

My Woman 351

Chapter 351: Lucky star

“Not bad. What does your family do?”

If not for the sake of accomplishing His Honor’s plan, I really want to kill this woman!

“Give me a kiss and I will tell you.”

This was basically a material benefit, if it was another man, the man would have immediately granted Guan Yanxin’s request, but Jue Tian, on the other hand, felt that she was humiliating him.

However, because Guan Yanxin was still a bit useful to him, he held onto her willow waist, “Tell me.”

“Annoying~ There’s a lot of people here.” Guan Yanxin didn’t expect that Jue Tian would suddenly hold onto her waist, and she was feeling a bit shy.

Although Guan Yanxin was willful, she wasn’t bad to the point of being promiscuous. Up till now, she still hasn’t had a boyfriend before. This time, she took a fancy for Jue Tian, and thus decided to take the initiative to chase after Jue Tian.

However, Jue Tian was only intending on using her and didn’t have any other intentions.

Right now, Jue Tian understood his own advantages. While lightly caressing onto Guan Yanxin’s slender waist with his right hand, he said faintly, “Not going to tell me?”

The numbing feeling that was coming from Guan Yanxin’s waist caused her to become nervous, but at the same time, she felt that it was very exciting, especially since there were many people coming and going near them.

“Professor Jue, do you know about the aristocratic families?”

Jue Tian went into a daze for a moment, and he tightened the grip on his right hand, causing Guan Yanxin to actually get pulled into his embrace. This shows that Jue Tian got excited upon hearing what Guan Yanxin said.

If I’m able to sneak into an aristocratic family, it would be much easier for me to pull the strings behind the scenes.

Although Jue Tian’s hypnosis seemed very formidable, there were flaws in his hypnosis too. If he were to hypnotize Guan Yanxin, Guan Yanxin’s words and actions may seem normal from the beginning, but as time passed by, she would slowly change, and the people who were close to her would be able to easily see that there was something wrong with Guan Yanxin’s behavior.

Furthermore, His Honor has ordered Jue Tian that he must not leave behind any evidence. Therefore, Jue Tian can’t use his hypnosis as he wants to.

“Jue Tian~ What are you doing~” Guan Yanxin shouted out sweetly.

I didn’t expect that he would get so agitated upon hearing that I am someone who is from an aristocratic family.

However, this is good too, I managed to get myself a handsome professor by using my family's title.

Jue Tian who was hugging onto Guan Yanxin felt like he was about to puke.

I didn't expect that there would come a day where I would need to use my looks.

"Jue Tian, are you feeling uncomfortable?" Guan Yanxin just precisely likes such a man like Jue Tian. Perhaps, this was what that was called love at first sight.

Jue Tian regained his composure and said calmly, "Nothing, just feeling a bit nauseous."

"Let's go and buy some medicines for you then."

"No need, let's head in."

Jue Tian really wanted to see who will be present at today's banquet and begin planning for his future plans. As for the woman who was by his side, he will make use of her for the time being.

The two directly took the lift and arrived at the top floor.

"Miss Guan!"

The attendant that was by the elevator greeted respectfully.

However, Guan Yanxin couldn't care less about the attendant, she was currently happily holding onto Jue Tian's arm.

Jue Tian swept his eyes over the group, and he discovered that the people present here were basically Zijin City's family heads.

Xiao Yi, Tang Wushuang, Bai Cixin, Bai Cixin's little brother, Wang Dabao, Chen Xuanzong, and that student who attended my class just now is also present here.

Not bad! I didn't come to this banquet for nothing!

Guan Family's motive for hosting this banquet was the same as Ye Family, trying to win over supporters.

"Miss Guan."

"Miss Guan."

Various family heads greeted cordially, and Guan Yanxin who was holding onto Jue Tian's arm responded to their greetings by nodding her head while with a slight smile on her face.

Guan Yanxin's bearing could be seen to be that of someone from a big family.

Jue Tian was currently thinking over Guan Yanxin's usefulness in aiding his plans.

For the sake of making things easy, should I use this identity to get into Guan Family?

"Big brother, big brother." Guan Yanxin could be heard shouting toward a man.

Jue Tian looked over, and Guan Yanxin's big brother could be seen to be an impressive-looking man who possessed unordinary bearing.

"Yanxin, you are finally here, father has been looking all over for you." Guan Li walked over and said with a smile. Following after, seeing that his sister was holding onto a man's arm, his brows became tightly wrinkled.

Guan Yanxin introduced with a smile, "Big brother, this is Jue Tian, my boyfriend."

"When did you have a boyfriend?" Guan Li asked gravely, and his tone didn't sound friendly.

"Why, do you think that only you are allowed to have a girlfriend, and I'm not allowed to have a boyfriend? Big brother, you can't be like this." Guan Yanxin thought that her big brother was joking around with her, and thus she said teasingly.

Guan Li pulled his sister to the side, "You know that father is going to announce the marriage between you and Jiang Family today, and yet you still brought a man over here?!"

"I brought my boyfriend over here precisely because father is going to make that announcement." Guan Yanxin said with an indifferent look on her face, she was precisely going to go against her father.

"Do you want father's face to sweep the floor?! You are too insensible!"

"What does that have anything to do with me. In any case, I will pick my own man."

Guan Li was angered to the point that his head was hurting, "You... I really don't know what to say about you. If you care about that boyfriend of yours, immediately break up with him, or else he won't be able to see tomorrow's sun."

"I will see just who will dare to touch him!" Guan Yanxin wasn't one that was easy to provoke.

"What's the matter?" Jue Tian walked over and asked faintly.

Guan Li took a look at Jue Tian, then said to his sister, "You do as you see fit."

After finished speaking, Guan Li left.

Jue Tian felt that things didn't seem to be looking good for him.

This is a good chance for me to sneak into an aristocratic family, I can't let this woman run away from me.

"My father is going to sell me away." Guan Yanxin let out a breath, then said lightly.

Guan Yanxin's helplessness right now was more or less the same as Dongfang Yuer's helplessness, both of them were being used as bargaining chips.

Upon hearing that, Jue Tian's heart sunk, and his expression turned grave.

I was still thinking about how to make use of her just a while ago, but in the blink of an eye, everything became meaningless.

Looking at Jue Tian's expression, Guan Yanxin thought that Jue Tian became unhappy upon hearing what she said.

"Are you angry?" Guan Yanxin asked curiously.

Jue Tian who had his brows wrinkled nodded his head.

All of his plans that he had been thinking up for quite a while have all become meaningless, so how could he not be angry?

“Do you dare to gamble together with me?” Guan Yanxin asked in a low voice.

In the end, when all was said and done, Guan Yanxin was trying to use Jue Tian to break away from her family marriage, just that, she chose someone that she liked to make use of.

In a way, Guan Yanxin had more or less the same idea as Qing Ya.

After hearing what Guan Yanxin said, Jue Tian felt that he had no choice but to take a gamble.

If I’m able to sneak into Guan Family, it would be the best, but if I’m unable to sneak into Guan Family, a lot of troublesome matters are going to pop up.

In any case, this Jiang Family is also an aristocratic family, if I were to mess up Jiang Family’s marriage with Guan Family, those two families may end up going on bad terms with each other.

“What is your family’s intention in holding this banquet?” While standing by the window, Jue Tian naturally was going to fish out information from Guan Yanxin.

Guan Yanxin has already drunk a glass of red wine, and her face was currently slightly red, “Let me tell you, but you mustn’t tell anyone else what I told you, okay?”

“Alright.”

“For the sake of the longevity fruits.” Guan Yanxin said secretly.

Confusion appeared on Jue Tian’s face, “Longevity fruits?”

“You probably do not know this, but in actuality, aristocratic families aren’t the most formidable, on top of the aristocratic families, there is still a power called Voidless Realm. Every hundred years, Voidless Realm would distribute a batch of longevity fruits. Only the aristocratic families know about that, and those normal families are completely unaware of that. You mustn’t tell anyone else about this, if not I will get in trouble.”

Guan Yanxin who was slightly drunk said dazedly, completely unaware of just how important this piece of information that she just shared was.

Even Ye Hua also didn’t know about the longevity fruits, and yet, Jue Tian actually ended up finding out about it.

This Guan Yanxin is truly my lucky star.

Seeing that Jue Tian had a surprised look on his face, Guan Yanxin smiled, “There are a lot of secrets within the aristocratic families, and pretty much all of them are unpresentable.”

“You are drunk.” Jue Tian was currently a little excited.

I did the right thing to come here today, this woman knows a lot of things.

However, I mustn't behave too radical, if not she will end up becoming suspicious.

How about I just directly use my hypnosis on her?

No, this woman is still useful in the future, I have to think of a way to make her become devoted to me.

Chapter 352: Alliances

"I'm not drunk, but I want to get drunk." Guan Yanxin's tone seemed to be filled with lots of helplessness.

Being born in an aristocratic family, although authority and power were easily obtainable, she had to lose her personal freedom, every word she spoke and every action she did, she had to first take into consideration of her family's face.

Even such a thing as having a boyfriend was restricted by her family.

Using Guan Yanxin's words, "I'm already 20+ years old, and yet I don't even know how it feels to be a woman. I really want to find a man who I like and have my first experience with him. After that, I will just go with the flow of whatever that happens. At the least, my first time will be with someone who I like."

Jue Tian was currently feeling a bit vexed, the response that his body was giving out was to not touch the woman, but his mind was constantly reminding him of His Honor's order.

In the end, His Honor's order prevailed.

Jue Tian lightly embraced onto Guan Yanxin, and Guan Yanxin was lying in Jue Tian's embrace and enjoying this moment between the two of them.

No matter what this man's motives are, at the least, he is someone who I like.

Jue Tian was currently faced with another issue.

