### **Chapter 31 – The best actress that run errands 1/2**

Qing Ya could be seen walking up, holding onto Ye Hua's arm and said lovingly, "Darling, let's quickly leave~"

Upon seeing that, Qing Yutong immediately understood her big sister's intention. Big sister is thinking of destroying the bar's business and make brother-in-law go bankrupt, this is interesting!

Qing Yutong also walked up, held onto Ye Hua's other arm and said in a low voice, "Brother-in-law, let's quickly leave, the movie is about to start already."

In just those few moments, 10+ women could be seen standing up and leaving the bar, and in the end, there were only 3 customers remaining! Looking at the expression of those customers, it seems that they only came here with the intention to get drunk...

Wei Chang sighed, if this continues on, we are really going to go bankrupt...

The workers and security guards of the bar were also helpless, ever since the boss openly brought the woman back home, the business had not been going well. Right now, he even brought 2 women back home, and they are even twin sisters, how could the customers not feel angry...After all, the women who came here to drink all mainly came for the purpose of looking at the boss.

Tang Wei looked at the boss and the twin sisters, her heart was already a lot calmer right now, seemingly not being infatuated with the boss anymore. Turning her head around and taking a look at Wei Chang, she thought to herself, Uncle Wei is much more amiable compared to the boss, not only is he considerate and knows how to care for others, he is also the type of uncle that is handsome.

"Satisfied?" Ye Hua said in a deep voice.

Qing Ya and Qing Yutong immediately let go of Ye Hua's arm, seemingly as if nothing had happened and walked out of the bar in large strides.

In the past, just one Qing Ya was already annoying enough, and right now, there is a sister-in-law too, and from the looks of it, this sister-in-law is not any good thing too. If I had known earlier, I wouldn't have allowed her to come to stay with us. Qing Ya was right this time, adding one more bed is not as simple as adding a pair of chopsticks!

Coming out of the bar, Ye Hua took a look around, in the past, at this timing, it would be packed with people, but right now, the situation is actually miserable to this point!

Qing Ya secretly took a look at Ye Hua and felt incredibly great from her feet to her head. Anger you this scoundrel to death! Do you really think that I am that easy to provoke, to actually make me peel crayfishes, I will make you go bankrupt!

“Drive the car.” Qing Ya said towards her little sister and Qing Yutong spread out her hands.

The sisters sat at the front and Ye Hua sat the back alone like a big boss. It is too difficult to educate this Qing Ya, my head really hurts just from thinking about it, I didn't expect that there would come a day where I would be worried for a woman.

### Chapter 31 – The best actress that run errands 2/2

After 10+ minutes, they arrived at All Things Shopping Center, services like drinking, eating and entertainment were all available at this shopping center. All Things Cinema was a high grade cinema, one ticket alone cost close to 100rmb, towards ordinary consumers, this was a really high price.

However, because Avengers 3 was screening, for the purpose of seeking after high grade enjoyment, a lot of people came here to watch Avengers 3. If not for Qing Yutong having booked the tickets online in advance, it was reckoned that there wouldn't be any tickets available for the 3 of them today.

When Ye Hua brought along Qing Ya and Qing Yutong and appeared at the shopping center, everyone stopped in their footsteps and their face revealed out an astonished expression, because those 2 twin sisters looked too identical, seemingly just like they are the same person, and the important point was that, they were very beautiful too!

A model with a 1.75m height was bound to have a pair of super long beautiful legs, although their clothes were ordinary, but their entirety temperament was extremely great, it must be said that, those 2 sisters were too bright for the eyes!

The other person that was much brighter for the eyes was that man, his temperament was a bit aloof, although there were 2 women that were as beautiful as fairies at his sides, but there was not a trace of complacent that could be seen from his eyes, seemingly like everything was normal and how it should be, as if those 2 women should instead be honored that they were able to walk by his sides.

An attractiveness index combination like this, it was really formidable, the men would look at the 2 beautiful women, and the women would look at the handsome man, not interfering with each other at all.

The 3 of them straightforwardly came to All Things Cinema, and there was actually quite a huge amount of people that were waiting to enter the cinema. Qing Ya said towards her little sister, “Get the tickets and buy snacks.”

Qing Yutong pursed her lips, "Big sister, when did you become this lazy..."

"I learned from your brother-in-law. When you were not here, all those work were all done by me, and since you are here now, those work will be done by you. Of course, you can also choose to go and stay at a hotel too." Qing Ya spread out her hands and said helplessly.

Ye Hua did not speak. This Qing Ya is thinking of driving away this Qing Yutong. However, it is also good to drive this Qing Yutong away, this Qing Yutong is not someone easy to deal with too, and adding on with the fact that she is Qing Ya's little sister, there is no way that I would actually seriously deal with her.

Wait, wrong! Why would I care about the relationship of humans...

After listening, Qing Yutong opened her sexy small mouth and pointed to the two of them, "Big sister, brother-in-law, you two...how can you two bully a young lady like this."

"There is a lot of people queuing up, go quickly and come back quickly, I want sprite and popcorn." Ye Hua said indifferently.

"I want coke and popcorn." Qing Ya imitated Ye Hua's tone and said.

