

# Mystic Wolf -

## Chapter Four

### Drews' POV

**ZED {{YOU IDIOT!!! HOW COULD YOU REJECT OUR MATE?...SHE WAS BORN TO BE WITH US TO BE APART OF US FOREVER!!! WHAT ARE WE GOING TO DO NOW?!...}}**

((Would you be quiet please Zed you're giving me a migraine!... You heard what Quinn and the others said... She sleeps around a lot especially with the warriors... I don't want someone like that as my mate or Luna...))

**ZED {{ YOU REALLY ARE A FOOL.. HOW DID I END UP WITH YOU AS MY HUMAN?.... YOU JUST RETURNED AFTER BEING AWAY FOR YEARS AND WE DON'T KNOW ANYTHING ABOUT HER OF IF WHAT THAT WHORE SAID IS THE TRUTH ABOUT OUR MATE!! }}**

((Her friends said the same thing Zed, they won't lie...what benefit would that be to them?))

**ZED {{MY MISTAKE...YOU'RE NOT A FOOL... YOU'RE A DAMN FOOL INSTEAD!... WE BOTH KNOW WE SMELLED A LOT OF DIFFERENT WOLVES ON THIS QUINN CHARACTER...WHY DO YOU THINK THAT IS HUMAN? BUT WE ONLY SMELLED OUR MATE NOTHING ELSE!!.... UGHHH...FORGET THIS!!}}**

((Well that is true that I didn't smell any other male wolves on her but it could just be that she hadn't been with anyone for a while.. )) Blocked out by Zed.. wow Zed is really a mature Alpha wolf... She's not my mate anymore so that means I'm free to do who and what I want... too bad if she's in pain... not my problem.

Would be kind of fun to see her wouldn't it?.... hmmm.... I see Quinn after school and take her to the parking lot for a make out session, I didn't know which vehicle was hers or if she even had one so I stayed where I knew she would pass... Quinn is sexy... pretty, fashionable and has a strong character... she could be my Luna..

I see Jewel coming through the doors and pull Quinn into a deep kiss.. I can hear her moan and already smell her arousal... but funny enough... I feel ... nothing and judging by the look on Jewels' face she doesn't feel anything either, what the heck? it's either that or she's good at hiding her pain... she walks right on by until some asshole who clearly wants to die sneaks up on her and lifts her into the air which makes her squeal and giggle...what a beautiful sound... I couldn't help myself but growl at the sight... is he one of her fuck buddies too? Zed doesn't like the thought of it nor the sight of his hands on her...

I watch him sit her on a car and rest his head on her shoulder... She's Mine!! I growl again.. I can't help my possessiveness... my wolf doesn't like it... I can feel Quinn trying to calm me by

rubbing my chest and shoulder but it doesn't work... I see three teens approach her and they all get in while this guy calls shotgun and gets in on the passenger side, the others get in the back and she gets into the drivers seat...so I guess it's her vehicle... again I can't help but growl at the thought of him and her... I move out of Quinns grasp and make my way to her car, however she sped away before I could get there!...

((Damn it! What the hell is wrong with you Zed? You're making me look bad, I already rejected her.. why do you have me growling at people?))"...{ { **I DON'T CARE!!.... SHE'S MINEEEEE!** } } I blocked him out I turn to see Quinn looking intently at me and a little hurt, I put her into my car and head home... Let's see if she really doesn't feel then shall we.

We arrive at the pack house and I head up to the top floor with Quinn... The unwanted thought of her possibly in this same pack house fucking that guy makes my blood boil... I became savage ripping Quinns clothes off her as soon as we step into my room and begin kissing and touching her every where... hearing her moans and feeling her wet gave me pure satisfaction.... I strip myself and position myself on top of her... Just as I'm about to enter her my door gets broken in which puts me into fight mode as she struggles to cover herself.... I'm face to face with a very angry looking Alpha... My father.

#### Alpha Dustins POV

DUSTIN [[Drew!...what the hell are you doing?!... Ms. Styles I suggest you both get dressed and come to my office immediately!]] I turn and storm back to my office.. I can not believe this!! How could he do such a thing!! Go against our sacred ways!!... ((Dustin darling what's the matter?)) I pull my mate into my arms and inhale her scent to calm my wolf down because who knows what I'll do to these pups... [[just stay here with me Kris to keep me calm before I murder our pup!]]... ((Drew?! what did he do?!)) [[you'll soon find out my dear]] \*knock knock knock\*... She makes her way around my desk and sits on the chair arm and wraps her hand around me.

