

My Woman 241

You Cannot Afford To Offend My Woman

Chapter 241: Scram!

Why is the atmosphere so awkward? This won't do!

The two women hurriedly began thinking of a countermeasure.

"Ye Hua! Don't you have anything that you want to explain?" Qing Ya shouted out coldly.

Ye Hua felt that this was a chance, a chance that was delivered straight to his doorstep. Just nice, taking the opportunity of this chance, I will chase them out of the bar.

"What are you two up to again this time! Do you two want to get smacked in the butt!" Ye Hua shouted out with a stern look on his face. However, because Ye Hua felt like laughing, it caused his expression to become a bit twisted.

However, when everything landed on the eyes of the two women, they thought to themselves, "This is great! The situation is going according to our plan!"

Donghuang Baizhi shouted out angrily, "You only know how to exert domestic violence! I have had enough, I want to leave this place!"

"I have had enough too! I want to leave this place too, you cannot lock us up like this forever!"

Ye Hua was stupefied. Isn't this too easy? I haven't even started to chase them out of the bar, and they themselves had already taken the initiative to make the situation become a situation where I can chase them out of the bar easily. This is great!

However, I cannot reveal out how I feel right now on my face. I must make sure that they don't suspect a thing!

"Not possible!" Ye Hua shouted out.

Qing Ya and Donghuang Baizhi knew that it would turn out like this and the two of them glared at Ye Hua.

And when Ye Hua saw that the two women weren't resisting anymore, he thought to himself, "This isn't good, was my tone from a while ago too heavy?"

"If I had known, I should have just allowed them to leave. Right now, they are just standing there looking at me and not leaving. What I just did is practically picking up a stone and throwing the stone on my foot."

"Seems like the time for putting my acting skills to test has come! I, the Supreme Overlord, should show the two of you just what is called true acting skills!"

Qing Ya and Donghuang Baizhi took a look at each other. Seems like, in the end, we are going to have to depend on our acting skills.

"If the two of you dare to leave, I will smack your butt till it swells completely!" Ye Hua shouted out fiercely.

Ye Hua's acting skills were a bit over-exaggerated.

But when landed on the two women's eyes, they felt that it wasn't over-exaggerated in the slightest bit.

This is the expression that we want!

"If you have the guts, come and beat me then!" Donghuang Baizhi shouted out.

Qing Ya wasn't willing to be outdone, "If you don't beat my butt today, you are my grandson!"

"Alright, the two of you forced me!" Ye Hua waved his hand, and the two beautiful women automatically flew over and assumed a position with their butts raised toward Ye Hua.

Such a position like this was definitely, one hundred percent, a sight to behold.

Ye Hua raised both of his hands and slapped toward the butts. Ye Hua slightly used a bit of strength on the hand that was slapping towards Donghuang Baizhi's butt and used pretty much no strength on the hand that was slapping towards Qing Ya's butt.

Pa~

Pa~

"Ye Hua! I have had enough of you! You are exerting domestic violence on me, I want to leave!" Qing Ya cried loudly.

Qing Ya's acting skills were pretty good. In actuality, she didn't feel any bit of pain at all.

Meanwhile, Donghuang Baizhi really felt a bit painful when her butt was smacked, "Ye Hua, you bastard, it hurts like hell!!!"

"I want to leave this place and get away from you, you tyrant!"

"I want to leave this place too!"

Ye Hua was exulted. I was precisely waiting for you two to say that.

Ye Hua stopped smacking onto the two's butts and said gravely, "Do you two really want to leave me?"

This tone, which was filled with melancholy, was simply just like that of an infatuated man calling out to his wife.

Seeing that the two women weren't speaking, Ye Hua wanted to give himself a slap. Why did I even act melancholy for! What am I going to do if they choose to not leave!

"That's right! We precisely want to leave you!"

Hearing the two women's confirmations, Ye Hua finally felt at ease.

"Mommy, why do you want to leave daddy?" Donghuang Li suddenly ran over, then pulled onto Donghuang Baizhi and asked.

Ye Hua carried onto his daughter and said gravely, “Ah Li, mommy don’t want you and me anymore.”

Donghuang Baizhi wished she could smack onto Ye Hua’s butt.

What is this man even talking about, he is practically slandering me! After I am done with my matters, I am still going to come back here...

Aiya! What’s the matter with me, to actually thought about coming back here...

“Qing Ya, do you really want to leave me?” Ye Hua looked at Qing Ya with his deep black eyes that were filled with tenderness.

Who said that the Supreme Overlord doesn’t have any acting skills? The Academy Awards owe His Honor a golden trophy.

Qing Ya didn’t dare to look straight at Ye Hua’s eyes, “I want to go out and let myself have some peace of mind!”

“Alright, since the two of you have decided, I will let the two of you leave. From today onwards, it will just be me and Ah Li. The two of you, scram!” Ye Hua carried onto his daughter and made a gorgeous turn with his body, then waved his hand.

The seal that sealed up Donghuang Baizhi’s spiritual energy was removed, and the seal that was locking Donghuang Baizhi up in the bar was removed too.

Looking at Ye Hua carried onto Donghuang Li who was weeping up the stairs, Qing Ya and Donghuang Baizhi suddenly couldn’t bear to leave anymore.

However, after thinking about all the bad things that Ye Hua did, Qing Ya clenched her teeth and walked out of the bar.

Donghuang Baizhi wrinkled her brows. I can be at ease if Ah Li is with Ye Hua. I will explain everything to Ah Li when I returned.

After the two women walked out of the bar, Donghuang Baizhi asked, “Qing Ya, have you decided on where to go?”

“En, in any case, since I don’t have anywhere to go, I will head to your place first, I guess.” Qing Ya said powerlessly.

Qing Ya managed to leave the bar, but right after leaving the bar, she immediately felt reluctant to really leave.

Donghuang Baizhi nodded her head.

Feeling that something seemed fishy, Donghuang Baizhi asked, “Qing Ya, don’t you feel that Ye Hua was very weird today? Yesterday, he was talking about locking us up in the bar forever, and yet, today, he just let us leave the bar so easily?”

As expected of the empress, to be able to sense that something was wrong so quickly.

If Ye Hua's acting skills weren't on point just now, Donghuang Baizhi would definitely be more suspicious of Ye Hua.

"Perhaps, he really gave up on us."

In actuality, Qing Ya wasn't feeling very comfortable in her heart. Ye Hua really doesn't want me anymore...

Donghuang Baizhi let out a deep sigh. I don't know if what I just did is wrong or right.

Within the office, Ye Hua looked at the two women that were downstairs and mumbled to himself, "Quickly leave, quickly leave, don't dillydally anymore."

"Daddy, how could you let mommy leave just like this?"

Ye Hua smiled and explained everything to his daughter. Ye Hua wouldn't want his daughter to really believe that her mommy doesn't want her anymore.

After listening to her father's explanation, Donghuang Li immediately understood what was happening, "Daddy sure is formidable. Mommy and Aunt Qing were both bluffed by daddy."

"Shh... Daddy's case can't be counted as bluffing, it is counted as love..."

"En, en, Ah Li understands." Donghuang Li had an understanding and mature look on her face, causing Ye Hua to laugh out heartily.

Ye Hua looked downstairs again, and upon seeing that the two women were no longer there anymore, Ye Hua could be said to finally be completely at ease.

"Lie Gu! Have you followed after them?"

"Reporting back to Your Honor, this Madam Donghuang seems to be a bit formidable..." Lie Gu followed Donghuang Baizhi and arrived at Voidless Realm. And upon arriving at Voidless Realm, he was startled by the scene in front of him.

"What do you mean?"

Lie Gu sighed, "I don't know how to explain. A huge bunch of people is greeting Madam Donghuang by kneeling down in front of her."

"So formidable?" Ye Hua was very shocked too. Soon after, Ye Hua said, "Lend me your eyes for a while, I want to take a look."

With the help of Lie Gu's eyes, Ye Hua saw the scene.

As expected of my woman, this empress aura of hers is indeed very formidable! She is making my desire to conquer her to become even stronger!

"Lie Gu, continue protecting the two of them and wait for my orders!"

"Yes!"

Right now, Qing Ya was very stupefied.

In a flash of an eye, I seemed to have arrived at a completely new world, and everyone in this world is welcoming Donghuang Baizhi by kneeling toward her.

Donghuang Baizhi is actually the empress of this place!

My god! Not only is she a cultivator, but she is also an empress...

Qing Ya immediately became unconfident.

Compared to Donghuang Baizhi, I am merely just rich. I am too incompetent...

The eight elders immediately hurried over and said gravely, "Welcome back, Your Majesty."

"You all may stand up."

"Your Majesty, Ying Family will be attacking us in three days' time. This one requests Your Majesty to lead us and fight against the enemy!" Yuan De shouted out gravely.

Soon after, everyone within Voidless Realm began shouting out.

The scene caused even Qing Ya to become fired up.

Donghuang Baizhi's beautiful eyes became focused as she said, "If they dare to come, we should make that day the last day for them!"

"Glory to Your Majesty!"

"Glory to Your Majesty!"

"Glory to Your Majesty!"

Little did they know, last night, their empress was pressed onto the floor and caressed by Ye Hua.

And even more, while being caressed by Ye Hua, their empress got into the mood.

[You Cannot Afford To Offend My Woman](#)

Chapter 242: The show is about to come

Donghuang Baizhi was a bit embarrassed. My Voidless Realm is about to go to war, and yet I brought Qing Ya here.

Donghuang Baizhi said, "Qing Ya, do you want to go back or stay here? If you want to stay here, I will definitely guarantee your safety."

"I will stay!" Qing Ya said faintly. If I were to go back right now, I would definitely get laughed at by Ye Hua, and from then on, I would forever be bullied by that Ye Hua.

However, from what Ye Hua said just now, he doesn't seem to be intending on coming to look for me. Since that's the case, I might as well just learn from Donghuang Baizhi and give birth to the child, then raise the child by myself.

"En, how about you stay at Ah Li's courtyard house? Not only is it safe there, but it is also much quieter there." Donghuang Baizhi could be seen to care a lot about Qing Ya. After all, they were both women who have it hard, so why even bother going to the trouble of making things difficult for each other?

After finish arranging Qing Ya, Donghuang Baizhi began discussing combat strategies with her eight elders. Donghuang Baizhi was determined to wipe out all of Ying Family's attack forces.

Right now, Ye Hua was in a very good mood, and he was currently quadra-queueing.

"Daddy, you can have Ah Li's 98k."

"Daddy, you can have Ah Li's scope."

"Daddy, you can have Ah Li's level 3 armor."

"Daddy, you can have Ah Li's level 3 helmet."

Being looked after by his daughter, Ye Hua wants to express that he was very touched.

Not only am I being looked after by my daughter, but I am also even being carried by my daughter to eat chicken. This is a bit hurtful. I have to teach my daughter not to cheat when playing games.

Qing Yutong and Ye Zizi who were sitting beside the father and daughter pair laughed and remained silent. The two didn't disturb the bonding between the father and daughter pair.

Of course, Ye Hua wouldn't let his child play games all day all night. In the afternoon, Donghuang Li began practicing her martial techniques, while Ye Hua was pondering about how he should act as a hero and save the beauties.

What lines should I say? The lines that I say have to be able to touch the two women's hearts. I have to make the two women become touched to death, and from then on, they won't be willing to leave my side for even a second.

Unknowingly, while pondering, Ye Hua walked to the storage room. Upon seeing the two red chests, Ye Hua immediately contacted Wei Chang.

"The two red chests that Death Mage presented to me, where did Death Mage get them from?"

"Reporting back to Your Honor, subordinate does not know about that too. Allow subordinate to enquire Death Mage about this matter. Hold on."

"Quickly."

After Wei Chang finished enquiring Death Mage, Wei Chang immediately replied, "Your Honor, those two red chests were snatched over by Death Mage from a power called Voidless Realm."