Qing Yutong had an expression of feeling unbelievable, after restraining herself for a bit, she said, "You two sure are big bosses!"

Ye Hua and Qing Ya did not pay attention to Qing Yutong and found a seat to sit down and wait. Without choice, the helpless Qing Yutong came to the front of Ye Hua and stretched out her hand towards him.

"What are you doing?" Ye Hua asked.

"Buying things cost money, give me money!" Qing Yutong said angrily.

"I don't have any, find your big sister."

"Don't look at me, I didn't bring any money, find your brother-in-law." Qing Ya immediately dispel her little sister's thought of asking her for money. She is not flying into a rage after all this? When did my little sister's temper become this good?

Ye Hua's brows wrinkled, "As a woman, do you not bring any money with you when you leave the house?!"

"As a man, do you not bring any money with you when you leave the house?!" Qing Ya replied coldly.

Seeing that the two people were about to start quarreling again, Qing Yutong surrendered, "You two don't quarrel, I will go and buy okay!"

Ye Hua and Qing Ya snorted, both of them not bothering with one another at all.

Qing Yutong who was queuing up to buy things felt very gloomy, I am a famous best actress, during the afternoon, I was even chased after by a group of fans, and right now, I actually became a person that run errands. This contrast is indeed a bit big, but at the same time, it is very interesting!

Brother-in-law is a man who doesn't walk the normal path, and big sister's change is extraordinarily big, as if she had become a different person, could the saying of being foolish for 3 years when you get pregnant be true?

After waiting for 10+ minutes, Qing Yutong finally accomplished her task without any mishap.

"My two boss, here are the things you two wanted."

Ye Hua took a look at Qing Ya, and the latter immediately understood what he was trying to say. Even a straw, you also want me to help you insert it? Do you have to be this lazy! Do you even want to continue living on cheerfully?

Qing Yutong didn't understand, I had already bought the things that you two wanted, why are you two still having this kind of expression, are you two enemies in your past life?!

Looking at Ye Hua's threatening expression, Qing Ya felt very irritated, however, since there are a lot of people here, I will give him a bit of face, when we go back, I will properly give him a lesson!

After Qing Ya's stretched out her hand and inserted the straw into the sprite, Ye Hua's face finally became better. Upon seeing that, Qing Yutong who was at the side almost spat out her drink. There is even this kind of operation?! Do brother-in-law have something on big sister, if not, why is big sister that obedient?

"People with the ticket of the screening of Avengers 3 at 8.10pm can enter the cinema now!"

"People with the ticket of the screening of Avengers 3 at 8.10pm can enter the cinema now!"

"People with the ticket of the screening of Avengers 3 at 8.10pm can enter the cinema now!"

The broadcast rang out 3 times, they were finally able to enter into the cinema. Qing Yutong was exhilarated, whereas Ye Hua and Qing Ya on the other hand were very calm and collected, seemingly not very interested in the movie, especially Ye Hua!

Don't need to say, Ye Hua sat in the middle like a big boss, and Qing Ya and Qing Yutong sat at his sides.

The entire movie was about 2 hours. Ye Hua expresses that he was only interested in Thanos.

## Chapter 32 – The trio 1/2

Especially towards Thanos's glove, were those gems combination really able to achieve that kind of effect? To actually be able to destroy half of the population of the entire universe, to speak the truth, without using any items, Ye Hua was also not able to do that, the most he was able to do was eliminate earth's entire population with the snap of his finger.

Stroking onto the ring that was on his finger, there are quite a few pair of gloves within the ring, and also a few boxes of various kinds of gems, not sure if I followed the arrangement in the movie, would I be able to achieve the same effect? Ye Hua expresses that he was very curious, and if he feels bored, he could try making the glove and see how it goes.

"My god, Thanos is actually winning, he is too formidable." Qing Yutong who was at the side cried out in surprise and hurriedly drank a mouth of beverage to calm herself down.

Ye Hua said indifferently, "So-so."

"If you don't act cool, we are still husband and wife." Qing Ya discovered that the thing that she likes to do the most right now was to verbally attack Ye Hua.

Ye Hua seemingly was a bit immune to Qing Ya right now, and wouldn't get angry that quickly. Hearing that, Ye Hua said indifferently, "Ignorant."

"The way you act cool does seem a bit genuine, if one didn't know, they would even think that you were a demon king." Qing Ya pouted her mouth and said with a face full of disdain.

Ye Hua turned his head around, looked towards Qing Ya and said evilly, "You actually guessed right."

"Move your face away, your face is too big, it's blocking the entire screen!" Qing Ya pushed onto Ye Hu and the latter smiled and continued watching the movie.

After finish watching the movie, Ye Hua suddenly really wanted to meet with this Thanos, at the least, there was no problem with Thanos's IQ. It is a pity for my subordinates, all of them are extremely abnormal. Wei Chang and Lie Gu were counted as being still fine, but the other five were already at the stage of being twisted, however, there was no need to question about their strength.

I'm really curious as to just what they are doing right now, however, what can be confirmed is that, they are definitely not doing anything that is good right now.

