

Her Bossy Yet Naive CEO Chapter 141 – 149

Chapter 141

“And don’t you dare forget about me again, eh.”

Jasmine Tong shook her head, “I’ll be sending you tweets and calling you every day, thinking about you all the time, alright”

Only then did Albert Ou smiled in satisfaction.

He squeezed Jasmine Tong’s cheek.

“From now on, only eat late night snacks, play games, and watch the sights with me alone, or it’s betrayal, understood.”

Jasmine Tong didn’t think much of it, thinking he was talking about Mo Yiang.

She nodded her head.

That’s how Albert Ou let her go.

Lying on the bed, Jasmine Tong was so tired that she didn’t even want to blink her eyes.

Albert Ou, though, seems to be fine.

It’s obvious he’s the one working hard, so why is she so tired?

It’s not fair.

Albert Ou took advantage of Jasmine Tong’s break to pick up Tong’s phone, install a chip on it, and launch the program.

It’s a tracking system.

After all that, he put Jasmine Tong’s phone back where it belonged.

Suddenly, Albert Ou’s phone rang.

His phone was on the bedside table, and it rang, startling Jasmine Tong.

Jasmine Tong opened her eyes to look at Albert Ou's phone.

Caller ID: Qin Yuanran

Her heart felt as if something had hit her, yes, Qin Yanyan was also in S City, so it wasn't for herself at all that Albert Ou came over, but for Qin Yanyan!

Is that so?

Albert Ou heard his phone ring and came over, picked it up, saw the name displayed on the screen, and immediately hung up.

"Eat from the pot and occupy the bowl." Jasmine Tong muttered.

"What did you say" Albert Ou didn't hear Jasmine Tong clearly.

"Didn't say anything" Jasmine Tong rolled over and turned to the other side, her heart sore.

She thought she wouldn't care, but it turned out she was uncomfortable, and she did.

Come to think of it, how could there be only one woman by Albert Ou's side for such a high status and she, the real wife, hadn't even entered the real house in the end.

Albert Ou didn't say anything and just got up and started dressing.

Jasmine Tong immediately sat up when she found Albert Ou dressing.

"You're leaving,"

Albert Ou hooked his lips towards Jasmine Tong and smiled.

"What? You can't leave me."

"Who can't bear to see you go? I can't wait for you to get out of here."

Albert Ou dressed and sat on the bed, lifting Jasmine Tong's chin, his blue eyes staring intently at Jasmine Tong.

“Admit it, and I won’t leave.”

“Go go go go, hurry up” Jasmine Tong opened Albert Ou’s hand.

Albert Ou laughed softly.

“Then I’m leaving.”

He stood up, leaned down again, lifted Tong’s chin, kissed it deeply, and then left.

Jasmine Tong’s heart, however, was bleak.

Who is she?

This man must have seen the phone call from Qin Yanran, so he went to look for Qin Yanran.

I don’t think he has any feelings for her except to sleep with her.

Jasmine Tong hugged her knees for a long time, unwilling to sleep.

Albert Ou headed straight to the airport as soon as he left the house.

In fact, he was very busy these days, and Russel Cheng didn’t intend to let him come over in the first place, also considering that there were actually a lot of things to deal with these days.

But he wanted Jasmine Tong so badly that he couldn’t do anything, and this trip had to come.

Just as he stepped off the plane, Russel Cheng’s call came once again.

A glitch in the company’s newly launched game requires him to go back and deal with it urgently.

The damage will be devastating if this vulnerability thing is not fixed in time.

But he still rushed to meet Jasmine Tong, who he hadn’t planned to have sex with, he just wanted to see her.

But, when I saw her, I couldn’t stop, couldn’t control myself.

After an hour-long flight back to Slivestopol, Albert Ou rushed nonstop to the office to deal with the loophole.

The next day, Jasmine Tong was still shooting as usual, pretending that some a\$\$hole hadn't even come last night.

Two more days of filming.

The sound of flowers blooming is all over.

We had a killing feast together.

Because Mo Yiang had other work, Feng Qian came to pick him up and rushed directly to his next workplace.

Jasmine Tong took a plane back to Slivestopol alone.

No one knew about her trip, so naturally no one would pick her up.

However, Xu Xingru had pre-arranged for a car to be outside the airport.

Jasmine Tong is a bit of a roadkill as soon as she gets off the plane, even though this airport has been here several times.

Suddenly I felt someone pull on her arm.

Jasmine Tong dropped her head to see a boy in his late teens holding a bouquet of dainty green roses.

"Big sister, this is for you." The boy handed the flowers to Jasmine Tong.

"For me."

Jasmine Tong was very surprised.

The boy nodded and held out his hand.

"That big brother over there asked me to give it to you."

Looking over at the boy's hand, Jasmine Tong saw the familiar gray trench coat.

He just stood at a distance, smiled evilly at her, and raised his hand in greeting.

In the blink of an eye, he disappeared into the crowd.

“Big sister, and this” the boy called out to Jasmine Tong, who only then came back to her senses.

The boy also had a silver cup in his hand.

She picked it up immediately.

It’s her silver cup.

That day after sending a WeChat with Ellen Ron, she put the matter on hold, she had planned to contact Ellen Ron after the film was finished, but she didn’t expect that the cup would return without waiting for her to contact him.

However, how did the Leng Lords get the cups back from Ellen Ron’s hands?

And how did he know that his cup had been taken by Ellen Ron?

A series of question marks exploded in Jasmine Tong’s mind.

Jasmine Tong’s phone rang.

She took it out immediately.

“Honey, congratulations on killing it, go home and get some rest, here’s to a big box office hit, I got your cup back for you, don’t lose it next time.”

From the Cold Lords.

And what a man who came and went without a trace.

“Thank you, little friend.”

“You’re welcome.” After going about his business, the boy left.

Jasmine Tong looked at the roses in her arms, green roses were really the first time she had ever seen them.

But she was not at all pleased.

The cold owl is always so mysterious, it's possible that the next time he appears in the place is his own house, and Albert Ou's character and headaches

Jasmine Tong sighed and hugged Rose in the car that picked her up and went home.

Albert Ou wasn't home.

The Dark Empire hadn't finished its business and he hadn't been back for a few days.

Once back in Slivestopol, Jasmine Tong went to the Academy of Fine Arts first and looked at Yarwen Tong and was relieved to know that everything was fine with him lately.

dark empire (i.e. empire of darkness)

A week after Jasmine Tong's return, Albert Ou finally got the company's affairs in order.

Just as he was about to go home, Russel Cheng walked in.

Chapter 142

"Say what you have to say, I want to go home now."

Albert Ou looked impatient, and he was exhausted from dealing with business at the office during the week.

"Er is about the wife."

"Say" Albert Ou frowned.

"The man I sent out said that the day the wife returned, right off the plane, she received flowers from a man with green roses and a silver cup."

"What,"

Russel Cheng took a deep breath.

"Who is it?"

“The person who sent the flowers didn’t show up, but had a small child send them there, and the person who sent them was far away, and I don’t know what the small child said to his wife.”

“She came back a week ago, so why are you telling me now?”

