Chapter 68.1: My master is very formidable 1/2

After finish speaking, Ye Hua brought along Qing Ya and left the clubhouse. Soon after, Jiu Ye said his goodbye with a smile and left too. There was nothing to do here anymore.

Everyone in the side room remained silent for quite a while. Nangong Xinyi was starting to somewhat regret having invite Qing Ya to the banquet. If I didn't invite her, she wouldn't have appeared, and this matter wouldn't have happened.

"Qing Family still has to show Xiao Family some face, I would reckon that they wouldn't dare to do anything about it!" Nangong Xinyi said in a deep voice, very evidently having the intention of going back on the bet.

Tang Wushuang laughed, "That's true, Qing Family is indeed insignificant in Zijin City."

Wang Dabao let out a breath, a lost is a lost, "Tsk, tsk, tsk, the winners just left and all of you are already prepared to go back on the bet. What I have is money, I am not going to go back on the bet."

"Young Master Wang is indeed rich and imposing, to be willing to be the fool. If you are willing to be the fool, we won't stop you." Quan Anrong mocked. Whoever pay up would be the fool.

However, this decision that Wang Dabao made could be counted as the most brilliant decision he had made in his entire life. This Wang Dabao's luck was indeed formidable. In a way, he had eliminated a crisis for Wang Family. As for Xiao Family and Tang Family, they didn't approve of paying up.

"Bye-bye, everybody. All of you can be prepared to be met with being chased after to pay up for the money." Wang Dabao waved his hand. As long as I didn't lose to them, it is fine. However, I am confused about this luck of mine, this is the first time that I have met with a situation like this, this is really strange.

If Xiao Yi cheated, he would definitely not have allowed himself to lose. Could that handsome brother be the one that secretly cheated? It shouldn't be the handsome brother though. Then, who could it be?

Death Mage was currently happily looking at the 200 rmb that he had won. This feels so good... I won't bet on soccer anymore in the future, and furthermore, I am never going to bet such a big amount of money ever again. I hate betting money the most.

If they were to know that, the Death Mage caused them to lose billions of dollars because of 200 rmb, they would definitely get so angry to the point that they went into qi deviation.

Sitting in the Audi R8, Qing Ya was currently still feeling very excited. However, carefully thinking about it, although I won, I reckon that they wouldn't pay up too. What to do when I don't have any backing?

"Start the car, let's head back home already, Yutong is still waiting for me to duo-queue with her." Ye Hua urged.

"Humph~ If not for considering the fact that you helped me to win money, I wouldn't allow you to go and play your computer game~" Qing Ya pouted her sexy red lips as she started the car.

“Qing Ya, how about you sell the company and just concentrate on staying at home to bring up the child.” Ye Hua said faintly. Actually, my true motive today was to want to lose the bet. That way, Qing Ya won’t have to think about the company anymore and can just stay at home and concentrate on bringing up the child.

Qing Ya chuckled, “You are going to support me?”

“I can support ten of you.”

“Your ambition is not small, are you thinking of learning from Tang Wushuang and choosing which card to flip at night?”

“This idea is not bad.” Ye Hua said faintly, expressing that he could consider it.

“You dare~”

“Why would I not dare.”

“Do you believe that I will drive the car into the river now?”

“Don’t believe.”

“You!!!”

It was just a daily quarrel only. After a few minutes, they would become reconciled again.

Chapter 68.2: My master is very formidable 2/2

Within the clubhouse, both Xiao Yi and Tang Wushuang lighted a cigarette for themselves. It has been a very long time since I have experienced how it feels like to lose. This is going to take me quite a while to get over it.

“Wushuang, even if we don’t pay up the money, her Qing Family wouldn’t dare to say anything about it too.” Mu Jieya laughed lightly. When discussing strength, Qing Family was very weak.

Tang Wushuang remained silent. Not paying up after losing would seem very faceless.

And the three women all naturally understood that their man wanted face, but at the same time, they weren’t willing to pay up too.

Nangong Xinyi said with a light smile, “Alright, both of you, don’t be so absent-minded already. Leave this matter to me, I guarantee that Qing Family wouldn’t dare to say anything about it. As for Wang Dabao, he has a lot of money and is willing to be the fool.”

