

My Woman 391

Chapter 391

Wuma An and Che Hongliang hurriedly followed. Not long after they walked, they saw the crown prince vomiting. He wasn't the only one as a lot of soldiers.

The people have enjoyed peace since time immemorial. Most of the soldiers have never seen such a scene in their entire life, thus resulting in them vomiting their intestines out.

After Wuma An and Che Hongliang saw it, they couldn't help but vomit.

Looking at the entire front yard, this tragic situation is indescribable. Everyone was in pieces with not a single complete body.

The air smelled of a bloody stench. After all, some of the intestines were exposed, alongside many other body parts.

Zhu Zhengqing couldn't take it anymore and ran outside. He unexpectedly stumbled upon something.

His face sank into a person's belly... the problem was that the belly was split open.

"Prince!"

"Prince!"

Suddenly a group of people rushed over, and many people fell down. The blood on the ground was viscous and had a lubricating effect.

Several guards helped the unconscious prince, and hurriedly carried him to his palace and ordered an imperial doctor to diagnose him.

Che Hongliang and Wuma An calmed down and the two walked silently toward the palace.

It turns out the outside was just an appetizer. The inside was even more terrifying.

"Elder Che, Lord Hou should have died!" Wuma An said lightly, covering her nose.

Che Hongliang frowned deeply. Many people benefited from Prince Hou's death, such as the prince's faction, as well as his own faction.

"Report!!! We found Prince Hou's body!!!" A soldier covered in blood ran to report. All the soldiers' armor was stained with blood.

Che Hongliang said in a deep voice, "Bring it here!"

When they saw Hou Xuelin's body, Wuma An and Che Hongliang were stunned.

They know the strength of Prince Hou! His body was divided into three pieces. The right half of the head was attached to the head, and the head was divided into two halves. From the wound, it looked very neat and was cut by a sharp blade.

Just this morning, the three of them were still talking, and now he's dead.

The two couldn't help wondering if they would be one of these corpses if they hadn't gone back.

The answer was obvious.

Not long after, the soldiers found Hou Xuelin's sword.

Che Hongliang and Wuma An knew about this sword, an ancient godly artifact! It was not easy to come by!

The weapon that Prince Hou regarded as a treasure was cut in half. Who the hell did this?

"Elder Che, even if the Emperor is resting now, he has to interfere!"

"Well, let's go together." Che Hongliang also knew the seriousness of the matter.

The Tianfu Palace was heavily guarded, with more than 100 buildings of various sizes. The surrounding buildings looked like a guard of the largest palace in the middle

However, today's night was different from the past. There were many times more soldiers on patrol, and the main hall, which should have been lit out, was also lit up.

On both sides of the palace stood guards with knives.

According to the rules, guards are not allowed to bring knives into the hall, but today the situation was different.

On the throne was a handsome middle-aged man with a mole on the corner of his mouth, which looked very unique. He was wearing a yellow robe.

Four people were standing below. Three of them were Crown Prince Zhu Zhengqing, Wuma An, and Che Hongliang. The other one was the Celestial Master, Ying Wei!

This old man had white hair. He was holding a long wooden stick in his hand. It looked as if it was chopped directly from a big tree. It looks very rough and carried an eccentric aura!

There was also Hou Xuelin who was covered with a white cloth.

The dim light made the atmosphere in the entire hall very heavy. There was a feeling of breathlessness.

Zhu Chengxuan murmured, "Bloody glow!"

Ying Wei cupped his hands and said, "Your Majesty, the appearance of bloody glow is an ominous prophecy. To avoid danger, I believe that the royal hunt should be canceled."

Zhu Chengxuan said in a deep voice: "Let's not mention hunting for a while, and instead try to find out the cause of Prince Hou's death first!"

"Your Majesty, Prince Hou was cut into three pieces by a sharp blade!" Che Hongliang said respectfully.

"Open it for this emperor to see."

Zhu Zhengqing hurriedly said: "Imperial father, Prince Hou died tragically..."

“Prince, according to the order of age, you have to call him uncle. Even this Emperor had to call him big brother.”

“Yes!”

Wuma An bowed and lifted the white cloth. Although they were all pieced together, the mark was still there. Everyone couldn’t help but frown.

Zhu Chengxuan was relieved when he saw Hou Xuelin’s body, ‘he died well! What a wonderful death!’

That’s right! In the past, they were brothers, but this Hou Xuelin didn’t even have the royal family in his eyes. If Hou Xuelin tried to usurp the throne one day, Zhu Chengxuan would not be too surprised.

“Where’s Prince Hou’s primordial spirit?”

“Reporting to my Imperial father, Prince Hou’s primordial spirit is dissipated. I felt some strange fluctuation when I woke up, and thus went in to check the situation.” Zhu Zhengqing was also considered to be smart. It seems that he wants to eat all the credit.

Zhu Chengxuan said lightly: “You did a good job.”

Che Hongliang frowned slightly. Although Zhu Zhengqing looked very unruly, he was still smart this time.

“Has the murderer been found out? Is it a man or a woman? Is he tall or thin?” Zhu Chengxuan asked. He was just pretending, he even wished to reward the murderer. ‘You have done a good deed and helped this emperor to get rid of my competitor.’

Ying Wei said respectfully: “Judging from the strength and viciousness of the murderer, he should be a man, and his weapon must be a blade.”

“That’s right. Is there not one living person in the Hou’s mansion?” Zhu Chengxuan asked curiously.

“Today is Prince Hou’s birthday, thus many guests were present in addition to Prince Hou’s family members, but none of them survived!”

After hearing this, Zhu Chengxuan sighed and murmured: “In thousands of years, there has never been such a tragic incident in Tianfu. We must investigate this matter to the end!”

“Yes!”

“Also, bury the prince well, after all, he was this Emperor’s elder brother!”

“Yes!”

Wuma An cupped his hands and said, “Your Majesty, Prince Hou is dead, and the planes under his jurisdiction cannot be left unsupervised!”

Che Hongliang wanted to say something, but Zhu Zhengqing was even quicker: “Imperial father, your son is willing to take over his planes for temporary bases. I’ll keep it in check until the Imperial Father finds the right candidate.”

Che Hongliang scolded him for being shameless, and hurriedly said: “Your Majesty, Crown Prince already has a jurisdictional plane, I’m afraid he will be overworked.”

"Elder Che, as the prince and the future heir, if I can't even handle this little responsibility, how will I handle the future hurdles?" Zhu Zhengqing said with a powerful tone.

Chapter 392

Wuma An admired the prince for his wittiness.

Zhu Chengxuan said with a faint smile: "Great thoughts! I'm very happy with this behavior. Hou Prince's planes will be temporarily handed over to you until we find another candidate."

Che Hongliang almost fainted. 'This so-called temporary custody... isn't it the same as giving it away?'

Ying Wei said again at this time: "Your Majesty, the royal hunt?"

"You are making too much of a fuss. Besides, the royal hunt is a major event for the entire royal family. Since its inception, we haven't canceled the hunt. If we cancel it now, people will despise us, and take me for a panicky leader.

"But the bloody glow?" Ying Wei said again.

This made Zhu Chengxuan a little unhappy: "These are all mere legends."

"But..."

"Okay, that's it for today. Disperse." Zhu Chengxuan shouted. 'Now that Hou Xuelin died, how can I not celebrate?'

Ying Wei watched the emperor turn and leave, and sighed deeply. The bloody glow should not be taken lightly.

"Everyone, I have to persuade the Emperor regarding the bloody glow." Ying Wei politely said to the three of them.

Zhu Zhengqing knew that his father favored the Celestial Master, so he said with a smile: "Celestial Master's words are serious. This prince will definitely remind the Imperial Father."

"The Crown Prince is wise." Ying Wei was satisfied with the attitude of the Prince.

Zhu Zhengqing smiled.

After the people dispersed, Wuma An said with a smile: "Prince, you're indeed appreciated by the Emperor. You even obtained the right to rule the plane."

"This is a trivial matter. I got it casually." Zhu Zhengqing smiled disdainfully, 'if anybody wants to fight me, he must prepare to die.'

"What you said is indeed true!" Wuma An complimented for a while, 'the greater the prince's power, the better for me.'