Albert Ou only felt a surge of anger in his chest.

“Because Mr. Ou has been busy with the company, so he hasn’t said anything.”

Albert Ou didn’t say anything and just left.

This man is too mysterious.

He was so angry because he had asked Russel Cheng to look up information about this person based on their face and came up with nothing!

There’s still a man in this world that Albert Ou can’t find out about.

If he doesn’t find this man, he won’t be able to get out of this mess.

It was late at night back home, and Jasmine Tong had already gone to bed.

As he entered, his sensitive sense of smell caught the scent of roses.

There was a clear glass jar with a bunch of green roses on the dresser in the bedroom.

Green roses.

Albert Ou’s anger was even more unbearable, he went directly to the bed, lifted Jasmine Tong’s blanket and bullied his way up.

Jasmine Tong was awakened in her sleep.

“What are you doing?”

“What do you think,” Albert Ou’s tone was so harsh he almost yelled.

Next, very roughly tore Jasmine Tong’s pajamas, and even sucked her lips in a good and gentle manner, even bit her ear with a punitive touch.

Jasmine Tong was tortured to death.

She remembered that when she first started making out with Albert Ou, he hadn't been this brutal, and wondered what was wrong with him.

Is it because she promised him she'd make out with him when she got home?

Jasmine Tong only felt the pain in her body and begged for mercy.

But where Albert Ou was willing to let her go, the thought of a mysterious man like that existing beside her, and yet she never mentioned a single word to him, was like a flame in his chest.

The lovemaking lasted until just before dawn.

Jasmine Tong had already passed out from exhaustion.

That's when Albert Ou stopped.

The anger in his chest finally subsided a bit as all the desire in his body was released.

Albert Ou didn't stop here to change his clothes, and he left.

And took the roses from the table with him when he left.

Whenever Albert Ou came over, Lin Lan Lan was always on guard, she was asleep in the living room and didn't see Albert Ou come out.

Albert Ou coughed, and Rinlan woke up with a start, wiping drool from the corner of his mouth.

"Sir,"

"Remember to give her the tonic today."

"Yes, sir."

Albert Ou left straight away with an icy face.

Lin Lan Lan left her mouth.

"And what a fox tossed the whole night."

Jasmine Tong slept this sleep until 1:00 pm, and the first thing she felt when she woke up was pain.

There was still a little shudder between his legs.

I thought you said it only hurts the first time.

Why does it still hurt even after so many times?

That man last night was a real piece of work.

Jasmine Tong braced herself to get out of bed, her legs still shaking a bit, and it took a while for them to slow down a bit.

After washing up and sitting at my dresser, I realized my rose was missing.

She didn't think much of it and changed her clothes and went downstairs.

Aunt Fanny, Pearly and Lin Lan Lan have all been eating lunch for a good half day now.

"Ma'am, you've woken up quickly eat something." Aunt Fang hurriedly came forward.

Jasmine Tong nodded.

When Aunt Fanny prepared her lunch, Lin Lan Lan still put the bowl of soup on the table.

Jasmine Tong is fond of soup, but Auntie Fang can't do anything about it as she watches her forcefully drink that soup, after all, Lin Lan Lan is staring at her

She could only sigh quietly.

"By the way, Aunt Fanny, have you seen my roses?"

Aunt Fang shook her head, "No, ma'am, didn't you put it on the dressing table."

"No more."

"Thrown by Mr." Lin Lan Lan scowled at Jasmine Tong at the side.

“Why would he throw my stuff?”

“Why do you say that? He’s the owner of the place, so naturally he has to throw things he doesn’t like.” Lin Lan Lan said and left the restaurant.

Jasmine Tong bit her teeth and couldn’t eat her food

This violent, domineering man.

This is too much.

She couldn’t swallow that, so after she ate, she got in her car and went to the Dark Empire.

Old Chen had just parked the car, Jasmine Tong was still preparing to enter from the back like last time, she had just pushed open the door to get out when she suddenly saw a familiar figure.

Chin turned suddenly.

Even though Qin turned out to be wearing sunglasses and a very low-key dress, Jasmine Tong recognized him immediately.

After all, next to her stood the silky, unconcealed Charlene.

Two men walked away from this car.

“Charlene, you’ll meet me at the door later, don’t worry, I won’t be long.”

“Oh my, suddenly sister, you and Ou haven’t seen each other for a long time, it’s okay to be a little longer, I’m not in a hurry.”

Listening to the two men’s conversation, Jasmine Tong was full of thoughts.

It was obvious that Qin turned out to be looking for Albert Ou.

What else is she doing?

When she saw Qin turning around and entering through the back door, Jasmine Tong felt panic in her heart.

She, the real wife, but went over just once, people, as familiar as going to her own home.

“Ma’am, why don’t you get out of the car, did you forget something?” asked Old Chen.

“Old Chen, go back.”

“Ah we’re all here, you’re not going to see Ou.”

“I suddenly remembered that I have work to do at home, so I’m not going back.”

“All right then.” Old Chen had no choice but to follow orders.

On the way back, Jasmine Tong was full of thoughts.

She felt awful about herself.

She only wants a child, right? If Albert Ou gives it to her, she’ll be fine. What else is she hoping for?

But she was just uncomfortable, especially uncomfortable.

Back home, Jasmine Tong also kept herself locked in her bedroom and didn’t eat dinner.

Albert Ou was returning from dinner, he had a busy week before and there wasn’t that much work to keep him in the office.

Aunt Fang, who had been there, seemed to see that the two couples were fighting.

As soon as Albert Ou entered, she greeted him.

“Sir, you’re back.”

“Well.” Albert Ou didn’t want to pay attention to the maids.

“Mrs. seems to be in a bad mood, you go up and talk to her, she hasn’t eaten anything for dinner.”

Chapter 143

Hearing Auntie Fang say that, Albert Ou finally stopped walking.

“Why is she in a bad mood?”

“I’m not sure about that, but it seems like the wife is a little upset when she comes back from Mr. Company.”

“She’s at my office.”

“Yes, don’t you know sir, Mrs. slept until one o’clock, and after lunch said she was going to sir’s company.”

Albert Ou didn’t say another word and took his long legs straight up the stairs.

She went to her own company.

But why didn’t he know, was he stopped or something?

Albert Ou didn’t think twice about it, but went straight into the bedroom.

In the bedroom, Jasmine Tong was lying on her side on the bed, she was not sleeping, her eyes were open, but her eyes were devoid of any spirit.

“You visited me at work today.”

Jasmine Tong ignored him and remained in the same position as before.

Albert Ou walked over to the bed and sat down.

“I heard you were in a bad mood and didn’t eat.”

Obviously he was the one in a bad mood, but he still came to comfort her, and naturally his tone was no better.

Jasmine Tong remained silent.

Albert Ou didn’t have that much patience, he pulled Jasmine Tong’s wrist and leaned over.

“Are you looking for the office?”

Jasmine Tong stared at him fiercely, that look distinctly had an inexplicable power that gave Albert Ou a shock.

This woman is clearly angry, and the subject of that anger is clearly him.

“Albert Ou you try to move me again” Jasmine Tong bit her teeth.