How do I make her become willing to do whatever that I tell her to do? This is a bit difficult!

However, looking at Dongfang Yuer who was present at the scene, Jue Tian asked curiously, "Why is that student present here?"

Guan Yanxin turned her head around to take a look, then said, "She's more or less the same as me, a girl who was sold away by her family."

"Oh? And the person who is by her side is her husband?" Jue Tian looked at Bai Qi and asked curiously.

"Nope, he isn't. I heard that they still haven't done the deed with each other. Although this Dongfang Yuer is soft-tempered, she is rather unyielding. I must say, she does indeed sort of have the shadow of Dongfang Aristocratic Family." Guan Yanxin laughed lightly.

"Dongfang Aristocratic Family?" Jue Tian asked.

Guan Yanxin nodded her head, "That's right. Dongfang Family is originally an aristocratic family too, but something happened, and they got their title removed. Dongfang Yuer is someone who is from Dongfang Family's current younger generation."

My luck today is practically shooting off the roof!

First, it is Guan Family, and now, it is Dongfang Family!

His Honor has given an order to check on Dongfang Family's case, and this Dongfang Yuer could just be the breakthrough point in getting to the bottom of Dongfang Family's case.

Just that, how am I going to be able to get to this breakthrough point without seeming suspicious? I am going to have to slowly think about that.

Following after, Guan Yanxin talked about quite a few disputes between different families.

Take for examples, Xiao Family and Tang Family were on bad terms with each other, and right now, Tang Family has angered Bai Family. Also, Chen Xuanzong seemed to have the intention of forming an alliance with Tang Family. The relationships between the families were rather complicated.

This is good news to me, this Guan Yanxin seems to know about a lot of things. I have to make it so that this woman can be used by me for a long period of time. With her to help me out, it will be easy for me to obtain information.

On the other side of the banquet, Chen Xuanzong could be said to be Zijin City's black horse, in just a few days of work, he has already obtained a lot of family heads' acknowledgment, and his figure could now be seen in practically every banquet that was held in Zijin City.

Chen Xuanzong decided to place his feelings for Qing Ya to the side for the time being.

After I reached the top, I will go and look for Qing Ya and tell her that that Long Aotian is not a good person.

Long Aotian who was far away hiding in a mountain let out a deep sigh, "What did I even f**king did wrong!"

While holding onto a glass of red wine, Chen Xuanzong came to the front of Tang Wushuang, "Family Head Tang."

"Family Head Chen." Tang Wushuang's mood has been very good lately, and this caused his endocrine to become very active. If not for the beard that was on his face, his voice that he was lowering on purpose, and also the bandage on his chest, Tang Wushuang would look just like a beautiful-looking woman.

Chen Xuanzong discovered that Tang Wushuang seemed to be purposely lowering his own voice.

"I got a cold recently, and my throat is feeling a bit uncomfortable." Tang Wushuang explained with a smile.

Just that, how would someone of Tang Wushuang's power level be able to catch a cold so easily?

Chen Xuanzong said with concern, "If that's the case, Family Head Tang, you should take care of your health and properly recuperate."

"Family Head Chen, thank you for your concern." Tang Wushuang's bearing was starting to change a bit, and this caused Chen Xuanzong to have goosebumps.

“Family Head Tang, when will we start taking action?” A few days ago, Chen Xuanzong paid Tang Wushuang a visit, and both of them reached a consensus on exterminating Xiao Family.

Tang Wushuang looked at Xiao Yi who was standing not far away and said gravely, “After this time’s aristocratic family election is over, we will immediately start taking action!”

“If that’s the case, I can put my mind at ease.” Chen Xuanzong patted onto Tang Wushuang’s shoulder, and the latter went into a slight daze for a moment. Even more, just like a girl, shyness actually appeared on the latter’s face.

This caused Chen Xuanzong to immediately pull back his hand.

Just what is going on with this Tang Wushuang?

Xiao Yi naturally spotted both Tang Wushuang and Chen Xuanzong.

For those two to be chatting with each other, they are definitely up to no good!

Looking at Bai Cixin who was not far away, Xiao Yi let out a polite smile on his face, then walked over to Bai Cixin.

“Family Head Bai.”

Bai Cixin slowly turned her body around, “Family Head Xiao, long time no see.”

“Family Head Bai is still as pretty as always, even I am engrossed by your looks.”

Wang Dabao, who was at the side, had an ugly look on his face.

To actually dare to flirt with my wife while in front of me! Don’t think that you can act however you want without any misgivings just because you have the Xuan Yuan Sword!

I am able to suck out a tray of river snails without using my hands, are you able to do that!

Bai Cixin smiled, “Family Head Xiao, please be cautious with your words, my husband is still by my side.”

Wang Dabao snorted coldly as he held onto his wife’s waist, seemingly like he was saying, “Quickly beat it, you loser!”

“CEO Wang, don’t misunderstand, I merely came over with the intention of forming an alliance.” Xiao Yi told them his motive.

Right now, forming an alliance was the only way out for Xiao Family, and was also the best move for Xiao Family to make.

Bai Cixin said faintly, “Why should I agree to form an alliance with you?”

“Because we have the same enemy, Tang Family!” Xiao Yi said coldly.

Bai Cixin revealed out a strange smile, then said, “Indeed!”

Upon hearing that Xiao Yi wasn’t here to seduce his wife and was instead here to form an alliance with them, Wang Dabao put his mind at ease.

In any case, my mouth skills are extremely formidable, and my wife is already unable to free herself from my mouth skills. Therefore, there isn't really much for me to worry about.

Xiao Family and Bai Family both possessed an ancient godly item.

Meanwhile, Tang Chen Alliance only possessed one ancient godly item because only Tang Family possessed an ancient godly item, and Chen Xuanzong didn't possess an ancient godly item.

Therefore, if those two alliances were to get into a battle with each other, Xiao Bai Alliance would be in the advantage.

However, Tang Wushuang's master, Gui Chengren, was a factor that could not be forgotten about. Gui Chengren was practically the equivalent of a walking ancient godly item.

Right at this moment, a round-looking middle-aged man appeared at the scene.

This middle-aged man was precisely Guan Family's family head, Guan Tong!

Guan Tong's height was less than 1.7 meters tall, but his body was extremely fat.

Looking from far away, he looked just like a walking ball.

However, do not be deceived by his appearance. No matter what, he was still after all one of the five aristocratic families' family heads! If he doesn't possess some capabilities, how would he have been able to get to the position that he was in today?

"Family Head Guan."

"Family Head Guan."

"Family Head Guan."

The family heads greeted cordially, and Guan Tong appeared to be very happy too. However, when he saw that his daughter was actually nestling against a man's embrace, his expression immediately sunk.

If the people from Jiang Family saw this, the marriage between Jiang Family and my Guan Family can practically be called off!

"My father is here." Guan Yanxin immediately left Jue Tian's embrace.

From the looks of it, she was a bit afraid of her father.

Jue Tian asked in a low voice, "Do you still dare to take a gamble with me?"

Guan Yanxin was shocked when she heard that. As she raised her head and looked at Jue Tian's face, she saw a face that was filled with confidence, and that confident look gave her a strong sense of security.

Chapter 353: Try touching her

"I dare!"

Jue Tian nodded his head, "Wait here."

“Ah?”

Without explaining what he was going to do, Jue Tian blended into the crowd and disappeared from Guan Yanxin’s sight.

This caused Guan Yanxin to become stupefied.

“Yanxin, who is that man!” Guan Tong walked over and questioned.

Guan Yanxin said gravely, “My boyfriend!”

“Do you know what day is today?! Are you really intending to pick this day to anger me!” Guan Tong bellowed in a low voice.

My daughter’s action is basically bringing shame upon Guan Family!

“My own marriage is up to me to decide on what to do!” Guan Yanxin was very resolute. Guan Yanxin was better than Dongfang Yuer in this aspect, at the least, Guan Yanxin knew to resist.

However, Guan Yanxin’s resistance was completely useless.

“You will decide on what to do with your own marriage? Where did that boyfriend of yours go to? Does he have the guts to stand in front of me?”

Guan Yanxin looked around the venue and discovered that Jue Tian actually disappeared from the venue.

Don’t tell me, Professor Jue ran away?

He asked me if I dare to take a gamble with him, and yet he actually ran away by himself?!

His guts are really small! I thought that he was a man, but turns out, he was just putting on a brave front!

“Take a look at how incompetent this boyfriend of yours is, he ran away the moment I arrived here. From this, it could be seen just how despicable and incompetent he is.”

Guan Tong naturally didn’t like to see his daughter getting together with an ordinary person, or perhaps, someone from an ordinary family. To him, the marriage between Jiang Family and his Guan Family was of the utmost importance.

Guan Yanxin let out a deep sigh.

I made an error in judgment! I really regret everything that I have said to him.

“Alright, don’t be sad, Jiang Zuo is a pretty good boy. Later on, when he arrives at the venue, you will understand once you get to know him.”

Guan Yanxin remained silent, seemingly to have already given up on resisting.

Guan Tong patted onto his daughter’s shoulder, “Yanxin, father knows how you feel about this marriage, but being born in Guan Family, there are a lot of things that you just have to accept and give in to, it was the same for me back then.”

"Father, I got it." Guan Yanxin said disappointedly. Her gaze was still searching within the crowd for Jue Tian's figure, but unfortunately, Jue Tian really seemed to be gone from the venue.

Jue Tian was currently standing at an exit staircase and contacting with Wei Chang.

Jue Tian had to contact Wei Chang because there were some things that Jue Tian really didn't know how to go about, for example, how to make a woman become willing to willingly help him with his plans.

"Jue Tian, I have also been pondering about this question for a very long time already." Wei Chang's tone was filled with helplessness.

