

Her Bossy Yet Naive CEO Chapter 171 - 179

Chapter 171

This youthful tale of Lin Sheng and Lin Sheng, from school uniforms to wedding dresses, will naturally include intimate scenes.

Like that romantic first kiss on the Incline Meadow.

When the shot of that first kiss appeared, Albert Ou squeezed it with his hand and the cup made of paper squeezed the Coke out at once.

All got onto Albert Ou's pants.

Jasmine Tong immediately took paper to help Albert Ou wipe.

"That, that, it's all a loaner, no real kissing, I swear absolutely not"

Jasmine Tong explained.

Since the last movie, someone suddenly went over to be the body double, Mo Yiang was scared to death, where he dared to make a kissing scene with Jasmine Tong.

It's a good thing that director Yanke doesn't force the issue, he uses a distant shot, borrowing the position is not at all visible, and interprets the beauty of the first kiss in a different way.

Albert Ou glared hard at Jasmine Tong and continued to watch the movie.

He's been gentle these past few days, but he's still the same hairy Albert Ou Noe after all!

Oh, shit. Oh, shit.

There's a bed scene down there.

"That, or let's go back" Jasmine Tong was so frightened that she was sweating, if he saw her, he wouldn't have eaten her tonight.

In the darkened cinema, Albert Ou leaned close to Jasmine Tong.

Jasmine Tong was startled, her long eyelashes could almost sweep his face.

Those blue eyes burst with a sharp luster in the darkness.

“You’re feeling guilty.”

“I... I... I don’t have a guilty conscience it’s just that I think you, you you might not like it very much, so, just stop reading and just go home.”

“You’re not guilty, what are you stammering about”

“I I” Jasmine Tong couldn’t say it.

“I’d like to see what else you’ve filmed.”

What do you mean by “shameful things”?

That’s a movie.

Jasmine Tong simply wanted to cry.

In the middle, she tried to leave with Albert Ou several times, but Albert Ou insisted on seeing it through to the end.

Finally a bed scene.

This bed scene is the result of going to college and Lin Sheng keeping a long-distance relationship, and because he misses it, Lin Sheng sneaks in to see Lin Sheng and the two of them move into a small hotel.

It’s not really a bed scene, it’s just the first experience for two young boys and girls who are still a little confused.

Both of them were very nervous as they lay on the bed in the small hotel.

At the moment, Lin Sheng and Lin Sheng on the screen are very nervous, and even more nervous is Jasmine Tong.

How could she have the heart to watch a movie, glancing from time to time at Albert Ou, who was watching intently next to her

In the back of her mind, she kept thinking, “Should we run?”

I might even be able to save my life.

“Lin Sheng, I wonder if we should do something.”

“Do something.”

“Do”

Lin Sheng turned around and embraced Lin Sheng, whose back was turned to him, and whispered one word in her ear, “Love.”

Lin Sheng dangled her head and curled her body up, her face full of girlish shyness.

Immediately afterwards, the camera switches to the two men’s waists, and Linsanity’s hand reaches out, but it’s under the blanket, and all you can see on camera is the blanket.

This scene.

Anyone who’s been here knows where Linsanity has put his hands and what he’s done.

The camera was always on the blanket, as Forest’s hand kept moving.

Both men’s breathing was getting progressively heavier.

Lin Sheng shrank into a ball shyly, “Lin Sheng, you and I, shouldn’t we do something too”

Lin Sheng wrenched Lin Sheng’s body over and the two of them faced each other.

At this moment, Jasmine Tong looked at Albert Ou beside him, his hands clenched into fists, his veins popping up

“That one really didn’t touch anywhere and his hand was so far away from me because it was too close to shoot and also, the two of us.”

Albert Ou suddenly turned his head and clasped a large hand on the back of Jasmine Tong’s head, kissing her directly on the lips.

Jasmine Tong stared, although it wasn't the first time she had kissed, but it was the first time so suddenly.

Albert Ou's kisses were urgent, but as if he was constantly reminding himself to be gentle, he slowed down again.

He gently pried her teeth open and made a quick attack on her mouth, even nibbling lightly on her tongue.

Slightly painful, but a numbing sensation.

He seemed to be telling her with that kiss that she was his.

The two of them kissed obliviously in the cinema.

On the big screen, the bed collapses before two people even start because of the poor quality of the bed in the small hotel

It didn't turn out to be made either.

And a good scolding for the innkeeper's wife.