Why do you always do this to her?

Who the hell is she when she sleeps roughly with him?

This rude behavior of Albert Ou directly ignited the anger in Jasmine Tong’s chest.

However, Albert Ou then laughed, why is this girl’s angry face all so appealing?

Albert Ou released Jasmine Tong and moved a chair to sit down, also raising his legs.

“Just say what you have to say.”

He’d like to see what the girl was angry about.

Jasmine Tong sat up on the bed and stared at Albert Ou with her clear, clear eyes.

“Albert Ou, don’t go too far by virtue of why you want to sleep with me.”

Jasmine Tong used to be really scared of him, but now...

Through the anger, though, she was able to strengthen her courage.

“With me being your husband, of course I can sleep with you if I want to.” Albert Ou snickered.

Thought the question was ridiculous.

“Then what do you take me for?”

“Crap, you’re my legal wife, what do you think I take you for”

“You,”

A legal wife, yeah, he also said a legal wife, which means a wife who is legally allowed to sleep if she wants to.

Jasmine Tong was even more unhappy.

“I’m telling you, Albert Ou I don’t care what the law is or isn’t, the next time you want sex without my consent, I’ll”

Jasmine Tong is extremely sad and angry, but she can’t think of anything to threaten Albert Ou with.

“You just what” Albert Ou was interested though.

“I’ll just I’ll just I’ll die for you.”

Albert Ou smiled, showing two rows of white teeth.

“Oh yeah? What about Little Lei, eh?”

Yes, if she dies, what about Yarwen Tong?

So, she was now eaten to death by this man.

She can’t divorce, she can’t even beg for death, she needs to take care of Yarwen Tong.

Jasmine Tong was simply going to be angry with Albert Ou, she would rather he had a big fight with her, but she was already so angry, but this man was laughing in the clouds, every word was going to make her angry with her internal injuries.

Jasmine Tong thought of this and cried out with a “wow”.

For so many years, she has survived the anger of so many people, but in the face of this man, she just couldn’t be angry and couldn’t bear it.

“Albert Ou, you bastard I tell you, I’ve had enough of you you violent, stinking hooligan.”

Jasmine Tong’s cry really disrupted Albert Ou’s rhythm, and he couldn’t laugh anymore.

Albert Ou immediately got up and went to the bed.

“Why are you crying in a good way?”

“You go away” Jasmine Tong simply cried even harder.

“I didn’t see you cry when you were almost taken by the wolf, but I said a couple of words and cried when I was that strong.”

Jasmine Tong cried as she looked at Albert Ou.

“You were the one who said I didn’t need to be strong before you.”

Albert Ou was startled, yes, he did say that.

“All right, all right, don’t cry.”It was weird to feel bad about him crying.

“You go away” Jasmine Tong pushed hard, the unprepared Albert Ou would naturally be pushed away.

“What would you do besides bully me, I’m your legal wife but don’t you know the law says it’s monogamy? You’re out there hooking up with her, why don’t you go sleep with her, why don’t you rough her up, why don’t you yell at her, why don’t you bully her.”

Why should she, the rightful wife, be the one to be humiliated?

Jasmine Tong said “she” several times in a row.

Albert Ou listened but was oddly unconvinced.

“You’re the one who was out there.”

He didn’t finish his sentence and suddenly hooked his lips into a smile, “Who is she?”

“You know it yourself.”

You’re still playing dumb with her, you think she’s stupid?

“I’m not sure.”

Jasmine Tong glared at Albert Ou, anyway, the words have come to this point, so what’s the harm in poking holes in it?

“Chin turned around,”

Albert Ou’s smile became even more evil, in fact, he had almost guessed that the only woman who came to look for him in the company yesterday was Qin

Yianran, and it was 80% because Jasmine Tong had seen Qin Yianran, so that's why he didn't enter the door.

"What? Jealous?"

Seemingly stabbed in the heart at once, Jasmine Tong immediately turned her head to the side.

"No,"

"No you're not crying and accusing me of hooking up outside, and now you're even saying names and not admitting you're jealous."

Albert Ou leaned close to Jasmine Tong.

The little tear-stained face was silky red.

Lovely.

He just liked her the way she was.

"I'm just reminding you not to be a bully you if there's anyone out there you shouldn't be so brutal to me."

"I just have people out there, more than one of them, and I'm brutal to you, what's wrong"

Albert Ou's statement was simply to piss off Jasmine Tong's intentions, who didn't admit that she was jealous.

"You,"

Jasmine Tong stared at Albert Ou with a deadly stare.

He had someone outside, he had more than one person outside, who took pity on the outside and was just brutal to her.

"Get out" Jasmine Tong growled, tears still falling without a fight.

She picked up the pillow beside her and smashed it towards Albert Ou's face.

Albert Ou grabbed the pillow, snatched it away and tossed it aside, and leaned close to Jasmine Tong again.

Fingers caressed her cheeks, and Jasmine Tong immediately dodged them.

“Okay, okay, don’t cry, are you silly teasing you don’t cry”

Her Bossy Yet Naive CEO Chapter 144 - 146

Chapter 144

Jasmine Tong sobbed as she looked at Albert Ou.

That pitiful little face and crying red eyes made Albert Ou’s heart feel bad.

Accustomed to seeing Jasmine Tong always look stubborn and unyielding, this look made him even more distressed.

Albert Ou remembered that John had said that.

When a woman is jealous of another woman, she must really care about you.

“You’re teasing me when I’m so serious you’re trying to piss me off?”

Jasmine Tong is simply furious.

I cried even harder on my back.

Albert Ou reached over and clasped his hands on the back of her head, pressing her head to his chest.

“Don’t cry, don’t cry, I’m not mad at you.”

Jasmine Tong was still crying, as if she was venting out all of her grievances these days.

“Hey, you can shed your tears, please don’t sniffle, you’ll get my clothes dirty.”

Hearing these words, Jasmine Tong simply to spit blood, he comforted her can not even discard her dirty his clothes.

She blew her nose hard and wiped it with Albert Ou’s shirt.

“Jasmine Tong you deliberately you”

“I just did it on purpose.”

Albert Ou simply wanted to cry.

“Fine, fine, don’t cry, okay,”

“No,”

“How do I make it work” Albert Ou’s patience was literally running out, knowing that it would kill her to cry if she didn’t tease her to begin with.

“You’re not allowed to be so brutal to me in the future, it hurts so much with so much force.” Jasmine Tong’s voice lowered.

The girls are still a little embarrassed when it comes to this.

Albert Ou remembered that last night, he was the slightest bit unconcerned about Jasmine Tong’s body, rampage, indeed a little too

“Let me see if it hurts.”

Saying that, Albert Ou grabbed Jasmine Tong’s feet and prepared to take off her clothes.

“Don’t” Jasmine Tong stirred her legs hard.

“Why be shy?”

“I’m angry,”

Albert Ou stopped immediately.

“Okay, okay, no looking, you stop crying, okay”

“Then you have to promise me one thing.”

“Say.”

If she stops crying now, what’s the harm in promising her a hundred things?

“You can’t sleep with me if I don’t want to later.”

“Not this one, another one.”

