

N. Machine 411

Chapter: 411

“W-wait... who is that man?”

She didn't recognize the guard that she brought here. Leaders from both sides frowned. And when everyone was in shock, Yeowun heard someone else's telepathic message.

[We have no choice. We have to move onto the third plan while our master finds the remains of the Sword Demon. I will help you once I rile up the crowd.]

Chapter: 412

“We will follow your order, Crown Prince.”

Sama Yi then spoke as he watched leaders of Yulin clan suspiciously. Yeowun then pointed at the hall where people were fighting and spoke.

“I want elders and guests from Yulin clan to stop those who are not under an illusion to refrain from fighting.”

Chapter: 413

Jegal Sohi was still dizzy from just being awake, so she was watching over at the stage and was astounded. She was also experienced warrior, but she couldn't follow Yeowun's movement with her naked eyes.

‘So, he's the Crown Prince of the Cult...’

Yeowun was taking care of those who were hypnotized by alone. Those who Yeowun placed his hands passed out for slight moment and woke up, dumbfoundedly.

Chapter: 414

Warriors from forces of justice became pale at the cruel sight. They thought such sight was surely fitting the name of Demonic Cult. Yeowun then asked coldly to the hypnotizer who was in pain as he grabbed on the shoulder with his remaining left hand.

“What are you?”

“W...wah.... Yo-you think... you can...”

Chapter: 415

He frowned as he saw piles bodies at the entrance. Dust clouds were being kicked out from within the entrance and Lee Hamenmg saw someone coming out through the dust cloud. It was a middle-aged man with hairs slicked back with snake-like eyes, and a man looking to be in his early thirty.

“Y-you!?”

Lee Hameng became shocked. He realized these two men were guards that stood guard around the golden carriage on today’s parade.

Chapter: 416

“Aaaargh!”

“Nnngh! My ears!”

Instructors pulled up their internal energy to fight back, but this sound even made them dizzy.

Chapter: 417

“Don’t care about that. Show me what you’ve got!”

The man then charged in and used powerful fist skill at Lee Hameng. Lee Hameng then backed away, unleashing defensive sword formation. Red sword created barriers of sword attacks and the man’s fist struck onto it.

“Oh?”

Chapter: 418

Sahin tried to shout in anger, but became shocked as he looked down at the object that he grabbed. It wasn’t a metal ball. It was a head of someone that had just been cut off. The half of the head was crushed by Sahin’s force qi, but he still recognized whose head it was.

“W-what happened?!”

It was the head of a man in his thirtieth that Sahin told him to escape. Sahin then heard another man's voice.

Chapter: 419

Yeowun seemed to have taken damage from Sahin's counter-attack that added his own force on Yeowun's energy. Lee Hameng became grim as he saw Yeowun who seemed to have taken damage while trying to protect him. If he could have healed faster, he would have run away. Lee Hameng got up.

"Hah... hah... Prince, Don't worry about me."

"Are you okay, Left Guardian?"

Chapter: 420

"How are you related to the Blade God?"

Yeowun realized right away that the Fist movement used by Sahin was very close to Blade God's blade skill. Yeowun had not heard anything from Left Guardian, so he didn't know this man was from Blade God Six Martial clan, and thought of Blade God himself instead. Sahin then became surprised.

"Huh? This is not what he said. I thought nobody would recognize..."
