

My Woman 44

You Cannot Afford To Offend My Woman

Chapter 44.1: Boss 1/2

While eating the fresh and tender tuna meat, Qing Yutong asked curiously, "Big sister, could it be that this is your ex-boyfriend?"

Upon hearing that, Ye Hua's face immediately turned black, and waited for Qing Ya to give an explanation. If the explanation doesn't satisfy me, I don't mind letting this ex-boyfriend die on the spot.

"Ye Hua, don't listen to Qing Yutong speak nonsense." Qing Ya hurriedly explained. But after finish speaking, she scolded herself in her heart. Why did I have to explain to him, and why did I even explained that quickly, it made it seemed as if I minded his feeling very much.

Qing Yutong pouted her mouth, it seems like big sister has indeed fallen for brother-in-law.

"Speak, just what's the matter?"

"That's right, that's right, big sister, don't keep us in suspense."

Qing Ya let out a breath, then looked towards the young male and female and said, "This man's name is Xiao Yi, a member of Zijin City's Xiao Family, or to be more precise, an illegitimate child of Xiao Family. I heard that he was chased out from Xiao Family back then, but during a few years back, he suddenly rose up to power and even married Nangong Family's big lady, and established Dragon God Corporation."

"He is Xiao Yi? I have also heard of him before, I heard that he has a lot of wives." Qing Yutong added.

He has a lot of wives? This kind of man is also fit to have a lot of wives? I, the great Supreme Overlord only has one wife, so for what reason are you able to have that many wives! Taking a look at this sister-in-law at my side, she is at the least pleasing to the eyes.

"Brother-in-law, what is this expression of yours, I am a young innocent woman." Qing Yutong covered her chest with both her hands, seemingly like she was afraid of being molested.

Qing Ya was too lazy to say anything. This sister of mine just loves to make a scene. Meanwhile, Qing Ya was totally oblivious to the fact that Ye Hua was actually indeed eyeing onto her sister this time.

"Big sister, why aren't you saying anything, brother-in-law is taking a fancy for the sister-in-law, shouldn't you be concern about it! Alright then, I don't need you to send protection anymore, I want to give birth to a monkey with brother-in-law." Seeing that her big sister had no reaction at all, she straightforwardly hugged onto Ye Hua's arm intimately.

Qing Ya wished she could take off her shoes and slam it onto Qing Yutong's face. As for Ye Hua, he wants to express that the sister-in-law's growth was not bad, a bit much better compared to Qing Ya.

Jiu Ye was very curious right now. Just who is it that actually dares to cause trouble in my territory, do they not know how the word 'death' is written! However, when he saw that familiar blue color uniform, and that familiar face, Jiu Ye was stupefied.

Looking at the Jiu Ye who was walking towards them, Tang Wei was very afraid as she held onto Wei Chang's sleeve. I have heard from my colleagues back then that this Jiu Ye is able to cover the entire Long'an City with one hand, and is extremely formidable. I never actually thought that this shop belonged to Jiu Ye! I have caused a disastrous trouble for Uncle Wei...

Tang Wei secretly looked towards her boss. I heard that only the boss himself is able to suppress Jiu Ye, but why is the boss not stepping forth...

Wei Chang coldly looked at the three people who were walking up to him, totally not having a trace of fear in him at all.

From the back, Xiao Yi saw Wei Chang and thought back to his own experiences, and couldn't help but reveal out a smile. Nangong Xinyi seemed like she knew just what her man was smiling about and poked onto Xiao Yi's waist, and the latter held onto his wife's waist.

Qing Yutong clicked her tongue a few times, "My gosh, how can you people be this shameless, showing off affection in public wherever you all go."

"You can go find yourself a man then." Qing Ya said.

Qing Yutong blinked her beautiful eyes, "I want brother-in-law, big sister, can you split half of brother-in-law to me."

"You can take him, I will give him entirely to you."

"Really?"

Qing Ya ruthlessly rolled her eyes at her sister. Can't you be a bit more mature? You are a best actress, and yet you are still acting like a child.

Chapter 44.2: Boss 2/2

Looking at the Wei Chang who was in front of him, Jiu Ye did not know just what to address him as. He is a subordinate of that strange boss, so should I call him big brother then? But, calling him big brother will make me seem face-less.

"Aiyo, so it is you, I still haven't thanked you for the previous matter." Jiu Ye said. Previously, it was indeed Wei Chang who let him enter into the bar and meet the boss, thus, this sentence wasn't wrong.

