

Mysterious 641

Chapter 641 Lousy Performance

“What do you mean?”

Seeing Pan Lingling’s nonchalant expression, Bai Meili’s heart skipped a beat. She suddenly had a bad feeling, and her smug expression gradually stiffened.

“Are you deaf?”

At this moment, Lin Feng leaned over and looked at Bai Meili teasingly. “Sister Lingling said that your Brother Limin is someone she doesn’t want. Who would care about something they didn’t want?”

Bai Meili was a little short-sighted. She did not see Lin Feng’s face clearly just now. Now that Lin Feng was up close, she realized that not only was this man tall and handsome, but he also had a pair of mesmerizing eyes. At this moment, he was staring at her with a smile, making her heart beat wildly. Most importantly, the man’s clothes were obviously expensive. The watch on his wrist was a very famous brand. It was said that it cost thousands of yuan.

Immediately, the way Bai Meili looked at Lin Feng changed. In the blink of an eye, she became shy. She even lowered her head slightly, looking like a young girl in love.

Her voice was as gentle as water.

“Hello, my name is Bai Meili, and I’m Lingling’s good friend. I was just joking with Lingling. We used to joke like this. Don’t misunderstand. By the way, can you tell me your name?”

The difference in attitude before and after was simply mind-blowing. Lin Feng was quite impressed by her performance.

He pursed his lips in disgust and said in a disdainful tone, “Alright, stop pretending. It’s too disgusting. I’m going to vomit.”

Bai Meili’s face instantly turned red. When the people around her heard that, they roared with laughter. Bai Meili was so angry that her chest felt like it was on fire. She gritted her teeth and glared at the people around her.

Pan Lingling’s face immediately turned cold. “Bai Meili, we’re working. Please don’t cause trouble and disturb us.”

Lin Feng immediately agreed. “That’s right. Don’t disturb our work. If you have nothing to do, get out. We don’t treat lunatics and narcissists here.”

When Bai Meili realized that the two of them seemed to be very close, she widened her eyes and pointed at the two of them in disbelief.

“You, you two...”

“If you have something to say, say it. I don’t have time to waste with you, right, Sister Lingling?”

Hearing, Bai Meili's heart skipped a beat.

At the end of the day, what was the point of her putting in so much effort to sacrifice herself to snatch Li Limin from Pan Lingling? Was it to create an opportunity for Pan Lingling to be with someone even better?

Chapter 642 It's Not A Brothel

"We what? Bai Meili, are you going out or not? Do you believe that I'll get someone to kick you out?"

Pan Lingling seemed to be afraid that Bai Meili would say something. She interrupted her in a panic and immediately wanted to chase her away.

"Oh, I understand now. Pan Lingling, I didn't expect you to be such a woman."

Bai Meili seemed to understand something. She immediately pointed at Pan Lingling and scolded, "I was really wrong about you. In the past, you pretended to be very loyal to Liming. I didn't expect you to be so shameless. You already have a fiance. Why are you still seducing another man?"

Suddenly, Bai Meili looked at Lin Feng and said with a pitiful expression, "Sir, you might not know this, but Pan Lingling has a fiance. She and her fiance are childhood sweethearts. The two of them have been engaged since they were young. Don't be fooled by her appearance. She..."

Bai Meili pointed at Pan Lingling and said indignantly. However, before she could finish, Lin Feng retorted domineeringly.

"Fiancé? Didn't you sleep with Sister Lingling's fiance? Just now, you were saying that you have gotten together with him. Have you forgotten about it in the blink of an eye?"

Lin Feng's expression suddenly became serious. "Also, please understand that Sister Lingling has already broken off the engagement with that scumbag. Now, Sister Lingling is single, and I'm chasing after her."

Lin Feng spoke very quickly and his voice was loud and clear. The surrounding people all looked over with strange gazes.

Bai Meili looked at Pan Lingling and Lin Feng in disbelief. She suddenly covered her head and pointed at Pan Lingling angrily.

"How is that possible? How can the two of you be together? No, I don't agree. Pan Lingling, don't you love your Brother Limin the most? I'll return him to you now. I'll return everything to you. You..."

Seeing that she seemed to be mentally unstable, Pan Lingling cursed under her breath, "Lunatic!"

"What happened?"

