### **You Cannot Afford To Offend My Woman**

#### **Chapter 231: Disaster**

"Quickly finish up with things here, your sister-in-law has already brought the groceries, we are waiting for you two to come back and eat dinner." After finish speaking, Wei Chang disappeared.

Green and red brothers both let out a breath, then looked towards the three.

"Big brother, how about you sever another artery of theirs? This way, it may perhaps speed things up."

"Good idea!"

Right now, the three didn't even have the energy to curse at the two even if they wanted to.

These two are simply inhumane and cruel to the extremity! To actually torture us like this! I curse the two of you to die a horrible death!

10 minutes later, the green and red brothers returned back to the rented apartment.

Seeing that the two returned, Tang Wei said with a slight smile on her face, "You two must be feeling very unused to things, right? I was the same as you two during the beginning, but I got used to it as I continued killing one after another. Right now, just thinking back about it is enough to make me feel a bit excited."

The green and red brothers took a look at each other, and a trace of a smile appeared on the corner of their mouths.

Thinking back to the scene from a while ago, it was indeed very violent and exciting.

"Alright, stop being in a daze, come over and eat dinner."

"Thank you, sister-in-law."

"Thank you, sister-in-law."

Wei Chang walked out from the bedroom and asked curiously, "Where did you two throw the corpses at? Is the place somewhere eye-catching?"

"Little brother, you tell Uncle Wei." Big Brother Green poked onto his little brother.

Little Brother Red was a bit embarrassed as he said hesitatingly, "We left the corpses at a funeral parlor."

Wei Chang, "....."

Tang Wei, "....."

Immediately, Wei Chang began scolding angrily at the two.

Green and red brothers didn't even eat their dinner and went out to deal with the corpses again.

After the two left, Tang Wei laughed and said, "Uncle Wei, don't be angry, they are still new after all."

"I'm just afraid that His Honor would blame them if they didn't do their mission well." Wei Chang laughed bitterly.

Tang Wei laughed lightly, then said faintly, "Uncle Wei, our money... is about to be used up soon, and right now, we still have to take care of the two too."

"Xiao Tang, you can be at ease, Uncle Wei won't make you suffer."

"Uncle Wei, I'm not afraid of suffering, I'm just afraid that if we run out of money, we won't be able to afford to keep up with nourishing your body, and your illness won't be able to recover."

Wei Chang was puzzled as he asked, "Xiao Tang, just what illness do I have?"

"Uncle Wei~ It's enough for you to know it yourself, so, don't ask anymore."

"How would I know what illness I actually have?"

"Alright, alright, you don't have any illness, alright? Quickly come over and eat dinner."

Wei Chang was very helpless.

As for the money problem, I have no choice but to look for Death Mage. I hope that this underling of mine has some money to help me through this tough time.

Upon being contacted by Wei Chang, Death Mage expressed that he would immediately bring the money over.

I forgot to offer the betrothal gifts that I snatched during quite a while ago to His Honor and master, and this is mainly because I have been too busy.

Right now, Ye Hua was currently feeling vexed because of money.

Qing Ya really went too far, she's not intending to give me a single cent...

And naturally, I won't go and ask her for money anymore.

Right now, all I can do is look for my subordinates and get some money from them to help me through this tough time.

However, I have to express ambiguously when I ask my subordinates for money, I must not show them that I am currently being troubled by money problems.

If I had known, I wouldn't have given the 50 billion rmb to Qing Ya. This is depressing!

"Your Honor!"

Suddenly, Wei Chang's voice rang out in Ye Hua's mind!

Ye Hua stood at the balcony of his office and smoked onto his cigarette. While smoking and looking at the hotpot store that was not far away, Ye Hua asked, "What's the matter?"

"Death Mage has something to offer to Your Honor."

Ye Hua's eyes lighted up, "Bring him to Leisure Bar's storage room."

“Understood!”

Ye Hua came to the storage room that was located on the first floor of Leisure Bar, and in the storage room, it could be seen that Wei Chang had brought along Death Mage and Xun Fang.

The three knelt down respectfully on the floor, then shouted out in unison, “Subordinate pays respect to Your Honor!”

Ye Hua swept his eyes over everyone, then shouted out with a grave voice, “You all can stand up!”

“Thank you, Your Honor!”

Looking at the red color chests that were at the side, Ye Hua asked faintly, “What are inside these chests?”

Death Mage hurriedly said, “Your Honor, the things within these chests are all some small things that subordinate managed to have gotten, I hope that Your Honor would accept subordinate’s offerings.”

Ye Hua slowly walked over to the chests and opened one of the chests. Immediately, gold light illuminated the storage room. Next, Ye Hua opened the other chest, and within this chest, it was filled with jewelry, and on top of the jewelry, there was a white color fan.

“Your Honor, this fan is an ancient godly item, and the name of this fan is God Leaf Fan.” Xun Fang added.

Ye Hua casually picked up the fan and took a look at it, then threw it back into the chest and said faintly, “I don’t need those things.”

Death Mage’s and Xun Fang’s hearts sunk.

“However... Seeing on the sake that you all meant well, I should reluctantly accept those offerings.”

Death Mage and Xun Fang became exulted as they hurriedly gave thanks by bowing towards Ye Hua.

Ye Hua let out a breath. It is fortunate that they didn’t realize that I had gone bankrupt. Those offerings simply came at the right time! This little skeleton is not bad!

It was not in vain for me to have bestowed a romance upon this little skeleton.

“Did Ying Family do anything recently?” Ye Hua asked.

Death Mage did not reply, after all, Xun Fang was the one who was placed in charge to supervise Ying Family’s every move.

“Reporting to Your Honor, today, Ying Family sent someone over to Voidless Realm to have a negotiation with Voidless Realm.” Xun Fang was very honest when she was in front of Ye Hua and didn’t dare to be negligent in the slightest bit.

“What is this Voidless Realm supposed to be?”

Xun Fang replied, “Voidless Realm is one of the three big powers.”

"Oh, is that so? Let them negotiate then, it would be best if their negotiation fails." Ye Hua said faintly. The harder they fight with each other, the happier I am.

"Wei Chang, how did the green and red brothers perform today?"

Wei Chang replied respectfully, "The green and red brothers' performances have gone beyond my expectation. Their methods of killing are incomparably ruthless, it was enough to make one have goosebumps."

"Great, I like people that are like them. After the three died, what reaction did the south had?"

The three remained silent, and from the looks of it, it seems like their intelligence wasn't up to date.

Ye Hua's brows immediately became wrinkled.

The three immediately knelt on the floor, "Subordinate apologizes!"

"The intelligence has to keep up with the tempo, I do not want to be the last one to know what happened!" Ye Hua said coldly. In the past, I did not know the importance of intelligence, but right now, I know.

"Understood!" The three shouted out in unison.

"Xun Fang." Ye Hua called out.

"Subordinate is here!"

Ye Hua asked faintly, "How are you getting along with the little skeleton?"

Xun Fang's face immediately turned thoroughly red, "Subordinate... subordinate..."

"Seems like this little skeleton didn't manage to do it, Wei Chang, kill him." Ye Hua shouted out coldly.

Wei Chang nodded his head, "Yes!"

Death Mage was stupefied.

Not only was Death Mage stupefied, but Xun Fang was also stupefied.

"Your Honor!" Xun Fang immediately knelt down on the floor and shouted out hurriedly.

Ye Hua said gravely, "Xun Fang, since you have joined my team, you should be clear about my rules! My team does not need useless people, and towards people that are useless, there is only one way that I would deal with them, which is kill!"

Death Mage and Xun Fang absolutely didn't expect that things would have turned out like this.

We came here to offer our offerings, and yet, who would have expected that a disaster would arise from it.

"Since this little skeleton wasn't able to complete the mission that I gave to him, death is imminent for him! Wei Chang! Since he is your underling, you should be the one to end his life!" Ye Hua said faintly, totally not having any sign of letting off Death Mage.

Towards Ye Hua's orders, Wei Chang would only obey, and would not go against.

While looking at Death Mage, Wei Chang said faintly, "Do you two still have anything to say to each other?"

"Your Honor! He didn't do anything wrong!" Xun Fang hurriedly pleaded, completely oblivious to just how much she wanted Death Mage to die during back then.

Towards Xun Fang's plead, Ye Hua did not pay attention to it.

Death Mage placed his weapon onto the floor, then untied his black robe, revealing his skeleton body.

Death Mage placed his hand onto Xun Fang's shoulder, signaling to her to not anger His Honor, if not, two people were going to die instead of one.

Xun Fang turned her head around and looked at Death Mage. Immediately, her beautiful eyes turned red.

#### **Chapter 232: Willing to die together**

"Quickly kneel down and beg His Honor for forgiveness, what are you still standing there foolishly for?" Xun Fang shouted out towards Death Mage.

Death Mage took out his phone, then typed onto his phone.

"Xun Fang, your wish is about to be fulfilled soon."

Looking at those words, Xun Fang's tears finally fell from her eyes.

That's right, my wish is about to be fulfilled soon, but why do I not want it to be fulfilled? Without this endearingly silly skeleton, who am I going to bully in the future? Who am I going to play games with? Furthermore, I won't be able to see the scene where smoke is coming out from his entire body anymore...

Xun Fang let out a sigh, then kneeled down in front of Ye Hua and said, "Your Honor, subordinate's wish is to kill Death Mage, then end my life afterward. Thank you, Your Honor, for helping Xun Fang to take revenge. But, after Your Honor has dealt with Death Mage, could Your Honor please end subordinate's life too."

Death Mage didn't have the time to type on his phone, and 'jiejie' could be heard coming out from his mouth.

Imperial translation: "Are you an idiot! To actually request for death!"

While looking at Xun Fang who was kneeling on the floor, Ye Hua seemed to be pondering about something.

"In actuality, I could spare this little skeleton's life, but are you willing to die for him?" Ye Hua asked.

Xun Fang turned her head around and took a look at Death Mage, then said gravely, "Xun Fang had long not wanted to live anymore. To be able to die in the hands of such a formidable existence like Your Honor, Xun Fang feels that it is worth it."

F\*\*k, the underling of my underling actually managed to get himself such a beautiful woman while using his skeleton body, and this woman is actually willing to die for him!

Ye Hua immediately felt that it was unfair. I, the Supreme Overlord, am so handsome, and yet those two women still make a scene here and there. If I were to reveal my true body, who knows what would even happen!

We are both skeletons, but why are thou so outstanding?

"Alright! I should grant your wish then!"

Ye Hua slowly raised his hand, and a gold color flame could be seen appearing on his palm.

Death Mage couldn't care about too much anymore as he immediately rushed forward and used his skeleton body to block in front of Xun Fang, "Your Honor, please forgive subordinate for being rude, but if Your Honor wants to kill, just kill subordinate instead!"

Looking at Death Mage and Xun Fang, Ye Hua suddenly thought of an idea.

I have never met with any difficulties, except for that one time. If there comes a day where I couldn't make it and was going to die, how would those two women react?

Ye Hua wants to express that he was very curious.

Keeping away the flame, Ye Hua said faintly, "Alright, I'm just joking, look at just how nervous the two of you are."

Joking???

But you didn't look like you were joking at all???

