Chapter 16 – Do you still remember what you called me?

At this moment, Qing Ya's phone suddenly rang, and Ye Hua immediately shook Qing Ya, "Your phone is ringing!"

"Hmm, hmm, hmm~"

Ye Hua had never seen before such an irritating woman, he suddenly sort of regretted his decision on that night. Picking up the phone and taking a look at it, he saw that it was an unfamiliar number and straightforwardly hung up the call.

But he didn't expect that the phone would start ringing again! Ye Hua took a few huge deep breaths. He felt that he was on the verge of going berserk. Immediately, he answered the phone call.

"Qing Ya, are you asleep?" Long Aotian asked tenderly.

Ye Hua coldly replied with a stiff face, "She is asleep!" After finish speaking, he hung the phone.

Long Aotian who was far away at High Ocean City was stupefied. Looking at his phone, he scratched his hair. It was a man that picked up the phone just now!

It is only 11 pm right now, it must definitely be someone that she hired to act as her boyfriend, it must definitely be...haha...After sitting still for a while, Long Aotian rushed out hurriedly and drove towards Long'an City in the late night.

After waiting for a while, Ye Hua finally felt a bit of sleepiness, and he unhurriedly lied down on the bed!

In the end, just when he was about to prepare to sleep, Qing Ya suddenly turned over and actually used her leg to press onto him! This woman's hands are even embracing onto me too! Furthermore, her head is actually resting on my chest, and the important point is that she is even dripping saliva too!

I really want to use magic and go back to a month back, then nothing would have happened. But after thinking about it, forget about it...Stroking onto Qing Ya's flat belly and feeling that familiar blood vessels, Ye Hua's jittery mood calmed down.

"Hmmm, hmmm, hmmm~" Qing Ya who was in her dream let out a bunch of faint breathing again.

Ye Hua really wanted to shout out, "Hmmm your head! Are you finish or not? Why did I not see you hmmm, hmmm, hmmm during that night? Oh, that's right, she fainted in the end during that night."

"Ye Hua, I want to beat this pig head of yours to a pulp..." Qing Ya who was sleeping soundly muttered out. Ye Hua's face was gloomy. I really want to kick this woman awake, forget about her dripping saliva, but she even talks in her sleep too!

Listening to countless curses, Ye Hua gradually fell asleep.

A sun slowly raised from the east, and the golden sunshine sprinkled over the earth.

Qing Ya was like an octopus, hugging onto Ye Hua without any image at all. Actually, she had the habit of hugging a doll when she sleeps, belonging to the type of people who lacks a sense of security.

"Ring, ring, ring."

The phone suddenly started ringing. Ye Hua's brows wrinkled, my phone is normally turned off at night, the phone that is ringing right now definitely belongs to this woman!

"Your phone is ringing!" Ye Hua shouted in a deep voice.

Qing Ya muddle-headedly raised her head, stretched out her hand and picked up the phone, "Who is it! Calling during the early morning!"

"Qing Ya, it is me, Aotian~" Long Aotian drove the car and hurried over because he wants to know if it was real or fake.

Ye Hua said in displeasure, "Next time when you sleep, remember to turn off your phone!"

"Got it, got it, you sure are long-winded!" Qing Ya said impatiently, and immediately hung up the phone, then turned off the phone, and went back to continue sleeping.

Long Aotian who was sitting in the car was stupefied, this man's voice is the same as the voice from yesterday night! Could it be that they really slept together! This is not possible, I, Long Aotian, is, after all, a peerless immortal doctor, how could the woman that I have selected be slept by other men, this is not possible!

Immense anger caused the steering wheel to become deformed, and Long Aotian's ordinary face became even more twisted and malevolent-looking. Qing Ya! If you dare to do something that let me down, I will definitely make you pay for it!

At the other side, Ye Hua was not sleepy anymore and said indifferently, "Until what time do you want to sleep till!"

Qing Ya wrinkled her brows, then immediately raised her head, while with a panic expression on her face. Why am I lying in his embrace? I must have definitely been pulled into his embrace by him.

“What did you do to me!” Qing Ya said shyly and angrily.

