

My Woman 301

You Cannot Afford To Offend My Woman

Chapter 301: The feeling of first love

Male deities are all high and mighty, especially the male deities that possess high authority.

To the male deities, women are merely props to help enhance their brilliance.

Take the harem chambers of those princes for example, let's not say that there are three thousand beauties in each of those harems, but at the least, no matter what, there are still a few hundred beauties in each of those harems.

If a prince were to pick a different woman to accompany him every night, a woman would still only be able to enjoy sexual intercourse once a year. And perhaps, if a woman that belonged to a prince's harem chamber were to suddenly die one day, the prince may not even remember the name of the woman who died.

Of course, the situation is different for those who are favored by their prince, and I am precisely one of those women who is favored by her prince. But even if I am favored, I still have to withstand the jealousy of other women within the harem chamber.

Compared to that prince, Yi Hong is perhaps lacking by a lot. However, Yi Hong has his own good points. Today, Yi Hong has given me a lesson. Perhaps, people really can't be judged just based on their outer appearances.

"Have you thought it through?" Wei Chang asked.

"Thought what through?"

"To live two more months or not."

Zi Shan remained silent.

Originally, I felt that dying like this isn't too bad, because, at the least, I won't have to continue being threatened by this group of people anymore.

However, looking at just how broken-hearted Yi Hong looked, I want to go over to him and console him, I am really not worthy for him to sacrifice himself for me.

Wei Chang smiled lightly, "You have never been in a relationship, right?"

Zi Shan, "....."

"In the past, I have never been in a relationship too, and it is the same for His Honor. However, after getting into a relationship, then did I know just how great being in a relationship is. The feeling of wanting to treat your partner well, the feeling of wanting to live happily together with your partner, those feelings are truly great. I feel that His Honor is very benevolent towards his subordinates. Love is a very sweet thing, and His Honor is willing to share this sweetness with his subordinates. Would you deities be willing to share such a thing?"

Ye Hua who was standing by the window and smoking his cigarette choked onto the cigarette smoke that was in his mouth.

I only wanted to... Forget it, I precisely wanted to share with my subordinates just how it feels to be in love.

Seeing that Zi Shan wasn't speaking, Wei Chang continued and said, "My little red's family circumstance is not good, he didn't go to school much, and he doesn't have a silver tongue. Since little red was small, little red has been mingling around with little green. Although the two aren't brothers who are related by blood, they are closer to each other than brothers who are related by blood. In actuality, after speaking so much, all that I want you to understand is that, it is very hard to find a man who is willing to sacrifice himself for you."

"Right now, you have two choices! The first choice, wait for your primordial spirit to dissipate. With this, although little red will slowly accept this reality, he would also live the rest of his life in guilt. The second choice, continue living on. Perhaps, it could be two months, or perhaps, it could also be for the rest of your life, this will all depend on your own decision."

While looking at Yi Hong, Zi Shan remained silent.

After a long while, Zi Shan let out a breath, then said, "I..."

"Alright, good choice."

Zi Shan's expression sunk. I haven't even finished my sentence, and you already knew what I was going to say?! Who are you bluffing!

However, this is good too, this way, I don't have to bring my face down and finish my sentence.

"Not willing to lose face is a known common problem amongst deities. Since that's the case, I will help give you another push." With a smile on his face, Wei Chang shook his head.

Zi Shan retorted, "Just who isn't willing to lose face!"

Currently, the green and red brothers were flying over to Zi Shan's corpse, and the two of them saw Wei Chang.

Upon arriving in front of Wei Chang, Yi Hong immediately knelt in front of Wei Chan and pleaded, "Uncle Wei, are you able to save Zi Shan?"

Zi Shan who was standing beside Wei Chang had a complicated look on her face.

Why are you even going to the trouble of trying to save me? Is it worth it?

"I am not able to save her." Wei Chang said faintly.

A sense of powerlessness immediately appeared in Yi Hong's body.

Even Uncle Wei is not able to save Zi Shan...

"But, you are able to save her." Wei Chang's sentence immediately pulled Yi Hong from hell to heaven.

Even Zi Shan who was in her primordial spirit form was shocked by what Wei Chang said too.

Knowing that there was a way to save Zi Shan, Yi Hong became very stirred up, "Uncle Wei, what should I do?"

Wei Chang said faintly, "It will depend on just how much you are willing to sacrifice."

While speaking, Wei Chang thought to himself, "So this is how it feels to do this kind of thing, it is no wonder that His Honor is so fond of doing this kind of thing, this kind of thing is indeed very interesting to do."

His Honor has successfully brought Wei Chang astray.

"I am willing to sacrifice everything to bring Zi Shan back to life." Yi Hong said resolutely.

Big Brother Green let out a sigh.

This is the power of first love, youngsters are completely unable to guard against the power of first love.

"To save her, half of your life force may disappear. Are you still willing to save her?" Wei Chang asked gravely.

Yi Hong's expression became exulted, "Only half? Can I give her a bit more of my life force? I want her to live a bit longer."

Upon hearing that, Wei Chang sighed too. It seems like I have gone too easy on little red, I should have said that saving Zi Shan would require him to sacrifice his entire life force. His Honor has dealt with this aspect much better than me, I have more to learn from His Honor.

Upon hearing Yi Hong's words, Zi Shan smiled.

Want me to live a bit longer? I have already lived for a very long time. However, those words of his are truly guileless, he truly is foolish.

"Little red, you have to know one thing, even if you saved her, perhaps, she won't even appreciate what you had done for her." With his hands placed behind his back, Wei Chang said faintly. Looking at Wei Chang, he seemed to sort of be trying to imitate how His Honor acts.

Zi Shan who was at the side glared ruthlessly at Wei Chang.

What are you saying, it's not like I am as cold-blooded as you!

Yi Hong of course knew that, but he didn't mind, "Uncle Wei, I know that Zi Shan won't ever fall in love with me, but I want her to be alive, being able to take a look at her every day is enough for me."

Wei Chang let out a deep sigh, while Zi Shan who was at the side had a grave expression on her face.

"Uncle Wei, I still have another request." Yi Hong said.

"Speak."

"Uncle Wei, please keep this matter a secret, I do not want Zi Shan to know of this matter."

Wei Chang and Big Brother Green were puzzled.

If you don't let Zi Shan find out about this heroic deed of yours, how are you even going to obtain her heart?

Big Brother Green really wanted to smack onto Yi Hong's head right now.

You are about to sacrifice so much for her, and yet you are not willing to let her know how much you had sacrificed for her, are you stupid!

"Why?" Wei Chang was very curious as to what was going through Yi Hong's head.

Zi Shan was also very curious as to what was going through Yi Hong's head, and she was even more curious about Yi Hong's answer.

Yi Hong scratched onto the back of his head embarrassedly, then said while stammering, "I'm afraid... afraid that Zi Shan would laugh at me."

Everyone was speechless...

What kind of logic is this? Why would Zi Shan laugh at you?

This little red, he is basically the example of a male chauvinist, always wanting to preserve his face in front of women, likes a woman to death, but isn't able to tell the woman that he likes her, and even more, doesn't want the woman to know how much he had sacrificed for her because he is afraid of getting laughed at by her, therefore, he would rather keep how much he had sacrificed for her a secret.

"Alright, I promise you, I will keep this matter a secret." Wei Chang said.

Yi Hong looked towards his big brother.

Big Brother Green said helplessly, "Alright, big brother will keep this matter a secret too."

Upon receiving the two's promises, Yi Hong was finally able to feel at ease. But unbeknownst to him, Zi Shan had been watching everything from the start to finish.

"Uncle Wei, what should I do to save Zi Shan?" Yi Hong asked nervously.

Wei Chang let out a breath, "Do you remember what I taught you? All you have to do is transfer your power over to Zi Shan's body."

"This simple?"

While with a smile on his face, Wei Chang nodded his head, "Alright, I will be heading back first, you all should go back and rest too. Also, little red, remember to go and take your wedding photos tomorrow."

Yi Hong was currently in a very cheerful mood, "En, understood."

"Little brother, let's save her after we returned home." Big Brother Green said.

"En."

Yi Hong carried onto Zi Shan's corpse, then along with his big brother, disappeared from the night sky.

While with a trace of a smile on the corner of his mouth, Ye Hua threw away his cigarette butt, then said, "Ah Li, come and sleep with daddy."

“Hmmm~ Ah Li still wants to watch a while more~ Just a while more~” Donghuang Li began acting cute.

While with a warm smile on his face, Ye Hua sat by his daughter’s side, and Donghuang Li snuggled to her father.

[You Cannot Afford To Offend My Woman](#)

Chapter 302: Yi Hong and Zi Shan

Within the villa, Yi Hong placed Zi Shan whose body was gradually turning stiff onto the bed, then lightly pushed aside the black hair that was covering Zi Shan’s eyes and forehead.

She sure is pretty...

Zi Shan who was in her primordial spirit form stood at the side of the bed, she had a very complicated look on her face, and who knows just what was currently going through her mind.

Yi Hong stretched out his hands and was prepared to press his hands down onto Zi Shan.

When Zi Shan saw Yi Hong’s action, she scolded, “Where are you intending to place your hands on!”

That’s right, Yi Hong was preparing to press his hands down onto Zi Shan’s chest, after all, wasn’t this how it was always acted out within the television shows?

However, Yi Hong didn’t end up pressing his hands down onto Zi Shan’s chest, feeling that it wasn’t good to press his hands down onto Zi Shan’s chest, he drew back his hands.

Zi Shan took a glare at Yi Hong. This Yi Hong, to actually behave indecently with my corpse!

Yi Hong was currently thinking, “Just where should I place my hands onto? No matter where I place my hands onto, it seems that I am still taking advantage of her.”

Looking at Zi Shan’s white and delicate hand, Yi Hong swallowed a mouth of saliva, then held onto Zi Shan’s hand.

Zi Shan’s brows became wrinkled, but she didn’t say anything.

A faint black fog began emitting out from Yi Hong’s hands, and the black fog gradually spread to Zi Shan’s hand, and in no time, the black fog covered Zi Shan’s entire body.

Back then, Wei Chang had given a tiny bit of this black fog to Xiao Yi, and when Xiao Yi’s heart was pierced, the tiny bit of black fog was able to even heal Xiao Yi’s pierced heart. From this, it could be seen just how formidable the black fog was.

However, this black fog was just merely a very minor passive that Wei Chang possesses.

While with a complicated expression on her face, Zi Shan’s primordial spirit gradually disappeared.

Meanwhile, without caring about the consequences, Yi Hong transported as much black fog as he could to Zi Shan.

Sensing that temperature was returning to Zi Shan’s ice-cold hand, Yi Hong became exulted.

Uncle Wei didn’t bluff me, this is great!

Five minutes later, Zi Shan's body began to gradually turn rosy, and at the same time, Zi Shan opened her beautiful eyes.

When Yi Hong saw that Zi Shan woke up, he became scared and immediately let go of Zi Shan's hand, then retreated to the side and looked awkwardly around the room.

The atmosphere was very awkward, both of them were staying still and remaining silent.

After a long while, Zi Shan said faintly, "I'm going to go take a shower."

After finished speaking, Zi Shan got off the bed and walked into the bathroom.

Seeing that Zi Shan walked into the bathroom, Yi Hong let out a breath.

I managed to save her.

Soon after, Yi Hong began laying out his bedding on the floor.

After Zi Shan finished showering, Yi Hong went to take a shower too, the bloody smell that was on him was very heavy.

