

N. Machine 671

Chapter: 671

“Do you know why the nonaggression pact was made?”

“W-what do you mean?”

“Do you think the pact was made because the Demonic Cult was afraid of the Imperial Palace’s army of a million?”

Chapter: 672

Yeowun grabbed the scroll and ran toward Yuki.

The chubby man became painful as he glanced around at warriors of the Demonic Cult with a fearful look.

“Aaargh!”

Chapter: 673

Yuki vomited a large amount of blood and began to flinch. Now, the poison was coming all over his body. That’s when Yeowun quickly got up to him.

“M-my Lord! It’s dangerous!!”

“Poison is coming out of his body!”

Chapter: 674

‘It’s the centipede. I’m sure of it.’

This was similar to the centipede that Yeowun pulled out from Yi Baek, Master of the Blade Sword of the Blade God Six Martial Clan. The only difference was that the centipede was dying.

That’s when Yuki’s head fell. He finally had died. As soon as he died, the white thing in the image assumed to be the centipede exploded and turned into liquid.

Chapter: 675

Zhu Taikhan hesitated for a second and responded, since Yeowun would know soon anyway.

“It was sent to all the leaders of each faction.”

“The three factions?”

Chapter: 676

“Do you remember the Crown Prince... I mean, the new Lord of the cult?”

“Ah, yes of course. He was quite a man.”

Poong Chungwun originally thought Yeowun was just an ordinary Crown Prince, but he wasn't. The first one to detect the trap and take care of when they were at the cult was Chun Yeowun. And they heard that Yeowun ascended to the throne not too long after.

Chapter: 677

‘His majesty said negotiations are powerful tools.’

Perhaps this might even give Zhu Taikhan the chance to be recognized for his skill and become the Crown Prince. It was said that the Crown Prince would be chosen for this event, so Zhu Taikhan had to do whatever he could. That's when someone knocked on the door.

“Your highness. It's me, Yon Namgun.”

Chapter: 678

“Thank you, Doctor.”

“It's nothing. I just did what I had to do.”

Gam Rosu seemed very exhausted, so Yeowun offered her to take a rest. When she returned, someone frantically came over to him. It was Huan Yi.

Chapter: 679

'Since when did he enter the carriage?'

It was unbelievable. And Zhu Taikhan was actually talking ill about him.

Yeowun smiled coldly and sent a telepathic message to Zhu Taikhan.

Chapter: 680

'Ugh!'

Those were just simple words but it was enough to make Taikhan afraid. The words seemed to threaten that Yeowun might have done something if he felt hostility. Zhu Taikhan became lost for words.

[I'm sorry for spooking you by getting in the carriage, but I will consider it excused.]