Death Mage and Xun Fang were completely stupefied, and Xun Fang's face could be seen turning red as she hurriedly pushed Death Mage away from her.

"Your Honor!" Xun Fang's face seemed like it was about to bleed soon.

His Honor is an existence that is extremely formidable, but I didn't expect that His Honor would be so mischievous too, to actually make me and that skeleton tear through that last piece of paper that was preventing us from confirming our relationship with each other.

Ye Hua said with a slight smile on his face, "Xun Fang, it is okay to like someone, there is nothing wrong with it. Although you two belong to two different races, it doesn't matter at all."

"Your Honor..." Xun Fang felt that she was about to have to start digging a hole to hide in.

Death Mage was very exulted.

This woman is willing to even die for me, and yet she still says that she doesn't like me. I feel so touched, as expected of the ugly woman that I like.

Ye Hua kept away his smile and said calmly, "Xun Fang, if you want to have children, I will bestow a corporeal body to this little skeleton. Such a thing like this, I, the Supreme Overlord, am able to help you with it."

"Your Honor, who would want to have children with him." Xun Fang said shyly. My inner feelings were actually sounded out by His Honor. Once we head back, I am definitely going to get laughed at by this skeleton.

"Alright, I should accept your request then. In actuality, it is fine to not want to have children."

Death Mage and Xun Fang were stupefied.

His Honor doesn't take the normal routes, I was only being shy just now, who would talk about wanting to have a child or not at such a time like this...

Ye Hua waved his hand, "The two of you can go back, but do pay attention to the intelligence from now on!"

"Yes!"

"Yes!"

Death Mage brought along Xun Fang and left. Looking at the two, the two were going to verbally attack each other once they returned back to Ying Family. And of course, it was going to be the sweet kind of verbal attack.

Wei Chang revealed out a respectful smile on his face, "Your Honor truly empathizes with us subordinates. Not only did Your Honor help them get together, Your Honor even helped to tear apart the last piece of paper that was separating the two of them. Your Honor has subordinate's full respect."

"Xun Fang is a good woman, and also a good subordinate. If there are any important missions in the future, you can assign the missions to her."

"Understood."

"Alright, you can go back and accompany your Xiao Tang, I still have things to do."

"Yes!"

After Wei Chang left, Ye Hua opened the red color chest once again, then mumbled to himself, "Qing Ya, you would have never expected it, right? What I, the Supreme Overlord has, is money!"

But, how do I change those golds into money? Do I have to find the time to sell the golds away? Ah, this is so troublesome.

I should have got them to change the golds into money first before they left.

Actually, forget about it, if I had gotten them to do that, they would have come to know that I currently do not have any money.

Ye Hua opened the door and walked out of the storage room. Right after walking out of the storage room, Ye Hua saw Donghuang Baizhi who was currently sleeping while lying down on the bar counter.

Ye Hua let out a sigh.

That Xun Fang is able to die for that Death Mage, and yet my own women wish that I would die quicker. This is the difference between my women and that little skeleton's woman...

F\*\*k!

I shouldn't have put on a show to help those two. If I didn't put on a show to help those two, I wouldn't be in such a bad mood right now.

Hmm, I might as well just order all of them to break up, and before I resolved this family conflict of mine, they are not allowed to get back together.

Ye Hua came to the bedroom, and on the bed, two beauties, one big, and one small, were actually not sleeping and were currently chatting with each other.

When Qing Ya saw Ye Hua appeared, the arcs that were on the corners of her mouth immediately turned flat.

And when Donghuang Li saw Ye Hua appeared, Donghuang Li shouted out with a smile, "Daddy~"

Ye Hua carried onto his daughter and said with a smile on his face, "What was Ah Li talking about with Aunt Qing?"

"Daddy, Ah Li pinky promised with Aunt Qing. Ah Li can't tell others what Aunt Qing and I talked about, if not, Ah Li is going to be a person who breaks her promise. Mommy often told Ah Li that, one must uphold their promises and must not tell lies to others."

Judging from what Ah Li just said, that Donghuang Baizhi must have definitely been indirectly talking bad about me.

Qing Ya who was on the bed snorted. This guy here is precisely a big liar.

After pinching onto his daughter's small nose, Ye Hua said faintly, "Ah Li, how about daddy teach you some formidable techniques?"

"Daddy, really?"

"Of course, how would daddy lie to Little Ah Li?"

"That's great, Ah Li wants to learn."

After the two left the room, Qing Ya got off the bed and decided to go and have a talk with Donghuang Baizhi.

Meanwhile, Ye Hua brought his daughter to the office. Ye Hua sat on the office chair, while Donghuang Li, whose face was currently filled with anticipation, sat on Ye Hua's legs.

Ye Hua could be seen stretching out his finger.

Pfft.

A purple color flame appeared on the tip of Ye Hua's finger. The flame looked very pretty.

Donghuang Li's eyes were attracted by the flame, "Daddy, this purple flame looks so pretty and beautiful."

"Ah Li, this is Firmament Ghost Fire, one of the most powerful flames in the entire history, it is able to burn the souls of others. Do you want to learn it?" Ye Hua said with a smile on his face.

"En, en, en, en, Ah Li wants to learn it. But Ah Li is afraid that Ah Li wouldn't be able to learn it and thus make daddy become disappointed." Donghuang Li was a little unconfident.

"Foolish child. It is okay to fail at things, but what is not okay is to give up before even trying." Ye Hua guided attentively.

During the two years where I wasn't by Ah Li's side, I didn't expect that Ah Li's mental state had become so bad. How did that Donghuang Baizhi even acted as a mother?

Donghuang Li pondered for a moment, then said seriously, "Daddy, Ah Li understood, Ah Li will be brave and try to learn the techniques that daddy is going to teach Ah Li."

"Ah Li is truly daddy's good daughter. Ah Li, you have a try."

As Ye Hua's descendant, Donghuang Li had inherited all of Ye Hua's innate skills, just that, those skills were still not yet awakened.

Donghuang Li's current state was just like the characters within games. Donghuang Li possessed all of the skills, but because she was currently only level one, she had to slowly level up to unlock the skills.

Donghuang Li imitated her father and stretched out her small index finger, then began staring at the finger with a serious look on her face.

After a long while, there was still not even a single spark on her finger, and immediately, Ah Li became anxious. However, because she didn't want to disappoint her father, she didn't give up. Perseverance was filled on her entire small face.

Looking at the look on his daughter right now, Ye Hua was very gratified.

Back then when I was still weak, I was just like Ah Li too. Faced against failures, I did not compromise, and instead, I accumulated experiences through my failures and slowly walked towards the direction of success one step at a time.

### [You Cannot Afford To Offend My Woman](#)

#### **Chapter 233: The two women having a conversation with each other**

When looking at Ah Li, Ye Hua felt as if he was looking at a similar reflection of himself.

"Ah Li, don't be anxious, your mind has to be calm. Do not try to rush things, take it slow and easy." Ye Hua guided attentively.

After hearing what Ye Hua said, Donghuang Li gradually became relaxed.

Zi, zi, zi.

A purple spark could be seen appearing on the tip of Donghuang Li's finger. Upon seeing that, Donghuang Li became exulted, while Ye Hua became stupefied.

Pfft!

A small and tiny Firmament Ghost Fire appeared on Ah Li's fingertip, "Daddy, Ah Li succeeded!"

Right now, Ye Hua was still currently in a stupefied state.

Back then, I used one hour to congeal out the Firmament Ghost Fire, and yet Ah Li actually only used 20 minutes to congeal out the Firmament Ghost Fire. As expected of my descendant, her innate talent is much more talented than mine.

If Ye Hua's thoughts were to be heard by others, they would definitely scold this pair of father and daughter for being too overpowered as the two were pretty much like they had cheats on.

Normally, without a few hundred years, Firmament Ghost Fire could not be congealed out. Furthermore, various kinds of flames had to be combined together first before Firmament Ghost Fire could begin to congeal. And yet, when it came to the two, they were easily able to congeal out the Firmament Ghost Fire, especially Donghuang Li, who only used 20 minutes to congeal out the flame, while Ye Hua on the other hand, was sighing that his one hour was too long compared to his daughter's 20 minutes.

"Ah Li sure is formidable." Ye Hua gave Ah Li encouragement and rubbed onto Ah Li's head.

Ah Li squinted her beautiful eyes, having a look on her that showed she was enjoying getting her head rubbed onto by her father.

Ye Hua stretched out both of his hands, and various different kinds of flames could be seen appearing on each finger, "Ah Li, this will be your first lesson."

Donghuang Li looked dazedly at the flames that were on her father's fingers.

So pretty... so formidable...

I definitely have to try my hardest to learn from daddy and not let daddy become disappointed. I have to let daddy feel proud of me.

Right now, Donghuang Li's eyes were flickering with resolute conviction.

Ye Hua was very satisfied. I wonder if Qing Ya's child will be like Ah Li or not, I really look forward to when the child is born.

On the second floor, while the pair of father and daughter were bonding with each other, Qing Ya came downstairs and saw Donghuang Baizhi who was drowning her sorrows away with alcohol.

After taking in a deep breath, Qing Ya walked over and sat at Donghuang Baizhi's side, then poured herself a glass of alcohol.

"You are drinking when you are pregnant?" Donghuang Baizhi reminded, then slowly took a sip of her alcohol.

Qing Ya went into a daze for a moment, then placed down the glass of alcohol that she was holding onto her mouth on the table, "Thank you for reminding."

The two women just sat there and didn't speak. The atmosphere was a little odd and awkward.

"You must have been in a lot of pain during those three years, right?" Qing Ya said slowly.

Donghuang Baizhi laughed lightly, "Pain? Pain had long been but a normal thing for me, I have already gotten used to it during those three years."

"Back then, if Ye Hua had come downstairs, perhaps, you wouldn't have been in so much pain." Qing Ya said faintly.

I feel that Donghuang Baizhi is also a victim too, and from what Ah Li told me, she didn't seem to be living happily.

Donghuang Baizhi looked towards Qing Ya and said seriously, "Qing Ya, if Ye Hua came downstairs back then, nothing would have happened between you and Ye Hua, would you be willing for that to happen?"

Qing Ya remained silent, because right now, she wasn't willing for that to happen. However, at the same time, she was also feeling angry at Ye Hua. And when those two feelings intertwined together, it caused Qing Ya to become extremely miserable.

In actuality, Ye Hua was basically just a bit too lazy. If he was willing to just coax the two women more, perhaps, he could have already been living together happily with the two women. Unfortunately, Ye Hua wasn't that kind of person, he was the kind of person that would become angry when the other party doesn't give in after he had already tried to coax them for a bit.

"Qing Ya, to tell the truth, I am pretty envious of you." Donghuang Baizhi said calmly, and there was indeed envy in her tone, she did not lie.

Qing Ya laughed bitterly, "What is there to be envious about, I'm just an ordinary woman who is slightly rich and looks pretty. Those are the only reasons that led me to end up becoming swindled by Ye Hua."

"Qing Ya, I'm envious of your luck." Donghuang Baizhi sighed.

"Luck?"

"I'm envious that when you came to the bar to look for him while you were pregnant, he came downstairs to meet you." There was a drunk looking smile on Donghuang Baizhi's face. Perhaps, only while she was drunk, then would she reveal out her inner feelings.