Within the dark bedroom, two hearts were beating faintly. Yi Hong wasn't able to fall asleep, and it was no different for Zi Shan too.

After quite a while, Zi Shan said lightly, "Yi Hong, thank you."

Seeing that Yi Hong wasn't uttering a word, Zi Shan mustered her courage and said, "Yi Hong, I know your feelings, I can promise to be your girlfriend for two months, but after two months, I hope that you won't save me, I am not worth it for you to do so much for me."

From the looks of it, Zi Shan was indeed touched by Yi Hong. Zi Shan was now willing to be Yi Hong's girlfriend for two months, but because she was still intending on going against Ye Hua's wishes, she won't share the same bed with Yi Hong.

However, who knows what would happen after two months? Back then, wasn't Qing Ya a hard one to deal with and was determined on separating from Ye Hua after she had finished giving birth to her child? But right now, look at how obedient Qing Ya had become, whatever that Ye Hua wanted her to do, she would do it.

However, Ye Hua was after all Ye Hua, and Yi Hong was not Ye Hua.

Seeing that Yi Hong wasn't responding, with her brows wrinkled, Zi Shan leaned over and took a look at Yi Hong.

He fell asleep...

Zi Shan couldn't help but smile, then closed her beautiful eyes and went to sleep.

Yi Hong who was sleeping on the floor opened his eyes. Just now, Yi Hong had heard everything. In actuality, when he heard that Zi Shan was willing to become his girlfriend, he was very happy, he was happy to the point that he did not know what to say, however, after hearing Zi Shan talked about two months later, his heart became heavy.

Kill her? That is not possible.

His Honor is basically my benefactor, and Zi Shan is the person who I am fond of... Two months later, I will go and plead to His Honor, and if worse comes to worst, I will just sacrifice my life in exchange for Zi Shan's life!

Morning.

To Yi Hong, today was a good day, as today was the day that he was going to be taking his wedding photos.

Ye Hua had already arranged everything for Yi Hong and Zi Shan, thus, all the two had to do was to head to the location and began taking their wedding photos.

Just thinking about the fact that I am going to be taking my wedding photos soon is making me a bit excited. I should toss all the worries to the back of my head and enjoy this day.

After finished washing up, Yi Hong brought along Zi Shan and walked out of the villa. Naturally, Big Brother Green won't be accompanying the two of them and act as a lightbulb.

"Zi Shan, what do you want to eat for breakfast?"

Yi Hong felt that Zi Shan was not acting as cold as she used to act towards him, and even more, he noticed that Zi Shan was walking right by his side. In the past, Zi Shan would always walk behind him.

Zi Shan said unhurriedly, "Cold noodles."

Upon hearing that, Yi Hong became even happier. After all, in the past, all Zi Shan would say was, anything... anything...

"Alright."

After driving the car to the urban district, Yi Hong drove to a cold noodles store, then parked the car in front of the cold noodles store.

After getting off the car, the two immediately attracted others' gazes.

Little Brother Red was a little different today. His face was still that same face, his hairstyle was still that same hairstyle, but after what happened yesterday, Little Brother Red seemed to have become mature, and his temperament had undergone a kind of qualitative change. Looking at Little Brother Red right now, he didn't seem like a loafer anymore.

In actuality, the green and red brothers were unaware that, the powers that were within their bodies were slowly changing their bodies and the auras that they exude.

"Boss, two bowls of cold noodles, no chilis for one of the bowls." Yi Hong shouted out.

Yesterday, Yi Hong had brought along Zi Shan to eat cold noodles, and during then, when Zi Shan got her bowl of cold noodles, she picked out all of the chilis that were in her bowl of cold noodles. Therefore, this time, Yi Hong ordered a bowl with no chilis for Zi Shan.

There wasn't any change to Zi Shan's expression, Zi Shan's expression was very calm, but who knows just what was actually going through her mind?

After finish eating the cold noodles, the two head to the arranged photoshoot building. The two were most likely going to be spending a whole day indoors.

When the staff members saw Zi Shan, their gazes were all attracted by Zi Shan's appearance.

What a cold and aloof woman, this little brother sure is fortunate.

Currently, Yi Hong changed into a black color western suit which made him looked much more refined. Yi Hong's hairstyle had also changed. Looking at Yi Hong right now, he pretty much looked like a different person.

When Yi Hong saw Zi Shan who came out of the changing room, Yi Hong completely froze.

Although Zi Shan is not as beautiful as the two madams, in my eyes, Zi Shan is the most beautiful woman in the world!

It was the first time that Zi Shan wore a white color wedding dress. Looking at the mirror, Zi Shan was a little surprised at how beautiful she looked.

This profane world truly possesses a lot of fun and interesting things.

"The two of you, come over here." The photographer said while with a light smile on his face.

Groom, stop looking at the bride, if you still continue on looking at the bride, we won't be able to finish taking all of the wedding photos by the end of the day.

Yi Hong and Zi Shan walked over to the studio set, then, both of them stood side by side with each other.

The photographer felt very awkward.

Are you two really here to take wedding photos? What are you two standing so far apart from each other for? Is there an invisible wall between the two of you?

"The two of you, can you two move closer to each other?" The photographer said helplessly.

Yi Hong was very nervous.

However, Yi Hong was not the only one who was nervous.

Zi Shan who was holding onto a bouquet with both of her hands was a bit nervous too.

Seeing that both the groom and bride weren't moving, the photographer seemed to have sensed something, and thus, he didn't rush the two.

"You, come closer." In the end, Zi Shan called out to Yi Hong.

After obtaining Zi Shan's permission, then did Yi Hong dare to move closer to Zi Shan.

However, although the two moved closer to each other, the two still looked too solemn! The two of them pretty much seemed as if they were on a battlefield.

“Groom, hug the bride. Afterward, both of you, smile at the camera.” The photographer shouted out.

However, Yi Hong didn’t dare to touch Zi Shan.

“Hug me.” Zi Shan said lightly.

Hearing that, Yi Hong’s heart began beating at high speed.

Zi Shan is actually letting me hug her, my god, I am not dreaming, right!

“Groom, don’t be embarrassed anymore, even the bride herself has spoken.”

Yi Hong took in a deep breath.

I feel so much more nervous than during the time when I cheated on a test.

Yi Hong lightly embraced Zi Shan’s willow waist.

While hugging onto Zi Shan’s willow waist and smelling onto the sweet scent that was emitted out from Zi Shan’s body, Yi Hong thought to himself, “So, it turns out that, the world can actually be so wonderful...”

The photographer smiled, “Alright! Now, smile.”

Yi Hong was nervous to the point that he wasn’t able to smile.

Meanwhile, Zi Shan let out a light smile, and upon seeing Zi Shan’s smile, even the photographer couldn’t help but go into a daze for a moment.

“Groom, even the bride herself has smiled, are you going to leave her hanging?”

Yi Hong was startled.

Zi Shan really smiled? I have never seen her smile before, I really want to take a look at how she looks when she is smiling.

[You Cannot Afford To Offend My Woman](#)

Chapter 303: Festive

“Alright, just like this.” The photographer was very satisfied.

Afterward, the photoshoot carried on smoothly.

I will worry about what will happen in two months’ time when the day where two months’ time had passed arrives. As for now, I will just enjoy every day and second that passes by.

.....

Within the bedroom that was located at Leisure Bar’s second floor, the father and daughter pair still have not woke up from bed. Donghuang Li’s entire body was lying on top of her father’s body, and from time to time, Donghuang Li would purse her lips.

Suddenly, the empty space became distorted for a moment, and soon after, the two wives could be seen to have finally returned home.

Ye Hua naturally sensed that the two wives have returned home.

Ye Hua slowly opened his eyes, then looked at Qing Ya and Donghuang Baizhi while with a calm expression on his face.

Donghuang Li woke up and sat her body up straight. After wiping her eyes, Donghuang Li finally saw her mother, and upon seeing her mother, Donghuang Li pouted her small mouth, then went on and helped her father to get off the bed.

Qing Ya and Donghuang Baizhi were helpless. It seems like both the big and small are angry.

However, upon seeing that Ye Hua was able to stand up with the help of a crutch, the two women immediately became exulted.

“Ye Hua, you have gotten better!”

“Ye Hua, are you able to walk now?!”

While holding onto the crutch, Ye Hua took a faint look at his two wives, then said calmly, “Ah Li, accompany daddy to go and buy breakfast.”

“Alright~~” Donghuang Li was extremely cooperative with her father.

In actuality, the two had long discussed with each other on what to do when Qing Ya and Donghuang Baizhi returned back home, and this was the plan that they had come up with to deal with Qing Ya and Donghuang Baizhi.

Qing Ya and Donghuang Baizhi laughed bitterly, then walked to their husband’s sides and held onto their husband.

“Why did you two even come back home for? Isn’t the world outside very fun?” Ye Hua said faintly, and his tone was evidently filled with jealousy. As expected of the cultivation world’s king of jealousy.

“Husband~~”

“Husband~~”

Faced against his two wives acting cute, even Ye Hua who was determined to ignore them just a while ago couldn’t help but become soft.

“In the future, if you two dare to stay away from home for so long again, you two can prepare to go and kneel on keyboards!” Ye Hua said gravely.

“If you could bear seeing us kneel on keyboards, we will go ahead and kneel on keyboards~~” Qing Ya smiled tenderly. This fellow, he is merely all talk.

“Tsk.” Ye Hua clicked his tongue, then began to head out to buy Chinese crepes.

The main point wasn’t to go and buy Chinese crepes, the main point was to go and act cool.

Didn’t that big aunt say that my boat will definitely capsize? Take a look now, my two wives are obedient, and I even have an adorable daughter!

This is undeniable proof that, I, the Supreme Overlord, am never wrong!

As expected, when the big aunt saw Ye Hua, she gave Ye Hua a thumbs up, even the big aunt herself really had to give it to Ye Hua.

Ye Hua was very proud.

I have finally won a round against this big aunt.

Returning back to the bedroom, Qing Ya and Donghuang Baizhi began fawning onto Ye Hua in every way possible. Currently, one of them could be seen helping Ye Hua massage, and the other could be seen feeding Ye Hua fruits.

And thus, Ye Hua said magnanimously, "I forgive the two of you."

Right after Ye Hua finished speaking, the delicate hands that were massaging his shoulders disappeared, and the plate of fruits that was on the table was taken away.

"You two!" Ye Hua was shocked by the two. Aren't the two of you too realistic!

Qing Ya and Donghuang Baizhi linked arms with each other, and Qing Ya said with a smile, "Ye Hua, now that you are able to walk and move by yourself, you won't need us to serve upon you anymore. We will be heading over to Yutong's room and eat chicken with Yutong and Zizi. Bye-bye~"

After finished speaking, the two left the room.

Only until the door was closed, then did Ye Hua finally came back to his senses.

Those two unruly women! I really ought to make those two kneel on keyboards!

A week passed by in the blink of an eye, and during the week, Ye Hua asked the two women what they had been doing during those days where they were staying outside from home, and in the end, Qing Ya and Donghuang Baizhi merely gave him a rough explanation.

This caused Ye Hua to become very worried as he thought to himself, "It can't be that the two of them found out about something, right?"

However, even if that was the case, Ye Hua didn't have the time to be concerned about it.

Recently, Ye Hua has been preparing to have another child with Baizhi, and right after he 'recovered', he will immediately begin to start working on it.

Ye Hua even expressed that, "I will definitely work extra hard and put all of my heart into making another child with Baizhi, I will not stop for even a single day until Baizhi becomes pregnant."

