Chapter 251: Really only just have to open mouth

Qing Yutong's bedroom.

"Zizi, brother-in-law has returned back from acting cool." Qing Yutong said in a low voice.

Ye Zizi let go of her mouse, then took a stick of spicy sticks from the side and ate it happily, completely not worried in the slightest bit.

On the contrary, Ye Zizi was very curious towards her sister-in-law.

"When sister-in-law returned home, I sensed that sister-in-law has changed." Ye Zizi pouted her small mouth and said, and the two ponytails that were behind her head shook around as she spoke.

Qing Yutong silently nodded her head.

When Qing Ya returned home, Qing Ya carried a bizarre aura on her, and the information that Qing Yutong's system gave to Qing Yutong caused Qing Yutong to become stupefied.

After going through the system's judgment, the result is that big sister actually awakened Nuwa Bloodline?

Is father Nuwa? The answer is evidently no.

But Aunt Wang doesn't seem to be a descendant of Nuwa...

Could it be that, big sister is... adopted?

From the looks of it, big sister's life background is very mysterious.

Qing Yutong said solemnly, "Let's go and take a look, and while we are at it, let's help brother-in-law out with his act."

"Alright, let's go and help big brother out with his act. Should we cry when we are there?"

"Crying doesn't seem to be a good idea, right?" Qing Yutong pouted her mouth. It would be a bit overexaggerated if we were to cry.

After finish speaking, the two head to Ye Hua's bedroom.

"Big sister, when did you two come back?" As expected of a best actress, Qing Yutong's acting skills were truly incomparable.

Qing Ya and Donghuang Baizhi remained silent while accompanying by Ye Hua's side.

"What happened to brother-in-law? Did he die?!" Qing Yutong cried out in surprise.

Ye Zizi's tears could be seen immediately flowing out of her eyes as she cried out in surprise, "Big brother, you have died such a miserable death~"

Qing Yutong looked dazedly at Ye Zizi.

Didn't we agree to not cry?

Forget it, cry it is then.

"Wa, brother-in-law, you died such a miserable death, I wasn't even able to see you one last time before you died... You still haven't told me where you hid those top-grade spicy sticks of mine..."

The big fellow and small fellow immediately began wailing.

Qing Ya and Donghuang Baizhi were completely stupefied by the two, and the person who was even more stupefied was Ye Hua.

I was having a good sleep, and all of a sudden, I was woken up by wails that are like that of a ghost. I don't know if I snored when I was asleep... if I did snore, it would be really awkward...

"The two of you, be quiet, Ye Hua isn't dead." Qing Ya glared at her sister.

Qing Yutong and Ye Zizi kept away their tears and laughed awkwardly.

"Oh, so brother-in-law didn't die. Sorry for disturbing then, we will be heading back to our room now and continue playing with our games." While speaking, Qing Yutong pulled onto Ye Zizi and quickly left the room.

At the same time, Qing Yutong confirmed one thing.

Big sister has really transformed into an ultraman. The power of bloodline is truly formidable, to attain my current power, I had to follow the system and work hard at accomplishing missions, meanwhile, big sister is just like a gamemaster, the moment she awakened her bloodline, she straightforwardly reached the maximum level.

Seems like I am going to have to hug tightly onto big sister's thigh in the future.

Wait! Now that both my brother-in-law and big sister are formidable, what do I even have to be afraid of? It's time to go out with Ye Zizi and look for trouble!

Ye Hua who was lying on the bed felt that it was more or less time to get up.

I'm feeling a bit nervous, I will think about what to do after seeing how they react.

Ye Hua could be seen slowly opening his eyes, and after opening his eyes, there was a bewildered look on his face. From the looks of it, Ye Hua's acting skills were still on point.

Qing Ya and Donghuang Baizhi were exulted, and the two of them looked at Ye Hua with concern.

"Where am I at?" Ye Hua asked weakly.

The two women cried tears of joy.

Qing Ya sobbed, "Ye Hua, we are back home already."

"No wonder everything seemed so familiar. I'm a bit thirsty." Ye Hua began hinting that he wants to drink water.

Donghuang Baizhi immediately understood, "I will go and pour a cup of water for you."

Ye Hua wants to express that he was feeling very great.

Seems like this is the only way to make these two women become obedient. Take a look at right now, the moment I said that I was thirsty, one of them immediately went to pour a cup of water for me.

“Ye Hua, your water is here. Don’t move, I will feed you the water.” Donghuang Baizhi said tenderly, completely not having the arrogance of an empress, and also did not possess the fierce aura that she possessed in the past.

Ye Hua’s face turned cold, “As a man, do I even need you to feed me!”

This sentence was used just right, the sentence fully displayed Ye Hua’s self-esteem.

Upon hearing that, the two women’s hearts sunk.

If Ye Hua finds out that he can’t move anymore, he would definitely have a mental breakdown.

“Be obedient, listen to me.” Donghuang Baizhi seemed just like she was coaxing a child, and this caused Ye Hua to not know whether to laugh or cry.

Meanwhile, Qing Ya tightly held onto Ye Hua’s hand, she couldn’t bear to see Ye Hua suffer.

It’s time to realize that I can’t move my body!

“Why can’t I move my hands!” Ye Hua cried out in surprise, and he had a shocked look on his face.

“My spiritual energy too, where did my spiritual energy go to!!!” Right now, Ye Hua seemed like he had lost his mind, seemingly just like a billionaire who had gone bankrupt and wasn’t willing to accept the reality before his eyes.

Ye Hua’s acting skills were bursting through the roof.

“Why! Why am I not able to move, and why is my spiritual energy gone!” Ye Hua shouted out angrily.

While holding onto Ye Hua’s hands, Qing Ya and Donghuang Baizhi hurriedly moved closer to Ye Hua.

“Ye Hua, calm down, right now, you indeed do not have any spiritual energy in your body, and your body is indeed not able to move anymore.” Qing Ya said brokenheartedly. Looking at the deranged look on Ye Hua’s face, Qing Ya felt as if her heart was being cut into pieces.

For a man like Ye Hua who likes to act cool to become paralyzed, in the future, don’t say act cool, even when he has to take a shower, he would need either me or Donghuang Baizhi to help him with it. Furthermore, when he goes out, he would have to sit in a wheelchair.

“Ye Hua, don’t worry, Qing Ya and I will take good care of you, we won’t ever leave you for the entire rest of our lives.” Donghuang Baizhi gave her promise to Ye Hua. Looking at how much pain Ye Hua was in, Donghuang Baizhi’s heart couldn’t help but ache.

For a man like Ye Hua who was so formidable to suddenly lost all of his power, how would he be able to take such a blow like this? My heart aches just from imagining how Ye Hua must feel right now.

Ye Hua wants to express that he was feeling very great right now.

This is the effect that I wanted. I, the Supreme Overlord, am feeling very happy right now.

Gradually, Ye Hua's expression calmed down, however, there was no vitality on Ye Hua's face, and instead, he looked very lifeless.

"Ye Hua." The two women shouted out worriedly.

Ye Hua laughed at himself mockingly, "I didn't expect that I would actually become a cripple."

"No, Ye Hua, in my heart, you are forever tall and strong." Qing Ya tightly hugged onto Ye Hua's arm. The arm that was once filled with strength was now no more.

Donghuang Baizhi nodded her head, "Ye Hua, in this entire life of mine, you will forever be my man!"

As expected of a woman of mine. Donghuang Baizhi, I, the Supreme Overlord, should allow you to get on my bed from now on!

Ye Hua let out a heavy sigh, "The two of you don't have to console me anymore. This situation right now is a good opportunity for the two of you. If you two want to leave, you two can leave, it's not like I will be able to stop you two from leaving with the way I am now."

"Ye Hua! Let me tell you! I won't ever leave you for the entire rest of my life! If you continue talking like this... I... I... I will cry!" Qing Ya spoke incoherently. In actuality, she was already crying, but she did not know just how to threaten Ye Hua.

Donghuang Baizhi was even more formidable than Qing Ya, "If you continue talking like this, I will call Ah Li over to listen to the conversation and let Ah Li be the judge between what's right and wrong!"

Seeing his women using such things to threaten him, Ye Hua almost laughed.

Endure... endure...

"Qing Ya, Baizhi, I appreciate you two's intentions, but with the way I am right now..."

Before Ye Hua even finished speaking, Qing Ya cut Ye Hua off.

"Ye Hua, the purpose of the rest of me and Baizhi's lives is to properly take good care of you. You don't need to feel burdened at all, this is what we should do."

"What Qing Ya said is right. Ye Hua, you don't have to worry about anything, we will take care of everything."

Feels great! This is what I was waiting to hear from the two of you!

After remaining silent for quite a while, Ye Hua seemed to have come to a compromise as he said faintly, "I want to drink water."

Donghuang Baizhi immediately held the cup of water to Ye Hua's mouth.

Right now, I really only just have to open my mouth, and I don't even have to move my hands at all. This feels so great!!!

Later on, I want to smoke, drink alcohol, and also shower. As for showering, I have to at least take a shower three times a day. Also, the crayfishes must not stop, and my breakfasts have to be rich and varied.

My days of happiness have only just begun.

You Cannot Afford To Offend My Woman

Chapter 252: I, the Supreme Overlord, am very pleased

I, the Supreme Overlord, can finally enjoy the life of embracing one woman with my left arm and embracing another woman with my right arm. Calling to mind of all those family heads who have a bunch of concubines and wives, I really don't know how they managed to deal with their concubines and wives. However, I am sure that it was definitely very difficult for those family heads to make their concubines and wives get along together harmoniously. It is fortunate that my brain is good, and that I also possess a bunch of valiant subordinates. With just a snap of my fingers, those two women were immediately subdued by me.

Ye Hua had thought too much. Those family heads merely had to show off their might, and a bunch of pretty women would come flocking to them, they didn't have to do too much at all.

Of course, for someone like Ye Hua who was picky and possesses supreme power, he disdains to do something like showing off his might just for the sake of attracting women. Furthermore, something like that wouldn't work on Qing Ya and Donghuang Baizhi.

Ye Hua could also use force, but what he would receive would be two bodies without souls. As a perfectionist, that was something that Ye Hua would not want. Although there was a bit of risk in the process of the big act, the return that Ye Hua obtained after the big act was the two women's overflowing love.

Take for example now.

Ye Hua said faintly, "I want to take a shower."

After finish speaking, Ye Hua thought to himself, "Wei Chang's idea is truly brilliant."

Qing Ya and Donghuang Baizhi slightly went into a daze. Both of their faces became a bit red as both of them were embarrassed with the idea of helping Ye Hua to take a shower.

Ye Hua's heart sunk. I, the Supreme Overlord, am already in such a state, and the two of you are not willing to even help me take a shower?

In actuality, the two women were merely feeling embarrassed, and it wasn't that they weren't willing to help Ye Hua take a shower. Furthermore, both of the women have only seen Ye Hua's whole naked body once, which was during the nights that they were taken by Ye Hua.

"Forget it, you two can leave, I will handle it myself." Ye Hua said coldly.

I, the Supreme Overlord, am very angry right now, the kind of angry that can't be pacified no matter how much I am coaxed.

Qing Ya hurriedly said, "Don't be angry, I will help you to take a shower."

“Thank you, Qing Ya. I will help Ye Hua to take a shower during the next time when Ye Hua takes a shower.” While with her face red, Donghuang Baizhi said shyly.