Nine times out of ten, she was reluctant.

“Just this, this kind of thing is supposed to be consensual, why do you have to force people, what’s the difference between you and a hooligan like that.”

“You,”

Albert Ou looked at Jasmine Tong’s eyes red, afraid of tears falling down again later.

“Okay, okay, promise.”

He actually said yes.

Jasmine Tong pursed her lips and smiled.

Just after agreeing to Jasmine Tong, Albert Ou suddenly felt how this dialogue is so familiar? It’s obviously the one he proposed every time, but this time it’s the other way around.

Tonto looked to the empty dresser.

“Did you throw my flowers.”

Albert Ou stood up and heard the words, seemingly unhappy.

“It’s ugly,”

“Ugly is mine too. Why are you throwing things at people?”

Albert Ou didn’t say anything and walked right out of the bedroom.

This night, Albert Ou hadn’t touched her, fearing that she wouldn’t be able to handle the pain she’d experienced last night.

Only, he held her very tightly.

With the passage of time, Tipping the City and the Perfect Princess will soon be approaching the finale.

While the ratings for Dumping the City were not low, they were crushed by the Ultimate Princess the entire time.

However, something unexpected suddenly happened.

The perfect princess because of the ratings explosion, the producer and the TV station did not expect it to be so hot, the two sides hit it off, in the soon to be ending, suddenly the thirty-six episodes of the drama re-edited into forty-eight episodes.

That's when the crowd exploded.

The original route of the perfect darling was a funny old-fashioned one, and the plot will naturally be weaker.

Thirty-six episodes of the TV series are edited into forty-eight, with each episode's credits repeating the previous episode's credits for as much as seven or eight minutes, and even the previews for the next episode are counted in the minutes.

Coupled with an already somewhat weak plot, basically watching the beginning and then seeing the end, the audience couldn't take it all at once.

"Scam money scam money scam money just to scam money."

"It was about to end and all of a sudden there are twelve extra episodes, that's not how you make money."

"From now on, I won't watch any of your TV shows."

There was a lot of cursing from the audience.

Also, because of this negative impact, the audience is slowly becoming more critical.

"Rameen Tong's acting is so bad that she has the nerve to cut out 48 episodes."

"That's right, Rameen Tong's acting is so bad that she can't do anything but stare and pout."

"Rameen Tong this awkward acting, screenshot several clips, but the expression is exactly the same."

Also, while there was a lot of cursing over here, there came people from the dumping side.

“Inviting everyone to go next door to the dumping ground, my Manny’s acting skills are on point.”

“The production costs of Dump City are absolutely conscientious, there is no malice in adding episodes, and there is my family’s One Ang movie star.”

As a result, many viewers turned their attention to the dumping of the city.

It just so happens that by the time Jasmine Tong’s Xia Feixue and Mo Yiang’s Chaosheng turn against each other, the climax and the acting is explosive!

Unanimous praise

The Kingdom and the City has miraculously surpassed the Ultimate Princess at the top of the ratings!

And, ratings and word of mouth go hand in hand.

“Watching Jasmine Tong and Mo Yiang soar was just so much fun.”

“Ooooooh heartache Snowy, Snowy’s so poor.”

“Should have let Sung and Xue’er be together, poor Xue’er, she loves Sung with all her heart, what did she do wrong?”

There has been a lot of discussion on the internet about Jasmine Tong, and it even made it to the top of the search.

However, there was little discussion of Chin’s unexpected performance.

There wasn’t much of a breakthrough in this drama with Chin’s sudden death, plus her role was one that people had seen enough of and there weren’t any waves.

Jasmine Tong was brushing up on the discussion online, and she was delighted to see the recognition she was receiving.

The next day, Jasmine Tong slept until she woke up naturally, and when she woke up, she smelled the strong scent.

She got up immediately and opened the door.

What's going on out there is really shocking.

A house full of flowers.

What with the lilies, the starbursts, the colorful roses, the daisies, the vanilla...

In short, we have everything you can name, and everything you can't name.

Aunt Fanny and Pearblossom are busy looking for vases to arrange the flowers.

Seeing Jasmine Tong standing at the door, Pearblossom immediately shouted excitedly, "Ma'am, come down quickly, sir has bought you lots and lots of flowers."

Jasmine Tong had a headache.

Is that what rich people do?

The phone rang.

Chapter 145

The call came from Xu Xingru.

"Manny, I have some good news for you, the Happy 8 o'clock slot invites you, Mo Yiang and Qin Liyuan to record a program together."

"Happy 8:00."

Hearing the name of this variety show, Jasmine Tong couldn't believe her ears!

It was a show that had been on fire for twenty years, and she had watched this variety show since she was a child, which was one of the first batch of variety shows in China, mainly inviting celebrities to come and do some games and such.

I don't know how many stars this show has made famous.

Even when some foreign stars came to this part of the South, the variety show debut was all for this show.

The show's ratings spike almost ninety percent of variety shows.

Eight out of ten stars who walk out of this variety show are going to be huge.

"That's right, the show took the initiative to invite you to participate, don't feel pressured, just show the audience a real you, clothes and all, I've all helped you prepare for the recording tomorrow night."

"Okay, Starru-san."

Hang up the phone.

Jasmine Tong was still basking in the good news.

I wonder how many new stars are looking forward to being on Happy 8:00?

How fortunate for her.

On the day of the recording, Qin Yianran, Mo Yiang and Jasmine Tong got together once again, still sending out tweets like last time.

In fact, Jasmine Tong was feeling a little embarrassed when she saw Qin Jianliang, and she remembered how Qin Jianliang went to see Albert Ou.

Apparently, Qin turned out to be unaware of her relationship with Albert Ou.

The company's main business is to provide a wide range of products and services to its customers, including a wide range of products and services.

It just so happened that Mo Yiang was also wearing jeans and looked very handsome and dashing.

This show, Happy 8:00, is light entertainment and it's only fitting that they dress like this.

Naturally, Qin turned out to be aware of the dao, and chose an irregular denim blouse with a sarong skirt, revealing pretty long legs, with a casual flavor, and at the same time, the goddess can not be lost.

The show was so much fun to record that once the hosts came up, they said that the three of them were a cowboy gang and uniformly chose to wear cowboy clothes.

The host, Don Fei Wing, is a famous host in the circle, with a very good reputation and popularity.

Many of the newcomers got a boost from him to fly.

In addition, the network "Sung Xue cp" is hot, the director naturally will not let go of this opportunity, so many topics are on the Jasmine Tong and Mo Yiang.

Plus, these two seem to be more relaxed together and talk to each other all the time, providing a lot of laughs.

The scene director repeatedly used the cue board to cue: let Manny talk, let Manny do it, pick Manny and Yiang

The whole recording went very well and there was a lot of laughter.

(Taiwan) toilets

When Qin turned around and used a dressing room by herself, she was in the middle of her makeup when Xia Lian walked in, pursing her lips. Very unhappy.

"What is it, Charlene?"

"Then you see that Jasmine Tong is also too ungrateful when you look at her, when she was recording the program, she stole all the limelight from you, did she forget that she is only a woman number two and then suddenly she is the woman number one?"