Xiao Tang has recently returned to her school, and she has been staying at her dormitory ever since. It has already been a few days since I last saw her.

This caused Wei Chang to become very worried.

Xiao Tang isn't angry at me, right?

In actuality, Tang Wei was indeed really angry with Wei Chang.

Uncle Wei and I are already at the stage of sharing the same bed, and yet, it has been so long already and he still doesn't have any reaction!

Is it because I am not pretty enough? That is evidently not the case, but Uncle Wei just precisely wouldn't touch me.

Because of that, Tang Wei has been feeling very sad, she felt that her Uncle Wei doesn't like her at all.

Jue Tian asked curiously, "Then, have you come to any conclusion yet?"

"I have, the conclusion that I have come to is that women are fond of acting willfully and doing baffling things." Wei Chang was puzzled when he thought back to the things that Tang Wei did every day.

Those "baffling" things that Tang Wei did was her trying her best to hint at Wei Chang to do the deed with her, but Wei Chang was completely oblivious to her hints.

Jue Tian said faintly, "I came across two women who are crucial to carrying out His Honor's plans, however, I do not know how to make them become devoted to me."

"I'm unable to help you with this problem of yours. Lie Gu seems to know more about this kind of stuff. After all, Lie Gu is the only one amongst us who has managed to maintain a very good relationship with his women."

His Honor always has relationship issues with the two madams, Xiao Tang and I have conflicts with each other too, Little Green and Zi Shan still haven't reached the stage of sharing the same bed, and only Lie Gu and his three wives have the most harmonious relationship.

Oh yeah, Death Mage and Xun Fang have a pretty harmonious relationship too.

Those two are practically our role models.

"Alright."

Jue Tian cut away his communication with Wei Chang, then immediately contacted Lie Gu.

Lie Gu was currently busy working hard to hand over taxes to his wives.

Yi Ran and Bai Xiaozhen were already lying on the bed while with a satisfied look on their faces, and Lie Gu was currently busy satisfying Wen Xia.

“Lie Gu, I have a question to ask you.” Jue Tian said.

Lie Gu said while panting, “What is it?”

“How do I make a woman become willing to willingly do things for me?”

Lie Gu said gravely, “Is there even a need to think? Just do it with all of your strength.”

“Do what?” Jue Tian was confused.

“Do what? Isn’t that obvious? If you want to make a woman become obedient, you have to do it with her till she submits.” This was Lie Gu’s theory.

Look at my three lovely wives, if I say to go left, they will go left, and if I say to go right, they will go right. And if they aren’t willing to listen to me, all I have to do is to just do it with them till they are willing to listen to me. I have already tested this method of mine and it works every time.

In actuality, Ye Hua could try to imitate Lie Gu’s theory. If Ye Hua were to use up all of his wives’ energy, where would they have the energy to come and find fault with him? His two wives precisely have too much energy but no place to use their energy on.

Jue Tian wrinkled his brows tightly, “Will that really work?”

“Just listen to me, it will surely work. Look at His Honor, because he doesn’t listen to me, he constantly gets into quarrels with the two madams.”

Jue Tian felt that what Lie Gu said made sense, “I will think about it.”

“Alright, you can go on and think about it, I still have other matters I have to attend to.”

After cutting off the communication with Jue Tian, Lie Gu seemed as if he has turned into an electric-powered motor, his frequency accelerated, and moans were continuously being let out from Wen Xia’s mouth.

My massaging skills have truly gotten better and better.

Within the group, Lie Gu was the happiest. Of course, Lie Gu’s women were very happy too as they were able to enjoy their husband’s grace.

Jue Tian leaned on the staircase’s handrail and let out a deep breath.

Do I really have to sacrifice my body?

I feel that it is such a big loss for me if I were to sacrifice my body.

However, for the sake of His Honor’s plans, I won’t mind even if I have to sacrifice my body!

But, how do I make it so that I have the opportunity to do it with them?

Jue Tian had no choice but to request Baidu for help.

Slipping drugs into drinks, getting the women drunk, and various other bizarre methods popped up on Baidu.

This caused Jue Tian to shake his head.

Those methods are too despicable! I, Jue Tian, disdain using such despicable methods.

Bang!

The staircase door was suddenly pushed open, and a man who was grabbing onto a woman's arm could be seen pushing the woman onto a wall.

Jue Tian took a look and he discovered that it was actually his student, Dongfang Yuer, and that person from Bai Family.

This is a bit interesting!

"Dongfang Yuer! What is the meaning of this, are you really not going to give me any face?!" Bai Qi slammed his hand onto the wall, and the sound vibration caused Dongfang Yuer's right ear to go numb.

"I'm asking you a question!" Seeing that Dongfang Yuer was remaining silent, Bai Qi felt anger surging from his heart.

"You won't allow me to touch you, right? I'm just precisely going to touch you today!"

While speaking, Bai Qi kissed toward Dongfang Yuer, and Dongfang Yuer turned pale with fright as she used both of her hands and resisted with all of her strength, "You said that you wouldn't touch me!"

"I'm just precisely going to touch you today! No one is going to be able to stop me!"

Dongfang Yuer's complexion turned extremely pale. However, when she saw the malevolent look that was on Bai Qi's face, unknown as to where she got her strength from, she kicked directly onto Bai Qi's crotch.

Bai Qi immediately became stupefied.

Right after being kicked on the crotch, Bai Qi raised his hand and gave Dongfang Yuer a slap on her face, then held onto his crotch with his hands, "Slut! I am going to kill you today!"

Dongfang Yuer fell to the ground after being slapped by Bai Qi. However, she didn't cry. She felt that it was fine as long as she didn't get violated and being beaten to death could be considered as a way for her to finally be freed.

After relaxing for a bit, Bai Qi finally felt much better, and right when he was about to give Dongfang Yuer a lesson, the sound of footsteps rang out from the side.

Jue Tian had been observing the two of them for quite a while, and he felt that this was a good opportunity for him.

This is a golden opportunity, I mustn't let go of this opportunity!

"She is my student, try touching her and see what happens!" Jue Tian slowly walked over, and his tone was icy-cold.

In order to obtain Dongfang Yuer's trust, Jue Tian was willing to kill Bai Qi.

After all, Bai Qi wasn't going to have any effect on Jue Tian's plans, but if Bai Qi were to turn into a corpse, Bai Qi may have a bit of effect on Jue Tian's plans.

Jue Tian helped Dongfang Yuer up from the ground, then straightforwardly pulled Dongfang Yuer into his embrace and comforted her, "Don't be afraid, teacher is here to protect you."

Chapter 354: I like you

If not for the fact that Jue Tian doesn't like women, Jue Tian would definitely be an expert in hitting on girls.

The timing that Jue Tian picked was extremely accurate, he appeared right at the moment when Dongfang Yuer was feeling the most helpless.

Furthermore, when Jue Tian embraced and comforted Dongfang Yuer, Dongfang Yuer felt touched.

Aside from that female senior from that day, this is the second person who is willing to step up and speak for me, other people wouldn't even dare to go against Bai Family!

"You are my girlfriend's teacher?" Bai Qi said confusedly.

While caressing onto Dongfang Yuer's beautiful hair, Jue Tian thought to himself, "I really want to just kill this woman! Women... I hate women!"

However, for the sake of His Honor's plans, Jue Tian held back his urge, "Not only am I her teacher, but I am also her man!"

This caused Bai Qi to become startled.

And even Dongfang Yuer was startled too.

I know that Professor Jue is trying to help me, but this Bai Qi is from Bai Family!

"Professor Jue, don't say anymore." Dongfang Yuer was trying to tell Jue Tian to not help her, or else he will get into trouble with Bai Family.

However, when Dongfang Yuer's words fell into Bai Qi's ears, the meaning completely changed!

This Dongfang Yuer is actually telling him not to say any more about their relationship!

So, this Dongfang Yuer already has a man! It is no wonder that she wouldn't let me touch her, she is definitely afraid that I would discover that she isn't a virgin anymore!

I, Bai Family's magnificent young master, was actually cucked!

This is humiliating!

"I am going to kill both of you today!"

Relying on his big sister's power, Bai Qi has done quite a number of bad things, and adding on with the fact that other people didn't dare to provoke him, it caused him to become even cockier.

Especially during this period of time, because his big sister was going to become the family head of an aristocratic family, his cockiness practically began expanding without a limit.

When his big sister becomes the family head of an aristocratic family, he would also become the young master of an aristocratic family, therefore, he didn't place anyone in his eyes anymore, so let alone someone like Dongfang Yuer who was from a down and out family!

Of course, Bai Qi possessed some martial skills too, just that, he was merely a bit stronger compared to ordinary people.

Jue Tian raised his hand and gave Bai Qi a slap on his face, sending Bai Qi flying till he collapsed into a wall.

Bai Qi held onto his cheek and looked at Jue Tian in disbelief, "You dare to hit me?! Do you know who my big sister is?!"

"Do you know who I am?! I am Bai Family's young master! I just have to give out an order, and both of you would have to die!"

Bai Qi's handsome-looking face looked extremely frightening, Bai Family's recent growth of strength has made Bai Qi become extremely complacent.

Dongfang Yuer got off from Jue Tian's embrace and gave Jue Tian a bow, then said, "Professor Jue, thank you for helping me, but please don't help me anymore, or else you will be in danger."

Dongfang Yuer was truly a good girl, she would rather remain in danger than put someone else in danger with her.

However, Jue Tian didn't feel anything about Dongfang Yuer's actions. Jue Tian currently only had His Honor's order in his mind and nothing else.

"Get out of here!" Jue Tian said gravely.

Bai Qi went into a daze for a moment, and there wasn't any peculiarity that could be seen on Bai Qi's expression, "I will get out of here, but don't let me come across the two of you again! Or else, I will beat the two of you to death!"