At this moment, Qin Xi walked down the stairs. When she heard the commotion downstairs, she frowned and was a little displeased.

When Hu Jingyun saw Qin Xi coming down, she immediately jogged up to Qin Xi. Her voice was neither loud nor soft, but everyone in the clinic could hear her clearly.

“Lady Boss, Bai Meili is crazy. Just now, she was warning Lingling not to get close to her husband. But in the blink of an eye, she changed her mind. She seems to have taken a fancy to Brother Lin Feng...”

Qin Xi raised her eyebrows and glanced at the embarrassed Lin Feng. She warned coldly, “This is a clinic, not a brothel.”

Everyone laughed, including Pan Lingling.

Qin Xi looked down at Bai Meili, whose face was pale, and said casually, “If you know what’s good for you, please leave as soon as possible.”

Qin Xi’s tone was very calm, but it carried a strong warning, scaring Bai Meili so much that she trembled. The arrogance from before disappeared and was replaced by obedience.

“It’s work time now. If you have something to say, wait until Lingling gets off work. Now, do you want to see a doctor or not? If not, please leave. Otherwise, I’ll kick you out.”

Qin Xi’s merciless ridicule instantly made Bai Meili feel extremely aggrieved. Her eyes were red as she bit her lip with a pitiful expression.

“Young divine doctor, I-I don’t think I’ve ever offended you, right?”

Chapter 643 The Old Bachelor Gets Married

Qin Xi sneered. “No, you’ve never offended me.”

Those who offended her didn’t seem to have a good ending. If Bai Meili really offended her, she probably wouldn’t end up well either.

Seeing that Qin Xi was looking down on her, Bai Meili gritted her teeth, but she did not dare to be too impudent. In the end, she glanced at Pan Lingling and said with hatred in her eyes, “Pan Lingling, I’ll wait for you at the hotel. No matter how long it takes, I’ll wait. If you don’t come, I’ll go to your house to cause trouble.”

With that, she turned to leave.

Hu Jingyun snorted, “If it weren’t for Lingling back then, she wouldn’t be where she is today.”

“Alright, she’s already gone. No more talk about her. It’ll only ruin our mood.” Pan Lingling poked Hu Jingyun’s arm and said with a smile.

Hu Jingyun couldn’t help but complain, “Why are you still smiling? If you weren’t so kind-hearted, she wouldn’t dare to bully you.”

Lin Feng smiled indifferently. “Fortune favors fools. This is all predestined. Fortunately, Sister Lingling is on the right track. If you really get married with that scumbag, it will be even worse. It’s better to cut ties now.”

Hu Jingyun nodded in agreement and said, “Eh, what you said makes sense. In that case, there’s really no need to be angry about this. Instead, we have to celebrate, right?”

Lin Feng’s eyes lit up. He looked at Pan Lingling and asked tentatively, “Why don’t we go out to celebrate after work?”

“No.” Pan Lingling shook her head absent-mindedly.

“Don’t tell me you’re going to see her!” Lin Feng frowned.

Pan Lingling nodded. “Yes, I have to make things clear so that it won’t be troublesome in the future!”

**

Shangwan Village.

At this moment, Shangwan Village was filled with joy. The sound of firecrackers and gongs could be heard everywhere.

Today, the village was holding a wedding banquet. The groom was Feng Laosan, the old bachelor who had once been kicked by Qin Lan and tortured by her.

The bride was Qin Lan’s good friend, Shi Zhen, the one who had once framed Qin Xi and embarrassed herself in front of the entire village.

Ever since that incident with Shi Zhen, her entire life had been ruined.

In order not to let her go out and embarrass herself, Shi Zhen’s mother, Yu Shuping, locked her in the cellar.

The Shi family knew that Shi Zhen was crazy, so they wanted to sell her while she could still get pregnant.

However, Shi Zhen was infamous among the villagers. They could not find a suitable person for two months in a row.

After all, no one wanted to marry a wife who was notorious for her evil doing, let alone let such a woman give birth to their next generation.

Just as Yu Shuping thought that no one wanted Shi Zhen, the old bachelor’s mother came and wanted to buy her for 30 yuan.

Initially, Yu Shuping was not too happy about the price, but seeing she had no choice, she agreed eventually.