Relatively speaking, it wasn't as embarrassing for Qing Ya to help Ye Hua to take a shower. After all, Qing Ya has already been sleeping on the same bed with Ye Hua for quite a while. On the other hand, Donghuang Baizhi wasn't as fortunate as Qing Ya.

Ye Hua felt that the situation doesn't seem right.

Why aren't the two of you helping me to take a shower together? Why do you two have to take turns to help me take a shower?

However, I should not rush things, I will talk to them about this matter again during the night. As for when we go to sleep, it is definitely a must for us to sleep together, right?

Right now, Qing Ya wasn't an ordinary human anymore, and very easily, Qing Ya carried Ye Hua up from the bed with a princess carry. The scene of Qing Ya carrying Ye Hua like a princess was very shocking to the eyes.

Ye Hua who was being carried by Qing Ya was a bit embarrassed.

I, the Supreme Overlord, am actually being carried by a woman like this! If anyone else saw this scene, I will silence them by killing them!

Qing Ya lightly placed Ye Hua in the bathtub, and while with her face red, Qing Ya turned on the water. Soon after, Qing Ya began to attentively help Ye Hua wipe his body.

Ye Hua was feeling comfortable to the point that he wanted to let out a moan.

It would be great if Donghuang Baizhi was also here to serve upon me. Right now, everything is perfect except for the fact that Donghuang Baizhi isn't here.

“Ye Hua, you can be at ease, I won't leave you just because you lost your power and ability to move your body.” Qing Ya said tenderly as she lightly wiped onto Ye Hua's palm.

Ye Hua heavily let out a sigh in his heart.

I still have to continue acting, after all, it would be weird if I were to accept the situation so quickly. I have to continue acting like this for at least 2 more days.

Ye Hua said faintly, “For you two, so what if I lose a few things.”

“You are trying to act cool again. I know that you definitely don't feel good right now, if you want to cry, you can cry. After all, we have already been married together for so long.” Qing Ya smiled tenderly.

Ye Hua felt that Qing Ya was indeed more tender than she was in the past, that gentle and careful look on her seemed as if she was afraid of using too much force when wiping onto Ye Hua and end up causing Ye Hua to feel pain.

I feel a bit at a loss, if they were to find out that everything was fake, I would be done for...

It seems like I am going to have to slowly recover, I cannot keep on pretending like this, if not, there would definitely come a day where they see through my act.

However, Qing Ya actually wants me to cry? That is not possible. I, the Supreme Overlord, have never cried before. Even if it is just acting, I would never cry too.

Ye Hua stealthily created a drop of water on the corner of his eye.

F**k, for my acting career, I am placing even my face to the side. Qing Ya, if you were to still be mischievous in the future, I will definitely not let you off easily.

From the first time where I met Ye Hua, he had always been the kind of man who is aloof and proud. Everything has to go according to how he wants, and if something doesn't go the way he wants, he would become angry. However, that situation was under the circumstance where he possessed formidable strength.

Right now, because Ye Hua lost his power, deep in his heart, he must definitely be feeling very painful.

Upon seeing a drop of tear flowed out from the corner of Ye Hua's eye, Qing Ya's heart practically broke into pieces.

When Ye Hua suffered such heavy injuries at Voidless Realm, he had never revealed any painful expression on his face. Right now, since there is no one else here but me, Ye Hua finally couldn't endure it anymore...

Ye Hua's fake drop of tear dealt a hundred thousand damage to Qing Ya and completely destroyed all of Qing Ya's defense.

As expected of the best male lead.

Qing Ya whose face was filled with tears kissed onto Ye Hua. This scene was very beautiful, just that, the beautiful scene lasted only for a second, because, in the next second, a trace of a complacent arc appeared on the corner of Ye Hua's mouth.

Her soft lips still taste the same as it used to. However, what is different now is that there is a unique smell on Qing Ya's lips, which just makes me become even more attracted to Qing Ya.

Right now, Ye Hua wanted to embrace onto Qing Ya's slender waist, but he couldn't do that.

Ye Hua thought to himself, "My hands have to become healed soon. However, if my hands become healed, a lot of things will have to be done by myself."

"Since that's the case, I will just tell them that my hands merely healed by a bit and that my hands still cannot do heavy activities. However, things like caressing and touching are fine for my hands."

Thinking up to here, Ye Hua seemed to have a new plan in his mind.

Qing Ya wiped very attentively onto Ye Hua's body, and the tender look on Qing Ya caused Ye Hua to become intoxicated. After all, Qing Ya wasn't an ordinary human anymore, and right now, in the middle of Qing Ya's forehead, there was a unique empress aura. Right now, to Ye Hua, Qing Ya was just like a haughty woman who had set her pride aside to serve upon him.

This feels comfortable~

After finish showering, Qing Ya carried onto Ye Hua with a princess carry again. The scene was a sight to behold.

Ye Hua felt that it wouldn't do for him to continue getting carried like this. The Supreme Overlord's skin was rather thin.

"Qing Ya, let's buy a wheelchair." Ye Hua suggested.

Qing Ya said lightly, "You don't like it when I carry you?"

"....."

From the looks of it, there are both good and bad points in pretending to be paralyzed.

Qing Ya could be seen laughing lightly, "Alright, I know that you want face. I will buy a wheelchair for you later on."

After finish speaking, Qing Ya lightly kissed onto Ye Hua's forehead, then walked out of the bathroom.

After Qing Ya left the bedroom, Ye Hua sat up from the bed, and the arc that was on the corner of Ye Hua's mouth became bigger and bigger.

I really want to f**king shout at the top of my lungs right now!

Suddenly, the sound of the door being opened rang out.

Ye Hua immediately lied down on the bed and have a look on him that seemed like he was about to die anytime soon.

Donghuang Baizhi slowly walked into the room while holding onto a bowl of porridge.

"Are you okay?" Donghuang Baizhi placed the bowl of porridge on the bedside table, then sat on the bedside. The curve of Donghuang Baizhi's delicate figure made Ye Hua's heart feel itchy.

Say, Qing Ya cannot be touched because she is pregnant right now, but Donghuang Baizhi can be touched, right? It has been quite a number of months since I last exercised.

Seems like I can't pretend to be paralyzed for too long. I will enjoy this treatment for a period of time first, then get Donghuang Baizhi to give birth to another child for me. The more descendants I have, the better it is.

Right now, the head was the only body part that Ye Hua could move.

Ye Hua said calmly, "I feel much better now."

"Come, drink a bit of porridge."

Ye Hua nodded his head.

Donghuang Baizhi carried Ye Hua up from the bed, then made him lean against the bedhead.

Donghuang Baizhi even used a martial technique to make Ye Hua's body become fixed to the spot...

And the martial technique that Donghuang Baizhi used was evidently a confinement technique...

Donghuang Baizhi lightly blew onto the porridge, then said embarrassedly, "Ye Hua, it's my first time making porridge, if it doesn't taste good, don't blame me, I will slowly learn how to cook."

"Very good, it wasn't in vain of me to have treated you so well. In the future, you have to be obedient, okay?"

"En, understood." Donghuang Baizhi said shyly.

Looking at the spoon of porridge that was moving towards his mouth, Ye Hua immediately became startled. Why is the porridge a bit black...

"Baizhi, I suddenly discovered that I am not hungry anymore." Ye Hua couldn't bear to say it too directly.

Donghuang Baizhi immediately understood as she said tenderly, "I will go and make a new bowl of porridge for you."

Seeing that Donghuang Baizhi left the room, Ye Hua stretched out his hand and wiped onto his forehead.

Take a look! Take a look! I just merely have to give them a slight hint, and they would immediately understand what I am trying to hint to them, then obediently do what I hinted to them.

During a few days back, those two women were continuously making a scene in the house, and after just a few days have passed, those two women have become just like two obedient cats.

Chapter 253: Hope shattered

After quite a while, Donghuang Baizhi held onto a new bowl of porridge and entered into the room.

"Ye Hua, the porridge should be fine this time round."

Indeed, this time, the porridge looks like how a porridge was supposed to look like.

After blowing on the porridge, Donghuang Baizhi held the spoon of porridge to Ye Hua's mouth.

Tasting Donghuang Baizhi's cooking for the first time, Ye Hua's brows couldn't help but raise.

This porridge is saltier than a salted fish. This Donghuang Baizhi must have mistaken salt for sugar.

"Ye Hua, what's the matter! Are you hurting somewhere?" Donghuang Baizhi cried out in surprise as she immediately checked onto Ye Hua's body.

"Water... water..."

After drinking a mouth of water, Ye Hua let out a sigh, "Baizhi, there is something called food delivery in this world, I think that you should find some time to go and understand about it."

"Ye Hua, outside food is not healthy. I will work hard at learning how to cook and let you enjoy delicious food that is cooked by me."

Ye Hua was very gratified as he said, "Baizhi, I am very happy that you are able to think like that. However, the food that you made, you have to taste it yourself first, do you understand?"

"Alright, I got it."

"Tonight, stay here and accompany me to sleep." Ye Hua finally spoke out his ultimate goal, which was to sleep while hugging onto one woman with his left arm, and hugging onto another woman with his right arm.

Just thinking about it is making me get a bit excited.

Donghuang Baizhi was very shy as she slightly lowered her head and said, "I have discussed about it with Qing Ya, we will take turns to accompany you to sleep. Qing Ya will be accompanying you to sleep tonight, and I will be accompanying you to sleep tomorrow night."

Ye Hua's expression froze.

When did you two discuss with each other? Why didn't you two discuss it together with me? For such an important matter like this, how could you two discuss without me!

If you two are taking turns to accompany me to sleep, isn't it a waste for me to have planned such a big act?

No, this won't do, I, the Supreme Overlord, do not agree with you two taking turns to accompany me to sleep, the two of you have to accompany me to sleep together!

Right at this moment, Qing Ya walked into the room while pushing onto the wheelchair that she just bought. After entering into the room, Qing Ya smiled tenderly, "What are you two chatting about?"

Qing Ya came right on time. I, the Supreme Overlord, am going to chat with you two about a very solemn topic. After all, since I have two very beautiful wives, if I can't hug onto both of them when I am going to sleep at night, wouldn't it be a waste?

Moreover, after doing so much for those two women, it is only right for me to experience how it feels to hug onto one woman with my left arm, and another woman with my right arm.

"The two of you, come over and sit right next to me." Ye Hua said faintly.

Qing Ya and Donghuang Baizhi took a look at each other, and soon after, the two sat at the bedside.

The two were curious as to what Ye Hua was planning to do.

Ye Hua said very straightforwardly, "Tonight, the two of you stay here and sleep with me."

Right after hearing what Ye Hua said, the two women's faces immediately turned thoroughly red, however, both of them did not immediately oppose Ye Hua.

In the end, Qing Ya spoke first, "Ye Hua, Baizhi and I have already discussed about it. In the future, we will attentively take care of you for your entire life, and we would also be your women for the rest of our lives. However, regarding the matter about us three sleeping together, can you not force us to do it?"

“En, Ye Hua, asides from all three of us sleeping together, we can accept whatever requests you have.” Donghuang Baizhi said pleadingly.

It was already a very hard thing for the two of them to be willing to share one husband, and right now, the idea of the three of them sleeping together on the same bed was still very opposed by the two women.

