

N. Machine 711

Chapter: 711

Someone came over and stood next to Chun Yeowun. This person wore a strange mask on his face.

“Marakim has come as called for.”

This person seemed to be waiting for Chun Yeowun’s order.

Chapter: 712

“Red flame?”

“My skills and yours, are like heaven and earth.”

Hweeing! Woong!

Chapter: 713

Yeonwol couldn’t hide her trembling voice when she asked Chun Yeowun.

Chun Yeowun didn’t bother giving her a genuine answer. Rather, he spoke words that made Yeongwol doubt her ears.

“...I can’t waste time here.”

Chapter: 714

She tried her finest to act politely. However, she put it as if Chun Yeowun was the one at fault. And her words continued.

“Well, how could we mistreat the noble as such? We can continue with talking in the Guardian Palace along with the others so that this matter can be handled as smoothly as possible. I know that you may feel wary of us, but I will earnestly serve you.”

Bringing her hands together, she once again bowed. The woman was clever. In doing so, she was hoping for a negotiation without coming off as rude. Chun Yeowun wasn’t an opponent she wanted to fight anymore.

Chapter: 715

Honestly, this situation held no benefits to the Demonic Cult. They hid in the Imperial Palace to get rid of all the spies. If only the Guardians had handed over one spy (Elder Khum) as Chun Yeowun asked, he would've let the Guardians take credit, while he gets the information.

Apparently, she was not satisfied with that, Yeongwol used tricks that were obvious to everyone's eyes.

"Ar-aren't you scared of the aftereffects of such behaviour? If His Highness is told of such unruliness, the non-aggression treaty will be broken."

Chapter: 716

The faces of the remaining people in the courtyard turned pale. Nearly half of the court ladies died. Even the two court ladies who were skilled enough to deal with the four Blade God Six Martial Clan's spies seemed like nothing but children.

"Get yourself in the game!"

Yeongwol couldn't help but fall into confusion as the tables got turned. Biting down on her lips, her eyes wandered.

Chapter: 717

Crash!

"Kuakkk!"

"Puhk! Bang!"

Chapter: 718

"UGHHHH!"

'Even the scales on my hand weren't able to withstand the power.'

Yeongwol's energy was incomparable to the other court ladies, but even that wasn't enough to withstand the sword of Chun Yeowun.

Chapter: 719

“Wh-What?!”

Yeongwol felt a chill run down her spine at his words. The moment the sword was pushed into her mouth, she made sure to save her tongue by shoving it down, otherwise it would’ve been cut off.

Shhhhhkkkkk!

Chapter: 720

‘Did they get caught?’

They settled to meet with Zhu Taikhan at his residence tonight. Chun Yeowun didn’t know that they got caught. Seeing Chun Yeowun stop, hope blossomed in Yeongwol’s eyes.

‘It worked. So, they’re this man’s subordinates!’