Chapter 644 Room 3

Han Shi had been very busy recently and did not pay much attention to what was going on in the village.

When he returned from Breeze Villa, he bumped into a wedding procession.

Although it was called a wedding procession, it was formed by a few donkey carts and a few children who had nothing better to do. The surrounding villagers ran out to watch the show.

Han Shi was puzzled.

During this period of time, he had never heard of anyone who was going to get married. Besides, wasn’t this wedding procession a little too shabby?

With the current level of consumption in Shangwan Village, it shouldn't be so shabby!

Just as he was puzzled, he heard the crowd discussing the bride in low voices.

Han Shi narrowed his eyes and a dangerous glint flashed across them.

Shi Zhen?

Was she the woman who joined forces with Qin Lan to destroy Qin Xi?

Although more than half a year had passed since this incident, Han Shi still couldn't get over it. Qin Lan had already received the punishment she deserved, so there was no way he would let Shi Zhen off.

When he heard that Shi Zhen had married the old bachelor, Han Shi suddenly smiled evilly.

That night, the old bachelor tied his wife to the bed. Just as he was about to have an intimate time with his new wife, he heard the sound of someone knocking on the door.

The old bachelor was put off. He ran out with his pants up and shouted angrily, "Who is it? Don't you know that I'm doing something serious?"

"Uncle Feng, it's me, Wang Qiang. Brother Han asked me to send you something to celebrate your wedding today." Wang Qiang's voice sounded outside the door.

When the old bachelor opened the door, his face was gloomy. He asked angrily, "Qiang, why are you here? Don't you know that I'm very busy today?"

Facing the old bachelor's dark face, Wang Qiang was not scared. He smiled foolishly and handed over the wine bottle in his hand.

"Uncle Feng, Brother Han asked me to send this good wine to you. He said that after drinking this wine, you'll feel full of energy. Brother Han said that you'll definitely like it, so he specially asked me to send it to you."

The old bachelor's eyes immediately lit up. He quickly took it and sniffed it. He immediately opened his mouth in surprise, revealing his big yellow teeth. "Haha, this is good stuff. I'll take it. Go back!"

The old bachelor waved his hand with an impatient expression. Seeing him close the door, Wang Qiang pouted and turned to leave.

As for what happened next, Han Shi was not interested in knowing.

At this moment, he was driving Han Dazhu and Luo Xiujuan. Luo Xiujuan was carrying Tong Tong in her arms, followed by a big truck. In the truck, Wang Zhiqiang, his brothers, and that stupid dog, Blackie, were all heading to Luoping City, Breeze Villa.

**

On the other side, Pan Lingling was about to go to fulfill her promise. Lin Feng was worried and went with her.

They arrived at the hotel that Bai Meili mentioned. It was a very small hotel.

Pan Lingling came to the front desk. An old man was drinking wine and eating peanuts while humming a tune leisurely.

She walked up to the old man and asked, "I'm here to look for someone called Bai Meili. May I know which room she lives in?"

"Oh, it's you!"

The old man sized Pan Lingling up. A trace of pity flashed across his eyes, making Pan Lingling feel uncomfortable.

"Room 3, go in. That person is waiting for you!"

Chapter 645 Don't Be Afraid, I'm Here!

Pan Lingling thought that the old man was referring to Bai Meili, but Lin Feng felt something was wrong. When Pan Lingling was about to enter Room 3, Lin Feng was careful.

He pulled Pan Lingling behind him and made a shushing gesture.

Pan Lingling immediately understood what he wanted to do. Although she felt that it was unnecessary, she did not stop him.

Lin Feng knocked on the door and heard Bai Meili's voice. "Who is it?"

Lin Feng gave Pan Lingling a look. The latter understood and cleared her throat before replying, "Meili, it's me, Pan Lingling."

Ten seconds later, there was no movement in the room at all. Lin Feng frowned. For some reason, he had a bad feeling.

At this moment, the door opened without warning. Lin Feng saw that the person who opened the door was actually a fat man. He reflexively jumped back. Pan Lingling was caught off guard and was forced to take a few steps back with Lin Feng. She almost fell.

Then, an extremely unpleasant smell of medicine assaulted their noses.