Ye Hua sneered, and pointed to his own pajamas, “Look at what you did!”

“So disgusting, your saliva actually dripped all the way to your chest.” Qing Ya said with a face full of disdain.

Ye Hua knew that this woman would not admit to it. Luckily, I recorded it down before I slept.

When Qing Ya saw her sleeping posture and those alluring sounds she let out, her entire person immediately didn't felt good. After thinking about it for quite a while, she said, “You pervert, you actually took a video of me secretly!”

“Tonight when you sleep, distance yourself a bit further away from me!” Ye Hua said in a deep voice.

Qing Ya precisely did not like this attitude of Ye Hua's, the more Ye Hua acted like this, the more firm and upright Qing Ya was about it, “I am just precisely going to hug you when I sleep, what about it! You are my husband, what is wrong with me leaning on you!”

Ye Hua suddenly recalled something and laughed lightly.

When Qing Ya's saw this smile of Ye Hua's, she immediately felt unhappy, he is definitely ridiculing at me!

“What are you laughing about, don't hide about it!” Qing Ya shouted.

“Laughing at you.”

“What of me are you laughing at, what is there to laugh about!” Qing Ya sat her body upright, and her proud figure immediately displayed out. She didn't really mind it, after all, the both of them even had a much intimate thing happened between them. Furthermore, they were husband and wife right now, although there was a bit of the feeling of impersonating in their identity as husband and wife.

The corner of Ye Hua's mouth raised up as he looked at Qing Ya. Qing Ya's body trembled, she felt that something bad was coming.

“Do you remember that night?”

“That night?” Qing Ya muttered, then immediately remembered.

“You are shameless!”

Ye Hua laughed once again, “Do you still remember what you called me during that night?”

Qing Ya flipped through her memory. I was muddle-headed during that night, what did I call him? What did I call him? Immediately! Qing Ya’s face changed greatly, and her face was as red as a tomato.

“I forbid you to say it!”

“You remember it already?” Looking at Qing Ya’s panic look, Ye Hua wants to say that he felt really great! Didn’t you like to be obstinate very much!

“I forbid you to say it!”

“When a certain person is excited, she called me...hmmm.” When Ye Hua was about to say it out, his mouth was immediately covered by Qing Ya.

“I’m going to fight you to the death!”

An hour later, the two of them sat down at a vendor stall to eat breakfast. The corner of Ye Hua’s mouth raised slightly, whereas the corner of Qing Ya’s mouth was lowered, and her exquisite small face was bright red.

Seems like Ye Hua won this early morning’s contest.

“The youtiao is too long, tear it into 3 pieces.” Ye Hua said lightly.

(油条: Youtiao – Basically a long piece of deep-fried dough.)

Qing Ya was just about to retort back, but when she saw the grin on Ye Hua’s mouth, she immediately surrendered. Picking up the youtiao with her delicate hands, she pulled onto the youtiao with both of her hands.

The men that were in the surrounding all did not know what was going on, when they saw Qing Ya pulled the youtiao, their entire body shivered, this woman is too fierce already.

“You look just like a woman that is filled with grievance right now.” Ye Hua picked up the youtiao, placed it into the porridge and stir it around for a bit. The taste is not bad.

Qing Ya snorted, “This is all because of you!”

“You could have not shouted it.”

“You!!!” Qing Ya’s exquisite face turned red again. This bastard, clinging onto my black history and not letting go of it, he is too much of a bastard!

Ye Hua elegantly drank a mouth of porridge, then said indifferently, “As long as you are obedient, I can not mention about it.”

“You are precisely a bastard!” Qing Ya scolded in a low voice.

“You are not obedient again.”

“Why should I be obedient towards you!”

“Because you called me...”

“Don’t say it!” Qing Ya immediately covered Ye Hua’s mouth again, causing all the men in the surrounding to feel jealous of Ye Hua.

Ye Hua wrinkled his brows and the latter immediately withdrew back her hands.

Qing Ya always asked herself why she has to be afraid of Ye Hua, but she does not know why. She would always feel that Ye Hua was aloof and remote. Although she had ridiculed him about it before, her woman’s institution told her that, this aloof and remote of his was normal.