"The movie was so good, I'm so excited for Avengers 4." Qing Yutong seemed to be Marvel fan, the anticipating expression was really unbearable for one to look straight at.

Both Ye Hua and Qing Ya did not express their opinion of the movie and each of them walked their own path, if one looked at them, they would think that those two did not know each other.

This made Ye Hua felt very unhappy as he questioned, "What are you walking that far away from me for!"

"I like it, don't need you to care." Qing Ya was doing it on purpose, she gradually discovered that Ye Hua's controlling desire was pretty strong, and as long as she tackles at this aspect, she would definitely be able to see Ye Hua's looks when he was being angry, so handsome~

"Come over!" Ye Hua shouted in a deep voice.

Qing Ya tsked, "If I come over just because you asked me to, I will be losing a lot of face."

A few black lines immediately appeared on Ye Hua's forehead, just who is making who lose face!

"If you add another word in front, I will perhaps consider it for a bit." A smart woman would always leave a bit of room for the man, won't overdo it, and would definitely not add oil to fire, after all, their relationship right now was established on the child that was still not born yet. No one would like to have their child to not have either a father or a mother when they come into this world. As for the divorce, the both of them well aware of it, but if you don't, and I don't say, when the time comes, we could choose not to divorce then, but at the end, who would know how things would end up in the end?

Listening to Qing Ya's words, Ye Hua was angered to the point that he laughed, this woman is really daring!

"Wife, come over!" Although he added one more word in front, but his tone was still as arrogant as ever.

Qing Ya also didn't place it in her heart, he is my husband after all, I can slowly educate him. Just that, who knows just who would be educating who in the end.

Slowly approaching Ye Hua, Qing Ya suddenly felt that her waist was tightened, this fellow is actually holding onto me and eating my tofu!

"Let go." Qing Ya shouted with her face red.

Ye Hua tightly held onto Qing Ya's waist, I have to prevent this foolish woman from doing some other thing that I dislike.

Qing Yutong followed behind them and carefully pondered, these two people...if I'm not guessing wrongly, there must be a problem with both of their brain, I am the only that is counted as a normal person.

## Chapter 32 – The trio 2/2

"Brother-in-law, let's go to the arcade and play!" Qing Yutong shouted.

Ye Hua took a glance at her, "Childish."

5 minutes later, the three of them arrived at the shopping center's arcade, and Ye Hua took out his WeChat to pay the bill and received Qing Yutong's thumbs up.

"The money that he is using is mine." Qing Ya said out of nowhere.

Ye Hua was very unhappy, "Will you die if you don't speak!"

"Will you die if you don't hold onto my waist!" Qing Ya immediately attacked back, while Qing Yutong who was at the side shook her head, two low IQ beings...

Coming to the front of the dancing machine, Qing Yutong walked up to it, her graceful and enchanting figure immediately attracted the cheers of a group of wolves.

"Let go of me." Qing Ya said coldly.

"What do you intend to do!"

"Nonsense, I am of course going to go play!" Qing Ya revealed out a look as if she was looking at an idiot, coming to an arcade and not playing? I still remember that I played the dancing machine together with my little sister when I was young, just that, because of a matter, we quarreled.

Ye Hua said faintly, "Not allowed!"

"I...you..."

"I'm afraid that you would dance to the point that my baby is met with an accident!" Ye Hua said in a deep voice, why is this woman this foolish.

Qing Ya herself was startled, luckily Ye Hua reminded me, if not, if I were to dance and caused my baby to meet with an accident, I would even have the heart to die, I almost forgot that I am currently a pregnant woman...

Seeing that Qing Ya did not resist, Ye Hua let go of his hand and took out a cigarette from his pocket.

"Can you not smoke in front of me? It is not good for the children, if you want to smoke, go outside." Qing Ya said displeasedly, don't you know that it is not good for a pregnant woman to breathe in second-hand smoke?

Ye Hua paused for a moment, then placed the cigarette back into his pocket and said calmly, "Alright."

The two of them stood together and watched Qing Yutong danced crazily on the dancing machine. As expected of an actress, her dance posture and movement were incredible and incomparably sexy. Those coquettish glances of hers were thrown around randomly, attracting the group of wolves to shout out endlessly.

Qing Ya's face was cold, little sister's action right now is practically slandering me, what if some reporters saw this and anyhow reported it?

Qing Yutong who was sweating profusely seems to still not have dance enough, and Qing Ya couldn't help but shouted, "Enough, it's about time to go back!"

Qing Yutong pouted her small mouth, seems like big sister is angry already, and I was finally able to let go of myself after such a long time, forget about it, forget about it, I will dress up as big sister again next time and come here to play.

"Hey, beautiful woman, why are you not dancing anymore, how about dancing one more song." A few youngsters who each had a cigarette held with their mouth walked out from the crowd, they had their head hang high and chest puffed out and walked in large strides. This kind of expression and demeanor, they were practically begging to be beaten up.

There were even people talking about within the crowd.

"I had a friend like this, in the past, he also walked and acted like this, right now, the grass at his burial mound is already 2 meters high."

“What a coincidence, I had a friend like this too, he was in jail for such a long time that he was still in jail even after his wife remarried.”