Having followed Qin Jianlian for so long, Xia Lian naturally saw it clearly.

This show was recorded with too much limelight for Jasmine Tong.

Qin Yanyan also knew that Jasmine Tong's performance today was indeed more brilliant than her own, she was inconveniently wearing a skirt, and a lot of games were done by Jasmine Tong.

"It's okay."

“What’s okay ah sudden, not only this program, dumping the country in the city, everyone’s praise for Jasmine Tong is also much more, moreover, her hot search has been on the list, the limelight really cover sudden over, she does not know to restrain a little, what an ungrateful person”

Qin turned to look at Xia Lian suddenly.

“Manny’s acting is indeed great, and it’s only right that he is praised for bringing the character to life, and the director went along with today’s show, so no wonder Manny, don’t be angry.”

“Then suddenly, Sister,”

Xia Lian was so anxious that she stomped her foot when she saw how good natured Qin turned out to be.

“Charlene, can’t you see that I’m actually trying to fulfill her?”

“Ah,”

“Manny is a Star Emperor’s artist, with her acting skills, she can definitely become a pillar of the Star Emperor in the future, all she lacks now is an opportunity.”

“But, then suddenly, you’re the first sister of the Star Emperor, how can”

Xia Lian was terrified by Qin’s unexpected words.

Qin turned around and shook his head.

“I’ve been in the business for eight years, sooner or later I’m going to have to retire, and when I’m gone, someone has to come up to the Star King.”

“Then suddenly, you’re going to quit the entertainment industry.” She’s in the limelight.

Qin turned around and smiled shallowly.

“It’s not the right time yet, but I have this plan, I want to live a normal life and stay home with my husband and children, Asawa is already working hard in charge of such a big group, if I’m still running around and my home is not a family, what do I look like?”

So it was for Albert Ou.

Charlene sighed silently.

“But, suddenly Sister, don’t blame me for talking too much ah, that day, we went to look for General Manager Ou, you came out so quickly, it’s hard to see each other, General Manager Ou no matter what”

Charlene didn’t continue.

There was also something strange about Qin’s unexpected face.

In fact, she hadn’t even seen Albert Ou’s face.

The secretary tells her that Albert Ou is in a meeting, a meeting that could go on for hours, and tells her to go home.

Only, she didn’t have the good sense to tell Charlene.

“Asawa is naturally very busy as he’s in charge of such a large group by himself, which is why I have plans to quit the entertainment industry and want to take good care of him.”

“Okay.”

When I turned around, I was more or less a bit muttering in my heart, all the good resources of Star International had been thrown on her alone, but she wanted to see Albert Ou, but she couldn’t see him.

Are you really busy, or do you do it on purpose?

Jasmine Tong had already taken off her makeup and came over to greet Qin Liyuan, then she and Mo Yiang prepared to leave the TV station.

Who knew that as soon as they left the house, a small child of seven or eight years old immediately ran over with a bouquet of green roses in his hand.

“Yo, Mandy can ah, young and old, but she has such a small following.”

The child delivered the flowers to Jasmine Tong and left.

But only Jasmine Tong herself knew who sent the flowers.

“That’s a funny kid, and he knows how to give green roses.” Mo Yiang said jokingly.

“What happened to Green Rose” Jasmine Tong raised her eyes to Mo Yiang.

“Don’t you know what the word for green roses is?”

Jasmine Tong shook her head, she had never studied any of this.

Chapter 146

“I go you as a woman don’t even know this most basic of things.”

Jasmine Tong glanced at Mo Yiang, “Who says a woman has to know these things ah”

“Okay, I knew you hadn’t researched it, but the green rose’s floral language is that I only love you alone, understood.”

Hearing this, Jasmine Tong’s heart felt like something had been shot through at once.

as expected

The Cold Lords were trying to take her away.

“Hey, what’s wrong” Mo Yiang held out his hand in front of Jasmine Tong’s eyes.

“No,”

“Then why don’t you ask me what the language of the seven roses is.”

Remembering the 999 Ecuadorian colorful roses that he gave to Jasmine Tong, Mo Yiang’s heart is dripping blood.

She didn’t even ask what the colorful roses stood for?

Jasmine Tong, however, walked straight towards the car as if she hadn’t heard.

Mo Yiang sighed silently and followed her to the car.

Colorful Rose's Flower Saying: Life is as colorful as flowers.

He remembered that Jasmine Tong had always said that her life was grey and colorless.

That's why he wanted to tell Jasmine Tong that life is as colorful as flowers. He wanted to give her a new, colorful life.

Also, colorful roses can only be given to people who like them.

Sitting in the car, Jasmine Tong put the green rose aside.

It looks like she needs to find a chance to make an appointment to talk to the Cold Lords.

"Black Earth,"

"Well,"

"What exactly is the relationship between your little uncle and suddenly sister?"

That's what she should be thinking about.

"Why are you suddenly asking this?"

"Just asking, you can see that suddenly sister has always been very nice to me, she should not know about my relationship with your uncle, so I am very curious about what her relationship with your uncle is."

Mo Yiang shook his head.

"Actually ah, I'm not sure, do you know if John Quan is especially close to my youngest uncle, Qin Then suddenly and John Quan grew up together, my youngest uncle met John Quan, so naturally he got to know Qin Then suddenly, I did see them going out together or something."

Jasmine Tong didn't interrupt.

"My youngest uncle is a bit of a womanizer, not to mention a womanizer, and men rarely approach him. It was still my dad who accidentally saw my youngest uncle and Qin Tianran together, and when my dad asked him about

it later, he didn't say anything, so people thought Qin Tianran was my youngest uncle's girlfriend."

"Oh,"

"You saw the scar on Qin Jianlian's hand."

"Scars,"

"Oh, she's been wearing a silk scarf around her wrist, but it's been replaced with a string of red onyx, actually, and there's a scar there, and they say it's for my little uncle. What exactly is going on, I don't know."

Jasmine Tong had thought that Qin Yanyan and Albert Ou might just be ordinary friends or just Qin Yanyan's unrequited love, but who knew that there was so much more to the two of them.

"If you want to know, just ask my brother-in-law."

Jasmine Tong glanced at Mo Yiang.

"If you're a guy and you're keeping a mistress or having an affair with someone else and your wife asks you, you'll tell the truth."

Mo Yiang stroked his chin, mulling it over.

"Also right oh no not if I'm a guy, I'm already a guy."

Jasmine Tong sighed and looked out the window.

Men who can't grasp the point.

The two men didn't say anything else and went back to their respective homes.

Just as Qingguo Dumping City ended in a flurry of ratings and word of mouth, the Ultimate Concubine is also about to end in controversy.

A message has swept the entertainment world once again.

Star Kings International is facing collapse and impending bankruptcy as a large number of artists are leaving the company.

In the past few years, Star King International has been deteriorating, and all of its popular artists have been poached by other companies, among them, Yixin International is the most poached.

An agency naturally survives on its artists, and without them, an agency will sooner or later collapse.

Although, Mo Yiang signed with the Star Emperor, the resources that the Star Emperor can give him are really not much, plus he's a bit unmotivated right now and doesn't even take much drama.