Qing Ya understood what Donghuang Baizhi meant.

If I was in Donghuang Baizhi's shoes, and Ye Hua did not come downstairs to meet me when I came to look for him, I reckon that I would have had the heart to want to die.

And yet, even though that happened to her, she was able to persevere for so long while raising Ah Li by herself. Her willpower is much stronger compared to mine.

In actuality, no one knew just how much pressure Donghuang Baizhi had to carry on her shoulders. The pressure that came from the Voidless Realm, and also the pressure that came from the outside world.

However, now that everyone knew of Ah Li's existence, Donghuang Baizhi didn't have to continue pretending anymore.

"Then, did Ye Hua explain why he didn't come downstairs to meet you back then?"

Donghuang Baizhi laughed in disdain, "He explained, I will just treat what he said as the truth."

"Could it be that, he lied to you again?" Qing Ya was a bit indignant.

Everything is good about Ye Hua, just that, Ye Hua just likes to talk big and lie to others.

"He said that he wasn't convenient during those few days, do you believe such words?" Donghuang Baizhi couldn't help but laugh at how absurd Ye Hua's reason was.

Qing Ya was dazed when she heard what Donghuang Baizhi said. Not convenient? It is not like you are a woman, so just what could have caused you to be inconvenient? This explanation of yours is obviously just a lie made up by you.

Donghuang Baizhi filled her glass with alcohol, then drank the entire glass of alcohol in one shot. From this, it could be seen just how angry Donghuang Baizhi was right now.

After quite a while, Qing Ya said gravely, "In actuality, you two are a very great match for each other, since both of you are cultivators."

"Qing Ya, you cannot say it like that, right now, the issue isn't if we are a great match with him or not, the issue right now is that he is keeping us here in the bar by force!"

Qing Ya held her hands into fists, "That's right, if I am stronger than him, I would definitely give him a good beating and show him who is boss!"

"Haha, you think exactly the same as me. If I am stronger than Ye Hua, I would give him a good whipping and let him know just how formidable I am! To actually dare to lie to me!!!" Although Donghuang Baizhi was smiling, tears were flowing out from Donghuang Baizhi's beautiful eyes.

Qing Ya was also feeling miserable, and the moment the atmosphere became like this, tears subconsciously flowed out from Qing Ya's eyes too.

The two women sat at the bar counter and cried their hearts out. And this scene was saw by Ye Zizi who came downstairs to grab a bag of spicy sticks.

While eating a spicy stick, Ye Zizi sighed repeatedly.

The two madams truly match with each other, to actually cry with each other. After finish thinking that to herself, Ye Zizi happily went back upstairs to continue playing with her game.

After crying enough, the eyes of the two beautiful women became red and swollen.

Donghuang Baizhi said while whimpering, "Qing Ya, do you want to leave this place?"

"I want to." Qing Ya nodded her head. In actuality, I had long wanted to leave this place and go somewhere else alone to relax my mind.

"If the opportunity arises, I will bring you to Voidless Realm. The air there is very good and is suitable for nurturing your fetus."

Qing Ya asked confusedly, "Voidless Realm?"

"En, that place is my territory, no one would be able to disturb you when you are there. Even if Ye Hua were to come knocking at Voidless Realm's doorstep, I would be able to make him know his place and retreat!"

"But... but, we are completely unable to leave this place at all right now." Qing Ya sighed. How could we possibly be able to run away from this place when we are faced against such a tyrant like Ye Hua?

Donghuang Baizhi also didn't know how she was going to be able to run away from this place, "Let's see how the situation goes, I guess. He can't possibly lock us both here for the entire rest of our lives, right?"

"Baizhi, you probably don't know about this, but Ye Hua would really do such a thing, he is not joking around with us." Right now, Qing Ya understood Ye Hua.

Although Ye Hua would dote on me, once you provoked him, he wouldn't talk reasons with you.

Donghuang Baizhi said coldly, "That wouldn't do, I still have a lot of things that I have to deal with outside!"

I left Voidless Realm and came here in secret, if it was to be discovered that I went missing, wouldn't Voidless Realm end up being in a mess? No, this won't do! I definitely have to quickly return back to Voidless Realm!

Thinking up to here, Donghuang Baizhi pounded onto the air wall and shouted out, "Ye Hua! Come downstairs!"

Qing Ya was very confused as she stretched out her hand to touch onto the air.

After touching onto nothing but air, Qing Ya thought to herself, "What is she hitting on? There isn't anything in the air."

Donghuang Baizhi laughed miserably, "Qing Ya, this is the difference between you and me."

Qing Ya's face was filled with shock.

I thought that she was only being locked up here in the bar, but who would have thought, while being locked up in the bar, she is also being locked up by an invisible wall. This is basically a cell within a cell. This Ye Hua is too heartless!

### [You Cannot Afford To Offend My Woman](#)

#### **Chapter 234: Family conflict escalates**

Ye Hua who was currently watching Donghuang Li practice wrinkled his brows. What is this woman shouting for this time round?

"Ah Li, practice on your own first, daddy will be leaving for a moment." Ye Hua patted onto his daughter's small head.

Donghuang Li nodded her head seriously, "Ah Li understood."

After coming downstairs, Ye Hua was startled.

They are actually together? What is the meaning of this?

"Donghuang Baizhi, the way you shout and make a big fuss right now makes you seem like you do not have the least bit of deportment at all!" Ye Hua shouted out gravely.

As my woman, look at just how she is acting right now, she is pretty much acting just like a big aunt. If my subordinates were to see how she is acting right now, my face would really be thrown away by her.

While with her willow brows wrinkled, Qing Ya stood at the side and remained silent.

Right now, I am starting to sort of sympathize with Donghuang Baizhi.

In the past, I had also been chided at like this by Ye Hua. However, Donghuang Baizhi's situation is different from my situation. Donghuang Baizhi raised the child by herself, and yet this Ye Hua didn't even say a nice thing to her. Instead, the moment he came downstairs, the first thing that he does was to chide at her.

"Ye Hua! Let me out!" Donghuang Baizhi pounded onto the air wall and shouted out.

Ye Hua stood outside of the air wall and said faintly as he looked straight at Donghuang Baizhi, "If you don't change even in the slightest bit, you can prepare to just continue on staying here."

"Ye Hua, it's more or less enough already, is there a need to lock her up like this?" Qing Ya said, trying to persuade Ye Hua. This caused Ye Hua to become very unhappy. Just whose side are you standing on?

Looking at Qing Ya, Ye Hua said coldly, "Qing Ya, you go upstairs and rest."

"No! I want to leave this place too!" Qing Ya shouted out with a stern look on her face.

This caused Ye Hua to become even angrier.

Do those two women really want to leave this place so badly? I just precisely won't let them leave this place then!

"Qing Ya, don't try to provoke me any more than you already have!"

Qing Ya was totally not afraid as she continued shouting out, "Ye Hua, let me tell you! I am not a canary that you are raising!"

"Enough!" Ye Hua shouted out angrily.

Ye Hua's shout caused the two women to become stupefied. Right now, Ye Hua's face was very fierce-looking, and red lights were flickering within his black pupils.

In all of the campaigns that Ye Hua went through in his life, no one was able to cause him to become so angry, not even those Overlords. But who would have thought, the two people that managed to do it would be his own women.

“Qing Ya! I am talking to this woman! And while I am talking to her, you either choose to go upstairs and wait, or keep your mouth shut!” Ye Hua calmed down the anger within his heart, then said coldly.

Qing Ya looked at Ye Hua in disbelief. He actually bellowed at me! This goddamn bastard!

Qing Ya and Donghuang Baizhi could both be seen picking up a chair and throwing the chair towards Ye Hua. The expressions on their faces seemed as if they wished they could kill Ye Hua.

Ye Hua was angered to the point that his veins were popping out, and his entire face had turned red from anger, “Qing Ya! You ask for it! The two of you can prepare to just stay here at my place and not go anywhere else!”

After finish speaking, Ye Hua turned around and headed upstairs.

Not only did the family conflict not get resolved, it even escalated and became worse. Right now, even Qing Ya was locked up here too.

Right now, Qing Ya could be seen holding onto a chair and smashing the chair onto the air wall while shouting out loudly, “Ye Hua, I dislike you! I hate you!”

Donghuang Baizhi who was at the side was also shouting out at Ye Hua, “Ye Hua, you tortoise! Bastard! I, Donghuang Baizhi, will never be your woman in this entire life of mine!”

“I, Qing Ya, am the same too! I want to divorce you!”

Faced against the two women’s threatens, Ye Hua slowly turned his head around and said coldly, “You two can stay here for the rest of your lives then!”

Qing Ya and Donghuang Baizhi collapsed onto the floor powerlessly, then began crying. Soon after, the two hugged onto each other and cried together.

Ye Hua stood on the staircase and lighted up a stick of cigarette.

Great, now even Qing Ya had also become just like this Donghuang Baizhi. What a day!

Suddenly, Ye Hua recalled of a matter and walked back down the stairs.

Back on the first floor, Ye Hua shouted faintly to Donghuang Baizhi, “Donghuang Baizhi, from today onwards, Ah Li’s surname will be Ye.”

Donghuang Baizhi who was currently crying her heart out went into a daze, and soon after, she hit onto the air wall crazily as if she had gone mad, “Ye Hua! You don’t have the rights to do that, Ah Li is mine! You cannot snatch her away from me!”

“I am merely informing you, I am not seeking your approval.” After finish speaking, Ye Hua went upstairs.

“No! Ye Hua, you cannot do this, I was the one who raised Ah Li! Ah Li! Ah...” Donghuang Baizhi’s heart tearing yell was enough to make others felt endlessly heart pained for her. After yelling, Donghuang Baizhi collapsed onto the floor and powerlessly hit onto the floor.

This caused Qing Ya who was at the side to feel very worried for Donghuang Baizhi. Not having the leisure to even care about herself, Qing Ya went and console Donghuang Baizhi.

This Donghuang Baizhi is too pitiful. She has been raising the child by herself for so long, and right now, the moment that Ye Hua took over the child, he immediately intends on changing the child's surname. Which mother would be able to bear such a thing? What that scoundrel Ye Hua is doing is basically snatching Donghuang Baizhi's sweetheart away from her.

Ye Hua stood outside of the office and finish smoking onto his cigarette before entering into the office.

Right now, Donghuang Li was currently practicing seriously, and her small face was filled with sweat.

Right now, only my daughter is able to make me feel at ease. As for the other two, not a single one of them is able to not give me a headache.

"Daddy~" Seeing that her father came back, Donghuang Li immediately stretched out her arms and requested for a hug.

Ye Hua's mood became better by a lot as he stretched out his arms and carried onto his daughter, "How has Ah Li's practice been going?"

"Daddy, Ah Li is only able to congeal out the flames and is not able to control the flames~" Donghuang Li said frustratedly. Donghuang Li was somewhat afraid that her father would become angry, because in the past, when she was at Voidless Realm, when she wasn't able to reach her mother's requirements, her mother would punish her.

Of course, Ye Hua wouldn't punish Ah Li because of that. While pinching onto Ah Li's small cheek, Ye Hua said, "It's fine, slowly."