Zhu Zhengqing put his hands down and said, "Go and make arrangements. In a few days, we will look for the descendants of Nuwa. I heard that the descendants of Nuwa have excellent appearances and are born fighters. I am really envious."

"Yes!"

Zhu Zhengqing walked toward his bedroom, and muttered: "I want to know what kind of beauty that plane has."

Wuma An heard it and smiled bitterly. If the prince puts this energy into governance, it would be perfect.

In a villa in Long'an City.

Ye Hua said lightly: "Lay down."

Yi Hong laid down with a squeak. His face was pale like a corpse.

Qing Yutong was helpless, 'Yi Hong did nothing wrong, but brother-in-law made it seem like Yi Hong was playing tricks on Zi Shan. If Zi Shan found out, it would be quite a blow for her. It's okay to lie to my sister, but he's teaching his subordinates this... I'm speechless.'

Zi Shan's body appeared in the living room. She hurriedly walked to Ye Hua, knelt, and presented the container and the Dragon Sword: "Your Honor, it's done."

Ye Hua looked at the blood in the container, 'This woman is ruthless and cruel'

Putting the Dragon Sword away, Ye Hua said lightly, "Pour this blood into his mouth." Zi Shan hurriedly stood up, hugged Yi Hong, who was "stiff", and poured the blood down his throat.

Yi Hong also cooperated well, and his body gradually became rosy.

Seeing the change in Yi Hong, Zi Shan felt that everything was worth it and shed two lines of tears.

Yi Hong slowly opened her eyes and saw Zi Shan in front of him showing a sincere smile.

Zi Shan was very unrestrained. In front of so many people, she directly kissed Yi Hong's lips.

Too domineering!

Tang Wei was envious in her heart, 'Uncle Wei can't even kiss now...'

Qing Yutong sighed. 'Even Lu Hong found his true love, when will this baby get hers?'

'If you continue to perform public display of affection, this deity will order you to break up immediately and never see each other!'

"I'm Going!" Ye Hua said in a deep voice.

"Your Honor, I'll take you back." Wei Chang hurriedly followed.

And Lu Hong, Yi Hong, and Zi Shan shouted respectfully: "Goodbye Your Honor."

Now that Ye Hua left, Yi Hong was a little embarrassed and didn't dare to look directly at Zi Shan. Now that the two are no longer stuck with their feelings. The last layer of paper was torn, of course, and her layer was not torn.

Yu Hong smiled and said: "I'm going to bed. You can seal the deal, but keep your voice down."

Yi Hong blushed, scratched the back of his head, and said, "That... I will go take a shower first."

"I'll prepare hot water."

"No need, I'll do it myself." Yi Hong didn't dare to let Zi Shan do other things.

Walking into the bedroom after taking a bath, Yi Hong found that Zi Shan was already lying on the bed!

Now that there is a distance restraint, it is possible to sleep in separate rooms. He thought that maybe Zi Shan was used to sleeping here.

"I'll go to sleep outside." Yi Hong whispered.

The little face of Zi Shan on the bed was blushing: "Husband and wife should sleep together. What do you mean by going out to sleep? Do you want to divorce me?"

Well, this is the original character of Zi Shan. Very straightforward, and her temper is through the roof.

"Ah... of course not."

"Then come here quickly."

Yi Hong had no choice but to go and spread the sheets floor as before.

Zi Shan was almost speechless, she said it so clearly to come to the bed!

"On the bed!" Zi Shan couldn't take it anymore.

Yi Hong said in a low voice, "No, it's fine for me to sleep here."

"You can come up if you want!"

"But I think..." Yi Hong murmured.

"What's wrong?"

Yi Hong sighed and said in a deep voice, "Zi Shan, I will try my best. When I reach your status, I will sleep with you, otherwise I..."

After listening to this, Zi Shan smiled, 'this fool...'

But she likes him like this and is looking forward to Yi Hong's growth.

"Okay, then I won't force you, husband." Zi Shan said sweetly.

Hearing Zi Shan calling her husband, Yi Hong almost screamed with excitement, feeling that everything was worth it, and was further motivated.

Yi Hong was full of confidence: "Wife, don't worry, I will make you proud!"

“Well, I am looking forward to that day.”

However, that day is still far away, which made Zi Shan regret agreeing with Yi Hong.

There are three widowers in the whole team.

The first is Xun Fang, who is helpless in the face of a skeleton. The second is Tang Wei, who gave all kinds of crazy hints to Wei Chang, but he just didn't respond, and the third is Zi Shan, regretting her promise to Yi Hong.

If there is another one, they could all just play mahjong. No man will be needed in the future, they will just sit and play mahjong daily.

Relatively speaking, the three beautiful wives of Lie Gu were much happier, while the two “maids” of Jue Tian were both tender and happy.

As the boss, Ye Hua was still in the middle of a cold war.

Comparing his situation with his subordinates, once again verified what Qing Yutong said.

Life is no less than dramas.

Chapter 393

After getting off Wei Chang's luxurious Cayenne, Qing Yutong took Ye Hua's arm and said with a smile, “Brother-in-law, you are a good matchmaker. Why don't you do something about your own business?”

“It's been more than a month.” Ye Hua took out a cigarette and lit it. They hadn't seen each other for a month. He realized that he missed them a little.

Qing Yutong said coquettishly, “Brother-in-law, you can go there and discuss the child's name.”

Ye Hua's eyes lit up after hearing his sister-in-law's suggestion. It was indeed a good idea.

But he quickly denied the idea. If he appeared before them, wouldn't he be admitting defeat? Unacceptable!

“No!”

“...”

‘Stop lying to yourself, brother-in-law’

The two walked into the Leisure bar, but there was not a single customer. The business was extremely poor.

Ye Hua said deeply, “Four people are absent from work tonight, Wei Chang, Tang Wei, Green and Red Brothers! Two hundred Yuans will be deducted!”

Qing Yutong was speechless, ‘you are an overlord, yet you're stealing your subordinate's money...’

The next evening, Ye Hua brought his sister-in-law to Zijin University. They found Jue Tian!

Jue Tian brought Ye Hua into the teacher's dormitory. Ye Hua looked at the room, which was smaller than the one he lived in.

"Ye Hua, what are you going to eat tonight?" Ye Hua asked casually.

Jue Tian stood beside him and said respectfully, "Instant noodles."

Ye Hua: "..."

Qing Yutong: "..."

Jue Tian thought that your honor was worried about his diet and hurriedly said: "Your Honor, there are many flavors of instant noodles. You can rest assured, your subordinate will never get tired of them."

"..."

'When did this deity ask you whether you are tired of eating? As the brains of the team, don't you know how to invite me for dinner?'

Ye Hua said deeply: "Let's find a place to eat and talk."

"Okay, Your Honor, come with me."

'As expected of him, he understood my underlying meaning.'

Ten minutes later, Ye Hua sat on the small bench, looking at the casserole rice in front of him, the corners of his mouth twitching slightly.

Qing Yutong looked at Jue Tian, and then at his bowl of green vegetables.

'Finally found someone who is even more miserable than brother-in-law'

Jue Tian was also very embarrassed, but he brought Ye Hua up to eat in such a small place, and hurriedly explained: "Your Honor, Yanxin recently had a falling out with her family, and all the funds were cut off. Yuer had no money in the first place. They are working at night to earn money."

Ye Hua: "..."

Qing Yutong: "..."

Ye Hua felt that he should not come to Jue Tian in the future. He is too miserable, he'll be bleeding after this meal.

Ye Hua was also helpless while eating. He was enjoying this life. It is bitter but also very fun.

"Your Honor, I made a plan recently." Jue Tian said.

Ye Hua took a mouthful of kelp soup and said, "Go on."

"There is no way to keep track of this, so why don't you try to lure the snake out of the hole!"

Ye Hua put down his chopsticks and became serious: "Be more detailed."

"In the past, the Dongfang family was very powerful. When it was at its peak, it received a lot of longevity fruits, which made the five aristocratic families jealous of them, leading to Dongfang family's demise. If we follow the example of the past again, these five aristocratic families will not be able to sit still. Besides, currently the five families are fighting each other, while some families are complaining. This is the perfect time!"

