

N. Machine 641

Chapter: 641

[Mun Ku...]

[But you know what, business is still business.]

[??]

Chapter: 642

“...So, what should I do?”

“Hmph.”

Gam Rosu then glanced around at the question. Wang Jing and members of Yeowun’s forces then walked out of the guesthouse with embarrassment. After all of them left, Gam Rosu explained the procedure that Yeowun had to take. After explaining everything, Gam Rosu reminded Yeowun of the most important thing.

Chapter: 643

Hou Sangwha then slapped Hu Bong on the back of his head. Hu Bong was very loyal, but he sometimes didn’t know when to stop.

“Fool!”

That’s when they all felt the shivering cold energy and turned back toward the guesthouse. After the crushing sound, they now saw the wall of the guesthouse freezing up.

Chapter: 644

That’s when something unexpected happened. With the infinite and natural source of yin qi coming in, another power that resided within Yeowun had woken up.

‘Sky Demon Energy?’

The terrifying energy had woken up from its slumber. The energy began to grow without being controlled by Yeowun now. It began to suck up the yin qi that was surging through Yeowun's body as if it met some kind of prey.

Chapter: 645

"I-I don't know what's going on either! Aaaah!"

She had never learned martial arts, but the ominous energy even made her realize it as it brought fear upon her. It felt like if she was standing in front of some kind of predator. It was then.

The frozen wall of the guesthouse cracked and was soon destroyed. The entire guesthouse exploded and came down in ruins. And through the destroyed building, two figures appeared through the dust cloud.

Chapter: 646

"Please excuse me as this will be rough."

Wang Jing gathered his hand and swung across with a powerful attack toward Yeowun. Powerful energy came upon Yeowun and when Wang Jing raised his hands up, Yeowun's body was thrown up into the air.

'That's amazing!'

Chapter: 647

"W-wait! Mister Wang! What are you trying to..."

Mun Ku became shocked and shouted while Wang Jing grabbed the two greatswords in his hands. Wang Jing shouted, "Miss! If we don't stop Lord Chun now, all of us will be in danger!"

And Wang Jing then charged and tried to cut Yeowun's right arm so he would lose the intention to fight.

Chapter: 648

'If I can't remove either one, then I must make them coexist. If these two energies do not come against each other but exist in harmony...'

After thinking about how to mix these two energies, Yeowun had fallen into trance. And when he came back to his senses...

“Ah!”

Chapter: 649

“Will you go with me down to the medical room?”

“...I have something else to do first. Doctor, please take care of my daughter. Bun, go help her.”

“Yes, Father. How about you?”

Chapter: 650

Yeowun smiled. A mere act of help to heal the woman had brought him an amazing gift. It was surely a fortunate turn of events.

“Lord Chun.”

“Yes, Sir Wang Jing.”