Game over... my dream of hugging onto one woman with my left arm and hugging onto another woman with my right arm has been shattered. I planned out such a big act for the two of them, and yet those two are still not touched to death.

Seeing the gloomy look on Ye Hua, Qing Ya and Donghuang Baizhi felt very heart pained.

Logically speaking, after Ye Hua disregarded his life to save the two women, no matter how opposed the two women were against the idea of the three of them sleeping in a bed together, they would probably still agree to Ye Hua’s request, after all, both the women were already Ye Hua’s wives.

However, those two women were both the kind of woman that possessed an ego that was as high as the heaven. For the two women to be willing to accept each other, it was already a miracle. And yet, Ye Hua still wanted the both of them to sleep together as three on the same bed? Ye Hua was practically daydreaming.

“Ye Hua, I’m begging you, don’t make it difficult for us.” Donghuang Baizhi was brokenhearted to the point that she cried.

Qing Ya was the same, “Ye Hua, don’t be like this, my heart doesn’t feel good when I see you like this.”

I, the Supreme Overlord, am feeling very vexed right now. If I had known, I would have died a few days first, then come back to life afterward. I reckon that only by doing that, would I have been able to make those two women become touched to death. However, it is already too late now.

Should I plan another big act?

No, the effect of doing another big act definitely won’t be as effective as the first big act.

What I want is to embrace onto one woman with my left arm, and embrace onto another woman with my right arm, why can’t the two of you fulfill such a small wish of mine?

“Sigh, I understand, I won’t force you two and make it difficult for you two.” Ye Hua came to a compromise.

Incorrect, it was just a temporary compromise. Ye Hua’s ultimate goal was still to be able to embrace onto one woman with his left arm and embrace onto another woman with his right arm.

Acting as a hero to save the beauties and injuring myself to gain sympathy are definitely not usable anymore. I have to think of another plan.

Seeing that Ye Hua wasn’t going to make it difficult for them, Qing Ya and Donghuang Baizhi moved towards Ye Hua and kissed onto Ye Hua’s cheek.

Although I am currently not able to embrace onto one woman with my left arm, and embrace onto another woman with my right arm, the current situation still feels extremely great.

“Baizhi, you can go and deal with your own matters first, Ye Hua will be fine with me here.” Qing Ya said with concern. After all, with the state that Voidless Realm was in right now, without the empress there to oversee Voidless Realm, it would be very inconvenient for Voidless Realm.

However, Donghuang Baizhi’s heart had been captured by Ye Hua, so how would it be possible for her to leave Ye Hua at such a time like this?

“Don’t need.”

“Baizhi, go and deal with your own matters first. Even if you two stay here and watch after me, it’s not like I will get better any time soon.” Ye Hua said. Right now, since both north and south’s big shots are my people, it will be much easier when doing things.

Donghuang Baizhi chose to listen to Ye Hua as she said tenderly, “I will be away for a while then.”

After finish speaking, Donghuang Baizhi kissed onto Ye Hua’s forehead, then disappeared from the room.

After Donghuang Baizhi left, Qing Ya smiled tenderly, “Happy?”

“Happy.”

After finish speaking, Ye Hua felt that what he just said wasn’t good.

I am currently paralyzed, so what is there to even be happy about.

Ye Hua hurriedly explained, “I am very happy that I was able to protect you two and not let you two suffer any further injuries, even if the consequence of it was to end up in the state I am in right now.”

Ye Hua’s thirst for staying alive was very strong.

Qing Ya lightly leaned against Ye Hua’s embrace and said, “Ye Hua, was I very disobedient in the past?”

“What do you think? If you two are a bit more obedient, I would be able to be at ease.”

“En, I won’t provoke you and make you become angry anymore in the future.”

“Qing Ya, I am very happy that you are able to think like that.”

Qing Ya smiled tenderly and mumbled, “Ye Hua, it’s so good to have you by my side.”

The two of you are unable to imagine just how fortunate you two are to have me.

Anyway, is it time for me to take another shower?

Returning back to Voidless Realm, Donghuang Baizhi kept the tender look on her face, and while revealing her might as an empress, she began issuing down one order after another order to rebuild Voidless Realm.

In the palace hall, there were currently five less elders, those five elders were sacrificed during the battle with Ying Family.

Only three elders, Yuan De, Xing Han, and He Xuan, remained.

Donghuang Baizhi who was sitting on the throne asked gravely, "What's the number of casualties of Voidless Realm in the battle against Ying Family?"

"Reporting to Your Majesty, in the battle against Ying Family, from our Voidless Realm, 3871 people died, 3712 people suffered grave injuries, 2183 people suffered light injuries, and the remaining 893 people are unharmed." He Xuan reported with a grave voice.

Killing intent appeared in Donghuang Baizhi's beautiful eyes as she shouted out coldly, "From now on, Ying Family will be my Voidless Realm's sworn enemy! With the surname, Donghuang, I, the empress, swear that I will definitely avenge the souls of Voidless Realm's deceased by massacring Ying Family!"

The three elders kneeled down and shouted out, "Massacre Ying Family!"

Soon after, Xing Han spoke of his viewpoint, "Your Majesty, in this battle, Ying Family had also suffered great losses, more than half of Ying Family's relatives had been killed, and if not for those two strong beings helping them, everyone from Ying Family would have been wiped out by us!"

"That's right, if not for the shadowed figure and bone dragon, we would have definitely won against Ying Family. Your Majesty, we are going to have to be wary and pay attention to those who are hiding in the dark."

"That's right. Your Majesty, after this battle, Voidless Realm's strength has been reduced greatly. Because of this, the north's aristocratic families may perhaps not be able to hold themselves back anymore, so let alone Ji Family who is watching safely at one side and waiting for their chance to strike!" Yuan De's expression was very solemn.

Don't see that everything seemed calm now, in actuality, not everything was as it seemed on the surface!

[You Cannot Afford To Offend My Woman](#)

Chapter 254: His Honor has begun planning

How would Donghuang Baizhi not know about that, "Originally, Voidless Realm was the strongest, which was why Voidless Realm was able to suppress the north's aristocratic families, and even able to suppress the south's Ji Family. However, things are no longer the same right now. Notify the entire Voidless Realm to be completely prepared for the future and to fix the barrier as soon as possible!"

"Yes!"

Suddenly, Yuan De blinked his eyes toward the other two, and the latter also blinked their eyes back at him. The three seemed to have something to say but didn't dare to say it.

"It's fine, go ahead and speak what you have in your mind." Donghuang Baizhi said faintly.

Yuan De took a step forward, "Not sure just how Your Majesty's husband's injuries are right now?"

"My husband is fine."

Everyone was startled. Faced against such a powerful attack, Her Majesty's husband actually still managed to survive. Her Majesty's husband is truly formidable!

"The heaven is truly protecting our Voidless Realm!" The three elders spread out their arms and shouted out, appearing just like devoted believers of god.

He Xuan hurriedly said, "Your Majesty, Ying Family has experts helping them, thus, if we want to win, we have to have someone who is able to inherit the power of Donghuang Bloodline."

"We hope that Your Majesty would give birth to a male baby as soon as possible." The three elders shouted out in unison.

The face of Donghuang Baizhi who was currently sitting on the throne became slightly red.

Should I have another child with Ye Hua and give Ah Li a little brother? I will find a chance to discuss about this with Ye Hua. However, with the state that Ye Hua is in right now, is he still able to have another child?

If Ye Hua was to know of Donghuang Baizhi's current thoughts, he would definitely become completely healed in just a few days, then prepare to have another child with Donghuang Baizhi.

Donghuang Baizhi's expression became much tender, "I will discuss this matter with my husband, all of you do not need to worry about it."

The three elders were finally able to be at ease.

Yuan De suddenly thought of something and said, "Your Majesty, about that woman that possessed the bloodline of Nuwa?"

"Yuan De, are you saying that Qing Ya is a descendant of Nuwa?" Donghuang Baizhi asked in astonishment.

"Your Majesty, did you not know about that?"

Donghuang Baizhi shook her head.

Donghuang Baizhi didn't expect that Qing Ya would actually be a descendant of Nuwa, and while feeling happy for Qing Ya, Donghuang Baizhi couldn't help but wrinkle her brows.

"When Nuwa Bloodline appears in this world, peculiar things may start happening in this world. Your Majesty has to be careful." He Xuan said gravely.

"I naturally know about that. In the future, if there is any news, just send a jade note to me."

"Your Majesty, you can be at ease, we will properly oversee the reconstruction of Voidless Realm."

"Alright, it will be hard on the three of you then."

"Subordinate do not deserve Your Majesty's praise."

Donghuang Baizhi disappeared from the palace hall, and the three elders stood up straight while with a gratified look on their faces.

Her Majesty is finally thinking about a man, this is a good thing.

Her Majesty will be able to get pregnant this year, and by next year, the child will be born. And after the child grew to adulthood and awakened his bloodline power, we will be able to finally be completely at ease.

When Donghuang Baizhi appeared in the bedroom again, the crayfishes have already arrived.

Donghuang Li's big eyes were red. From the look of it, Donghuang Li must have just finished crying a while ago. Seeing that her mother returned, Donghuang Li straightforwardly threw herself into her mother's embrace.

"Ah Li, what's the matter?" While hugging onto her daughter, Donghuang Baizhi asked with a smile on her face.

"Daddy said that he is not able to move and is not able to hug or carry Ah Li anymore." Donghuang Li began crying again, appearing very pitiful.

Donghuang Baizhi consoled, "Ah Li can be at ease, daddy will recover in the future."

"Daddy said that too just a while ago, but Ah Li knows that you all are just saying that to console Ah Li."

Donghuang Baizhi looked towards Ye Hua, and there was astonishment in her gaze.

While sitting in the wheelchair, Ye Hua said with a slight smile, "Just a while ago, I sensed that spiritual energy was being formed within my body. I believe that, without long, I will be able to recover completely."

Ye Hua decided to change his tactics.

To prevent these two women from seeing through my act, this will be the reason that I am going to use to start and slowly make my body recover.

Qing Ya who was at the side also had a slight smile on her face. Just a while ago, Qing Ya herself had checked onto Ye Hua's body, and she discovered that a very small mass of spiritual energy had appeared within Ye Hua's body. In Qing Ya's eyes, this was a good start.

After Donghuang Baizhi checked onto Ye Hua's body and confirmed what Ye Hua just said, tears slowly flowed out of her eyes as she hugged onto Ye Hua and said happily, "This is great!"

"Don't cry anymore, Ah Li is still watching at the side." Ye Hua stealthily let out a breath of relief.

Seeing that her father really seemed to be able to recover completely, Donghuang Li asked, "Mommy, will daddy be able to recover completely?"

"En, daddy will be able to recover completely."

After obtaining her mother's confirmation, Donghuang Li finally felt happy, "Yay, this is great~ Daddy will be able to hug Ah Li and carry Ah Li up high in the air again after daddy recovered~ Ah Li will help daddy peel crayfishes."

Donghuang Baizhi sat down too, and after wiping away her tears of joy with the back of her hand, she began peeling crayfishes for Ye Hua.

“Daddy, open your mouth~” Little Ah Li picked up the crayfish meat with her chopsticks and fed it to her father.

“Ye Hua, here~” Qing Ya said tenderly.

“Ye Hua, ah~” Donghuang Baizhi smiled tenderly.