When Donghuang Baizhi heard Ye Hua's words, she immediately became startled. Afterward, she expressed that she will only allow it after Ye Hua had completely recovered.

Therefore, right now, Ye Hua was recovering at a very high speed. For the sake of making a new child, Ye Hua could be said to be working very hard.

However, there was a happy occasion today, and furthermore, it was a happy occasion for the entire team.

The happy occasion was precisely Yi Hong and Zi Shan's wedding.

The two's wedding venue was held outdoor.

Originally, Ye Hua wanted to hold a grand wedding and 'invite' the big bosses of various powers. However, because Yi Hong said that he wanted his wedding to be low-profile, Ye Hua followed along with Yi Hong's wishes.

Asides from Death Mage and Xun Fang who were not able to make it to the wedding, everyone else was already present at the wedding.

Because it has not been long since Jue Tian had met with the two madams, Jue Tian attended the wedding in his original form.

Jue Tian was currently being carried by Ye Zizi, and when the females saw that there was such an adorable cat, they immediately gathered around Ye Zizi and rubbed onto the cat.

This caused Jue Tian to become very vexed.

Today, Qing Ya and Donghuang Baizhi were dressed beautifully. However, the two were aware that they shouldn't outshine the bride's limelight, thus, their clothes' colors were a bit plain.

Lie Gu's three celebrities were the same too, they were dressed beautifully, but their clothes' colors were a bit plain.

Of course, there was also Wei Chang's little girlfriend, Tang Wei. Looking at Tang Wei, she could be seen to have become more feminine compared to when she just started working at the bar.

Ye Hua's attire was very formal, because today, he was going to be acting as the wedding's emcee.

As the boss, it is only natural that I have to be the one to host the wedding. In the future, every time when any of my subordinates were to get married, I will do the same for them. This way, then would I be able to show just how much I care for my subordinates!

Standing at the stage and looking at the people below, Ye Hua couldn't help but sigh.

Unknowingly, there are now actually so many people in our team. In the past, it has always been the same eight people in our team, and yet, right now, there are more than 10 people in our team! And in the future, there will still be more and more people joining our team!

Looking at the smile that was on everyone's face, Ye Hua couldn't help but let out a light smile too.

This kind of feeling truly feels great.

"Let us welcome the groom and bride!" Ye Hua who was standing on the stage shouted out loudly.

Qing Ya and Donghuang Baizhi smiled helplessly. This fellow's underling is getting married, and yet he is more excited than his underling.

All of the underlings were very envious of Little Brother Red and Zi Shan, after all, to be able to have His Honor act as emcee for their wedding, in the underlings' eyes, it was simply a great honor, and was something that can be boasted for one's entire lifetime.

Tang Wei was also very envious. After I graduate, I am going to get married with Uncle Wei~

Looking at Yi Hong and Zi Shan, Lie Gu's three lovely wives were also very envious.

And in actuality, the two that were the most envious were Qing Ya and Donghuang Baizhi. This fellow, he cares so much about his underling's wedding, and yet, he doesn't care about his own wedding at all!

Big Brother Green turned on the music, and "Wedding March" began playing at the wedding venue.

Donghuang Li could be seen wearing a white color dress and walking at the front. While holding onto a basket of flower petals, Donghuang Li scattered a small handful of flower petals with every few steps she took.

Donghuang Li seemed to be a little nervous, her adorable small face was bright red.

Yi Hong wore a red color western suit today and appeared very handsome.

Zi Shan who was at Yi Hong's side had her arm linked around Yi Hong's arm, and the white color wedding veil that was worn on her head gave her a hazy sense of beauty.

Ye Hua who was standing on the stage was very gratified. It seems like the things that I did for the two didn't go to waste.

The underlings have sensed that His Honor had changed a lot.

In the past, if His Honor were to meet with Zi Shan, Zi Shan would have long died. In the past, His Honor killing others was something that occurred often. The numbers of beautiful women who had died by His Honor's hands were innumerable, and even beautiful and alluring female Overlords had also been killed by His Honor.

However, right now, not only did His Honor not killed Zi Shan, but he even bestowed a marriage upon Zi Shan. Don't see that this is just a mere marriage, with the addition of Zi Shan, it means that our team has become bigger once again, and once Zi Shan had fallen in love with little red, in the end, wouldn't Zi Shan end up having to obey His Honor's orders?

As for whether Zi Shan likes little red or not, who even knows? But at the least, looking at the current situation, Zi Shan doesn't seem to dislike little red anymore.

The two slowly walked up to the stage, and after arriving on the stage, Big Brother Green walked over while holding onto a tray, and two wedding rings could be seen to have been laid out on the tray.

Ye Hua coughed lightly, "Now, I am going to ask you two a few questions, I hope that you two will answer honestly!"

Qing Ya and Donghuang Baizhi laughed bitterly. This fellow, he doesn't know how to act as emcee, and yet he still wants to act as the wedding's emcee. Can you not make the atmosphere become so solemn, this is a joyous occasion, the atmosphere should be joyous!

[You Cannot Afford To Offend My Woman](#)

Chapter 304: A man should be assertive

“Yi Hong, are you willing to take her as your wife? No matter what happens in the future, will you be willing to never abandon your partner and grow old till death with your partner?!” Ye Hua’s question was very simple and straightforward.

To never abandon their partner and grow old till death with their partner, just how many people in this world were able to do it?

“I’m willing!” Yi Hong said with a very firm tone.

However, Ye Hua was not satisfied as he said gravely, “As a man, your voice should be loud! Shout it out! Are you willing?!”

“I’m willing!” Yi Hong shouted out.

Ye Hua nodded his head. This is more like it, as expected of my underling’s underling.

Afterward, Ye Hua looked towards Zi Shan and asked gravely, “Zi Shan, are you willing to marry the man who is in front of you? No matter what happens in the future, will you be willing to never abandon your partner and grow old till death with your partner?!”

The people who knew the inside story between Zi Shan and Yi Hong were very nervous, because they knew that, if Zi Shan were to say no now, she would end up angering His Honor, and one wouldn’t need to think too much to know what would happen afterward.

In actuality, the person who was the most nervous was Yi Hong.

The more time he spent together with Zi Shan, the deeper he fell for her.

Also, during those few days, Yi Hong could see that Zi Shan had changed a lot.

During those few days, it really felt like Zi Shan was my girlfriend. At the least, during those few days, she didn’t act fiercely towards me.

“I’m willing.”

Zi Shan’s gentle voice rang out at the wedding venue.

Everyone let out a breath of relief as the happy occasion didn’t end up becoming a funeral.

Yi Hong was excited to the point that his lips were trembling.

She is willing! She is really willing to become married to me!

Suddenly, I feel that everything that I did for her was worth it.

Ye Hua was very satisfied with Zi Shan’s attitude.

Meanwhile, Zi Shan’s gaze had been on Yi Hong from the start to finish. Besides from Yi Hong, Zi Shan didn’t have a good impression towards anyone else that was present at the wedding.

“Now, exchange your rings.” Ye Hua laughed lightly.

While trembling, Yi Hong picked up the wedding ring, then wore the wedding ring onto Zi Shan’s finger.

Meanwhile, Zi Shan appeared much calmer compared to Yi Hong. With a calm expression on her face, Zi Shan wore the wedding ring onto Yi Hong's finger.

"Alright, I hereby announce! The two of you are now legal husband and wife!" Ye Hua shouted out.

Applause began ringing out below the stage, and tears even began flowing down from Big Brother Green's eyes. My little brother has finally become married.

Ye Hua raised his hand and signaled everyone to quiet down, then said, "Do you all want to see the groom kiss the bride?"

Your Honor, when did you become so mischievous?

What to do, Ye Hua was very happy today.

Qing Ya and Donghuang Baizhi smiled helplessly. However, towards Ye Hua's change, they have seen it all with their eyes. This Ye Hua, he is no longer as cold as he used to be, he even knows how to joke around now.

"We want to see!"

"Ah Li wants to see!"

"Meow~"

Ye Hua looked at the two and said, "You two have heard what everyone wants, right? Yi Hong, this time, you should be the one to take the initiative! Don't always let the girl be the one to take the initiative!"

After hearing what Ye Hua said, Qing Ya and Donghuang Baizhi were very puzzled. What does Ye Hua mean by this time? Was there a time where something like this has happened before?

However, the two's attention was quickly attracted by the atmosphere.

Yi Hong was extremely nervous and did not know what to say or do.

Meanwhile, Zi Shan slowly closed her beautiful eyes.

"Kiss! Kiss! Kiss!" Suddenly, Lie Gu stood on his chair and began hooting.

Soon after, everyone followed along and began hooting too.

Looking at the scene, Ye Hua felt that he should hold more weddings in the future.

Finally, Yi Hong mustered his courage. After lightly holding onto Zi Shan's waist with one hand, Yi Hong lifted up Zi Shan's white veil with his other hand, then slowly lowered his head and kissed onto Zi Shan's bright red lips.

Ye Hua couldn't help but nod his head. This is more like it! This is precisely how a man should act! However, this little red is still not assertive enough.

Ardent applause began ringing out. Although there weren't any big shots here, everyone that was present was able to exterminate any big shots, especially the four sins.

"Don't be in a rush to head to the bridal room, I still have a few questions that I want to ask." Ye Hua said faintly.

Everyone couldn't help but become curious about what His Honor was going to ask.

Wei Chang thought to himself, "I have to memorize the questions that His Honor is going to ask, His Honor will definitely be testing us in the future."

Big Brother Green, on the other hand, took out a notebook and was prepared to write down the questions that His Honor asked.

"In the future, who will be the one to do the housework?" Ye Hua asked.

Everyone, "....."

Qing Ya and Donghuang Baizhi rolled their eyes at Ye Hua. You still have the cheek to ask such a question? Have you ever done any housework? All of the housework is done by Baizhi and me, while you act like a big boss every single day.

"Me." Yi Hong snatched to answer the question.

Hearing that, Ye Hua's expression sunk.

Ye Hua asked another question, "When there is a parcel delivery, who will be the one to open the door and take the parcel?"

"Me!" Yi Hong snatched to answer once again.

Ye Hua practically didn't have to ask anymore, Yi Hong was simply going to take charge of all of the chores.

Ye Hua ruthlessly took a glare at Yi Hong. Are you still a man or not? These kinds of things should be done by your woman, what are you doing by trying to snatch those chores for yourself to do!

Yi Hong naturally knew what the answers His Honor wanted were, but he just precisely wanted to take those chores for himself.

Ye Hua asked gravely, "In the future, who will be the one to cook meals!"

"Me." Zi Shan said unhurriedly.

Yi Hong was pleasantly surprised, while Ye Hua was very satisfied.

Qing Ya and Donghuang Baizhi really wanted to drag their man down from the stage. If you continue on messing around like this, those two are going to divorce on the day that they got married.

"Who will be the one to peel the crayfishes?" Ye Hua asked.

Zi Shan said unhurriedly, "Me."

Ye Hua took a look at little red. As a man, one should be assertive. If not, how would a man be able to have a footing in his household?

In actuality, the reason Zi Shan answered Ye Hua's questions was because she didn't want Yi Hong to offend His Honor. After all, she felt that she was not worth it for Yi Hong to offend His Honor.

Meanwhile, Wei Chang remembered His Honor's questions, while Big Brother Green jotted down His Honor's questions in a notebook. In the future, if there is a wedding, and I am acting as the wedding's emcee, I will follow along with how His Honor emceed during this wedding.