That's one of the biggest laughs in the movie.

Albert Ou, who has been abstaining from sex for a long time, is like a wolf filling a full stomach, and a light kiss can tantalize him.

But he knows Jasmine Tong's body can't stand the torture

He forced his desire to leave Jasmine Tong's lips.

"Remember, you're mine."

"Well." The kissing is almost oxygen-deprived Jasmine Tong, who is still a little dizzy.

"Don't you dare shoot this stuff again, break your legs."

"Well."

"To make it up to me, when you get out of the hospital fight with me for three hundred rounds."

“Well.”

Jasmine Tong looked up sharply, what she had just agreed to

Look at the bad smile on Albert Ou’s lips.

The bastard’s plotting against her.

“No,”

“You agreed to all of it.”

“You take advantage of people.”

“So what if I take advantage of you?”

Jasmine Tong was speechless with anger.

It’s a routine. It’s all a routine.

Since there are no more intimate scenes to follow, Tong still insists on watching the whole thing.

After all, she came to see what she did wrong and what she could do better in order to progress in future films.

The day after seeing the movie, Jasmine Tong took a look at the real-time box office

Last night, the sound of blossoms made 150 million at the box office.

In fact, when she went to the movies yesterday, she noticed that the sound of the blossoms was lined up more

“You’re not tampering again, are you? There was 150 million yesterday.”

Albert Ou buried himself in the file.

“I don’t have that much time to get my hands dirty, one night is enough.”

Jasmine Tong was jaw-droppingly unbelievable.

In other words, it's because the Chisen Cinema gave a high slot that day, which turned out to be good, and word of mouth was so good that it voluntarily increased the slot

Jasmine Tong browsed the news again, they were all positive.

On Weibo, the sound of blossoming flowers is the number one hot search.

It's also a top 10 search, with "Jasmine Tong," "Lin Sheng and Lin Sheng," and "Yi Ang, fresh and new" in the top 10.

There was also some discussion about the sound of blossoms and even some lines, all of which went viral!

Her follower count is still rising and the number of people who've been Etting her is growing.

Albert Ou aimed a glance at her.

"You'll see, it'll go up again."

Jasmine Tong took a look at this man, does this man have the ability to prophesy?

If he says it goes up, it goes up.

Chapter 172

As it turned out, he was really right.

160 million, \$180 million, \$190 million at the single-day box office

It's about to make a billion dollars.

Mo Yiang's side quickly tweeted.

"Break a billion dollars, show you naked pictures and tell me if I'm sincere enough."

His pictures are all with Jasmine Tong on the set of a group photo, two people take pictures together is never prudent, plus Mo Yiang said broke a billion to send nude photos, the amount of retweets scuffle rising.

Jasmine Tong looked at Mo Yiang's Weibo and laughed.

"What are you laughing at" Albert Ou raised his eyes to look at Jasmine Tong.

"Big nephew said the movie broke a billion dollars and he's going to show nude pictures to his fans, so do you think I should give something back to my fans as well."

"You want to send nude photos too dare" Albert Ou glared.

"How can I? How can an actress send nude photos of her great nephew who is probably just showing his pecs, he's definitely not that honest."

Albert Ou thought about it.

"Then you tweeted that if it breaks two billion, send full nude photos of Mo Yiang."

plop!

Is that how you trap your great-nephew?

"You have full nude photos of Black Earth" Tong asked surprised.

"Plenty of it, just send it by all means."

Jasmine Tong pursed her lips and smiled, "Your own great nephew, no pit for nothing."

Immediately, she also tweeted: break 2 billion, show you guys full nude photos of your husband.

The fans exploded.

Jasmine Tong even has a full-length photo of Mo Yiang.

"I'll go paint the movie three more times by begging my husband for full frontal nude photos."

"Wow wow wow, a full frontal nude picture of my husband, this has to be"

"Mandy, be honest, what's your relationship with Yiang and how did you get a full frontal photo of him"

On the one hand, people want to see full frontal nude photos of Mo Yiang, but on the other hand, they question why Jasmine Tong has full frontal nude photos of Mo Yiang.

Mo Yiang also immediately discovered Jasmine Tong's microblog and directly retweeted the comment.

"You're just going to screw a brother, by the way, where did you get my fully naked picture."

Jasmine Tong immediately replied: I'm a woman, not your brother, your fully nude photos, much.