Ye Hua laughed lightly.

So, it seems that she is Voidless Realm's empress, huh?

However, I seem to have heard of this Voidless Realm from somewhere before. This Voidless Realm sounds very familiar.

Ye Hua and Wei Chang seemed to have thought towards the same direction.

"Your Honor... I heard Death Mage said that, the negotiation between Ying Family and Voidless Realm broke down, and the two powers are going to war with each other in three days' time."

Ye Hua's expression froze. A power that is under my subordinate is actually going to war with my wife's power! Isn't this too much of a coincidence?!

"Your Honor, this is an exceptionally good opportunity!"

Ye Hua wrinkled his brows, "What do you mean by that?"

"Originally, subordinate intended to get Ying Family to act as the actors. And right now, with the situation as it is, we totally do not require to plan out any plots at all. In three days' time, when the war starts, all Your Honor has to do is to appear at the scene and save the madams."

Ye Hua thought about it for a moment.

Wei Chang's idea is feasible. This way, we will be able to save ourselves from quite a few troubles. And furthermore, with the situation as it is, my requirements of the fight being realistic and the scene being grandeur have both been met.

"Alright! We should take down Voidless Realm in three days' time then!"

"Subordinate should solemnly obey Your Honor's order!"

After ending the conversation, Ye Hua thought to himself, "This is practically taking down two birds with one stone. Not only will I be able to act as a hero and save those two women, but I will also be able to take down Donghuang Baizhi's power."

"Death Mage did well in snatching the betrothal gifts from Voidless Realm. Death Mage should be greatly rewarded!"

Next, all Ye Hua had to do was to quietly wait for three days later to act as a hero and save the beauties.

This matter can't be treated negligently. Qing Yutong and Ye Zizi are definitely not allowed to take part in this time's act. Those two only know how to stir up troubles. It would be extremely awkward if the act was seen through by those two women because of Qing Yutong and Ye Zizi.

Ying Family is the side where the actors would be at, while Voidless Realm is the side where those two women would be at.

Ying Family will be attacking Voidless Realm, while Voidless Realm will be defending against Ying Family's attack.

Wei Chang and Lie Gu will be acting as the bad guys. And those two will have to use a different identity when they appear at the scene.

As for Death Mage and Xun Fang, the two of them can't appear in this time's act. After all, their identities are already known by most people.

Of course, Ying Family has to be notified of this matter, lest when I appeared at the scene, all of them kneeled down in front of me.

And of course, Ying Family will be fighting against Voidless Realm for real.

With Wei Chang and Lie Gu there to hold the scene, it is definite that Voidless Realm will be the one to suffer defeat. At that time, I, the Supreme Overlord, should ride on a rainbow auspicious cloud and appear in front of the two women. I don't believe that those two women won't be touched to death at that moment!

This plan is only allowed to succeed and must not fail. My entire family's harmony will be depending on this plan. I am already tired of this family conflict.

Ying Family.

Wei Chang had already informed Death Mage and Xun Fang about the plan and had also indicated to them His Honor's attitude towards this matter.

If the plan fails, the consequences that would follow would be very grave, therefore, the two of you must not be negligent in carrying out the plan!

After Death Mage and Xun Fang were informed of the plan, they remained silent for a moment. Soon after, the two went and look for Ying Family's family head!

Right now, it was already very late in the night, and the majority of people had already gone to sleep.

Xun Fang walked in front of Death Mage. After all, based on the identity that Ye Hua gave to Xun Fang, at Ying Family, Xun Fang's identity was bigger than Death Mage. Death Mage was at most Xun Fang's assistance.

"Lord Xun!"

The imperial guard that was standing guard outside the gate hurriedly kneeled down.

Xun Fang had a serious look on her face.

This is a big matter, if something were to go wrong, I am the one who will be held accountable!

And the main point is that I am not going to be attending the big act that will be coming in three days' time, so how am I going to be able to properly control the whole situation? This is such a headache...

Xun Fang waved her hand, then straightforwardly walked into the courtyard of Ying Jingshan's courtyard house.

The maids that were standing guard outside the door hurriedly kneeled down and cried out in surprise, "Lord Xun."

"Go and inform your family head to come out for a moment." Xun Fang sat on the small stone stool that was in the courtyard, while Death Mage stood behind Xun Fang.

The expression that was on Death Mage's face seemed to be saying, whoever dares to be disrespectful towards this ugly woman of mine, I will kill them!

The maids took a look at each other. Our family head has already gone to sleep...

"Quickly, don't leave me waiting for too long!"

After being in contact with Death Mage for so long, Xun Fang had unknowingly acquired a bit of Death Mage's ruthlessness, and she wasn't as gentle as she used to be in the past.

Before the maids even went to inform Ying Jingshan, Ying Jingshan who was wearing nightclothes opened the door and walked out, "The both of you can withdraw first."

With a nervous look on their faces, the two maids bowed, then withdrew.

"Lord Xun, to look for subordinate so late in the night, is there any matters?" Ying Jingshan walked to the front of Xun Fang, then cupped his hands and said.

Xun Fang looked straight at Ying Jingshan, and the latter hurriedly lowered his head.

Lord Xun is very strange today, the expression on her face doesn't seem to be looking very good.

"His Honor has issued an order, during the battle against Voidless Realm in three days' time, His Honor will be sending over two people to assist your Ying Family!"

Ying Jingshan was exulted as he hurriedly knelt down and shouted out, "His Honor is brilliant and benevolent, to care so much about us..."

Xun Fang said faintly, "The two people that His Honor will be sending over will only come out when your Ying Family is in danger. The rest will still have to depend on your Ying Family."

Even if that was the case, Ying Jingshan was still exulted, "It's fine, it's fine, this matter was after all Ying Family's own matter. For His Honor to be willing to provide us with assistance, it is already counted as an extreme honor for Ying Family!"

Xun Fang was satisfied with Ying Jingshan's attitude.

From the looks of it, with this plan, not only would His Honor be able to achieve his own motive, but His Honor would also be able to win over Ying Family's heart. His Honor is truly highly intelligent.

Ying Jingshan stood up and said with a slight smile, "The two people that His Honor will be sending over, are they Lord Xun and Death Mage?"

Xun Fang shook her head.

Ying Jingshan finally knew why the two had such a grave look on their faces.

From the looks of it, the two of them are unhappy because His Honor did not choose the two of them to be the one that he would be sending over to provide assistance for my Ying Family.

Xun Fang stood up, then reminded one last time, "If His Honor appeared at the scene, do not pay attention to him, and do not bow to him. Just treat it as you all do not know him and continue doing whatever that you all should be doing. Keep this embedded within your mind! Because what I just said concerns your life and my life!"

After hearing that, Ying Jingshan's heart sunk and he did not dare to be negligent in the slightest bit, "Lord Xun, you can be at ease, I will relay your words to everyone else."

“Remember this at all costs! This matter can’t be treated with any bit of negligence at all!” Xun Fang said coldly, then left the courtyard house with Death Mage.

[You Cannot Afford To Offend My Woman](#)

Chapter 243: About to start at any moment

Ying Jingshan who was standing in the courtyard tightly wrinkled his brows.

His Honor will be showing up on that day? Why does His Honor intend on showing up? Could it be that, His Honor is planning on subduing Voidless Realm? The possibility of that is very high!

Ying Jingshan immediately went and called all of the Ying Family’s relatives over for a meeting.

At the meeting, Ying Jingshan informed everyone of what Xun Fang just came and informed him a while ago.

“At that time, if His Honor were to really appear at the scene, everything will still continue going as we had planned, and all of you must take care of your own mouth, lest His Honor’s big matter get ruined by anyone of you, and thus leading to the destruction of our Ying Family!”

Within Ying Family’s inner circle, while with a tense atmosphere surrounding everyone, everyone was ardently preparing for the war that will be coming soon.

Everyone was guessing about what His Honor’s motive was.

If His Honor was intending to destroy Voidless Realm, just Death Mage alone is more or less enough, but His Honor actually decided on sending two people over to help us with the war against Voidless Realm, and even more, His Honor himself is most likely going to personally show up in the war too!

From the looks of it, His Honor is not intending to destroy Voidless Realm, and is intending to subdue Voidless Realm!

Everyone within Ying Family seemed to be a bit happy about this matter.

Finally, our Ying Family is no longer going to be the only one who is enslaved by His Honor! Soon, Voidless Realm will be coming to accompany us, and our Ying Family won’t be all alone anymore!

If that is how things are going, Ji Family would probably be next on the list, and whether if Ji Family would choose to submit, or be exterminated by His Honor, in actuality, it is very easy to guess.

Of course, it would be best if Ji Family gets exterminated. That way, our Ying Family would become the only big power within the south.

At Voidless Realm, everyone was currently busy preparing for the war against Ying Family.

Donghuang Baizhi personally gave a speech to her fellow generals and soldiers, causing Voidless Realm’s morale to get ignited. Everyone was currently very excited. After all, it has been hundreds of years since Voidless Realm had last gone to war with another power.

Qing Ya was currently living in Ah Li’s courtyard house, and right now, while with a gloomy expression on her face, Qing Ya was sitting in the courtyard’s pavilion and gazing at the stars.

It hasn't even been a day since Qing Ya had left the bar and she was already beginning to miss Ye Hua.

In actuality, standing in Ye Hua's shoes, he doesn't seem to have done anything wrong. Could it be that, I was being too willful?

Qing Ya was a bit unsure of whether what she did was right or wrong.

What should I do if Ye Hua really doesn't come looking for me?

Sigh, it seems like I have really become a captive of Ye Hua.

"Qing Ya, why haven't you gone to rest?"

Donghuang Baizhi suddenly appeared in the courtyard.

Donghuang Baizhi had just finished giving her speech a while ago and thus decided to come over here to check on Qing Ya's situation.

Qing Ya barely squeezed a smile out of her, "I was just about to. Are you fine?"

Donghuang Baizhi sat at the opposite side of Qing Ya, and a maid immediately walked over and poured a cup of tea for Donghuang Baizhi.

"Barely so. Ying Family's attack forces will be coming in three days' time, and at that time, rivers of blood are bound to be formed."

Qing Ya said embarrassedly, "To not be able to provide you with any support, I am truly ashamed."

"Qing Ya, don't say that, in the first place, this war doesn't have anything to do with you." Donghuang Baizhi laughed lightly.

Donghuang Baizhi felt that Qing Ya's temperament was rather good, and Qing Ya could be counted as someone who she was able to talk to.

"If you need money, I still have some here with me, Ye Hua won quite a huge sum of money quite a while ago and the money is with me."

"I am not going to take his money!" Donghuang Baizhi snorted coldly.

Qing Ya laughed, "In actuality, Ye Hua is quite formidable. If you were to get him to come here and help you, it would make things much easier for you."

"I am not going to request him for his help. In any case, this is Voidless Realm's battle, and it has completely nothing to do with him, so what would I even need him here for." Donghuang Baizhi naturally knew that Ye Hua was formidable.

To be able to seal up my spiritual energy, Ye Hua's strength is definitely above my strength. If he were to come and help me out in the war against Ying Family, he would definitely be a great help in the war.

However, Donghuang Baizhi who possessed a strong self-esteem definitely wouldn't go and request Ye Hua for help.

"Baizhi, in actuality, you still like Ye Hua, right?"

While chatting with each other, the topic suddenly moved onto Ye Hua.

“You are the same, right?”

Qing Ya remained silent. The two women could be counted to have agreed that they still like Ye Hua.

This situation could be said to be very good for Ye Hua. Right now, all Ye Hua had to do was to light up the fire within the two women’s hearts.

“Qing Ya, you rest early, I will bring you around Voidless Realm tomorrow.”

“Alright, you rest early too.”

Although the two women liked the same man, the two women were very courteous towards each other, and the two could just barely be counted as friends.

