

N. Machine 651

Chapter: 651

'I can't have him move back. Lord Chun's sword formation is too dangerous.'

Wang Jing had come across the formation of the Sword Force of the Sky Demon for about three times as they started. The bloodstain on his right shoulder was a result of it. He was able to defend against two formations, but the third formation had slightly cut his right shoulder. It was dangerous to collide against Yeowun if Yeowun was using the formation.

'This is getting harder.'

Chapter: 652

"What do you mean?"

"It can be dangerous."

"Haha. Don't worry. I am weaker than you, but I am still one of the top five warriors for a reason."

Chapter: 653

"Ugh!"

Wang Jing became shocked and swung his greatswords. He tried to keep his distance by swinging his greatswords, but all twelve swords divided up and attacked from all angles, as if they were all used by Yeowun himself.

Wang Jing rapidly moved his swords to defend, but it was too much. It was like he was up against twelve powerful warriors at once.

Chapter: 654

The man said 'it' but the one who was reporting understood what it was. It was referring to the treasure that was left by their founder.

"No, sir."

The man answered and the middle-aged man banged on the desk with his fist. The fist wielded powerful energy that shattered the desk immediately. As the middle-aged man showed his discomfort for the first time, the man flinched and became afraid.

Chapter: 655

Yi Wook clenched his fist. He had been hungry for blood to ease his anger anyway.

The northern outpost of the Demonic Cult at the Honam Region. An old woman was wailing and mourning while she hugged a baby tightly. She was the muscular old lady, Godly Doctor Gam Rosu. She had been crying so hard that her face was red and eyes were swollen. The baby in her arms was also crying heavily that the 2nd guesthouse was filled with noise.

In front of them, a man with an eyepatch stood. It was Fourth Elder Yang Danwa. Gam Rosu had been crying for over 20 minutes, with the baby crying and sometimes stopping before starting to cry again.

Chapter: 656

“Huh?”

It seemed Yogun had something to say too. That was why she had been looking down, not meeting her father’s eyes until now. After a bit of hesitation, she spoke.

“I-I heard you lost to Lord Chun. Is that true?”

Chapter: 657

“You are a man too.”

“I’m not like any other man.”

Yogun smiled at her father’s concerning words.

Chapter: 658

Yogun was screaming, as if she was fighting her father, but her eyes showed that she had hopes and concerns. Wang Jing finally realized what her goal was from the beginning.

‘You always have to look out for us while we hide from Forces of Evil and Justice. It should be safer if we go to the Demonic Cult.’

Wang Jing went into hiding only because he wanted to protect his children. He had to reveal himself because he thought his daughter was kidnapped, but he had never revealed his identity to others until now, even when he was one of the most famous martial artists. That made Yogun sad. Her father had the power and fame to live a life fitting for his position, but he sacrificed everything for his children.

Chapter: 659

The information was about unexpected guests heading toward the Mountain of Ten Thousand.

That afternoon, Yeowun ordered to prepare for an immediate return to the Demonic Cult. He went north on horseback, but this time he prepared a horse-led carriage. Originally, they planned to have a funeral for Gam Rosu's granddaughter Gam Miyan before they left, but they had to hurry so Yeowun promised a grand funeral ceremony in the cult and persuaded Gam Rosu to leave now. That required a carriage to carry the coffin that contained Gam Miyan's body.

The coffin was loaded on the carriage with Gam Rosu staying closely by it with the baby in her hands. With all preparations done, it was now time to leave. Yeowun then headed to the medical room along with two elders Yin Moha and Yang Danwa to ask the Wang family on what to do.

Chapter: 660

'I have to hurry.'

Yeowun was concerned that he might not make it in time. According to the urgent message sent to him two days ago, the unexpected guest was expected to arrive at the Demonic Cult's castle within two days. Yeowun was at a location that would take at least 3 days due to the carriage, so Yeowun had to travel alone.

'My Lord. We'll follow along.'