Mo Yiang also immediately replied: flat chested Shidai, you dare to say you are not my brother.

The first time I saw this, I thought it was a good idea.

The intimate interaction between the two also had netizens screaming that the painting was so amazing

However, it's also clear that the two are very close, so it remains to be seen if they are a couple or not.

A lot of celebrities will speculate on cp when their work is released, whether it's true or not will depend on subsequent developments.

While the movie was rising at the box office, Tong received news that she could be discharged from the hospital.

The swelling and scabs from her trauma had mostly gone down and she just needed to get well, there was really no need to stay in the hospital.

On the day of discharge, Yarwen Tong came to the hospital and the two siblings chatted amiably.

Albert Ou, on the other hand, took the opportunity to go to Zhong Yu Ling's office.

"She can really be discharged in her current condition" Albert Ou questioned a bit.

If he can't get out of the hospital, he might as well think of a strategy to push back a bit.

"There are no more problems, but the woman has had an abortion, the same as having a baby, she needs to do the month, otherwise she is likely to fall ill, so she needs to take care of her body for a month and take care of her health."

Albert Ou nodded.

"Also, no intercourse for a month."

Hearing this, Albert Ou was stunned.

He had gone to Aiya and hadn't touched Jasmine Tong for more than half a month, and Jasmine Tong had been in the hospital for almost half a month, he had been abstinent for so long, yet

Or not.

Seeing Albert Ou's hesitation, Zhong Yu Ling hurriedly explained.

"Her uterus is very fragile right now and frankly still recovering from her wounds, intercourse is an absolute no-no, plus, it's been a little over half a month since her surgery and she'll need to be brought in for a check-up in another half a month."

"Good."

Albert Ou took Jasmine Tong home with him, and Yarwen Tong's health returned to normal, so he went back to school.

Jasmine Tong still had a wound on her face, so she couldn't take any work for the time being.

As the sound of blossoming flowers rise at the box office, word of mouth is also bursting!

People say that this movie is well made unlike the previous teen movies that were all about abortion and cheating and such, this movie is instead clean and has a beautiful selection of scenery that makes a beautiful picture in every frame.

Jasmine Tong's popularity is also growing fast, with fans surpassing the 30 million mark.

At this point, she's supposed to be attending more events and keeping her heat up, but she can't go anywhere because of her injury.

They can only watch as Rameen Tong takes on the Sparrow Nirvana and a few more major endorsements, in addition to the growing business of Tong Ji Liquor.

Everyone says Rameen Tong is the big winner in life.

In order not to affect her mood, Jasmine Tong simply stopped watching the news.

As soon as Albert Ou returned, the first thing he did was to transfer Lin Lan Lan away from Rainbow City, sending her back over to the Crystal Garden, leaving only Aunt Fang and Pear Blossom on this side.

In addition, he also instructed Aunt Fang that Jasmine Tong had a miscarriage and that she should serve Jasmine Tong's little month.

Aunt Fang was shocked, but she was a maid in the end, so she could only do what Albert Ou wanted.

To keep Jasmine Tong from getting too bored, Albert Ou also brought Lucky back to the house, and the house finally came together.

But Jasmine Tong is still bored at home.

On this day, she decided to cook, Albert Ou had been taking care of her in the hospital for half a month, so she had to show it, right?

Jasmine Tong started to get busy in the kitchen.

Seeing Jasmine Tong washing the dishes, Aunt Fang rushed straight over.

"Madam, I can't, I can't. You can't touch the cold water now, or you'll get sick."

As she said that, Aunt Fang immediately took a towel to wipe Jasmine Tong's hands.

"Aunt Fanny, why can't you just touch the cold water all right."

Aunt Fang was momentarily speechless.

Albert Ou had explained to her that she couldn't say anything about Jasmine Tong's miscarriage, which was kept from Jasmine Tong.

"Mrs. Forehead, this day is getting colder now, the cold is easy to invade the body, you young people ah just do not know how to take care of the body, until I am this age ah, it is hard to endure it, quickly do not wash, good rest."

"Oh, Aunt Fanny, I'm getting hairy, so just let me work on something, I'll cook him some food, he's been taking care of me in the hospital for the past few days, he's weirdly tired."

"Oh,"

Aunt Fang mulled it over, "How about this, what do you want to cook, what do you need, you tell me, I'll prepare it all, you take the helm, so, okay?"

"All right then."