Listening to Jue Tian's plan, Ye Hua felt that it was feasible. It was a good way to face the current predicament.

"Okay, do it!" His mood was better now, as if he could see his wives getting defeated and coming back.

Jue Tian stretched out his palm and poked his thumb and index finger.

Ye Hua's face turned cold, 'What do you mean? Do you want to take money from this deity? Do you not know that talking about money hurts feelings?

"Your Majesty, we need a little start-up capital."

Ye Hua paused. If it was tens of thousands of yuan, he could just put it together. If it was more than that, it would be impossible.

"How much?" Ye Hua asked.

Jue Tian said in a low voice, "500 billion."

Pfft~

Qing Yutong sprayed her rice, '500 billion! My brother-in-law doesn't have 5,000 yuan. Even my sister doesn't have 500 billion yuan. You might as well ask brother-in-law to steal the money.'

Ye Hua stared at Jue Tian. He stepped back, and immediately lowered his head.

"Ye Hua, you need money to solve such a small matter? This deity is very disappointed with you!"

"Your Highness! This subordinate is wrong!"

Qing Yutong was speechless, her brother-in-law was simply... 'It is hard to be my brother-in-law's subordinate.'

"It's good to know your mistakes! Is a problem that can be solved with money a problem? Wouldn't it be overkill for you to uphold this plan? But this deity is very optimistic about you!" Ye Hua continued. 'If you want money, sorry, not a cent.'

Jue Tian was terrified: "This subordinates know, I'll do my best."

"It's not too bad. Eat more, this meal is free."

Qing Yutong: "..."

After the meal, Jue Tian touched his trousers pocket and his face changed: "Your Honor, I forgot to bring my wallet."

"Swipe WeChat." Ye Hua said lightly.

“Your Excellency, I don’t have WeChat yet...”

Qing Yutong was already hiding aside and crying. Her brother-in-law came to grab a meal, but he was slapped by a subordinate.

Ye Hua didn’t panic, but Jue Tian felt the icy gaze of Ye Huas’. He shivered with fright.

He really forgot to bring it, it was not on purpose.

After swiping WeChat, Ye Hua said coldly, “Yutong, come!”

“Walk slowly.” Jue Tian whispered.

Seeing Ye Hua leave, Jue Tian breathed a sigh of relief. Fortunately, he received a free meal. No salary was paid today...

They were in Zijin City. Ye Hua will of course bring his sister-in-law to taste the delicacies of Zijin City.

~Ji’s house in the ruins!~

Five figures appeared!

Of course, it was Crown Prince Zhu Zhengqing, and Wuma An. The other three men looked the same. They even had the same height!

The triplets are the masters protecting Zhu Zhengqing. Originally, he wanted to bring more people, just in case. But after thinking about it, he was invincible in this low-level plane, let alone such masters. He was being too careful.

Stepping on the ruins, Zhu Zhengqing sarcastically said: “This is one of the three giants of Prince Hou? In ruins? Just like this? What a weak chicken!”

Wuma An felt a faint divine power and reminded him: “Prince, there is still some divine power left here.”

“It’s just divine power. Why does it matter? Maybe it was Hou Xuelins’.” Zhu Zhengqing didn’t care, it was just some spicy chicken.

Chapter 394

“Crown Prince, if someone could make Prince Hou use divine power, then he must be a strong opponent.” As the prince’s military adviser, Wuma An used his brain.

If he was greedy for merit, he could have easily flattered the prince.

Zhu Zhengqing snorted coldly: “That’s because he was just a chicken.”

“Crown Prince, it is possible that the person who started the massacre at the Hou mansion is hiding in this plane.”

Zhu Zhengqing stared at Wuma An and shouted, "Who the hell do you think you are?"

Wuma An was so frightened that he immediately knelt: "Of course, you're correct."

"That's fine! This Hou Xuelin got ambushed by the Donghuang family! It has ulterior motives." Zhu Zhengqing said.

The Donghuang and Nuwa families were considered to be the topmost existence among all the deities in the past. It would be refreshing if he could subdue the two families!

"Let's go and meet the Donghuang family." Zhu Zhengqing was a little impatient. Whoever dares to disobey will be killed by him!

Wuma An reminded in a low voice: "Prince, if the Donghuang family is awakened, we have to be careful. On the other hand, the Nuwa bloodline should be entirely awakened."

Zhu Zhengqing smiled disdainfully: "Wuma An, how did you come to this level? Even in this inferior plane, you still look timid and afraid."

"Prince, your subordinates have a bad premonition. Why don't you go back?"

Zhu Zhengqing's eyes turned cold: "If you want to go back, then feel free. But don't appear in front of me in the future."

Wuma An had no choice but to follow.

At this time, the Voidless Realm has returned to its former glory. The population must be increased. After all, many people died in that battle.

Qing Ya and Donghuang Baizhi are sitting in a small courtyard. They are learning to knit sweaters...

It seems to be a pain in the ass.

"Ah Li, come here." Qing Ya called softly.

Donghuang Li trotted over and spread out her hands.

Qing Ya gestured: "Go and play."

Donghuang Li was just about to continue when Donghuang Baizhi shouted: "Ah Li, come here."

Donghuang Li was helpless and could only run to her mother and spread her hands. "Okay, go play."

Donghuang Li looked at the two adults and sighed deeply, wondering if daddy was so idle.

Suddenly, Qing Ya frowned.

"Qing Ya, what's wrong?" Donghuang Baizhi immediately felt Qing Ya's abnormality.

"Someone came! It's the same as last time!" Qing Ya said in a deep voice.

Donghuang Baizhi breathed a sigh of relief: "It seems that there are more. I will deal with it."

"Well, I will go with you." Of course, Qing Ya will not let Donghuang Baizhi deal with it alone.

However, Donghuang Baizhi thought it was those guys from last time who reported her behavior and today came here to punish her.

Donghuang Baizhi looked at Qing Ya's belly: "But your belly is..."

"It's okay, I'm sure." Qing Ya could feel the little guy in his belly. His vitality was very strong.

Donghuang Baizhi took a deep breath: "Well then, Ah Li, you can't come out there!"

Donghuang Li knew that something big happened.

After the two adults left, Donghuang Li shouted silently in her heart: "Uncle Wei...Uncle Wei...Are you here?"

A reply came: "Little Ah Li, what's the matter?"

"Is daddy there? Some bad guys are coming and want to bully Ma Ma~" Dong Huangli choked, this little guy is also a good actor.

"Ah Li don't cry. Uncle Wei is going to inform your daddy."

"Well, tell daddy to come over quickly."

After finishing the call, Dong Huangli's expression changed. 'Daddy should be here soon, and after seeing Ma Ma, he would get lovesick, and then put Mama down...and then...'

Ah Li couldn't think about it anymore...Ah Li is still a child.

On a snack street in Zijin City, Ye Hua and his sister-in-law sat on a small bench and bought stinky tofu for 20 yuan.

After waiting for a long time, the stinky tofu was finally served.

"Boss! Why are there so few!" Ye Hua shouted displeased.

"Handsome~ This is a small business. I even added an extra piece for you."

Ye Hua said in a deep voice, "How about this? Add another piece, and all good things will be doubled."

The boss laughed, and then said: "Alright, I'll add it for you."

Qing Yutong smiled bitterly, 'it turned out that my brother-in-law could negotiate such a deal. I really didn't expect it.'

Ye Hua picked up a piece of black stinky tofu, stuffed it all into his mouth, and chewed it!

The tofu in his mouth had an incomparable taste. The crispy skin of the stinky tofu with a tender interior.

Seeing her brother-in-law's fascinating appearance, Qing Yutong didn't want to continue eating, because it smelled bad.

She picked up a piece of stinky tofu, ready to take a small bite.

"Wait!" Ye Hua suddenly shouted.

“Huh?” Qing Yutong asked suspiciously.

Ye Hua said lightly: “This stinky tofu is only good if you eat it in one bite. If you eat it like this, you won’t be able to feel it.”

“But my mouth is so small. I can’t fit it in.” After speaking, she opened her cherry lips and gave Ye Hua a look. Look at this, it seemed like it was really that big that it couldn’t fit inside.

“I’ll help you.” Ye Hua picked up a piece of stinky tofu.