However, if Ye Hua wants to make those two women become like Lie Gu’s women, Ye Hua still has to work even harder. After all, those two women of Ye Hua’s weren’t ordinary women. If Ye Hua wants to embrace the two women on each side of his arms, just this big act of a hero saving the beauties alone was not enough. However, if the big act was successful, Ye Hua’s relationships with the two women would definitely become better.

Three days went by very quickly, and today was the day that Voidless Realm was going to fight against Ying Family.

A tense atmosphere filled the entire Voidless Realm. Over ten thousand fully armed warriors gathered at the front of the barrier, and in the air, there were a thousand cavalries.

The mounts of the cavalries were gold winged crows, spiritual beasts that were raised by Voidless Realm. The combat strength of a gold winged crow was extraordinary, its hard feathers were just like reinforced iron blades, which allowed it to possess both high defense and attack power!

Right now, with a dragon phoenix gold crown worn on her head, and a dragon patterned purple gown worn on her body, Donghuang Baizhi was standing in the air while with an icy cold expression on her face.

Behind Donghuang Baizhi stood the eight elders, and every one of them was holding onto a different kind of ancient godly item. Just this scene alone was enough to make others exclaim in surprise.

Donghuang Baizhi who was standing in the air was emitting out an astonishingly strong spiritual pressure. While looking at all of her generals and soldiers, Donghuang Baizhi shouted out, “My fellow generals and soldiers, the war is just around the corner! Blood will be spilled! But for Voidless Realm, your death will be worthwhile!”

All of the generals and soldiers knelt down and shouted out in unison, “For Your Majesty! For Voidless Realm!”

Resounding words rang out through the entire Voidless Realm, and even Qing Ya who was standing in the courtyard house’s courtyard could hear it too.

Upon hearing those words, Qing Ya thought to herself, "If I have the capability, I would definitely help out Donghuang Baizhi. Unfortunately, I am just a flower vase who is being protected by everyone else."

Donghuang Baizhi who was standing in the air slowly closed her beautiful eyes, and when she opened her eyes again, her pupils turned into gold color, and a drop of blood could be seen slowly rising up the air!

"With the blood of Donghuang, I pray for the ancient godly beast to descend!"

Suddenly, the entire sky seemed to be set on fire, and a frightening pressure was slowly descending down from the sky!

A huge silhouette circled above the red clouds, and the cry that the huge silhouette was emitting out made others couldn't help but feel fear.

Roar!

A huge giant beast could be seen flying downwards at high speed. The huge giant beast possessed golden color wings and feathers, a head that was shaped like that of a bird, three sharp claws, and a pair of eyes that seemed to look down on all living things.

This beast was called Three-Legged Golden Crow, and it was an ancient godly beast. This Three-Legged Golden Crow was a part of Voidless Realm's accumulation.

Donghuang Baizhi's summon was similar to that of Xun Yi's summon. But what was different was that, one was an adult beast, and the other was still a young beast.

This Three-Legged Golden Crow was more or less in the same division strength as Ying Family's Heavy Dust, just that, Three-Legged Golden Crow was a godly beast, while Heavy Dust was a ferocious beast.

When everyone saw the godly beast descend, their confidence increased greatly, and they immediately began cheering.

"Long live Her Majesty!"

"Long live Her Majesty!"

The Three-Legged Golden Crow landed right beside Donghuang Baizhi, then shook its wings. Right after, a golden color light spread out from the Three-Legged Golden Crow.

After being illuminated by the golden color light, all of the generals and soldiers felt that they had an inexhaustible amount of strength, and they wished they could immediately begin fighting now.

This was the benefit of having a godly beast, a godly beast was able to provide a passive buff to the side it was on.

A passive buff was something that fierce beasts do not possess.

The war was about to start at any moment now!

Outside of Voidless Realm was a desert that stretched into the distance as far as the eyes could see.

Suddenly, a white light flickered, and 8000+ people suddenly appeared! And along with the 8000+ people that appeared, a huge beast also appeared! The huge beast was precisely the ancient ferocious beast, Heavy Dust!

Heavy Dust's nails that were polished with a red color nail polish were very eye-catching. However, Heavy Dust did not feel that those nails were ugly in the slightest bit, and instead, it even felt proud of those nails. From time to time, Heavy Dust would even show off its pretty nails.

"Family head, His Honor still hasn't appeared, what do we do now?" Ying Shang was currently fully armed, and he was wielding an ancient godly item. From the looks of it, rivers of blood were definitely going to be formed today.

Ying Jingshan's silver armor was very eye-catching, and the might pressure that was emitting out from the armor was very astonishing. From the looks of it, the armor that Ying Jingshan was wearing was an ancient godly item!

As expected of one of the big powers, ancient godly items were like appetizers to them.

Ying Jingshan said faintly, "Wait!"

Donghuang Baizhi who was within Voidless Realm was quietly waiting for Ying Family to attack. If Ying Family wants to get into Voidless Realm, they were going to have to deal with the barrier first!

Chapter 244: Tragic

At Leisure Bar.

Ye Hua was currently drinking alcohol, and Wei Chang and Lie Gu were standing behind him, waiting for the latest instructions.

"You two can go first now. Remember to act realistically! But don't hurt Baizhi!" Ye Hua ignited a stick of cigarette and said.

"Yes!"

"Yes!"

Wei Chang appeared to be very calm, while Lie Gu appeared to be very excited!

Outside of Voidless Realm, Ying Family's army of 8000+ people was currently silently waiting. This caused Donghuang Baizhi's brows to become tightly wrinkled.

"Your Majesty, this doesn't look good!" Xing Han took a step forward and said.

Donghuang Baizhi naturally knew that, "They are waiting for someone!"

Looking at the Heavy Dust that was outside, Voidless Realm's people shook their heads.

This ferocious beast doesn't have the look that a ferocious beast should have at all, it is actually scratching onto its itch like a dog and showing off its nails that were painted red with red nail polish.

Voidless Realm's barrier allowed the people within the barrier to be able to see outside of the barrier, while the people outside of the barrier weren't able to see inside of the barrier.

A black whirlpool suddenly appeared in front of Ying Family's army.

All of Ying Family's generals and soldiers immediately got on their guard, and Ying Jingshan waved his hand to signal to everyone to relax.

A figure that was enveloped in shadow could be seen walking out of the whirlpool. This figure was precisely Wei Chang who was going to assume the role of a bad guy.

Ying Jingshan was exulted!

This person that His Honor sent over is truly formidable! Although there is no might pressure being emitted out from this person, the tranquil and calmness that this person possesses is enough to make me look highly on him.

The people within Voidless Realm also saw the shadowed figure, and they were very confused about who the shadowed figure was.

On the other hand, Donghuang Baizhi's expression became even graver. Ying Family actually requested help! Shameless!

However, what was more shameless was about to come.

Roar!

Roar!

Roar!!!

Dragon roars resonated throughout the horizon, and a frightening spiritual pressure swept through the entire earth. Faced against the spiritual pressure, even Heavy Dust curled its body up and trembled in fear.

Looking at the horizon, a black dot could be seen to become bigger and bigger!

A huge bone dragon descended from the sky and set off a frightening sandstorm!

This bone dragon was precisely Lie Gu. Lie Gu obtained His Honor's permission to reveal his true body when he was acting as the bad guy.

Everyone in Ying Family was stupefied.

Everyone in Voidless Realm was dumbstruck.

Don't see that Lie Gu's true body is smaller compared to Heavy Dust's body. Though Lie Gu's body was smaller, his body was much stronger and possessed formidable endurance.

Ying Jingshan was currently completely stupefied.

This bone dragon is really strong! And I feel that this bone dragon is even stronger than those Giant Water Demon Gods!

Within Voidless Realm, Donghuang Baizhi's expression was currently very gloomy.

The strength of this bone dragon is too strong! Just where did it come from! And that shadowed figure too! From the looks of it, the two of them are together!

Wei Chang naturally wouldn't stand on top of Lie Gu's head, because Lie Gu was His Honor's mount. Asides from being ridden by His Honor, Ye Zizi was the only other person who had the opportunity to ride onto Lie Gu once.

"Your Majesty, there is no need to worry, this barrier was built during the ancient time. If they want to attack into our Voidless Realm, they will definitely have to first suffer disastrous losses!" Yuan De said.

How would Donghuang Baizhi not know about how formidable this barrier was? However, her sixth sense as a woman was telling her that this barrier won't be able to obstruct the other party!

Ying Jingshan who was outside also naturally knew of how formidable Voidless Realm's barrier was.

"Lord, is it possible for you to help us open the barrier?" Ying Jingshan asked gravely.

Wei Chang took a look at the barrier that was not far away, then said, "Why? Are you all not able to even open such a barrier?"

"Lord, we are able to open this barrier, but we would have to suffer a lot of losses." Ying Jingshan hurriedly explained.

Wei Chang thought for a moment. If half of Ying Family's men were exterminated while outside of the barrier, Voidless Realm would have a very great advantage against Ying Family. Furthermore, Lie Gu and I aren't here to kill the madam's subordinates, we are merely here to act out a show.

Thinking up to here, Wei Chang had already decided.

Wei Chang could be seen flicking his index finger, and a lump of black fog shot out and landed on the barrier. The black fog didn't pierce through the barrier, and instead, seemingly just like an odd organism, the black fog gradually spread out through the entire barrier.

In the blink of an eye, the barrier was covered completely by the black fog.

The barrier was emitting out a strong spiritual pressure, seemingly like it was trying to struggle free from the disgusting black fog.

However, it was useless, the black fog was just like an overbearing man who was embracing his woman.

With the sound of a bang, a part of the barrier broke, and soon after, more parts of the barrier broke.

In no time, Voidless Realm's forces could finally be seen by Ying Family. Everyone in Voidless Realm could be seen to have an astonished look on their faces, especially Donghuang Baizhi who was in the air whose small mouth was slightly opened.

Ying Jingshan was the first to react. Drawing out his ancient godly item and pointing the ancient godly item towards Voidless Realm, Ying Jingshan shouted out with cold killing intent, "Kill!"

"Kill!!!"

Ying Family's army of 8000+ people rushed into Voidless Realm!

Heavy Dust raised its head and roared, then straightforwardly charged into Voidless Realm. Immediately, a floating mountain was smashed into pieces by Heavy Dust!

The Three-Legged Golden Crow that was beside Donghuang Baizhi let out a loud cry, and Heavy Dust's eyes immediately became dilated.

Godly beasts and ferocious beasts have always disliked each other, and at this moment, raging fury was immediately ignited within the two beasts, and a fight between the two beasts immediately unfolded!

In just this short moment, there were already over a hundred people lying on the ground, and the number of people dying was still continuously rising.

Donghuang Baizhi shouted out as she went straight for Ying Family's Ying Jingshan, while the eight elders fought with Ying Family's relatives.

Battles of life and death were happening everywhere on the battlefield!

Wei Chang and Lie Gu unhurriedly walked into Voidless Realm. After walking into Voidless Realm, Lie Gu restored the barrier.

There is no need for other people to watch this big show.

The two stood in the air and silently watched.

We have to guarantee that Voidless Realm is on the losing side, if not, how would His Honor be able to act as a hero and save the madams?

Although Donghuang Baizhi was fighting with Ying Jingshan, her gaze would move to Wei Chang and Lie Gu from time to time.

I thought that those two would begin a massacre, but they didn't, and instead, they are standing at the side and watching show, and from time to time, those two would kill a few people to amuse themselves.

Donghuang Baizhi felt very indignant, but at the same time, she also felt very helpless.

If the two were to take part in the war right now, I reckon that Voidless Realm would immediately become destroyed by them!

However, those two don't seem to be helping Ying Family much too... The two seemed like they are waiting for someone.

It must be said that, Donghuang Baizhi's intuition was very frightening. If the big act was to be seen through by Donghuang Baizhi, it was reckoned that Donghuang Baizhi would never reconcile with Ye Hua in this entire life of hers.