After finishing speaking, Bai Qi left the staircase.

Just as Jue Tian thought, Bai Qi would only be useful if he turned into a corpse!

As for Dongfang Yuer, Jue Tian still has a lot of use for her.

"Are you fine?" Jue Tian asked with concern.

Dongfang Yuer shook her head, "Professor Jue, you should quickly get away from this place, or else... Hmm... hmm..."

Dongfang Yuer opened her beautiful eyes wide and looked in disbelief at the aloof and domineering man who was in front of her.

He actually kissed me!

Should I push him away? But why do I feel that my legs and hands seem to have no strength at all?

Jue Tian was about to puke, however, he held back his urge to puke and continued kissing Dongfang Yuer.

Dongfang Yuer is related to the case where Dongfang Family was exterminated, and Guan Yanxin possesses a lot of information regarding the aristocratic families. I must seize these two girls no matter what!

If worse comes to worst, I will just learn from Lie Gu and just immediately do it with them.

Although doing it with them is a bit disgusting, I will just treat it as if I was bitten by two puppies!

It has to be known that Jue Tian's true body was a cat, and he was very obsessed with cleanliness, if it was possible, he wouldn't even want to touch the two women.

After separating his lips from Dongfang Yuer's lips, Jue Tian looked at Dongfang Yuer and said, "Be at ease, no one will be able to bully you anymore from now on, asides from me."

"I... Professor Jue, we can't... Thank you for your good intentions." Dongfang Yuer's face was completely red, and after she finished speaking, she was intending to leave.

Jue Tian gave her a strong sense of security, letting her heart feel warm while she was situated in a dangerous situation. Therefore, she felt that it was even more the reason that she mustn't allow Jue Tian to be met with harm.

However, Jue Tian wasn't going to let Dongfang Yuer leave, he pulled Dongfang Yuer back to him and pressed her against a wall.

Dongfang Yuer lowered her head, not daring to look straight at Jue Tian's gaze.

"Do you still want to continue letting him bully you?" Jue Tian asked coldly.

"This is my fate." Dongfang Yuer said in a low voice.

Jue Tian held onto Dongfang Yuer's chin and raised her head, then said faintly, "You now have the chance to change your fate."

"Professor Jue, I don't want to implicate you in my problems." It must be said that Dongfang Yuer has a favorable opinion of Jue Tian, or else, she wouldn't have allowed Jue Tian to steal away her first kiss.

Of course, that was also Jue Tian's first kiss, but Jue Tian merely felt like puking when he had his first kiss with Dongfang Yuer.

"Yuer, I like you." After saying that, Jue Tian really wanted to give himself a slap.

This is too f**king disgusting. However, for the sake of His Honor's plans, I will endure it. After all, after I am done carrying out His Honor's plans, I won't be needing them anymore.

Dongfang Yuer was stupefied as she looked at Jue Tian while with a dazed look on her face.

Song Xiaoxiao was very right, he is really handsome, and he also gives me a strong sense of security.

If not for my circumstances, I would definitely be his girlfriend.

"Professor Jue, please conduct yourself with dignity."

After finishing speaking, Dongfang Yuer ran away, and there were tears in the corners of her eyes.

Jue Tian was stupefied, this woman is actually able to escape from the might of my looks!

Take a look at that Guan Yanxin, she is completely charmed by my looks, and yet this Dongfang Yuer is actually untouched by my looks!

This is a bit interesting!

I precisely like things that are difficult!

Tonight, that Bai Qi has to die, and furthermore, he has to die out in the open!

Jue Tian took out a handkerchief and wiped his hands on the handkerchief, then walked out of the staircase.

Currently, the banquet was reaching its climax!

Guan Family's family head, Guan Tong, was currently giving a speech on the stage.

And the people from Jiang Family have arrived too!

Jiang Family's family head, Jiang Yuanzhou, and the handsome guy that was sitting by Jiang Yuanzhou's side was Jiang Yuanzhou's small son, Jiang Jianhua!

Jiang Jianhua appeared to be a bit strange, he seemed a bit sluggish.

It wasn't that Jiang Jianhua was mentally ill, it was just that Jiang Jianhua was afraid of strangers, and he hardly goes outdoor all year round.

Because Jiang Jianhua was at the age of marriage, Jiang Yuanzhou placed his eyes on Guan Family's small daughter.

The two families were well-matched in terms of social status, therefore, with the marriage between the two families, the two families would become relatives of equal status. In the future, if there were any matters, the two families could discuss the matters together.

Guan Tong, who was on the stage, had already spoken a bunch of things, and now, it was finally time to bring up today's main topic.

"In actuality, I have a joyous matter to announce today, which is the marriage between Jiang Family and my Guan Family. Let us welcome our two newlyweds!" Guan Tong took the lead to applause.

Guan Yanxin looked beautiful and dignified, as a woman who was from an aristocratic family, Guan Yanxin could be counted as a relatively outstanding woman.

On the other hand, Jiang Jianhua's back was arched, he seemed to be slightly nervous, and his gaze was drifting around restlessly. From the looks of it, he didn't seem to like being in this kind of venue.

Jiang Jianhua's bearing caused others to shake their heads and thought to themselves, "This Jiang Jianhua isn't worthy of that Guan Yanxin."

Guan Yanxin has already greeted Jiang Jianhua when he arrived at the venue earlier, and she has already given up.

This is my fate, to marry a cowardly man.

Although Jiang Jianhua's performance wasn't great, his eyes would drift to Guan Yanxin from time to time, seemingly to be very satisfied with this wife of his. However, he didn't dare to look straight at her, seemingly to be embarrassed to do so.

Chapter 355: Sudden change

Jiang Yuanzhou stood up from his seat, adjusted his collar, then slowly walked up to the stage while with an imposing aura emitting out from him.

Just the way Jiang Yuanzhou walked up to the stage alone won a bunch of family heads' applause.

Alright, in actuality, the family heads were just precisely bootlicking Jiang Yuanzhou.

Jiang Yuanzhou raised his hand, signaling everyone to quiet down, then pat on his son's shoulder.

Immediately, the latter shrank back in fear, making it seem like he was going to be beaten by his father.

Upon seeing his son's reaction, Jiang Yuanzhou took a glare at his son.

Don't embarrass yourself in front of so many people!

However, upon being glared at by his father, Jiang Jianhua became even more afraid.

Perhaps it was due to the trauma of being beaten by his father when he was young, right now, whenever his father glared at him, he would immediately become scared.

"Straighten your back!" Jiang Yuanzhou suddenly slapped onto his son's waist.

Immediately, Jiang Jianhua straightened his back and slightly raised his chin, seemingly like a soldier who was told to stand at attention.

If Jiang Jianhua was a bit more confident, he could be considered as a talented individual. Unfortunately, being beaten by his dad when he was young caused him to become traumatized, and ended up having no confidence at all.

"It is my son's fortune that he is able to have such a virtuous wife like Yanxin, and this marriage between the two of them is a joyous occasion for my Jiang Family too."

Guan Tong naturally had to say a few words of courtesy in return.

The fat on Guan Tong's face began trembling as he spoke, "Brother Jiang, you are being too courteous, it is my Yanxin's fortune that she is able to marry into Jiang Family. Moreover, Jianhua's impressive and imposing appearance is hard to find in this world."

The two family heads' words of courtesy caused everyone to have goosebumps all over their body.

Meanwhile, Guan Yanxin, who was standing at the side, looked to be in a daze, seemingly like she has lost her soul.

In actuality, everyone was aware that Guan Yanxin didn't have a choice in this marriage, for the sake of binding the two families together, the marriage between Guan Yanxin and Jiang Jianhua was needed.

"Say a few words." Jiang Yuanzhou said in a low voice to his son.

Today was counted as the day where Jiang Jianhua and Guan Yanxin's marriage was announced. After this announcement, it would be followed with them getting engaged, then followed by getting married.

As a man, it was only natural that Jiang Jianhua has to say a few words to express how he felt.

However, looking at the huge crowd in front of him, timidity appeared on his face, and he wasn't able to utter a single word.

Not sure who was the one who began to clap their hands, everyone began clapping their hands to encourage Jiang Jianhua.

Looking at the scene, it seemed as if Jiang Jianhua was a kindergartener who was only able to speak after being encouraged by the adults.

This caused Jiang Yuanzhou's expression to turn a bit ugly.

However, the applause was indeed a bit useful.

"I... I... I like her... very much." Jiang Jianhua said while stammering.

Although it was hard for Jiang Jianhua to speak in front of a crowd, he managed to do it, and Jiang Yuanzhou was gratified to see that his son managed to speak in front of the crowd.

Upon hearing what Jiang Jianhua said, Guan Tong felt at ease.

It is a good thing for my daughter to marry this Jiang Jianhua. After all, with my daughter's quick-wittedness, at the least, she won't end up getting bullied by him.

Applause began ringing out once again.

"Yanxin, come over and say a few words." Guan Tong said toward his daughter.

Guan Yanxin came back to her senses, then asked curiously, "What did you say?"

"....."

The corner of Guan Tong's mouth twitched.

Jiang Yuanzhou's expression immediately sunk.

And Jiang Jianhua became gloomy.

The goddess didn't hear anything that I said just now...

With a smile on his face, Guan Tong said in a low voice, "Just say that you like Jiang Jianhua and it will do!"

Guan Yanxin didn't like Jiang Jianhua at all, she disliked men who were indecisive and timid. She felt that this kind of man was unmanly and was weaker than her.

However, what else could she do about the current situation?

"Go on and speak!" With a forced smile on his face, Guan Tong shouted out in a low voice.

Guan Yanxin knew that it was out of the question for her to not say anything.

After taking a step forward, Guan Yanxin raised that prideful chin of hers, and immediately, she saw Jue Tian who had come back to the venue.