Wei Chang slightly wrinkled his brows, "It's you."

Eh... Everyone who was present was all dazed. This security guard has actually come into contact with Jiu Ye before? Just what is the situation? Also, from Jiu Ye's attitude, he even seems to be fawning a bit onto the security guard.

This action of Jiu Ye's made Xiao Yi and Nangong Xinyi who were at the back of Jiu Ye to become slightly astonished.

Because this Jiu Ye is indeed pretty formidable in this Long'an City, and since I was going to start investing at Long'an City, I naturally had to come pay this Jiu Ye a visit. However, for a big character like Jiu Ye to actually be afraid of a security guard, Xiao Yi suddenly thought about himself...

I want to see if you are truly like me, or are you just acting!

Xiao Yi's gaze congealed and immediately looked towards Wei Chang. However, the result made him felt disappointed. This security guard is but an ordinary person.

Both Ye Hua and Wei Chang sensed it when Xiao Yi congealed his gaze and looked towards Wei Chang. I didn't expect that this man would be quite interesting, and also, there is a familiar smell on his body. Two people with abilities actually appeared in this small store, Ye Hua felt that he didn't come to this shop for nothing. This Xiao Yi's aura is even stronger than the previous guy, just that this Xiao Yi's aura makes me feel disgusted.

"You came at the right time, pay up for the phone." Wei Chang said faintly, totally not having the slight trace of intention of giving any face at all.

Jiu Ye was feeling very awkward. Even if I offended the two people behind me, I also don't dare to afford the one that is in front of me. After laughing lightly, Jiu Ye said, "Everyone, my shop has some matters to deal with currently, today's bills will all be excused."

Seeing that Jiu Ye had spoken, everyone who was sitting down didn't have the cheek to continue on sitting down and watch the show. After all, they still have to give Jiu Ye face. In a short while, everyone all left. Even Qi Xuewen also left. Right now, I still don't want to offend this kind of big character, I will be honest and well-behaved for now and go to the ocean to swallow up small shrimps.

"Mister, young ladies, our shop has some private matters to deal with right now." An attendant came to Ye Hua's table and speak very courteously.

Excusing this table's bill was a very painful thing to do.

"We will naturally leave after we finish eating." Qing Ya said faintly. Qing Ya was totally not able to make sense as to why an employee of Ye Hua's could be so formidable.

Qing Yutong was very unhappy. The show has just started, how can I leave at this moment. "Be at ease, we will pay for what we ordered, my brother-in-law has money~"

The attendant was a bit displeased. We have already excused such an expensive bill, and you guys are still not willing to leave? However, the attendant was not able to say anything, and could only go and report about this matter.

"CEO Gong, the customers of that table are not willing to leave." The attendant came to the front of Jiu Ye and said respectfully.

Jiu Ye was currently in a temper, whoever who offended him would become out of luck. Whatever cats and dogs are all coming to annoy me right now, do they really take me as being that easy to provoke! Turning around and looking towards the table that the attendant was talking about, his chin almost fell to the ground. My god, I did not look at the calendar when I left home today, the true big boss is actually

sitting there and watching the show. If I had actually shouted at the table just now, just how disastrous would the consequences have been!

When Jiu Ye saw the women that were sitting at the big boss's sides, Jiu Ye sighed in his heart. No wonder he didn't want the women that I send over to him. Where would I even be able to find a woman like this, the Nangong Xinyi that is behind me is more or less at the same level as the two women at the table.

Xiao Yi and Nangong Xinyi also saw Ye Hua's table, and both of them slightly went into a daze. They felt that those three people were a bit interesting.

Jiu Ye swallowed his saliva, then walked towards the table with a respectful expression and shouted towards Ye Hua, "Boss."

Everyone who was present all clearly heard the word 'boss' coming out from Jiu Ye's mouth. Other than Wei Chang who was not astonished, everyone else, including Xiao Yi and Nangong Xinyi was all astonished.

Xiao Yi and Nangong Xinyi guessed, could the boss that is backing up Jiu Ye be him? Looking at that respectful expression on Jiu Ye's face, it seems to be the case.

The person who was the most astonished was Qing Ya. Within her heart, Ye Hua was just a man who opened a bar. If she had to stubbornly add a few more points to Ye Hua, it would be that Ye Hua was very handsome, has a very odd personality, and also likes to bully her.