The situations of both sides were very tragic. Rivers of blood have already been formed, and countless of people were lying down on the ground. Half of Ying Family's relatives were already on the ground, while only three elders remained in Voidless Realm!

The battle between Heavy Dust and the Three-Legged Golden Crow was very astonishing too. There were countless wounds on both of the beasts, and both of the beasts were bleeding continuously.

The scene was too tragic of a sight to behold!

Currently, Donghuang Baizhi was gradually winning against Ying Jingshan!

As expected of the north's big shot!

Right at this moment, there were a lot of wounds on Ying Jingshan. Although those wounds were not fatal, those wounds didn't feel very good.

Meanwhile, Donghuang Baizhi's attacks were getting fiercer and fiercer!

"Lie Gu, there is still a bit of use in keeping this Ying Family's family head alive, don't let the madam kill him. Furthermore, it is more or less time to move on to the real show!" Wei Chang was the representative of intelligence, therefore, Lie Gu was naturally going to listen to Wei Chang's orders. Lie Gu also didn't want His Honor to have to keep on worrying about the family conflict.

Lie Gu shook his tail. Suddenly, Lie Gu was startled, what am I shaking my tail for, I should be roaring right now.

Roar!

A dragon roar rang out and Lie Gu could be seen flying towards Donghuang Baizhi.

Donghuang Baizhi who was just about to take Ying Jingshan's life immediately dodged to the side at high speed.

Lie Gu thought to himself, "The madam sure is formidable. However, madam, because you weren't obedient, His Honor has already given the words to give you a bit of a hard time. Therefore, madam, don't blame subordinate, if you want to blame, blame it on His Honor, this is all His Honor's idea."

Godly dragon tail sweep!

While bringing an astral wind with it, the dragon tail swept towards Donghuang Baizhi.

Donghuang Baizhi's expression changed as she held her ancient godly item in front of her with one hand and quickly formed hand seals with her other hand!

However, faced against Lie Gu's attack, no matter how strong an ancient godly item was, it was useless!

Donghuang Baizhi's figure flew out like a bullet and collided with a mountain.

"F**k! Lie Gu, do you want to get roasted by His Honor! Why did you put so much force into your attack!" Wei Chang was greatly startled, and he really wanted to give Lie Gu a smack in the head right now.

Lie Gu was also in a panic right now.

I really didn't mean it, I merely casually swung my tail towards the madam... Your Honor, please spare my life...

You Cannot Afford To Offend My Woman

Chapter 245: You cannot afford to offend my women

Ying Jingshan who got his life saved by Lie Gu was incomparably grateful to Lie Gu and he could be seen bowing to Lie Gu to show his thanks.

However, Lie Gu wasn't in the mood right now. I really want to smack this salted fish to death, to actually cause me to send the madam flying away.

Donghuang Baizhi's body could be seen to have landed deep within the body of the mountain, and blood was flowing out from the corner of her mouth. However, Donghuang Baizhi did not give up!

After getting up, Donghuang Baizhi immediately attacked towards Lie Gu!

"Lie Gu, if you were to injure Madam Donghuang again, His Honor will definitely chop you into pieces!" Wei Chang reminded.

Lie Gu was in a very bad spot. If I purposely go easy on the madam, the madam would definitely be able to perceive that I am purposely going easy on her, but if I don't go easy on the madam, the madam would have to sustain more injuries... Your Honor, subordinate is really in a bad spot right now...

Voidless Realm's generals and soldiers were gradually being suppressed by Ying Family, and Donghuang Baizhi was currently battling with Lie Gu.

Various small wounds could be seen to have appeared on Donghuang Baizhi's body, and all of the small wounds were basically cuts on the skin.

This caused Donghuang Baizhi to become very puzzled.

This bone dragon obviously possesses the power to kill me, and yet, he is only giving me small wounds. Just what is the meaning of this!

Wei Chang was a bit in a panic. Looking at Madam Donghuang's expression, she must have begun to become suspicious! It cannot continue like this!

"Lie Gu, attack onto the madam, and make the madam have no more strength to continue fighting anymore!"

"Roar!"

Lie Gu could be seen opening his mouth and letting out a dragon roar.

The expression of Donghuang Baizhi who was right in front of Lie Gu's roar changed greatly, and in the next moment, the spiritual energy within Donghuang Baizhi's body went into chaos and she spat out a mouth of blood!

Looking at the corpses that were on the ground, and her generals and soldiers that were gradually getting suppressed by Ying Family, Donghuang Baizhi's heart sunk to the bottom of the valley.

Lie Gu was a bit in a panic, and he was shouting out in his mind, "Madam, quickly run, what are you being in a daze for..."

“Swear to protect Voidless Realm till death!” Donghuang Baizhi shouted out, then actually went and attacked towards Lie Gu again.

When the generals and soldiers who were fighting bravely saw that their empress disregarded her life and death and continued to fight with that evil bone dragon, an indescribable power surged out from their hearts, and the blades that were within their hands became even fiercer.

Lie Gu was about to have a mental breakdown. What do I do, the script has gone off track!

Wei Chang was also very anxious.

The madam is truly not lacking when compared to men! It is no wonder that His Honor likes the madam so much. Madam Donghuang is worthy of being His Honor’s madam!

However, right now, the problem is that, the madam is not afraid of even dying...

“Gluttonous Monster, quickly think of a plan! If I continue dodging, the madam will surely suspect that something is wrong!” Lie Gu didn’t dare to attack Donghuang Baizhi anymore.

If I were to attack the madam one more time, I’m afraid that the madam wouldn’t be able to endure my attack.

Wei Chang shouted out gravely, “What are you even doing, why does the madam still have the strength to fight!”

“I was afraid that my roar would make the madam faint. It’s very hard to control the power of my roar!” Lie Gu was very vexed.

Lie Gu’s situation was just like Death Mage’s situation when Death Mage was fighting against Xiao Yi. Death Mage could obviously kill Xiao Yi in a mere second, but the order that Death Mage received was to merely make Xiao Yi become wounded.

And unfortunately, Death Mage was too strong, Death Mage was strong to the point that any moves of his could kill Xiao Yi in an instant, and it was too difficult to just merely make Xiao Yi become wounded.

Fortunately for Lie Gu, although he was currently in the same situation as Death Mage was in, even if Lie Gu mess around too much, Lie Gu wouldn’t end up getting killed like Death Mage.

“Are you two still not done yet? I have been waiting for close to half a day already!” Ye Hua’s voice rang out in the two’s ears.

Wei Chang hurriedly said, “Your Honor, give us a bit more time, we will be done in a moment, the madam’s fighting strength is a bit higher than we had expected.”

“Be careful a bit, don’t make my woman become wounded.”

Your Honor, the madam has already become wounded...

Lie Gu wanted to cry but had no tears. If I had known earlier, I wouldn’t have volunteered to act as a bad guy in this act. Originally, I just merely wanted to take this chance to act cool for a bit, but in the end...

“Forget about it, forget about it, Lie Gu, be a bit more careful from now on, don’t make the madam become even more wounded than she already is!” Wei Chang reminded.

Lie Gu had no choice but to be extremely careful. Stretching out his dragon claw, Lie Gu poked directly onto Donghuang Baizhi’s ancient godly item!

“Bang!”

The ancient godly item immediately broke apart, and a mass of huge energy erupted out from the broken ancient godly item and sent Donghuang Baizhi flying away...

Lie Gu was stupefied...

Wei Chang was stupefied...

After quite a while, Wei Chang said coldly, “Lie Gu, you will really get stewed by His Honor if you continue on like this!”

“I... I... I didn’t do it on purpose...” Lie Gu wanted to cry right now.

The quality of that ancient godly item is really bad, I merely poked onto it, and it immediately broke.

Donghuang Baizhi landed outside of the palace, and when the generals and soldiers saw that their empress was sent flying away, they immediately rushed over to protect their empress.

Amongst the people that rushed over to protect the empress, the remaining three elders, Yuan De, Xing Han, and He Xuan, were there too.

“Your Majesty!” Yuan De hurriedly checked onto Donghuang Baizhi’s injuries.

This is fortunate, Her Majesty’s life is not in danger.

Ying Family encircled around Donghuang Baizhi and her forces.

If Wei Chang and Lie Gu weren’t here to help, today would indeed be Ying Family’s last day. After all, just the barrier alone was enough to give Ying Family a very hard time.

Furthermore, Donghuang Baizhi had the capability of killing Ying Jingshan, and once Ying Family’s family head died, Ying Family’s morale would definitely greatly decrease, and Voidless Realm would then be able to eliminate the remaining Ying Family’s forces in one go.

However, that was merely just an if...

Ying Family’s morale was currently at the peak, and Ying Jingshan could be heard shouting out, “Empress! If you had known that the result would end up being like this, I reckon that you wouldn’t have acted the way you had acted!”

“Pah! To actually requested help from others, your Ying Family sure is not afraid of being laughed at when words of it start spreading out!” Donghuang Baizhi slowly stood her body up while shouting out coldly towards Ying Jingshan.

“The winner is the king, and the loser is the bandit! Your Majesty, I’m sure you understand such a logic like this, right?”

Alright, Ying Jingshan had also begun his acting.

Now that the fight is about to come to an end, His Honor should be appearing soon to subdue Voidless Realm, right?

Just that, what kind of method is His Honor going to use to subdue Voidless Realm? The pride of this empress is very huge.

Donghuang Baizhi snorted, "My Voidless Realm will never surrender!"

"As expected of the empress, a towering figure amongst women, you have my respect!"

Looking at her subordinates that were drenched in blood, Donghuang Baizhi let out a breath.

I didn't expect that Voidless Realm would actually end up being destroyed in my hands, and from the looks of it, I am going to die here today!

Ah Li... In the future, you have to listen to your daddy, mommy won't be able to accompany you anymore.

Upon thinking of her daughter, tenderness appeared on Donghuang Baizhi's face.

Although I had been chided by Ye Hua during those few days, I had also truly accompanied my daughter during those few days.

Recalling of Ye Hua's face in her mind, Donghuang Baizhi thought to herself, "Ye Hua... you have to properly take care of our daughter, you must not let her suffer any grievances. And if there is an afterlife, in the next lifetime, you definitely have to come downstairs to meet me. That way, we will be able to live happily together."

"Baizhi!"

Donghuang Baizhi was startled, and when she saw Qing Ya running over to her, she shouted out loudly, "Qing Ya, why did you run out! Quickly go back!"

"Baizhi, what happened to you?!" Qing Ya hurriedly held and supported onto Donghuang Baizhi.

Donghuang Baizhi shook her head, "Qing Ya, I'm currently at the point of death... Sorry, to have dragged you into all of this."

"We can go and call Ye Hua to come over and help us!" Qing Ya said hurriedly. At this moment of crisis, only one person appeared within Qing Ya's mind, and that person was Ye Hua.

Donghuang Baizhi smiled bitterly, "It's too late... Qing Ya, take good care of Ye Hua."

"You! What are you intending to do?! Even if you can't win, you can still run!"

Donghuang Baizhi shook her head, "If I were to run, what about them? Qing Ya, I will get someone to bring you away from this place, please help me take good care of Ah Li!"

"What foolish words are you speaking right now, Ah Li still needs you to look after her, and Ye Hua definitely wouldn't want to lose you!"

Donghuang Baizhi smiled sweetly, "He wouldn't want to lose you more. Quickly leave!"

"If he were to find out that I left you here and ran away by myself, he would definitely smack my butt! Let's leave together!"

Another mouth of blood spilled out from Donghuang Baizhi's mouth, and the blood flowed onto Qing Ya's shirt.

"Your Majesty, you retreat first, we will help you hold them back!" Yuan De and the others protected in front of Donghuang Baizhi and shouted out.

Donghuang Baizhi collapsed into Qing Ya's embrace and mumbled, "If Ye Hua comes over right now, I will forgive him for being heartless."

"En, we will forgive him together."