[[Come in Drew and Quinn...both of you have a seat... Drew... could you please tell me the truth... did you really reject your mate Drew Kismet?]] I hear my mate gasp next to me... I see him tense up and look down at his hands without a single word... [[DREW!! Answer your Alpha immediately!]]

DREW { { Yes!... okay... yes Dad I did... but it was for the greater good of the pack.. someone like her could never be a good Luna or mate to me... } } [[Someone like who Drew?... you've been gone from the pack for two years and only got back three days ago... how could you know what this person is like in those three days son to reject her on the spot?]]

{ { Ahem!... well Father.. Quinn and her friends told me all about her and her slutty ways and the kind of up tight and selfish person she is and I don't want that as my mate } }... [[I see... so Ms. Styles filled you in did she...and who may I ask is this slutty she wolf you are speaking of?]] I turn and stare hard at she wolf who I can clearly smell is anything but looking out for my idiot son.

Jewel Stuart....

#### Drews POV

My father froze instantly and my mom covered her mouth with her hands... {{ What's wrong? so even you heard about her ways then... see aren't you relie... }} ... [[SHUT THE HELL UP!!!]] I am stunned to say the least, I have never heard my dad speak to me or anyone for that matter in that way before or appear to be this mad at me ever!... just what is going on?

#### Alpha Dustins POV

DUSTIN - I can't believe my ears he rejected Jew our best warrior... the main reason why our pack is as strong as it is right now!... he was paired with Jewel and rejected her because of some she wolf who probably just wants to be his Luna.. I'm so shocked I can't even speak... I hear him talking and I can't hold back my rage... [[SHUT THE HELL UP!!..]] they both stare at me wide eyed...[[DO YOU REALIZE WHAT YOU'VE DONE DREW?! JEWEL IS OUR BEST WARRIOR!! NOT ONLY THAT, SHE'S STRONG...KIND..HONEST..HARDWORKING AND SHE'S THE MAIN REASON WHY OUR PACK IS SO GODDAMN STRONG!! SHE'S A MYSTIC WOLF!!... HOW COULD YOU JUST LISTEN TO THE WORDS OF THIS BITCH AND REJECT THE BEST THING THAT WOULD EVER HAPPEN TO YOU...TO THIS PACK!! JEWEL AS OUR NEXT LUNA WOULD HAVE GIVEN BIRTH TO A NEW GENERATION OF UNBELIEVABLE POWER AND STRENGTH!!!]].... Oh Moon Goddess I really want to choke these two pups, son or not how could he be so stupid?! by now my fur is sticking out of my flesh because my wolf wants to shift and tear them apart.... I push my chair back and in no time I'm standing in front of them both and I'm sure my eyes are now pitch black, I reach out and grab Quinn by her neck..""honey please don't kill her""... my mate's plea fall unto semi deaf ears at this moment...

[[YOU!! YOU DID THIS JUST TO HAVE THE LUNA POSITION... DIDN'T YOU]] I roared in her face.

[[YOU WHO SLEEP AROUND WITH EVERYONE MATED AND UNMATED...YOU CARE ONLY ABOUT YOURSELF AND YOUR IMAGE!!... YOU BOTH WILL REGRET THIS]]

I drop her and she coughs while holding her throat in fear... My wife calms me down and I sit and stare at the two pups in front of me...

#### Drews POV

{{ **I told you, what a fine fool you turned out to be human** }} Zed cuts his link and disappears into the back of my mind.

What the hell have I done on a whim? I rise from my chair.

((Dad I have to go to her and apologize and tell her that I'm sorry maybe she'd take me back.. I mean we still have time don't we? two full moons haven't passed as yet..))

[[Sit down! You will do no such thing]]... ((But dad))...[[DO NOT INTERRUPT ME!.... Since you trust and believe in Ms. Styles so much... you will take her as your Luna... in two weeks you will do the official ceremony of bonding!... and you Ms. Styles.. since you like to lie and caused all this mess... I order you to reject your mate whenever you meet him... you two are stuck with each other... stuck with your mistakes! now get the hell out of my sight before I really end your lives]]

We both waste no time I making our exit.. I stop a few feet away from his office and stare hard at Quinn... ((How could you do this to me? not out of concern but because you want power?!... congratulations Quinn... you succeeded... I lost the best thing that could have happened to this pack, to me! because of my stupidity in believing you and you've got the position you wanted so badly but know that I have no intention of loving you now or ever!))

She says nothing, just looks down at her manicured fingers and silently cry... I turn and walk away... I need to go for a run to cool my head...

FK! Zed refuses to shift... sigh... I instead head into the gym to blow off some steam, I need to think, hard!
