

N. Machine 43

Chapter: 43

“Well, thanks to our group leader, our instructor comes to me every morning to teach me what I’m missing.”

This was what Chun Mukeum had not even thought about. Since the morning session was done in the auditorium, each instructor had nothing to do so Impeng used this opportunity to visit Chun Yeowun to teach him basic martial arts techniques. It was his effort to not allow his group to fail, and Chun Yeowun was able to find out who was in his group and what his group number was.

“Well, I already guessed it, but I just wanted to hear it from your mouth.”