He didn't leave me! He came back!

Guan Yanxin's heart which had already given in began to start rebelling once again.

I would rather die than marry to this kind of man. It's fine that you all want to form an alliance, but you all can't use me as a sacrifice to form the alliance!

Seeing that his daughter suddenly smiled, Guan Tong had a bad feeling.

Meanwhile, Jiang Yuanzhou and Jiang Jianhua thought that Guan Yanxin smiled because she was happy, and thus, they felt pleased.

"I like him!" Guan Yanxin said very straightforwardly and boldly, and everyone couldn't help but have respect for her, as a woman who was from an aristocratic family, Guan Yanxin actually dared to do this!

Guan Tong knew exactly that this would happen.

Guan Yanxin's big brother stood by her side, and his gaze was directed at Jue Tian who was walking over to them.

The smiles that were on Jiang Family's father and son came to a freeze.

That's right, Guan Yanxin shouted out those three words while pointing her finger at Jue Tian. Guan Yanxin was truly someone who had guts.

Jue Tian was very satisfied with the result.

Because of me, the relationship between Guan Family and Jiang Family has dropped all the way to the freezing point. Right now, I have to give it another push and make their relationship become even worse.

Jue Tian adjusted his eyeglasses, placed his left hand into his pants pocket, then stretched out his right hand and used his finger to beckon Guan Yanxin to come over to him.

Everyone's heart sunk.

You are practically not placing those two families in your eyes at all, to actually dare to beckon Guan Yanxin to come over to you!

Moreover, Guan Yanxin is someone who is from an aristocratic family, and yet your action of beckoning her to come over to you with your finger is very degrading, it seemed as if you were beckoning a prostitute to come over to you. Although Guan Yanxin likes you, she won't come over to you. After all, a woman who comes from an aristocratic family is very prideful!

However, everyone was going to be disappointed.

With a smile filled with joy on her face, Guan Yanxin ran towards Jue Tian, seemingly just like a canary that had come out of its cage.

Within Guan Yanxin's eyes, Jue Tian looked extremely cool and domineering when he beckoned her to come over to him with his finger.

I precisely like conquering such a man like this who is cold yet domineering at the same time!

Everyone watched as Guan Yanxin threw herself into the man's embrace.

Right after, they saw that the man actually straightforwardly kissed onto Guan Yanxin's cherry lips, and the important point was that, that man actually placed his hands onto Guan Yanxin's butt and grabbed onto the butt!

This man actually grabbed Guan Yanxin's butt right in front of us! He is practically not intending to live to see tomorrow's sun!

Within the crowd, when Dongfang Yuer saw Jue Tian kissed Guan Yanxin, she slowly turned her head away from them.

Guan Yanxin was currently completely intoxicated, she has completely forgotten where she was at right now.

My first kiss was actually taken away from me in such a venue like this, this feels so great!

Teacher is grabbing so hard onto my butt that it is starting to hurt... this is so exciting!

After a long kiss, with her face red, Guan Yanxin nestled in Jue Tian's embrace. Looking at the look on her face, it was clear that Jue Tian was the only one who she would be willing to marry to.

Meanwhile, Jue Tian felt like he was about to vomit.

I have to go and buy some antiemetic medicines, I am definitely going to need them in the future.

"Father, look at her, she has been kissed by another man, I don't like her anymore!" Jiang Jianhua was rather outspoken. Upon seeing that his goddess, Guan Yanxin, had been kissed by someone else, he became very jealous and didn't want her anymore.

Meanwhile, with a grave look on his face, Jiang Yuanzhou looked toward Guan Tong and asked, "Guan Tong, you have to give me a good explanation for this!"

After finished speaking, Jiang Yuanzhou called over his son and was prepared to leave the venue.

Upon seeing that, Guan Tong shouted out hurriedly, "Brother Jiang, my daughter is merely not thinking straight."

"Father, my head is very clear right now." Guan Yanxin laughed, then boldly kissed towards Jue Tian's lips.

The texture of teacher's lips sure is nice, and there is even a fragrance coming out from teacher's lips.

"You!" Guan Tong was angered to the point that his mouth was going to go crook.

Upon seeing that, Jiang Yuanzhou snorted and said coldly, "Guan Tong, this is the daughter that you have brought up! To actually make a fool out of my Jiang Family!"

"Brother Jiang, what do you mean by that, it is not like I purposely intended for this to happen!"

In actuality, Guan Tong was already acting very servile for someone of his identity. When all was said and done, Guan Tong was still an aristocratic family head, and he was someone of the same status level as Jiang Yuanzhou.

Jue Tian was very satisfied with how the situation was going.

While in front of everyone, Jue Tian kissed onto Guan Yanxin with all he had, and his hands were even swimming around Guan Yanxin's lower abdomen.

It was truly an eyesore...

If there wasn't anyone else at the venue, who knows what those two may even end up doing.

"Look at how your daughter is behaving! Is there anything wrong with what I said?!" Jiang Yuanzhou pointed at Guan Yanxin who was currently ardently kissing with Jue Tian and shouted out.

In actuality, Guan Tong was also feeling very furious.

My daughter is actually kissing and hugging with a man while in front of so many people, my face has been completely thrown away by her!

Right when the tension between the two families was high, noise rang out from the crowd.

"You are precisely a prodigal!" This voice belonged to Tang Wushuang.

"I am not a prodigal! You are speaking nonsense!" With a look of grievance on his face, Bai Qi seemed as if he had just taken a huge blow from what Tang Wushuang said, and after he finished speaking, he immediately ran towards the balcony, then jumped off from the balcony right in front of everyone's gaze!

The entire venue went silent!

All the way until a 'thump' sound rang out.

"Bai Qi!!!"

Bai Cixin shouted out.

Chapter 356

Everything happened too fast!

No one thought that someone would jump off the building! And the person who jumped off the building turned out to be the young master of the Bai family, Bai Qi!

Guan Yanxin didn't even know what was happening; she was enjoying her kiss with Jue Tian, her eyes closed, while the corner of Jue Tian's mouth had a strange arc.

At the Guan family's banquet, Bai Qi committed suicide by jumping off the building because he was insulted by Tang Wushuang.

Originally, the two were on the top of the limelight, the competitors for the position of Aristocratic Family!

Now that Bai Qi was so humiliated by Tang Wushuang that he jumped off the building and committed suicide, Bai Cixin, his elder sister, couldn't just let the Tang family go!

At this time, Tang Wushuang was also very confused. He accidentally touched the little devil's head just now. This guy used his identity to speak unkindly to him, and he didn't want to care about it.

Bai Qi jumped off the building!

Is your heart made of tofu?

When such a thing happened, the two patriarchs of the aristocratic family certainly couldn't leave; they had to uphold justice.

Bai Qi's body was quickly lifted back. Although a white cloth covered him, the blood stains had already dyed the white cloth red. His death must have been very miserable as he jumped from such a high place.

After all, he couldn't even fly.

Bai Cixin looked at her brother's corpse, not paying attention to anything else.

'After my parents' death, I promised myself to take good care of my younger brother. I never thought I would fail to keep my words!'

Bai Cixin didn't cry, but her beautiful red eyes were coldly staring at Tang Wushuang.

Wang Dabao watched his brother-in-law commit suicide, but he was also worried about his wife.

Jue Tian stood next to Guan Yanxin with his arms around him, and Guan Yanxin asked, "Professor Jue, why do you think this child couldn't figure it out?"

"Young people are impulsive and can't stand insults. They are hot heads." Jue Tian said lightly, which made everyone nod slightly.

However, Bai Cixin disagreed and immediately stretched out her slender hand. The Nine Demon Xingta appeared in Bai Cixin's hand, emitting a ghostly mist, and the temperature at the scene dropped instantly!

"Nine Demons Xingta!"

"That turned out to be the legendary Nine Demons Xingta!"

"My God, this Nine Demons Xingta is really powerful!"

Guan Tong shouted in a deep voice: "Bai Cixin! What are you doing!"

"Patriarch Guan, what do you think I want to do? I want to avenge my brother!" Bai Cixin snorted coldly.

Jiang Yuanzhou said indifferently: "Patriarch Bai, your brother committed suicide. Nobody harmed him. Tang Wushuang just went too far with his words."

"Besides, the two of you are running for election. Voidless Realm made it forbidden for the two of you to fight. Otherwise, you will lose your eligibility."

Jiang Yuanzhou reminded Bai Cixin. If the two of them fight now, they might lose their chance to run for an aristocratic family.

Tang Wushuang had no intention of apologizing at all and even wanted to provoke Bai Cixin to act. He wanted to sit in the position of the head of the family.

"Patriarch Bai, your younger brother's psychological quality was extremely poor. I only disciplined him for a while. My condolences."

Tang Wushuang's words made Bai Cixin almost run wild.

Fortunately, Wang Dabao stopped Bai Cixin and reminded her in a deep voice, "Wife! Calm down; if you take action now, Bai Qi will die in vain!"

Bai Cixin stared at Tang Wushuang and knew the consequences of her actions. Of course, this revenge must be avenged, but not here!

"Isn't Tang Wushuang responsible for my brother's death!" Bai Cixin asked heartily.

Guan Tong and Jiang Yuanzhou looked at each other. In fact, it's not a big deal for a person to die, but the one who died was a candidate for an aristocratic family, which is more troublesome.

There was a lot of discussion at the scene.

Although Tang Wushuang did not take any actual action, he was also partaking in insulting, leading to Bai Qi jumping off the building and committing suicide. It would be unreasonable to say that Tang Wushuang was not at fault.

Guan Tong said in a deep voice, "Bai Cixin, I deeply sympathize with this kind of thing, but people can't be resurrected."

The meaning of this statement is a bit biased! It's all about bullying Bai Cixin.