Wei Chang and Lie Gu were exulted, and Wei Chang hurriedly informed His Honor that it was time for him to show up.

Ye Hua was currently hugging onto his daughter and anxiously waiting. Suddenly, Ye Hua was informed that it was time for him to show up!

"Ah Li, be well-behaved at home, daddy will go and bring Aunt Qing and mommy back home!" Ye Hua said with a slight smile on his face.

Donghuang Li held her hand into a fist, then said, "Daddy, all the best~"

Everyone from Voidless Realm was in despair right now. Faced against formidable enemies, even our empress is not a match for them...

On the side, both the ancient godly beast and ancient ferocious beast have collapsed, and right now, the entire Voidless Realm looked as if it had been bombarded.

Suddenly, the color of the sky changed, and a rainbow color auspicious cloud could be seen floating towards Voidless Realm from the distance. On the rainbow color auspicious cloud, a figure could be seen standing on it.

That's right, the figure was precisely Ye Hua!

Just now, back at home, Ye Hua wore a handsome looking armor and even did a swept-back hairstyle for his hair.

I seemed to have used a bit too much pomade. However, that doesn't matter, it is fine as long as I look handsome!

Qing Ya and Donghuang Baizhi looked dazedly at the rainbow color auspicious cloud that was flying over towards them, and also the figure that was standing on the cloud. Right now, the two's hearts were melting, and tears of joy were flowing out from their eyes.

During the moment of life and death, Ye Hua did not abandon me... He came... he really came...

With a calm expression on his face, Ye Hua lightly jumped off the cloud and landed in front of the two women.

Looking at the back of the person that was in front of them, the two women were touched to the point that tears filled their entire faces.

Meanwhile, Ye Hua silently took out a stick of cigarette and ignited the cigarette, then pointed towards Wei Chang and the others and said faintly, "My women are not people who you all can afford to offend!"

It was time for the act to truly begin.

[You Cannot Afford To Offend My Woman](#)

Chapter 246: Annual best director award

Ye Hua's appearance caused everyone to become stupefied.

Especially Voidless Realm's side. Looking at the majestic looking man, then looking at their empress who was crying delicately, they seemed to have thought of something.

Adding on with this man's opening line, this man is definitely the empress's man!

On the other hand, Ying Jingshan completely did not understand what His Honor was trying to do.

His Honor wants to protect the empress, and yet, he is attacking the empress's power... No, the main point is that, His Honor wanted us to pretend not to know him!

From the looks of it, His Honor is also someone who is dissolute. With this plan, not only would His Honor be able to attain the empress's heart, but he would also be able to subdue the entire Voidless Realm!

His Honor has my respect!

Right now, Ye Hua did not turn his head around to look at the two women, but in actuality, he really wanted to turn his head around and take a look at the expressions that were currently on the two women's faces.

For the sake of allowing the atmosphere to become even better, I must not turn my head around... The show has only just begun!

"Wei Chang, what expressions do they have on their faces right now?" Ye Hua asked curiously.

"Your Honor, the madams are currently crying..."

Lie Gu was very happy, "Your Honor, the madams have really been touched by you."

"This is great. However, what I want is to not only make them become touched, but to also make them become completely devoted to me and no longer able to leave my side for even a second! Continue on with the act!"

"Yes!"

"Yes!"

“Who are you!” Before Wei Chang was even able to speak his line, Ying Jingshan took the lead and snatched away Wei Chang’s line. From this, it could be seen that Ying Jingshan’s acting skills were pretty good too.

Ye Hua had a new perspective towards Ying Jingshan.

This Ying Jingshan’s brain revolves around rather quickly.

“Fool, you bunch of salted fishes are not worthy to know my name!” Ye Hua said coldly, having a look on him that was practically saying he was the number one in this world.

Qing Ya who was behind Ye Hua laughed lightly and said towards Donghuang Baizhi, “His acting cool after smoking syndrome is acting up again.”

“But, I like how he is right now.” Donghuang Baizhi mumbled.

The view of Ye Hua’s back suddenly became very tall in Donghuang Baizhi’s eyes, and Donghuang Baizhi’s shattered heart was slowly piecing back together.

While looking at Ye Hua’s back, Qing Ya said with a smile, “I like how he is right now too.”

Upon hearing the conversation between the two women that were behind him, Ye Hua became very excited and wished he could turn around right now and properly give the two a lesson.

Who gave you two the idea to leave me, now you two know my importance, huh!

Ying Jingshan slightly wrinkled his brows, and this wrinkle of the brows by Ying Jingshan was done perfectly.

“Your distinguished has my endless respect. Taking a look at everyone in this world, it is hard to find a person like your distinguished who possesses such a deep love for his significant others.”

Wei Chang and Lie Gu were stunned by Ying Jingshan.

This Ying Jingshan has very good eloquence! While glowering at His Honor, he doesn’t forget to boot-lick His Honor too, and this boot-lick of his was done very smoothly!

Meanwhile, everyone in Ying Family seemed to have discussed about it beforehand, and all of them could be heard endlessly praising Ye Hua. Some of the praises that were said by the people from Ying Family were enough to even make one have goosebumps.

Right now, Ye Hua was basically described by Ying Family as a god who had descended to the world to fight against a whole army for his true loves. And that, for his true loves, Ye Hua was completely disregarding his own life.

When such words landed into the two women’s ears, their beautiful eyes became even more tender. If not for there being too many people here, they would have thrown themselves into Ye Hua’s embrace and tell Ye Hua about just how much they missed him.

“Wei Chang, what’s the situation with those two right now?” Ye Hua asked stealthily.

“Your Honor, the plan has succeeded!” Wei Chang was very excited.

Ye Hua's mind was finally at ease, "Good, let's give one more push to the act then!"

Looking at Ying Jingshan, Ye Hua said slowly, "I didn't expect that my intention and moral character would actually get seen through by you! Since that's the case, I won't hide it anymore! If you all want to bully the two of them, you all will have to get through me first!"

"Ye Hua! They are very formidable, especially those two!" Donghuang Baizhi said with concern.

Without turning his head around, Ye Hua said faintly, "When men are speaking, you women should just obediently stay at the side and watch!"

"Your distinguished is truly very manly, your distinguished is the manliest man that I have ever seen in my entire life!" While speaking, Ying Jingshan even cupped his hands toward Ye Hua. Ying Jingshan's acting skills were bursting through the roof.

Everyone within Ying Family also began expressing that they had never seen such a manly man before, and that they respect such a man like Ye Hua.

Donghuang Baizhi was naturally able to hear what those people from Ying Family said.

I feel that the moment Ye Hua came here, the entire atmosphere of this place has changed. The enemies are all endlessly praising Ye Hua, and it seemed as if that, if Ye Hua were to wave his hand and give an order, everyone in Ying Family will listen to his order.

It must be said that, Donghuang Baizhi's sixth sense was extremely frightening. If Donghuang Baizhi were to find out that all those people in front of her were Ye Hua's actors, she would definitely immediately have a mental breakdown.

Ye Hua flicked the cigarette bud, then said gravely, "Let's leave those praises to the side and start fighting!"

"Let me try out just how strong your distinguished's strength is!" Wei Chang slowly walked out.

Everyone within Voidless Realm held their breaths.

This shadowed figure didn't move since the start, he could be the most formidable existence amongst the enemies!

"Ye Hua, don't go! This shadowed figure is very formidable." Donghuang Baizhi was very worried.

Without turning his head around, Ye Hua said faintly, "I will bring you two back home in just a while."

Thousands of words were not comparable to just one word, home. Qing Ya and Donghuang Baizhi were truly touched by Ye Hua. Right now, whatever that Ye Hua told them to do, they would do it.

Ye Hua slowly floated up the sky, and a long blade appeared within his hand. An astonishing killing intent was being emitted out from the long blade.

As expected, this guy that just appeared is an expert!

"If your distinguished is able to win against me, I will retreat!" Wei Chang began going according to the script.

Ye Hua snorted coldly, "Want to leave? It won't be that easy!"

While speaking, Ye Hua slashed the long blade towards Wei Chang, and Wei Chang shouted out, "What an attack! As expected, your distinguished's strength is indeed astonishingly strong."

"Haha! To be able to block this slash of mine, I will count it that you have skills!"

"Your distinguished, I will be using my true power in the next moment!"

"That's exactly what I was hoping for!"

The two spoke to each other according to the script, and the people that were below them were very excited.

Such strong beings going against each other, just being able to watch their fight is enough to allow us to comprehend some things!

Qing Ya and Donghuang Baizhi's beautiful eyes were filled with worries.

Ye Hua... You must manage to survive by all means, if you were to die, we won't be able to continue living anymore.

If Ye Hua was able to hear the two women's thoughts, he would definitely be excited to death.

With his head raised, Lie Gu watched His Honor and Wei Chang's performances.

Wei Chang's acting skills sure are good. It is no wonder that Wei Chang set aside such an important role for himself. If I were the one that is up there right now, the atmosphere would definitely be lacking by a lot.

"Shadow flow blades!"

Ye Hua's hand shook, and the golden color energy blades that Ye Hua slashed out looked extremely dazzling, the energy blades seemed as if they were going to pierce through the sky.

Upon seeing the energy blades, the people in the scene gasped in amazement.

With a very deep voice, Wei Chang said, "Your distinguished's blade technique has reached the realm of perfection, but it is still not enough!"

"Hole of Darkness!"

A black whirlpool could be seen forming in front of Wei Chang, and the few energy blades were directly swallowed into the black whirlpool! Soon after, all of the energy blades were sent flying back to Ye Hua!

With an even stronger destruction power, the energy blades attacked toward Ye Hua, and Qing Ya and Donghuang Baizhi who were on the ground did not dare to look at what was going to happen next.

Ye Hua shouted out coldly, "Insignificant small skill!"

Ye Hua raised the blade within his hand up high, then slashed the blade downwards!

An even stronger energy blade was slashed out by Ye Hua, and even the color of the sky changed because of the energy blade.

Wei Chang said faintly, "Your distinguished is truly formidable. Since that is the case, I won't hold myself back anymore."

"Go ahead! Let me see just how strong you really are!"

"Then, your distinguished, you have to start being careful now!"

A frightening destructive power erupted out from Wei Chang's body, and immediately, the entire Voidless Realm began trembling, and the frightening energy blade that Ye Hua slashed out just a while ago turned into mere air!

At this very moment, then did everyone realized just how formidable the shadowed figure was.

This shadowed figure is too strong, none of us here is a match for him at all!

[You Cannot Afford To Offend My Woman](#)

Chapter 247: Annual best screenplay award

Right now, Ying Jingshan was sincerely speechless.

Death Mage is already that formidable, and yet this shadowed figure and the bone dragon that is at the side are even more formidable than Death Mage. Just how many formidable subordinates do His Honor have!

Yuan De was shocked to the point that he became speechless. After quite a while, Yuan De said, "Her Majesty's husband sure is formidable!"

He Xuan nodded his head, "Those two are the strongest beings I have ever seen in my life. This kind of battle is something that I have never seen before."

"For Her Majesty to be able to have such a husband like this, we can finally put our minds at ease." Xing Han sighed.

Right now, Donghuang Baizhi didn't have the mood to listen to all those words, and her beautiful eyes were currently looking dead-on at the sky.

Wei Chang's entire body turned into black fog, and soon after, the black fog turned into countless blades and attacked at Ye Hua from various kinds of weird angles. Frantic energy swept through the entire Voidless Realm, and the scene seemed just like Judgment Day.

Of course, the fight was all just an act. If Ye Hua and Wei Chang were fighting for real, the entire Voidless Realm would have long turned into ruins.

Everyone was currently thinking about what would happen if they were the one that was facing against the shadowed figure, and the only conclusion that they came to was that, they would be killed in an instant.

The speed of the two in the sky could be seen to become faster and faster, and their speed became so fast that both of them actually disappeared from the sky...