I, the Supreme Overlord, dare to say that, there is no man in this world that is more blessed than me right now.

However, I must say, it is rather inconvenient to not be able to move my hands. In any case, since I have already given the reason for why my body is starting to recover, I will let my hands start recovering soon. Everything will seem very reasonable, and there won't be any flaw in my act.

“Where are Yutong and Zizi?”

Qing Ya said with a slight smile, “The both of them went out to eat.”

“Originally, Aunt Ye came and called Ah Li to go with them, but Ah Li wants to accompany daddy, therefore Ah Li rejected Aunt Ye's invitation.” Donghuang Li said happily. Listening to what Donghuang Li just said, she was practically asking for her father to quickly praise her.

“Ah Li sure is my good daughter.” Ye Hua naturally had to praise his daughter.

Donghuang Li's face was filled with happiness.

“Didn't Yutong said that she was going to work as a streamer? It has been quite a while since she said that, so why do I not see her stream at all?” Ye Hua asked curiously.

Qing Ya shook her head, “Who knows her, her thoughts change every single day.”

“It is going to be September soon, we should start preparing to send Ye Zizi to school and not let her keep on staying at home and play games all day long.” Ye Hua said gravely. Ye Zizi's temperament is still more or less the same as it was in the past, it's time to send her to school to train her temperament.

Qing Ya nodded her head.

“Ah Li wants to go to school to study too.” Donghuang Li said loudly.

Donghuang Baizhi smiled tenderly, “Ah Li still hasn't reached the age to have to go to school.”

“Then, when will Ah Li be able to go to school?” Ah Li asked curiously.

Donghuang Baizhi pinched onto her daughter's small cheek, “After Ah Li had her three-year-old birthday, Ah Li will be able to attend kindergarten.”

“Kindergarten? But Aunt Ye said that she is going to be a primary school second-grade student. Ah Li wants to go to school together with Aunt Ye, if not Ah Li doesn't want to go to school.” Donghuang Li pouted her small mouth. Donghuang Li's main motive for wanting to go to school was basically because she wanted to go to school together with Ye Zizi.

Looking at the adorable look on Ah Li, the three laughed lightly.

“With how intelligent Ah Li is, it is fine even if Ah Li doesn’t attend kindergarten.” Ye Hua said faintly.

The reason I am sending Ye Zizi to school is so that Ye Zizi could cultivate her humanity. On the other hand, my daughter completely does not have the need to go to school at all. Or to say it in another way, going to school is practically a waste of time for my daughter.

Meanwhile, Qing Ya has a different opinion, “How would that do? Kindergarten is the beginning where study begins.”

“Well, I have never attended school or studied before, but didn’t I still managed to attain my current accomplishment nonetheless?” Ye Hua who was sitting in the wheelchair said.

What Ye Hua just said was very philosophical. The one that didn’t study or attend school before was currently pretending to be paralyzed and sitting in a wheelchair.

“You sure have a lot of fallacious reasonings.” Qing Ya said lightly.

“What kind of attitude is that, a few hours ago, you were still saying that you were going to be obedient in the future.” Ye Hua said faintly. Just how long has it only been, and she is already going against me.

Qing Ya immediately smiled apologetically, “Alright, alright, alright, I’m in the wrong.”

After looking to her left, then looking to her right, Donghuang Li had an understanding look on her face.

After the meal, the two women pushed Ye Hua to the office, because Ye Hua wanted to smoke.

[You Cannot Afford To Offend My Woman](#)

Chapter 255: His Honor has been bullied

Right now, Ye Hua didn’t have to move his hands when he was smoking. Donghuang Baizhi held onto the cigarette, while Qing Ya ignited the cigarette.

Like a big boss, Ye Hua sat in the wheelchair and happily enjoyed being served upon by the two women.

“Baizhi, how’s the situation at your side?” Ye Hua asked curiously. I’m curious as to what Voidless Realm has in mind.

While holding onto the cigarette, Donghuang Baizhi said faintly, “Everything is coming along fine, but this Ying Family has to be eradicated!”

The corner of Ye Hua’s mouth twitched slightly. This Ying Family is the subordinate of my subordinate’s subordinate, and although Ying Family is a bit weak, Ying Family is still of some use. Take for example during this big act, that guy from Ying Family... what’s his name again... ah, that’s right, Ying Jingshan. This Ying Jingshan’s performance during the big act was not bad.

It would be a bit of a pity if Ying Family were to get eradicated.

Also, it is fortunate that I got Wei Chang and Lie Gu to take part in the big act, if Death Mage was the one that took part in the big act instead, Death Mage wouldn’t have been able to give my women pressure.

Qing Ya could be heard saying, "That shadowed figure seems to be very formidable, and also that bone dragon too."

Ye Hua couldn't help but nod his head, seemingly wanting Donghuang Baizhi to not touch Ying Family for the time being.

Although this Ying Family is insignificant to me, this Ying Family is still of some use.

However, right after Ye Hua nodded his head, Donghuang Baizhi asked curiously, "Ye Hua, that shadowed figure was the one who made you become heavily injured, do you plan on letting him off so easily?"

"Eh... That's right! That shadowed figure is indeed very hateful! That shadowed figure is very lucky that I wasn't able to fight at my full potential as it had been a very long time since I last fought with someone."

Seeing that Ye Hua was trying to make excuses to save his face, Qing Ya and Donghuang Baizhi smiled tenderly.

This was a close call! I really can't afford to let my guard down, or else my act will really end up getting seen through by them.

"Baizhi, do you have any good plan in your mind on how to deal with Ying Family?" Qing Ya asked curiously.

Upon thinking of the plan, Donghuang Baizhi's pretty face immediately turned red, and even more, her pretty face could be seen turning thoroughly red in no time.

"Cigarette, cigarette." Ye Hua reminded.

Donghuang Baizhi held the cigarette to Ye Hua's mouth and let Ye Hua take a puff of the cigarette.

I dare to ask, which man is able to have it as good as me? One of my wives is helping me to hold onto the cigarette, while my other wife helps ignite the cigarette, and all I have to do is to use my mouth.

"I do indeed have a plan on how to deal with Ying Family." After flicking the cigarette bud, Donghuang Baizhi said while with her face red.

Upon hearing what Donghuang Baizhi said, Ye Hua went into a daze. This woman actually has a plan on how to deal with Ying Family? How would that do? I have to quickly make her give up on whatever plan that she has in her mind.

"The shadowed figure and bone dragon are not easy to deal with. Let me cultivate for a few hundred years first, once I get strong enough, I will help you take revenge." Who knows what would have already happened after a few hundred years? The main priority now is to stop Baizhi from wanting to deal with Ying Family.

Donghuang Baizhi said shyly, "This plan of mine only needs 20+ years to succeed."

"Baizhi, what is your plan, quickly tell us. For your face to get so red, just what is this plan of yours." Qing Ya's interest was piqued by Donghuang Baizhi. The more Donghuang Baizhi acted like this, the more curious Qing Ya became.

Donghuang Baizhi bit onto her lower lips and mumbled, "This plan of mine requires Ye Hua to cooperate with me."

What do you mean? This plan of yours requires me to cooperate with you? If that is the case, I definitely won't cooperate with you. Perhaps, after a few hundred years have passed, I may consider cooperating with you for your plan.

"Aiyo, Baizhi, stop keeping us in suspense and quickly tell us your plan already."

"My Voidless Realm possesses the bloodline of Donghuang, and only males are able to inherit the power of Donghuang Bloodline. However, because Ah Li is a girl, she is not able to inherit the power of Donghuang Bloodline, therefore..." Speaking up to here, Donghuang Baizhi's face seemed as if it was about to bleed.

Ye Hua finally understood, and he could be heard saying, "Therefore, you want Ah Li to become a male? I won't allow such a thing. There is nothing wrong with Ah Li being a girl, and I personally think that having a daughter is great, therefore, quickly dispel this idea of yours."

Pfft.

The two women were immediately amused by Ye Hua. This blockhead actually doesn't understand what Baizhi was trying to say.

"What are you two laughing for! I am being very serious about this matter, so be serious too!" Ye Hua shouted out in a low voice.

Donghuang Baizhi petulantly extinguished Ye Hua's cigarette. For such an embarrassing thing like this, do you really need me to say it out clearly to you? Isn't what I just said clear enough already?

Ye Hua's brows immediately became wrinkled, "Why did you extinguish the cigarette, I haven't even taken more than two puffs of the cigarette. It is a waste to extinguish the cigarette like this, quickly reignite the cigarette."

"Ye Hua, you should smoke less. What Baizhi is trying to say is that she wants you to help her give birth to a male child." Qing Ya said helplessly. This Ye Hua, he is very smart sometimes, but at the same time, he is also very foolish sometimes.

Alright, I, the Supreme Overlord, take back what I thought in my mind just now. I heavily support this plan, and I should give my full cooperation! I, the Supreme Overlord, am the best at making children, one shot, one child.

"Baizhi, you should have just said it straightforwardly. We will begin with your plan starting from tonight." Ye Hua wished he could begin carrying out the plan immediately.

Qing Ya said teasingly, "Baizhi is fine with beginning with the plan, but are you able to begin with the plan?"

"Who says that I am not able to begin with the plan! I..." Suddenly, Ye Hua seemed to have recalled something. Wait a minute, I am currently pretending that I am paralyzed...

F**k!

This is all because of Wei Chang's rotten idea! Right now, my wife is requesting for my help, and yet, I have no choice but to continue pretending that I am paralyzed!

"I... I will be able to begin with Baizhi's plan once I recovered!" Ye Hua said while stammering.

Donghuang Baizhi sensed that Ye Hua was feeling quite sad, and she thought that Ye Hua was feeling sad because of his injuries, thus, she consoled onto Ye Hua, "It's fine, take it slowly, it's not like I will run away from you."

What Baizhi just said is comfortable to my ears. Just you wait, once I recovered, I will be able to shower you with my grace anytime you want. However, my grace has to be shared equally amongst the two of you, I mustn't neglect Qing Ya.

It is a pity that I am not able to embrace onto Qing Ya with my left arm and embrace onto Baizhi with my other arm. If I'm able to have them sleep on the same bed with me, I will then be able to...

Just thinking about it is making me get a bit excited.

"Daddy, Ah Li finished watching Calabash Brothers." Donghuang Li hopped over to the three and was carried onto by her mother.

Ye Hua laughed lightly, "Ah Li, if you are done with watching Calabash Brothers, go and watch Snow White next. Once you are done, daddy will give you a test."

"Alright, Ah Li likes taking tests."

After rubbing onto her daughter's head, Donghuang Baizhi said, "Alright, daddy is going to go and rest already, we will accompany daddy to sleep tomorrow, alright?"

"Alright. Aunt Qing, I will hand daddy over to you then."

Qing Ya smiled, "Alright, Aunt Qing will definitely take good care of your daddy."

After returning back to the bedroom, Ye Hua's first sentence was, "I want to shower..."

"Why do I not see you being so diligent in taking showers in the past?" Qing Ya said as she carried onto Ye Hua.

This caused Ye Hua to become gloomy, mainly because Qing Ya was princess carrying Ye Hua, which made Ye Hua felt very awkward.

"I decided to take a shower three times a day, one during the morning, one during the afternoon, and one during the night."

Qing Ya laughed, "Ye Hua, do you want to tire me to death?"