Ye Hua missed this kind of feeling very much, I remember that in the past, there was a genius grade expert from the human race who also acted and walked up to me like this, intending to eliminate me. However, there seemed to be a problem with his brain, and in the end, he ended up in Wei Chang’s stomach. Thinking back to that scene right now, it was actually really funny. The scene from the past is more or less the same as the scene that is happening right now.

“What are you smiling about?” Qing Ya asked curiously, although Ye Hua always kept on making me angry, but when he smiles, he truly looks very good and very charming, not sure just who my child will resemble after when he or she comes into this world, I guess I will know after 9 months.

Ye Hua kept his smile and said indifferently, “Thinking about something from the past.”

Qing Ya snorted, acting so mysterious, trying to keep me in suspense. I feel that Ye Hua has a stomach full of secrets, but he is just not telling me about those secrets.

### Chapter 33 – Fiery sister-in-law 1/2

“What thing, tell me.” Qing Ya couldn’t help but asked curiously.

“If you change your bad habits, I will tell you about it.”

“Just who is the one that has a lot of bad habits! You better be clear about it!” Qing Ya felt that her eight characters definitely did not match with Ye Hua’s eight characters, both of them definitely have to start quarrel when they talk to each other.

Qing Yutong was also drunk, some hooligans came up to take liberties of me and the both of you are actually engrossed in quarreling with each other and not caring about it! Is that the way to act as a big sister, is that the way to act as a brother-in-law!

“There are people bullying me!” Qing Yutong couldn’t help but said, if not they would definitely neglect about me.

Ye Hua took a glance at Qing Yutong, “If you are bullied, fight back then, for a problem like this, do you even need me to teach you how to deal with it?”

“That’s right, didn’t you learn martial arts before? A few hooligans shouldn’t be a problem for you right?” Qing Ya said indifferently. When we were small, my little sister

was basically a little overlord, don't be bewitched by her gender, if she was to start fighting, she would be even much more ruthless than a man.

"You two!" Qing Yutong was angered to the point that she did not know just what to say anymore. Those two are definitely a matching pair, the coordination of those two when they verbally attack someone is definitely able to anger a person to death!

Turning her head and looking at the 3 hooligans, Qing Yutong was angry, forget about it that the both of them are bullying me, but you 3 actually dare to come to try bully me too! A bunch of small fries, do you all really take me as a weak woman!

Qing Yutong's aura could be seen changing suddenly and killing intent started emitting out from her entire body. As expected of a best actress, to even be able to imitate out killing intent, Ye Hua had to give her a thumbs up.

The hooligan's mind was a bit absent-minded as he said hurriedly, "Young lady, calm down!!!"

"Calm your sister!" Qing Yutong erupted, her small fist straightforwardly struck onto the hooligan's abdomen, and the latter fell to the ground like a cooked shrimp.

Upon seeing that, the two hooligans at the back did not know what to do, it was obviously the boss who went to took liberty of the woman, how did it turn into the boss getting beat up by the woman, this does not make sense!!!

Qing Yutong totally did not have the intention of stopping, after settling the other two hooligans, then did she stopped.

The crowd who were watching the show couldn't help but gasp, this beautiful woman who looks delicate is actually that ruthless when she fights, the 3 men were totally not her match at all, looking at her, it seems that did not even use all of her strength, truly formidable!

Ye Hua said, "Not bad."

"She became even stronger." Qing Ya also praised.

Qing Yutong really wanted to give each of them a fist, it's easy to talk when you both don't have to do anything.

"Who is causing trouble here!" A 2 meter tall man with a fierce and tough appearance could be seen walking out from the crowd. His arm alone was much more thick and solid compared to Qing Ya's thigh, and when he stood up straight, he was just like a small mountain. Upon seeing the man, the crowd couldn't help but took a step back.

Ye Hua let out a breath and walked out. The two sisters both went into a daze for a bit. With those small arms and small legs of yours, there is no need for you to step out...If any part of your body was to be fractured or broken, it would still be us who have to take care of you...

However, Ye Hua also thought like that, if Qing Yutong was to suffer a fracture or break her bone, Qing Ya and I would be responsible for it. When that time comes and she has to stay in hospital or whatever, it would be troublesome, thus, I must as well just step out and settle it instead.

Walking to the front of the man that was just like a small mountain, Ye Hua let out a breath. It has been 5 years since I hit someone, I must control my strength properly this time and try to not kill this man with my punch...

“Brother-in-law, quickly come back, your arm is not even as thick as the man’s leg.” Qing Yutong placed both her hands at her mouth and shouted, seemingly as if she was afraid that others didn’t know about that.

Along with Qing Yutong’s shout, everyone all knew that this man was the beautiful woman’s brother-in-law, so, the other woman should be the wife then, this man’s luck with woman is not shallow huh, however, meeting with such a huge creature, it feels like he is going to be beaten up.

“Don’t try to show off, quickly come back.” Qing Ya couldn’t help but shout.

Ye Hua’s heart was bleeding, those two ignorant women actually dare to take me that lightly!

“Young fellow, your wife is calling you to back home and eat...”

Bang!

Ye Hua placed both his hand into his pocket, “What are you two looking at, let’s go back home!”

