore, you have to listen to him preach time to time, and even have to get ridiculed at a few times.

"Let go, I know how to walk!" Qing Ya's anger had calmed down by a lot.

Ye Hua let go of Qing Ya's wrist, "Don't try to make me angry in the future."

Qing Ya's anger which had just calmed down was immediately ignited up again, "Ye Hua, just who is the one that is trying to make who angry, you better explain it clearly to me today!"

"Your tone right now is exactly trying to make me angry." Ye Hua said indifferently.

Qing Ya sneered, "I am just precisely trying to make you angry, what are you going to do about it? If you have the guts, you can not want the child then! Worst come to worst, I will just raise the child on my own, then married to someone else and let your child recognize someone else as the father!"

Ye Hua's footsteps immediately came to a stop. This woman is not only foolish, but she is also already foolish to the point that she is crazy.

"What is it, angry already? Want to hit me? Come on~ I will let you hit me, in any case, you only know how to bully me!" Qing Ya shouted angrily, erupting out all the grievance in her heart.

Ye Hua suddenly turned around and raised his hand, there was a trace of viciousness within his pale face.

Looking at Ye Hua who was calm and scary at the same time, Qing Ya's beautiful eyes turned red again, he really wants to beat me! Tears started sliding down Qing Ya's delicate face.

The slap that Qing Ya imagined did not land on her face, and instead, the palm of Ye Hua's hand rubbed gently onto Qing Ya's cheek.

"I'm not that bad to the point that I would hit a woman." Ye Hua said in a deep voice. After finish speaking, he continued walking forward, leaving Qing Ya who was standing right there with a foolish expression.

This bastard! He actually changed a new way to tease me, I definitely cannot endure it! I must think of a way to punish him, if not I will suffocate myself to death!

Qing Ya ran for a bit to chase after Ye Hua who was at the front. The two of them came to the river bank to go for a walk. The slight wind made one felt carefree and relaxed, but, both Qing Ya and Ye Hua did not bother with each other.

During the whole journey, Qing Ya was pondering over Ye Hua's weak points, and the conclusion that she got, in the end, was that, no matter what Ye Hua did, he wouldn't dare to really beat her, and would only use his mouth to talk, so as long as she takes advantage of this point, she would be able to anger him.

“Are you prepared for tomorrow night’s family feast?” Qing Ya asked casually and dragged her fingers at her beautiful hair that was blown messy by the wind. Too beautiful, the men that were in the surrounding all knocked into a tree.

Don’t talk about a family feast, even if it was a feast at Hongmen, Ye Hua also wouldn’t look upon it seriously. Right now, aside from the child, there was no one, and nothing that could give rise to Ye Hua’s interest.

(鸿门宴: Feast at Hongmen – A feast set up to murder it’s guest.)

“There is nothing to prepare.”

Qing Ya did not like this point of Ye Hua the most, he is acting cool too much already, and he still dares to say that I was acting cool.

“Your opponent is very strong, the vicious sickness that my grandpa gotten back when he was at the battlefield was cured by that fiancé of mine. My dad’s periarthritis and my mom’s rheumatism were both cured by him too.”

Ye Hua silently took out a cigarette and lighted it up, “You are my wife right now, not someone else’s fiancé.”

“I’m discussing tactics with you, what are you bringing this up for!” Qing Ya wrinkled her brows and said in displeasure.

Ye Hua took a puff, then unhurriedly exhale, “No tactics are needed, it is but an insignificant person only.”

“Can you not act cool?” Qing Ya held onto her forehead. Could it be that this man suffers from acting cool after smoking syndrome? Every time when he talks while smoking, he can brag especially well.

When he is not smoking, he is a people of Long’an City, but when he is smoking, the entire Long’an City is his.

Leaning on the protective railing, Ye Hua flicked the cigarette ash and said indifferently, “Qing Ya, your scope is still too low.”

Here he comes again!

“My scope is low, how about you raise my scope for me then.” Qing Ya also leaned on the protective railing. I want to listen to just what this man can brag about this time.

Ye Hua flicked the cigarette butt and said unhurriedly, “Do you feel that you are very formidable?”