Seeing that her father didn't scold her and even consoled her, Donghuang Li was happy to death as she said with her tender voice, "Ah Li likes daddy the most~"

Little children were just like this, whoever that treats them well, they would like that person.

While carrying onto his daughter, Ye Hua sat on the sofa, then took out a piece of tissue from the tissue box and helped Ah Li to wipe onto her sweat.

Donghuang Li's brows suddenly became tightly wrinkled, and in the next moment, she actually began crying.

"Ah Li, what's the matter?" Ye Hua asked worriedly.

"Boohoo, daddy treats Ah Li so well... mommy has never help Ah Li wipe onto her sweat before."

From the looks of it, Donghuang Baizhi was the kind of mother that was strict with her child.

"Alright, don't cry, don't cry, from now on, with daddy here, no one will be able to bully you!" Ye Hua said gravely.

Who knows how much my Ah Li has suffered while she was with that Donghuang Baizhi.

Donghuang Li cried while tightly hugging onto her father. This feeling of being doted by her father was something that she had never experienced before.

"Ah Li, daddy has a matter to talk to you about." Ye Hua said while stroking onto his daughter's hair.

"En~" Donghuang Li responded.

Ye Hua said faintly, "Ah Li, from now on, you will have the same surname as daddy, okay?"

"Ah, then, Ah Li won't be called Donghuang Li, and will be called Ye Li?"

"En, that's right."

"Alright, Ah Li will listen to daddy." Donghuang Li agreed happily. However, after agreeing, Donghuang Li suddenly thought of something and her brows immediately became wrinkled.

Ye Hua was very happy. My daughter sure is clever and sensible.

"Daddy, if Ah Li's surname becomes Ye, mommy will become very broken-hearted." Donghuang Li looked at her father with her eyes opened wide and said.

"Do Ah Li not want to have the same surname as daddy?"

In actuality, Ye Hua didn't really care that much about whose surname Ah Li followed after, he was just merely following the custom where children would most of the time had to follow after the father's surname.

Donghuang Li shook her head, "Ah Li of course wants to have the same surname as daddy. But if Ah Li changes her surname, mommy would become all alone."

Ye Hua kept silent and didn't speak.

"Although mommy is very strict towards Ah Li, Ah Li is able to see that mommy actually cares a lot about Ah Li, just that mommy doesn't say it out. Furthermore, mommy only has Ah Li, and Ah Li is afraid that mommy would become very sad and broken-hearted if Ah Li were to change her surname."

After hearing what his daughter said and recalling back to Donghuang Baizhi's yell from a while ago, Ye Hua remained silent and did not speak.

#### **Chapter 235: Mommy, you have to perform well**

Seeing that her father wasn't speaking, Donghuang Li thought that her father had become angry and hurriedly said, "Daddy, don't be angry, Ah Li will follow after daddy's surname, okay?"

"However, in the future, when daddy and mommy have another child, the child must follow after mommy's surname, if not mommy would be too lonely." Donghuang Li said pitifully.

After listening to what Ah Li said, Ye Hua laughed, "Ah Li sure cares about mommy."

"En, Ah Li cares about daddy too."

Ye Hua said faintly, "If that's the case, Ah Li can just continue following after mommy's surname then."

"But, Ah Li also wants to follow after daddy's surname." The little fellow pouted her small mouth, having a look on her that was showing that she was very unhappy.

"How could a mere surname be able to obstruct the bond between us father and daughter?"

Donghuang Li liked Ye Hua even more right now, and Donghuang Li could be seen kissing onto her father's cheek. Afterward, Ye Hua lifted Donghuang Li up high in the air.

"Woo~ Ah Li is able to fly~"

Seeing that the little fellow was so happy, Ye Hua felt very happy too.

Ah Li is only this big and she already knows to care about her parents.

"My daughter sure is sensible and thoughtful!"

"Hehe~"

On the second floor, the father and daughter pair were harmoniously bonding with each other, while on the first floor, wailings continued on endlessly.

Even Qing Yutong and Ye Zizi who were playing with their games couldn't stand it anymore and both of them came downstairs to take a look at what was going on.

And when the two came downstairs and saw what was going on, the two immediately became dumbstruck.

Qing Yutong didn't dare to believe that her brother-in-law would actually lock two people up on the first floor.

Although I did tell you to make my big sister become jealous, this isn't how you make one become jealous...

Ye Zizi wants to express that His Honor was already very benevolent.

If it was placed in the past, the two madams wouldn't be just merely locked up here, they would be locked up in someplace that was terrifying.

"Yutong, you go upstairs and tell Ye Hua that I want to divorce him!" Qing Ya's eyes were red and swollen, and she was currently consoling Donghuang Baizhi.

Ye Zizi blinked her beautiful eyes, "Sister-in-law, we all know that big brother's temper is very smelly, so don't be angry anymore~"

"That's right, that's right, brother-in-law definitely didn't mean to act like this." Right now, Qing Yutong didn't dare to try and anger Ye Hua, because if she does, her butt was going to get beaten swollen.

Ye Zizi had the same thought as Qing Yutong.

Right now, whoever stands on the same side as the two madams, they are practically asking for a beating from His Honor.

Qing Ya pointed at the two and said angrily, "You two traitors! At such a crucial time, the two of you are still standing on Ye Hua's side!"

"Big sister, don't be angry anymore, it's not like you don't know how brother-in-law is like. If you just act coquettishly to him, wouldn't it all be over easily?"

Qing Ya shouted out indignantly, "You still want me to act coquettishly to him? You can tell him to go and die instead!"

"Give my daughter back to me... I want Ah Li..." Donghuang Baizhi muttered while sobbing.

Looking at how Donghuang Baizhi looked right now, Qing Yutong and Ye Zizi also didn't feel good.

This woman is truly pitiful. Can't His Honor just try to coax them? Sigh...

"Mommy~"

Donghuang Li could be heard shouting out as she ran towards her mother.

Having not seen her daughter for a few hours, Donghuang Baizhi tightly hugged onto Donghuang Li, "Ah Li..."

"Mommy, why are you crying? Don't cry, okay? Ah Li will help mommy wipe her tears away."

The more sensible Donghuang Li was, the harder Donghuang Baizhi cried.

If I didn't get angry at the little fellow during that day, the little fellow wouldn't have left home, and she wouldn't have met this heartless father of hers.

At this moment, Ye Hua walked over unhurriedly and said faintly, "Yutong, go and bring a table over here, it is time to eat dinner."

"Oh..." Qing Yutong and Ye Zizi immediately went to set the table.

Upon seeing that, Qing Ya gnashed her teeth angrily. These two traitors!

It feels different hugging onto mommy and daddy, mommy's embrace is warm, while daddy's embrace is warm, but also makes me feel safe.

"Mommy, daddy promised Ah Li that Ah Li's surname will remain as Donghuang." Donghuang Li who was nestling within her mother's embrace said in a low voice.

Donghuang Baizhi went into a daze, then raised her head and looked towards Ye Hua who was smoking at the side.

Would this man be so good-hearted? I won't believe it even if I get beaten to death.

Donghuang Li could be heard adding on another sentence, "Daddy said that, the child that mommy gives birth to in the future has to be surnamed Ye."

"Cough, cough, cough." Ye Hua choked onto his cigarette smoke.

If you want to give birth to another descendant of mine, it will depend on how you perform. Do you think that it is so easy to obtain the chance to bear my descendant? If you think so, you are delusional.

Donghuang Baizhi immediately shouted out, "Shameless!"

To actually speak to the child about this, and to even think of having another child with me, the empress, you are shameless and delusional!

Qing Ya's face was cold while she remained silent.

In any case, I am intending on ignoring Ye Hua forever. I am currently very angry, and my anger is at the point where it can't be appeased no matter how much Ye Hua tries to coax me.

After the table was set, Ye Hua placed the meats of Star Clean Sparrow and Golden Delicate Crane onto the plates.

"Come over and eat dinner." Ye Hua shouted out to the two women.

"Mommy, Aunt Qing, it's time to eat dinner~" Donghuang Li could be seen dragging the two women to the dinner table.

How would a little child be able to drag onto two big adults? It was just that Qing Ya and Donghuang Baizhi didn't resist against Little Ah Li.

Qing Yutong couldn't endure it any longer, and Ye Zizi's saliva was already starting to drip.

These two meats are pretty good, His Honor sure knows how to enjoy life.

"Ah Li, these two meats are good for growing your body, so do eat more." Ye Hua said tenderly.

Donghuang Li smiled sweetly, "Ah Li will start eating then."

Ye Hua nodded his head, giving his approval for Ah Li to go ahead and eat.

"Wow, daddy, what meat is this, it's so delicious!" Donghuang Li exclaimed in surprise.

I have never eaten such delicious meat before.

Qing Yutong laughed, "Ah Li, these two meats are able to help make you become prettier too~"

"Really? Ah Li has to eat more of these two meats then, Ah Li is going to become even prettier than mommy." Donghuang Li laughed happily.

There was no need to say much about Ye Hua's and Donghuang Baizhi's looks, so, would the looks of the child of the two be falling short of them? The answer was evidently no. It could only be said that, the effects of the meats would only be decorating onto something that was already perfect.

Qing Ya and Donghuang Baizhi did not eat. It seems like the two were starving themselves to protest against Ye Hua's doings.

Sensing that the atmosphere wasn't good, Qing Yutong and Ye Zizi took their plates and went upstairs to eat.

Seconds feel like years when I am sitting here, it would be better for me to just go upstairs and eat.

"Mommy, Aunt Qing, why aren't you two eating? These two meats are very delicious." Donghuang Li had already finished eating the meats on her plate, and she still wanted more.

"Aunt Qing is on a diet. Ah Li, you can eat Aunt Qing's share." Qing Ya placed her share onto Ah Li's plate.

"Mommy is also on a diet. Ah Li, you can eat mommy's share too."

Looking at the two women's actions, Ye Hua thought to himself, "They have personalities, I just precisely like how they are. However, I will see just how long the two of you are going to be able to persevere for."

Donghuang Li licked onto her lips, "Don't mind if I do then."

After hearing what Ah Li said, a slight trace of an arc appeared on the corner of the two beautiful women's mouths. However, the arc went flat in the next moment.

"Daddy, Ah Li wants to sleep with mommy tonight, are you going to come and sleep with us too?"

Donghuang Baizhi, "....."

Ye Hua said faintly, "Your mommy is still currently under daddy's examination period. If your mommy performs well, she will be allowed to sleep together with daddy."

"Oh, is that so? Then, mommy, you have to perform well and strive to be allowed to sleep with daddy as soon as possible."

Donghuang Baizhi, "....."

Ye Hua took a small sip of the alcohol, then said faintly, "Baizhi, you will sleep with Ah Li in the office, I will bring a bed over to the office later on."

"Qing Ya, you will sleep with me."

Ye Hua who was sitting down like a big boss issued his orders.

"Who would want to sleep with you! I would rather sleep on the floor than to sleep with you!" Qing Ya said with a cold look on her face.

"You are not allowed to decline!"

Of course, Ye Hua wouldn't really keep on locking up the two madams in the main hall.