The two sisters did not clearly see what happened at all, before the man was even able to finish speaking, he was concaved into a machine.

“The hack, what did that man do just now!”

“I don’t know, I only saw that man flying into the machine.”

Qing Yutong was dumbfounded, not expecting that her brother-in-law was also an expert that was concealed among the people. Qing Yutong hurriedly shouted, “Brother-in-law, wait for me~”

It was also the first time that Qing Ya has seen Ye Hua's martial strength. My god, if he was to hit at my body, I will have to prepare to go to the hospital.

Within the 2nd floor office, the manager that was on duty witnessed the entire process and hurriedly made a phone call.

"Master, I discovered a strange man, he defeated Da Shan with just a punch!"

There was no gasp of surprise from the phone, instead, a voice could be heard saying indifferently, "Investigate him then."

"Yes, master!"

### Chapter 33 – Fiery sister-in-law 2/2

The three of them sat onto the Audi A8 and Qing Yutong chattered continuously and asked various kinds of questions, making Ye Hua feel very irritated. That punch of mine just now was not bad, I controlled my strength extremely well, and only used 0.01% of my strength to achieve to the effect of aweing everyone, and at the same time not resulting in any death, comfortable! In the future, I will just use this amount of strength.

"Brother-in-law! How did you do it, teach me please!"

Qing Ya who was driving the car said, "Your brother-in-law likes to act cool, especially in front of a beautiful woman."

Ye Hua took a glare at Qing Ya, then looked at Qing Yutong and said, "Not free."

"Brother-in-law~" Qing Yutong let out an extremely coquettish voice.

Qing Ya immediately felt unhappy when she heard Qing Yutong's coquettish voice, you are basically seducing your brother-in-law right now!

"Speak properly!" Qing Ya reprimanded coldly.

Qing Yutong tsked, "Crazy protective wife..."

Qing Yutong faced towards the window and sulked angrily, the two of them are basically cooperating together to bully me. Looking at the midnight snack stall outside, Qing Yutong said, "I want to eat supper!"

"You ate so much just now and you are still able to eat now?!" Qing Ya who was driving the car was speechless.

"I want supper, I want supper, I want supper." Qing Yutong actually started behaving shamelessly. This made Ye Hua to start questioning his own judgment, this is basically

just a child that has not grown up and totally not a mature woman, Qing Ya is much better compared to this Qing Yutong.

Facing against Qing Yutong's shameless behavior, Qing Ya didn't have any way to deal with her and had no choice but to stop the car at the roadside. The three of them sat at the roadside midnight snack stall, and at the front, there was even an old television placed there, and news was currently being played on it.

"So comfortable~" Qing Yutong said comfortably, the breeze of the summer river bank was very comfortable, being blown by the breeze feels just like a person giving you a massage.

Ye Hua remained silent, compared to look at their beautiful appearance, Ye Hua was more interested in watching the news report.

"Brother-in-law, what you staring at me like that for, big sister will misunderstand~ Although it is said that half of a sister-in-law's butt belongs to the brother-in-law, but brother-in-law, you are being too open and straightforward~" Qing Yutong said shyly, beginning to act again, she even shyly stroke her cheeks.

Ye Hua said indifferently, "Move a bit to the side, don't block me from watching the news."

Pfft.

Qing Ya couldn't help but laugh, and half of Qing Yutong's face turned black, brother-in-law this scoundrel!

"According to the report, a fire happened at a castle that is located in the suburb of London, leading to the collapse of the castle. Luckily, there were no casualties."

Qing Yutong sighed endlessly, "Such a big castle collapsed and no one actually died, this is too mystical."

Qing Ya turned her head around and took a look, "Most likely that no one stayed in the castle."

Only Ye Hua knew why there were no casualties, because those people were all in Wei Chang's stomach.

At this moment! At one corner, a youngster that was dressed plainly and simply was seated there, his gazes were gazing firmly at the television, looking at the familiar castle that had turned into ruins...

## Chapter 34 – Deal with you in front of your big sister 1/2

Very quickly, the roasted fish and roasted meat were all served. Ye Hua crossed his arms and looked at the two women in front of him.

“Yutong, as your brother-in-law, I have the obligation to educate you on how to be a woman.” Ye Hua said in a deep voice with a solemn face. Since she is my sister-in-law, I will be magnanimous for a bit and educate her.

Qing Ya rolled her eyes, this fellow is acting up again.

“Brother-in-law, what are you going to educate me about?” Qing Yutong asked curiously, totally oblivious that the content of the education was mind-shattering to a person.

Ye Hua felt that his sister-in-law was much easier to educate, “Firstly, you have to obey the man’s orders, something like removing meat from skewers is one of the things that you have to do, for this point, you will have to learn from your big sister.”

Qing Ya indeed removed a skewer of meat and placed it into Ye Hua’s bowl, to prevent him from finding a reason to fly into a rage again.

Qing Yutong paused for a moment and said earnestly, “Brother-in-law, can we speak properly?”

“Come, try it and you will know, your big sister was also very conflicting about it at first, but right now, she is used to it already.”