Jasmine Tong didn't think much of it, thinking that maybe Aunt Fang was worried about Albert Ou blaming her, so she didn't make it difficult for her.

Albert Ou comes back at night and sees Jasmine Tong wearing an apron and gets angry.

Chapter 173

"Who told you to cook didn't I tell you to stay home and rest?"

Jasmine Tong was preparing to give Albert Ou's recommendation on today's dishes, but it's a bit cold now.

"That I just"

"Just what? Just take a rest. Just take a good rest.

"I'm just frying a dish, the preparations are all done by Aunt Fang, don't believe me ask Aunt Fang" Jasmine Tong's voice softened.

"Yes, yes, sir, I'm the one who prepares this washing and chopping and all that, Mrs. is thinking that Mr. has been working too hard for a while, so she

wants to cook something delicious for Mr. herself, Mrs. is just the head spoon, she's not tired."

Hearing this, Albert Ou's face finally eased up a bit.

At the end of the day, she's only cooking for him.

"Really,"

"Well."

"Okay, don't do it again, let's eat."

For Jasmine Tong, who was still recuperating, Albert Ou didn't want to reprimand her too much.

Jasmine Tong immediately sat next to Albert Ou.

"You like it lighter, don't you? I've made some adjustments. Taste it. Is it good?"

Saying that, Jasmine Tong immediately gave Albert Ou food.

Auntie Fong waved her hand to Jasmine Tong, but she must not eat the food.

Albert Ou hated physical contact with others, even indirect contact especially since this was something that went in his mouth.

Jasmine Tong didn't understand what Aunt Fang's hand waving meant.

Only to see Albert Ou directly pick up his chopsticks and eat the food Jasmine Tong had put in his mouth, Aunt Fang looked stunned.

"Is it good? I haven't cooked in so long, I feel like it's degraded."

"Yummy, as usual."

"Yeah?"

Hearing the compliment, Jasmine Tong immediately beamed with joy, "Then you eat more."

"Well."

The meal was enjoyable and the two of them got along very well.

Auntie Fang is gradually relieved, if this miscarriage incident can improve the relationship between the two of them, then what's the good thing?

Albert Ou saw that Jasmine Tong was really bored at home, so he didn't stop her from cooking, but he also made an appointment with her, and Aunt Fang and Pear Flower did all the tedious preparation work, so she was only responsible for cooking.

During this period of time, Jasmine Tong basically cooked food for Albert Ou every day, and also learned some skills from Aunt Fang, and her cooking skills had improved even more.

In just a few days, the sound of blossoming flowers has broken two billion.

Jasmine Tong has been getting all sorts of alerts early in the morning, she promised to post full frontal nude photos of Mo Yiang if she broke 2 billion.

"Mandy, where are my husband's nude photos? Don't break your promise."

"Mandy, you're so beautiful, you can't keep your word."

And there was action on Mo Yiang's side early on, a half-naked photo showing his strong muscles.

"Tsk, tsk, tsk Black Earth's got a nice little body,"

But where is she going to find a naked picture?

Albert Ou was in the bathroom brushing his teeth and washing up, and Jasmine Tong walked over in her pajamas.

"That, the movie broke two billion, we're not promised"

"Choose for yourself from the drawers in the study." Albert Ou replied vaguely as he brushed his teeth.

Jasmine Tong immediately went to the study and opened a drawer, where there was a photo album.

"Wow,"

When she opened the album, Jasmine Tong felt like a new world had been opened.

It's a picture of Mo Yi-Ang as a child.

That's a great move.

It doesn't have to be a full frontal nude photo. It can be a childhood photo.

One hundred days of Moichion's bare little butt, grinning with a toothless mouth.

There are also pictures of the one-year-old bathing naked and the two-year-old holding a toy, also naked

This Mo family is desperate enough, why doesn't Mo Yiang get dressed every time we take a picture of him?

However, Jasmine Tong also lamented that Mo Yiang was really handsome from childhood to great ah, and the pace was getting more and more handsome.

Jasmine Tong immediately selected nine photos and put together a nine-picture grid to post online.

"Darlings, here are the pictures you wanted. Take whichever one you like, and don't be shy."

She also gave a passing mention to Mo Yiang.

Because a lot of people are staring at Weibo, just waiting for Jasmine Tong to post her Weibo, including Mo Yiang.

As soon as the microblogging went out, it blew up.

"How can Wakkaa Little Oneon be so cute."

