

N. Machine 45

Chapter: 45

And with that, the Nano Machine inside his body quickly began activating his body functions and cycle to absorb the ball.

“Whew.”

Yeowun felt hot energy below his stomach. This was very lucky for Yeowun as Submeng was helping from the outside and the Nano Machine was helping him from the inside. He could probably only absorb maybe 70% of the energy from the ball, but now he was absorbing 100% of it. Yeowun’s body began to sweat.
