

My Woman 69

You Cannot Afford To Offend My Woman

Chapter 69.1: I am the king of hitmen 1/2

“Brother-in-law, where are we landing at?”

“School.” Ye Hua lighted up a stick of cigarette and said faintly.

“What? Let’s not land there, we have never walked out of the school alive before.”

“To want to become strong, being sneaky won’t help! Only through countless confrontations, then would one be able to learn true skills!”

Qing Yutong seemed to have been astonished by her brother-in-law as she said feeble-mindedly, “Brother-in-law, your acting cool after smoking syndrome is acting up again, I have to go out and breathe in a mouth of fresh air.”

“Sit properly, let’s jump off now!”

Qing Yutong pressed onto the F key with a look of having nothing to live for on her face. Don’t need to think much, a few minutes later on, they returned back to the plane, and the cycle continues on endlessly.

Qing Ya returned to her room and nicely washed herself up, then lied down on the bed. She was currently still feeling very excited, and she was excited to the point that she couldn’t fall asleep. Will they acknowledge the bet and pay up? I reckon that they most likely would not, after all, it wasn’t like the bet was just a mere sum of 500 rmb.

However, to speak the truth, Ye Hua’s luck today is indeed very good. And I even thought that I would have to start eating clay after tonight.

Unhurriedly closing her beautiful eyes, the sound of the ticking of the clock transmitted to her ears.

Tick tock... Tick tock... Tick tock...

Qing Ya toss and turned around on the big bed, and no matter how hard she tried, she just couldn’t fall asleep. I am used to hugging onto something when I sleep, and right now, without anything to hug on, it is hard for me to fall asleep. I tried hugging onto the pillow, but the pillow is no good.

Helplessly, with her brows deeply wrinkled, Qing Ya switched on the bed lamp. It is already 12 am and Ye Hua still haven’t come to the bed and sleep!

Wearing onto her hairy slippers, Qing Ya was prepared to go and call over Ye Hua. After opening Qing Yutong’s bedroom door, she immediately heard the voices of the two.

“Brother-in-law, give me a gun, I will rush them!”

“With that marksmanship of yours, you aren’t going to land any bullets on them!”

“Didn’t you say it just now, that I have to get my aura right?”

Ye Hua couldn't help but gave Qing Yutong a knock on her head, "I told you to get your aura right, but I didn't tell you to rush recklessly!"

Qing Yutong pouted her small mouth and pitifully rubbed onto her head.

"Ye Hua! Are you intending on going to sleep or not!" Qing Ya couldn't help but shout out.

While concentrating and playing the game seriously, Ye Hua said unhurriedly, "After I finish this round. You can go and sleep first."

Qing Ya who was wearing a thin natural silk pajamas was particularly alluring. To be able to hug onto a woman like this and sleep, Ye Hua was simply extremely fortunate! Not sure how many men wished that they could do that too, but some men would rather choose to play game over a beautiful woman, take an example, the Ye Hua right now.

"Come back to the room and sleep after you finish with this round then." Qing Ya who couldn't do anything about it reminded.

"En."

However, right after Qing Ya closed the door, both Ye Hua and Qing Yutong was shot to death.

"Brother-in-law~" Qing Yutong pouted her small mouth and looked at Ye Hua with a pitiful look on her face.

"Let's play one last round."

"Alright~"

Chapter 69.2: I am the king of hitmen 2/2

Qing Ya lied down on the bed and continued listening to the ticking sound of the clock. Not sure how long had passed, Qing Ya turned on the bed lamp once again and took a look at the time. It is actually already 1 am!

I cannot endure it anymore!

Angrily rushing into Qing Yutong's bedroom, Qing Ya saw that the two were still currently fervently playing.

"Brother-in-law, we can finally become small overlords of the school."

Ye Hua let out a deep sigh. The feeling of being able to survive and come out of the school feels truly great. However, before he was even able to walk out of the school gate, his screen went black.

However, he wasn't killed by a player, and instead, it was because that Qing Ya pulled out the power cord.

"Ye Hua! Do you want to play the game or do you want your wife! You better make it clear to me today!" Qing Ya placed both her hands onto her waist and pretty much had the feeling of turning into a middle-aged woman.

Upon seeing her big sister flip out, Qing Yutong planned to secretly leave the crime scene to prevent herself from being shot.

“Qing Yutong, stand right there!”

Qing Yutong revealed out a foolish smile, “Big sister, I’m tired already, if you two have anything, you two can go back to your room and settle it.”