"The final event, tossing the bouquet! Those who are not married can come up to the stage to try and snatch the bouquet, the one who managed to snatch the bouquet should be able to have me, the Sup... have me emcee for their wedding!" Ye Hua who was in a happy mood almost made a slip of the tongue.

Qing Ya and Donghuang Baizhi could be seen to actually be the ones to take the lead to walk up to the stage.

Upon seeing that, Ye Hua took a glare at the two of them. What are you two coming up here for!

Qing Ya and Donghuang Baizhi rolled their eyes at Ye Hua. We want to get married too.

With the two madams up on the stage, who would dare to go up the stage?

Ye Hua shouted out, "That... who is it... Tang Wei! Come up here! Also, the three of you, come up here too! Wei Chang and Lie Gu, the both of you, come up here too! Also, little green, you too!"

"Brother-in-law, I want to come up to the stage too." Qing Yutong shouted out excitedly. All of the adults have gone up to the stage, it is not appropriate for me to remain seated here with an underage girl, right?

Ye Zizi was currently sucking onto a lollipop, and Jue Tian who was bored to death was sitting on Ye Zizi's lap.

"This has nothing to do with you, remain seated." Ye Hua took a glare at his sister-in-law. Your big sister is already messing around, and now, you want to join in on your big sister to mess around?!

Qing Yutong pouted her small mouth.

Yi Hong was very nervous. After all, the people who were standing behind Zi Shan and waiting for Zi Shan to toss the bouquet were all his seniors.

Lie Gu shouted out loudly, "Don't snatch with me, I want to get married!"

"Lie Gu, if you dare to snatch the bouquet from me, you are going to be dead meat for sure!" Qing Ya shouted out with a smile on her face.

"Lady boss, I am merely following the boss's order."

Wei Chang laughed heartily, "Lie Gu, the boss wants to stew you."

Immediately, all the ladies that were on the stage laughed.

Feeling that the atmosphere was more or less enough, Ye Hua shouted out, "Snatch properly, do not cheat!"

Everyone naturally wouldn't cheat, after all, if they were to cheat, it would become meaningless.

With her back faced against everyone, Zi Shan tossed the bouquet backward.

The bouquet drew an arc within the air.

Qing Ya and Donghuang Baizhi were standing too far forward, and the bouquet could be seen flying past their heads.

Wei Chang and Lie Gu could be seen jumping up to try and snatch the bouquet. However, in the process of trying to snatch the bouquet, the bouquet ended up getting sent flying away by the two.

Qing Yutong's eyes lighted up. Am I going to be able to obtain the bouquet even while being seated?

At this moment, a gust blew by, which ended up causing the bouquet to fly towards Jue Tian.

While with his brows wrinkled, Jue Tian stretched out his paw and slapped onto the bouquet.

Upon seeing that, everyone thought to themselves, "This cat sure has a temper."

And along with Jue Tian's slap onto the bouquet, in the end, the bouquet landed into Big Brother Green's hands.

[You Cannot Afford To Offend My Woman](#)

Chapter 305: A man who is called Chen Xuanzong

Big Brother Green didn't come back to his senses immediately, and after coming back to his senses, Big Brother Green immediately became excited, and to celebrate, he began doing Thomas flare on the spot.

Seeing that Qing Ya and Donghuang Baizhi rolled their eyes at him, Ye Hua expressed that there was nothing he could do about it. Who told you two to be so stupid, to actually stand so far at the front?

After the ceremony had ended, everyone began chatting with each other, the women formed a group, and the men formed another group.

The women were all asking the bride questions. Afterward, they began discussing things like makeup products and so on. And in actuality, for people like them, makeup products no longer had any huge effect on them anymore.

On the other hand, Ye Hua and the others naturally didn't discuss trifle things like the women did.

"Your Honor, according to the news that Xun Fang sent over, there have been a lot of foreigners showing up in the south. From the looks of it, those foreigners seem to be trying to fish for some easy benefits." Wei Chang said gravely.

Everyone remained silent, after all, how would they dare to speak when His Honor still hasn't spoken.

Ye Hua drank a mouth of champagne, then said, "Let them fish for whatever benefits that they can fish for themselves then, and after they have eaten their fill, we will catch all of them in one go!"

Lie Gu praised, "Your Honor is truly a master tactician, to give those people a smack on their heads right when they are about to succeed, Your Honor is truly formidable!"

"Lie Gu, when have you become so eloquent in speaking?" Ye Hua laughed lightly.

Lie Gu scratched onto his chin embarrassedly, "In order to increase my knowledge, I have been reading books lately."

"That is a good thing, knowledge is power. The two of you should also spend time on studying." Ye Hua looked towards the green and red brothers and said.

The green and red brothers naturally gave their word that they would spend time on studying. After all, in their eyes, if they followed along with His Honor's words, they would naturally be able to live well.

Seeing that Yi Hong had a look on him that seemed like he had something to say but didn't dare to say, Ye Hua asked curiously, "Little red, if you have something that you want to say, then say it, a man shouldn't hesitate back and forth!"

"Your Honor, can you take back the time limit of two months?" Yi Hong asked while trembling with fear.

The moment Yi Hong finished speaking, Wei Chang and Lie Gu's expressions immediately sunk, and even Big Brother Green also scolded his little brother for being extremely foolish!

You are asking His Honor to take back his own words?! Are you tired of living, or is it that, your powers have gone to your head?!

Yi Hong also realized that he had made a mistake. As Yi Hong lowered his head all the way down, he thought to himself, "I am really a fool, His Honor treats me so well, and yet I still tried to request His Honor to take back his own words."

Zi Shan was secretly observing the men's side, and when she saw Yi Hong lowered his head, and the others' expressions turned ugly, she more or less knew what Yi Hong had said.

Ye Hua patted Yi Hong's shoulder, and without saying anything, he walked towards his wives.

After shaking his head, Lie Gu walked away too. You are fortunate that today is your wedding day. If this was placed at normal times, His Honor would have definitely chided you for being disrespectful towards one's superior!

Ye Hua's action of patting little red's shoulder was that he wanted to tell little red that, I, the Supreme Overlord, am able to bestow you what you have now, but I am also able to take it all back! Do not forget your own position!

"Little red, don't bring this matter up to His Honor again, if not, the consequences will be very grave!" Wei Chang said gravely.

Right now, only Zi Shan herself could save herself from the current situation, and the way to save herself was to get pregnant as soon as possible. However, Zi Shan wouldn't do that, which caused Yi Hong to have no choice but to anger His Honor.

After finished speaking, Wei Chang went to accompany his girlfriend, leaving Big Brother Green to be the only person still standing with Yi Hong.

"Little brother, don't be disheartened, you can try to talk things out with Zi Shan and strive to get her pregnant as soon as possible. This way, nothing will happen in two months' time."

Towards his big brother's advice, how would Yi Hong not know that nothing would happen if Zi Shan became pregnant in two months' time? However, Yi Hong didn't want to force Zi Shan, and in actuality, he was already very satisfied with how everything was currently.

After chatting for quite a while, everyone began returning back home.

And on the way home, Ye Hua finally knew what it meant by reaping what one has sown.

"Ye Hua, when are you going to marry us?"

"Ye Hua, could it be that, you do not want to marry us?"

"Ye Hua, could it be that, you still have other women outside?"

"Daddy, Ah Li wants to marry too."

Qing Ya, Donghuang Baizhi, and Donghuang Li's voices constantly rang out in Ye Hua's ears, and Ye Hua felt like his head was starting to ache.

It seems like I cannot let them attend weddings anymore in the future.

However, regarding marrying the two women, Ye Hua had naturally thought of it before.

My wedding with them has to be the grandest in the entire universe. However, for that to happen, it will still have to take some time, because I still have not conquered this entire universe.

.....

Zijin City!

Qing Family's villa.

A handsome-looking man who was driving a Bentley stopped the Bentley in front of the villa's doorway.

The man carried a lot of gifts from the car, then walked to the front of the door and knocked on the door.

The door could be seen being opened, and a woman appeared behind the door. The woman was precisely Qing Ya's mother, Zi Han.

Looking at the unfamiliar handsome man, Zi Han asked confusedly, "You are?"

"Aunt Zi, do you not remember me? I am Chen Xuanzong. Back when I was small, I had even come to your house to play. During the time when I attended school, I used to walk back home together with Qing Ya every day. At that time, I was still very fat." While speaking, Chen Xuanzong puffed his cheeks to prove that he was the fatty from back then.

Zi Han suddenly recalled. Back then at Long'an City, a family with the surname Chen did indeed live next door to me. This Chen Xuanzong, I still remember that he was very fat when he was still small. It has only been a few years since I have last seen him, and he has now already become so handsome.

"Ah, so you are Xiao Chen! Come on in." Zi Han said with a slight smile.

"Thank you, aunt."

Chen Xuanzong changed into slippers, then walked into the house.

All of this feels so familiar, seemingly like it was still yesterday.

“Aunt Zi, is Qing Ya not home?” Although Chen Xuanzong knew why Qing Ya wasn’t home, he still couldn’t help but ask. After all, what if history had changed?

The moment her daughter was mentioned, Zi Han let out a deep sigh.

Seeing that Aunt Zi’s expression didn’t look good, Chen Xuanzong knew that history did not change, and Qing Ya was still engaged to that bastard, Long Aotian!

“Aunt, please take a seat.” Chen Xuanzong placed the gifts down, then helped Aunt Zi to the sofa.

Look at this handsome and outgoing young fellow, isn’t he much better than that Ye Hua who always has a cold look on his face? Why is Qing Ya so stubborn?

Zi Han let out a heavy sigh, “Xiao Chen, truth to be told, Qing Ya left home in a fit of pique and is currently staying outside.”

As expected, nothing has changed. That damned Long Aotian, not only did he harm Qing Ya, but he also harmed Qing Yutong too, he is simply inhumane.

Brother, since Ye Hua appeared, your memories have already become messed up. Right now, Long Aotian was still struggling deep within the mountains.

“Although Qing Ya’s temper is not good, she still cares about her family.” Chen Xuanzong was naturally going to speak good things about Qing Ya, and at the same time, express his reason for coming here today.

Zi Han naturally still had a bit of impression of Chen Xuanzong. I remember that Xiao Chen used to be very shy back then, and now, he has become tall and handsome. Looking at him, he is indeed suitable enough to be Qing Ya’s partner.

“Don’t bother trying to say good things about her, just mentioning her is making me angry!”

Chen Xuanzong laughed lightly, appearing very refined. This caused Zi Han to feel that Chen Xuanzong was much steadier compared to Long Aotian.

“Xiao Chen, back then, why did your family suddenly move house?” Zi Han asked curiously.

Chen Xuanzong’s expression froze.

That time, it was not that my family moved house, it was that my family had been exterminated. Back then, because I wasn’t at home, I managed to escape death. Afterward, I continued living while with my identity concealed. However, I would still regularly check on how Qing Ya was doing.

However, one day, when I heard of the news that Qing Ya had committed suicide, I began to become addicted to drinking, and in the end, I jumped into a river and died.

But who would have known, I ended up reborn in a different world, and after hundred years, I finally became a demon emperor! And right now, I have returned back to earth!

Chen Xuanzong said with a light smile, "Aunt, my family moved because of business-related issues. Back then, because we left in a hurry, I didn't have the time to even say goodbye to Qing Ya."

"It's fine, it's fine, I will give Qing Ya a call now and tell her to come back. I really can't put my mind at ease with her staying at the south." While speaking, Zi Han picked up her phone and called her daughter's phone number.

Currently, Qing Ya was being pressed down onto by Ye Hua's body, and Ye Hua was enjoying Qing Ya's soft and sweet lips.