"You can choose to let me become smelly to death then."

"You are already in such a state, but there is not a bit of change in your temper at all." Qing Ya placed Ye Hua in the bathtub, then turned on the hot water.

"Qing Ya, are you not going to shower? Let's shower together." Ye Hua had a goal, which was to get Qing Ya to shower together with him.

Qing Ya rolled her eyes at Ye Hua, "I will take a shower by myself later."

"Sigh, if not for the fact that I am not able to move my hands and legs, I would have stripped you."

Qing Ya blinked her eyes and said mischievously, "That's right, now that you mentioned it, since you are currently not able to move your hands and legs, this means that I am able to bully you now."

"Qing Ya! What do you plan on doing!" Ye Hua was startled and felt that the situation wasn't looking good.

Qing Ya revealed out a mischievous smile, "Ye Hua, since you have bullied me for so long, now that I finally have the chance to be able to bully you, let me bully you for a bit."

"You dare! If you dare to touch me, I will... I will..."

"What will you do? Cry? If you cry, I won't bully you."

"Qing Ya! Don't forget that I am the one who saved the two of you and thus ended up being paralyzed and losing my power... You cannot pinch my face!"

Qing Ya's hands were currently pinching onto Ye Hua's face and making Ye Hua make various kinds of faces.

Wei Chang! This is all the fault of your supposedly 'good idea'! I have formidable power, and yet I can't use it!

You Cannot Afford To Offend My Woman

Chapter 256: I, Long Aotian, will still come back again

Under Ye Hua's threatening gaze, Qing Ya consoled Ye Hua by giving him a kiss.

I, the Supreme Overlord, like your way of apologizing. However, I would much prefer to bath together.

In the end, Ye Hua didn't manage to attain his dream.

After quite a while, Ye Hua was placed onto the bed by Qing Ya, and after placing Ye Hua on the bed, Qing Ya pinched onto Ye Hua's cheek and said lovably, "Ye Hua, once you recovered completely, I will take a bath together with you."

Alright, I, the Supreme Overlord, do not want to be paralyzed anymore!

Wait, no, something is wrong! This cunning Qing Ya is definitely trying to feel me out to see if I'm pretending to be paralyzed, there is no way that I will fall for her trick!

Then again, Qing Ya, you are already my wife, would you die if I take a look at your body!

After quite a while, Qing Ya wore onto thin pajamas and appeared in front of Ye Hua, causing the fire within Ye Hua to become very big. As long as one was a normal man, when they saw Qing Ya's body, they wouldn't be able to help but have some thoughts in their minds, especially when right now, Qing Ya had become even more beautiful than she was before.

In order to act as a paralyzed man, I, the Supreme Overlord, can't even move my hands right now. In the past, even if I couldn't see Qing Ya's naked body, I was still able to at least touch her body.

While leaning on her beloved man's chest, Qing Ya said tenderly, "Ye Hua, I really like you very much."

Ye Hua slightly went into a daze, and at the same time, he began feeling a bit guilty.

I wonder what would happen if I confessed to them that everything was an act? Forget about it, the saying of 'confess and you will be sentenced leniently' is but a lie.

"Qing Ya, after you finished giving birth to the child in your stomach, let's have another child."

"En, anything you say." Qing Ya rubbed her cheek onto Ye Hua's chest and said lethargically.

"As expected of my woman, obedient." Although Ye Hua felt a bit guilty, Ye Hua wants to express that he was feeling very great right now.

Thinking back to the past, I have never felt as great as I am feeling right now.

Qing Ya smiled sweetly, "Look at how happy you are right now. Satisfied now?"

"Satisfied, satisfied."

"Alright, let's sleep, you must be feeling very tired already."

Ye Hua nodded his head.

I can finally have a good sleep today, and tomorrow, Donghuang Baizhi will be the one who is going to accompany me to sleep. I, the Supreme Overlord, am feeling very happy right now. To show how happy I am right now, should I pardon everyone in this world that had gone against me?

On second thought, forget about it. When the time comes where I am able to embrace onto one woman with my left arm, and embrace onto another woman with my right arm, I will then pardon everyone in this world that had gone against me.

If Ye Hua were to pardon everyone in this world that had gone against him, the person that would be the happiest would be Long Aotian.

Within the small thatched cottage, Long Aotian was once again preparing to head to battle!

Within a month's time, Long Aotian had cultivated his dragon god technique to the third realm. It must be said, Long Aotian was indeed a talented cultivator.

Nonsense!

If Long Aotian didn't step up his cultivation speed, how would he be able to leave this place, and how would he be able to form his harem of three thousand beauties!

"Meng Meng! After today, who knows how long it will be till we meet again?" While hugging onto the woman within his embrace, Long Aotian said with deep affection.

While hugging onto Long Aotian's strong body, Meng Meng said lovably, "Aotian, no matter how long it takes, Meng Meng will still wait for you to come back."

“Meng Meng, you are the best. And about the antidote, can you give me a bit more of it?” Long Aotian’s tone was a bit awkward. Meng Meng really treats me too well, and this love gu that is within my body is proof of that.

(蛊 – gu: legendary poisonous insect)

“Aotian, those antidotes that Meng Meng gave you are all the antidotes that Meng Meng have. When you return back here next year, Meng Meng will have a lot of antidotes again.” Meng Meng was very reluctant to part with Long Aotian.

Long Aotian heavily let out a breath, “Meng Meng, take good care of yourself, after Brother Long becomes successful in the outside world, Brother Long will bring you to the outside world.”

“En, Meng Meng will wait for that day to come.”

“Alright, I will be leaving then!”

“Aotian~” Looking at Long Aotian’s figure that was getting further and further away, Meng Meng sobbed endlessly.

After leaving the thatched cottage, Long Aotian clenched his fists.

Now that my dragon god technique has reached the third realm, both my speed and strength have ascended to a whole new other level!

In the end, I have to thank that assassin, if not for him, I wouldn’t have been able to reach dragon god technique’s third realm in such a short time. Pressure is truly the best motivation.

After walking for close to a kilometer, Long Aotian shouted out loudly, “Come on out!”

Right now, Long Aotian was no longer wearing modern clothing and he was currently wearing a green robe that Meng Meng personally made for him. It must be said, wearing onto the green robe, Long Aotian does indeed look a bit handsome.

Like a ghost, Death Assassin immediately appeared in front of Long Aotian, causing Long Aotian to jump from being startled.

“I have reached dragon god technique’s third realm! It is not that I, Long Aotian, am bragging, but you are currently no longer a match for me. If you are smart, you better scram now, and I will spare this life of yours!” Long Aotian began shouting out with false bravado. In actuality, Long Aotian was currently feeling nervous to death.

“Jiejiejie...”

Imperial translation: “Salted fish, if you don’t cultivate your dragon god technique to its highest realm, you can forget about leaving this place for the entire rest of your life.”

“Ha!” Not knowing what Death Assassin was laughing about, Long Aotian shouted out as he assumed a horse stance.

Immediately, the leaves that were around Long Aotian began flying around, and Long Aotian could be seen shouting out while pointing his finger at Death Assassin, "Come at me!"

Death Assassin let out a light sigh, then took out the dagger that was at his waist and stabbed normally at Long Aotian.

Long Aotian's expression became grave. This guy's speed is indeed very fast! However, today isn't the same as that day, I, Long Aotian, am no longer that little weakling that I was in the past!

Long Aotian dodged to the side!

Death Assassin was a bit surprised. The speed of this Long Aotian's improvement can be counted as quite fast.

Long Aotian was a bit dazed as he touched onto his hair, then checked onto his clothing.

I remember that during the last time, my hair was cut by this guy when I dodged his attack, and yet, today, I was actually able to completely dodge his attack!

This is great! I, Long Aotian, am finally able to completely dodge his attack! Once I cultivated my dragon god technique to the fourth realm, I will be able to defeat him!

Without thinking too much, Long Aotian immediately turned around and ran away, "Just you wait, I, Long Aotian, will come back again!"

Death Assassin did not chase after Long Aotian, Death Assassin just stood there and watched as Long Aotian ran away.

After running back to the thatched cottage, Long Aotian began gasping heavily for breath. Just now when I dodged that guy's attack, I used too much of my essence, spiritual energy, and spirit. Because of that, I am so out of breath right now.

Pushing open the wooden door, Long Aotian laughed loudly and said, "Meng Meng, I'm not leaving anymore!"

"Aotian, I have just finished cooking the noodles for you, quickly eat it while it is hot."

Meng Meng could be seen walking over while holding onto a bowl of noodles that she just finished cooking. The timing was just perfect.

Not sure if it was because Long Aotian felt warm in his heart or because Long Aotian felt that his heart hurts, Long Aotian had the urge to cry.

If not for the things that have happened, Long Aotian would have really suspected that the assassin outside was hired by Meng Meng.

While eating the noodles that were cooked with love, tears flowed down from Long Aotian's eyes, and who knows if he was crying because he was touched or because his heart hurts.

After I am done eating the noodles, I will properly love Meng Meng, then continue on cultivating. I, Long Aotian, must not let down this name of mine! In the future, there will come a day where I will conquer the entire world and make everyone tremble underneath me!

Even more, I will make Qing Ya regret, regret for not choosing me, Long Aotian, and instead chose a man who likes to smoke and act cool. That man's way of acting cool is too low grade. I, Long Aotian, would never imitate his way of acting cool!

"Meng Meng, where are my cigarettes?"

"Here, you can only smoke one cigarette a day."

After igniting the cigarette and taking a puff, Long Aotian felt very comfortable, as if the entire world had become his.

Right now, it was currently late at night, and at a dark small alley in Long'an City, there were a few figures there.

Amongst the figures, there were two pitiful looking figures, and those two figures were Qing Yutong and Ye Zizi.

Qing Yutong was dressing up as her big sister again. After all, Qing Yutong's fame still hasn't died down yet. And Ye Zizi was still the same as usual, wearing a Lolita outfit.

"You all... what do you all want." Qing Yutong and Ye Zizi were acting again.

Just a while ago, when the two left the bar, a few beefy men followed after them, and thus, the two purposely came to this small alley.

[You Cannot Afford To Offend My Woman](#)

Chapter 257: Gluttony

Ye Zizi was salivating. I will get Big Sister Qing to look away for a while later on while I eat them.

The few beefy men have never seen such a beautiful woman like Qing Yutong.

This woman is so beautiful, and this little loli too, she looks just like a 2d anime character, those big eyes of hers are making the beast within my body wake up from its slumber.

"Little girl, come here, big brother has a very delicious lollipop here." One of the beefy men hunched forward slightly and teased Ye Zizi, and the few beefy men behind the beefy man laughed out loudly.

Qing Yutong protected in front of Ye Zizi, "What do you all want! Leave my sister alone and come at me instead!"

"Beauty, don't be anxious, I will let you know just how great my endurance is and just how deep my skills are~" With a lewd smile on his face, the beefy man walked closer step by step.

Qing Yutong scolded, "Shameless!"

Ye Zizi said in a low voice, "Big Sister Qing, how about you go to the side first and let Zizi have some fun."

"Zizi, you are not being fair."

"Hey, hey, the two of you don't need to discuss about it anymore, the both of you can come together with me." The beefy man rubbed his hands together, he was sort of not able to hold himself back anymore. With these two beautiful girls, I can battle from night till day.

