

## **Mysterious 825**

Chapter 825 Untitled

When he was done, Blood Stealer finally stopped and grinned in the direction of the police officers.

“Everyone, don’t blame me. Not only did this thief hit my brother, but he also sold my boss’s things. I was just angry and beat him up. Now that the beating is over, you can take him away!”

The police officers were speechless. Alright, at least he helped them catch the criminal.

When Brother Xiong saw the police officers, he got up and knelt on the ground, crying, “Officer, take me away quickly. This person is too scary...”

The police officers were stunned. This was the first time they had seen a criminal begging them to take him away!

With a click, Brother Xiong was handcuffed. Only then did the group return. When they arrived at the big truck, they saw Yang Jun standing there, covered in injuries.

Xiao Fang begged and cried. Yang Jun looked at her coldly and did not say a word. Even though his face was bruised, he did not look miserable at all. Instead, he looked stronger.

Seeing that the police officers had returned, Xiao Fang was extremely anxious. She stomped her feet and asked with red eyes, “Yang Jun, are you going to save me or not?”

Yang Jun said in a hoarse voice, “Be a good person after you come out of jail. Don’t lie to people.”

When Xiao Fang heard that, she was so angry that her lungs almost exploded. Her sharp voice pierced the air as she said angrily, “Yang Jun, you coward, you’re not a man. Go to hell!”  
This woman finally stopped pretending!

Blood Stealer walked to his side and patted his shoulder. “Good job, Jun. You’re not bewitched by beauty. You’re a real man!”

Yang Jun was stunned and said in surprise, “Brother Blood Stealer, why are you here? Uh... Does that mean Qin Xi is here too?”

Blood Stealer said, “The lady boss is here. She’s in the resting room! I’ll bring you to see her.”

The police officers were very understanding. Seeing that Yang Jun was seriously injured, they did not take him back to the police station.

When they returned to the resting room, Yang Jun immediately lowered his head and apologized. “Qin Xi, I’m sorry. I’ve embarrassed you and Brother Stone. I almost made a big mistake!”

Seeing that he was covered in injuries, Qin Xi sighed and said, “Lie down and rest well. Don’t think about anything else. I’ll get Blood Stealer to stay here to help you.”

Yang Jun’s heart skipped a beat. He thought that Qin Xi was chasing him away.

If Brother Xiong’s plan really succeeded, Qin Xi would lose at least a hundred thousand yuan. It was not a number he could pay back in his life time.

He forced a smile and apologized sincerely again, "I'm sorry, I, I caused trouble for you. I'll pack up and go back now!"

"Go back?"

Qin Xi raised her eyebrows. "Jun, do you not like this job because it's not profitable? Why are you going back?"

Yang Jun was stunned and asked slowly, "Didn't you ask me to go back...?"

The Blood Stealer laughed out. "What Lady Boss means is that she wants you to rest well. I'm just staying here to help handle the job temporarily. When you recover, you can continue working."

Yang Jun was overjoyed. He looked at Qin Xi with bright eyes. "Is that true?"

Qin Xi smiled faintly. "Of course!"