Qing Ya mumbled, "Where did they go?"

Donghuang Baizhi tightly wrinkled her brows, "A battle of this level is not something that we can imagine. The two of them may have perhaps entered into another space... All we can do now is to just wait patiently."

At Leisure Bar.

Ye Hua placed down the long blade within his hand, then poured himself a glass of alcohol and drank it all in one shot, "Feels good!"

"Congratulations Your Honor, the madams do not suspect a thing." Wei Chang kneeled down on one of his knees and said sincerely.

Ye Hua turned his body around and said, "Wei Chang, you did well this time, and your contributions cannot go unnoticed! If you have anything that you want, you can tell me!"

"Helping with Your Honor's worries and difficulties is a part of subordinate's job." Wei Chang said respectfully and extremely sincerely.

Ye Hua sat on the highchair and said faintly, "Wei Chang, in those few years, I have seen how you changed, and you have indeed improved by a lot."

"To be able to receive Your Honor's praise, it is the best reward for subordinate. Subordinate swears to serve Your Honor with loyalty and devotion till death!"

"En, I am looking forward to your performance in the future!"

"Subordinate will definitely not disappoint Your Honor!"

After pouring another glass of alcohol for himself, Ye Hua said gravely, "This act of a hero saving the beauties can more or less come to an end already, even if we continue on with this act, there wouldn't be much effect anymore. I feel that it is time for us to move on to the next act and end the show."

"Your Honor is brilliant, subordinate thinks the same as Your Honor did. Just that, subordinate is afraid of wounding Your Honor's holy body."

Ye Hua let out a sigh, "In the past, I felt that the love and romance that those humans experience were all useless, what point was there in having such things like love and romance? However, after meeting Qing Ya and Donghuang Baizhi, then did I realized how to be a qualified husband. For this family's harmony, so what if I suffer a small injury!"

From the looks of it, after the act of a hero saving the beauties was finished, there was still an act of getting injured to gain sympathy. The entire big act was truly planned out meticulously!

For Qing Ya and Donghuang Baizhi to have gotten themselves such a man like this, who knows if it was a misfortunate or good fortune for them.

"Your Honor, subordinate feels that suffering just a small injury won't be able to help bring out the maximum effect of the act."

"Oh?"

Wei Chang said gravely, "Subordinate feels that Your Honor should suffer a huge injury, this way, the madams will definitely become completely devoted to Your Honor till death. After all, for the madams, Your Honor was willing to even discard away your own life."

"En, that makes sense." Ye Hua nodded his head.

Soon after, Ye Hua asked, "Then, what is counted as a huge injury?"

"Your Honor, subordinate feels that if Your Honor were to temporarily pretend to have lost your power and had become paralyzed, the madams would definitely feel guilty toward Your Honor, and thus began to cherish Your Honor. And during the period where Your Honor is pretending to be paralyzed, Your Honor would be able to enjoy being taken care of by the madams. At that time, Your Honor wouldn't have to lift a single finger, and everything would be done and taken care of by the madams."

Ye Hua looked dazedly at Wei Chang, then suddenly slammed onto the table, "Wei Chang! You are truly even smarter than Jue Tian!"

If I become paralyzed, my everyday life would have to be taken care of by those two women. Things like showering, peeling crayfishes, massages, and so on, the two of them will have to help me with it, and all I would have to do is to just open my mouth.

There is nothing that feels greater than having them serve upon me!

"Subordinate is merely thinking for Your Honor's happiness. Just that, subordinate has to apologize for having to wound Your Honor's holy body later on."

"Wei Chang, you do not need to apologize, you are merely doing it for the sake of my family's harmony. On the other hand, it has been hard on you."

"Subordinate wouldn't dare to receive such words from Your Honor, it hasn't been hard on subordinate at all." Wei Chang lowered his head.

After igniting a stick of cigarette, Ye Hua said faintly, "It's time to create a bit of injury on myself."

"Your Honor, subordinate has already prepared all of the props." Wei Chang could be said to have done his duty with all his heart, everything was planned out well by him.

Ye Hua laughed lightly, "What I want is realism, things like making fake injuries on myself is something that I won't do."

Wei Chang said sincerely, "For the madams, Your Honor is willing to even harm yourself. From this, it could be seen that Your Honor's comprehension of humanity has raised to another level. Subordinate is truly ashamed when compared to Your Honor."

"Humanity is truly a good thing. I, the Supreme Overlord, am starting to like humanity even more and more." After finish speaking, Ye Hua extinguished the cigarette.

Soon after, Ye Hua suddenly slapped onto his armor, and cracks immediately appeared on his armor. Not only did cracks appeared on the armor, the armor originally covered Ye Hua's entire body, but right now, the shoulders part and waist part of the armor had shattered. Looking at the armor now, the armor seemed as if it had endured a frightening strong attack.

Afterward, Ye Hua messed around with his hair for a bit, making his appearance look a little dispirited. And afterward, Ye Hua took out a small blade and began making wounds on his body. Furthermore, those wounds that Ye Hua made on his body were the kind of wounds where both the skin and flesh were damaged. Without blood, how would the wounds look shocking to the eyes, right?

Soon after, Ye Hua wiped some blood onto his face, and with this, Ye Hua was finally done.

“Qing Ya, Donghuang Baizhi, for the two of you, I didn’t hesitate to create wounds on myself. In the future, the two of you have to be well-behaved. If the two of you do something like leaving my side again, I won’t be doing something like this for a second time.”

After taking a look at the mirror, Ye Hua asked, “Wei Chang, how do I look?”

“Your Honor, you have subordinate’s utmost respect!”

Ye Hua ignited another stick of cigarette, then began discussing with Wei Chang about their lines and attacks in the next act.

At Voidless Realm.

Everyone was waiting for the two to appear. It has been thirty minutes, and the two still haven’t appeared.

This caused Qing Ya and Donghuang Baizhi to become extremely anxious, they were afraid that something had happened to Ye Hua.

Suddenly!

Two figures appeared within the sky! And the two figures could be seen moving away from each other at high speed.

Everyone couldn’t help but gasp. There wasn’t any change with the shadowed figure, but Ye Hua on the other hand appeared to be in a very weak state. The armor that was on Ye Hua’s body had become broken, and there was blood everywhere on Ye Hua. Furthermore, Ye Hua’s complexion was pale, and he seemed like he was about to die at any moment.

“Ye Hua!”

“Ye Hua!”

The two women shouted out towards Ye Hua who was in the sky. Tears flowed down endlessly from the two women’s eyes, and their hearts felt as if it was being cut into pieces by a blade.

Ye Hua was exulted. My efforts didn’t go to waste!

Ye Hua blinked his eyes toward Wei Chang.

And Wei Chang immediately understood Ye Hua’s signal. Wei Chang’s figure flickered, and a lump of black fog sent Ye Hua flying away.

After being sent flying away by the lump of black fog, Ye Hua landed exactly in front of Qing Ya and Donghuang Baizhi.

When Lie Gu saw that Wei Chang was being so ruthless when attacking at Ye Hua, Lie Gu thought to himself, "Are you not afraid of His Honor killing your Xiao Tang?"

Lie Gu was completely unaware that, just a while ago, Wei Chang was even praised by His Honor.

For the sake of making the people in the scene become shocked by the attack, Wei Chang used quite a bit of strength in this attack of his, and a huge pit could be seen appearing in the ground that Ye Hua's body landed on.

"Ye Hua!" The two women ran frantically over to Ye Hua and held Ye Hua into their embraces.

Ye Hua was feeling very happy in his heart, but he couldn't show it on his face.

Qing Ya felt very guilty. While wiping onto the bloodstains that were on Ye Hua's face, Qing Ya sobbed, "Ye Hua, don't scare me."

"Ye Hua, why are you so foolish, you evidently knew that you were not a match for that shadowed figure and yet you still went and fight with him." Donghuang Baizhi's face was filled with tears, and her tone was no longer harsh and was instead extremely gentle.

Chapter 248: Annual best male lead award

Ye Hua slowly raised both of his hands, and said weakly as he used his fingers that had blood on them to wipe onto the two women's tears, "The two of you don't listen to me at all, I really want to smack you two's butts."

"What time is it already right now and you are still thinking of chiding us." Donghuang Baizhi shouted out while sobbing. Although Donghuang Baizhi was wearing an empress gown right now, she did not have the aura of an empress on her at all and looked just like a delicate wife.

Qing Ya said, "Ye Hua, I promise that I will listen to you from now on, so please don't die."

Ye Hua moved his gaze towards the sky, then mumbled, "I really want to go back home with the two of you..."

After finish speaking, Ye Hua wanted to cough out blood, but no matter how he tried to cough out blood, no blood came out, and only after stealthily poking onto his own stomach then was he finally able to cough out blood.

And as expected, after Ye Hua coughed out blood, the scene became even more sorrowful.

The expression on Ye Hua's face! The cough of blood! And those lines! All of it fully exhibited Ye Hua's longing for returning back home with the two women!

Ye Hua deserves to receive the annual best male lead award.

Wei Chang who was in the sky was shocked by His Honor's acting skills.

His Honor is exhibiting out his acting skills to the fullest, especially that last sentence that His Honor said, that last sentence was too formidable! There wasn't such a line in the script that His Honor and I went through just now.

As expected, the moment Ye Hua said that, tears began flowing down faster from the two women's eyes.

Ye Hua secretly laughed in his heart, and he was about to not be able to hold his laughter back anymore.

In actuality, during those past two days, Ye Hua even went and consulted Qing Yutong regarding acting, and one of the tips he was told was that improvisations would usually bring about unusually great effects.

Just like in Iron Man 1, where the protagonist said that, I am iron man. In actuality, the script wasn't written like that, and it was because of this kind of improvisation, that it led to the other series of Iron Man being created.

The atmosphere of the scene became sorrowful.

The people from Voidless Realm all felt that the empress's husband was outstanding.

The empress's husband is truly a man! Coming all the way here alone, and when facing against such a formidable being like that shadowed figure, he was able to persevere for so long. He is doing this not for fame, but to bring his wives back home. He is truly a man!

Voidless Realm's generals and soldiers seemed to have been influenced by Ye Hua and their eyes had all turned red.

At Ying Family's side, everyone was dumbstruck. Is this acting? Why do I feel that it is real?

From the looks of it, Ye Hua has achieved his goal, even his own people were swindled by his acting skills.

Seeing that it was more or less enough, Wei Chang thought to himself, "It is time to bring an end to the entire act."

While slowly descending to the ground, Wei Chang said faintly, "Your distinguished's courage is truly very admirable and worthy of respect! Your distinguished is truly a true hero!"

"What do you still want to do!"

The two women could be seen moving Ye Hua behind themselves and protecting Ye Hua. As an ordinary human, Qing Ya's courage was laudable.

Seeing those two women protecting him, Ye Hua felt very warm in his heart, and this feeling was something he had never experienced.

I have finally experienced what Death Mage had experienced back then, my heart feels balanced now.

Wei Chang was also sighing in his heart. The madams are truly outstanding, to be willing to still protect His Honor while under such a situation like this. However, the script must still continue on.

"This humble one admires the two of you, while under the situation where there is a huge difference in power, the two of you are still willing to protect your husband. The two of you are truly towering figures amongst women." Wei Chang's boot-licking skill was already at the point of perfection. Of course, those lines that Wei Chang just spoke were improvised by himself.

After pausing for a moment, Wei Chang questioned, "Are you two willing to die for the man who is behind you?"

Qing Ya and Donghuang Baizhi slowly stood their bodies up and stood guard in front of Ye Hua. What they were trying to convey was very obvious. If Wei Chang wanted to kill their man, he would have to step over their corpses.

"Your Honor, it is time for you to get up, I'm not able to continue with the act by myself anymore." Wei Chang hurriedly said to Ye Hua.

Ye Hua was currently feeling extremely great and didn't really want to get up.

Alright, it's time for me to get on stage.