"Don't mess around anymore, my phone is ringing."

"Don't pick it up!" Ye Hua said gravely. I, the Supreme Overlord, am currently enjoying myself, no one is allowed to interrupt me!

"Just wait for a bit~" Qing Ya rolled her eyes at Ye Hua.

Ye Hua wrinkled his brows, "Make it quick!"

After picking up her phone, Qing Ya realized that it was her mother who was calling her.

It has been a very long time since I have last seen mom, I do quite miss her.

"Mom." Qing Ya called out tenderly.

[You Cannot Afford To Offend My Woman](#)

Chapter 306: Going back to parental home

When Ye Hua heard the word "mom", he immediately wrinkled his brows as he had a bad feeling.

Zi Han said delicately, "Ya'er, mom misses you."

Zi Han's words straightforwardly pierced through the deepest and tenderest part of Qing Ya's heart.

Thinking about it, it has indeed been a very long time since I went back home to visit mom. Sigh...

"Mom, I miss you too." Qing Ya sat straight up on the bed and said tenderly.

Ye Hua pulled Qing Ya into his embrace and gave Qing Ya a warning look. It has only been a few days since you came back home, and yet you are intending on going out again?

"Ya'er, I heard your dad said that south isn't quite peaceful during these recent days, we can't put our minds at ease knowing that you two sisters are currently staying at south."

"Mom, you can be at ease, Yutong and I are very safe, nothing will happen to us." Qing Ya consoled her mom.

This damned fellow, I'm on the phone, and yet he is still messing around, caressing my body!

Zi Han said faintly, "Your dad is tough on the outside but soft on the inside, in actuality, he misses you two very much, and his body hasn't been feeling well during these few days. Also, your grandpa and grandma are here at the villa too, they have been staying at the villa since a few days ago."

After thinking about it, it makes sense. Dad definitely received news that south isn't safe, and thus, he called grandpa and grandma to come over and stay at the villa.

Hearing that her daughter wasn't saying anything, Zi Han held onto her forehead and said, "Mom's body hasn't been feeling well too during these few days."

Now that Zi Han had spoken up to this point, if Qing Ya were to still not go back home and visit her family, it would really be unfilial of her.

"Mom, I get it, I will come back home with Yutong in a few days." Qing Ya said helplessly.

Ye Hua's gaze turned cold. What are you saying? You are going to be staying outside again? Are you thinking of dying!

"Ya'er, don't wait a few days, come back home tomorrow, mom misses you."

"Alright, alright, alright, I will come back home as soon as possible."

Hearing that her daughter agreed to come back home, Zi Han let out a breath of relief, then hung the phone.

"This Ya'er, she is truly worrisome, I have to feign that I am sick, then would she be willing to come back home." Zi Han said helplessly as she stood up and poured a cup of water for Chen Xuanzong.

"Thanks." Chen Xuanzong said as he took over the cup. Afterward, he said, "Aunt, no matter what is said, Qing Ya still cares about you."

While with a smile on her face, Zi Han asked curiously, "Xiao Chen, do you have a girlfriend?"

"Sigh, it is hard to find a girlfriend, I am currently still single." Chen Xuanzong laughed embarrassedly.

Zi Han smiled, "Xiao Chen, don't say that, with your conditions, it is easy for you to find a girlfriend if you want to."

"Indeed, but it is hard to find one who I truly like." Chen Xuanzong let out a breath. In this entire lifetime of mine, I have only truly liked one person.

Zi Han seemed to have understood something, and all she could do was cover her awkwardness by taking a sip of her tea.

Chen Xuanzong also knew that he had spoken too much and thus he apologized, "Aunt, I'm sorry."

"It's fine."

"Alright, I still have some other matters to attend to, so I will be taking my leave now. In any case, I shouldn't be taking up any more of aunt's time." Chen Xuanzong stood up and said. Chen Xuanzong acted very modestly, and Zi Han was very fond of how modest Chen Xuanzong was.

Zi Han nodded her head, "Alright, Xiao Chen, take care."

"Ah, that's right, Xiao Chen, give me your phone number, when Ya'er returned home, I will tell her to give you a call."

Chen Xuanzong became exulted as he took out a business card and handed it over to Zi Han, "Thank you, aunt!"

"En, aunt has high hopes for you."

After walking out of Qing Family's villa, Chen Xuanzong let out a breath.

During my past life, I wasn't able to bring happiness to Qing Ya. However, this lifetime, I will definitely properly cherish her and not allow her to suffer any harm!

Zi Han who was within the house took a look at the business card. The business card was pure gold, and on the front of the business card, only a name was carved on it, and the name was naturally Chen Xuanzong's name. As for the back of the business card, there was a phone number carved on it.

This business card looks very imposing, this Xiao Chen seems to be doing pretty well for himself. Not bad.

"Zi Han, who came just now?" Qing Yutong's mother, Wang Muqing, walked down the stairs while yawning.

Zi Han smiled lightly, "Ya'er's childhood friend."

"Qing Ya and Qing Yutong, those two are truly worrisome..." Wang Muqing poured a glass of water, and that coquettish look on her was truly beautiful. Qing Ya and Qing Yutong's father could truly be said to be a man who knows how to enjoy life.

"I gave Ya'er a call just a while ago, she will be bringing Yutong back home with her."

"Really?" Wang Muqing cried out in surprise.

Zi Han nodded her head. As long as it is something that my daughter herself said that she would do, she would definitely do it.

However, there was a very grave consequence for Qing Ya's action of giving her word that she would go back home as soon as possible, and the consequence was that she was going to be ruthlessly bullied by Ye Hua.

"You are going to go back home?" Ye Hua questioned coldly.

Qing Ya placed her phone down, then stared straight at Ye Hua's eyes. Right after, Qing Ya suddenly pushed onto Ye Hua with her hands!

Qing Ya pushed Ye Hua down onto the bed, then boldly kissed towards her own man.

I precisely like how domineering this woman is!

"Ye Hua~"

Ye Hua couldn't stand this kind of voice the most, upon hearing this voice that Qing Ya made, he immediately got goosebumps.

Every time when she has a request, she would act like this.

“Ye Hua~ Hmmm~ Hmmm~ Hmmm~”

Ye Hua asked gravely, “How many days will you be away for?”

“Erm... half a month?”

“Half a month?!” Ye Hua shouted out gravely. Ever since Qing Ya awakened that whatever blood vessels of hers, she has been constantly going out and staying away from home. Even I, the Supreme Overlord, am not even as busy as this Qing Ya is!

“10 days then.” Qing Ya shook onto Ye Hua’s arm and pleaded.

Ye Hua said gravely, “A week! If you don’t return back home in a week, don’t blame me for coming over to drag you back home!”

“Alright, a week it will be then~” Upon hearing that Ye Hua agreed for her to go back home for a week, Qing Ya immediately jumped off the bed.

As expected, I cannot agree to her requests too easily, the moment I agreed to her requests, she immediately changes her face.

Also, isn’t a week a bit too long? I should have just given her 2-3 days instead.

Qing Ya opened the wardrobe, intending to prepare the clothes that she will be needing for the trip back to her parental home, “Ye Hua, during the time where I am not home, you can just focus on making a new child with Baizhi.”

“Hah.” Ye Hua laughed coldly.

“Also, tomorrow is the day that Ye Zizi has to report to school, don’t you forget about it!” Qing Ya reminded.

Ye Hua was very unhappy, “This was obviously your job, and yet now, you are pushing your job onto me.”

“You are my husband after all, right~ Muacks~”

There was nothing wrong with what Qing Ya said.

“What are you packing your clothes so early for?”

“Well, the earlier I leave, the earlier I come back. And the earlier I come back, the higher the chances that a certain king of jealousy won’t flip out.”

The corner of Ye Hua’s mouth twitched. Ye Hua snorted coldly, “Would I, Ye Hua, become jealous? You are dreaming too much.”

“It would be the best if you really won’t become jealous. Come, let your wife have a kiss~ Good boy~”

“.....” Do you take me as a three-year-old child and think that just by giving me a kiss, everything would be fine? Aren’t you going to at least give me a hug too?

After finished packing her clothes, Qing Ya booked an afternoon flight. As for why Qing Ya doesn't just fly over to her destination, that was because Qing Ya didn't want to lose the line of thought that a normal person possesses.

Just like Ye Hua, when the situation wasn't very urgent, Qing Ya would choose to travel by vehicle.

Qing Ya walked to Qing Yutong's bedroom, and without too long, Qing Yutong could be heard howling in grief.

What's the matter with big sister, did she discover her conscience?

While holding onto his crutch, Ye Hua said to Qing Yutong, "Stop making a scene already. If your big sister is telling you to go back home with her, then just go back home with her."

Meanwhile, Ye Hua secretly sent a communication transmission to Qing Yutong, "Properly look after your big sister for me. When you come back, I will let you eat meat!"

Upon hearing that there was meat to eat, Qing Yutong's expression changed, "Big sister, it has indeed been a very long time since we have last returned home, I will quickly go and pack my things now."

Qing Ya was no longer an ordinary human now. Although she wasn't able to hear what was said in the communication transmission, she knew that Ye Hua sent a communication transmission to Qing Yutong.

This fellow, to actually sent a spy to watch after me! This fellow is truly petty. However, this fellow's action does make me feel delighted.

"Zizi, I will be heading back to my parental home for a few days, you have to be obedient while I'm not home, okay?" Qing Ya rubbed onto Ye Zizi's head and reminded.

Ye Zizi nodded her head, "I will definitely be obedient!"

Upon hearing that, Ye Hua thought to himself, "I will be damned if I believe you."

You Cannot Afford To Offend My Woman

Chapter 307: Enjoy a world of two people

Right at this moment, while carrying her daughter, Donghuang Baizhi walked into the bedroom, "What's going on?"

"Qing Ya is going to go back to her parental home for a few days." Ye Hua said faintly.

Qing Ya pinched onto Donghuang Li's cheek, "Baizhi, Ye Hua will be in your care for the next few days, I won't be disturbing you two's world of two people."

Donghuang Baizhi's face turned red.

"Aunt Qing, are you going to go out and have fun? Ah Li wants to go out and have fun too." Donghuang Li stretched out her hands towards Qing Ya, evidently wanting to be carried by Qing Ya.

Qing Ya carried over Donghuang Li, "Aunt Qing is not going out to have fun, Aunt Qing is going back to her parental home to visit her father and mother."

"Is that so? According to etiquettes, Ah Li should visit Aunt Qing's father and mother too. If not, Ah Li would seem very ill-mannered." Donghuang Li said, causing everyone to laugh.

Ye Hua suddenly had a bright idea, "Qing Ya, how about you bring Ah Li along with you."

"Ah?"

"Ah?"

Qing Ya and Donghuang Baizhi cried out in surprise.

After crying out in surprise, Qing Ya immediately knew Ye Hua's intentions.

Meanwhile, Donghuang Baizhi ruthlessly took a glare at Ye Hua.

"Daddy is the best, Ah Li precisely likes daddy." Donghuang Li jumped down from Qing Ya's embrace, and without too long, Donghuang Li could be seen entering the room while pulling onto a small suitcase.

"Ah Li has finished preparing, when are we going to head out?"

Everyone, "....."

Afternoon 3 pm, Ye Hua naturally had to accompany Qing Ya and his daughter to the airport. Donghuang Baizhi followed along too, because later on, Donghuang Baizhi was going to be in charge of driving the car back home.