"Dewy, dewy, dewy, all dewy, like a k!ss."

"Take them all away. Don't take anyone away from me. That's my husband."

It's like the comments are going viral.

Mo Yiang, who saw the tweet, was almost out of breath.

There were also some friends in Mo Yiang's circle who forwarded comments.

"One-Ang looks mighty and majestic."

"Little Oneon is so cute."

Mo Yiang's phone immediately hit Jasmine Tong's phone, of course, Jasmine Tong knew what he was going to say, simply did not answer.

The tweets were sent immediately afterwards.

"Jasmine Tong, delete the photo or I'll come to your house to fix you."

"Just don't delete it, your brother-in-law's home, you can come if you want."

Mo Yiang was out of breath.

He called home.

"Oh, son, when did you remember to call Mom?"

"Mom, has my Uncle Junior been home lately?"

"No, but he did send his secretary over to ask for a few pictures of you as a child for an event, and I was too much trouble to just give him the albums."

"I gave him everything mom, did I charge it to him?"

Mo Yiang hung up the phone, his heart splitting like a knife.

So it was his own mother who betrayed him.

Mo Yiang's full frontal nude photoshoot was boiling on Twitter for almost a week before it died down, but many of his fans now have pictures of him as a child.

And all naked.

I'm afraid that Mo Yiang, who has a lot of idol baggage, won't be able to recover his energy in a short time.

But there's nothing he can do about it. He's his brother-in-law.

That turned around and half a month almost passed.

It was time for Jasmine Tong to go back for a recheck, the trauma on her body had basically healed, even the scars on her face were barely noticeable, these traumas didn't even need to be rechecked.

Albert Ou didn't know how to convince Jasmine Tong to go to the hospital for a checkup at this point.

This evening, Jasmine Tong is soaking her feet, using a prescription given by an old Chinese medicine practitioner, for which she has bought a wooden barrel, which is said to be the most suitable for a medicinal bath.

The room was filled with the smell of Chinese medicine.

As Jasmine Tong soaked her feet, she played games, and the games Albert Ou made for her were really addictive.

Albert Ou walked in, his brow furrowed.

"What's the matter you don't think the medicine smells bad, so I'll go soak it in the other room."

"No."

Albert Ou cleared his throat, as if he had made a great determination.

"Jasmine."

"Well,"

Her Bossy Yet Naive CEO Chapter 174 - 176

Chapter 174

"Why haven't you been pregnant?"

The subject was the last thing Albert Ou wanted to bring up, as if he were about to personally rip his wounds open for others to see.

But it was the best solution Albert Ou could think of, but it had pitfalls.

“Ah,”

Jasmine Tong was first stunned.

She hadn't thought about it, though.

Yeah, why didn't she ever get pregnant?

Since the first time they met Albert Ou, they've made love quite a bit, and the two of them have been preparing for pregnancy for months, but this stomach of hers just hasn't moved.

“I don't know about such things as pregnancy, I guess it's just coincidence.”

“You don't have a problem with this stomach at all when I'm working so hard.”

That made Jasmine Tong blush for a moment, what selling power, but he did sell it.

Without waiting for Jasmine Tong to open her mouth, it was as if Albert Ou was going to immediately end the topic.

“I'll take you to the hospital tomorrow, for a checkup, just in case there's a problem that can be detected and treated early.”

Jasmine Tong sighed grudgingly and nodded her head.

She didn't think there was anything wrong with her, though, but it was better to get a checkup just to be safe.

That's a bad thing to say about modern youth.

When she was sleeping at night, Jasmine Tong was also a bit suspicious, why would Albert Ou suddenly mention the pregnancy?

Does he want to have a baby too?

Thinking of this, Jasmine Tong couldn't help but purse her lips and smile.

If he's willing to have a baby, that's a good thing.

With such a beautiful wish, Jasmine Tong sweetly fell asleep.

The next morning, Albert Ou personally brought Jasmine Tong to the hospital, and it was still Zhong Yu Ling who received the treatment.

In the ultrasound room, Zhong Yu Ling carefully examined Jasmine Tong, whose heart was beating so fast that she was really worried that there was something wrong with her.

"Doctor, is there something really wrong with me?"

Zhong Yu Ling pursed her lips and smiled.

"Nothing wrong with it, it's fine."

"Oh,"

Hearing that she was fine, Jasmine Tong was also relieved.

