

N. Machine 481

Chapter: 481

Jukem frowned as he thought these warriors had come to his aid, as they held flag of the Blade and Lust clan.

And at the same time in the Great Halls, Chun Yujong grimaced as he watched some people with disbelief. He was looking at elders. Bu Churyong, Ja Kinkeng, Hang Soyu, and Mong Oh were attacking the Palace Guards who were trying to attack Chun Yeowun.

“Y-YOU!!”

Chapter: 482

“T-this...!”

And when he saw the shape turning into glowing black sword, Bu Churyong got up from his seat.

[Elder! What is going on in there?!]

Chapter: 483

Chun Yujong became shocked. There was no way that Chun Yujong would not recognize the black sword that he had since the day he became the Lord. He also had the Sky Demon Sword on his waist right now, but that was fake. No former Lords had found the true Demon Sword that Father Chun Ma had left in the past hundreds of years.

‘I can sense ominous demonic energy from the sword.’

It was as real as ever. The Lord became so shocked that he even forgot he was angry.

Chapter: 484

“That really is the Sky Demon Sword!”

Some of the clan leaders shouted in excitement. These were leaders from the oldest clans, who had heard legends about the Sky Demon Sword since they were young. They heard that the Sky Demon Sword, created from the bones and blood of the Black Dragon, was a legendary sword that chose its own master.

“The Sky Demon Sword accepted the Crown Prince as its master!”

Chapter: 485

Yeowun and other Elders were bitter from what they saw. At the back of the pillar where the Lord was glaring at, there was no one.

The Lord was unleashing his anger as if there was someone there behind the pillar. But there was no one there. Every person in the hall became shocked as they couldn't sense or see anyone there.

‘What?’

Chapter: 486

Power King Hang Yen was the strongest warrior who still ruled the forces of Evil even to this day. He had been staying on top of the five warriors of Jianghu for the last 30 years.

‘15 years ago? Was it from the Battle at the Sawin Plains?’

The war 15 years ago was quite famous. Demonic Cult tried to hide it, but when Chun Inji going missing was revealed, the forces of evil took the chance to invade into the Cult's territory. That's when Chun Yujong, who had not shown his power then, became one of the new top five warrior of the Jianghu.

Chapter: 487

“My Lord. There is no one behind that pillar. And Prince Chun Yujing died a long time ago.”

“What?”

Marakim revealed the truth in hopes that the Lord might come back. If the Lord did not accept that he was going mad and accept that he be treated, then the situation was going to get worse.

Chapter: 488

The Lord began to strike down with 100% of his energy and Yeowun began to be pushed back. The difference in power was quite large.

‘It isn't going to be easy.’

'The Lord isn't weak.'

Chapter: 489

If Yeowun was going to use powerful sword formations, then Chun Yujong had to answer by bringing the fight to a higher level. He too had tried very hard to become stronger.

"Give me your sword."

The Lord reached toward the Palace Guards who were watching at distance. With strong energy force, their swords moved by themselves.

Chapter: 490

'H-he's really using it?!'

With the combination of powerful sword and blade formations, the formation countered seven formations coming at him from all sides. All swords shattered through as they struck against legendary weapons that wielded black force qi.

'Ugh...!'