Wang Dabao refused to accept it and barked: "This Tang Wushuang clearly knew that the two families were in the election campaign, yet he made insults, causing Bai Qi to jump off the building and commit suicide. This has already constituted harm, and the Voidless Realm strictly prohibits the death and injury of the two families. Now my wife's brother has died. How is that all right?"

In fact, everyone has eyes; this Bai Qi is indeed such a person, even worse for this girl.

Tang Wushuang defended: "Wang Dabao! You are saying that I made him jump off the building? Was it wrong for me to say that he is a playboy? Ask anyone, whether or not Bai Qi was a playboy.

"Little girl, I saw you being bullied by Bai Qi for a long time tonight! Do you think a man like him is a playboy?" Tang Wushuang asked Dongfang Yuer.

How would Dongfang Yuer dare to make any comments?

Seeing this, Tang Wushuang said, "Look! This little girl is too scared to speak!"

"What's wrong with saying he's a playboy? He is breaking the law!" Tang Wushuang's defense seemed to make sense.

The two sides insist on their own words, and it is difficult for the two noble family owners to judge; after all, they are both candidates for Aristocratic Families.

Guan Tong said lightly: "Well, I will report this matter and let Voidless Realm decide; what do you two think?"

Bai Cixin and Tang Wushuang had no opinion.

Jue Tian thought silently, 'Finally! Now the two Madams would be troubled. They would need to be the judge. According to their character, Bai Cixin will be unconvinced! Then the next step will be to find a way to make the judgment of the two Madams wrong.'

Bai Cixin put away her godly item. In her eyes, Tang Wushuang killed her younger brother. His death will be avenged.

The banquet was finally over. Although it was not as cool as the Ye family, it was an eye-opener today. This man with glasses will be famous, assuming he can survive tonight.

Jue Tian looked at Dongfang Yuer, who was alone, and walked forward, while Guan Yanxin followed closely.

However, she is not disgusted by Jue Tian's behavior.

In this world, a man with fewer wives will appear very low and incompetent.

"Student Dongfang." Jue Tian shouted.

Dongfang Yuer glanced back, then turned her head and walked forward.

This made Jue Tian doubt his handsomeness.

In fact, Dongfang Yuer doesn't like seeing Jue Tian and Guan Yanxin together, so she doesn't want to bother them.

But Jue Tian didn't want to let Dongfang Yuer go.

He pulled Dongfang Yuer and asked, "Are you alright?"

"Professor Jue, let me go!" Dongfang Yuer said sternly, but the soft voice was not at all convincing and even spoiled.

Jue Tian looked at Dongfang Yuer and said, "Actually, this is not bad, don't you think?"

Dongfang Yuer was silent, but she didn't feel grief for Bai Qi. Rather, she felt delighted. 'God, he was so perverted.'

Chapter 357

Reaching out and holding Dongfang Yuer's cold little hand, Jue Tian said lightly, "Dongfang Yuer, this teacher knows that you are having a hard time, but as a psychology and hypnosis professor, I will help you."

Guan Yanxin on the side rolled her eyes; only a simple lady like Dongfang Yuer would believe your nonsense.

And of course myself. I'm so excited about tonight.

Dongfang Yuer was silent because her mood was strange: excited yet scared.

The three of them left in a Ferrari. Of course, Jue Tian was holding the petite Dongfang Yuer. She felt even softer to carry on his body.

Of course, Jue Tian was not polite either and gently stroked: "Don't move around; this is a way of psychological counseling."

Such a despicable method of deception, Ye Hua disdains it!

If Dongfang Yuer didn't like Jue Tian, she wouldn't let him touch her. What happened just now at the entrance of the stairs is vivid in her mind. Professor Jue is a good person. He saved and protected her. Such kindness must be repaid.

'It's okay to use my body to repay him.' After all, Professor Jue is the second person in the world to help her. For as long as she can remember, her parents have not been together, and it is difficult for her mother to return home. Sometimes once a month or even a year. Her father lost his memories.

Her mother sold Dongfang Yuer!

For Jue Tian's help, Dongfang Yuer is grateful from the bottom of her heart, so whatever Jue Tian does now, Dongfang Yuer will not resist.

"Hey, how are you doing?" Guan Yanxin asked jealously. Anyway, I'm also her big sister, so I have to be with her in both health and misery.

Jue Tian slowly evoked Guan Yanxin: "It's your turn later."

Jue Tian went directly to the dormitory. Jue Tian didn't plan to let them go tonight.

As Lei Gu said, only by making them ecstatic can he get more information. For the sake of information!

'I am desperate!'

A small room with one bedroom and one living room were enough for Jue Tian.

Jue Tian opened the refrigerator and took out a bottle of wine.

This is not wine, but Yi's saliva.[Note:

<https://zh.wikipedia.org/wiki/%E7%8E%A9%E5%85%B7%E7%BF%BC%E9%BE%8D%E5%B1%AC>]

This is not a very powerful divine beast, not even a spirit beast, but it is extremely rare. Because the dripping saliva has a mysterious fragrance, Jue Tian once offered this kind of Yi's saliva to Ye Hua, but Ye Hua didn't feel it was good enough.

However, this Yi's saliva is also close to the concentration of alcohol, even high, but it has no alcohol taste.

"Professor Jue~ It won't be drugged, right?" Guan Yanxin said tenderly, even if it is drugged, she will still drink it.

Dongfang Yuer's beautiful eyes are firm. Anyway, she wants to repay his kindness. Fortunately, she will be able to, tonight!

Before Guan Yanxin could drink it, Dongfang Yuer raised her head and swallowed it.

The taste is not bad, similar to Wahaha AD calcium milk, sweet and sour.[Wahaha AD is a Chinese brand for milk.]

"Yuer, why are you more anxious than me?" Guan Yanxin also drank after seeing this.

However, after waiting for a long time, she did not faint or get drunk.

Jue Tian poured another cup for the two of them: "Yuer, if you have any troubles, just tell the teacher; the teacher is your backing."

This Yi's saliva can also open people's hearts and make people trust others. For example, when Jue Tian talked about being her backing, he broke through Dongfang Yuer's line of defense, causing her to cry.

"Yuer, don't keep anything in your heart." Jue Tian patted Dongfang Yuer on the back and comforted her.

For Dongfang Yuer, there is too much burden on her shoulders. Her mother was not at home, so she can only follow her grandmother, but her grandmother told her a lot of things. Her dying words were: "Yuer, the Dongfang family has been wronged, and you must prove its innocence!

"Professor Jue, my Dongfang family has been wronged!" Dongfang Yuer couldn't help and shout out.

The corner of Jue Tian's mouth twitched.

'Sure enough!'

“Who wronged the Dongfang family?” Jue Tian continued to ask.

“The five great families!” Dongfang Yuer choked and shouted; how could she fight against those people with her strength so little?

Jue Tian was very excited to get such information!

Five aristocratic families wronged the Dongfang Family hundred years ago, which led to the killing of all men in the family. If this incident was exposed, it would be a huge blow to the two Madams; but now there must be evidence!

“Yanxin, do you have anything to say?” Jue Tian asked curiously.

Guan Yanxin smiled: “I’ve seen a lot of scandals in the family, and I don’t want to say anything, and I don’t want to worry about it.”

Indeed, you don’t need to worry about it; just tell me.

“Yuer, don’t worry, I will help you.” Jue Tian said softly, with solid self-confidence, leading Dongfang Yuer to believe him.

Guan Yanxin also raised her hand and smiled, “Yuer, I’ll help you too!”

Jue Tian was very confused.

Guan Yanxin explained with a smile: “Since my father took over the position of grandfather, he has changed. I don’t want my father to continue to change. If possible, I hope to live in a small family.”

Jue Tian nodded, this kind of exchange is not too much, it is a reward for you to help me!

“Don’t worry; I will help you realize your wishes.” The two women smiled slightly, but the smile was bitter.

Gradually, Dongfang Yuer and Guan Yanxin were lying on the table, both drunk.

‘I chose a despicable trick to get them drunk. But when I think about what’s going to happen, I feel like something is stuck in my chest.’

In desperation, Jue Tian hugged the two beautiful girls on the bed and took off their clothes, looking at the flawless body in front of him; Jue Tian didn’t feel any temptation; only the feeling of vomiting was relieved.

“Lie Gu, if your method doesn’t work, I will report it to Your Honor, and let Your Honor teach you a lesson!”

Lie Gu said that it varies from person to person, so don’t blame him!

Jue Tian rolled over and pressed against Dongfang Yuer, silently closing his eyes: “It’s just like being bitten by a little dog,” Jue Tian clenched his teeth, and Jue Tian deeply integrated into Yuer’s tender body.

In less than two minutes, Dongfang Yuer could not do it; Jue Tian could only change his goal; Guan Yanxin would faint after five minutes of persistence.

Jue Tian felt that he had served them almost enough. 'Let's call it a day!'

It's disgusting... and now he's all covered in an unknown liquid.

Early in the morning, the magpie played a symphony of joy, as if celebrating the transformation of the two girls into women. Although they experienced it for a few minutes, they had successfully transformed.[Note: Magpie is a bird.]

After Jue Tian served them the last night, he slept on the sofa because he was afraid of vomiting.

At this time, the two women also woke up faintly, and suddenly felt pain somewhere. They lifted the quilt and saw that there were two obvious blood marks.

Guan Yanxin and Dongfang Yuer were not excited, as if they had known the result for a long time, but seeing Jue Tian sleeping on the sofa instead of sleeping with them, they felt a little gloomy in their hearts.

"Jue Tian~ You little rascal, I don't even know what it feels like to turn into a woman~" Guan Yanxin was very depressed, she finally became a woman, but she didn't know the process.