Although Qin Liyuan was in the limelight right now, it was based on the condition that she took all the Star Emperor's resources.

It was because Qin suddenly took away too many good resources, the artists who were going to stay in the Star Emperor were also dissatisfied and left the nest.

Star King International is really going to collapse in the eye of the beholder.

Although, Albert Ou acquired Star King International, but he did not interfere with any of the affairs of Star King International, the three billion he took out was also given to the previous owner of Star King International, and did not use it for the development of Star King International.

In the beginning, when Albert Ou acquired Star Huang International, it was nothing more than wanting to sign Jasmine Tong and didn't think too much about it.

dark empire (i.e. empire of darkness)

Albert Ou is in his office signing a mountain of documents.

Russel Cheng knocked on the door and walked in.

"Mr. Ou, there's someone from Star King International."

"What for? "Albert Ou didn't take Star King International seriously at all.

So far, he had only made two instructions, the first to sign Jasmine Tong, and the second to give all the good resources to Qin Jiangyan.

“The condition of Star King International is deteriorating and it’s really hard to maintain, another batch of artists have been poached by other companies, and the remaining artists of the company have no company to poach from and are trying to contact other agencies.”

“What’s it got to do with me?”

Albert Ou grunted and continued to dragon dance over the document.

3 billion is just a drop in the bucket for Albert Ou, why would he care?

Russel Cheng seemed to have expected it.

“But, Mr. Ou, Star King’s artists have been repeatedly suppressed outside, and will always be inferior, if this continues, all the artists will leave, and then Star King will have to go bankrupt, and three billion will float away.”

Hearing this, Albert Ou raised his head.

“She’s been oppressed a lot. Is Jasmine Tong also often bullied?”

He only cares about her. The rest is none of his business.

“Of course, Madam is also a Star King’s artist, and Madam’s curry, outside itself is the kind of thing that is suppressed, when Madam was filming before, wasn’t it because she was bullied that she jumped into the river several times and had a high fever, I believe there are many more of these things.”

Albert Ou shrunk his pupils.

How could he let his woman be bullied?

“Mr. Ou, I think if you personally take charge of the Star Emperor, maybe there’s still a chance for the Star Emperor to turn a corner.”

Albert Ou gestured to his mountain of papers.

“You think I have time and energy.”

If he had the time and energy, he would’ve gone home to make out with Jasmine Tong.

“Then Ou can assign a president over there to be in charge of the reconstruction of the Star Emperor.”

“The new president.”

That’s something to consider.

But who’s it going to be?

Albert Ou’s mind couldn’t think of anyone else but that man.

Her Bossy Yet Naive CEO Chapter 147 - 149

Chapter 147

In fact, Russel Cheng also knew in his heart that the position of president within the Dark Empire was held by Albert Ou, and although there were several vice presidents, the group was busy with official business, with numerous branches and more industries included, and the vice presidents were also busy as well.

It’s also true that pumping a person to Star King International is not realistic.

Russel Cheng, who knew Albert Ou, must also understand.

The person who goes to Star King International must be someone who knows about the relationship between Albert Ou and Jasmine Tong, and also has to take into account Qin Jianlian’s side.

“Mr. Ou, perhaps we can select someone from within Star King International.”

“No need, I already have the right person for the job, I just lack the right time to announce it.”

“Oh, well, since O’s mind is made up, it’s a good idea to wait for the right time, and next week’s All-Star Night might be a good opportunity.”

“All Star Night”

Next week is All-Star Night, which has always been known as the big party of the entertainment industry

All-Star Night is hosted by Twitter.

Every year at the All-Star Night, we invite celebrities who are on Twitter to attend.

So, almost everyone in the entertainment industry will be invited, unless there is a schedule that can't be met, or an artist who is otherwise engaged in a task, then all of them will come.

There will also be some awards presented on the night of All-Star Night, but they are some very strange awards that can often amuse everyone.

Like the highest retweet award, the most active award, the most amusing award

Basically, all the awards are based on popularity, and the most popular stars will be given some awards by the organizers.

Because of Twitter's many users, large platform, and wide audience, All-Star Night is very popular and celebrities will take it very seriously.

Rainbow City

As a newcomer this year, Jasmine Tong has also been very active on Weibo recently and her followers have gone up by millions, so she was naturally among the invitees.

After filming the sound of blossoming flowers, apart from a few small announcements, Tong's latest work schedule is just this All-Star night.

Xu Xingru had just brought her dress over today, and right now, Jasmine Tong was trying it on.

Xu Xingru's arrangement, Jasmine Tong continued to take a low-key route, and when her wings were not yet full, a low profile was the best option.

Therefore, the dress she chose for Jasmine Tong was also very low-key.

Smoky grey saree.

The red carpet is bound to be scrambling, and the smoky grey is certainly unremarkable.

In the bedroom, Jasmine Tong is battling with this long dress with an invisible zipper in the back that she really can't close.

"Pearblossom Pearblossom," Tonto shouted from her bedroom.

"Coming," the door answered.

"Help me with my zipper."

Someone opened the bedroom door and walked in gently.

"I can't get this zipper closed, so be careful not to break it."

Following the zipper, Jasmine Tong's beautiful back was on display, a beautiful back groove, two beautiful butterfly bones, and fair, smooth skin.

"Hurry up,"

Fingers swept over her skin as she pulled the zipper up.

It tickles.

"You did it on purpose, Pearly" Jasmine Tong only felt a tickle in her back and twisted her body.

When the zipper was done, Tong went to the mirror and looked in the mirror to see the person behind it

Eugenio Albert Ou

"What brings you back?"

"Zip you up and don't even say thank you" Albert Ou smiled evilly.

"You get out, I'm trying on clothes."

Jasmine Tong thought, if he had just zipped himself, wouldn't that be the end of the story?

"Why should I go out when you're trying on clothes?"

Jasmine Tong opened her mouth, stunned, unable to find a reason.

Yeah, what's wrong with a wife changing clothes while the husband is around?

It's a bedroom.

Jasmine Tong ignored him and stood in the mirror and began to see if there was anything wrong with her dress.

Albert Ou walked over and wrapped his arms around Jasmine Tong's waist from behind.

"What are you doing" Jasmine Tong was a little uncomfortable with the sudden intimacy.

"Would you like me to accompany you to All-Star Night?"

"Don't want to" Jasmine Tong got out.

Albert Ou frowned.

Jasmine Tong changed her tune when she saw that Albert Ou looked bad.

"You're going to an all-star night ah how noble you are, how can you go to such a low event also only us little stars, little rookies will go, you are such a big wrist, you will drop the price"

"I'm not going to go if you just want me to."

Albert Ou glanced at Jasmine Tong and sat on the bed.

Jasmine Tong breathed a sigh of relief, it's best not to go, it's uncomfortable to go.

"Do you that much not want to be open about your relationship with me?" asked Albert Ou, pretending to be careless.

"Wouldn't you like to?"

Albert Ou did not speak.

According to Jasmine Tong's statement, Albert Ou would definitely not want to disclose the relationship, otherwise he would be the president of the Dark Empire and have such an unknown wife, how much of a price to pay!