Qing Yutong pulled hardly onto Qing Ya and said, “Big sister, there is a problem with brother-in-law’s thinking, he wants to cultivate me into the second madam.”

Qing Ya originally thought that Ye Hua was joking around, but after listening to what her little sister, her beautiful eyes immediately emitted out killing intent.

“What I am doing is just educating her.” Ye Hua said displeasedly, what kind of expression is this, to actually to dare suspect me! However, what do I need to explain for!

“Don’t use that weird theory of yours on my little sister and eat your food!” Qing Ya shouted, it is already enough for you to harm me, don’t think of trying to harm my sister too!

“That’s right, that’s right, brother-in-law is truly bad~ He has the same thought as that Long Aotian, big sister, you have to be careful.”

Ye Hua felt that he was stabbed in the back, forget about it if she doesn't feel grateful when I tried to educate her kind-heartedly, but she even framed me too, and even compared me to that Long Aotian, my lungs are going to burst with rage.

Looking at brother-in-law's face that was turning red from anger, Qing Yutong removed a skewer of pork chop and fawned upon him, "Brother-in-law, don't be angry, I, your sister-in-law was only just joking just now."

Seeing that the sister-in-law's attitude when admitting to her mistake was not bad, Ye Hua didn't pursue on about it, "You have to properly learn."

"Yes, yes, yes, I will properly learn..." Qing Yutong said helplessly, brother-in-law such is a weirdo.

At this time, another news report rang out from the television.

"According to news, a tsunami appeared this afternoon at the Southeast Asia area and had already caused 1 person to die, 56 people to go missing, and 300+ people to be injured. This time's tsunami appeared very suddenly, and the local weather bureau expresses that they totally had no idea about the tsunami at all!"

The three of them paused for a moment, not really taking the news to mind.

However, all of them did not know that this was the result of Lie Gu's roaring out unintentionally.

Ye Hua slowly placed his chopsticks down, arranged the chopsticks up straight, then took a piece of paper napkin and wiped his mouth. These set of movements were linked up adeptly by Ye Hua, making the two sisters that were looking at him to feel extremely puzzled. Eating a simple barbeque and this guy is even able to act that gracefully, and even have to place his chopsticks up straight after he finished his meal, this person must have OCD!

"If you two had your fill, then let's leave." Ye Hua said lightly.

The two sisters were filled, thus, the three of them sat onto the car and went back to the bar. And as for the youngster at the barbeque stand, he still did not left yet. He took out his phone and made a call, but the call wasn't able to go through...

## Chapter 34 – Deal with you in front of your big sister 2/2

When they returned to the bar, it was already 11pm, and yet, the bar was completely empty! Ye Hua's face immediately sunk, while both Qing Ya and Qing Yutong felt incredibly great and held onto each other's arm and walked upstairs. Qing Ya even shouted out complacently, "Ye Hua~ Quickly come upstairs okay~"

“Brother-in-law, quickly okay~” Qing Yutong suddenly said out of nowhere, and immediately received a knock on the head from Qing Ya, to even dare to tease your brother-in-law!

The workers and security guards of the bar were all stupefied, the boss is really flying up high to the heavens, to actually embrace two beautiful women in his embrace, and the important was that the two beautiful women were twins too. The boss is too formidable! Too formidable!

Just that, the price of it seems to be a bit big, if this situation continues, the bar will most likely go bankrupt sooner or later.

Ye Hua also really didn't feel that angry about the business, just that, he felt that, for Qing Ya to go against him like that, it was not acceptable! I have to get her to be obedient, and also that sister-in-law, I have to quickly drive her out from my place.

After mixing a glass of wine and drank it, Ye Hua went upstairs unhurriedly, just that, the bedroom was actually occupied by the two women, how could Ye Hua be able to tolerate that, this sister-in-law is too outrageous!

“Brother-in-law, there is nowhere for me to sleep at.” Seeing that Ye Hua was about to fly into a rage, Qing Yutong straightforwardly hugged onto her big sister and begged Ye Hua.

“You can go and sleep at the office!” Ye Hua said in a deep voice.

Qing Yutong said pitifully, “I don't want to~”

Ye Hua looked toward Qing Ya, seemingly saying that if you don't persuade her, don't blame me for being vicious and merciless! Qing Ya pouted her mouth and did not say anything. In any case, if Ye Hua is angry, I am happy, and I reckon that, if I am angry, he would be happy.

“I will go take a shower first, if you are still on my bed when I come out, you can wait for your big sister to deliver protection over to you!” Ye Hua said coldly, if you press me too much, I will deal with you in front of your big sister!

Showing off his figure off a bit in front of the two women, Ye Hua walked into the bathroom.

“Tsk, who are you trying to scare.” Qing Yutong said in disdain, just that she was actually feeling a bit scared in her heart.

Qing Ya leaned against the bedhead and watched the finance and economics news and said faintly, “If you don't leave, your brother-in-law will really dare to do it.”

"I don't believe it, if worst comes to worst, big sister you can help me go buy protection!" Qing Yutong's mouth was rather resolute, having a look of as if she was not afraid of anything.

Qing Ya turned her head around and said, "We don't use protection..."

