

## **N. Machine 441**

Chapter: 441

[I-I'm sorry! I couldn't think of any other way.]

Yeowun then looked at Mun Ku. She looked up to Yeowun with teary eyes. She looked like a fawn in fear, shaking, so Yeowun blushed and looked away.

'She did it on purpose.'

Chapter: 442

"Huh?"

But the sword didn't even budge as if it was a thousand-ton boulder.

"W-what are you... AAAARGH! YOU!"

Chapter: 443

'I-is he really going to kill me?!'

It wasn't like when it was from the Demonic Academy.

"I guess you have no respect for my orders."

Chapter: 444

"...No, my prince. Thank you for your... mercy."

Unlike Bu Churyong, Ja Kinkeng just saw his nephew getting his arm cut. But he held back his anger. Of course, if he didn't hold it back, then they had to fight against Chun Yeowun for their lives. The elders weren't fools.

"We have to tend to Prince Chun, so we'll be on our way now."

Chapter: 445

It took them quite a long time to explain that everything was just a façade. Mun Yun seemed disappointed after he found out the truth, but he wasn't too disappointed.

'Looking at the Crown Prince or Ku's reaction, they are interested in each other. Haha.'

His old age proved that he didn't need to rush things. Mun Yun then decided to change the topic and let his servants to have Mun Yu to come over.

Chapter: 446

Mun Yun became confused at the sudden request but nodded. He just figured Yeowun wanted to take a closer look at Mun Yu's state.

"Of course."

"Thank you."

Chapter: 447

"C-Crown Prince! What is the meaning of this!"

Mun Yun quickly got up and shouted. It seemed like his grandson was going die even before meeting the Godly Doctor.

"Gyaaaakaaaa!"

Chapter: 448

Bakgi was so astounded that he even thought maybe Chun Yeowun was a real person who could communicate with god. And the shock and excitement from Yeowun's miracle lasted quite a long time.

It was after two hours when Yeowun and his group left the mansion of the Demon Dragon clan. Their number was four when they went in, but now they were five, with Mun Ku's twin brother Mun Yu added to the group. In Yeowun's hand, he held the orange tag for them to meet the Godly Doctor.

'If you can heal my grandson, then I don't need this tag. You can keep it to yourself and use it for your own benefit.'

Chapter: 449

Yin Moha became curious as Huan Yi called to her. She was also curious about why her copy that should be acting as Yin Moha was at the Ghost Illusion clan's mansion.

"Greetings, Crown Prince and Elder Yin. I am No. 24."

The agent, who named herself as No. 24, bowed. Yeowun nodded and the agent explained why she came here.

Chapter: 450

"Elder Yin."

She then heard a voice. It was the leader of the Sword clan, Kingbonki, with a short beard and aggressive eyes. He was sitting down on a rock, but got up and walked over to Yin Moha.

"I thought three of us would gather again, but there are only two of us now."