Qing Yutong and Ye Zizi retreated back continuously, and the afraid look on their faces made the beefy men became even more excited. Those beefy men just loved seeing such an expression appear on others' faces.

Right at this moment!

A figure suddenly appeared, and both Qing Yutong and Ye Zizi looked towards that figure. While with an indifferent look on his face, the figure had a cigarette in his mouth, and both of his hands were placed in his pockets.

The man could be seen taking a look at Qing Yutong and the others, then continued on walking like he saw nothing.

"Young fellow, I will count that you have eyes!" At first, the beefy man thought that the man was going to try and act as a hero and save the two girls, but in the end, the man ended up being just a passer-by that has no courage.

"Hey, aren't you going to save us?" Qing Yutong shouted out puzzledly.

The man looked up to the sky and puffed out a mouth of smoke, then said, "Why should I save the two of you?"

F**k, this guy is truly formidable.

Seeing that the passer-by stopped his footsteps, the beefy man shouted out threateningly, "Young fellow, you better quickly scam and don't mess with me!"

Ye Zizi asked pitifully, "Big brother, why aren't you saving us?"

The man snorted and said in disdain, "Coming across such a thing like this, it would be counted as benevolent of me if I were to even help the two of you call the police. Therefore, even if I ignored what I saw and walked away, it is counted as normal. After all, I am not Virgin Mary, I do not have to save people just because I came across them when they needed help."

"Big brother, you won't be able to get a girlfriend if you act like this." Ye Zizi said while pouting her small mouth. I will suck you dry later on. Who told you to act cool? Your skill in acting cool is too low grade!

Qing Yutong agreed, "That's right, if you don't even take the chance to act as a hero to save beauties when the chance is right in front of you, how are you going to be able to get a girlfriend in the future?"

"Do you think that I am dumb? Just taking a look at you two's clothes, I immediately knew that you two are definitely some big misses of some big families. If I were to save you two right now, you two would most probably make me become you two's bodyguard, then afterward, a romance between me and the two of you would unfold. I won't fall for you two's tricks!"

Qing Yutong and Ye Zizi's expressions froze, and the few beefy men were shocked by the man too.

I have never seen someone who is able to boast like this!

“Ha! To actually dare to try and force yourself onto two young girls in an era of peace and prosperity, I won’t let this matter rest!” Suddenly, a man that was like the wind could be seen descending from the sky.

“Wow, Big Sister Qing, he is so handsome~”

“That’s right, he is so handsome~”

Qing Yutong and Ye Zizi seemed just like two love-struck fools.

This caused the man who had a cigarette in his mouth to become dumbfounded.

The two of you became love-struck just like this? Isn’t this way of acting as a hero to save beauties too old fashioned already?

Song Ji slowly turned his head around and looked at the man that had a cigarette in his mouth, seemingly like he was saying, although this way of acting as a hero to save beauties is indeed old fashioned, it is still a classic, you fool.

Sa Bi slowly walked over and said gravely, “Brother, these two girls are mine, don’t interfere.”

“Haha, weren’t you rather good at acting cool just a while ago? If you want to leave, quickly leave.” Song Ji mocked without mercy. Just now, Song Ji was hiding at the side and he saw everything that happened a while ago.

Sa Bi was feeling very gloomy. Originally, I wanted to try a new way to act as a hero and save beauties, but who would have known that someone would interfere halfway in.

The beefy men came back to their senses and one of the beefy men shouted out angrily, “You two little rabbits must be tired of living! Brothers, go! Punch them to death!”

Song Ji snorted, “Kneel down!”

An incorporeal power pressed all of the beefy men onto the ground.

Immediately, fright appeared on the beefy men’s faces.

Sa Bi snorted, “Lie down!”

Plop.

All of the beefy men lied down on the ground.

“Kneel down! Shout grandpa!” Song Ji shouted out gravely. Want to compete with me? Bring it on then!

As expected, the beefy men who were lying down on the ground kneeled on the ground and shouted out, “Grandpa~ Grandpa~”

Sa Bi sneered in disdain. Want to compete against me?

“Lie down on the ground and bark like a dog!”

The beefy men could be seen lying down on the ground and barking, “Woof, woof, woof...”

“Kneel down! Call grandpa!”

“Lie down! Bark like a dog!”

“Kneel down! Call grandpa!”

“Lie down! Bark like a dog!”

The beefy men’s sufferings were something others won’t be able to experience, and gradually... blood spilled out from the beefy men’s mouths.

How could ordinary humans be able to continuously withstand such a strong might pressure?

Pfft!

The few beefy men spat out a mouth of blood in succession and all of them ended up dying.

Qing Yutong and Ye Zizi both cried out in astonishment, “The two of you killed those guys!!!”

Song Ji and Sa Bi also didn’t expect those beefy men would die just like this, and both of them were currently in a slight daze.

“Big Sister Qing, let’s quickly call the police, a homicide happened here.” Ye Zizi hurriedly shouted out.

“That’s right, when facing against such vicious murderers, we must be resolute and bring them to justice. Even more, I am going to act as a witness and testify in court.”

“Zizi also wants to act as a witness and testify in court and make those two get locked up in jail...”

Song Ji and Sa Bi were both speechless. All this happened because we were trying to save the two of you!

“Young misses, isn’t there a misunderstanding here? I did this to save you two from those guys.” Song Ji persuaded nicely. If those two really call the police, it wouldn’t be good for me.

“That’s right, that’s right, I am merely just a passer-by.” Sa Bi forced a smile on his face.

Ye Zizi snorted, “The two of you are murderers, and murderers have to go to jail!”

“Little friend, don’t go overboard! If not...” Sa Bi was starting to feel angry. I was being kindhearted by trying to save the two of you, and yet the two of you are actually intending to act as witnesses and testify against me in court.

Song Ji said in a low voice, “Brother, from the looks of it, they are determined on calling the police, so how about we just take one each? I will take the small one, and you can have the big one.”

Sa Bi remained silent for a moment. In any case, I am someone who received an award for being a good student in school, so how could I accept such a shameless proposal?

“Alright, we can exchange with each other once tomorrow arrives.”

Song Ji patted onto Sa Bi’s shoulder, “Brother, you are really shameless.”

Qing Yutong and Ye Zizi ended up forcing the two good young men to become criminals.

“What are you two trying to do? Don’t come over, if not, I am going to shout~” Qing Yutong hugged onto Ye Zizi and cried out in astonishment.

Both Song Ji and Sa Bi had a smile on their faces and one of them could be heard saying, “Shout, go on and shout, even if you shout till your throat becomes sore, no one will come and save the two of you.”

“Somebody, save us~ Somebody, save us~”

Suddenly! A bloody smell permeated the air, and the bloody smell was not a typical bloody smell, it was an extremely dense bloody smell.

Song Ji and Sa Bi’s expressions changed, and without thinking too much, the two immediately turned around and ran!

“Kneel down.”

The two words were like two palms pressing down both Song Ji and Sa Bi onto the ground. And when Song Ji and Sa Bi kneeled on the ground, pits were formed from the impact of their knees smashing into the ground.

A mass of black fog could be seen appearing within the air and gradually forming into the shape of a human, then turning into a middle-aged man who was wearing a western suit.

Qing Yutong and Ye Zizi were stupefied. This... what is this situation!

“Who are you! To actually dare to mess with me!” Sa Bi shouted out angrily.

The middle-aged man could be seen stretching out his right arm, and the entire right arm began squirming just like an insect!

In a flash, the entire right arm turned into a frightening monster and swallowed Sa Bi whole.

“You... you... Just who are you!” Song Ji was frightened to the point that he peed his pants.

The right arm that turned into a monster possessed rows of teeth, and sticky liquid could be seen dripping out from its mouth.

The middle-aged man said gravely, “I am one of the seven sins, gluttony!”

Chapter 258: Your Honor!

Ye Zizi’s bright red eyes were about to pop out of her eye sockets.

Originally, I only came out to mess around and have some fun, but who would have expected that, I would actually come across so many turns of events, and right now, even one of the seven sins has appeared. This monster actually looks exactly the same as Gluttonous Monster... I’m so excited, this is so fun...

Soon after, the middle-aged man swallowed Song Ji, then looked towards Qing Yutong and Ye Zizi with his cold eyes.

“Ha!”

Qing Yutong and Ye Zizi clenched their small fists at the middle-aged man, seemingly like they were going to fight against the middle-aged man.

One second later.

The two held onto each other's hands, then immediately turned around and ran away. While running away, the two shouted out, "We can't win against him... we can't win against him..."

Ye Zizi was currently feeling very excited and was guessing in her mind, "Between this Gluttonous Monster, and that Gluttonous Monster, just who is more formidable? I can't wait to find out. Also, I wonder if they have their own His Honor."

"I have to tell this matter to His Honor, I'm sure that His Honor would feel very excited too when he heard about this matter."

"Zizi, why did you run? That person seems to be very formidable, right?" Qing Yutong asked curiously because the Ye Zizi she knew wouldn't have run away from something like this.

Right now, Qing Yutong still did not know just what organization her brother-in-law belonged to, which was why she was puzzled as to why Ye Zizi chose to run away.

"Big Sister Qing, I'm also one of the seven sins." Ye Zizi pointed to herself and laughed.

"Ah!" Qing Yutong cried out in astonishment.

Soon after thinking for a bit, Qing Yutong's mouth was opened wide in an o shape as she asked, "Then, brother-in-law is also one of the seven sins?"

"Wrong, wrong, wrong, big brother is not one of the seven sins, he is the source of the creation of the seven sins."

This information made Qing Yutong become stunned, Qing Yutong didn't expect that her brother-in-law would be this formidable.

"Then, Zizi, which sin do you represent?"

"Humph, humph~ The sin that Zizi represents is very formidable."

"Zizi, are you sloth?" Qing Yutong guessed.

Ye Zizi's expression collapsed, "Is it that obvious..."

"Haha..." Qing Yutong had never seen someone lazier than Ye Zizi.

"Then, which sin does Lie Gu represent?" Qing Yutong continued asking.

Ye Zizi rested her hands onto the back of her head and laughed, "Lie Gu? He is basically a lecherous bone dragon."

"Oh~ So he is lust then."

"What about Uncle Wei?" Qing Yutong asked.

“Gluttonous Monster? He is gluttony, he is much more able to eat compared to me.” Ye Zizi let out a deep sigh. That Gluttonous Monster wouldn’t even let off those who are dead. At the least, I only suck those that are alive.

Qing Yutong felt that something wasn’t right and hurriedly asked, “Then, who is that guy from just now?”

“This is why it’s fun, someone is going around swindling and showing off with big brother’s sign. This is so exciting and fun~”

Qing Yutong’s eyes lighted up. No wonder Zizi pulled onto me and ran away just now, from the looks of it, Zizi has a cunning plan up in her mind.

Seeing the two women ran away, the middle-aged man was preparing to chase after them, but to his surprise, a voice rang out in his ears.

“Gluttony! Come over! Quickly!”

The middle-aged man paused for a moment, then stepped into the black whirlpool once again.

On top of a valley that was located in the southeast stood seven individuals.

Suddenly, a black whirlpool appeared, and the middle-aged man from a while ago could be seen walking out from the black whirlpool. After walking out of the black whirlpool, the middle-aged man shouted out to a person in front of him who possessed a tall figure, “Your Honor!”