Qing Yutong felt that she was about to go crazy, "Ah! Ah! Ah! You two sickening perverts, I'm leaving!"

Qing Yutong who was flustered and exasperated immediately left the room and ran to the office to sleep. Those two people are just bad to the core...

5 minutes later, Ye Hua walked out of the bathroom while wiping his hair, revealing the sexy muscles of his. The muscles were not too much, but the feeling it gave to one was that the muscles were very strong.

"Exhibihionist~" Qing Ya took a glance and said in disdain.

"When did your little sister left?"

Qing Ya sneered, "Didn't you say that it was just a matter of adding one more bed? What's the matter, regretting it now?"

Ye Hua remained silent and squeezed into the blanket. Meanwhile, Qing Ya moved away from Ye Hua, seemingly like she despises Ye Hua.

"There is a bed in the office, you can also go there and sleep." Upon seeing this Qing Ya's action, Ye Hua felt very unhappy, I didn't even despise you, and you dare to despise me!

"I'm not going to go sleep there." Qing Ya snorted.

Ye Hua could be seen turning over and pressing Qing Ya under his body, and the latter was shocked to the point that her soul almost left her.

"Are you wanting to experience the happiness that you experienced during that night?" Ye Hua stared at Qing Ya's beautiful eyes and asked.

Thinking back to that night, Qing Ya's expression started swaying, "What are you doing, are you going to let me sleep or not!"

"You kept on staying on my bed and not leaving, wasn't it because you wanted to experience it again?"

"Go to hell, why are your thoughts that dirty!"

At this moment, the bedroom door was opened, and Qing Ya looked at the two people that were on the bed with a face full of astonishment. I just left a moment ago and they are already thirsty to the point that they cannot bear it anymore.

“About that...about that...I came to look for a quilt.” Qing Yutong said stammering, then immediately closed the door as her heart beats rapidly. Those two sure are passionate.

Ye Hua said in a deep voice, “She did that on purpose.”

“Who told you allowed her to come and stay with us. Don’t press onto me, don’t you know that you are very heavy!” Qing Ya said blushing.

Ye Hua turned over his body and lied down on one side, “You better not hug onto me and drip saliva on me tonight, if not, you can prepare to go sleep on the sofa tomorrow!”

### **Chapter 35 – An acting cool tool that delivers itself to one’s doorstep**

“Who is willing to hug you, narcissist!” Qing Ya hugged onto the quilt tightly and had her back faced towards Ye Hua. No matter what, I won’t roll over to him tonight.

“Remember to off your phone.”

“I offed it already!”

“Remember to wake up earlier to buy breakfast.”

“I know!”

“Don’t pant when you are sleeping.”

“Ye Hua! Are you looking to start a fight with me, don’t think that I’m afraid of you!”

“Off the light, sleep!” Ye Hua said calmly and had already lied down and closed his eyes, not intending to reply to Qing Ya, causing Qing Ya to be angered to the point that she wanted to choke Ye Hua to death.

After turning off the bedroom light, Qing Ya let out a breath and stroke her stomach with both of her hands. My baby, in order to give birth to you, your mommy has truly suffered a great deal of suffering, your daddy doesn’t care in the least bit for your mommy...not even allowing mommy hug him for a bit, mommy is used to having to hug something when she sleeps...this scoundrel!

...

Within Yangshan City, which was located at the perimeters of Long'an City, a BMW M6 sped on the driveway of a suburb. The person that was driving the car was a young and beautiful woman, her appearance was extremely beautiful, and her figure was also extremely curvy, this woman was a beautiful woman that was hard to come by.

Sitting at her side was the Long Aotian who used ground evading talisman to escape a while back. It must be said that, what happened afterward was a perfect chance encounter. Long Aotian had to give his thanks to those gangsters, if not for them, he wouldn't be able to meet with such a chance encounter.

Also, this Gu Tiantian's background is not small too, belonging to Yangshan City's well-known Gu Family. Although Gu Family is not that strong like Qing Family, but Gu Family is nonetheless still an outstanding company in the southern part, her criteria are enough to be a member of I, Long Aotian's harem!

"Tiantian, you should believe me now right." Long Aotian said complacently, I had just taken a trip to Gu Tiantian's home and casually showed off my skills for a bit, my medical expertise had shocked them to the point that they were all dumbfounded, and that quack was also kicked out of Gu Family, seems like I am still very strong, the situation at Qing Family today was just an accident only.

Furthermore, the expression of Gu Tiantian's parents when they looked at me was just like they were looking at their future son-in-law, this feels so great, a man who is capable will get discovered no matter where he goes, it can only be blamed on I, Long Aotian, being just too outstanding.

Don't see that Gu Tiantian is having an aloof expression, but in actual fact, her heart had already fallen for me, she is only just maintaining a woman's reserve for now, and in just a few days, I will be able to take her down and make her a member of my harem.

"Tiantian, what do you think of me, I am quite decent right?" Long Aotian smiled lightly, looking very gentleman-like, but in actual fact, he had a bunch of bad thoughts in his mind.

Gu Tiantian snorted, "Don't think that just because you cured my father, I will let bygones be bygones!"