## Chapter 15 – Boss is benevolent

“Humph, I started my business when I was 20 years old. After going through 5 years, I started from zero up to a company that is worth tens of billions right now. Furthermore, the company is currently the top 50 companies in the whole nation. I dare to ask, in this world, who is able to accomplish this!” Qing Ya snorted and spoke out her own glorious history. I am indeed this world’s strongest woman!

Ye Hua slanted his eyes and took a look at her, “Your family helped you out quite a bit right?”

Qing Ya’s gaze was a bit swaying, “They only helped a small portion.”

“Let’s not talk about this first. Let’s say, if there is a sniper within that building right now, and the sniper is aiming right at you, what would you do?” Ye Hua said calmly as he pointed towards the building at the front.

Qing Ya went into a daze for a bit, then said casually, “Call the police.”

“The police arrived, but you are lying within a pool of blood, and the glory that you had in this life vanished in a puff of smoke.”

Listening to those tranquil words of Ye Hua, Qing Ya seemed very serious and unprecedentedly did not retort. Sinking into contemplation, her gaze looked towards the building at the front.

Ye Hua once again took out a cigarette and lighted it up, afterward, took a puff and lightly exhaled out. However, this time, ghastly killing intent was emitted from within his eyes.

Above the sky of the river, a bullet pierced through the air and flew towards Qing Ya’s forehead. However, all of a sudden, a weird wind caused the bullet to come to a halt, then soon after, the bullet flew backward at its trajectory at a rapid speed.

The sniper looked at the target through the 8 times scope. What a beautiful woman, it is a pity...

But one second after the sniper shot the sniper rifle, he did not see the target’s head explode. Impossible! Where did the bullet run to?

“Bang!”

Following the ringing of a sound, the sniper rifle suddenly exploded, and half of the sniper's neck was swept away by the explosion. The sniper's head was falling off, and the sniper tried his utmost effort to hold his head upright, but it was useless. As the sniper lied on the wall powerlessly, he gradually lost his consciousness, all the way up till his death.

Qing Ya was totally oblivious to how much danger she was in just a while ago, and was still thinking about the question, and in the end, she said stubbornly, "Where is there that many bad guys."

"Bad guys are everywhere, perhaps the bad guy is even at your side."

"From what I see, you look just like a bad guy." Qing Ya pouted her mouth, this man sure has a bunch of dishonest thinking in his mind.

Ye Hua flicked off the cigarette butt again, "I simply want to tell you that, rather than letting other people control your life, you are better off controlling everyone!"

Controlling everyone! Qing Ya stared fixedly at Ye Hua, and after a good while, she said, "Ye Hua! Are you thinking of letting me be a bad guy!"

"Bad guy? Haha." Ye Hua laughed lightly.

"Hey, hey, hey, you stand right there and explain it clearly to me! What are you laughing about! Stand right there! You this bastard!" Qing Ya hurriedly chased after Ye Hua, then suddenly jumped onto Ye Hua's back and embraced onto Ye Hua's necks with both of her hands.

The latter's face turned black and shouted, "Come down! No manners!"

"Not coming down!"

"Are you coming down or not!"

"Not coming down! If you have the guts, throw me into the river then." Qing Ya snorted, she was certain that Ye Hua wouldn't dare to throw her into the river.

Ye Hua could be seen walking towards the protective railing, and Qing Ya began to feel a bit nervous. Seeing that Ye Hua was preparing to climb up onto the protective railing, Qing Ya shouted out loudly, "I will come down! I will come down, you win!"

Ye Hua looked coldly at Qing Ya. To actually let me carry her! If words were to get out, where would my face be! As a supreme overlord, I actually carried a woman!

"Don't be this rude next time!" Ye Hua said coldly,

Qing Ya said in disdain, "Do you think that you are an emperor? What about this is rude? Will you die if you carry your wife for a bit?!"

"That's right, I will die."

"You!!!"

During the journey back to the bar, Ye Hua secretly informed Lie Gu to go check on that hitman, but not to mess up the scene, just secretly check it out will do. I sure want to see, just who has such huge guts, to actually want to murder my child!