Fortunately, Lin Feng reacted quickly and pulled Pan Lingling away from the unknown liquid. At the same time, he covered his mouth and nose. Otherwise, the fat man would have succeeded.

The fat man and Bai Meili probably did not expect Lin Feng to be outside too. Their hearts skipped a beat, but they had no choice but carry out the plan.

The fat man and Bai Meili pounced on Lin Feng and Pan Lingling and sprayed something on them crazily.

Lin Feng and Pan Lingling were both Chinese doctors. They immediately identified the medicine from the smell and their expressions changed drastically.

Pan Lingling did not expect Bai Meili to hate her so much that she would spray her with such a despicable drug. If not for Lin Feng's vigilance, it was difficult to imagine what would have happened to her.

Lin Feng reacted extremely quickly. Seeing that the situation was not good, he quickly pulled Pan Lingling and ran out. As he ran, he did not forget to punch the door of the other rooms.

When the old man at the door heard the crackling sound, his face darkened. Instead of getting up, he shouted, "Take it easy. If you break anything, you'll have to pay."

Before he could finish, he saw the young man and the young girl who had just entered, covering their noses and running out in a sorry state.

Before the old man could figure out what was going on, Bai Meili and the fat man came out right on the heels of that. Bai Meili shouted with a ferocious expression.

"Batu, we can't let them escape. Chase after them..."

The fat man was called Batu. Although he was fat, he was very agile. He immediately chased after Lin Feng and Pan Lingling.

On the other side, Lin Feng and Pan Lingling finally ran out. They immediately got into the trunk of a car.

Her body couldn't help but tremble.

Lin Feng wrapped his arm around her shoulder and hugged her tightly. He lowered his voice and comforted, "Don't be afraid, I'm here!"

She reached out and grabbed Lin Feng's arm. She asked in a trembling voice, "Why does she want to harm me? No matter what, we were good friends in the past. She..."

Pan Lingling was about to say something when Lin Feng suddenly covered her mouth. Pan Lingling widened her eyes in shock. Just as she was about to break free from his grip, she heard Bai Meili's exasperated voice not far away.

Chapter 646 No, No, Absolutely Not!

"Useless. She's gone just like that. What are you gonna do now? Now that she's gone, there is no way I can get her out again."

When her plan fell flat, Bai Meili cursed.

Batu retorted, "How can you blame me for that? If not for that man, I would have succeeded."

"Shut up. How dare you talk back to me? One more word and I'll slap you on the face,." Bai Meili pointed at his head and shouted.

The two of them bickered for a while longer. When they couldn't find Pan Lingling, they left reluctantly.

Pan Lingling's heart skipped a beat when she heard their conversation.

She never thought that Bai Meili would set her up like this and ask someone to ruin her innocence. What grudge did they have that made them go from friends to enemies?

She did not dare to imagine what would've happened if Lin Feng didn't come along today.

The more Pan Lingling thought about it, the more afraid she became and the more she regretted it.

How could she be so stupid? She actually believed Bai Meili and even went to meet her. Lin Feng had clearly said that Bai Meili was not a good person and that Bai Meili inviting her to the hotel was very suspicious, but she fell for it and almost got herself into trouble.

Just as she was letting her imagination run wild, she felt the pressure on her body getting heavier and heavier. She looked up and saw that Lin Feng's face was slightly red, and his breathing was heavy and rapid.

Pan Lingling was frightened. She immediately retreated and said in a panic, "Lin Feng, wake... wake up. I'm Lingling."

"I, I know. Don't worry, I definitely won't do anything to you."

Lin Feng still had a trace of rationality left. He clenched his fists and gritted his teeth to suppress the raging desire in his body. He said with difficulty, "Quick, give me acupuncture...!"

Originally, the amount of drug he inhaled was relatively small, but because they were fleeing, the blood in his body circulated too quickly, stimulating the drug effect. Now, he felt that his entire body was extremely hot.

Pan Lingling hurriedly waved her hand and shook her head. "I, I can't do it. It's too dark now and I don't have an acupuncture bag with me. Why don't we go back to the clinic? Lady Boss has a lot of medicine. I remember her saying that there's an antidote pill that should be able to remove the drug."

"No, I can't hold on any longer. I can't make it back to the clinic. Ling, Lingling, can we..."

Lin Feng held back his urge and said while panting.