“Make your mouth bigger, yes...the tongue goes in, and the teeth go up.” After saying that, the tofu was squeezed in.

“Hold it first, and feel the delicate taste. Is it a bit rushed, or do you want to take a bite? Then don’t hesitate.”

When Ye Hua finished speaking, Qing Yutong chewed it and closed her eyes. ‘Oh, brother-in-law was right.’

Seeing the satisfied look of his sister-in-law, Ye Hua nodded, sharing his happiness with others would also make him happy.

It’s just that Ye Hua regretted it the next second because Qing Yutong started rushing to eat it. If he didn’t share the tofu just now, all of these would be his own.

Sharing will invite others to rob.

Looking at her brother-in-law’s “deeply resentful” appearance, Qing Yutong acted coquettishly to comfort him. ‘Didn’t I just eat a few more pieces, look at this stingy.’

“Your Honor, little honor just sent a secret report. The madams are in trouble!” Wei Chang hurriedly contacted Ye Hua.

Ye Hua’s face sank after hearing this: “I see!”

Seeing her brother-in-law’s face suddenly change, Qing Yutong knew that something was wrong: “What’s wrong?”

“Your sister is in trouble.” They disappeared and were teleported to Voidless Realm. Wei Chang also arrived shortly.

The three of them were invisible and did not show up. Ye Hua was still very cautious. After all, her daughter was likely to be turned against him.

However, feeling a few different auras, Ye Hua knew that his daughter did not lie. They were indeed in trouble.

But Ye Hua thought about it for a while, ‘let’s take a look at the situation first. I can’t help them when they are in trouble, otherwise, they will grow dependent on me.’

Chapter 395

‘Besides, if I appear now, they would definitely ridicule me.’

Of course, there is another possibility, if he appeared now, it would be akin to a hero saving a damsel in distress. The same old trick.

But who is Ye Hua? This kind of routine can be played once, and it will be boring to repeat the instance.

‘With Qing Ya’s ability, she should be able to beat him. Ah Li has expertise in different fires. Although it is a weakened version, it is also very powerful.’

‘It’s won’t be any accidents. But these five people are really brave! This deity did not go to cause troubles, yet you came to trouble, my wives! This deity said it last time.’

You can’t afford to offend my women!’

“Brother-in-law, aren’t you going to take action?” The three of them stood in the corner of the palace, Qing Yutong asked curiously.

Ye Hua said lightly: “You’re thinking too much. Is this deity the kind of person who takes action casually?”

“But they are your wives.” Qing Yutong couldn’t believe it. Her brother-in-law was really ruthless this time.

“It’s okay to let them suffer, then they will know how important this deity is.”

Qing Yutong was also speechless. ‘Does he want to watch his wife being bullied?’

Of course, Ye Hua will let his wife be bullied for nothing. He will settle his accounts with these trouble-givers in the future.

Wei Chang, who was behind, hurriedly recorded Ye Hua’s words so that he could use them on Xiao Tang. Recently, Xiao Tang has been angry, which made him feel uncomfortable.

In the main hall, Donghuang Baizhi was sitting on the throne. She wore a purple robe. The Crown Prince Zhu Zhengqing was in the lower hall!

When Zhu Zhengqing saw the appearance of Donghuang Baizhi, he was stunned. There is no such woman in his father’s harem. This is the real beauty, the kingdom beauty that can cause war!

‘No wonder Hou Xuelin wanted to keep her. It turned out that there was such beauty hidden here. Good thing she was discovered by me today. She was really lucky.’

Wuma An on the side knew what His Royal Highness was thinking. He must want to get this woman.

‘I have to say that this woman is perfect. She seems to have a temper, the best choice for the princess!

At this time, Yuan De and others stood on both sides, watching the five people in the middle vigilantly!

“Who are you?” Donghuang Baizhi asked lightly.

“Bold!” Wuma An shouted angrily. ‘As a person from a low-level world, she really has no wit at all. She didn’t kneel when she saw the Prince.’

Ye Hua was very angry. ‘This man actually yelled at my wife.’ He said to Wei Chang, “Write this man down.”

“Yes, your honor.”

Qing Yutong gave her brother-in-law a white look, ‘you are planning to settle accounts in the future, but you don’t let the sisters know.’

Zhu Zhengqing immediately stopped the behavior of his subordinates and said very politely: “I’m the prince of the imperial family in Tianfu, Zhu Zhengqing!”

Prince!

The hall was in an uproar.

The person who came last time called himself from the Hou Mansion, but today the prince came!

Donghuang Baizhi seems to have felt it too. It is definitely not a good thing for this prince to come. The three men standing behind them exude a ferocious aura, which is very difficult to deal with!

“What is the so-called Prince coming today?” Donghuang Baizhi asked aloud, it must be those three people who went back to make a complaint.

However, Donghuang Baizhi didn’t know that those three people, together with their boss, were all wiped out overnight.

Zhu Zhengqing showed a soft smile and looked very handsome.

Ye Hua said indifferently, “Write this Zhu Zhengqing down!”

Qing Yutong tutted a few times. ‘He is jealous.’ No wonder her sister said that her brother-in-law is the king of jealousy in the realm of self-cultivation.

Zhu Zhengqing looked at Donghuang Baizhi on the throne and wanted to conquer such a woman. The process should be very exciting.

“Shouldn’t the queen give her seat?” Zhu Zhengqing said in a slightly teasing tone.

‘She knows that I’m the prince and brought three warriors. This Donghuang Baizhi has to step back in order to preserve the Voidless Realm.’

“Come here, give me a seat!”

However, Zhu Zhengqing sat directly in the center, face to face with the Queen.

“Bold!” Xing Han shouted angrily, such behavior is disrespectful to the Queen.

“You are the one who’s bold!” Wuma An shouted coldly.

Zhu Zhengqing shouted in a deep voice: “Wuma An, can you please stop talking!”

“Subordinate obeys.”

Zhu Zhengqing smiled: “I’m so sorry, my subordinate is rude.”

Donghuang Baizhi said in a deep voice: “It’s fine. ”

“But Your Majesty, your subordinate is also very rude, yelling at me, the Crown Prince.” Zhu Zhengqing said lightly.

Donghuang Baizhi was thinking in her heart that the other party was the Crown Prince of the Deity Realm. He held a heavy legion. If she was disrespectful, it would lead to death, and it would implicate the entire Voidless Realm!

People have to bow their heads under the higher mountain.

“I apologize to the Crown Prince for the rude behavior of my subordinate.” Donghuang Baizhi said helplessly.

Ye Hua also said lightly: “Add this Zhu Zhengqing’s descendant.”

“Yes!”

Hearing what Donghuang Baizhi said, Zhu Zhengqing suddenly thought of a plan. Because she is a good queen who loves her subordinates, he can use them as an infinite threat.

“Your Majesty is very polite, we are all family. No need to apologize.” Zhu Zhengqing grinned.

Ye Hua said lightly: “His previous generation.”

“Yes!”

Donghuang Baizhi understood the underlying meaning of this sentence, and said coldly: “Please also show some respect to this Emperor!”

“Your Majesty, this Prince has already respected you enough.” Zhu Zhengqing’s eyes showed a hint of brilliance.

“What on earth do you want?”

“Donghuang Baizhi, this prince has been sleepless lately and lacks a bed warmer. I think you are competent.” Zhu Zhengqing’s words made Donghuang Baizhi furious, but her reason was telling her that she couldn’t make this deity angry. This anger can end the entire Voidless Realm!

Ye Hua said coldly, “Write down all the eighteen generations of Zhu Zhengqing’s ancestors!”

“Yes!”

Qing Yutong gave three seconds of silence to the pretentious prince. ‘His whole family has been on the death list of brother-in-law. It’s all over!’

Donghuang Baizhi said in a deep voice: “Crown Prince is joking.”

“Your Majesty is smart and clever, so she naturally knows if this prince is joking. Since you are so hesitant, then the prince will give you a little motivation!” Zhu Zhengqing waved a hand.

One of the triplets suddenly disappeared and appeared while grabbing Xing Han's neck up in the air!

"Don't!" Donghuang Baizhi suddenly stood up.

However, she was still slow!