It's enough to just give them an appropriate amount of punishment. I wouldn't really keep them locked up here forever, I only said that because I was really angered by them just now. After all, how could I not be angry when they don't listen to me?

### [You Cannot Afford To Offend My Woman](#)

#### **Chapter 236: Discovered**

After dinner, Ye Hua undid the air wall that locked up the two women, then brought a bed over to the office. The office was going to be Donghuang Baizhi's bedroom for the time being.

Donghuang Baizhi was currently keeping her daughter company. It could be said that, this was the first time that Donghuang Baizhi was wholeheartedly keeping her daughter company, and Donghuang Baizhi really cherished this moment.

On the other hand, Qing Ya was brought to the bedroom by Ye Hua, or to be precise, Qing Ya was carried into the bedroom by Ye Hua.

Within the bedroom, Qing Ya cried and shout, causing Ye Hua to be helpless, and without choice, he placed a spell onto Qing Ya, then did Qing Ya quietly fell asleep.

If it was possible, Ye Hua wanted to just use magic and turn Qing Ya into the kind of woman that he wants.

However, if he had used magic on Qing Ya, Qing Ya wouldn't be Qing Ya anymore and would be but just a shell without a soul, and that was not what Ye Hua wanted.

While lying on the comfortable big bed and hugging onto Qing Ya, Ye Hua lightly wiped onto the tear stains that were on the corners of Qing Ya's eyes, "Why won't you listen to me? If you had been a bit more obedient, I, the Supreme Overlord, wouldn't have had to bully you."

"Saying stupid things like wanting to get a divorce, if it were placed in the past, I would have definitely smack your butt till it becomes swollen. Furthermore, you even froze my card too, you are truly a mischievous little thing." While mumbling to himself, Ye Hua smiled.

Qing Ya was just precisely this charming, even when she was angry, Ye Hua still likes her.

Ye Hua's feelings toward Donghuang Baizhi weren't very deep. But it could be said that, Ye Hua felt both apologetic and grateful to Donghuang Baizhi. Apologetic for not having come downstairs to meet her back then, and grateful that she had given birth to Ah Li.

Just based on the point that Donghuang Baizhi had given birth to Ah Li, Ye Hua would definitely look after Donghuang Baizhi. Furthermore, Donghuang Baizhi was his woman, so how could he leave her outside and ignore her? That was completely not possible.

Within the office, Donghuang Baizhi was going to sleep while hugging onto her daughter.

Ever since Ah Li was born, I had never gone to sleep while hugging onto her. As a mother, I feel really ashamed, I was a failure as a mother.

However, after this incident, Donghuang Baizhi decided that she would keep company with her daughter more often and let her daughter be able to experience what a mother's warmth feels like.

Looking at Ah Li who was nestling within her embrace, Donghuang Baizhi revealed out a slight smile on her face. The smile of the empress was truly incomparably beautiful.

Rumble~

When all was said and done, the empress was a human too, and without spiritual energy to support her, she would become hungry too when she didn't eat.

From yesterday till now, asides from the Chinese crepe that she had eaten during this morning, all she had taken in was alcohol.

And right now, the moment her mood became somewhat better, her stomach immediately felt hungry.

Donghuang Baizhi lightly placed the quilt onto her daughter, then got off the bed, intending to go and see if there was anything to eat.

Voidless Realm's empress searched around the office for food just like a thief, but there wasn't any food in the entire office.

Donghuang Baizhi secretly opened the door and took a look. After discovering that Ye Hua wasn't around, she decided to go downstairs and look for food.

At the bar counter, besides from alcohol, there was nothing else, and right now, Donghuang Baizhi didn't want to drink alcohol.

If I drink alcohol again, Ah Li is going to complain again that there is an alcohol smell on my body.

"There should be something to eat inside, right?" Donghuang Baizhi walked towards the place where Leisure Bar stored its goods.

And after searching for quite a while, all she discovered was beverages.

Little did she knew, Ye Hua had long hidden all of the spicy sticks, to prevent Qing Yutong from stealing his spicy sticks. And right now, there was one more person who he had to prevent from stealing his spicy sticks, Ye Zizi.

"There should be some food in this storage room, right? I'm about to die from hunger..."

It has been a very long time since Donghuang Baizhi had experienced what hunger felt like. After all, with the support of spiritual energy, it would be fine for her even if she didn't eat for a month.

Donghuang Baizhi opened the door of the storage room, and it was pitch-black inside. She then stretched out her hand to the light switch.

Click.

The light was turned on, and Donghuang Baizhi immediately became exulted. In front of her, there were a few boxes of instant cup noodles.

Donghuang Baizhi opened one of the boxes and took out one cup of instant cup noodles.

I finally don't have to feel hungry anymore. This damn Ye Hua, to actually make me, the empress, search for food so late in the night!

While holding onto the instant cup noodles, Donghuang Baizhi turned around and walked towards the door.

Suddenly!

Donghuang Baizhi stopped her footsteps and slowly turned her head around towards a corner.

Why do those two red chests look so familiar?

Donghuang Baizhi walked forward and opened one of the red chests, and the red chest could be seen to be filled with gold bars!

Looking at the imprints that were on the gold bars, Donghuang Baizhi's expression changed. Soon after, she opened the other red chest, and when she saw the God Leaf Fan that was within the chest, she confirmed her suspicion!

So Ye Hua is the one who intercepted my people! If not, why are those betrothal gifts of mine here! This bastard actually killed my people!

"Ye Hua! Get over here!" Donghuang Baizhi shouted out loudly. Her hands were tightly clenched into fists, and she looked like she was going to fight it out with Ye Hua.

Ye Hua who was on the bed wrinkled his brows. What is this woman up to this time!

Ye Hua immediately disappeared from the bed and appeared in the storage room.

"Instead of sleeping, what are you doing here so late in the night!" While standing behind Donghuang Baizhi, Ye Hua asked.

Donghuang Baizhi suddenly punched her fist towards Ye Hua's face. However, her speed was too slow, and her wrist was grabbed onto by Ye Hua.

"Donghuang Baizhi, you better don't go too far! Don't think that just because you are my woman, you can be so rude towards me!" Ye Hua tightly wrinkled his brows and chided.

"Where did you get those two red chests from!" A fierce glint appeared in Donghuang Baizhi's eyes.

This man is taking revenge on me for trying to marry someone else, which is why he snatched away my betrothal gifts and killed my people!

Ye Hua looked at the red chests that were at the side and said faintly, "Where I get those from has nothing to do with you, so quickly go back and sleep!"

"You bastard, you snatch those betrothal gifts because you knew they were mine, right!" Donghuang Baizhi questioned.

Ye Hua's expression immediately froze, "Betrothal gifts? You are marrying someone?"

"That's right, but I am not the one who is marrying into the man's family, the man is the one who is marrying into my family!" Donghuang Baizhi shouted out.

Ye Hua immediately became angry, and the strength of his grip was becoming stronger and stronger.

Donghuang Baizhi was able to feel the strength of Ye Hua's grip changing, and her wrist felt like it was going to break, but she didn't make a sound.

"You are intending on cucking me!" Ye Hua's icy-cold tone felt just like something that came out from hell, the tone was enough to make one tremble in fear.

"That's right, I am indeed intending on cucking you, what are you going to do about it!"

Ye Hua's face was slightly twitching, his gaze was changing, and he seemed as if he was about to return back to the state he was in five years ago.

Looking at the look on Ye Hua's face right now, Donghuang Baizhi was honestly feeling a bit afraid.

Suddenly, Ye Hua let go of Donghuang Baizhi's wrist and collapsed powerlessly onto the floor. The devil that had been in slumber for five years was currently awakening, and Ye Hua's remaining humanity was currently being devoured by the devil.

This woman actually cucked me! Damn it! Everyone has to die!

Donghuang Baizhi was in a panic right now.

Ye Hua's state right now looks the same as when one goes into spiritual energy deviation. Although it feels very great to see how Ye Hua looks right now, my heart is somewhat unable to bear seeing him be in such a state.

"Ye Hua! What's going on with you?" Donghuang Baizhi hurriedly held onto Ye Hua and asked nervously.

Ye Hua looked dead-on at Donghuang Baizhi and questioned, "You cucked me?"

"The betrothal gifts have already been snatched away by you, so who is there for me to even cuck you with!" Donghuang Baizhi was about to become speechless.

Does this Ye Hua not have this bit of common sense at all?

Ye Hua was startled, and the devil within him slowly went back to slumber, and his humanity returned back to normal.

Just now, for a split second, Ye Hua thought that Donghuang Baizhi had already cucked him, and that was something that he completely could not accept. During that moment, he had the inclination to just kill everyone.

Seems like I have gotten the wrong idea, she merely had the idea of cucking me, and she still hasn't succeeded in carrying out her idea.

However, she is not allowed to even possess such an idea in her mind!

Seeing that Ye Hua slowly recovered back to normal, Donghuang Baizhi let out a breath of relief.

I evidently called him over to question him, so how did it end up with me being concerned about him? It seems like I have truly gone mad.

### [You Cannot Afford To Offend My Woman](#)

#### **Chapter 237: Got into the mood**

Ye Hua pulled Donghuang Baizhi into his embrace and asked coldly, "Why do you want to cuck me!"

Donghuang Baizhi struggled within Ye Hua's embrace, but it was useless.

"Because you are a heartless and ungrateful man!"

Ye Hua positioned Donghuang Baizhi onto his thigh, then raised his hand and slapped onto Donghuang Baizhi's butt.

"Ah!"

Donghuang Baizhi couldn't help but moan.

"You bastard, you are beating me again!"

"Pa!"

"Ah!"

Ye Hua said coldly, "Baizhi, if not for Ah Li, I would have beaten your butt till it swells today!"

"Go on and beat me then! Later on, I will tell my daughter what happened and let her know just how her father beat her mother!" Donghuang Baizhi's words seem to be conveying some sort of message, and this caused Ye Hua to stop his hand.

Adding on with that look of concern on Donghuang Baizhi's face just a while ago, Ye Hua felt that Donghuang Baizhi definitely still had feelings for him.

"Baizhi, could it be that you still like me?" Ye Hua asked curiously.

"I would rather like a ghost than to like you!"

This woman doesn't mean the things that she said, she is just the same as Qing Ya!

Ye Hua pressed Donghuang Baizhi onto the floor, then suddenly kissed towards Donghuang Baizhi.

Donghuang Baizhi's eyes were opened wide and she tried her best to struggle free from Ye Hua, but faced against the formidable Ye Hua, it was completely useless.

Ye Hua's sinful hand stretched into Donghuang Baizhi's shirt and began wandering around Donghuang Baizhi's tender and exquisite body.

This Donghuang Baizhi's body feels superb, compared to three years ago, her body is much plumper, and her skin is much bouncier.

This situation caused Donghuang Baizhi to not be able to help but recalled back to that night during three years ago, where she experienced both pain and joy at the same time.

"Baizhi, you are still the same as you were three years ago, you get into the mood very quickly." Ye Hua took out that sinful hand of his and waved it in front of Donghuang Baizhi's eyes.

Who knows where Donghuang Baizhi even got her strength from, she pushed Ye Hua to the side, then ran away while covering onto her face.