"No, no, absolutely not. Brother Lin Feng, I promise you everything except this. Although, although you saved me, I can make it up to you in other ways. I... I..."

Pan Lingling was like a cat with its tail stepped on. She immediately flared up and shook her head desperately, refusing.

"What are you thinking?"

Lin Feng said weakly, "I don't want to do anything to you. You don't have to worry. I only do that kind of thing with the girl I like. I won't be rude to you."

Pan Lingling's face immediately turned red. She did not dare to look at Lin Feng again.

For some reason, when Lin Feng said that he would only do that kind of thing with the girl he liked, her heart seemed to be empty and a little painful.

Chapter 647 A Gentleman

Pan Lingling knew that now was not the time to let her imagination run wild. Feeling Lin Feng's hot skin, she was at a loss.

"What should we do now? Why don't I take you to the hospital?"

However, this place was not as close to the hospital as the clinic. Clearly, Pan Lingling also realized this and said, "It might be too late!"

Lin Feng chuckled. When he spoke, his voice was weak. "Don't worry, I, I'm fine! Can you help me up first? I remember there's a frozen lake over there. I'll be fine after lying on the ice for a while."

Pan Lingling immediately did as she was told, but Lin Feng was simply too heavy. Almost all of his weight was on her thin shoulders. Moreover, she could feel Lin Feng's stiff body trembling slightly. His entire body was as hot as a furnace, and even the air he breathed was hot. He was trying his best to suppress his reaction.

Lin Feng had already reached his limit. Even so, he actually restrained himself and did not touch Pan Lingling at all. He even wanted to avoid physical contact with her.

Pan Lingling couldn't help but purse her lips. A trace of guilt, hesitation, and struggle flashed across her eyes.

The two of them had only walked halfway when Lin Feng lost his strength and fell to the ground. He curled up on the ground like a cooked prawn, moaning in pain.

Pan Lingling was frightened and did not know what to do. She shouted at the passers-by, "Help, can anyone help me?"

At this moment, the wind whistled past, mixed with snow. The surroundings were very grim. There were not many pedestrians coming and going to begin with, and it was late at night, so there were even fewer.

When the passers-by heard the commotion, they looked over, but no one approached. After all, they did not want to get involved in this kind of thing.

Seeing that no one was willing to come and help, Pan Lingling was so anxious that she was about to cry, especially when she saw that Lin Feng was getting paler and paler. His eyes were tightly shut, and his forehead was covered in sweat. He seemed to have fainted.

Pan Lingling was anxious and afraid. If anything happened to Lin Feng, she would probably be tormented by guilt. Just as she was at a loss, a man's voice with a thick accent sounded.

"What's wrong? Why does he look so sick? Don't tell me he's dead?"

Pan Lingling looked over and saw two men walking over with their arms around each other's shoulders. They looked at Lin Feng, who was lying on the ground, curiously.

"Brothers, can you help me carry him to the hotel?"

When Pan Lingling saw someone coming over, she quickly asked for help. Originally, she was pointing at the ice surface that Lin Feng had mentioned previously. However, in this situation, not to mention the lake, even sending him to the hospital was useless.

At the thought of this, Pan Lingling gritted her teeth and quickly changed directions. She said anxiously, "There's a hotel here. Can you help me carry him to the hotel? I can give you money."

She hurriedly took out the money from her pocket, but it was only two yuan. Her face turned red from embarrassment. "I, I only have two yuan left. You..."

One of the men waved his hand. "Forget about the money. It's not a big deal."

Pan Lingling quickly asked them to carry Lin Feng in. As for the money...

She reached into Lin Feng's pocket. There were several hundred yuan bills inside. Not only did she pay for the room, but she also gave the two men 10 yuan.

When everything was over, Pan Lingling looked at Lin Feng on the bed with a blush. "...Lin Feng, I'm sorry!"

Chapter 648 Ruining My Innocence

Pan Lingling borrowed a few sewing needles from the hotel receptionist. Looking at the unconscious Lin Feng, she took a deep breath and took off Lin Feng's clothes with trembling hands.

Not long after, the man's exposed skin and well-defined figure appeared in front of her. Pan Lingling's face was completely red, and her heart was pounding. However, she did not have time to hesitate. If she did not treat him now, something might really happen. She just had to find the acupoints on his body to start acupuncture.