Chapter 396

However, Qing Ya, who was hiding in the back, was a little faster. Her slender fingers stretched out, and a green light pierced through, forcing the old man to let go of Xing Han.

And when Qing Ya walked out from behind, Zhu Zhengqing's face was full of craving.

However, Ye Hua saw this face, and said in a deep voice: "Wei Chang! Write every one down!"

"Yes!"

Qing Yutong sighed softly, 'why bother, it would be great to just rush over and destroy them now.'

Hair is long and knowledge is short. If he destroys them now, what will be the consequences? Will Qing Ya and Donghuang Baizhi be moved? Obviously not.

So Ye Hua is not impulsive now and wants to teach his wives a lesson. After teaching them, he will teach the prince a lesson, and let him know that pretending to be forceful in front of this deity is not easy!

Zhu Zhengqing looked at Qing Ya, who was coming, showing a demented appearance, 'this beautiful woman.'

'The beauty has reached the limit. Looking through the entire Tianfu, one would be hard-pressed to find a similar woman. These two women are simply the best, the best in the world!'

Suddenly!

Seeing Qing Ya's slightly bulging belly, Zhu Zhengqing's face froze, and then his face began to change. Blue veins on his forehead burst out!

'Such a woman can't give me her first!'

This is a great insult and irony to him!

'Who's the man? This prince wants to chop that man into thirteen pieces!'

"Who's child is this?" Zhu Zhengqing lost his patience, stood up, and asked, exuding a submissive might.

Qing Ya stared at the man below and said lightly, "What does that have to do with you?"

"Of course, it has something to do with me, this prince has taken a fancy to you two!" Zhu Zhengqing laughed wildly, wishing to take them back now and rub them hard.

Qing Ya and Donghuang Baizhi chuckled. Both women thought of the same thing. 'If Ye Hua was here, what would his reaction be when he heard this man's words?'

'That reaction should be explosive. The prince will deeply regret his words.'

Qing Ya smiled sweetly.

Zhu Zhengqing was flabbergasted. Donghuang Baizhi has a cold temperament while Qing Ya excludes a certain type of softness.

"I'm so sorry, we both have men." Qing Ya said indifferently.

Donghuang Baizhi also added: "And the same one."

Ye Hua felt that it was time for him to appear. He wanted to come out in a flashy way, and say: "That's this deity. Your group of salted fish are actually making it difficult on my sweet wives!"

But he held back the urge.

'What did she say?'

When Zhu Zhengqing heard such an answer, he instantly became uneasy: "Who? Except for me, no one in this world can have a stunning beauty like you! Impossible!"

Donghuang Baizhi stood up. When the two women stood together everyone lost their mind, even Wuma An thought that they were very enchanting.

There is such a woman in this low-level world, no wonder the prince wants to keep it a secret. Maybe he wants to enjoy them by himself.

"Of course there is, and in his eyes, you are nothing." Donghuang Baizhi said coldly. With Ye Hua as her backing, Donghuang Baizhi was very confident. Although the cold war was still on, Donghuang Baizhi knew that if something goes wrong, Ye Hua will not sit idle.

Qing Ya added indifferently: "At most, a dried salted fish."

Ye Hua stood aside and chuckled lightly, 'it was quite interesting for these two women to act cool together.'

'But this is fine, when faced against power, you think of this deity.'

"Bold! Even insulting the Prince and saying that he's a dried salted fish!" Wuma An took a step forward and pointed at the two women and shouted.

The veins on Zhu Zhengqing's forehead swelled a bit, and his face was flushed because he was angry.

"Then ask him to come out and let this prince take a look."

Donghuang Baizhi suddenly smiled, and then said: "Is this emperor's husband you can meet as you wish?"

Qing Ya's mouth showed an arc, and she proudly said: "My husband is eight feet long, with a particularly graceful appearance. Xiao Xiao Su Su. His is akin to a dragon and is elegant like a phoenix. His face is like the moon of the Mid-Autumn Festival, his color is like a flower in the spring dawn, his temples are sharp like a knife, his eyebrows are like grinding paintings, and his eyes are like autumn waves, although he gets angry sometimes, he is affectionate as well. You're like a roe-headed mouse, a

hundred times clumsy and a thousand times ugly. You want to meet my husband? Do you have the ability?"[Xiao Xiao Su Su→ Xiao Xiao describes his behavior as free and refined, and Su Su describes it as quiet and calm.]

The audience fell silent.

Ye Hua, who was hiding on the side, touched his chin. He didn't expect that his facts were all told by Qing Ya. It seemed that Qing Ya was quite discerning.

'Add points! Extra points.'

Wei Chang took a small notebook and wrote down what Madam said. It made Ye Hua very happy, so he could use it in the future.

Qing Yutong seemed to be very cold, holding her arms, her sister's words almost lifted her brother-in-law to the sky, look at how proud her brother-in-law looked.

Donghuang Baizhi was also shocked. 'The first sentence was wrong. Is Ye Hua eight feet long? It should be described in inches.'

'Don't we both use the same thing?'

Zhu Zhengqing and others looked demented. She even questioned whether he had the ability.

She even said that he was a mouse!

"You! You! You can't say that! Do you think that just because this prince likes you, you can be arrogant and domineering?"

Donghuang Baizhi said disdainfully: "Prince, please take back your liking. You make me want to vomit."

Zhu Zhengqing couldn't take it anymore, and shouted angrily: "Okay! Today I'm going to take you back, and I'll destroy your sect. The dignity of this prince can't be insulted!"

The two women's eyes tightened, and they were ready to fight, either these people die or they died today!

"Voidless Realm listens to the order. Kill them!" Donghuang Baizhi shouted.

Zhu Zhengqing sneered again: "If anyone commits a crime from the Voidless Realm, they will all be executed!"

Ye Hua watched the development of the situation silently, his eyes were deep, but he did not intend to take action.

"Brother-in-law, are you still watching?" Qing Yutong was puzzled, the effect of rushing out now would be very good, and the misunderstanding would disappear.

Ye Hua sighed softly: "They still have a lot to learn, and sometimes failure is a good thing, and they can see their shortcomings.

It made Qing Yutong so cold that she wanted to hug her brother-in-law's body tightly.

Ye Hua is assured of Qing Ya's strength. After all, Qing Ya after the awakening of the bloodline is stronger than Donghuang Baizhi. Thinking of this, Ye Hua feels that he needs to improve the strength of Donghuang Baizhi, otherwise, he will have to worry about them when they go out.

The main hall collapsed in an instant amid the crowd's fight. Pity for this palace.

Chapter 397

Qing Ya fought the triplets alone. She was still winning, which surprised Zhu Zhengqing and Wuma An. They didn't expect the Nuwa clan to be so fierce!

And Donghuang Baizhi could only contain the crown prince Zhu Zhengqing, which gave Wuma An an opening to kill the people of Voidless Realm.

"Kill! Kill everyone here!" Zhu Zhengqing, who was fighting against Donghuang Baizhi, shouted.

"Follow the order!" Wuma An said and slashed at a child!

At this time, Qing Ya and Donghuang Baizhi were shocked: "Ah Li!"

It was indeed Donghuang Li who had come. Hearing the sound of fighting here, she thought of coming over to help. 'Daddy is probably stuck in traffic.'

Seeing that Ah Li was about to be injured, Qing Yutong hurriedly shook Ye Hua's arm: "Brother-in-law! Ah Li! Hurry up and go!"

"Don't make trouble! Ah Li is stronger than you." Ye Hua squeezed his sister-in-law's face. He was confident in his daughter.

'My daughter is the strongest little boss.'

Donghuang Li raised her head to look at Wuma An. The baby fat on her little face was waving by the wind emanating from the other party. 'This bad uncle is so shameless that he even bullied me.'

"Ah Li! Hurry up!" Donghuang Baizhi shouted.

Mama asked Ah Li to escape, and so Ah Li escaped.

Boom!

The scene was filled with smoke, and small stones splashed out. Qing Ya and Donghuang Baizhi both stopped and watched blankly.

Zhu Zhengqing had a hideous smile. 'Wuma An seemed to have done a very good job.'

However, when the smoke cleared, Wuma An saw a small figure appear.

She actually stood on his sword!