When Ye Hua drives, he was basically playing bumper car. When he sees someone else cuts in front of his car, he would step down on the pedal and hit onto the car that cut in front of him.

A handsome man, an adorable little girl, and three super beautiful women. When the four arrived at the airport, they naturally attracted others' gazes.

Many foreigners took out their handphones and took photos of the three beautiful women. After all, women that were as beautiful as the three were very hard to find.

"Baizhi, you two can head back home already, I will take good care of Ah Li." Qing Ya who was carrying onto Donghuang Li said with a slight smile.

Donghuang Li said with her sweet voice, "Daddy, mommy, you two can head back home, Ah Li will take good care of Aunt Qing."

Of course, Qing Yutong dressed up as her big sister once again. While wearing earphones and sucking on a lollipop that Ye Zizi gave to her, Qing Yutong stood behind her big sister, completely having the image of a bad girl.

Ye Hua silently nodded his head, then soon after, said, "Qing Ya, I have a few questions to ask you."

"Daddy is about to give Aunt Qing a test~"

Everyone laughed helplessly.

Ye Hua said faintly, "Do you know what the punishment is if you get any of the questions wrong?"

"To give you a kiss." Qing Ya said as she pouted her mouth. This fellow, he wants to act cool in public again...

"It is good that you know what the punishment is. I will ask you the first question now then, what should you wear when you go to a class reunion?"

Qing Ya laughed lightly, "Class reunion? I absolutely won't go to the class reunion."

Donghuang Baizhi covered onto her mouth and laughed lightly.

Towards Ye Hua's questions, the two women had already long undergone a long discussion with each other.

"Aunt Qing is the best~" Even Donghuang Li knew the answer to that question too, and while praising Qing Ya, Donghuang Li kissed onto Qing Ya's cheek.

"You are lucky, you guessed correctly." Ye Hua was currently unhappy. Can't you just let me enjoy others' gazes of envy?

"Me and..."

Before Ye Hua even finished speaking, Qing Ya said, "I only have you in my heart."

Upon hearing that, even Donghuang Li turned red from embarrassment, and Donghuang Li could be seen burying her head in Qing Ya's embrace.

Ye Hua let out a sigh. Seems like I, the Supreme Overlord, have to think of another way.

However, right when Ye Hua was feeling disappointed, Qing Ya tipped onto her toes and gave Ye Hua a kiss on his cheek. Soon after, Qing Ya pulled onto her suitcase, "Alright, the two of you can head back home already, we will be heading to our flight now."

Looking at their backs that were getting further and further away from him, Ye Hua rubbed onto his cheek. This Qing Ya, she is truly becoming more and more mischievous.

Soon after, Ye Hua swept his eyes around his surroundings. Humans, go on and gasp in surprise at my luck with women, my luck with women is something that you all won't ever be able to enjoy in your entire lifetime!

After finished thinking those words to himself, Ye Hua held onto Donghuang Baizhi's waist. Who dares to act cool in front of me, the Supreme Overlord!

Donghuang Baizhi was helpless. This fellow's acting cool after smoking syndrome has become more serious, his symptom is now able to start acting up even when he hasn't smoked a cigarette.

"Baizhi, let's go back and start making a new child." Ye Hua was a bit excited. After arriving back home, I have to do some warmup first in order to prevent my lower back from spraining.

After getting into the driver seat, Donghuang Baizhi rolled her eyes at Ye Hua, "You best rest a few more days first, don't end up spraining your lower back."

I, the Supreme Overlord, am currently lively as a dragon, I'm able to fight for three days and three nights without any problem!

"Alright, let's properly enjoy our world of two people."

A layer of bright red appeared on Donghuang Baizhi's face.

This is indeed a hard to come by chance for me to be able to enjoy a world of two people with Ye Hua.

Upon thinking up to here, Donghuang Baizhi suddenly began feeling nervous.

Ye Hua who was sitting at the front passenger seat said faintly, "Baizhi, don't end up being like that time, fainting in just a few hours."

"Ye Hua!" Donghuang Baizhi said coquettishly. It has already been three years since that matter, and this guy is still bringing it up!

Ye Hua turned his head around and looked towards Donghuang Baizhi, "Baizhi, I precisely like how beautiful you were during that night."

"Don't mess around, I'm currently driving!" Donghuang Baizhi bit onto her lip. This fellow, he sent everyone away so that he could lay his hands on me, what a scheming person he is!

"Haha."

Ye Hua wants to express that he was very happy. I am going to be able to enjoy this mature body of Donghuang Baizhi's soon, just thinking about it is making me excited.

On the other side, it was Donghuang Li's first time flying on an airplane, and she was very excited.

Because the trip was very rushed, Qing Ya wasn't able to buy business class seats and was only able to buy economy class seats.

However, since economy class seats were laid out in three by three, it was just nice for the three to sit together.

Donghuang Li naturally sat at the window seat, so that she could see the white clouds.

"Ah Li, fasten your seat belt." Qing Ya reminded.

Donghuang Li quickly fastened her seat belt, then asked curiously, "Aunt Qing, daddy and mommy are making a new child together at home, are you not angry~"

Qing Ya went into a daze for a moment, then rubbed onto Donghuang Li's head.

If I would become angry because of this, I would have long died from anger.

Now that things have reached this point, there is no point in being angry or whatsoever. Furthermore, Donghuang Baizhi is pretty good, I'm able to accept her. However, she is the only one that I can accept!

"Hmmm, if it was in the past, I would become angry, but at present, I won't anymore." Qing Ya smiled tenderly.

Donghuang Li nodded her head, totally having a look on her like she was a little adult, and seemed like she was trying to say, “I understand everything, you don’t have to explain anymore.”

Qing Yutong pouted her mouth. Big sister really changed.

Or perhaps, I should say, love changed both big sister and brother-in-law.

“Master, it has already been so long since you set aside the mission of pushing over your brother-in-law, when are you going to continue with this mission?” Qing Yutong’s system asked.

While listening to a song, Qing Yutong replied, “Let’s talk about this matter at another time, I want to sleep now.”

In the past, I have indeed thought of pushing over brother-in-law, but after seeing how brother-in-law and big sister got into quarrels with each other, I suddenly don’t feel like pushing over brother-in-law anymore.

In anyways, with such a formidable brother-in-law to back me up, there isn’t really any difference whether if I pushed over brother-in-law or not. If I get bullied, would brother-in-law not seek justice back for me?

Therefore, it must be said that, it is not bad to be a sister-in-law.

“Aunt Qing.” Donghuang Li called out.

Qing Ya and Qing Yutong both looked over to Donghuang Li.

Donghuang Li pursed her lips. Whenever I am with both big Aunt Qing and small Aunt Qing, when I say “Aunt Qing”, both of them would turn their heads over to me.

“Aunt Qing, Ah Li feels that Ah Li should change how Ah Li addresses Aunt Qing.”

Qing Ya smiled sweetly, “Alright, then, how would Ah Li like to address Aunt Qing?”

“Hmmm, Mommy Qing~”

Amused by what Ah Li said, Qing Yutong laughed.

Meanwhile, Qing Ya petulantly gave her little sister a poke on the shoulder.

Looking at Ah Li’s eyes that were filled with anticipation, Qing Ya spread out her hands helplessly, “Alright. However, when we are in front of Mommy Qing’s family, Ah Li cannot address Mommy Qing as Mommy Qing, okay?”

“En, Ah Li understood.”

[You Cannot Afford To Offend My Woman](#)

Chapter 308: Sage Doctor Song Huang

Later on, when we arrived at the villa, and Ah Li were to call me mommy, my mother would most probably become stupefied.

The airplane smoothly and steadily landed at Zijin City’s international airport.

Qing Ya carried Donghuang Li who was currently fast asleep, while Qing Yutong was in charge of pulling the suitcases. All for the sake of eating meat, Qing Yutong was working hard.

After hailing a cab, they straightforwardly headed back to their home.

The two's parents most likely did not expect that their daughters would return back home so fast. And Qing Ya and Qing Yutong were obviously intending on giving their parents a surprise.

When they arrived at the front door of their house, it was already 7 pm, exactly the time for dinner.

Qing Ya was still carrying onto Donghuang Li who was still fast asleep, while Qing Yutong had already removed her makeup when she was in the cab, so as to prevent her parents from nagging at her...

Ding... ding...

The person who opened the door was Uncle Fu.

"The two misses?! Sorry, I got too exhilarated. The two of you finally returned home!" Uncle Fu was very exhilarated. This is the first time in a long while since I have last seen the two misses coming back home together, the last time that I have seen the two misses come back home together was when they were still attending school.

"Uncle Fu."

"Uncle Fu."

Qing Ya and Qing Yutong greeted cordially.

"The two misses, please quickly come on in, master and the madams are currently having their dinner." Uncle Fu took over the suitcases from Qing Yutong, and Qing Ya and Qing Yutong walked into the house.

Donghuang Li was still fast asleep. It was normal for a child to like to sleep.

The two sisters walked to the dining room, and their family could be seen to be present at the dining room.

Upon seeing Qing Ya and Qing Yutong walked into the dining room, everyone was surprised.

Zi Han and Wang Muqin were very happy. It was just earlier this noon that I gave Ya'er a call and told her to come back home, and right after the phone call, she actually immediately flew back home on the same day. Ya'er has truly become a lot more sensible than she was in the past.

Looking at Qing Huaxuan, who was Qing Ya and Qing Yutong's father, there was happiness in his gaze, but he still had a cold look on his face, seemingly to not be able to put his face down.

Grandpa, Qing Chengren, let out a benevolent smile, while grandma, Mei Xunshuang, looked confusedly at her two granddaughters. From the looks of it, Mei Xunshuang's dementia has become even more serious. Right now, she couldn't even recognize Qing Ya and Qing Yutong anymore.

However, this time, Qing Ya possessed the capability to treat her grandma's dementia.

"Ya'er, Yutong, the two of you still haven't eaten dinner, right? Come over and take a seat, mom will go and get a bowl of rice for each of you." Zi Han was even crying tears of joy.

The last time where Ya'er left home, she left home in a pique of fit. It has been so long since then, and Ya'er has now finally returned home.

Just that, whose child is it that Ya'er is carrying onto?

"Qing Ya, whose child is it that you are carrying onto?" Qing Chengren asked.

Qing Ya said tenderly, "This is my friend's child, I will be taking care of her for a few days, count it as a warmup for when I finally finish giving birth to my child."

Qing Ya's words immediately reminded everyone that there was still a child within Qing Ya's stomach.

Qing Yutong silently praised her big sister for being formidable. As expected of big sister, after awakening her blood vessels, her temperament has changed too.

Qing Chengren seemed to have come to accept the fact that Qing Ya was pregnant with a child, and he could be seen saying gravely, "Qing Ya, since it is your friend's child, you have to properly look after the child then, don't be careless and allow any accident to happen."

"Grandpa, I got it."

Zi Han hurriedly placed some vegetables into her daughter's bowl, "Enough chatting already. Qing Ya, do eat more."

"Mom, you should eat more too."

"Hmmm~" Donghuang Li suddenly let out a sweet yawn.

After rubbing her hazy big eyes, Donghuang Li asked, "Mommy Qing, where are we?"

Mommy?

Everyone was confused, and Qing Yutong felt that Little Ah Li was simply here to troll her big sister.

"Ah Li, we have arrived home."

Donghuang Li went into a daze for a moment, "Aunt Qing, so we have arrived, Ah Li dreamt of mommy just now."

Qing Ya smiled and thought to herself, "This Little Ah Li sure is smart."

