

## **N. Machine 221**

Chapter: 221

“Fifth formation!”

Mukeum shouted annoyingly. The fifth formation was based off the Fifth Sword of the Seven Demon Sword, which was a defensive formation.

‘So, you aren’t just some ordinary kids then?’

Chapter: 222

Lee Hameng called out a total of six cadets from Mukeum’s group. And the 80th cadet, Jahyun, one of Mukeum’s most loyal servants, failed the test.

“Dammit!”

With the second group completing the test, a glimmer of hope came to the cadets waiting to be tested. It was to have a chance to fight against a member from the Force of Justice. But that was a false hope as not every member from the Force of Justice was weak-minded like the first person.

Chapter: 223

And the cadets watching the test observed the group with anticipation

‘What’s going to happen?’

‘Maybe he’ll finish it like the 1st cadet.’

Chapter: 224

Hu Bong shouted as the man grabbed Machil’s neck and threw it at Hou Jinchang.

“NO!”

Hou Jinchang quickly took his sword back and grabbed Machil.

Chapter: 225

“Oh! Instructor Hou is going...”

“Ah!”

To everyone’s surprise, Hou Jinchang was thrown back while trying to grab Machil. The cadets were shocked by the power that was thrown together with Machil.

Chapter: 226

“!!!”

Yeowun’s eyes grew large. An unexpected figure was standing behind the man shouting in pain. He had rugged clothes and a bottle of liquor with a red nose. It was Right Guardian Submeng.

“Heh, you dare try to touch my apprentice with your dirty hands?”

Chapter: 227

Hameng snapped his fingers and warriors with dark clothes and blue crests popped out from the surroundings.

“Huh?”

“Since when did they get here?”

Chapter: 228

‘I am not sure about the Lord’s intention here.’

Submeng didn’t like the whole idea when he was on his way. He thought the Lord was using Yeowun as bait to put pressure on the six clans, so Submeng was going to intervene as soon as Yeowun was in danger. But when Yeowun used a powerful sword skill, Submeng was shocked.

[Stay quiet about the sword skill. You must not tell anyone.]

Chapter: 229

‘To create such a result by using his own child.’

The Lord seemed to be very cold, even for Lee Hameng who was the most loyal and trusted advisor to the Lord. Whatever the case, three clans had gone down after these incidents. But there was one thing that Hameng was curious about.

'They were caught too easily.'

Chapter: 230

"What!?"

As Hou Sangwha got her weapon back and caressed it like a baby or puppy, all the cadets were shocked. She had a giant axe that was as tall as a grown man, and no ordinary cadet could possibly wield that.

'...Baby?'