Chapter 358

Jue Tian was very stressed 'weren't you the one who said you couldn't do it, yet now you are thinking of doing it again? How is this possible?'

"Professor Jue~, come quickly; I don't even know what it's like." Guan Yan felt unwilling. It was the most important moment of her life.

Jue Tian frowned slightly; he was worried about Guan Yanxin not listening to his words. According to what Lie Gu said, she had to be obedient.

Thinking of that, Jue Tian felt a little nauseous, but fortunately, he didn't eat anything.

Jue Tian stood up, and Guan Yanxin's beautiful eyes lit up 'Professor Jue's was so strong!'

Dongfang Yuer, beside him, turned her head. She had already repaid him.

Enduring the slight pain, Dongfang Yuer stood up, but Jue Tian pressed her onto the bed again.

Guan Yan, who was beside him, swallowed her saliva; for some reason, seeing the way Jue Tian acted with Dongfang Yuer, she felt inexplicably excited.

"Yuer, where are you going?" Jue Tian asked in a cold voice.

Dongfang Yuer didn't dare to look at Jue Tian's eyes and said weakly, "I'm going to class."

"I'll give you a good lesson today. You're not allowed to go anywhere." Jue Tian said in a deep voice, making them both obedient.

'Just say it.'

Dongfang Yuer's pretty face was surprised, and she felt like her body was about to break, and her slender palm pressed against Jue Tian's chest.

"Dear..." Dongfang Yuer let out a seductive gasp.

After two minutes.

"Professor Jue... I can't do it anymore." Dongfang Yuer's physical strength couldn't keep up with him. Jue Tian was too ferocious. Dongfang Yuer's delicate body couldn't stand Jue Tian's tossing.

Jue Tian asked coldly, "Will you be obedient in the future?"

"I listen... I listen to you." Dongfang Yuer felt dizzy.

Hearing Dongfang Yuer's answer, Jue Tian was relieved.

Guan Yanxin on the side couldn't wait; it was too exciting: "Professor Jue, come and get me~"

Ten minutes later.

"Ah!!! No!!! I don't want it!!! I surrender."

Under the indiscriminate bombardment, Guan Yanxin persisted for ten minutes before finally fainting.

However, Jue Tian didn't feel anything at all. He stood up and glanced at the two people on the bed before disappearing into the room. There is important information to report to Your Honor!

Ye Hua got up very early today, and Qing Yutong also changed a bit. She actually got up early to make a loving breakfast for her brother-in-law!

How could Ye Hua not know what Qing Yutong wants? She wants him to spare her sister. How is that possible?

"Brother-in-law, is this porridge hot? Yutong will help you blow it~"

"Brother-in-law, is the temperature of the milk okay~ Would you like Yutong to help you heat it?"

Ye Hua, who was watching Detective Conan, turned his head and asked, "Yutong, why are you so idle?"

"Everyone is responsible for serving brother-in-law."

"Then give birth to a child for brother-in-law."

"Ah, brother-in-law, you are so annoying; you always want to do bad things." Qing Yutong said delicately.

Ye Hua said lightly, "Then get out of here."

"Bad brother-in-law~ It's been a whole night; your anger is almost gone. Let's go and bring my sister back together." Qing Yutong made so much foreshadowing, not thinking about whether they could reconcile.

Ye Hua took a sip of the warm milk: "No."

"Don't you want Ah Li, brother-in-law?"

“Ah Li should also practice living independently.”

“...”

‘What happened to my brother-in-law? My sister has been angry before. Although he was also angry on the surface, he was thinking about how to coax her. Look at this time; there is absolutely no intention of coaxing; it’s been a day! Are they for real?’

“Brother-in-law~” Qing Yutong went up again charmingly and hugged Ye Hua’s arm.

“Fuck off!”

“Okay.”

Seeing his sister-in-law leave, Ye Hua frowned slightly. ‘These two ignorant women! I gave them one night, but they still haven’t come back yet! It seems that they are determined to fight against this deity! So bold! The women whom I love dared to anger me!’

“Subordinate pays respect to Your Honor!”

Jue Tian’s figure suddenly appeared beside Ye Hua, kneeling on one knee to greet him.

“Get up. Is there any progress?” Ye Hua took another sip of milk. My sister-in-law’s milk tastes good.

Jue Tian stood up and said respectfully, “After sacrificing my body, I had a huge payoff.”

Pfft!

Listening to Jue Tian’s report, Ye Hua sprayed.

‘Sacrifice the body, huge payoff?’

“Tell me how you sacrificed?”

Jue Tian didn’t feel embarrassed at all, told the process once, and sold Lie Gu to take the blame.

But Ye Hua was pondering another question after hearing this, about the docile sentence!

Is it because he did not do them well?

‘Thinking about it, Donghuang Baizhi moved here three years ago, and Qing Ya a few months ago. After tasting the wonderful taste, they must have thought that this deity would favor them again, but I did not give it to them. They got angry! It is possible that the theory of Lie Gu is good and captures the main point. They are too energetic and have complaints against this deity.’

‘But nonetheless, am I this kind of casual person? You both can do whatever you want. It is your honor that this deity favors you both. Yet you even quarreled with this deity over this kind of thing. After teaching you both a lesson, this deity will make you unable to get out of bed! Let’s see how much energy you will have to trouble the deity!’

“By the way, what will you do with the two women?” Ye Hua asked curiously. Is the flower finally blooming?

Jue Tian bowed his head slightly to show respect, and said, “I will fulfill their wishes afterward.”

"And then?" Ye Hua continued to ask.

Jue Tian frowned: "No more."

Ye Hua took out a cigarette and lit it, and said lightly: "Jue Tian, I have to criticize you in this place!"

Jue Tian's face tightened. Immediately knelt in front of Ye Hua and accepted the criticism from the Supreme Being.

"This subordinate knows his mistakes; please forgive me!"

"Wait for the deity to finish talking."

"Yes!"

Ye Hua didn't mean to call Jue Tian up, yet he leaned over to listen. He said lightly, "A man should be responsible. Although you are playing a show, you have taken away their first time, and it was taken away under your deception; you can see how sad it is!"

"But Your Honor, I really don't like women." Jue Tian hurriedly explained.

Ye Hua's face froze: "Did you correct me?"

"Your Honor, forgive my sins."

"My subordinates can do any evil! They can be unscrupulous! They can bully the weak! But they must be honest; look at the deity! How honest."

Chapter 359

Jue Tian: "..."

'Your Honor, the two Madams would not have left home if you were honest.' He was just thinking about it. Saying it is a crime worthy of beheading.

"Subordinate is grateful for your teaching!"

"Get up."

"Thank you, Your Honor."

Ye Hua flicked off half of the ash and continued: "In this regard, you have to learn from Lie Gu and Wei Chang. Since they both were all taken by you, they will stay by your side and serve you well in the future. Then the deity can rest assured."

Jue Tian was still regretting it just now. Regretting the impulsive arching of those two women last night, he was ready to fight with Lie Gu!

But when he heard Your Honor's remarks just now, Jue Tian was moved to the ground. It turned out that Your Honor cared so much about himself that he was afraid that no one would serve him, so he found a woman for him.

'The diligence of your honor can be seen from the sun and the moon. I am blessed!'

Jue Tian said deeply, "Thank you for your love and care for your subordinate!"

"Jue Tian, you have been born and died with this deity for so many years. It's time to enjoy life. The gentleness of human women is indeed pleasant, but sometimes I wish I could kill them!"

Initially, he was pretty happy, but when he thought of what Qing Ya and Donghuang Baizhi did yesterday, he became angry.

Jue Tian said in a low voice, "The lady chosen by your honor must be the phoenix among people. It is normal to have a little temper."

"Okay, don't say good things about them. Is there any progress?"

"Yes!"

Ye Hua's eyes lit up; the sooner he could teach them a lesson, the better. After all, they would return sooner. He lived alone, empty, lonely, and cold.

"Tell me about yesterday!"

"Yes!"

Next, Jue Tian recounted all the events of last night and some thoughts of his own.

After hearing this, Ye Hua took a deep breath and said, "You did a good job."

Hearing the praise from Your Honor, Jue Tan felt that he had succeeded.

"I also hope Your Honor will point me in the right direction." Jue Tian is still very smart, giving all the credit to Ye Hua, making it seem that he just obeyed his orders.

Ye Hua was delighted with Jue Tian's attitude: "Jue Tian, do you mean to spread the news of the longevity fruit in the north, to cause the greed of the northerners and put pressure on Voidless Realm?"

"That's right."

Ye Hua chuckled lightly, with a hint of indifference in his eyes: "Have you forgotten the status of the two of them in the south?"

Jue Tian frowned.

"Now, these forces in the south regard them as goddesses. If the news of the longevity fruit starts in the south, these people will not call them goddesses but shout; everyone is equal!" After speaking, Ye Hua chuckled.

'The people you rescued in the past will now come back to pit you. In the end, you will understand the truth, only this deity is the best for you.'

"Your honor is wise; your subordinates are so stupid!" Jue Tian praised him repeatedly.

Ye Hua said indifferently: "If the distribution of this longevity fruit is not handled properly, there will be no Voidless Realm... Haha."

Ye Hua has seen too many treasure-snatching battles; no matter if your allies are your big brothers, they will backstab you.

Not to mention something that prolongs life.

Fortunately, Donghuang Baizhi didn't tell him about this. Otherwise, she would suspect that it was planned by him. This is perfect!

'But when I think about it, she doesn't trust this deity too much. What a big deal, yet she didn't even tell the deity. I will spank you in the future. I will make you beg for mercy, but I will not forgive you.'

Thinking of the begging expressions of Qing Ya and Donghuang Baizhi, Ye Hua unconsciously became dark.

Ye Hua continued: "The grievances of the Dongfang family must be found! Do whatever you can, but you can't be discovered. I'm curious about how they will judge this case."