"We're fine just the way we are. I don't interfere with you and you don't interfere with me. How nice."

Jasmine Tong also doesn't want to get involved in Albert Ou's light, in case there is any change in the marriage relationship, if she discloses it now, how can she make a living afterwards?

She also knew that if Star Huang International knew that she was Albert Ou's wife, it would definitely tilt its resources towards her.

But she's been sober from the start, and the entertainment industry is a place that ultimately relies on itself.

Albert Ou ignored Jasmine Tong.

He never showed his face in any public place, so much so that everyone's impression of him was only in words.

He wasn't human in the first place, just a combination of vampire and human.

He doesn't show his face publicly, naturally, to protect himself.

"Hey, open the zipper for me, will you?"

Jasmine Tong has tried on the dress, but it still has to be taken off.

Albert Ou raised his eyes to look at Jasmine Tong, he hadn't touched her since the last time Jasmine Tong had cried.

"May I ask Mrs. Ou if I can sleep with you tonight?"

Jasmine Tong was embarrassed.

It's a bit much to ask so formally.

"No I can't I'll get someone else to unzip me."

She said, Jasmine Tong was ready to go out, and the door came with a "drip" sound.

Jasmine Tong looked at Albert Ou, who shook the remote in his hand.

Since Albert Ou has been living in the house, the home has begun to turn into a high-tech exhibition hall.

The door, as soon as he pressed the button on the remote control, would never be opened.

“You,”

“Can I sleep with you?” continued Albert Ou with a raised eyebrow and a bad smile rippling across his face.

Jasmine Tong looked at the dress she was wearing, she couldn't sleep in it tonight.

“Yes, okay,”

“You volunteered for this, not me forcing you oh.” Saying that, Albert Ou walked up to Jasmine Tong.

That's not coercion.

Chapter 148

Jasmine Tong sort of understood.

Even if he had promised to never sleep with her if she didn't want to, then he had slept with her without breaking that condition.

Naturally, Albert Ou was well-fed this night.

It's not easy to eat once and still not be full.

In the blink of an eye, All-Star Night is here.

Today is All-Star Night.

Jasmine Tong got up early, and last night at Star King International's WeChat, everyone had blown up.

“It's not just a bullying thing, isn't it? Our Star King's artists are all scheduled to walk the red carpet in front of us.”

“That’s right, who doesn’t know how much of a disadvantage it is to be up front on the red carpet.”

“This time it’s really bullying.”

The Star Kings International artists were uniformly notified that the red carpet portion of their all-star night was all up front.

Everyone knows that the first ones to walk the red carpet are at a great disadvantage because the media and whatnot know that the ones at the front are not famous and naturally don’t attract attention.

Once you start walking, the media isn’t quite there yet, and it’s a waste of time to walk.

It’s hard to salvage the revealing parts, yes and no are the same.

And even though it’s now into autumn, the weather conditions in Slivestopol are hot right now, and the sun is most likely to tan people this time of year.

Walking the red carpet is again from the afternoon, to the point where the sun is shining, and even if you get a picture, it will come out mushy and your eyes will be completely closed.

So, the famous ones are usually scheduled to appear later, when the sun is about to set, it’s not very hot, and the media is all together.

All-Star Night has always been about winning and losing by popularity.

Worshipping the high and stepping on the low is the norm in the entertainment industry.

Naturally, Jasmine Tong can’t afford to be treated well. She has to get up early, as it takes hours for a female artist to do her hair and makeup.

Confused, he went to the bathroom, Albert Ou was still asleep on the bed, he slept so lightly that he woke up as soon as Jasmine Tong woke up.

Halfway through brushing her teeth, Jasmine Tong suddenly felt a nausea in her throat.

“Ugh.”

Jasmine vomited, but, not having eaten anything in the morning either, he didn't throw up anything.

Albert Ou lifted the covers and got out of bed.

"What?"

Jasmine Tong stroked her chest and spat out all the foam in her mouth.

"Nothing, just a little nauseous."

Jasmine Tong reconnected with a glass of water and rinsed her mouth properly.

"How can a good thing be disgusting?" frowned Albert Ou.

"Maybe my throat's too dry all right." Jasmine Tong continued to wash up.

When she was done washing up, she went straight out the door.

Albert Ou was still a little unsure, so he called Lin Lan Lan to the side.

"Have you given the soup to your wife lately, as I commanded?"

"Yes, yes, sir, how dare I disobey your order, I always add the medicine according to the amount of medicine into the soup for my wife, she likes to drink the soup, and she also drinks it in one mouthful every time."

Rinlan replied immediately.

Albert Ou nodded.

"This is a sloppy affair."

"Yes, sir, I'll do it right."

Because Jasmine Tong woke up early, there is no hurry, to the Star International in order to do the styling, at 2 pm, with everyone to go to the venue of the All Star Night glittering auditorium.

The glittering auditorium is a special place for extravagant events, and to be able to host an all-star night here also shows the strength of Weibo.

The red carpet portion of the walk starts at four o'clock.

Tong was walking the red carpet with a couple of Star King International's young stars at a time when the media hadn't arrived and exposure was almost nil.

Star Royal International's artists were all in the front except for Mo Yiang and Qin Liyuan who were a little further back.

Once inside, it was another long wait.

So, not only do you have to prepare long in advance and endure no exposure, you also have to endure a long wait to walk the red carpet in front.

The lounge.

Jasmine Tong sat with a few of the Star Emperor's artists.

Willow had the hottest temperament, where she sat in the lounge, pacing back and forth vigorously.

"This Star King can't stay. He's a bully."

Meng Xintong sighed deeply, "To think that when the Star Emperor was in power, even unknown artists could get good positions, now"

It seems that the Star King is gone.

"I think we'd all better get in touch with another company soon." Chang Yin's face didn't look too good either.

Jasmine Tong didn't say a word.

In fact, we all know that the current Star King, but all those who can leave, leaving behind are other companies do not look at, and have no resources.

As a few people waited in the break room, there was a sound from the door.

"Yo, I thought there weren't any Star King artists today, but they're all here."

Everyone looked to the door.

It was only a few artists from Artsin International, one wearing a flowery outfit, with Rameen Tong clustered in the middle.

Compared to the gowns on people, these Star King International gowns are pretty much a mouthful.

Rameen Tong's dress is even more glamorous today.

Today she had chosen a low-cut dress, still in dark red, embroidered with dragons and phoenixes, beautifully done and lifelike.

Walking in the middle, a great king.

The rest of the gowns were also all very impressive, either privately made or the latest from one of the big brands.

Eason International is in the limelight, and is the hottest agency in the entertainment industry today, so it's only natural that Weibo would give them the best position.

A few artists from Artsin International walked in.

"I heard Star Queen is going bankrupt, I wonder what they'll do with their artists after this bankruptcy."

"Let's all step down together, that's for sure."

Several people laughed together.

Rameen Tong aimed a glance at Jasmine Tong, who couldn't compare to her after all.

"Meng ah, do you think we should do good deeds at Artsin International and take in those homeless people ah can't let people go begging on the street haha."

