

N. Machine 41

Chapter: 41

The 23rd cadet tried to scream but Chun Yeowun struck him down with his fist, making him pass out again.

“He’s too noisy. I should put have him bite on a rag or something,” Yeowun mumbled. It didn’t take long for the 23rd cadet to be awake again. He tried to yell again this time, but he realized he had a rag in his mouth that stopped him from making sounds.

Yeowun then sat down on the chair next to the bed. The 23rd cadet came back to his senses. He now knew what the situation was like for him.
