

N. Machine 181

Chapter: 181

“Shall we make a move then?”

Ko Wanghur flexed his muscles and jumped out. Hu Bong, who had been waiting to get his revenge, also charged angrily.

“It’s my first fight. Heh.”

Chapter: 182

Chun Yeowun sighed.

‘He’s angry but he will not attack someone who is on the ground, asking for mercy... hehehe.’

Yumpa was facing the ground so no one could see his expression, but he was smiling. If Yeowun, the leader, made a decision here, then the fight would be over. Yeowun was also one of the heirs, so Yumpa thought Yeowun would not attack a man who had given up.

Chapter: 183

Yumpa’s plans were going south from the very beginning. It seemed he like he had made Yeowun angrier by saying this.

“Did you think I would get scared if you spoke of Chun Yuchan’s name?”

Suddenly, something popped up in Yumpa’s thoughts.

Chapter: 184

Ha Ilming stared daggers Yeowun even though he was in such pain.

‘How dare he say that when he just broke my fingers?!’

Yeowun did not care about how Ilming was glaring at him and continued.

Chapter: 185

“What do you think? How did the sword formation look from the outside?”

“It’s...”

“Don’t worry. You can tell me the truth.”

Chapter: 186

“If Ha Ilming did not learn the Demon Art of Blood Reversion, we would have lost.”

“What?”

Yuchan was shocked. The Demon Art of Blood Reversion was an internal energy flowing skill that multiplied one’s internal energy by reversing the blood flow. It looked good on paper, but it had a serious adverse effect: using it would destroy the user’s blood points and take away their sanity. It was a forbidden martial art within the Demonic Cult because of its dangerousness.

Chapter: 187

“Well, the plan worked though.”

Chun Yuchan’s members were bewildered to see Yeowun’s members getting up and they became furious.

“Bastards!!!”

Chapter: 188

“Kaaaargh!”

Yeowun then quickly jumped on top of Ha Ilming and pounded his head. He was in too much of a hurry to overpower Ilming that he couldn’t control his power this time. Ha Ilming’s head was pushed down further than when he had pinned Yumpa.

‘Hope he didn’t die.’

Chapter: 189

“I didn’t say I will get them all at once.”

“Then...?”

Yeowun then began explaining his plan. His members had weird expressions on their faces when they heard the plan. Even Ko Wanghur, who was the best tactician in the group, didn't seem to think it was possible.

Chapter: 190

“Argh...”

However, it seemed like he had taken some internal energy damage and coughed up blood. Since he was a master-level warrior, he didn't fall to one punch.

‘He's stronger than Ha Ilming.’