Fortunately, she was already familiar with the Five Elements Acupuncture Technique. Although her movements were a little slow, this acupuncture technique was definitely effective.

Five minutes later, she clearly felt that Lin Feng's condition had improved a lot. This gave her a lot of encouragement.

"Ling... Lingling?"

A weak voice suddenly sounded. Pan Lingling, who was performing acupuncture, felt like she had been caught red-handed doing something bad. Her hand trembled in fear and she inserted a needle in the wrong place. Lin Feng hissed in pain.

"I'm sorry. I-I didn't do it on purpose."

Pan Lingling immediately stood up in a panic. She pulled out the needle and retreated a distance. Her face was as red as a ripe apple, and she did not dare to look at Lin Feng.

Lin Feng said weakly, "Thank you for saving me... I feel much better now."

He indeed felt much better than before. Although the drug effect was strong, Pan Lingling treated it in time and used the Five Elements Acupuncture Technique to force the drug out.

However, he suddenly felt cold. When he looked down, he realized that his clothes were gone, revealing a beautiful and alluring body. There were a few thin needles on his chest. When he looked at Pan Lingling, whose face was red, he immediately understood what was going on.

Lin Feng looked at Pan Lingling teasingly and said, "How is it? Is my figure good? Do you want to touch me again? I can let you touch me for free!"

“Pfft, who wants to touch your body!” Seeing Lin Feng say such impetuous words as soon as he opened his eyes, Pan Lingling immediately retorted and turned around in embarrassment.

However, Lin Feng refused to let go of the opportunity to tease her. He smiled and said pitifully, “By the way, Sister Lingling, I suffered so much for you this time and you even saw me naked. Shouldn’t you express your gratitude?”

Pan Lingling asked subconsciously, “How do you want me to express my gratitude?”

Lin Feng said in all seriousness, “Let me take a look at your body. This way, we’ll be even.”

Pan Lingling was dumbfounded by his shameless words and yelled, her face burning. “Lin Feng, you, you scoundrel!”

“How am I a scoundrel? Girls value their innocence, but can’t boys do the same? Your innocence is important, but isn’t mine important too? Let me tell you, apart from my mother, you’re the first woman who has seen my body. Now that my innocence has been ruined by you, you call me a scoundrel. Pan Lingling, you’re too unreasonable.”

The more Lin Feng spoke, the more aggrieved he looked. He spoke as if Pang Lingling was bullying him. “I...”

Chapter 649 Reason

Pan Lingling felt a headache coming on. In the end, she had no choice but to shout angrily, “Just tell me. What do you want?”

A smug smile appeared on Lin Feng’s face for a moment before disappearing. “I want you to be responsible for me.”

“Impossible, absolutely impossible. I did it to save you...”

When Pan Lingling heard what he wanted, she almost exploded with anger. This bastard was deliberately trying to anger her.

As a doctor, it was normal for her to take off the clothes of a patient to treat the illness. If she had to be responsible every time, how could she continue to be a doctor?

Hearing that she was taking it seriously, Lin Feng was amused and started to fake tears.

“As expected, women are really heartless creatures. When they don’t want men, they will just kick men away, but when they want men, they’re full of sweet-nothing. Sigh, why am I so unlucky to fall in love with such a heartless woman?”

Fall in love?

Pan Lingling widened her eyes and looked at him in disbelief. “What did you say? You, you fell in love with me?”

“What do you think? It’s already so late. Do you think I came out with you to admire the moon?”

Lin Feng said sadly, “Are my feelings not obvious enough? I call you Sister Lingling every day. Don’t tell me you think I only treat you as a sister.”

Pan Lingling said in embarrassment, “You’re glib-tongued. Who knows what’s on that little brain of yours?”

Lin Feng quickly said, “I admit that I’m glib-tongued. As long as you agree to date me, I can change my bad habit and guarantee that I’ll become a good young man! I won’t treat other girls like this.”

Lin Feng raised three fingers and made an oath. “Sister Lingling, I swear here that if I treat you badly in the future, you can hit me, scold me, or give me acupuncture. I won’t resist. What do you think?”

Pan Lingling blushed. This was the first time someone had confessed to her in person. Although she was a little shy, she was looking forward to it.