The person who spoke, whom Jasmine Tong knew, was the same Song Yiwen who was filming with her.

Rameen Tong smiled slightly.

“Of course, Arts New International welcomes those homeless artists to give their share to Arts New International, but we’re not an orphanage, and not all kinds of goods can enter Arts New International.”

“It’s just that there are some people we don’t want yet.”

Several people from Star King International looked extremely ugly, but they were unable to argue.

Huang Can walked over to Jasmine Tong.

“Get up this seat our Miss Rameenin will take.”

“So many seats she doesn’t sit in, preferring to sit in mine” Jasmine Tong looked to Rameen Tong.

Chapter 149

“Just to sit on you, how about” Rameen Tong looked at Jasmine Tong provocatively.

Whenever she remembered that Ellen Ron and Jasmine Tong were still in private contact, Rameen hated it so much.

But her career is on the upswing and she’s got so many appointments that she can’t afford to deal with her.

Jasmine Tong stood up straight away.

“Just sit down, I’ve heard for a long time that Miss Rameen Tong likes to steal other people’s things, so it seems that the name is really true.”

Jasmine Tong sneered and sat next to Meng Xintong.

The first thing you need to understand is that you can’t be sure that you’re going to be able to do anything.

“The things of this world never belong to any one person, if they are yours, they can’t be taken away by anyone else, and if they aren’t yours, you can’t ask for them no matter how much you want them.”

Rameen Tong sat in Jasmine Tong’s original position.

“Thank you Miss Rameen Tong for those words, and save me from wasting my breath.”

Rameen Tong’s itchy teeth, this Jasmine Tong, mouthy skills in the end powerful.

Huang Can immediately bowed his head to Rameen Tong and said, “Sister Rameen, ignore her, now that the Star Emperor is going bankrupt, it’s still unknown where she is going, let her play with her mouth, we’ll just wait to see the joke.”

Rameen Tong smiled and didn’t say anything else.

She has already understood the side of Artsin International, will never invite Jasmine Tong to Artsin International.

She’d like to see how long this woman can last.

Jasmine Tong was bored, so she chatted with Meng Xintong next to her to pass the time.

It took a full five hours of waiting for All-Star Night to officially begin.

The seating arrangement for All-Star Night is naturally based on popularity.

Star King International’s artists were all in the back nook, while Yixin International’s artists were almost all in the front row, the first row, unless they were movie stars and actresses, then it was the ceo of each company type.

Not only are the stars invited to All-Star Night, but the bosses behind the stars are invited over as well.

Ceo’s with face value like Ellen Ron will naturally come to show their faces and incidentally back up their own artists.

Rameen Tong is sitting next to Ellen Ron, although she is not considered to be at the level of a movie queen, but Ellen Ron’s fiancée is enough for her to sit in this position.

She looked at Jasmine Tong from a distance behind, her eyes full of pride.

Mo Yiang also sat in the front row, he is after all a film emperor, Qin Yianran’s position is also relatively forward.

“Mandy, don’t worry, you’ll definitely be sitting shoulder to shoulder with my brother in the first row from now on.” Mo Yiang sent a WeChat to Jasmine Tong.

He was worried that Jasmine Tong was uncomfortable.

“Don’t you find the first row jarring, great nephew.”

Seeing Jasmine Tong’s reply, Mo Yiang almost spewed a mouthful of old blood on his phone.

Looks like she’s fine. He’s just being paranoid.

Seeing the words “great-nephew” made him uncomfortable, so he turned his phone off.

Hosts Tian You You and Tang Fei Yi are on stage, Tang Fei Yi is the host of the Happy 8:00 file, often host the ceremony and so on, Tian You You is the hottest female host in recent years.

All-Star Night is officially underway.

Apart from some performances and dishes, the most important part is the awards.

A hilarious award was given out.

Best Popularity Award Mo Yiang.

Popularity Climbing Award Rameen Tong.

Highest Forwarding Award Rameen Tong.

Most Beautiful Goddess Award Rameen Tong.

And then there’s the funniest, most inane, most baffling...

A series of messy awards, each of these types of awards given out, accompanied by a good time.

The biggest winner of this all-star night belongs to Artisan International, and as long as the person is in the limelight, even if he or she doesn’t win an award, the organizers will still come up with a few awards to put on.

The artists of Yixin International basically have several awards, and Rameen won three awards alone.

On the Star King International side, except for Mo Yiang, who won a Best Popularity Award, and Qin Liyuan, who won a Return of Popularity Award, the others, pellets were not available.

Jasmine Tong felt that he was here to play soy sauce, the whole time is an indifferent face, and then simply began to play the game, anyway, the camera will not be filmed here.

All the cameras are basically aimed at the place where the artists of Yixin International are piled up, especially Ellen Ron and Rameen, who are really having cameras at 360 degrees.

Originally, Tanuyo had already announced the last of the awards, and the All-Star night was almost over as the Twitter vet took the stage to speak.

But, suddenly, Tanuyuki picked up the microphone again.

“Very sorry, I missed an award today, we have one last award today and a very important one, oh Mr. Tang, guess what it is.”

Tang Feiyi on the side also saw the director’s cue, and with his full hosting experience, he was naturally able to take it.

“This year’s awards are truly capricious, I really couldn’t guess any of them, I’m probably too old and not too smart, I’m so impressed with our organisers.”

“Okay, so let’s stop selling out and quickly tell everyone that the last award of the day is the Most Handsome Boss Award.”

When Yoshiya Tanaka shouted the award, everyone under the stage was in a daze.

The photographer then focused his camera on Ellen Ron.

In a flash, we all figured it out.

If you asked who was the most handsome man behind the scenes in this circle, it would naturally be Ellen Ron.

The hallowed Young Master Ron, not to mention in this circle, even if you look at Slivestopol, his face value is also one of the best, when Yixin International was facing a downturn, Ellen Ron relied on his own face value to make the heat of Yixin International instantly noisy.

He's known as the "best looking ceo".

"Ellen Ron Ellen Ron" offstage Eixin International people don't want to miss this opportunity to suck up to the boss.

The voices from the stage shouting for Ellen Ron were neat and uniform.

It was as if the entire All-Star Night had become the home of ESSi, and even their boss had an award to win.

Ellen Ron smiled faintly at the camera, and his elegant demeanor even made the women on the scene fall in love.

Rameen Tong looked at her lover beside her and was also extremely proud.

Tian Youyou and Tang Feiyi on stage didn't know exactly who won the award, but there was such an outcry that it shouldn't be a mistake.

"We're getting a lot of calls from our upperclassman, so whether it's the upperclassman or not, let's look at the big screen."

A prelude to the awards appeared on the big screen.

Immediately afterwards the fonts on the screen began to show.

Star King International

What's going on here?

"Mistake it with Star King International's fat-headed Huang, the ugliest boss is more like it."

"That's right, the Mediterranean haircut is also the coolest, is it the style that's in vogue now that I don't get it?"

There was a lot of talk in the audience.

Ellen Ron's face is also more than unpleasant, the Star King International Huang is indeed fat-headed and big-eared, and licking a big belly, the hairstyle is still typical Mediterranean.

How could it be him?