'How can this be?'

Zhu Zhengqing was also stunned.

Qing Ya and Donghuang Baizhi also breathed a sigh of relief, they were scared to their souls.

Qing Yutong patted her towering chest, 'Fortunately, she is fine.'

Wei Chang smiled lightly, 'Little Lord will be the most powerful overlord when she grows up.'

Ye Hua sneered, 'What do these women have to worry about? Ah Li has the bloodline of this deity. From the day she was born, she was destined to be extraordinary.'

"You...you...who are you?" Wuma An's eyes widened as if he was seeing a ghost.

His strength is indeed weaker, but he is also an invincible existence in this low-level world, but he was defeated by a child today!

"Ah Li. Didn't tell you~" Donghuang Li pouted, very arrogant.

The more Wuma An thought about it, the angrier he became. He lost face in front of the prince, all because of this little child!

"I will kill you today!"

A terrifying aura erupted. There were thousands of sword shadows, and they all attacked the little figure!

The sword energy was slashed vertically and horizontally, making people extremely amazed. Is this the prestige of the gods? It is awesome!

The huge consumption made Wuma An short of breath. 'This little devil should be dead!'

However, Zhu Zhengqing, who was not far away, was stunned and watched, 'This is impossible!'

Donghuang Li stood with her hands behind his back, standing on Wuma An's shoulder.

Seeing her daughter like this, Ye Hua chuckled lightly.

Qing Ya and Donghuang Baizhi were also relieved.

If it weren't for the fact that Donghuang was still young and her face was immature, she would look more shocking.

Wuma An shivered and turned his head slowly.

"Bad uncle, you are so weak." Donghuang said with a smile.

'Called weak by a child! I am the son of a general!'

Today, being called a weak chicken by a child in this low-level world was unbearable!

The red-faced Wuma An began to swell up. This was not mental expansion, but physical expansion.

Donghuang Li jumped slightly and asked curiously, "Are you the Hulk?"

Though he's not green, but red.

Wuma An's weak body grew to three meters. The muscles of the whole body were like solid stones, and the thick blood vessels seemed to be very powerful.

"Hoohoho!" Wuma An slapped his chest, raised his huge fist, and slammed into Donghuang Li.

This punch contained the power of a mountain as if even the hardest steel will turn into powder under this punch!

"Go to hell!" The white aura gushed out like spring water, with a rushing sound of breaking wind.

Donghuang Li pursed her lips and stretched out her palm.

Boom!

The huge fist slammed into the small palm, and a wave of air spread out to the surroundings.

Wuma An's feet sank even more deeply!

The eyes of everyone were on the battlefield. When the smoke cleared, Wuma An's tall body was actually below Donghuang Li.

"What kind of monster are you?" Wuma asked dumbly.

"Hmph~ Ah Li is not a monster, Ah Li is daddy and mommy's good daughter. You are a monster." Donghuang Li said angrily, puffing out her cheeks.

Wuma An looked up to the sky and shouted angrily: "I am a deity! You despicable and inferior races have insulted me. I will crush you with my fists! I still want... ah..."

Wuma An's words were not finished yet.

Donghuang Li's little hand grabbed Wuma An's thumb. She turned her little arm around and Wuma An, who was three meters high, and at least a few hundred kilograms, was lifted high, and then smashed to the ground.

This was not over yet, Donghuang Li swirled left and right. Wuma An was like a doll, tossed to and fro by Donghuang Li's petite body.

Bang! Bang! Bang!

Everyone at the scene was stunned and looked at Donghuang Li stupidly.

In the end, Wuma An was smashed to the ground, and Donghuang Li snorted: "What a weak deity."

Hearing Donghuang Li's words, he would definitely faint again.

Jumping over Wuma An's body, Donghuang Li looked at Zhu Zhengqing and the others with her hands on her hips: "You bad people have been surrounded by Ah Li, you should raise your hands and surrender, or Ah Li will be angry!"

Ye Hua shook his head, 'Ah Li watched too many police and gangster movies. Our family is a gangster, not a policeman.'

Qing Yutong's pretty face turned pale: "I really want to hug Ah Li, she's so cute~"

“Little Lord is very brave.” Wei Chang gave the highest evaluation.

Zhu Zhengqing had already been stunned by Ah Li, and he was a little panicked: “Get this child for me!”

“Yes, Prince!” The triplets immediately rushed toward Donghuang Li, as if they were hungry wolves. As long as you are caught, you will definitely be torn apart!

But who is Donghuang Li? The first child of the Supreme Overlord!

Donghuang Li used her speed to walk among the triplets. The triplets couldn’t keep up with Donghuang Li’s speed and punched amongst themselves.

Chapter 398

“Hehe ~ You can’t catch me ~ You can’t catch me ~” Donghuang Li made a teasing face jumping, and a golden flame came out of her fingers. She used it without thinking.

A small blaze of golden flames drew an arc in the air. It was very beautiful, yet terrifying!

Puff!

When the flame landed on the feet of the triplets, they got incinerated. It was akin to the mixture of gasoline and small sparks.

The triplets were instantly buried in the sea of fire. They didn’t even get a chance to scream, as they turned into a golden liquid.

However, the fire had no intention to extinguish, as it rushed toward the palace.

The corners of Ye Hua’s mouth twitched slightly. Once the Sun Ender Fire touches an object, it will burn everything. Don’t look at the fact that Donghuang Li only threw out a little bit. It is enough to burn the entire Voidless Realm!

Donghuang Li was stunned, ‘how could it become such a big fire even though she used such a small fire... and I even burned Mama’s palace.’

Donghuang Li, who was overwhelmed, burst into tears in an instant, because her mommy would definitely scold her.

In the face of such a fire, everyone was helpless, and Donghuang Baizhi couldn’t care about the palace, as she hurriedly took her daughter in her arms and evacuated, and then ordered everyone to leave!

Zhu Zhengqing took advantage of this to escape instantly.

‘You wait for me! Wait for me to come back with an army of millions! I’ll let you taste pain!’

At this time, everyone in the Voidless Realm looked at the incinerated mountain.

As the queen’s palace, it was the most luxurious and symbolic venue, yet today it was set on fire by the queen’s daughter!

Everyone was heartbroken, but also helpless.

Donghuang Li was tired from crying and fell asleep in her mother's arms.

Donghuang Baizhi wanted to scold her but didn't know how to scold her. Her daughter lifted the crisis, but she accidentally burned the palace.

'It's all Ye Hua's fault!'

It seems that Ye Hua has to take the blame for everything now. He is really miserable.

In fact, Ye Hua is helpless, the power of this strange fire is unimaginable, especially the inextinguishable Sun Ender Fire.

Qing Ya sighed: "It's all over! You can't scold the child too much, and Ye Hua just won't listen."

"How long will this fire burn..." Donghuang Baizhi murmured.

Suddenly!

A small apparent fireball fell from the mass of fire and landed on a mountain below. The faces of Qing Ya and Donghuang Baizhi were stiff.

Sure enough, the mountain ignited a raging fire in an instant, and Donghuang Baizhi immediately evacuated the crowd.

In the end, there was no other way. They gathered the people from Voidless Realm and pushed the two peaks far away, which allowed the Realm to escape.

The culprit, Donghuang Li, was pretending to sleep, as she was afraid of being scolded by her mother.

The Voidless Realm without two peaks looked awkward, akin to a bald girl.

Ye Hua knows that there is no way. Although he is near invincible, he still can't change some things.

Fortunately, the Voidless Realm was not packed up, otherwise, the consequences would be unimaginable.

That's why Ye Hua keeps saying that it's very easy to burn the whole world. Even Little Ah Li can do it now.

'Well, this deity just wants to watch the Voidless Realm burn down so that they would be homeless and have to come back.'

But after this time, it is assured that Donghuang Li will not use the Sun Ender Fire again. Its power is beyond terrifying!

It's a pity that Wuma An, the military advisor, was knocked unconscious after a few moves. Zhu Zhengqing didn't care about him when he escaped. He was burned alive, with the triplets. At least he didn't feel the pain.

Ye Hua, who was standing in the air, felt relieved when he saw that they were all right. He left with Wei Chang and his sister-in-law without any intention of meeting them.

