

N. Machine 721

Chapter: 721

“I would like to do that, but the others have been captured.”

“Are you talking about them?”

At the unexpected turn of events, the two Guardians were shocked. It was shocking that the trained people spying and assassination got caught. Great Guardian Marakim, asked carefully.

Chapter: 722

“Ah?”

Was this the drawback of her inability to feel pain? She was completely unaware of her condition until she tried to get up. Unfortunately, it took time for her to realize that her ankle got severed.

“My... feet...”

Chapter: 723

“Treating you is important. Why guide us somewhere?”

“Please! Please just trust me! We are running out of time! Please!”

“Uh... ah, fine.”

Chapter: 724

After listening to the answer of the Guard behind them, the maid pointed to the shrine.

“Please head inside”

“Yo-you mean the shrine?”

Chapter: 725

“This is no time to be in shock, please go closer to the wall where the picture is drawn”

The guard went closer to the painting and asked, "Like this?"

As the guard stopped, the maid reached out to the painting and pressed both eyes of the Qilin at the same time. The eyes that were drawn on the wall, went inside.

Chapter: 726

As she heard the voice again, she felt convinced.

"Nothing can be done. Where is the Guardian's prison cell?"

"I... I was deceived!"