“Brother-in-law, if you were to get beaten up to a pulp by big sister later on, remember to call me over to help you up.” After finish speaking, Qing Yutong jumped onto her bed and covered herself up with the quilt, displaying out a look that everything has nothing to do with her.

Ye Hua stood up and said lightly, “Let’s go back and sleep.”

“You still know that you have to sleep?!” Qing Ya said coquettishly, and couldn’t help but pinch onto Ye Hua. However, towards the pinch, just this bit of pain was not able to make Ye Hua feel anything.

“Quickly go and take a shower, your entire body smells of cigarette.”

Ye Hua sniffed onto his shirt, the cigarette smell is indeed very strong. Taking off his clothes, he walked into the bathroom. However, he did not immediately went ahead and shower and instead called out, “Lie Gu, come over for a bit.”

Half a second later, Lie Gu appeared in the bathroom while yawning.

“There is someone outside, go and settle him.” In actuality, very earlier on, Ye Hua had already sensed that there was a person moving around Leisure Bar’s surroundings. If it was just an ordinary person, he wouldn’t mind it, however, the person obviously came with a motive.

“Your Honor~ Your subordinate wants a corporeal body.” Lie Gu crawled on the floor and requested.

Ye Hua asked curiously, “Isn’t being a dog quite good? Why did you suddenly want to have a corporeal body?”

Lie Gu suddenly stood up and stretched both of his paws forward, “Your Honor, look at these paws, I can’t feel anything with these paws.”

Ye Hua, “.....”

I finally know why Lie Gu wants to be a human now. From the looks of it, it is because his women are too beautiful, and yet he couldn’t truly experience the hand feel with those paws of his. This is a kind of realm ascension. At the least, to Lie Gu, it could indeed be counted as his realm raising to a higher level.

“Your Honor, the corporeal body that I want has to be handsome, tall, muscular, and big. In any case, everything has to be big.”

Ye Hua lightly waved his hand and said lightly, “You can casually change between your dog body and human body. Conceal your identity well. If those women of yours were to come to know of your identity, kill them.”

“Your Honor, Lie Gu understands.” Lie Gu happily waited for his body to transform. However, when he saw the junior high student that was reflected in the mirror, he didn’t feel good anymore.

“Your Honor~” Lie Gu pleaded. At least give me a body that is bigger.

“Go and scout out on just how many super-power users there are in Long’an City, and also those whatever cultivators too. With this appearance of yours, others won’t suspect a thing.” Ye Hua said faintly. In the past, it was fine since I have never come into contact with those super-power users and cultivators. But now that I have come into contact with them, I have to at least understand what is going on with them. I can’t be like in the past and not take anything to heart.

“I will solemnly obey master’s order.” Lie Gu said dispiritedly, and once again transformed into a dog, then disappeared from the bathroom, and Ye Hua himself also began to shower.

“Ye Hua, do you have to take up to half an hour just to shower! Could it be that you do not want to sleep with me!”

A few black lines immediately appeared on Ye Hua’s forehead. This woman, have I been treating her too nicely? To actually dare to keep on making a big fuss and shouting at me.

At a roof that was beside Leisure Bar, a man in a black outfit was currently observing the situation in Ye Hua’s bedroom.

Through Kaiser’s several days of investigation, he had discovered that Qing Ya had came to this Leisure Bar a month ago, and during a few days ago, she had straightforwardly moved into the bar. This is very strange. Through my investigation, even if Qing Ya got pregnant, it was unlikely of her to go so far as to living together with an unfamiliar man. Furthermore, this Leisure Bar gives me a weird feeling.

The six sense of a man is currently telling me that the organization’s destruction definitely had something to do with that man. As for how he was able to do it, I really don’t have any proof about it.

Originally, I wanted to wash my hand clean and stop being a hitman. Then return back to my hometown, marry a woman, have a child, and live the rest of my life in peace. But, who would have expected that such a thing like the organization being destroyed would have happened. Seems like this dream of mine is temporarily out of the question.

Placing down the night vision device in his hand, Kaiser looked at the starry sky. In any case, I am after all the king of hitmen, it would truly be too low-profile of me if I don’t at least marry up to 7 or 8 wives. But, before doing that, I have to take revenge for my brothers. After I captured either this man or the woman and questioned them via torture, I would be able to know what happened to the organization. In this world, there is no one that is able to endure the torture of the king of hitmen!