However, when she thought of how glib-tongued this fellow was usually, she immediately shook her head.

“Forget it. We’re not suitable for each other. Are you feeling better now? I’ll leave first. Stay here for the night,” Pan Lingling said as she prepared to leave.

Seeing that she was about to leave, Lin Feng wanted to sit up anxiously, but he could not muster any strength. He quickly said, “Wait, you haven’t told me why we’re not suitable. Could it be... you’re still thinking about Li Limin?”

“Don’t talk nonsense. He and I are done. We can’t be together anymore.” For some reason, Pan Lingling was afraid that he would misunderstand and quickly explained.

“Since you are not planning to go back together with him, why can’t you accept me? In what way am I worse than him?” Lin Feng was a little indignant.

Lin Feng immediately heaved a sigh of relief. He was really afraid that Pan Lingling would reject him for Li Limin’s sake. Now that he knew that it was not the case, he heaved a sigh of relief.

He asked, “Then why didn’t you agree to date me?”

Pan Lingling was silent for a moment. Just as Lin Feng thought that she would not tell him the reason, she finally spoke.

“I think your identity is not simple. I’m just an ordinary woman. I’m not worthy of a man like you.”

Chapter 650 Shopping

Lin Feng felt that if the two of them were really together, these problems would not be a problem.

In any case, there was still a lot of time for both parties to consider.

A few days later, before the Lunar New Year, Qin Xi gave the staff two days off. She and Han Shi brought Han Dazhu and Luo Xiujuan out to shop.

This was the first time the family of four had come out to shop. The old man and Luo Xiujuan had lived in the countryside for their entire lives and had never seen such a big and luxurious mall.

Qin Xi held Luo Xiujuan's arm affectionately and pulled her to the third floor. "Mom, let's go to the third floor. The third floor is filled with women's clothes. I'll help you choose a few and buy some clothes for you to wear."

"No need, no need. Xi, don't spend so much on me. I usually work at home. It's a waste to wear such good clothes. It's also very cumbersome. Don't spend so much money!" Luo Xiujuan was afraid that Qin Xi would buy too much and quickly refused.

Han Dazhu persuaded, "Take it as Xi is fulfilling her filial piety. They've earned a lot of money in the past six months. If we don't let them buy some gifts for us, they'll definitely feel bad."

Qin Xi immediately added, "That's right. Mom, you look so young now. If you don't dress up, you'll waste such a good appearance."

Ever since Luo Xiujuan used the skincare products Qin Xi gave her, she had been looking glowy in just two months. Because she had been eating vegetables and fruits nourished by the Vitality Pill for a long time, her skin had become healthy and rosy. She was almost 40 years old, but now, she looked like she was only in her late twenties.

Not only that, but Luo Xiujuan's figure had also changed drastically. She looked like a noble lady.

At this moment, Han Shi suddenly said, "Mom, it's indeed time for you to dress up. Find me a father while you're still young. I don't have many requirements. It's fine as long as he has a good character. Of course, the most important thing is that he likes you."

Luo Xiujuan blushed and glared at Han Shi. "You brat, what nonsense are you talking about? I'm already so old, who can I find? I'm living very well now. My family is harmonious and my life is comfortable. I don't need a man at all."

The four of them chatted and laughed as they arrived at the third floor. This floor was filled with women's clothes.

Qin Xi and the others casually entered a shop. As soon as they entered, they were attracted by the light blue long overcoat displayed in the window.

The color of this overcoat was very compatible with Luo Xiujuan's skin color. It was a light blue color and matched with lavender lace. It looked refreshing and elegant. It was very suitable for Luo Xiujuan.

Qin Xi immediately looked at the shop assistant. "Take out this overcoat. We want to try it on."

Luo Xiujuan also saw this overcoat. Although she also felt that the overcoat was beautiful in terms of style, color, and workmanship, this kind of overcoat was flashy and not suitable for wearing in the countryside.

She immediately rejected, "Xi, forget it. It's not convenient to do farm work with this overcoat on."

The shop assistant looked down on Qin Xi and the others. Although Qin Xi and Han Shi were dressed appropriately, it was obvious at a glance that they were ordinary people.

How could such people afford this overcoat? Dream on.