It seems that it is necessary to take the subordinates out to have some fun. He can't push them too hard, especially Ye Zizi, who has a bitter face all day long.

Back in the Leisure bar, Ye Hua opened his sister-in-law, ready to have a good talk with Ye Zizi.

Pushing open the door, he saw Ye Zizi's petite back sitting in front of the desk, with two swaying ponytails.

"What are you doing?" Ye Hua walked over and asked lightly.

Ye Zizi said silently: "The homework assigned by the teacher."

Ye Hua looked at it, as she was copying the text. The font was not recognizable by ordinary people.

Taking a small seat, Ye Hua sat next to her and asked softly, "What? Are you unhappy?"

Ye Zizi pursed her lips and said aggrieved: "Zizi dare not be unhappy."

"Then I'll sign you up for cram school."

"..."

Ye Zizi threw herself directly into Ye Hua's arms, with all kinds of coquetry and cuteness: "Hey, oh, sir, I feel like vomiting, so depressing~"

Ye Hua patted Ye Zizi's forehead: "This deity is here to reduce stress for you!"

Ye Zizi's beautiful eyes lit up, and she immediately sat down like a good student, and vowed: "Your honor! As long as you relieve me of the stress, I promise to study hard and improve every day."

Touching Ye Zizi's head, Ye Hua said: "You will like this stress reliever."

The corners of Ye Zizi's mouth evoked a sinister arc, the pair of scarlet eyes sparkled with bloodthirst. Her bright red tongue licked the corners of her mouth as if she couldn't wait!

Zhu Zhengqing, who was forced to return to Tianfu, was in a rage as he lost four generals today!

Even Wuma An died!

The Wuma family has guarded the Tianfu frontier for generations, defended against wild beasts, and exchanged their lives for a thousand years of peace in Tianfu!

And this Wuma An was the general's favorite son. If he told him this unfortunate news, then his father would definitely blame him, and to appease the Wuma family, the punishment would be huge!

This is not the situation Zhu Zhengqing wants to see!

Bang! Bang! Bang!

Countless spirit porcelains were shattered by Zhu Zhengqing.

'Why is there such a child in a low-level world?' Wait! That little child is Donghuang Baizhi's daughter. Could it be that she awakened the bloodline of the Donghuang Family? Everything makes sense now!

The bloodline of the Donghuang Family is really terrifying. No wonder why Hou Xuelin wanted to take it all for himself.'

'No one knows about Wuma An's death. It's better to pass it on to the people who destroyed the prince's palace!'

"Crown Prince." A woman walked over and shouted in a sweet voice.

The furious Zhu Zhengqing saw the concubine and immediately thought of the two women. He grabbed the woman's wrist.

"Prince, it hurts~"

Zhu Zhengqing shouted to the maid, "Get out!"

After the maids were all out, Zhu Zhengqing directly pressed the concubine on the table, venting the resentment in his heart. He swore that sooner or later he would kill those two women.

After venting his anger, Zhu Zhengqing felt a lot more at ease. He then rewarded the concubine.

"Crown Prince, the Emperor summoned." A eunuch appeared at the door and shouted.

Chapter 399

Zhu Zhengqing was confused. Now that Wuma An is dead, he lacks a strong general!

"Okay. I'll come after changing my clothes."

After changing his robe, Zhu Zhengqing walked through the hall, when he saw the person he didn't want to see the most!

Wuma Cao!

He saw Che Hongliang, along with Celestial Master Ying Wei. It seemed that they were discussing something.

Wuma Cao is not as handsome as his son Wuma An. His fierce face bears the traces of the years. Even when he meets the Emperor, he wears battle armor!

If he told Wuma Cao that his son was killed due to him, he would probably kill the prince.

"Why did General Wuma come back suddenly?" Zhu Chengxuan, who was sitting on the throne, asked curiously.

Wuma Cao cupped his hands and said, "Report to Your Majesty, I have received a secret report from the Celestial Master. That's why I hurried back!"

Wuma Cao's voice was extremely loud.

Zhu Chengxuan had a displeased expression on his face, 'The Celestial Master was making too much of a fuss.'

"Celestial Master, General Wuma is guarding the frontier, how can you make him come here?"

The master was terrified: "Your Majesty, it is important to be prudent. With General Wuma here, the royal family's hunting will be safer."

Wuma Cao cupped his hands and shouted: "Don't worry, Your Majesty, I will do my best to protect your safety!"

"Then I'll have to rely on General Wuma." Zhu Chengxuan was also helpless. A hint of irritability flashed across his eyebrows.

"Prince, there will be a royal hunt in three days. It's your responsibility." Zhu Chengxuan said to his son. He was trying to give him a chance to show off in front of the royal family.

Zhu Zhengqing cupped his hands and said, "Understood."

Zhu Chengxuan nodded, then glanced at everyone: "This emperor doesn't want to hear anyone talking about this bloody glow. Those who violate the order will be beheaded."

The four of them knelt in unison: "Emperor's will is our law!"

"Leave."

The four of them bowed and exited the hall. Zhu Zhengqing stepped a little faster as he wanted to avoid Wuma Cao, lest he figures that something is off.

However, this made Wuma Cao even more curious. In the past, the prince was never late to offer him compliments, yet now he is trying to avoid him.

"Prince." Wuma Cao shouted with a smile.

Zhu Zhengqing stopped and cursed secretly, but he still turned around and smiled: "General Wuma!"

"Why isn't my son accompanying the Prince?" Wuma Cao asked curiously.

"Oh, I didn't see him today." Zhu Zhengqing said with a smile, 'You will never find his corpse in your life.'

Wuma Cao smiled: "That's weird, he's not at home either."

"Maybe he is at some girl's house."

Zhu Zhengqing's words convinced Wuma Cao.

"I will not disturb the prince anymore. I hope that the prince will take care of my son." Wuma Cao bowed his hands.

Zhu Zhengqing smiled brightly: "Worry not!"

Watching Wuma Cao leave, Zhu Zhengqing breathed a sigh of relief. Fortunately, it was a secret operation today, and no one knew.

"Prince." Che Hongliang suddenly stepped aside, his small eyes revealing shrewdness.

Zhu Zhengqing was shocked, and squeezed out a smile: "Master Che."

Che Hongliang said with a light smile: "Didn't the prince take the son of the general and a few subordinates to play outside?"

Zhu Zhengqing couldn't wait to chop the bastard in front of him. This guy was trying to spy on him!

And what happened today is also known to him, how can this be good?

Seeing that the prince did not speak, Che Hongliang said indifferently: "Just now, Prince told the General that you don't know about Wuma An's whereabouts, which is a bit..."

"Master Che must have some misunderstanding." He couldn't even smile this time.

"If the general knew that the prince was lying, I'm afraid he would go to the Emperor."

"What are you trying to say?" Zhu Zhengqing whispered.

Che Hongliang didn't expect the prince's reaction to be so big. It was just a test at first, but now it seems that something has happened. Otherwise, the prince wouldn't be so nervous. 'Could it be that Wuma An is dead?'

"Prince has a lot of responsibilities, I am afraid that Prince will be too busy."

'Don't you just want Hou's plane? I will give it to you, so keep your mouth shut.'

"It turns out that this is the matter, Master Che. After the royal hunt is over, I will go and report this to the emperor."

This is what Che Hongliang wanted: "Then I should thank the Prince."

"Walk carefully Master Che."

Watching Che Hongliang leave, Zhu Zhengqing could not wait to take out his sword and kill him. Today, he was blackmailed!

'If only Wuma An wasn't dead, how could I be threatened by Che Hongliang?'

'The top priority now is to get the royal hunt done. After that, I will find a way to get the Donghuang and the Nuwa bloodline, and those two women.'

'This matter is not over, after all, this is something more important than the throne.'

Three days passed quickly.

The people in the city celebrated the royal hunt like a festival. For them, this was a big day.

The more hunters, the more brilliant the royal family, and the wealthier the Tianfu.

Of course, hunting is also an opportunity for the princes to show off their skills. Although they are the prince, it is possible to dismiss them.

All the members of the royal family added up to more than 2,000 people. Adding the generals and guards, the number reached tens of thousands.

Zhu Zhengqing is the person in charge of this hunt.