## Chapter 17 – Two subordinates

“As long as you don’t request anything too excessive, I will listen to you.” In the end, Qing Ya still surrendered to Ye Hua. I will temporarily give in to him for now, when the time comes where I catch a black history of his, I will let him have a taste of what I’ m made of!

Ye Hua was very satisfied as he nodded his head, “You are making a bit of progress.”

Qing Ya snorted, itching to pick up the bowl of porridge in her hands and cover it onto that perfect face.

“After eating breakfast, let’s go buy some gifts, then go to my house to eat during noon.” Qing Ya pouted her mouth and said.

Ye Hua did not oppose and lightly said, “En.”

Qing Ya thought that Ye Hua would say some strange things, and didn't expect that he would agree that easily. Seems like he is also not that unreasonable, tsk! He is precisely just finding things to do because he has nothing to do, I hope that nothing will go wrong today.

When you enter a village, you have to follow the local customs, Ye Hua understood that. When meeting the female's family, gifts had to be bought. However, in this world, there is no one that can bear to receive a gift from me, let alone eat together with me. Being able to eat with me, it is their blessing. Just like this woman, to be able to bear my child, it is the most worthy thing that she could be proud of, all the women in this world would be jealous of her.

After buying some tobacco, alcohol and health maintain products, the two of them returned back to Leisure Bar. Qing Ya was at the room choosing what to wear. She definitely had to dress herself up prettily. Although she was already very beautiful, which woman would not wish that they could be even more beautiful? Whereas for Ye Hua, he was still wearing a western suit as usual. No matter when, whenever he went out, it would be a black western suit. This point wouldn't change, even if it was a sizzlingly hot summer.

Standing at the bar counter, Ye Hua mixed a glass of alcohol for himself. Alcohol and tobacco in this world are indeed good things. If I have to rank them, alcohol would be number 1, tobacco would be number 2, and women would with great difficulty be at least number 3 I guess.

"Woof, woof, woof~" Lie Gu suddenly appeared and barked a few times towards Ye Hua.

Imperial translation: "Your honor, I have already investigated everything, the killer belongs to an international hitman organization. I questioned his soul via torture and found out that he only received the mission to assassinate madam. If you want to investigate it furthermore, I will have to go to their general headquarters at London."

Ye Hua lightly took a sip of the rose rain that he mixed and said indifferently, "There is no need to investigate, kill all of them."

"Woof, woof, woof~"

Imperial translation: "Your honor, I still have a date tonight, how about you ask Wei Chang go instead? It has been a very long time since he has eaten well."

Ye Hua squinted his eyes and looked at Lie Gu, "You are still messing around with that female celebrity?"

Lie Gu immediately shook its dog head, then sat on the floor obediently and extended out his tongue. For a skeletal dragon to act like this, it was really speechless.

Ye Hua sighed lightly, "Wei Chang!"

The void suddenly became distorted and Wei Chang's figure unhurriedly walked out from it. Kneeling down with one of his knees, and his right hand placed on his chest, he shouted out respectfully, "Your honor."

"Lie Gu said that you have not had your fill for a very long time already?" Ye Hua lighted up a cigarette. Through the smoke, his cold gaze looked at his own subordinate.

Wei Chang said in a deep voice, "Your honor, you said that we have to be human-like, thus subordinate did not dare to eat too much."

"Lie Gu let you to go eat your fill. There is a hitman organization in London, you go and settle it." Ye Hua said coldly. At this moment, he had already sentenced those people to death.

Wei Chang was a bit melancholy and did not answer back straightforwardly.

"What is it?"

"Your honor, will you reimburse the air ticket to go to London and back to Long'an City?"

"Bang!"

The wine cup within Ye Hua's hand immediately shattered. That woman was already vexing enough, and right now these 2 subordinates of mine actually dare to openly go against my order!

"Seems like you two want to rebel against me huh!" Ye Hua's pupils suddenly turned red, appearing seemingly bewitching. However, this was also the symptom right before Ye Hua gets angry.