Donghuang Li could be seen taking a look at everyone that was present at the dining room, then got off from Qing Ya's embrace, stood up straight at Qing Ya's side, and shouted out, "Grandpa, grandma, uncle, aunts, hello everyone, I am called Donghuang Li, this is the first time that Ah Li has met everyone, please do treat Ah Li kindly. Ah Li still does not have any income yet, thus, Ah Li didn't have money to buy gifts. Therefore, don't blame Ah Li for not bringing gifts. Wait till Ah Li grows up and has money, Ah Li will definitely not come over and visit you all while empty-handed."

Donghuang Li felt that she didn't throw her daddy's face. Daddy is not here, therefore, it is only natural that I will be representing daddy.

Everyone went into a daze. This little child sure is well-mannered.

If they were to find out that Donghuang Li was Ye Hua's daughter, they would definitely not believe it. After all, the father was extremely cocky, always acting like he was the number one in the world, and yet, the daughter was actually this well-mannered and adorable? How was this even possible?

"Qing Ya, whose child is this? This child sure is clever." Wang Muqing was very fond of Donghuang Li, and she could be seen walking over to Donghuang Li and carried Donghuang Li up from the floor.

Qing Ya said, "This child belongs to a close female friend of mine."

Donghuang Li precisely likes hearing adults praise her.

"Ah Li promised mommy that Ah Li would take good care of Aunt Qing." Donghuang Li began showing off just how sensible she was.

Qing Ya and Qing Yutong laughed.

And Zi Han could be seen walking over to Donghuang Li and said with a smile on her face, "Ah Li sure is sensible."

Chen Huaxuan said faintly, "Alright, all of you, go back to your seats and start finishing dinner, the food is getting cold already."

At the dinner table, Donghuang Li helped pick up and place foods into everyone's bowl, causing everyone, including Qing Huaxuan who rarely smiles to smile happily.

This little girl sure is sensible.

Seeing that everyone has pretty much been made happy by her, Donghuang Li said in a low voice to Qing Ya, "Mommy Qing, you can be at ease, Ah Li will protect you, this is the mission that daddy gave to Ah Li."

Qing Ya smiled very sweetly as she said in a low voice, "As expected, Ah Li is the best."

"That is only natural."

Qing Huaxuan placed his chopsticks down and said faintly, "Qing Ya, Yutong, now that you two have returned home, don't go back to the south anymore, south has recently become a very dangerous place to live in."

Zi Han followed along and said, "That's right, I heard that many people have died in the south."

"Dad, mom, big sister and I intend on going back after resting for a week. After all, we still have a lot of work to do over at the south." Qing Yutong was naturally going to speak up for her big sister.

If I don't go back to the south in a week, brother-in-law won't bring me to act cool anymore.

In actuality, what Qing Yutong worried about the most was that, if they don't return back in a week, her brother-in-law would come over here to drag them back.

"Whose child is this? Is this Ya'er's child?" Mei Xunshuang suddenly cried out in surprise, causing everyone to become startled.

Seeing that his partner's dementia had become even more serious, pain appeared in Qing Chengren's gaze.

"Has granny's dementia gotten worse?" Qing Ya asked gravely. I wonder if I am able to cure granny's dementia with my powers or not.

Qing Huaxuan let out a breath, then said faintly, "Qing Ya, don't worry about your granny's dementia, your grandpa has already invited Sage Doctor to come over and treat your granny's dementia."

Sage Doctor?

Qing Ya and Qing Yutong were both confused.

Qing Chengren smiled, "Qing Ya, Yutong, the two of you probably still do not know that, in the north, there is a Sage Doctor! This Sage Doctor's tracks are hard to track, and his medical expertise is seemingly like that of an immortal. It is very hard to invite this Sage Doctor even if one has money. This time, for Sage Doctor to be willing to come over and treat your granny's dementia, it could be counted as our Qing Family being fortunate."

Qing Yutong placed the drumstick that she was holding in her hand down in her bowl, then asked curiously, "Grandpa, how were you able to invite such a formidable person over to treat granny's dementia?"

"Well, I contacted an old comrade-in-arms of mine, and after great difficulty, I managed to find out Sage Doctor's whereabouts."

Qing Ya was a bit worried. I hope that grandpa didn't end up inviting over a swindler.

"Grandpa, what is this Sage Doctor's name?"

"Song Huang."

Both Qing Ya and Qing Yutong have never heard of such a person.

However, Donghuang Li, on the other hand, she had once almost killed Song Huang.

Back then when Xun Yi and the others went to snatch over Xiao Yi's Xuan Yuan Sword, Song Huang was present at the scene.

And during then, when Ye Hua was controlling Xuan Yuan Sword and killing people that were at the scene, there was a moment where Donghuang Li suddenly shook onto Ye Hua's hand, causing Xuan Yuan Sword to fly around in disorder.

When Xuan Yuan Sword flew around in disorder, some people died, while some people lost their manhood. Therefore, Ah Li could be said to have indirectly killed quite a number of people.

[You Cannot Afford To Offend My Woman](#)

Chapter 309: Rival in love has appeared.

Right at this moment, Qing Chengren's phone suddenly rang, and the person who called Qing Chengren's phone was Qing Chengren's old comrade-in-arms.

“Ah? You are saying that Sage Doctor will be coming over tonight?” Qing Chengren cried out in surprise.

“Haha, alright, alright, I got it, thank you!” Qing Chengren hurriedly gave his thanks, then soon after, placed his phone down.

My partner’s dementia can finally be cured.

Qing Ya decided to watch and see how things go for now. If that Sage Doctor or whatever is a swindler, I will chase him away, then try and see if I can cure granny’s dementia by myself or not.

“Everyone, quickly finish dinner, then prepare to welcome Sage Doctor.” Qing Huaxuan said hurriedly.

Qing Ya suddenly recalled of Donghuang Baizhi. Baizhi’s Voidless Realm is north’s big power, so wouldn’t a mere Sage Doctor have to obediently listen to Baizhi’s words?

Meanwhile, Qing Yutong thought differently. My brother-in-law is a Supreme Overlord, a mere Sage Doctor is nothing at all, even a mere sneeze from brother-in-law is enough to kill this whatever Sage Doctor.

And lastly, Donghuang Li’s thoughts were much simpler. Daddy is the most formidable man in the entire world, no other man can be compared to daddy at all.

After finishing dinner, everyone helped to clean up, then began waiting for Sage Doctor’s arrival.

Zi Han was currently chatting with her daughter, and from time to time, she would take a look at her daughter’s stomach. Towards the child that was in her daughter’s stomach, Zi Han felt very conflicted, she wants her daughter to abort the child, but at the same time, she also wants her daughter to keep the child.

“Ya’er, do you still remember that neighbor of ours when we lived in Long’an City?” Zi Han asked.

Qing Ya tried recalling, and soon after, she nodded her head.

I do indeed still remember that neighbor, back then when that neighbor suddenly disappeared, I even felt a bit disappointed.

However, at that time, I was still a young girl and was at the age where I was starting to become interested in the opposite sex. Thinking about it now, that period of time feels insignificant. Right now, my heart is currently entirely filled with Ye Hua.

“Xiao Chen came over here today. You should have seen how Xiao Chen looked right now, Xiao Chen has become very handsome.” Zi Han began praising Chen Xuanzong, unbeknownst that her daughter’s heart had already been sealed tight by Ye Hua.

Qing Ya went into a daze for a moment, “Chen Xuanzong came over here?”

Donghuang Li who was sitting on Qing Ya’s lap had a trace of a bad feeling. This Chen Xuanzong is definitely a male!

Even Qing Yutong who was at the side was able to hear the surprise in her big sister’s tone.

A big matter has occurred!

This Chen Xuanzong is not a simple character!

Back then, it was not Chen Xuanzong who was secretly in love with big sister, and instead, it was big sister who had a crush on Chen Xuanzong. Just that, in the end, that Chen Xuanzong disappeared. I remember that, during that day, big sister was even prepared to go and give a love letter to that Chen Xuanzong.

I didn't expect that after disappearing for so long, this Chen Xuanzong would suddenly appear again! Brother-in-law, you have to be careful, your opponent is very formidable!

"I'm going to the toilet for a while." Qing Yutong muttered.

How would Qing Ya not know what her little sister was intending to do? Qing Ya hurriedly shouted out, "Yutong, what are you intending to do!"

"Use the toilet, of course." After finished speaking, Qing Yutong immediately sold out her big sister and went to report the matter to her brother-in-law.

Qing Ya was helpless. That matter where I was intending to give a love letter to Chen Xuanzong happened when I was still attending school, so how could it count as a valid matter? Moreover, during back then, in the end, I didn't even give the love letter to Chen Xuanzong.

All of my first times were given to Ye Hua, but according to the personality of this king of jealousy, he would definitely lay his hands on Chen Xuanzong.

No matter what, Chen Xuanzong is still my childhood playmate, therefore, I have to prevent Ye Hua from acting recklessly.

.....

Long'an City, within the bedroom that was located at Leisure Bar's second floor.

Tonight, Donghuang Baizhi wasn't going to be able to run away no matter what, and right now, Donghuang Baizhi was pressed down onto by Ye Hua's body.

Ye Hua was enjoying the empress's tender body, while the empress was letting out uncontrollable moans.

From the looks of it, tonight was going to be a repeat of that night from three years ago.

While kissing Donghuang Baizhi's cherry lips and caressing each and every inch of Donghuang Baizhi's body, Ye Hua thought to himself, "To possess such a tender and lovely body, as expected of my woman."

Ring, ring, ring.

Ye Hua's phone rang.

Ye Hua declined the call.

Ring, ring, ring, the phone rang again.

"Ye Hua, pick up your phone first." Donghuang Baizhi said while with her face red.

Knowing that she wouldn't be able to escape from Ye Hua tonight, Donghuang Baizhi gave in to her fate and allowed Ye Hua to bully her however he liked.

While feeling irritated, Ye Hua got off from the bed.

After taking a look at his phone, he found out that it was his sister-in-law who was calling him.

This Yutong, she really picked a good time to call me.

After picking up the phone, Ye Hua said gravely, "Yutong, you better give me a good explanation, if not, you are going to be in for a good treat when you returned home."

Qing Yutong who was sitting on the toilet bowl said hurriedly, "Brother-in-law, a big matter happened!"

A big matter happened again?!

Why do all of you like to use "big" to describe matters? No matter how big a matter is, within my eyes, it is but a small matter!

"What matter is it?" Ye Hua asked gravely.

"Brother-in-law, your rival in love has appeared!"

"Rival in love?" Ye Hua wrinkled his brows.

This is a fresh term. I, the Supreme Overlord, only have enemies, what rival in love do I even have?

Qing Yutong began explaining the details of Ye Hua's rival in love to Ye Hua, and Ye Hua's brows could be seen becoming more and more wrinkled as time went by.

This man is actually the person who Qing Ya had a crush on when she was small!

F**k, be it when Qing Ya was still small, or be it when Qing Ya had become an adult, everything of Qing Ya belongs to me!

I will go and kill that person right now! What is that person called again? Ah, that's right, Chen Xuanzong! I have to let him know that, my woman is not someone that he could ever dream of having!

"Brother-in-law, calm down, don't be agitated." Qing Yutong persuaded.

"What?" Ye Hua's tone was a bit furious.

It would be fine if it was the person who had a crush on Qing Ya, but for the person to be someone who Qing Ya had a crush on, I definitely have to exterminate that person!

Qing Yutong said thoughtfully, "Brother-in-law, big sister knows that I came to report to you, if you were to go and kill that man now, it is a small matter that the man died, but it would be a big matter if big sister thinks that you were the one who killed him."