Just when Zhu Zhengqing was busy preparing, Wuma Cao came. He wore armor, as he was in charge of safety this time.

"Prince, have you seen my son in the past few days?" Wuma Cao asked in a deep voice. There was anger in his eyes.

Zhu Zhengqing felt the anger of Wuma Cao and immediately greeted him with a smile: "General Wuma, this prince has been busy all day in the preparation of the hunt. I've no clue about Wuma An."

"That's strange. After this hunt is over, I'll ask the Emperor for an answer." Wuma Cao was worried because it is unusual for his son to disappear suddenly.

'It must have something to do with the prince.'

Zhu Zhengqing hurriedly comforted: "General Wuma, don't worry after the hunt is over, this prince will go and find Wuma An. Maybe he is with some girl."

"Then I hope that the prince will remember his words." Wuma Cao is not so easy to deceive. Even when he is back, his son has not come back to meet him. Which girl can charm him like this?

Seeing Wuma Cao leave, Zhu Zhengqing breathed a sigh of relief. His heart was filled with worries.

When the auspicious time arrived, Zhu Zhengqing rode a unicorn at the front of the team and shouted, "Let's go!"

Chapter 400

The thunderous sound of the drums echoed into the sky. It symbolized that the royal family was on tour, and everyone had to kneel to welcome them.

As the family walked out of the palace, all the people on the road leading to the city gate knelt to greet them.

The scene was extraordinary. In front of the Tianfu royal family, everyone has to surrender.

After walking out of the South City Gate, the group gradually floated up into the sky and ran towards the hunting ground!

The mighty group floated through the sky. One could see the people below looking up at the royal family, and then kneeling to offer their sincerity.

The hunt is a traditional festival of the royal family. For the sake of the safety of the royal family, some spirit beasts are specially kept in captivity for the royal family to hunt and kill. Some beasts were injured first and then hunted by the princes.

All in all, this royal hunt was rather archaic.

Changlin was a royal hunting ground. Zhu Zhengqing built a temporary compound. The forest was just opposite the compound.

When the royal family arrived, there was a melodious sound of birds from the forest. After that, thousands of birds soared into the sky.

"Your Majesty, even the birds are cheering for you." Che Hongliang couldn't help but flatter him.

The one standing beside the emperor was Che Meiniang. She is the current queen and the elder sister of Che Hongliang.

"Due to Your Majesty's protection, even the birds are singing at your arrival. This is a good omen." Che Meiniang smiled softly. Behind her was a group of concubines. One of them was Ying Yanyan, who just wanted to get the emperor's favor.

And among these concubines, there are still many virgins. Even the emperor forgot to touch them.

Listening to these compliments, Zhu Chengxuan showed a faint smile: "With the emperor here, the country will be prosperous and the people will be safe."

Following Zhu Chengxuan's words, everyone knelt and shouted: "God bless Your Majesty!!"

Zhu Chengxuan smiled. With a wave, the troops began to station, and the royal family and others went into the compound to rest.

Walking into the compound, Zhu Chengxuan smiled: "Prince, you did a good job."

"Thank you for the praise."

This time Zhu Zhengqing set up a temporary tent within three days.

Hearing that the emperor praised the prince, Che Meiniang and Che Hongliang were very unhappy.

"Your Majesty, if you let Yun'er do it, I believe it will be done well." Che Meiniang said in a low voice.

Zhu Yun stood beside him and said in a low voice, "Crown Prince is smarter than others."

Zhu Chengxuan didn't say anything, but Che Meiniang glared at her son.

In fact, Zhu Yun doesn't like it either. His father is very pleased with Zhu Zhengqing nowadays. 'You are questioning father's decree. And even getting me in between.'

'This Zhu Yun is a smart person with a bit of ability.' Che Hongliang also values him very much. 'But my sister is just too impatient, making Zhu Yun's image bad in front of the Emperor.'

"Brother Zhu is joking. If this matter was handed over to you, you would definitely surpass me."

"Prince is overestimating me."

The two complimented each other.

And some princes who followed behind watched the situation develop. Now the prince is obviously dominant, but Zhu Yun has the support of the queen and Che Hongliang. His strength should not be underestimated!

In addition, Hou Xuelin was suddenly massacred, making the situation even more complex.

As the emperor, Zhu Chengxuan just came here to relax. He wanted to see the performance of the princes, and of course to pamper the concubines. After all, this is also an opportunity for them.

“The hunt has officially started! Princes, be prepared!” With the order of Emperor Zhu Chengxuan, hundreds of princes began to prepare to enter the venue.

And the wives of these princes also began to worry that although the level of the spirit beasts in Changlin is low, there may be accidents.

One must know that every hunt kills people!

Maybe these women wouldn’t even know that their son wasn’t killed by spirit beasts, but rather by these half-brothers.

The royal family is really cruel.

Even the Emperor can’t change the situation. He can only see, but not interfere. This is a world where the strong eat the weak.

The prince came in batches. Little princes were born constantly, and the deities have a naturally long life.

Zhu Zhengqing is the crown prince, the eldest brother of the entire faction. Although he has lost Wuma An, he still is more resourceful than his younger brothers.

“Prince, why not a bet?” Zhu Yun, who was riding on a snowy white horse, smiled at Zhu Zhengqing, followed by dozens of princes.

“Brother Zhu, I remember hearing similar words at the last royal hunt.” Zhu Zhengqing said indifferently, without even looking at Zhu Yun.

“What the prince said is very true, but I have been practicing since then, hoping to catch up with the prince.”

Zhu Zhengqing chuckled lightly: “Imperial brother, even if you practice for another hundred years, you will not be able to catch up with this prince. Come on, go now!”

After speaking, Zhu Zhengqing rushed into Changlin with a faction, leaving only dust behind.

Zhu Yun’s eyes showed a cold light, and he shouted: “Drive!”

After the princes of the two factions left, there were still dozens of princes left. They were the princes who didn’t want to fight and wanted to be free.

Therefore, they entered Changlin without any hassle. They wanted to hunt a few small animals, and then return.

After Zhu Zhengqing rushed into Changlin, he did not go inside, but stayed on the outskirts for most of the time, and then stopped.

“Prince! I’m afraid that Zhu Yun is planning to kill you!” This person’s name is Ju Di, besides Wuma An, this is the person Zhu Zhengqing trusts the most.

Zhu Zhengqing sneered: “Has he succeeded after so many years?”

“Prince, it’s better to be careful.” Ju Di urged. It is taboo in the military to underestimate the enemy!

However, the current Zhu Zhengqing seems to have forgotten the lesson from three days ago.

“Imperial brothers, first warm-up at the outskirts, and then follow me in to kill the most powerful spirit beasts. Let’s show the emperor our ability!” Zhu Zhengqing exuded the coercion of the prince.

“Yes!”

On the other side, Zhu Yun and his people also made a small circle on the outskirts before stopping.

‘This time the prince must be killed!’

Of course, he can’t kill him openly. But now he can just say that he was killed by a spirit beast.

“Brother Zun Yun, this time we are bound to win!” A rather handsome man rode out on a spiritual horse. This man’s name was Zhu Zhu, and he was Zhu Yun’s capable subordinate.

Zhu Yun said in a deep voice, “If this time is unsuccessful, I will become a monk. The prince must be killed!”

“You’re worrying too much. This Zhu Zhengqing spends all day eating and drinking. He wouldn’t even know how he died.”

“The prince must die today!” Zhu Yun showed a murderous intent, making it seem like Zhu Zhengqing killed his father.

After finishing speaking, Zhu Yun led someone directly into the depths of Changlin, seemingly wanting to prepare the ambush.

At the periphery were some ordinary little spirit beasts, which are equivalent to little rabbits, deer, etc. They were not aggressive at all.

But as one goes deeper, the spirit beasts have stronger strength., But still, the strongest ones were only high-level spirit beasts.

Just like ordinary tigers and lions. There will be no dinosaur level.

Therefore, for these princes, there is no great threat. After all, the weapons in their hands are all godly items.

However, there will also be unexpected existences in the depths of Changlin, such as ancient beasts above the high rank, which may require team cooperation to kill, or a little loli with two ponytails waiting for prey.