"Subordinate does not dare!"

"Woof, woof, woof~"

Imperial translation: "Subordinate does not dare."

"An hour later, if that hitman organization is not annihilated, I will annihilate you two!" Ye Hua fluttered his hand. What remains unseen was deemed to be clean. Seems like my decision was wrong, becoming human-like would cause one to rebel. In the past, there was no way that they would go against my order. It is also possible that it is because my temper had become much better than before.

Lie Gu and Wei Chang were flung all the way to the Pacific Ocean and both of them were currently soaking within the ocean water.

“Woof, woof, woof~”

Imperial translation: “Gluttonous monster, you actually rejected such a good thing.”

Wei Chang said helplessly, “His honor said that we need to be more human-like. I have been reading a novel recently, and the protagonist within that novel talked like this towards his boss.”

“Woof, woof, woof, woof~”

Imperial translation: “You will sooner or later be destroyed because of the novel. You even almost implicated me just now.”

“Why did you not go, didn’t you like to do this kind of thing the most in the past?” Wei Chang asked in puzzlement. Searching houses and exterminating families were Lie Gu’s favorites. The number of people that died within his hand was immeasurable, especially females.

“Woof, woof, woof~”

Imperial translation: “The small celebrity invited me to go rock climbing today.”

“I presume that there is definitely a cave within that mountain.” Wei Chang said indifferently as his body gradually floated up. The wet security guard uniform immediately became dry.

“Woof, woof, woof~”

Imperial translation: “How did you know that?”

Wei Chang rolled his eyes, “If there is no cave there, would you even bother going there?”

After finish speaking, a void black hole appeared in front of Wei Chang once again. After Wei Chang stepped into the void black hole, he disappeared entirely.

“Woof, woof, woof!!!!”

Imperial translation: “Gluttonous monster, you actually didn’t send me off to my destination, I’m going to be late for my date!!!!”

Lie Gu howled in grief, then dog-paddled unhurriedly forward on the ocean water. However, a huge black figure suddenly appeared below Lie Gu, a huge whale opened its huge mouth and swallowed Lie Gu along with other fishes entirely, then submerged into the seabed.

The surface of the ocean became peaceful once again, however, the huge whale that was in the seabed was a bit peculiar, seemingly feeling very painful as bloodstains emitted out from its huge mouth incessantly, attracting over countless of great white sharks!

“Pop!”

At both sides of the huge whale, 2 huge bone wings suddenly stretched out. When the bone wings stretched out, each of the wings were a few hundred meters long. Then, the head of the huge whale began to become distorted.

With the sound of a ‘bang’, the head of the huge whale exploded and was substituted by a huge dragon head. The tusks within the mouth of the dragon head made one’s hair stand on its end, and the dragon tail pierced through the tail of the huge whale. This should be a huge whale that could fly right?

“Woof, woof, woof~”

Imperial translation: “Much faster now~”

Lie Gu suddenly realized something, he had become so used to barking that after transforming back into a dragon, he was still barking. It doesn’t seem too good to still continue on barking right? If words of it were to get out, just how embarrassing would it be for me.

“Roar, roar, roar!!!”

The roars of a dragon formed huge vortexes at the seabed and immediately spread towards all directions. A huge whale which had a pair of wings swam freely and happily within the ocean.

However, at the seabed of another direction, a small gold dragon could be seen, and it was currently vigilantly sizing up the surroundings. Just a while, he was swallowing fishes, and all of a sudden, he heard the frightening roars of a dragon. Could it be that, there is someone who has a swallowing system too!! How is it possible!! And his system rank is actually this high already!!!

This place is not suitable for staying too long, I better go back to my school and eat some small fishes and earn a bit of money first!

At the other side of the earth, at the outskirts of London, there was an ancient castle there. This place was the residence of a baron. Of course, this was just a false appearance. This was actually the general headquarters of Purgatory Hitmen. Internationally, it was also a well-known hitman organization, mainly because a young super hitman appeared in this organization before, and whatever mission that he had

taken, he had a 100% completion rate. It was rumored that he had recently washed his hands clean of being a hitman and had already disappeared.