Ye Hua did not chase after Donghuang Baizhi. While sitting on the floor, Ye Hua laughed lightly, "Seems like my charm is still as charming as it used to be back then."

Donghuang Baizhi who had run upstairs got onto the bed and covered herself with the quilt. Her face was currently flushed red.

Thinking back to just now, why am I so incompetent, I originally called him over to scold him, and yet, in the end, I ended up being caressed by him... and even got into the mood... This is really embarrassing to death.

The empress right now seemed just like a girl who was in love, the combination of shyness and anger made her look extremely beautiful.

Actually, I don't know why, when I saw those two red chests in the storage room, I felt a little happy.

Hearing the sound of the door being opened, Donghuang Baizhi wrinkled her brows.

What is he coming in for!

Could it be that, he wants to!

Bastard, our daughter is still sleeping right now!

Soon after, Donghuang Baizhi heard the sound of the door being closed, and the footsteps getting further and further away.

Donghuang Baizhi slightly raised her head and took a look.

That guy came in and went out just like this? What does he mean by this!

However, when Donghuang Baizhi saw the cup of instant cup noodles that was on the coffee table, she immediately understood.

My face has really been completely thrown away.

In any case, since my face has already been thrown away, it wouldn't make a difference to continue throwing my face away. I should go ahead and eat this cup of instant cup noodles.

Who would have thought, he actually prepared a big piece of ham sausage for me too, he is rather attentive, huh?

The fragrance of the instant cup noodles woke up Donghuang Li from her sleep.

Slurp~

Seeing that her mother was slurping onto something, Donghuang Li rubbed onto her eyes and asked, "Mommy, what are you eating?"

"Eh... mommy is eating cup noodles." Donghuang Baizhi felt very awkward for getting caught red-handed like this by her daughter.

"It smells so good, Ah Li wants to eat it too."

"Ah Li, come over, mommy will feed you."

Eating cup noodles for the first time, Ah Li felt that it tasted very great.

This noodle is springy yet firm, and furthermore, it tastes super delicious~

In just a short while, the mother and daughter pair finished the entire cup of noodles.

"Mommy, Ah Li still hasn't had her fill, Ah Li is still hungry~" Donghuang Li pouted her small mouth.

Donghuang Baizhi also hasn't had her fill and still wanted to eat another cup of instant noodles.

"Let's go downstairs and get ourselves each a cup of instant noodles. However, Ah Li must not tell daddy about this, if not daddy would become very fierce."

“En, Ah Li will keep this matter a secret.”

The mother and daughter pair secretly ran downstairs and got themselves each a cup of instant noodles.

Ye Hua who was hugging onto Qing Ya laughed lightly.

This Donghuang Baizhi is a bit interesting, she can be counted as to my liking.

Ye Hua finally got through this annoying day, but at the same time, a new day was here, and who knows just what would happen on this new day?

Voidless Realm’s morning was like a land of paradise, clouds and mist lingered throughout the entire Voidless Realm, and the entire Voidless Realm was filled with spiritual energy. Voidless Realm was a superb place for cultivating.

Right at this moment, within the palace, the faces of the eight elders were grave, and the throne was completely empty.

“I feel that something is wrong!” Yuan De shouted out angrily.

Xing Han stroke onto his beard and asked, “Why do Brother Yuan say that?”

“The Little Majesty bizarrely went missing, and right now, even Her Majesty went missing too. Isn’t this enough to indicate that something is wrong!” Yuan De shouted out while with his hands placed behind his back.

The empress has gone missing for a day already. So, how could the eight elders not feel worried?

“What Brother Yuan just said is extremely correct. I feel that the disappearances of Her Majesty and Little Majesty were both not a coincidence. In all likelihood, everything was all planned by someone! And perhaps, it could have been that group of robbers who robbed our betrothal gifts.” He Xuan agreed with Yuan De’s viewpoint.

Xing Han shook his head, “Her Majesty’s strength is extremely high, so just who would have been able to kidnap Her Majesty? I presume that, Her Majesty most likely just went out to look for her daughter by herself.”

Everyone remained silent. Everyone hoped that Xing Han’s speculation was right. After all, no one would want the empress to have met with a mishap.

An imperial guard suddenly ran into the palace and shouted out, “Ying Family’s Ying Shang, and Ying Kangshi, are requesting to meet with Her Majesty.”

Yuan De waved his hand, and the imperial guard retreated respectfully.

“This is great, where are we going to be able to get an empress to meet with those two.” Yuan De stamped his foot on the floor angrily.

Those two couldn’t have picked a better time to come, huh? Right when Her Majesty went missing, those two immediately came to request to meet with Her Majesty.

Everyone remained silent, and soon after, He Xuan said gravely, “You all say, in this world, how many powers possess the capabilities to kidnap Her Majesty?”

“Ying Family, and Ji Family.” The seven elders said immediately without even having to think.

He Xuan continued and said, “The reason that Ying Family came today is definitely to demand for an explanation. And yet, at this moment, Her Majesty isn’t here. You all say, would they be willing to leave without meeting with Her Majesty?”

“He Xuan! Are you saying that, Ying Family kidnapped Her Majesty, then purposely came to Voidless Realm to request to meet with Her Majesty? And their reason for doing so is to look for an excuse to go to war with us?” Yuan De exclaimed in surprise.

He Xuan nodded his head. However, right after nodding his head, He Xuan continued and said, “Perhaps, I may have thought too much into it.”

“It would be better to kill wrongly than to let one get away. Thus, we might as well just take their lives!” Xing Han was someone that was vicious and merciless.

He Xuan shook his head and said faintly, “If Her Majesty was really kidnapped by Ying Family, by killing those two, we would be placing Her Majesty in grave danger. And if Her Majesty was kidnapped by Ji Family, by killing those two, we would be doing exactly what Ji Family wants.”

“From the looks of it, no matter what, we can’t kill those two Ying Family members, right?” Yuan De sneered. Without Her Majesty here to take charge of the situation, everything is truly in a complete mess.

He Xuan nodded his head, “Yuan De, you should come along with me to meet with those two Ying Family members and pacify them first. Sigh, now that everyone knows that Her Majesty has an illegitimate child, her reputation is at risk.”

Donghuang Baizhi’s reputation was far worse than just being at risk. Right now, the entire Cultivation World was discussing about the empress.

Was the empress’s illegitimate daughter a case of decline of morality, or was it the distortion of human nature?

In any case, no matter what was said, although no one dares to discuss about it in the open, everyone in the Cultivation World knew that the empress has an illegitimate daughter.

The empress’s man sure is formidable! To actually dare to get in bed with the empress, I really have to give it to that man’s courage! However, at the same time, I also feel very jealous... To be able to use the empress to warm the bed, this is practically the dream of most men, and even more, it could be said to be the pinnacle of life’s goals.

## **Chapter 238: War**

Yuan De and He Xuan came to the guest room to meet with the two Ying Family members.

Ying Shang and Ying Kangshi didn't have a smelly look on their faces. Ying Shang's state could be classified as normal, while Ying Kangshi had a face full of excitement.

I am going to be able to meet with the empress soon, just thinking about it is making me feel so excited.

Upon meeting with each other, both sides greeted each other politely. Diplomacy was always the first choice, and violence was the choice that came next when the first choice didn't work out.

Ying Kangshi couldn't hold himself back anymore as he asked, "When will the empress come?"

He Xuan said with a smile, "Young Master Ying, Her Majesty has recently gone into closed-door cultivation, and it would take quite a while before Her Majesty comes out of her closed-door cultivation."

"From what you are saying, I can take it that the empress isn't willing to meet with us, right?" Ying Shang's attitude immediately changed. The empress had gone into closed-door cultivation is obviously just an excuse made up by this He Xuan!

Ying Kangshi hurriedly said, "It's fine, we will just wait then."

"Shut your mouth! You good-for-nothing!" Ying Shang shouted out strictly. Why did big brother make me bring along such an idiot like this?

With a gloomy expression on his face, Yuan De said coldly, "Forgive me for being straightforward. Her Majesty indeed had the intention to join forces with Ying Family through marriage, but since your family's young master doesn't seem to be able to function as a man anymore, it is only natural for the marriage to be canceled. Moreover, the betrothal gifts that we prepared had already been robbed."

Bang!

Ying Shang slammed onto the table, and his eyeballs were about to pop out of his eye sockets, "Whatever that your empress says, means whatever it should be? Is your empress toying around with my Ying Family?!"

"Third uncle, cool your temper, the empress definitely didn't mean it like this."

Ying Shang raised his hand and slapped onto Ying Kangshi's face. Why is there such a male in Ying Family, has this Ying Kangshi's pride been eaten completely by a dog!

After being slapped, Ying Kangshi's figure landed on the floor.

"Third uncle~ You hit me~ I am going to tell my dad about this..."

Bringing up dad when faced with an unwinnable situation, this was basically how a child would act.

Yuan De and He Xuan took a look at each other.

It is fortunate that this Ying Kangshi had been crippled. If not, had Her Majesty married such a man like this, it would be an embarrassment for Her Majesty.

Resumes can't be trusted, you can only trust your own eyes.

In actuality, Ying Kangshi wasn't to blame. After being crippled, Ying Kangshi began to slowly develop towards the feminine direction.

"You disgraceful thing, I really want to f\*\*king chop your head off with a slash." Upon hearing what Ying Kangshi said, Ying Shang immediately became angry. This Ying Kangshi is really a disgrace, in the future, it would be best to just lock him up on the island.

He Xuan said with a slight smile on his face, "Young Master Ying is still a child and doesn't know any better, so don't make it difficult for him anymore."

This He Xuan is openly taunting me. Would a man that doesn't know any better be worthy to be the empress's man? The answer is evidently no!

"He Xuan, I, Ying Shang, will just say it as it is! If your empress doesn't come out and give my Ying Family an explanation! Three days later, Ying Family's main forces should pay a visit to Voidless Realm!"

Yuan De who possessed a fiery temper immediately stood up and shouted out, "Sure thing, Voidless Realm should look forward to your Ying Family's visit!"

He Xuan held onto his forehead. I really can't stand it, aren't the two of you being too negligent?

Ying Shang didn't expect that the other party's attitude would be so tough. Originally, Ying Shang merely wanted to give them a scare, but right now, since he had already given his threat, it was impossible for him to take back his threat.

"Alright! We should meet again in three days' time!" After finish speaking, Ying Shang picked up Ying Kangshi from the floor with one of his hands.

Ying Kangshi shouted out, "I don't want to leave, I want to meet the empress."

Ying Shang gave Ying Kangshi a slap and made Ying Kangshi faint.

This Ying Kangshi is truly an embarrassment!

While looking at the two who were leaving, Yuan De said indignantly, "Let's just kill off the two of them right now."

"If we were to kill off the two of them right now, it is quite possible that Ji Family would get themselves involved in this matter. Don't forget, Ying Family and Ji Family both belong to the south." He Xuan shook his head.

When two forces cross swords, it was a tacit rule to not kill envoys. Everyone understood that.

"You two were too negligent, agreeing to go to war with each other just like that."

Yuan De had nothing to say. That Ying Shang was the one who made a threat first! Should I have back away and yielded? The answer is evidently no. Who has Voidless Realm ever been afraid of?