"But, doctor, my husband and I have been preparing for a pregnancy for a long time and we haven't gotten pregnant, what's going on?"

Hearing this question, Zhong Yu Ling's heartbeat also missed half a beat.

Silly girl, you're pregnant, it's just that the baby fell out.

However, Zhong Yu Ling had promised that Albert Ou wouldn't tell Jasmine Tong the truth.

She took a tissue and wiped the coupler from Tong's stomach and helped her up.

"This pregnancy isn't just going to happen, you need to take it easy and not think about it all the time, being too nervous doesn't help you get pregnant, and aren't you having worse menstrual cramps"

Jasmine Tong nodded.

"The menstrual pain is severe and the period is always inaccurate and often delayed for a while."

“That’s right, menstrual pain is due to uterine cold, the menstrual blood is not smooth, uterine cold will not be easy to conceive, although this is not a big problem, but over time will also make it difficult for the body to get pregnant, but don’t worry too much, you’ll be fine if you take care of your conditioning.”

“Well, thank you, then, Doctor.”

Jasmine Tong got dressed and walked out, and Albert Ou was waiting outside.

“Come on, the doctor says I’m fine.”

“Well, why don’t you go wait in the car and I’ll go to the bathroom.”

“Good.”

Albert Ou handed the car keys to Jasmine Tong, and Jasmine Tong went straight downstairs.

As soon as Jasmine Tong left, Albert Ou walked right into the examination room, and before Zhong Yu Ling even left, he knew that he would come in and ask questions.

“Her uterus is recovering well, and the rest is fine for her to have intercourse, but it’s best not to get pregnant for six months because it takes time to fully recover from a uterine injury, and if you get pregnant, you may have a tendency to miscarry.”

Albert Ou nodded, which meant he had to use contraception for a while.

“Also, it’s better not to give her any more of the contraceptive soup pills, she has some minor problems of her own, and always drinking those pills will probably lead to infertility.”

“I got it, thanks.”

Zhong Yu Ling was shocked when she heard this “thank you”, Mr. Ou actually said thank you to her!

God, the sun is coming out of the west.

Albert Ou walked out of the examination room and brought Jasmine Tong back home.

The checkup is finally over, but there's a bigger issue, contraception.

If you tell one lie, you have to tell a thousand lies to make up that lie, and Albert Ou was simply burnt out.

What method does he have to use to get Jasmine Tong to agree to contraception?

Tong Siu Man wants to have a baby, how could she agree to contraception?

It's really distracting.

That evening, Jasmine Tong was still happily soaking her feet.

Lately, the internet has been full of comments praising her acting skills.

"The scene where my mother dies brought me to tears, and Mandy played it so well, not as fake as some actors cry."

"The part where Lin Sheng first meets Lin Sheng, the expression on Lin Sheng's face is particularly layered."

"The first night scene is so subtle. I feel like I'm playing myself every minute."

Looking at everyone's comments, Jasmine Tong is so happy.

Just then, Albert Ou walked in, several boxes of condoms in his hands, and he sidled up to the nightstand, pulled open the drawer, and put the condoms in.

Seeing that Albert Ou bought condoms, Jasmine Tong's heart thudded.

I thought I told you her body was fine.

Why does this man need contraception?

"Why did you buy this?"

"Use it, can't it be used to blow up balloons" Albert Ou replied with a cloud of lightness.

"But why ah the doctors have said my body is fine, it's just a few minor problems, just take care of it."

Jasmine Tong immediately got a little anxious, “Besides, you already promised me before that you wouldn’t use contraception”

Albert Ou aimed a glance at Jasmine Tong and didn’t say anything.

Jasmine Tong immediately grabbed a towel and wiped her feet, got on the bed, and sat next to Albert Ou and theorized with him.

“What do you mean you don’t want to have it again? You promised me.”

Albert Ou immediately leaned in and placed a hard k!ss on her lips.

“Don’t you start that.”

Her face was slightly flushed, and lately he’d been k!ssing her out of the blue, making her a little overwhelmed.

“Which set?”

“Oh my, I’m talking business with you. What do you want? Don’t you want to have a baby again?”

Albert Ou’s face had a wry smile on it as he just quietly watched Jasmine Tong get angry and anxious.

“You talk,”

Jasmine Tong saw him like this and became even more anxious.

“You’ve been getting cuter and cuter in your anger lately.”

“Cute your ass, cute.”

Albert Ou took Jasmine Tong in his arms and patted her gently.