"You two foolish women, I don't need you two to protect me."

Ye Hua pulled the two women behind him.

"Ye Hua!"

"Ye Hua!"

Ye Hua shouted out coldly, "Retreat, if not you two can stop being my women!"

Alright, right now, Ye Hua could shout and chide at the two women, and the two women would still feel extremely touched.

The two women were right, Ye Hua was indeed a big swindler.

Wei Chang seemed to have been shocked by Ye Hua's action as he said gravely, "Your distinguished suffered such a heavy injury, and yet your distinguished is still able to stand up. Your distinguished's tenacity has my respect. If your distinguished is able to withstand a palm of mine, I will retreat!"

"Ye Hua, don't!" The two women immediately pulled onto Ye Hua and said.

Ye Hua is already like this, if he were to take on that shadowed figure's palm, he would definitely end up dying!

Ye Hua silently took out a stick of cigarette, ignited it, then took a puff of the cigarette. Ye Hua seemed like he was enjoying the last stick of cigarette he will be smoking in this life of his.

While looking at Ye Hua's posture when Ye Hua was smoking onto the cigarette, everyone in Voidless Realm fell into a sorrowful atmosphere, and the two women were about to faint from crying too much.

Upon seeing His Honor improvising again, Wei Chang and Lie Gu's admiration for His Honor was practically bursting through the roof. His Honor's posture when smoking onto the cigarette is too cool, His Honor truly doesn't let go of any chance to act cool.

The amount of time it took to smoke a stick of cigarette didn't take very long. After flicking the cigarette bud, Ye Hua raised his head 45 degrees upward and said faintly, "Qing Ya."

"I'm here... I'm here..." Qing Ya hurriedly held onto Ye Hua and said.

“Properly give birth to our child. In the future, I won’t be able to take care of you anymore, and I also won’t be able to let you hug onto me when you are going to sleep.”

Everyone was listening to Ye Hua’s final words before his ‘death’. And even the people from Ying Family were bluffed by Ye Hua’s acting skills.

This is so touching, I really want to cry... So in this world, there is really still such a man like this who possesses so much love for his women...

Qing Ya shouted out loudly, “Ye Hua, I forbid you to die! Without you, how am I going to be able to fall asleep at night! If you die, I will buy a huge bunch of dolls!”

“That’s fine, let those dolls take my place then. However, you must write my name on all those dolls.”

After hearing what Ye Hua said, Qing Ya began sobbing to the point that she couldn’t even speak.

“Baizhi.” Ye Hua called out lightly.

“Ye Hua, I’m here.” Donghuang Baizhi held onto Ye Hua’s other arm.

Ye Hua asked calmly, “Do you still hate me for not coming down to meet you back then?”

“I hate.”

F**k, I have already ended up like this, and you still hate me? Do you not have any bit of conscience in your heart?

“But I hate you more for trying to leave me again!”

This Baizhi is truly mischievous, she gave me a scare.

“Baizhi, it is a pity that I won’t be able to properly make it up to you. Take good care of Ah Li, and let her know that her daddy sacrificed himself to save mommy.”

“No! You have to be with us, Ah Li cannot not have her father!” Donghuang Baizhi shouted out. Donghuang Baizhi’s shout caused everyone to become broken-hearted for her.

Wei Chang and Lie Gu felt that His Honor had practically made the act became like it was actually real.

Even I myself am almost touched by the scene, it seems as if His Honor is really about to die.

“If I were given another chance, I would have come downstairs to meet you and not let you down.”

From the start where Ye Hua began speaking to Qing Ya, Ye Hua had been looking at the sky. But it was because of this that everyone felt that Ye Hua looked really cool.

“I know, I know, Ye Hua, don’t leave me anymore.”

In actuality, the reason that Ye Hua was raising his head and looking towards the sky was that he was about to not be able to hold back his laughter anymore...

However, if Ye Hua were to laugh, an earth-shattering change would happen to the scene, and in the future, Ye Hua would have to live all alone.

“Alright, the two of you, take good care of each other in the future, your husband will be off now!” Ye Hua lightly pushed with both of his hands and confined the two women for the moment, to avoid the two women from disrupting him from putting an end to the big act.

“Ye Hua!”

“Ye Hua!”

The two women’s heart tearing shouts rang out in Voidless Realm, and everyone was touched by this touching love story.

While in a very weak state, Ye Hua slowly ascended into the sky, then said coldly towards Wei Chang, “Make sure to keep your words!”

“I didn’t expect that your distinguished would be willing to sacrifice yourself for your true loves. This humble one is truly lacking by a lot when compared to your distinguished!”

There were no qualms, Wei Chang was the best supporting actor!

[You Cannot Afford To Offend My Woman](#)

Chapter 249: Annual best female lead award

“Leave those compliments to the side! Come!” Ye Hua shouted out gravely, and his body which was slightly arched gradually became straight.

Don’t see that this was just a very small detail, small details usually decide if something was going to succeed or fail.

At this moment, Ye Hua’s mighty figure was imprinted deep within everyone’s heart.

Wei Chang slightly went into a daze. His Honor is truly exceptional.

Soon after, Wei Chang shouted out, “Since your distinguished has already decided, this humble one won’t be courteous with you!”

Surging energy suddenly erupted out from Wei Chang’s body, and the color of the sky immediately changed, and thunder began rumbling!

Faced against such a frantic aura, Ye Hua’s expression did not change at all.

Ye Hua’s courage caused everyone from Voidless Realm to exclaim in astonishment, and all of them were saying that their empress had found herself a good man.

Qing Ya and Donghuang Baizhi’s bodies collapsed onto the ground as they looked dazedly at their man.

Qing Ya regretted being so unreasonable.

If I had known that this would happen, I wouldn’t have quarreled with Ye Hua. After today, even if I want to get into a quarrel, there won’t be anyone to quarrel with me.

Donghuang Baizhi felt even more regretful.

If I didn't go and make a marriage proposal to Ying Family, Ying Family wouldn't have attacked Voidless Realm, and Ye Hua wouldn't have to die.

However, in this world, there was no such thing as a pill that could fix one's regret!

The frantic energy was currently gathering together, and suddenly, the shadowed figure could be seen striking his palm forward, and a huge energy palm that possessed earth-shattering power formed and struck towards Ye Hua.

Of course, Wei Chang wouldn't really strike the huge energy palm onto Ye Hua. If the huge energy palm really struck onto Ye Hua, Ye Hua's corporeal body definitely wouldn't be able to withstand the huge energy palm, and Ye Hua's true body would end up being revealed. At that time, everything would be done for.

Right when the huge energy palm was about to land on Ye Hua's chest, Wei Chang withdrew back all of the energy within the huge energy palm.

However, even though Wei Chang withdrew the energy within the huge energy palm, the scenery effect still has to be done by Wei Chang.

A huge airwave swept through the entire Voidless Realm, and the mountains that were floating within the sky collided with each other in succession. Taking a look at this, Voidless Realm was going to have to undergo a renovation.

Ye Hua nodded his head at Wei Chang, then spat out a mouth of blood and flew backward.

Ye Hua's body landed right in front of the two women, but there was practically no more vitality in Ye Hua, and looking at Ye Hua right now, he seemed no different from a dead person.

Donghuang Baizhi looked dazedly at Ye Hua, and suddenly, Donghuang Baizhi spat out a mouth of blood and fainted. Such a blow like this was too much for Donghuang Baizhi.

It has only been a while since I met with Ye Hua again, and I still had a lot of words that I wanted to say to him. But who would have thought, we would become separated again so soon...

At this moment, Donghuang Baizhi's heart had died along with Ye Hua...

On the other hand, Qing Ya did not faint, and the expression that was currently on Qing Ya's face was quite lifeless.

Everyone that was at the scene did not speak, and they didn't even dare to gasp.

After going through such a difficult battle, in the end, such a hero like the empress's husband still died...

Everyone that was from Voidless Realm felt very sorrowful.

Meanwhile, the people from Ying Family was no longer able to tell if everything was fake or real, and all of them had a stupefied look on their faces.

Wei Chang began with his closing lines.

"This person is a true hero! He has my heartfelt admiration! Today's matter should come to an end, sorry for the bother!" Wei Chang was very satisfied.

From now on, His Honor's life should be filled with happiness, and as His Honor's subordinate, I feel very happy about that.

Everyone that was from Voidless Realm let out a breath of relief.

Ying Jingshan came back to his senses as he cupped his hands toward Ye Hua and said, "You are the most affectionate man I have ever seen in my life. I feel ashamed when comparing myself to you."

Everyone in Ying Family cupped their hands toward Ye Hua. It was fortunate that the people from Ying Family didn't kneel down, if not, Ye Hua who had 'died' would have definitely jumped up.

The big act has finally come to an end, and Ying Family was beginning to retreat.

"You all cannot leave."

The voice wasn't loud, but it landed right into everyone's ears.

The tone of the voice was very cold, while at the same time, filled with pain, causing the people who heard the voice to feel very uncomfortable and felt like their hearts were being grabbed.

Ying Jingshan said apologetically to Qing Ya, "You have my condolences."

"You all cannot leave!"

The voice was filled with resolute, and also Qing Ya's love for Ye Hua.

The heart of Ye Hua who was lying on the ground sank. I still haven't died yet, aren't you going to come over and check on me?

"Wei Chang, what's going on with Qing Ya?" Ye Hua hurriedly contacted Wei Chang.

Wei Chang said gravely, "I don't know, the madam is acting very abnormally."

Lie Gu was also rather confused, "Your Honor, the look on madam's face looks a bit odd."

"The two of you better watch closely! If anything were to happen to Qing Ya, I will stew the two of you!" Ye Hua was in a bit of a panic right now.

Everything was going nicely, so why did a problem suddenly arise!

Wei Chang said hurriedly, "Madam, please calm down, how about you go and check on your husband first?"

Ye Hua really wanted to smack Wei Chang to death right now. What Wei Chang just said sounded too suspicious.

Wei Chang was also in a panic right now.

Fortunately, Donghuang Baizhi had fainted, and Qing Ya didn't listen to what Wei Chang just said.

"All of you have to die along with my husband!"

A yell resonated throughout the heaven and earth.

Bang!

A white light suddenly descended from the sky and enveloped Qing Ya.

A tremendous amount of spiritual energy was gathering around the white light, and the people in the surrounding couldn't help but retreated away from the white light as they looked dumbfoundedly at the white light that descended from the sky.

Wei Chang was stunned.

Lie Gu was stunned too.

The jaws of everyone from Ying Family were about to drop to the ground.

The people from Voidless Realm were all stupefied.

Ye Hua also sensed Qing Ya's peculiarity, and he was also feeling rather astonished.

What is happening right now? Is Qing Ya going to transform into an ultra-man?

The white light that was descending from the sky became even denser and denser, and the white light even began to emit out a godly might. The godly might that the white light was emitting out was very similar to Donghuang Baizhi's godly might.

Yuan De sensed the godly might that was emitting out from the white light and his eyeballs were practically about to pop out of his eye sockets.

Not only did Yuan De sensed the particular godly might, but Xing Han and He Xuan also sensed it too.

"This... this is Nuwa's lineage!!! She is actually a descendant of Nuwa!!!"

(Nuwa – A mythological character in Chinese mythology who was the creator of mankind)

Ying Jingshan looked dazedly at the white light.

No wonder His Honor treated them so well, the identities of those two women are too formidable, and the identity of one of the women is even more formidable than the other. Right now, Nuwa's lineage has appeared... which also represents that danger is going to descend upon this world!

It was rumored that, during the ancient time, the Celestial Emperor issued an order to suppress the humans but was met with the humans' retaliation. Thus, the Celestial Emperor sent Nuwa to destroy the humans, and create humans who respected the gods afterward. Who knew, Nuwa wasn't willing to obey the Celestial Emperor's order and actually descended into the mortal world to protect the humans.