"Aiyo, I also didn't mean to do it, it was just an accident, how about I let you take a look at my body and we will both be equals."

"Shameless~" Gu Tiantian scolded bashfully.

Take a look, take a look, and she still says that she has not fallen for me, her face has already gotten red. Sigh, women! They are always saying things that don't truly mean. Qing Ya, you will definitely regret it! You are not the only woman in this world, there is a bunch of women lining up waiting for me, Long Aotian!

"Tiantian, uncle told us to properly interact with each other just now, you see, since I don't have a place to go to, and your house is that big, how about you bestow me a room?"

Gu Tiantian feigned anger coquettishly, "Long Aotian! Can you not be that shameless, because of you, my dad thought that I have something going on with you."

"We both indeed have something going on, I have seen your body, if placed in ancient times, I would have to marry you~"

"Ah! Ah! Ah! I'm going to fight you to the death~"

"Hahaha."

Long Aotian felt incredibly great, that's right, this is the tempo, if this continues, perhaps I will even be able to settle her tonight, tsk tsk tsk, it is always like this for an excellent man, chasing after girls are but a matter of me gesturing at them with my finger.

However, right when Long Aotian was being immeasurably pleased with himself, his entire body suddenly leaned forward, and the sound of the tires rubbing against the floor rang out in his ears. Luckily he had his seatbelt on, if not, his entire body would have flew out.

Rubbing his head, Long Aotian asked, "Tiantian, why did you stop the car so suddenly, I know that you dislike me, but isn't this too exaggerating already?"

Gu Tiantian's eyes revealed panic as she pointed towards the front of the car and wasn't able to speak.

Long Aotian looked towards the direction that she was pointing at, a person could be seen standing in front of the car. The person's entire body was completely covered up by black cloth, and there was a dagger at the person's waist, evidently someone that has no good intentions.

"Tiantian, is that your enemy coming to look for you?" Long Aotian asked curiously, totally not taking the matter to mind.

Gu Tiantian shook her head, "Where do I even have any enemy, I also didn't provoke anyone or cause any trouble!"

"Perhaps it is your family's enemy then, however, this doesn't matter at all, what can I do about the fact that I am a good guy, not only did I help cured your father's sickness, I even have to help your family chase their enemy away, Tiantian, how are you going to repay me, how about you give your heart to me?" Long Aotian laughed, appearing very relaxed.

Upon seeing how calm Long Aotian was, Gu Tiantian also let out a breath of relief, and didn't feel that scared anymore.

"Can you be a bit more serious!" Gu Tiantian feigned anger coquettishly, this man is indeed very mystical, but he is too flirtatious already and doesn't feel reliable.

Long Aotian fiddled with his hairstyle for a bit, "The me right now is definitely serious, watch how I help you chase your family's enemy away!"

"You...you be careful a bit..." Gu Tiantian warned.

"Having the concern of a beautiful woman, no matter how hard the matter is, I, Long Aotian would still accomplish the matter no matter what, all just for getting you to smile."

"Stupid, what time is it already and you are still speaking!" Gu Tiantian was drunk already, however, her heart was feeling quite warm.

Death Assassin stared at the man within the car, I finally found the target, master said that this man is a bit formidable, but why am I not able to sense that at all, and right now, this man is still in the car flirting with the woman.

Bang!

Death Assassin smashed his fist onto the car hood, then gestured with his finger towards Long Aotian.

The huge sound gave Gu Tiantian a shock, looking at the concaved car hood, her body couldn't help but trembled as she said trembling, "This person is looking for you, you quickly get off the car."

"Eh..." Long Aotian was immediately dazed, the person that this person came for is actually me? The power of that fist is not bad, however, that fist is but nothing to me. Just like that quack, this person is just here for me to act cool, then afterward, I will be able to conquer the beautiful woman! This feels great! A golden opportunity bestowed by heaven!

"Tiantian, don't be afraid, stay carefully in the car, I will settle everything." Long Aotian kept his smile and said solemnly. This steadiness of the tone made Gu Tiantian believed in him, right now, I will rely everything on Long Aotian.

Opening the door, Long Aotian took out a stick of cigarette. Although this move was learned from someone else, but this move feels very good, it seems to be raising my coolness level...Gu Tiantian who is within the car, she must definitely be looking at me with sparkling eyes and worshipping me right now!

"Who are you?!" Long Aotian let out a puff of smoke and asked arrogantly.

Death Assassin was only able to think but not able to speak, and thus stood and remained silent.

“Fuck, a mute? Forget it! Dealing with you is not a hard thing at all, but it is better to not let a lady witness a bloody scene, let us move a bit further from here.” Long Aotian flicked the cigarette butt, this movement is of mine is truly handsome.

Death Assassin silently followed after Long Aotian, appearing a bit endearingly silly.

Long Aotian also had this kind of feeling, could this guy be a fool?!

Arriving at a place that was not too far from the car, Long Aotian took a look at the car, after feeling that at this distance, Gu Tiantian would still be able to see him, then did he felt at ease. I cannot let her see the ruthless scene that will unfold soon, but I have to show her how strong I am, this distance is just nice, even If I beat the guy and blood spattered around, she also wouldn't be able to clearly see it.
