

My Woman 52

You Cannot Afford To Offend My Woman

Chapter 52.1: Great Desolate Feast 1/2

Looking at the empty champagne glass, Qing Yutong immediately regretted it. I shouldn't have drunk it all in one go just now, I should have drunk it slowly. Qing Yutong's gaze was immediately placed onto the other two champagne glasses.

Both Ye Hua and Qing Ya picked up their champagne glass at the same time. This made Qing Yutong to stomp her feet. These two stingy fellows!

Qing Ya finally understood why her sister revealed out that kind of expression. This drink is really tasty, it is tasty to the maximum. It feels like my taste buds have all been completely opened. I have never drunk such a tasty drink before.

"Qing Ya, it's okay to drink this." Ye Hua said faintly, then picked up the knife and fork and began enjoying the huge desolate beast meat.

"En." Qing Ya lightly responded as she drank the drink in small sips, causing Qing Yutong who was watching her to drip saliva.

"Brother-in-law~ I still want~ I still want more~" Qing Yutong shouted out lovably and continuously wriggled her body around, just like a child who was acting coquettishly.

Ye Hua ate a slice of meat unhurriedly. The taste is still the same taste, there is not much change. "This drink can only be drunk once a week."

"What~ Brother-in-law, you are stingy~ Humph~"

"That's right." Qing Ya agreed. It seems like she herself also want to drink it every day.

Is the blood of a huge desolate beast something that you two can drink every day... Aren't you two afraid of exploding?

Looking at the bright red meat on the plate, Qing Yutong steeled her heart! Isn't it just a red color meat? I have even eaten before a steak that was red in color!

Choosing one of the meat from the three chunks of meat, then cutting out a small piece from it, Qing Yutong squinted her eyes and stuffed the small piece of meat into her mouth. 0.1 second later! Qing Yutong once again opened her eyes wide. What kind of meat is this! It actually immediately dissolved when it entered my mouth!

This was the meat of the star clean sparrow, which had the mystical properties of dissolving immediately when entering the mouth and also being able to strengthen the body. Just how many overlords wished that they could have a taste of this meat, but due to the fact that the star clean sparrow's strength was too strong, they were not able to have the chance to be able to have a taste of the meat and could only watch from afar.

Looking at her brother-in-law's calm face, Qing Yutong finally understood why the system wanted to push her onto her brother-in-law. Brother-in-law is the one who is the super hidden big boss!

“Big sister, quickly eat the meat, it’s super delicious.”

Qing Ya seemed to still be worried about the meat.

“Qing Ya, I wouldn’t joke around with the child!” Ye Hua said in a deep voice. This woman actually doesn’t trust me!

Qing Ya heavily let out a breath. It is all because of Ye Hua having done so many unreasonable and childish things that I would feel worried now.

Gracefully cutting out a piece of meat and placing it into her mouth, Qing Ya’s tightly wrinkled brows gradually became relaxed. Although there is no taste of salt on this meat, the meat is still particularly fragrant, sweet and tasty. Furthermore, the meat even carries a particular aroma and does not have the odor that cows and sheep usually carry.

This meat was the meat of the gold delicate crane. It was rumored that this meat had the capabilities of improving one’s appearance, maintaining one’s youthful appearance forever, and was even able to transform any woman into a beauty. The meat of a gold delicate crane was something that many women wished they could have, and there were even quite a few female overlords who were willing to do anything in exchange for getting the meat. Unfortunately, no one was able to do it.

“The meat will taste better if you eat it together with the spicy sticks.” Ye Hua reminded the two of them and was immediately met with the sisters rolling their eyes at him. Can you not ruin the atmosphere when we are enjoying the meat?

Within less than five minutes, the two sisters extinguished their share of meat, and the both of them looked towards Ye Hua at the same time, because Ye Hua still had a piece of meat on his plate.

“Eating too much of it is bad for the body.” Ye Hua straightforwardly ignored his wife’s threatening gaze and his sister-in-law’s pitiful gaze.

The two sisters snorted at the same time. This guy is too stingy already, obviously wanting to eat it himself and yet gives an excuse of saying that eating too much of it would be bad for the body.

Chapter 52.2: Great Desolate Feast 2/2

“It’s so hot.” After a while, Qing Yutong shouted out lovably and picked up her fan and fanned it ferociously onto herself.