Xiao Yi extinguished the cigarette bud and stood up, “Alright, since Wang Dabao came over and gave us a warning today, let’s just set aside the matter regarding the bet first. Wushuang, go and request the people above to exert some pressure, and try their best to rope in all the super-power users, don’t let the southern people hog everything for themselves.”

“No problem. Although there are quite a lot of experts within the south, just a single finger of my master’s would be able to jab them to death.” Tang Wushuang placed his hands on his back and laughed, seemingly not afraid of anyone.

Xiao Yi laughed, “You have been following after your master and cultivating for the past few years right?”

“Of course. If not for my master saving me, I reckon that I would have long been dead.”

It was still the first time that Quan Anrong had heard of her husband speaking of his master. In the past, he had always kept his mouth shut about his master. Thus, she asked curiously, “Wushuang, just how strong is your master?”

Tang Wushuang held onto his wife’s small waist and laughed, “My current level is falling short of my master by an extreme amount. My master could defeat me with just his pinkie alone.”

“Wushuang, it seems like your bragging skills have improved quite a lot.” Nangong Xinyi laughed lightly, evidently didn’t really believe in what Tang Wushuang said.

Xiao Yi himself also didn’t really believe it. I pretty much completely understand just how strong Tang Wushuang’s strength is. But, to want to defeat Tang Wushuang with just my pinkie, it was definitely not possible for me. Seems like I will have to go into closed-door cultivation. My strength has still yet to restore back to my peak. Furthermore, a few accidents happened today, I have to get stronger to prepare for the dangers that are lurking.

“Brother Xiao, I won’t accompany with you anymore, the night is still long~” Tang Wushuang held onto his wives’ waist and revealed out an expression that a man would understand.

Xiao Yi laughed helplessly, “Let’s leave too, we will go back home tomorrow.”

“Didn’t we intended on staying here a few days before returning back home?” Nangong Xinyi finally grabbed onto a chance to be alone with Xiao Yi, and therefore, she couldn’t bear with going back home that quickly.

Xiao Yi said tenderly, “I am going to go into closed-door cultivation when we return back home. This way, then would I be able to protect our entire family.”

“Your strength is already so strong, and you still have to go into closed-door cultivation?” Nangong Xinyi slightly pouted her small mouth.

“Do you think that today’s matters were all an accident! Both the diamond and soccer bet, there was a person who was even stronger than me messing around with me in the dark!” Xiao Yi’s gaze was solemn. This is the first time that I have felt so threatened.

Looking at her husband’s solemn face, Nangong Xinyi wrinkled her willow brows, “Do you need me to do anything?”

“Small fool, all you have to do is just hide behind my back. No matter how big the wind and rain are, I will block it all for you!” Xiao Yi held his wife into his embrace and kissed onto his wife’s forehead.

Nangong Xinyi rubbed her head onto her husband’s chest and said tenderly, “Brother Xiao, I love you.”

"I love you too, Xinyi..."

In the car, Qing Ya was currently humming out the music that she likes, and her face was brimming with a happy smile. It was still the first time that Ye Hua had seen Qing Ya maintained a smile for such a long period of time.

So this woman actually loves money to such a point, she is truly superficial.

"Ye Hua, what do you want, your wife will reward you." Qing Ya said generously.

"Beautiful woman."

"Go and die!"

Returning back to the Leisure Bar, it was already 11 pm night. When Ye Hua and Qing Ya walked into the bar, they saw that there was not a single person in the bar. Of course, not counting the security guards and attendants.

Qing Ya was a bit embarrassed as she lowered her head and said in a low voice, "Erm... Don't play till too late." After she finished speaking, she ran upstairs.

Ye Hua really wanted to smack onto that perky butt. This woman truly gives me a headache.

Sweeping through the bar with his eyes, Ye Hua's brows wrinkled much deeper. Wei Chang and Tang Wei could be seen standing together, and the two of them seemed to be chatting with each other very happily. What is this Wei Chang doing? When did he become interested in women?

Letting out a breath, Ye Hua walked upstairs and straightforwardly opened his sister-in-law's bedroom door.

"Brother-in-law, you have finally returned, I have been dying for an entire night already!"

"You are truly useless." Ye Hua said lightly.

Qing Yutong pouted her mouth, "Aren't you the same too, having died for an entire afternoon."

"....."

I will definitely get back the face that I lost this afternoon!