"Also, find a way to make those families fight."

Jue Tian replied solemnly: "Your Highness, do you want to arrange for this Xiao family?"

"It can be arranged, don't let them be too busy."

"Yes!"

After the exchange, Jue Tian returned to the dormitory building and looked at the two people on the bed. A young girl in bloom, Jue Tian felt that she had to take a rest first, thinking about how to set Xiao Yi down, and as for spreading news in the south, it was arranged by Your Honor.

Ye Hua, who was sitting on the sofa, contacted Wei Chang. At this time, Wei Chang was waiting for Tang Wei at the university, holding flowers in his hand. This old man still understands romance.

However, upon hearing the message from Ye Hua, Wei Chang disappeared immediately, and there were still petals on the ground.

It just so happened that Tang Wei came at this time and found that Uncle Wei was not there at all. He said that he was going to surprise her.

"Your Honor!"

"Go and let the winners, no... send someone to make sure those families know about it first!"

Wei Chang doesn't like to ask too much; he just needs to do as Your Honor wants.

"Yes!"

Ye Hua breathed a sigh of relief; now that the chess pieces had been placed.

'Qing Ya and Baizhi, how could you be the opponent of this deity? Come back and quickly apologize! Then unconditionally agree to the matter of the deity, let the past pass; otherwise, it will be in the cold palace!'

When Wei Chang returned to the university, he looked around for a while; 'why hasn't Xiao Tang come yet?'

At this time, in the Voidless Realm, Donghuang Baizhi held a court meeting and returned to Ah Li's courtyard. Qing Ya temporarily lived with Ah Li.

Qing Ya was teasing Ah Li. Seeing her mother come back, Ah Li jumped into her mother's arms excitedly: "Mama, are we going back now? Ah Li hasn't kissed daddy yet this morning."

Donghuang Baizhi smiled softly: "Ah Li, daddy has been very busy recently. Haven't you seen Aunt Qing Ya and I come back?"

"Hmph, Ah Li is no longer a child; you are just angering daddy~" said Ah Li with her small mouth.

The two women looked helpless, this Ah Li was too partial, always favoring her father.

Donghuang Baizhi could only coax her daughter and say, "Ah Li, play in the Voidless Realm for a few days, and mommy will take you back to find daddy."

"Really?" Ah Li asked with her eyes wide open.

"Well, it's true."

"That's great." Don't look at how little Donghuang is, but she actually understands a lot. Taking advantage of being a child, arguing to go back, so that daddy and mommy will not continue their quarrel.

After letting the maid take her daughter to play, Donghuang Baizhi sat opposite Qing Ya, sighed, and poured a cup of tea.

"What's the matter? Sad?" Qing Ya asked curiously. This is a good place. If only Ye Hua could come and live here.

"In today's court meeting, Yu Quan reported something. Just last night, the young master of the Bai family was insulted by the head of the Tang family and finally committed suicide by jumping off the building. Bai Cixin of the Bai family asked the family for an explanation, but both parties were candidates for the family. So the patriarch of the aristocratic family didn't mess around, and it was passed on to me."

Donghuang Baizhi also had a headache. She told them not to fight, yet people died!

But who will be punished? Tang Wushuang didn't do anything; Bai Qi jumped off the building by himself. Could it be that Tang Wushuang should be convicted for instigation?

Chapter 360

No! Tang Wushuang did not instigate Bai Qi to jump off the building.

Hearing the words of Donghuang Baizhi, Qing Ya said suspiciously: "Baizhi, do you think Ye Hua is behind this?"

“After I heard it, I thought so too, so I asked carefully about the situation at the time. There was nothing unusual. Tang Wushuang and Bai Qi belonged to a small scolding after a physical conflict, which eventually turned into a tragedy.”

Qing Ya nodded silently; if it was really Ye Hua, could there be such substantial details? That clumsy idiot who only knows how to mess around all day long.

However, Bai Qi suddenly jumped off the building for no reason, making the two women a little suspicious.

It has to be said that Jue Tian has done an excellent job regarding the details so that people can't see the truth of the matter, as if it was real.

Qing Ya asked, “How are you going to sentence them? After all, you ordered them not to do anything, but now that they started killing each other, it seems contrary to what you said.”

Donghuang Baizhi was confused!

If pursued, what reason should be used to pursue it?

Are you at fault if you scold someone, leading them to suicide? This is too absurd.

“I have never encountered such a thing before, Qing Ya; what do you think I should do?” Donghuang Baizhi wanted to sleep on the bed now, hugged by Ye Hua without any trouble.

It's only been a day since it came out, and an accident happened.

Qing Ya couldn't say whose fault it was, but she made an interesting statement.

“Baizhi, if Ye Hua arranged this, what was his intention?” Qing Ya said with a charming smile.

Donghuang Baizhi took a sip of the tea, with those moist lips being Ye Hua's favorite.

“If Ye Hua is leading it, his purpose is for us to come back!”

The two women looked at each other and smiled. With Ye Hua's character, it was indeed possible, but it was an assumption after all, and there was no evidence to prove it.

Qing Ya also misses Ye Hua now. If Ye Hua was here, there must be a lot of fallacious solutions. Although they are a bit fallacious, they all seem to work.

Do they really blame him?

But you can't yell at them like that, no matter how you say they are his wives; what's wrong with saying something nice? Women needed to be coaxed.

Ye Hua, on the contrary, never coaxed women.

The two women discussed for a long time and finally concluded.

Tang Wushuang received a warning and had to give a bottle of Jade Immortal Dew to the Bai Family as compensation.

Soon both families received the result.

Tang Wushuang was very unhappy with the warning. That kid jumped off the building, which had nothing to do with me. He even got a warning. Will he be sentenced?

When Bai Cixin, who wore a white scarf on her head, received the result of Voidless Realm and a bottle of Jade Immortal Dew, there was no expression on her face.

She twisted open the bottle cap and sprinkled the Jade Immortal Dew in front of his younger brother's spiritual position. Obviously, she was not satisfied with this outcome and was even more dissatisfied with the Voidless Realm.

The murderer turned out to just be warned!

Ye Hua also heard the punishment from the spoiled wives and sneered: "It's really a woman's kindness; the more kind you are, the more people think you are easy to bully! As a giant, you must show your iron-blooded side and have so much to learn!"

However, Ye Hua expected such a punishment, 'it is not your fault that you are kind, but the fault lies in being kind to bad people.'

Jue Tian was in class at this time and accepted the students' gaze, but this university professor's identity still had to be retained.

On the way back to the dormitory, he bought some food. After all, there were two women upstairs.

He initially wanted to wait for the mission to end, let them fend for themselves, but now that Your Honor has spoken, he has to let them stay by his side.

But looking at the lunch box in his hand, Jue Tian felt they were not serving him.

Jue Tian didn't understand the meaning of Your Honor; Ye Hua said they would serve him, not the other way around!

As the boss, of course, you have to share happiness with your subordinates.

But Jue Tian, a cat, has no pleasure at all; but feels his chest tightened.

Jue Tian opened the door and saw two girls wearing his shirts, sitting at the table eating instant noodles.

The young lady wearing a man's shirt has a different flavor, especially when there is nothing on the shirt.

If it is replaced by a Lie Gu here, needless to say, speak with the body.

But Jue Tian took a glance and looked away.

"The rice I bought for you." Jue Tian put the casserole rice on the table and said lightly.

Guan Yanxin glanced at it and teased, "Professor Jue, you made sister Yuer feel so bad, so how can you just let it go?"

Dongfang Yuer blushed: "What's the matter, Professor Jue? Don't listen to her nonsense."

"Then go with Professor Jue again."

"No." Dongfang Yuer refused.

'But I'm not happy anymore, I make you comfortable, but you don't want it! I can't stand it!'

Jue Tian held Dongfang Yuer directly on his lap, and then...

Guan Yan Xin was stunned; this kind of life is still weird, especially seeing Yuer in pain and happiness; it is even more exciting.

Standing up slowly, Guan Yanxin gave Dongfang Yuer a wet kiss, which made Dongfang Yuer widen her beautiful eyes!

Jue Tian is at the back, Guan Yanxin at the front...

With Guan Yanxin's help, Dongfang Yuer quickly fainted, and ten minutes later, Guan Yanxin also fainted.

Jue Tian didn't feel anything; he only thought he had completed the task and won their loyalty.

Of course, there is also a trace of refreshment.

It turns out that a woman can beg for mercy without force.

Jue Tian put on his clothes, stood up, and said lightly, "After watching the action movie for so long, don't you plan to give it five-star praise?"

The corner of the bedroom gradually twisted, and three masked men appeared!

When Jue Tian entered the door, he noticed that someone had come in and was looking for him.

He just didn't expect that they could watch the show for so long, looking at their crotch, the tent was not big, maybe they were shocked by his strength, and they didn't have the confidence to kill!

"Today, we are here to send you to hell!" The leading man snorted coldly, bursting out with a lot of spiritual energy.

Jue Tian said lightly: "You should be Yanxin's brother; I took a look at you yesterday."

The man paused, the spiritual energy in his body was a little confused, and then he shouted: "Go to hell!"

Jue Tian sneered and instantly pulled the mask off the man's face.

The Jue Tian in front of Guan Li didn't move, but his mask was gone, and he immediately covered his face with his hands.

"What? Have the face to look at it, but not the face to admit it?" Jue Tian said calmly.

"Nonsense! Am I, Guan Li, that kind of person?" Guan Li's face was red. He originally wanted to kill the professor according to his father's wishes, but when he came over, he didn't find anyone but saw his sister and another girl.

Seeing his little sister in a shirt, Guan Li didn't show up; it was very exciting.

It seems that this stimulation is not without reason, this is the stimulator cells in the gene.