Ying Shang hurried back to Ying Family, and upon returning back to Ying Family, he immediately called for a meeting.

Everyone was present at the meeting, asides from Death Mage and Xun Fang. Xun Fang's job was to supervise Ying Family, and there was no need for her to meddle in Ying Family's internal matters. This was something that made Ying Family let out a breath of relief.

"Family head, Voidless Realm is truly too much, that empress didn't even bother to meet with us." Ying Shang reported everything that happened at Voidless Realm.

Right now, Ying Kangshi had already woken up, and he could be seen hurriedly saying, "Father, perhaps, the empress had really gone into closed-door cultivation."

"Ying Kangshi! Just whose side are you on!" Ying Shang chided coldly.

As the family head, how would Ying Jingshan not know just how this son of his was like?

This son of mine, even till now, he is still dreaming.

"Since Voidless Realm has accepted our invitation for war, war it should be then! Our Ying Family has been quiet for far too long already, it is time to let everyone see our Ying Family's accumulation and just how strong our Ying Family is!" No one opposed what Ying Jingshan said.

Our Ying Family has indeed been staying too low-profile. Taking the opportunity of this chance, our Ying Family should rise before everyone's eyes.

"Father!"

"Shut your mouth! From today onwards, you are forbidden from leaving this island!"

"Father~"

Ying Kangshi's tender moan gave everyone a shock, and some even felt like vomiting.

No matter what, you are still one of Ying Family's men, so how could you let out such a feminine moan?

"Scram!" Ying Jingshan shouted out strictly.

Ying Kangshi stamped his foot onto the floor, then left the hall while with his butt stuck out.

Seeing that, the relatives all shook their heads. This is a family disgrace.

"Family head, should we inform Lord Xun about this matter? After all, our Ying Family is going to be making some big movements soon." Ying Shang reminded. Things that should be informed should be informed, if not, if we were to anger His Honor, our Ying Family would be done for.

Ying Jingshan nodded his head, "Start preparing for the war, I will go and inform Lord Xun about the matter now."

The relatives all stood up, and with murder intent emerging out from their bodies, they shouted out in unison, "Yes!"

With a gloomy look on his face, Ying Jingshan left the hall and went to report to Lord Xun about this matter.

Standing outside of the ordinary room, Ying Jingshan was honestly feeling rather puzzled.

There are so many other top-notch rooms on this island, and yet they would rather choose to live in such a remote place. Those two sure are not greedy at all... However, upon recalling of the treasures that had been dug out, my heart is starting to ache...

"Little skeleton! Be gentler, your fingers are hurting me!"

"Jiejie~"

Imperial translation: "I will be gentler then."

Immediately, Xun Fang let out a moan of pleasure, "Use a bit more force... Ah~ Comfortable~ A bit more to the left... That's right, that's right, this is the spot. Use a bit more force~"

"This feels great~ Little skeleton, your hands are pretty good."

"Jiejie..."

Imperial translation: "I have something that is even more formidable, which is the speed of my fingers. Do you want to have a try?"

Ying Jingshan who was standing outside was feeling very awkward.

They are currently enjoying the joy that can be found on beds, it wouldn't be good to interrupt them right now. I guess I will just wait for them to be done first.

Within the room, the two were currently sitting on the bed. Xun Fang's back was faced against Death Mage, and Death Mage's fingertips were currently scratching onto Xun Fang's itch. Xun Fang was feeling comfortable to the point that she was having goosebumps.

"Alright, don't scratch anymore, there's someone outside, I'm going to go and see what's the matter." Xun Fang rolled her eyes at Death Mage.

Ever since the two had torn apart the last piece of paper that was separating the two of them, the atmosphere between the two would often end up becoming ambiguous, and Death Mage was no longer as strong-willed as he was before. Right now, Death Mage was pretty much just like a little puppy.

Death Mage picked up his phone and began tapping onto his phone screen, "Biubiubiu."

Recently, Death Mage had returned back to the fishing world. Don't ask why, it was because Death Mage was rich now.

Right now, Xun Fang no longer wanted to kill Death Mage anymore, and recently, Xun Fang had been playing Honor of Kings, a game that Death Mage was completely uninterested in.

What fun is there in a game where you can't become a big boss by topping up in-game currencies?

"What's the matter?" Xun Fang opened the door and asked.

Looking at Xun Fang whose face was flushed red, Ying Jingshan silently thought to himself, "Lord Xun sure has a very unique taste."

[You Cannot Afford To Offend My Woman](#)

**Chapter 239: Prepare to jailbreak**

“Lord Xun, it’s like this, in three days’ time, my Ying Family will be going to war with Voidless Realm. I intentionally came over to inform you about this.” While bowing forward slightly, Ying Jingshan said respectfully.

Going to war with Voidless Realm, isn’t this the result that His Honor wanted?

Xun Fang nodded her head, “En, I got it. If there’s nothing else, you can go ahead and prepare for the war then.”

“Alright.”

After informing Xun Fang, Ying Jingshan went to take charge of the preparation. Ying Family was determined on winning the war against Voidless Realm as the war was going to be the stage that they will be using to stop staying low-profile and appear in the eyes of everyone.

Returning back to the room, Xun Fang told the matter to Death Mage, and Death Mage did not bother to report the matter to Ye Hua.

His Honor had already said, the fiercer they fight with each other, the better it is.

Xun Fang leaned onto Death Mage’s bone shoulder, then said while starting up her game, “Dou Fushi seems to have brought Heavy Dust to the sea to look for treasures.”

“Jiejiejie.”

Imperial translation: “The treasures that were on this Ying Family’s island had all been dug out by him.”

Xun Fang let out a breath, “It would be great if you could speak like a human, then I wouldn’t have to always guess just what you are saying every time you speak.”

“Jiejiejie~”

Imperial translation: “You can go and beg His Honor to give me a corporeal body then. In any case, I am not going to go and beg His Honor for a corporeal body. If not, His Honor would think that I actually like you that much.”

“Are you telling me to go and beg His Honor to give you a corporeal body? I am not going to~ If I were to do that, it will make it seem as if I like you that much. There isn’t a bit of meat at all on your body, it feels very hard when leaning onto you.” While speaking, Xun Fang took a pillow and placed it onto Death Mage’s bone shoulder.

Death Mage was speechless. You now know that my body is hard, huh? Last night, when His Honor said that he was going to bestow me a corporeal body, you were the one who declined it, so who else do you have but yourself to blame.

Xun Fang was very annoyed with her own action last night. If I had known, I wouldn’t have cared that much about my face and just agreed for His Honor to bestow a corporeal body to this skeleton. I have a boyfriend right now, and yet, I am not able to touch him. You tell me, isn’t this infuriating?

The women of Ye Hua’s subordinates were thinking of ways to push over their partners, while Ye Hua was currently thinking of ways to resolve his family conflict.

While holding hands with Qing Ya who had a cold look on her face, Ye Hua came to the Chinese Crepe store to buy Chinese Crepes.

The big aunt smiled and remained silent. This young fellow brought one woman here yesterday, and today, he brought another woman here. This young fellow sure is formidable, is he not afraid of his car crashing?

Cough, Ye Hua's car had long crashed, and right now, he was currently in the process of fixing his car.

"Qing Ya, don't keep on having a cold look on your face, have a smile." Ye Hua said lightly.

"Scram to the side." Qing Ya shouted out coldly, then ruthlessly took a bite of the Chinese crepe.

My stomach is about to shrivel from hunger, I shouldn't let my stomach suffer just because I am angry at him.

"Eat slowly, no one is here to snatch your food away from you." Ye Hua couldn't help but tease, then took the lead to walk into Leisure Bar.

Qing Ya who was at the back said ruthlessly, "I am precisely not going to eat slowly, I am going to eat it in big mouthfuls, what are you going to do about it!"

While holding onto a bag of Chinese crepes, Ye Hua walked into the office.

Currently, Donghuang Baizhi had gotten off the bed, while Donghuang Li was still sleeping with a smile on her face.

"I bought breakfast for you and Ah Li." Ye Hua placed the bag of Chinese crepes on the coffee table.

"Get out." Donghuang Baizhi stood at the window, with her back faced against Ye Hua.

"It is not good to eat too much instant cup noodles. Do you think that I wouldn't know just because you threw the cups away? The entire room is filled with the smell of instant cup noodles."

Donghuang Baizhi said gravely, "I don't need you to care."

Ye Hua slowly walked towards Donghuang Baizhi, and when Donghuang Baizhi heard the footsteps getting closer and closer to her, her heartbeat became faster and faster.

Ye Hua stretched out his hands and held onto Donghuang Baizhi's willow waist, then pulled Donghuang Baizhi into his embrace.

"Let go of me!" Donghuang Baizhi shouted out.

Ye Hua said faintly, "Baizhi, although you are not very honest, your body, on the other hand, is very honest."

"You scoundrel!" A layer of red appeared on Donghuang Baizhi's white pretty face.

"Although the amount of time that I have spent with you isn't much, I know what you think in your mind. If you really hated it, you would have resisted." Ye Hua moved his head right next to Donghuang Baizhi's right ear and said. This caused Donghuang Baizhi's heart to start beating quickly.

“How am I going to resist when you are grabbing onto my hands!”

Ye Hua laughed lightly, “Baizhi, for Ah Li’s sake, we should set aside our grudges. I hope that Ah Li would be able to receive her mother’s care and love, and of course, my care and love too. We will be a family together.”

Donghuang Baizhi remained silent because deep in her heart, this was what she longed for the most. For Ah Li’s sake, she was willing to try.

Seeing that Donghuang Baizhi wasn’t speaking, Ye Hua’s sinful hands began moving around again.

“Don’t mess around! Our daughter is still here!” Donghuang Baizhi shouted out in a low voice.

“Baizhi, what you are saying is, it would be fine if our daughter isn’t here?”

“Go to hell!”

“A woman who doesn’t mean the things that she says. Although your mouth is saying no, your body is leaning towards my embrace.” Ye Hua laughed lightly.

Donghuang Baizhi wasn’t willing to look at Ye Hua as she said, “You definitely placed a spell on me! If not, how would I be acting like this!”

“Baizhi, don’t bluff yourself anymore, you know that you still like me.”

“Rubbish!”

Donghuang Li who was on the bed rubbed onto her eyes, then turned her head around and looked towards her father and mother. Immediately after Donghuang Li turned her head around, she exclaimed in surprise, “Daddy, mommy, have the two of you reconciled with each other? Ah Li is so happy.”

Ye Hua let go of Donghuang Baizhi and carried onto his daughter, “Daddy has forgiven mommy.”

“Yay, that’s great, daddy is so handsome~” After finish speaking, Donghuang Li kissed onto Ye Hua’s cheek. Soon after, Donghuang Li didn’t forget to kiss onto her mother too.

Looking at the three right now, they seemed just like a harmonious family of three.

However, Ye Hua knew that, if he wanted to make the two women be willing to completely accept living together, all those things that he had been doing weren’t enough, he had to plan something stimulating for the two women to experience.

Last night, when Ye Hua was in the storage room, Donghuang Baizhi’s concern gave Ye Hua somewhat of an idea.