“Brother-in-law, did you drug your sister-in-law? You two are so perverted, I want to go home~” Qing Yutong teased. Although I feel hot, but I do not have that kind of feeling at all.

Qing Ya also felt very hot. After picking up her fan and lightly fanning onto herself, she felt much better. However, she looked towards Ye Hua with a questioning expression. Did you drugged the food? It’s fine if you drug me, but to actually drug my sister too, you are practically shameless!

Ye Hua picked up a white cloth and wiped his mouth, “This is dragon meat, after eating it, you will feel a bit hot. It will be fine after a while.”

“Dragon meat huh? Brother-in-law, can you not boast~”

Ye Hua said faintly, "The structure of both of the fan are also made from the bone of a dragon."

"Alright Ye Hua, I know that you want to smoke now, you can quickly go out and have a smoke first."
Qing Ya couldn't stand listening to Ye Hua anymore. This fellow is boasting too much already.

Qing Yutong on the other hand believed a little in what Ye Hua said. I must dig out the evidence that brother-in-law is a demon king, since the system wouldn't tell me anything.

Qing Yutong shouted out lovably, "Brother-in-law, will there still be meat to eat tomorrow?"

"One week one time."

"Brother-in-law! I hate you! You let me experienced just what is joy and yet restrained the amount of time I can experience the joy~"

Qing Ya couldn't stand it, "Qing Yutong, can you speak properly!"

The latter made a face at Qing Ya, then ran upstairs joltingly. I have to prepare for tonight's plan and push over brother-in-law this demon king in one go.

"Don't be angry, Yutong is still a child." Ye Hua said lightly.

Qing Ya stood up and began tidying up the table, "Child? Other people who are at her age, their child already knows how to walk."

Ye Hua was very gratified. The Qing Ya right now knows how to tidy up after eating and doesn't need me to remind her.

"As her big sister, didn't you yourself only just became pregnant a while ago?"

"Ye Hua, just whose side are you standing on!"

Ye Hua laughed lightly and the latter was immediately unsatisfied, "What are you laughing about, you better explain it clearly to me!"

"Boss, lady boss." At this time, Wei Chang suddenly appeared at the door. Behind Wei Chang was Tang Wei.

Qing Ya let out a breath and did not continue on finding trouble with Ye Hua. A smart woman won't act ferociously towards her man in front of others.

Ye Hua nodded his head, then walked upstairs.

"Wei Chang, I want to apply for leave for tonight." Tang Wei said embarrassedly. I almost forgot about the matter of treating Qi Xuewen to a meal.

Wei Chang nodded his head and did not ask about the reason as to why she was applying for leave for tonight.

Tang Wei thought that Wei Chang had gotten angry and explained hurriedly, "Uncle Wei, classmate Qi helped me today, that's why I have to treat him to a meal to repay him. It will only take about 2 hours. After that, I will come back to the bar."

Wei Chang placed the surrounding stools on the floor, "It's okay, have fun with your classmate, thank you for cooking me a meal today."

Tang Wei's heart sunk. What did Uncle Wei mean by that? Everything was obviously going well until just a moment ago, why did Uncle Wei's attitude changed so suddenly? Could it be that it is because that I am going to treat someone to a meal? That must definitely be the reason why.

Tang Wei could be seen using her new phone to send a test message to Qi Xuewen. I will just treat him to a meal during tomorrow afternoon. After finish sending the text, Tang Wei helped Wei Chang to place the surrounding stools on the floor.

"What's the matter?" Wei Chang asked curiously.

"Nothing. I feel that work is more important, and thus changed the date to tomorrow."

Wei Chang pat onto Tang Wei's shoulder, "Xiao Tang, since the other person helped you, and you yourself promised him that you will be treating him to a meal today, you should keep your promise and treat him to a meal today."

"Uncle Wei..."

"Quickly go."

Who would have thought that in the end, it was I myself who looked lightly onto Uncle Wei. Uncle Wei is truly not the same as every other ordinary man.

"Uncle Wei, I will leave first then, I will come back in 2 hours time." Without waiting for Wei Chang's reply, Tang Wei ran out of Leisure Bar.

Wei Chang shook his head helplessly. The thoughts of a human are truly unfathomable, changing from one plan to another plan.

When Qi Xuewen received the first text message, he felt very disappointed, but immediately, when he received the second text message, his heart felt comfortable... Classmate Tang sure is naughty.