Taking a look at the person that the middle-aged man shouted out to, the result was surprising!

This person could be seen wearing a strange robe that had various kinds of runes embedded on the surface, and within the robe was actually the body of a skeleton!

There was a red dot radiating from each of the skeleton’s empty eye sockets, and in his chest, there was a red light that was the size of a small fist. Right now, with his arms crossed, the skeleton was gazing at the buildings that were below him.

“Why are you late!” The skeleton’s tone was icy cold, seemingly like there was not a single trace of emotion at all.

“Please forgive me, Your Honor!” Gluttony kneeled down on the air and lowered that proud head of his.

The skeleton said faintly, “If this happens again, I will issue you a punishment!”

“Thank you, Your Honor.” After finish speaking, Gluttony walked to his spot.

The entire seven sins could be seen to look completely different from each other, and amongst the seven sins, there was a little loli who looked exactly the same as Ye Zizi, and there was also a refined-looking guy that wore eyeglasses.

“Greed, who are those people below us?” His Honor asked gravely.

The refined-looking guy that wore eyeglasses slowly walked out and answered respectfully, “Your Honor, those people below us belong to Dry Zen Sect, one of the powers within the south!”

"We will begin from this Dry Zen Sect then!" His Honor said calmly.

The seven sins that were behind him responded respectfully, "Yes!"

Deep within the night, it was calm and peaceful at Dry Zen Sect, and only disciples that were patrolling around the sect were currently walking around the sect.

However, those disciples weren't very vigilant and were continuously yawning. Even when seven figures appeared not far away from them, they still didn't discover those seven figures.

"Cough, cough." Greed let out two light coughs as he adjusted onto his eyeglasses.

At this moment, then did the disciples that were patrolling noticed those seven figures, and one of the disciples cried out in alarm, "Who are you guys!"

"We are here to save you all." Greed said lightly.

When this strange voice entered into the disciples' ears, the expressions that were on the disciples' faces gradually became relaxed, "Thank you, lord, for saving us."

"Go on and kill your companions." Greed said faintly.

"Yes, lord."

The few disciples appeared to be very normal on the surface. And in no time, miserable screams rang out within the peaceful and quiet Dry Zen Sect.

All of the seven sins had a very intoxicated look on their faces, seemingly like they were listening to the most beautiful melody in this world.

In a flash, the seven sins dispersed and began a one-sided massacre.

As the honor, His Honor slowly landed within Dry Zen Sect and enjoyed the miserable screams of the humans.

Five minutes later, the entire Dry Zen Sect became quiet again, and Gluttony could be seen holding onto a person with his hand.

And the person was precisely Dry Zen Sect's sect master, Che Zhixuan.

Right now, Che Zhixuan's complexion was pale as a ghost, both of his arms had been ripped off from his body and he was bleeding incessantly!

After raising his head and looking at the person in front of him, a trace of surprise appeared in Che Zhixuan's gaze. This person is actually a skeleton!

"Who are you! Why did you exterminate my sect!" Che Zhixuan asked weakly.

"It is just merely because I like killing people." His Honor said faintly as he stretched out his bone finger towards Che Zhixuan's forehead.

Along with a tap on Che Zhixuan's forehead, Che Zhixuan's body turned into ashes and scattered into the air.

“Your Honor, when do we look for another power to exterminate?” The little loli asked while hopping around energetically.

His Honor gazed at the night sky and said faintly, “The people in this world are too weak, we will just wait here for now!”

On this night, south’s Dry Zen Sect was exterminated.

At daybreak, taking a look at Dry Zen Sect, Dry Zen Sect looked brand new, just that, there wasn’t any life in Dry Zen Sect, and instead, Dry Zen Sect was filled with the aura of death!

And right now, at Leisure Bar’s second floor, Ye Hua said towards Qing Ya who was currently getting off the bed, “I want to shower.”

“Ye Hua~” Qing Ya called out lovably and acted cutely.

Ye Hua laughed lightly, “I will let you off this one time.”

“This is more like it.” After finish speaking, Qing Ya hunched her body forward and gave Ye Hua a kiss.

This caused Ye Hua to feel great to the point that his scalp went numb.

“What do you want to eat?” While tidying her man’s hair, Qing Ya asked tenderly.

“Eh... I want to eat the steamed dumpling from the store that is located at Chengxi.” Ye Hua said after thinking for a bit. It has been a very long time since I last had steamed dumplings, I’m sort of tired of eating Chinese crepes.

Qing Ya nodded her head, “We will eat steamed dumplings today then.”

“Remember to get kelp soup too, and request for more kelp soup from the store, that store’s boss is very stingy.” Ye Hua reminded.

Qing Ya smiled helplessly.

The more I come into contact with Ye Hua, the more adorable I feel Ye Hua is.

If Qing Ya discovered Ye Hua’s true body, she would definitely not use the word ‘adorable’ to describe Ye Hua. Even the word ‘scary’ is an understatement to describe Ye Hua!

Chapter 259: The whole family’s breakfast

Not too long after Qing Ya left, Donghuang Baizhi pushed open the door and entered into the bedroom.

Donghuang Baizhi appeared to be very shy and seemed like she didn’t know where she should even place her hands and legs at.

“What are you still standing there for, quickly come and present your kiss to me. Do you not even know such a thing like this?” Ye Hua said. Such a thing like a morning kiss also has to be taught to her by me, this Baizhi is really insensible.

"Ah... do I have to do that?" Donghuang Baizhi asked while with her face red. I don't seem to have ever taken the initiative to kiss onto a man, right? I feel so nervous right now.

Ye Hua coughed lightly, "This is a family rule. Baizhi, since you are new here, you definitely did not know about it."

Suddenly, Donghuang Li could be seen rushing over to Ye Hua and kissing onto her father's cheek, "Daddy, good morning."

"Ah Li, not going to sleep for a bit more?" Ye Hua asked lightly.

"No, Ah Li had enough sleep, Ah Li is here to take care of daddy."

"Ah Li sure is daddy's good daughter." Ye Hua was very gratified. My daughter is only this small, and yet she is already this sensible.

Ye Hua turned his head around and looked towards Donghuang Baizhi whose face was completely red, "What are you still standing there in a daze for, look, even our daughter knows what to do."

Donghuang Baizhi lightly bit onto her lower lips, then imitated her daughter and kissed onto Ye Hua's cheek.

"Mommy, you are doing it wrong, you have to kiss daddy's mouth." Donghuang Li who was at the side reminded.

Ah Li is truly my good daughter.

Donghuang Baizhi's face became even more red as she pinched onto her daughter's cheek, "Ah Li, turn your head to the side, you are not allowed to look."

"Oh~" Donghuang Li turned her body around, however, she immediately turned her head around and looked at her parents.

Donghuang Baizhi steeled herself and took the initiative to kiss onto Ye Hua's mouth.

Upon coming into contact with Donghuang Baizhi's soft lips, Ye Hua felt incomparably great, and he even sucked onto that soft tongue.

Donghuang Li covered her eyes and shouted, "Ah Li is having goosebumps~"

Donghuang Baizhi immediately stood her body up, then stretched out her fist and hit onto Ye Hua's chest. Doing something like that in front of our daughter, is this how you should act as a father?

"Hmm, we will stop here for today, help me up from the bed!" Ye Hua said with a big boss attitude.

While with her face red, Donghuang Baizhi helped Ye Hua up from the bed, and Donghuang Li even helped her father to wear slippers, Donghuang Li was truly a warm small cotton-padded jacket.

After Ye Hua was done washing up, Qing Ya returned back with the breakfast that she bought and went to wake up Qing Yutong and Ye Zizi to come eat breakfast.

The whole family was sitting together and enjoying the delicious breakfast.

At the dinner table, Qing Yutong and Ye Zizi kept yawning, having a look on them that seemed like they still haven't completely woken up.

"Look at Ah Li, then take a look at you two." Ye Hua couldn't help but chided, displaying the look of a family head.

Qing Ya and Donghuang Baizhi sat at Ye Hua's sides and took care of him, one of them fed Ye Hua, while the other helped to wipe onto Ye Hua's mouth, Ye Hua completely did not need to move his hands at all.

"Daddy, don't compare Ah Li like this to Aunt Qing and Big Sister Ye, because Ah Li will become proud." After drinking a mouth of kelp soup, Ah Li said with her tender voice.

Qing Ya and Donghuang Baizhi laughed.

Meanwhile, Qing Yutong and Ye Zizi took a glare at Donghuang Li, seemingly like they were saying, you little traitor, we won't bring you along with us to play anymore.

"Ye Zizi, school will be starting in a few days' time, you have to start preparing." Ye Hua said faintly.

Upon hearing that she was going to have to go to school, Ye Zizi's head began hurting, "Big brother, can I not go to school?"

"No!"

Ye Zizi immediately became dispirited and looked like she was going to die soon.

When school starts, I might as well just suck all of the school's teachers, and with that, school holiday will begin.

After finished speaking about Ye Zizi's matter, Ye Hua began speaking about another matter.

"Leisure Bar has been closed for business for quite a period of time, and Leisure Bar will be reopened for business tonight, but I reckon that the business won't be really good, therefore, Yutong, you will go up the stage tonight and sing a few songs."

Cough, cough, cough.

Qing Yutong choked onto her food.

"Brother-in-law, my big sister already has so much money, do you even still need to use me to earn money?" Qing Yutong had a dejected look on her face. My butt has been smacked by brother-in-law, and now I even need to help brother-in-law to earn money.

Ye Hua took a glare at his sister-in-law, "I am a man! How could I use your big sister's money!"

"Didn't you had a great time spending big sister's money in the past?" Qing Yutong mumbled in a low voice.

"What did you say?" Ye Hua glared at his sister-in-law. Is your butt itchy again? Do you need brother-in-law to help you treat your itch?

Qing Yutong immediately smiled, "Nothing much, Yutong will listen to brother-in-law's arrangement."

“Daddy, daddy, what do Ah Li do then? How about Ah Li help daddy to wipe the tables and chairs?” Donghuang Li raised her small hand and asked.

Seeing how adorable his daughter was, Ye Hua revealed a slight trace of smile, “Ah Li will watch cartoon in the morning, and in the afternoon, Ah Li will practice daddy’s techniques, and in the night, it will be Ah Li’s free time.”

After hearing Ye Hua’s arrangement, Donghuang Baizhi did not oppose it. While with a smile on her face, Donghuang Baizhi silently looked at her daughter.

Our family is finally together, this blissful feeling sure is nice.

“Yay, daddy is the best.”

Qing Ya asked curiously, “What about me, what arrangement do you have for me?”

Ye Hua snorted. Is there even a need to ask this question?

“The two of you will be sticking right next to me and protect me for 24 hours around the clock.”

The two beautiful women shook their heads while with a smile on their faces and did not refuse what Ye Hua just said. This was after all the man who captured their hearts.

“Daddy, your words of love are making Ah Li’s hair stand on its end.” Donghuang Li rubbed onto her arm.

“Brother-in-law’s mouth has really become so much sweeter than before.” Qing Yutong immediately joined in on the teasing.

Ye Zizi let out a sigh. However, after recalling of last night’s matter, Ye Zizi’s eyes immediately lighted up and she hurriedly contacted His Honor.