Looking back at last night when Donghuang Baizhi showed concern for me, it shows that, only when I am in danger, then would the two women reveal their true feelings.

Seems like I am going to have to call for another meeting today, and the meeting will be to discuss on how to make me become in danger, while at the same time, not throw away my face.

“Baizhi, bring Ah Li to go and wash up, then eat the breakfast. I have something to attend to, so I will be leaving now.” After finish speaking, Ye Hua left the office.

Donghuang Baizhi carried her daughter, “Ah Li, do you like daddy more? Or do you like mommy more?”

“Erm... Ah Li likes both mommy and daddy.”

Donghuang Baizhi pinched onto her daughter’s nose affectionately, “You little fellow, you now know how to play dumb, huh?”

“Hehe~ Ah Li loves mommy the most~”

“Mommy loves Ah Li too.”

The feelings between the mother and daughter pair were slowly getting better and better. After all, Donghuang Baizhi was very strict in the past, and right now, Donghuang Baizhi was finally acting like how a mother was supposed to act.

After finish washing up and eating breakfast, when Donghuang Baizhi saw Qing Ya walking by, Donghuang Baizhi shouted out, “Qing Ya, there is a matter that I need your help with.”

“En?” Qing Ya was very puzzled.

“Come in and talk.” Donghuang Baizhi was very careful, seemingly like she was afraid to be discovered by Ye Hua.

Seeing that Donghuang Baizhi seemed to have a plan, Qing Ya looked around to see if there was anyone, then stealthily entered into the room.

Donghuang Li had long gone to Qing Yutong’s room.

“Have a seat.” Donghuang Baizhi said with a slight smile on her face.

Qing Ya asked curiously, “You seem to be in quite a good mood today.”

Upon hearing that, Donghuang Baizhi’s expression immediately changed.

Who is in quite a good mood right now? I, the empress, am currently in a very bad mood!

“Qing Ya, do you still remember the matter that we talked about yesterday?” Donghuang Baizhi asked.

“The matter about leaving this place?”

Donghuang Baizhi nodded her head.

“But we don’t possess any superpowers at all, so how are we going to be able to leave this place? And even if we managed to leave this place, Ye Hua would come searching for us and bring us back to this place.” Qing Ya could be considered to have already resigned herself to not being able to leave the bar. However, she was definitely not going to surrender to Ye Hua.

### **You Cannot Afford To Offend My Woman**

#### **Chapter 240: Perform a big show**

Donghuang Baizhi of course knew that. However, as an empress, her way of thinking was definitely different compared to most.

“Qing Ya, what we are going to do is very simple, as long as we pissed Ye Hua off, he would definitely chase us out of the bar.”

“Are you sure that he would chase us out, and not beat our butts?” Qing Ya didn’t believe in Donghuang Baizhi’s plan. That fellow, not only does he like to beat my butt, he also likes to touch my butt.

Donghuang Baizhi was also not very sure if her plan would work.

“Why are you in such a hurry to leave this place?” Qing Ya asked curiously.

Donghuang Baizhi let out a breath, “There is a very urgent matter which I have to deal with at home.”

The two women remained silent.

Resolute could be seen appearing in Qing Ya’s eyes as she said, “Let’s give it a try then. At the most, isn’t it just getting our butts smacked? In any case, he wouldn’t beat me since I am pregnant, but you...”

“I have Ah Li.” Donghuang Baizhi has become smart now, she knew to look for her daughter for help.

The two looked at each other and smiled.

“If we managed to leave this place, where do you intend to go?” Donghuang Baizhi asked while pouring a glass of water for Qing Ya.

This was the first time that Donghuang Baizhi had poured water for someone ever since she had become an empress.

Qing Ya shook her head, “I don’t know.”

“How about coming with me to my place? After all, my place is safe and suitable for nurturing the fetus. The child is important.”

Right now, Qing Ya didn’t dare, and also didn’t want to return back to her home that was in High Ocean City, that home of hers wasn’t like a home at all.

Qing Ya let out a sigh, then said, “Let’s see if we will be able to leave this place first or not.”

“Alright.”

In the office, the two women were planning on how to jailbreak, while in the toilet, Ye Hua was holding another meeting.

Ye Zizi, Wei Chang, and Lie Gu stood respectfully in front of Ye Hua and waited for His Honor’s orders.

“I, the Supreme Overlord, am currently facing the biggest crisis known to history!” Ye Hua said gravely.

The three shouted out in unison, “Subordinate is willing to help shoulder Your Honor’s worries and problems!”

“Very good! I, the Supreme Overlord, has decided to learn from the humans and plan on acting out the scene of a hero saving the beauties!” Ye Hua seemed to already be able to see the scene where Qing Ya and Donghuang Baizhi threw themselves into his embrace after they were touched by him.

After they threw themselves into my embrace, they would act coquettishly to me in various kinds of ways, and then, it would be the beginning of my beautiful life. From then on, I would also become one of those people who are able to embrace onto one woman with their left arm and embrace onto another with their right arm.

Upon fantasizing up to here, a slight trace of arc appeared on the corner of Ye Hua's mouth.

Ye Zizi pouted her small mouth and said, "But, Your Honor, in the past, those people that we came upon who tried to act as a hero and save beauties, all of them didn't end up well, they were all killed by us."

"Zizi, are you saying that my plan of acting as a hero and saving beauties is no good?" Ye Hua who was feeling a little complacent with his plan just a moment ago immediately became serious.

Ye Zizi said lovably, "Zizi is a girl, therefore, Zizi naturally knows what the madams think in their minds. Although acting as a hero and saving the two madams would indeed be able to make Your Honor's situation with the two madams become better, just by doing that alone won't improve Your Honor's situation with the two madams by too much. After all, the plot of acting as a hero and saving beauties is a bit old."

Upon hearing what Ye Zizi, Ye Hua himself also felt that the plot of acting as a hero and saving beauties was indeed a bit old.

Those two women are very smart, if they were to see through the act, my reputation would become completely ruined.

"Wei Chang, what do you think?"

Wei Chang wrinkled his brows, then said gravely, "Your Honor, since ancient times, many have acted as a hero and save the beauty, but to succeed in attaining the beauty's heart, good planning is essential."

Ye Hua's eyes lighted up. Seems like Wei Chang has improved even more.

"Continue on."

"This plan of acting as a hero and saving beauties is fine, but on the ending of the act, we should make the ending stand out." Wei Chang said with a slight smile on his face.

Lie Gu suddenly slapped onto his thigh, "I understood!"

"Gluttonous Monster's idea is to let His Honor show off his might and make the madams become immersed and unable to free themselves from His Honor's mightiness." Lie Gu exclaimed in surprise. I didn't expect that this Gluttonous Monster would become this smart.

Ye Hua felt that the idea was fine, but he also felt that there just seemed to be something lacking in the idea, "Ever since I have come to this place, I have never met with any dangers, so let alone being at risk of death."

"Your Honor, what subordinate was referring to when subordinate said that we should make the ending stand out was precisely this point that you just mentioned." Wei Chang explained.

Ye Hua indicated to Wei Chang to continue speaking.

"It is an undeniable fact that the two madams love Your Honor."

This bootlicking of Wei Chang's was done rather well, Ye Hua felt quite pleased upon hearing that.

"But because of some matters, it caused the madams to conceal their true feelings. Therefore, what Your Honor has to do is to make the madams reveal their true feelings."

"Wei Chang, that is precisely what I had thought of doing, just that, I do not know what method I should use to make the two of them reveal their true feelings."

Ye Zizi suddenly spoke, "If Your Honor were about to die, I reckon that the madams would definitely not be able to continue sitting still."

Wei Chang nodded his head, "That's right, therefore, we will be adding a bit of difficulty on the basis of the plot of acting as a hero to save the beauties."

Lie Gu slapped onto his thigh once again, "I understood! His Honor will be acting as a hero to save the madams, and after repelling the enemies with great difficulty, His Honor would become seriously injured. This way, the madams would definitely be touched to death."

Lie Gu finally guessed correctly this time.

Ye Hua took out a stick of cigarette and ignited it, "Since we are going to act out a show of a hero saving the beauties, we will have to make it seem real. Blood must be seen in every move, people have to die, and the scene must look grandeur!"

"Your Honor, leave all those matters to subordinate, subordinate will look for actors and actresses to coordinate with us." Wei Chang said with a smile.

Lie Gu raised his hand and shouted out, "I will be one of the bad guys."

"Wei Chang, you will be one of the bad guys too, however, you all must not allow those two women to discover your identities. As for Ye Zizi, you can forget about it, it is too easy to recognize you." Ye Hua had decided, victory or defeat should be decided on this act!

Suddenly, Ye Hua thought of something and said, "If that's the case, doesn't it mean that I have to chase them out of the bar?"

The three subordinates nodded their heads seriously. Your Honor, if you don't chase the two madams out of the bar, how are we going to act out this show?

"I will go and chase them out of the bar later on then. Lie Gu, you should follow after them and ensure their safeties, then wait for my orders!"

"Subordinate understood!"

Ye Hua waved his hand, "Alright, you all can leave now, let me think about how I should chase them out of the bar."

Walking out of the toilet, Ye Hua sat at the bar counter and pondered.

If I don't say some ruthless words to them, what should I do if they don't leave? But if I said ruthless words to them, what should I do if they become broken-hearted and deeply hurt? At that time, even if I acted as a hero and saved the two of them, it most probably won't do any help in changing the situation.

Right when Ye Hua was pondering to himself, Qing Ya and Donghuang Baizhi came downstairs at the same time. The expressions on the two's faces were as grave as ever.

In actuality, Qing Ya and Donghuang Baizhi were both very nervous. After discussing with each other just now, they drafted up a plan on how to jailbreak, and their plan was to anger Ye Hua.

After angering Ye Hua, either one of those two would happen, we would either get chased out of the bar by him or get our butts beaten by him.

Ye Hua saw the two women walking over to him.

If I were to flip out in anger and chase them out, the result that would happen from it would be too unpredictable. Furthermore, where am I going to find a reason to flip out in anger? This is the first problem...

I, the Supreme Overlord, am someone who speaks reasons. I would never act out unreasonably.

The two women blinked their beautiful eyes at each other, signaling to each other to begin acting.

The two walked towards Ye Hua at the same time, and right when they were about to come close to Ye Hua, Donghuang Baizhi's figure suddenly slip and landed into Ye Hua's embrace, and Ye Hua subconsciously embraced onto Donghuang Baizhi.

"Ye Hua! What do you mean by this! Hugging onto another woman right in front of me!" With an imposing aura, Qing Ya immediately began scolding at Ye Hua. This caused Ye Hua to immediately become stupefied.

Soon after, Donghuang Baizhi moved away from Ye Hua's embrace and stood up, then said indignantly, "Ye Hua! You actually touched my butt just now! You hoodlum!"

"Very good! You even touched her butt too! Ye Hua! I, Qing Ya, have misjudged you!"

Right now, Ye Hua was still in a stupefied state. What are the two of them doing?

Qing Ya and Donghuang Baizhi were very puzzled too.

We have already scolded at you like this, so why do you not have any reactions? Can you at least show a bit of reaction and not be in such a daze?

Did we speak too fast just now and Ye Hua didn't manage to keep up with our tempo?