Ye Hua felt that what Qing Yutong said made sense. This Qing Ya has been very cocky recently, while I am killing people at the front, she is at the back saving those who I tried to kill.

It is very simple to kill that person, but the main point is that, Qing Ya would then quarrel with me again.

No, this won't do! I am currently the one who has the upper hand, but if I were to kill this man, I would end up losing the upper hand.

"Brother-in-law, in actuality, this matter isn't a big deal at all, after all, big sister's heart is currently already filled with brother-in-law. Brother-in-law, if you were to kill this guy, wouldn't you end up hurting your own image? Moreover, Ah Li and I are here to watch over big sister for you."

Qing Yutong was very mischievous, the main reason she reported this matter to Ye Hua was because she wanted to see her brother-in-law act cool. After all, Qing Yutong found that Ye Hua looks extremely handsome when he acts cool.

If brother-in-law killed this Chen Xuanzong right now, brother-in-law would end up losing a chance to act cool, and even more, big sister would say that brother-in-law willfully slaughtered an innocent.

"Yutong, you analyzed the situation pretty well, my image is indeed much more important. Properly watch over your big sister, if anything abnormal happens, immediately report to me!"

"Yes, I guarantee to accomplish the mission that had been given to me!"

The two sounded as if they were secret agents who were talking to each other on the phone.

After placing the phone down, Ye Hua lost the mood to continue doing anything to the empress.

Donghuang Baizhi hugged Ye Hua from behind and asked tenderly, "Did something happen?"

"Sigh, the person who Qing Ya had a crush on when she was small appeared." Ye Hua was very vexed. On one side, Ye Hua wanted to go and secretly get rid of that person, but on the other side, he wanted to maintain his own image.

I, the Supreme Overlord, am not someone who would willfully slaughter the innocents... Alright, what I just said is indeed a bit fake.

Donghuang Baizhi laughed lightly, "This is nothing for you to worry about, I understand Qing Ya, her heart is completely filled with just you."

"That is only natural, if not, I would have already gone and killed that person!"

"Alright, don't be angry anymore, Qing Ya is able to properly handle this matter by herself."

While lying on the bed and hugging the empress, Ye Hua asked curiously, "Let me ask you, did you have a crush on someone before?"

"I did." Donghuang Baizhi said gravely.

Ye Hua was very unhappy. Why do both of my women have a crush on someone before!

Ye Hua asked unhappily, "Who was it!"

"Who else but you!" Donghuang Baizhi punched onto Ye Hua's chest with her little fist.

"You abandoned me for three years, and during the three years, every single day, even in my dreams, I wished that I could kill you." Donghuang Baizhi said petulantly.

These two women of mine are truly mischievous.

[You Cannot Afford To Offend My Woman](#)

Chapter 310: Someone has taken a fancy for sister-in-law

"I know that you had it hard." While caressing onto Donghuang Baizhi's body, Ye Hua consoled.

Donghuang Baizhi smiled tenderly, "Let's go to sleep, you still have to wake up early tomorrow and bring Ye Zizi to go report to school."

"En."

Tonight, Ye Hua no longer had the mood to continue doing anything passionate with the empress. Not only tonight, but it was also reckoned that Ye Hua would continue on not having the mood to do anything passionate until Qing Ya finally returned home.

On the other side, when Qing Yutong came back from the washroom, she immediately met with Qing Ya's glower.

Qing Yutong made a face at Qing Ya, then sat back down at her seat.

"Mom, I'm going to the toilet." Qing Ya said. I have to explain this matter to Ye Hua, if not, with that jealousy king's personality, he would definitely plan on doing something.

Zi Han was very confused. What's with these two?

After closing the washroom door, Qing Ya called Ye Hua's phone, but who knew, Ye Hua's phone was turned off.

Did Ye Hua become angry? Or is it that, he went to sleep?

To prevent his sleep from being disturbed, Ye Hua likes to turn off his phone when he goes to sleep.

Without choice, all Qing Ya could do now was to send a short message over to Ye Hua. The message was very simple and straightforward.

"Husband, I love you~"

After letting out a breath, Qing Ya washed her hands, then took a look at herself in the mirror.

Looking at her reflection, Qing Ya let out a light sigh. I have become more and more beautiful, this is truly vexing.

After returning back from the washroom, Qing Ya carried onto Donghuang Li, then rolled her eyes at her little sister.

Traitor.

Qing Yutong wants to express, "I am doing all this for your sake. If I don't give brother-in-law a heads-up of this matter, when he ends up finding out this matter by himself, who knows what shocking things he would do."

Ding... ding...

When the doorbell rang, everyone except for Qing Ya, Qing Yutong, and Ah Li, became a bit nervous.

Housekeeper Uncle Fu was intending to go and open the door, but Qing Yutong hurriedly shouted out and stopped him, "Uncle Fu, I will go and open the door."

Qing Yutong wanted to see for herself just how formidable the Sage Doctor was.

For this Sage Doctor to be so difficult to invite, I want to see just how formidable this Sage Doctor is.

Qing Yutong walked to the door and opened the door.

A refined-looking man could be seen standing outside the door. The man wore a white shirt and jeans, appearing rather clean, and on his face, there was a slight smile.

This guy isn't acting arrogant and full of himself, he is not a swindler who is pretending to be the real Sage Doctor, right?

"Is this Qing Family?" Song Huan asked lightly.

Qing Yutong asked curiously, "You are the Sage Doctor?"

"I wouldn't dare to claim the title of Sage Doctor, I am merely someone who is able to treat diseases and illnesses that are hard to treat." Song Huang said modestly.

This girl who is in front of me is very special, and she looks very pretty too. I have seen quite a number of beautiful girls, but I have not seen many who are as beautiful as this girl.

Qing Yutong originally wanted to give Song Huang a bit of a hard time, but who would have known that this Song Huang would actually act so low-profile.

"Come on in, remember to change into slippers before coming in." Qing Yutong reminded, and this caused Song Huang to go into a daze for a moment.

This girl sure has a personality.

Qing Chengren and Qing Huaxuan walked over, and when they heard that Qing Yutong was actually telling the Sage Doctor to change into slippers before coming into the house, they were immediately startled.

"Yutong! What are you saying! Go and pour a cup of tea for the Sage Doctor, I will take it from here! Sage Doctor, don't mind my daughter, you don't have to change into slippers." Qing Huaxuan said hurriedly.

This Sage Doctor is not someone our Qing Family can afford to offend. Even big families have to show respect to this Sage Doctor, so let alone our Qing Family which is just a small family.

Song Huang smiled, "It's fine."

Men were precisely like this. They would say "it's fine" when the person that they came across was a beautiful woman, but when the person that they came across was someone that they don't like, it would be a whole new different story.

Qing Chengren and Qing Huaxuan laughed dryly. I didn't expect that this Sage Doctor would be so amiable.

"Qing Family Head, where is the patient?" After changing into slippers, Song Huang asked curiously.

"Sage Doctor, please follow me." Qing Chengren brought Song Huang to a bedroom that was located on the second floor.

When passing by the living room, Song Huang saw Qing Ya and Donghuang Li.

I didn't expect that this Qing Family would actually possess two daughters who are so exceptionally beautiful. However, this one seems to be already pregnant.

Everyone followed along and went to the second floor.

Mei Xunshuang was currently watching SpongeBob SquarePants, and from time to time, she would clap her hands and laugh heartily.

Qing Chengren asked worriedly, "Sage Doctor, is my partner's dementia curable?"

Song Huang walked over to Mei Xunshuang and examined her for a moment, then said, "Qing Family Head, you can be at ease, your partner's dementia is curable."

Everyone let out a breath of relief, and at this moment, Qing Yutong walked over with a teacup and said casually to Song Huang, "Here, your tea."

"Yutong! Be respectful!" Qing Huaxuan shouted out gravely.

This person here is the well-known Sage Doctor, it would be disastrous if Qing Yutong ends up offending the Sage Doctor!

Song Huang took over the teacup and said with a smile, "It's fine."

After drinking a mouth of piping hot boiled water, Song Huang said with a smile, "Young Lady Qing sure is caring towards me, the temperature of this water is most probably at least 100 degrees, right?"

I have to give it to this Song Huang, I have never seen someone who is able to act cool as much as him.

"Yutong, go out!" Qing Huaxuan shouted out.

This Yutong is truly unruly, to actually act so disrespectful towards the Sage Doctor!

Song Huang placed the teacup down and said with a slight smile, "Everyone, please wait outside for a moment, I need a quiet environment."

Qing Chengren nodded his head, and everyone left the room and began waiting outside the room.

"Big sister, I have sounded this guy out, he does indeed possess some skills." Qing Yutong said in a low voice.

Qing Ya shook her head and smiled helplessly, "You are truly mischievous. However, since you have your brother-in-law to back you up, you are indeed able to act as recklessly as you want."

Qing Yutong said with a beaming smile, "This is also all thanks to big sister for having a good eye for people. If not, how would it be possible for me to act so recklessly?"

"Then, can Ah Li act recklessly too?" Donghuang Li asked innocently.

Unlike Ye Hua, Qing Ya naturally wouldn't anyhow educate a child.

"Ah Li cannot act recklessly, Ah Li has to be well-behaved and listen to what adults say. The way Aunt Qing acted just a while ago wasn't right, Ah Li cannot learn how Aunt Qing acted, okay?" Qing Ya said in a low voice.

Donghuang Li nodded her said, then said to Qing Yutong, "Aunt Qing, in actuality, just now, it would have been much better if you had given that person a cup of toilet bowl water instead of boiled water."

Qing Ya, "....."

Qing Yutong, "....."

"Ah Li, who was it that taught you such a thing like this, you cannot play tricks on people like this, do you understand?" Qing Ya said solemnly.

Donghuang Li pouted her mouth, "Ah Li learned that from watching Douyin."

The two sisters took a look at each other. This Douyin is truly harmful.

"Ah Li, you shouldn't learn bad things from other people, okay? If not, your daddy will beat your butt." Qing Ya tried to intimidate Donghuang Li, and it must be said, it was actually rather effective.

"En, from now on, Ah Li won't learn bad things from other people."

"Good girl."

Right at this moment, the bedroom door was opened, and Song Huang could be seen walking out while with a relaxed smile on his face, "All done."

Towards a Sage Doctor like Song Huang, treating dementia was a very simple thing for him to do, and in actuality, Qing Ya was also able to do it too if she tried.

Qing Chengren and Qing Huaxuan hurriedly gave their thanks, then walked into the bedroom and went to check on Mei Xunshuang.

Qing Ya and Qing Yutong also gave their thanks.

After all, no matter what, now that Song Huang had cured their granny's dementia, it was only right for Qing Ya and Qing Yutong to thank Song Huang.

"Don't mention it, curing people's diseases is but a duty of mine as a doctor." Song Huang didn't even blink once when telling a lie, and from the looks of it, Song Huang was interested in Qing Yutong.

What to do? Who told Qing Yutong to be so beautiful? With how beautiful Qing Yutong was, it would be strange if Song Huang wasn't interested in her.

Seeing that the Sage Doctor kept on looking at her little sister, Qing Ya sensed that Song Huang was interested in her little sister.

And Qing Yutong also sensed it too.

Hah, a mere doctor also dares to have ideas toward me? If my brother-in-law finds out about this, your legs will definitely get broken by him! Although I still haven't pushed over brother-in-law, brother-in-law had already smacked my butt~ Brother-in-law has to take responsibility for his action~