“Your Honor, Zizi has a matter to report to you~”

Upon hearing Ye Zizi’s voice, Ye Hua replied faintly, “Zizi, the matter regarding you going to school is fixed. And also, when you are at school, you are prohibited from causing trouble!”

“Your Honor~ Zizi is not talking about this matter~”

“Then what is it?”

Ye Zizi began telling Ye Hua everything that happened last night.

Ye Hua’s brows became slightly wrinkled. There is actually such a thing like this? Someone is pretending to be Wei Chang?

No, not pretending, it is that the person looks and acts very similar to Wei Chang... This is a bit interesting.

Seeing that Ye Hua wrinkled his brows, Qing Ya asked with concern, “Ye Hua, what’s the matter? Are you not feeling well somewhere?”

“Nothing, I’m fine, just that, I sort of want to take a shower right now.”

Right now, Qing Ya and Donghuang Baizhi still did not know Ye Hua's motive, which was to take advantage of the two of them as much as he could.

"Your Honor, how about handing the investigation of this matter to Zizi? Zizi will help Your Honor get rid of them."

After pondering for a bit, Ye Hua replied, "No need, I want to see what this person is planning on doing. What you have to do now is to go to school. Without my orders, you are not allowed to act on your own!"

"Eh... Your Honor~"

"Be obedient!"

Ye Zizi had no choice but to resign to her fate. If I had known that this would happen, I would have just sucked that counterfeit from last night. In any case, that counterfeit was still a top-grade food.

"Baizhi, push me to the bedroom, I want to take a shower." Ye Hua said faintly.

Donghuang Baizhi stood her body up, and while with her face red, she pushed Ye Hua to the bedroom. Meanwhile, it was Qing Ya's turn to rest today as the two were taking turns to take care of Ye Hua.

Just like Qing Ya, Donghuang Baizhi carried Ye Hua into the bathroom and placed him in the bathtub.

Right now, Donghuang Baizhi's face seemed like it was about to start bleeding.

"Baizhi, this is not like you, not long ago, you even attacked me."

Donghuang Baizhi began helping Ye Hua to wipe his body, and when she saw that familiar thing, her face became even redder.

"It's not like I did it on purpose."

"You didn't do it on purpose? If not for the fact that I was strong, I would have died by your hands." Ye Hua chided with a stern look on his face.

Right now, I can chide them however I want, and they wouldn't retort, or become angry in the slightest bit at all. And even more, they have to comfort me after being chided by me.

[You Cannot Afford To Offend My Woman](#)

Chapter 260: Take revenge decisively

Donghuang Baizhi said in a low voice, "Fine, I was the one who was in the wrong, will this do?"

"Seeing that your attitude in admitting to your own mistake is pretty good, I will forgive you."

After pausing for a moment, Ye Hua took a sniff, then wrinkled his brows.

"What's the matter?" Donghuang Baizhi asked curiously.

"Baizhi, do you not smell an unpleasant smell?"

"I don't smell anything."

Ye Hua said, "Stretch your hand over to me."

Donghuang Baizhi stretched her jade white hand over to the front of Ye Hua, and Ye Hua immediately said, "Your hand smells."

"Just nice, since there is water here, you might as well come and join me in taking a bath."

Donghuang Baizhi was not a fool, and even more, she was an empress, so, how would she not know what Ye Hua had in his mind? Of course, Donghuang Baizhi wouldn't expose Ye Hua.

"I will take a shower by myself after I'm done helping you take your bath."

From the looks of it, these two women must have discussed with each other, right? Can't you two just take a bath together with me? The two of you are too stingy!

My entire body has already been seen completely by the two of you, so why can't the two of you let me look at you two's bodies?

"Be obedient, quickly come in and take a bath together with me."

Donghuang Baizhi said while with her face red, "After you recovered, I will accompany you to take a bath together."

F**k, seems like my injuries have to be healed much more earlier than I have planned to!

Ye Hua's motive failed once again, and soon after, Ye Hua was carried and placed onto the bed by Donghuang Baizhi.

At this moment, Qing Ya entered the room and walked over slowly, "Baizhi, did Ye Hua say that you smelled?"

Ye Hua took a glare at Qing Ya. What are you doing? Just what are you doing? It has only been a day and you are already thinking of rebelling against me?

"That's right. Qing Ya, how did you know that? Could it be that, Ye Hua..."

Qing Ya laughed lovably, "Baizhi, he is precisely trying to deceive us into taking a bath together with him. Sometimes, I even suspect that he is faking being paralyzed."

"I am also starting to feel a bit suspicious." Donghuang Baizhi nodded her head as she attentively observed Ye Hua.

F**k! This is only the second day and I'm already so close to being seen through by them! From the looks of it, it is not a good thing when your women are too smart.

However, I am not someone who is that easy to deal with!

"I almost died in order to save the two of you, and yet you two are suspecting that I am pretending to be paralyzed. Qing Ya, Baizhi, the two of you are truly great." Ye Hua said gravely, and his tone was filled with grief towards life.

And as expected, right after Ye Hua finished speaking, the two goddesses hurriedly began comforting and coaxing Ye Hua, and they even used kisses to apologize to Ye Hua. Only after giving Ye Hua kisses, then did the two managed to make Ye Hua forgive them.

Although I am not embracing onto both of them at night while going to sleep, the situation right now is still more or less the same. This feels so great.

Qing Ya suddenly seemed to have thought of an idea that was bad to Ye Hua and she said to Donghuang Baizhi who was at the side, "Baizhi, do you still remember how Ye Hua bullied us in the past?"

Ye Hua who was lying on the bed immediately felt that the situation doesn't seem to be looking good. This Qing Ya is being mischievous again!

"En, he would beat our butts, and back then, my butt was even beaten by him till it became swollen!" Donghuang Baizhi recalled of what happened during that particular day, and immediately, her hands felt itchy.

Ye Hua immediately shouted out gravely in a low voice, "What are you two planning on doing! I disregarded my life when I came to save the two of you, do you two feel no shame at all for thinking of taking revenge on me while I'm paralyzed!"

Donghuang Baizhi held onto Ye Hua's big hands and said lovably, "Ye Hua, I know how much you love us, and I love you very much too, however, the way you are right now doesn't prevent me from loving you even more~"

"What Baizhi just said is right. If we don't take this chance to beat your butt, we won't have the chance to do it anymore in the future." Qing Ya felt that she was justified to do what she was planning to do next.

The two women came to an agreement with each other and flipped over Ye Hua's body.

"The two of you, don't act recklessly! If not, once I recovered, I will smack you two's butts till you two's butts become swollen!" Ye Hua shouted out coldly, but it was completely useless.

Qing Ya moved towards Ye Hua's ear and said lovably, "Ye Hua, since our butts are going to be smacked by you no matter what in the future, just let us enjoy ourselves for now~ Be obedient and don't shout~ No one will come to save you even if you shout~"

After finish speaking, Qing Ya even gave Ye Hua a kiss.

"You two! You two! The two of you just wait!"

Qing Ya and Donghuang Baizhi raised their small hands, and Qing Ya could be heard saying, "Ye Hua, my love for you is all in this palm of mine, and that goes the same for Baizhi."

"Pa!"

"Pa!"

Just listening to the sound was enough to know just how hard the two women smacked onto Ye Hua's butt.

Feeling the pain that was coming from his butt, Ye Hua wished to just stand up right now, then place those two women on his thighs and ruthlessly smack onto their butts.

"Ye Hua, what are you wrinkling your forehead for? Do you feel painful?" Donghuang Baizhi asked curiously.

Ye Hua became startled. What a smart woman, I almost fell for your trick.

"Haha, I don't feel anything, if you two have the capabilities, you two can go ahead and hit harder! But in the future, you two can be prepared to be smacked as hard as you two have smacked my butt!" Trying to dig a hole for me, who is so quick-witted, to jump into? Dream on!

The two goddesses could be seen continuously raising and lowering their hands, and immediately, the sound of Ye Hua's butt getting smacked rang out within the room.

These two are too unruly! Too unruly!

Right when Ye Hua was feeling annoyed, Wei Chang suddenly contacted Ye Hua.

"Your Honor, I just received the latest news from Xun Fang."

"If it is a small matter, don't bother reporting it to me, I'm not in a good mood right now."

Wei Chang was very puzzled. According to reason, isn't His Honor supposed to be in a good mood right now?

"It's like this, Dry Zen Sect was completely exterminated last night, and the culprits did not leave the place, and instead, they even occupied Dry Zen Sect's territory!"

"Dry Zen Sect has been exterminated? So be it then, this is a good matter." Ye Hua said faintly. Right now, Ye Hua wished that more sects had been exterminated.

"If it was just this simple, subordinate wouldn't have reported this matter to Your Honor." Wei Chang said gravely.

The two women discovered that Ye Hua wasn't speaking anymore and his brows were wrinkled, and thus, the two thought that Ye Hua had become angry. Immediately, the two women stopped smacking onto Ye Hua's butt which had turned red from the smacking.

That's right! The two women smacked onto Ye Hua's butt after pulling off Ye Hua's pants!

Wei Chang could be heard saying, "Those culprits disclosed to doing everything that we did, for example, the matter where Your Honor exterminated north's three big powers with a snap of your fingers, and the matter where green and red brothers killed the three big shots, those culprits disclosed that they did all of it. Even more, they let out words that they welcome everyone to go and find them to take revenge."

Those people are basically trying to provoke me, huh?

Ye Hua's brows became even more wrinkled.

Ye Hua's expression sort of made Qing Ya and Donghuang Baizhi to start feeling a bit afraid.

"Ye Hua, I'm sorry, we merely wanted to make you become happy." Donghuang Baizhi hurriedly apologized.

Qing Ya even pouted her small mouth and acted cute, having a look on her that was saying, I can do anything that you want, so please don't be angry.

"It's no use anymore, I am already angry." I didn't expect that such a turn of events would happen, what a pleasant surprise!

"Wei Chang, did the north and south made any abnormal actions?"

"Because of this matter, they stopped everything that they were doing and seemed to have aimed the spearhead at this group of unknown power."

This group of people has basically caused all of my plans to become destroyed. this is rather annoying!

"Go and scout out the situation first and wait for my orders to destroy them!"

"Yes!"

After cutting off the contact with Wei Chang, Ye Hua began to educate those two unruly women.

These two women are really too unruly, my butt has been smacked red by the two of them!

"Are you two sorry now!" Ye Hua said gravely.

Qing Ya and Donghuang Baizhi nodded their heads while with a pitiful look on their faces.

Looking at the look on their faces, Ye Hua couldn't bear to chide them anymore.

Suddenly, Donghuang Baizhi slightly went into a daze, because she just received the jade message that Yuan De sent over. After looking at the information on the jade message, Donghuang Baizhi's expression became grave.

"Baizhi, what's the matter?" Seeing that there was a bit of peculiarity with Donghuang Baizhi, Ye Hua asked.

Right now, Donghuang Baizhi wouldn't keep anything a secret from her man and she could be heard saying tenderly, "I just received news from Voidless Realm that south's Dry Zen Sect had been exterminated, and not only did the culprits not leave after exterminating Dry Zen Sect, they even continued staying at Dry Zen Sect's territory."

"Even more, they admitted to doing many outrageous acts, and one of the most outrageous acts that they admitted to doing was that they were the one responsible for the disappearance of north's three big powers."

I didn't expect that my woman would be able to receive news of this matter so quickly. She has done a good job with her intelligence.