Returning back to Leisure Bar, Ye Hua's brows wrinkled. In the past, the bar would be packed with people right now, but today, the bar was only half filled, just what happened!

Qing Ya understood the situation clearly with just one look. With a sweet voice, she shouted out, "Ye Hua, I will go upstairs and bath first, you quickly come up okay~"

Immediately, a few women left the bar in a bad mood. Seeing that, Qing Ya felt that her entire body was at ease, and as for Ye Hua, he took a few deep breaths to calm himself down. Sooner or later, I will be driven mad by this woman.

"Boss." Wei Chang shouted respectfully.

Ye Hua surveyed the surroundings and said in a deep voice, "Just let it be like this for now."

"Boss, if this carries on, our business will have to be closed in a few months' time." Wei Chang was very helpless, ever since the lady boss appeared, the women that came to the bar had more or less all left and stopped coming. Those women are the bar's main consumer.

Ye Hua does not sigh normally, but right now, he also sighed, "Wait for me to move out in a few days and everything should return to normal."

"Boss, you want to move out?!" Wei Chang was in disbelief. His honor has not moved from here during the 5 years, why did he suddenly want to move out now?

"En, in the future, you will look over this place." Ye Hua said indifferently.

Wei Chang nodded his head and said very cautiously, "Boss, during this night, 200+ rmb disappeared from my card."

Black lines appeared on Ye Hua's forehead, "I won't use your card anymore in the future!"

“Boss is benevolent!” Wei Chang was in exultation. His honor is finally not going to use my money anymore, I almost feel like crying already.

Walking into the bedroom, Ye Hua discovered that Qing Ya went to shower again. Just how many times does this woman need to shower in a day? Her mysophobia is even more serious than mine.

After a while, Qing Ya walked out from the bathroom unhurriedly and said indifferently, “Everyone left already?”

Ye Hua lied on the bed and did not reply as he looked at the latest magazine within his hand.

“Tsk, tsk, tsk, looking at today’s situation, I reckon that your bar will have to close in a few months’ time.” Qing Ya was very happy, there was nothing more pleasurable than looking at Ye Hua’s unhappy face.

Ye Hua closed the magazine and said indifferently, “It is okay, your card is in my hand.”

“Bastard, using a woman’s money, gigolo.”

“Using my wife’s money, it is fair and aboveboard.” Ye Hua said calmly.

“Ye Hua, just how thick is your skin?” Qing Ya lied on the bed and stretched out her hand towards Ye Hua’s face to pinch it.

Ye Hua’s brows wrinkled, “What are you doing!”

“Oh, oh, oh, someone is getting angry. Tsk~” Qing Ya said in disdain and straightforwardly lied at the other side of the bed.

“Who let you sleep on the bed!” Ye Hua asked in a deep voice. This woman actually dares to sleep on the bed without getting my consent first!

Qing Ya pursed her lips, “If you are not happy about it, you can go sleep on the sofa then.”

Ye Hua was angered to the point that his finger started trembling. If she.....Endure! Endure for another 9 months and I will be able to resume back my peaceful life.

Long Aotian’s mood was pretty good today. Just thinking that I have such a beautiful fiancé is enough to make me feel excited incessantly. A woman that is beautiful to that degree is really rare. Furthermore, I cured the sickness of her entire family members and won over her elders’ favor. Although she rejected me on the surface, it is only because she is embarrassed in her heart only, how could I not understand about that? After all, it is always written like that in the novels.

Chased after a cool and elegant CEO, then chased after a super big celebrity, then chased after whatever eldest daughter of a concealed martial family, this is, I, Long Aotian's, true portrayal! I won't live for nothing in this life anymore, hahaha!!!

Not sure what Qing Ya is doing at this timing, I will give her a call and say goodnight to her first.

Ye Hua was not used to having someone sleeping by his side, even if that person was a woman who he had touched before, thus, it led to him suffering from insomnia! However, this woman is actually sleeping so soundly that her saliva is about to drip out. My God! So disgusting!!!