The Celestial Emperor became incomparably infuriated and removed Nuwa from the Book of Gods, then sent godly generals into the mortal world to destroy the mortal world.

Nuwa led the humans to resist against the gods, but in the end, Nuwa exhausted all her strength and died. However, although Nuwa died, Nuwa's descendants protected the humans for generation after generation.

However, when all was said and done, the people that the humans and Nuwa's descendants were going against were gods, and in the end, the number of Nuwa's descendants became lesser and lesser.

Everyone thought that Nuwa's lineage had already died out, up till Qing Ya awakened her lineage. When Qing Ya awakened her lineage, many people sensed it.

If this matter didn't happen, Qing Ya would have never awakened her lineage in this entire life of hers.

Qing Ya who was filled with incomparable anger actually managed to break the strange seal that was within her body and awakened her lineage.

It has to be known that, as of now, Donghuang Baizhi still has not awakened the power of her Donghuang's lineage, because only males were able to inherit Donghuang's lineage. This was also the reason why Yuan De was so anxious to get the empress to give birth to a male child.

Ye Hua sensed the aura that Qing Ya was emitting out and he was also very astonished about it.

Although Qing Ya is still a bit weaker when compared to Wei Chang and the others, her strength is now above that of Death Mage's strength. As expected of my wife. The surprises keep coming one after another.

"Wei Chang, what are you standing there in a daze for, quickly run!"

Without waiting for Wei Chang to react, the white light that descended onto the ground disappeared, and right now, Qing Ya seemed to have changed into a completely different person, and even the clothes that were on her have changed too.

Right now, Qing Ya wore a cyan auspicious cloud muslin gown which had green butterflies embroidered on the corner, her hairstyle changed into a unique cloud bun hairstyle, and the godly might that was emitting out from her body made others couldn't help but have the urge to kneel down.

The Qing Ya right now had completely changed. If one were to say that Qing Ya was a fairy, they would be underestimating her, because right now, Qing Ya had become a real goddess!

Wei Chang looked dazedly at Qing Ya, and Qing Ya could be seen disappearing from the spot she was standing on.

Wei Chang was startled!

From the back of Wei Chang, a burst of frantic energy was being struck towards Wei Chang.

The madam has gone berserk...

[You Cannot Afford To Offend My Woman](#)

Chapter 250: Came to an end successfully

Qing Ya had indeed gone berserk, her eyes were cold as ice, and she wanted to kill everyone from Ying Family. The Qing Ya right now possessed even less humanity than Ye Hua.

Wei Chang didn't dare to wound Qing Ya, after all, one of the madams was already wounded, and if the other madam was to also become wounded, Wei Chang and Lie Gu would be in for a treat.

Wei Chang's figure flickered and dodged Qing Ya's frantic attack. After dodging, Wei Chang immediately teleported everyone, including himself, to Ying Family's island.

The madam is too frightening. It is fortunate that I didn't let Death Mage come here in my stead, if not, Death Mage would definitely get killed by the madam in an instant.

Qing Ya's eyes turned even colder as she began to pinpoint where Wei Chang and the others went. Qing Ya was intending to go and chase after Wei Chang and the others.

Wei Chang underestimated Qing Ya's thirst for revenge. Ye Hua's death caused Qing Ya's heart to completely break apart, and if not for awakening her bloodline, Qing Ya would have most likely died along with Ye Hua.

Thus, it could be said that Ye Hua almost went too far with the big act. However, the current situation wasn't any better too.

Sensing that Qing Ya was going to go and chase after Wei Chang and the others and start a massacre, Ye Hua had no choice but to wake up. If Ye Hua doesn't wake up now, it would become very hard to put an end to the big act.

"Qing Ya..."

Ye Hua shouted out weakly, but he didn't open his eyes, appearing like he was shouting out in his dream.

Qing Ya who was just about to go and chase after Wei Chang and the others went into a daze as she slowly turned her head around and looked towards Ye Hua. Soon after, Qing Ya's figure appeared right beside Ye Hua, and Qing Ya placed her delicate hands onto Ye Hua's chest.

Qing Ya's ice-cold expression gradually defrost, and tears of joy flowed out from her eyes.

Ye Hua let out a breath of relief. Someone finally came and check on my situation. If I were really injured and you left me here to chase after them, it would be really awkward. Especially when I could still be saved, and yet was left here to die.

This was all because Ye Hua's acting skills were too good, and everyone thought that Ye Hua had really died.

Qing Ya could be seen holding Ye Hua in her embrace and said tenderly, "Ye Hua, let's go back home."

Immediately, the three disappeared from Voidless Realm.

Within the bedroom, Qing Ya placed Ye Hua and Donghuang Baizhi on the bed. Right now, Ye Hua's armor had already disappeared, and all of the wounds that were on his body were visible. Upon seeing those wounds, Qing Ya's heart began hurting.

Ye Hua's outer wounds were easy to deal with.

Qing Ya's placed her delicate hands onto Ye Hua's chest and lightly caressed Ye Hua's chest. A faint white light could be seen emitting out from Ye Hua's entire body, and his wounds began to gradually heal.

However, Qing Ya discovered that there was not a single bit of spiritual energy within Ye Hua's body, and furthermore, all of Ye Hua's neurons have become broken...

This meant that not only did Ye Hua lost his power, but he also lost the ability to move his body...

Qing Ya felt very guilty.

As long as Ye Hua is able to live on, even if he is paralyzed, I will take care of him and love him for the entire rest of his life.

In the past, Ye Hua was the one who protected me, and from today onwards, I will be the one to protect Ye Hua. I will not let Ye Hua suffer even the slightest bit of injury.

Donghuang Baizhi's injuries were fine, she merely fainted from being too brokenhearted.

Qing Ya easily woke up Donghuang Baizhi, and after waking up, Donghuang Baizhi's eyes were very empty, making Donghuang Baizhi seemed just like a body without a soul.

"Baizhi, Ye Hua didn't die." Qing Ya said tenderly.

Vigor could be seen gradually returning back to Donghuang Baizhi's eyes, and soon after, Donghuang Baizhi sat herself up and held onto Qing Ya's hands, "Qing Ya, you are not lying to me, right?!"

Qing Ya laughed lightly, "You can go on and take a look at Ye Hua for yourself."

Donghuang Baizhi still hasn't realized that Ye Hua was lying right beside her, and after being told by Qing Ya, then did she realize.

Donghuang Baizhi hurriedly went and check onto Ye Hua's body.

After checking onto Ye Hua's body, Donghuang Baizhi thought to herself, "Although Ye Hua didn't die, if he were to discover the situation of his body, he would definitely be in anguish!"

Meanwhile, Ye Hua had already long known of the situation of his own body.

If Ye Hua didn't create real injuries on himself, how would the two women have fallen for the big act? After acting as a hero and saving the beauties, it was definitely time for Ye Hua to enjoy being served upon by the two women.

Qing Ya's situation was very unexpected, and Ye Hua felt very excited and happy about Qing Ya's change.

The women that I have my eyes on are all truly exceptional. Not only do they look good, but they also possess strong powers, bringing them out with me would help me gain a lot of faces. It sure is great being a human.

Right now, Ye Hua was not in a hurry to wake up. After all, Ye Hua had suffered such grave injuries, so how could he wake up so quickly? Ye Hua had to at least sleep for a few hours first before he wakes up.

Those past few days have indeed been a bit tiring, but I have finally brought those two back home.

"Mommy, Aunt Qing, you two really came back." Donghuang Li could be seen suddenly pushing open the door, then cried out in astonishment after walking into the room.

When Donghuang Baizhi saw her daughter, she hugged her daughter and cried in a low voice.

“Mommy, what’s the matter? Didn’t daddy go to fetch the two of you back home? Why is daddy lying on the bed?” Donghuang Li asked curiously.

Hearing Donghuang Li’s innocent words, tears continuously flowed out from Qing Ya and Donghuang Baizhi’s eyes.

“Daddy, daddy, wake up, Ah Li is here.” Donghuang Li shook onto Ye Hua.

Ye Hua didn’t tell his plan in detail to his daughter and only told his daughter that he was going to go and bring the two women back home.

Ye Hua who was pretending to be asleep was having a headache, when he heard his daughter’s tender voice calling out to him, he almost couldn’t help but immediately wake up.

“Ah Li, daddy is asleep, don’t disturb daddy.” Donghuang Baizhi hugged her daughter into her embrace.

Meanwhile, Donghuang Li began crying and shouted out, “No, Ah Li don’t want daddy to sleep, Ah Li wants daddy to hug hug~”

Ye Hua really wanted to get off the bed, hug his daughter, and tell her that he was fine.

However, if Ye Hua were to do that, it would be GG for him.

Now that Qing Ya has become powerful, she is even more not afraid of me.

Seeing her daughter crying and making a scene endlessly, Donghuang Baizhi had no choice but to use magic to put her daughter to sleep.

“Qing Ya, the bloodline in your body!” When Donghuang Baizhi woke up, she immediately discovered Qing Ya’s peculiarity.

Qing Ya shook her head, “I don’t know too.”

Donghuang Baizhi did not know anything about Nuwa Bloodline. In Voidless Realm, only those elders knew about Nuwa Bloodline. Right now, Donghuang Baizhi merely sensed that Qing Ya had awakened a certain kind of bloodline.

Back then when Ye Hua accompanied Qing Ya to the hospital to do a checkup, the little monk used his discerning eyes and saw Ye Hua’s true body, and coincidentally, the little monk also saw Qing Ya’s true body, which was why the little monk became frightened and ran away at full speed. After all, people who possessed Nuwa Bloodline were very rare in this age, and Nuwa was enemies with the Celestial Emperor...

Nuwa Clan’s life mission was to protect the livings, and Ye Hua’s life mission in the past was to destroy the livings, and although that was no longer Ye Hua’s life mission, Ye Hua was no better right now. Life was truly filled with unexpected surprises, and those unexpected surprises were a part of the thrill that Ye Hua seeks in life.

Now that Qing Ya had awakened her bloodline, she would even more not let Ye Hua anyhow kill people. Perhaps, while Ye Hua was killing people at the front, Qing Ya would be at the back saving people.

“Qing Ya, let’s give it a try, with our powers, perhaps, we can make Ye Hua be able to stand up once again.” Donghuang Baizhi suggested.

The two of them indeed possess the powers to do that, however, Ye Hua’s injuries were created on purpose by himself, therefore, even if an Overlord came to help heal Ye Hua’s injuries, it would be useless too.

Qing Ya nodded her head. The powers that we will lose from doing this can’t be helped, but at the least, we will be able to make Ye Hua be able to stand up once again.

The two carried onto Ye Hua and placed Ye Hua in the middle of the bed.

Ye Hua who had just fallen asleep immediately woke up from his sleep.

This is such a pain, can’t you two let me rest for a while?

The two women sat cross-legged behind Ye Hua, then placed their delicate hands onto Ye Hua’s back. A never-ending stream of spiritual energy was being transferred into Ye Hua’s body and help heal Ye Hua’s injuries.

After quite a while, the two women checked onto Ye Hua’s body.

After checking onto Ye Hua’s body, the two let out a heavy sigh.

It’s useless. Perhaps, the shadowed figure’s unusual martial technique could be the reason that caused Ye Hua to become paralyzed.

The two women took a look at each other, and both of them remained silent.

Both of the women held onto each of Ye Hua’s hands and placed the hands on their chests, then began praying in their hearts.

The two women accompanied by Ye Hua’s side just like this, so that when Ye Hua opened his eyes, the people that he would see at first sight would be them, and thus perhaps, wouldn’t feel extremely broken-hearted when he discovered his injuries.

However, how could Ye Hua possibly feel broken-hearted? Especially when those injuries that were on him were created by himself.

For the two of you, I, the Supreme Overlord, had racked my brain. I will let you two continue worrying for a bit more, if not, the two of you will think that I, the Supreme Overlord, am that easy to deal with!