“All right, all right, no more teasing.”

Chapter 175

“You tell me what you’re buying that thing for.”

“Of course it’s contraception.”

“You,”

Albert Ou immediately put his finger in the center of Jasmine Tong’s lips, signaling her not to continue.

“Won’t you even give me a chance to explain?”

“Then speak up,”

Albert Ou gently stroked Jasmine Tong’s hair, his eyes full of all the spoiling that flowed out of the corners of his eyes.

“You were hospitalized a while ago and used so many medications, I’m worried that if I get pregnant now, it won’t be good for the baby, so I can just use this time to treat your foot injury properly so you don’t have any future problems.”

Albert Ou’s words were very, very soft, as if he was really worried about Jasmine Tong.

Jasmine Tong slapped her head, yeah, she’d forgotten all about it.

I was hospitalized for many days for transfusions, and the topical medications were not missing, and this foot soak, most of which are blood-activating and stasis-reducing, and the most taboo thing about pregnancy is blood-activating.

It’s true that she’s not fit to be pregnant right now.

“But, Little Lei,”

“I asked President Zhou about Yarwen’s condition, and he said that he gave Yarwen an all-round examination, especially on his heart function, and that Yarwen has no problems at the moment, and if he takes his medication as usual, he still has a long life ahead of him.”

Jasmine Tong slowly let out a breath, but she and Yarwen Tong had actually talked on WeChat as well.

Yarwen Tong also said that recently, he felt his heart was much stronger.

Albert Ou lifted Jasmine Tong’s chin.

“I don’t want you to have a baby just for little Lei, after all, this baby is yours and mine, and I don’t want anything to go wrong with it, and I don’t think you do either.”

After all, this child is yours and mine.

So he really wants to have a baby with her now.

Jasmine Tong pursed her lips and smiled.

“Okay, I hear you.”

This was the first time Jasmine Tong had been so obedient.

Albert Ou k!ssed her directly on the lips, his breathing slowly starting to speed up as the wet heat of the k!ss.

His palms were becoming restless.

Jasmine Tong immediately grabbed his hand and looked a little alarmed.

“What’s wrong,” Albert Ou inquired, breathing roughly.

“No,”

“I want you, Jasmine, don’t you, don’t you? How long has it been since we’ve done it, hmmm.”

Albert Ou took Jasmine Tong in his arms and said slowly in her ear.

Jasmine Tong also knew it in her heart, he had gone away for half a month on a gambling business trip, she had been hospitalized this time for over a month now, probably because of her injury, and he hadn’t touched her either.

Thinking of this, Jasmine Tong slowly loosened her hand and encircled Albert Ou’s neck.

The corners of Albert Ou’s mouth gently rose and k!ssed Jasmine Tong’s ear, Jasmine Tong immediately shrank her neck up.

Although he had been abstinent for almost two months, Albert Ou’s desire had reached its peak, but he was patient and k!ssed her from her lips to her neck and all the way down.

Gently removing her nightgown, she held her close in her arms.

The temperature in the room slowly rose.

The two men relived their old lingering moments.

Jasmine Tong thought that Albert Ou hadn't touched her for a long time and should have struggled until dawn, but he only needed her twice and carried her to the bathroom.

Although she was recovering well, Albert Ou was also measured, so naturally he didn't dare to push too hard or last too long for fear that Jasmine Tong wouldn't be able to take it.

In Albert Ou's arms, Jasmine Tong drifted off to sleep.

Albert Ou, however, couldn't sleep.

Looking at the person in your arms, with the corners of your mouth still turned upwards, you should have a nice dream too.

But he was lying to her about everything.

Can you lie to her for a while? Can you lie to her forever?

When Jasmine Tong got well, she would definitely ask for a pregnancy again, and then he would really have no reason to refuse.

The doctor also said that taking the contraceptive tonic would only ruin Jasmine Tong and should not be used again.

What to do?

Albert Ou had a terrible headache.

He found that the more he loved her, the more painful it became.

If he just loved her body, he probably wouldn't have had to worry about it.

He took a grudgingly slow breath and held her tighter.

The sound of the blossoms closed with a total of 2.6 billion at the box office.

The number doesn't break the previous record of 3.2 billion set by director Qi Yuanyi, but there's no comparison to the fact that Qi Yuanyi's previous film was a New Year's prime time movie and Blossom Sounds only caught up with the holiday for a few days.

If the sound of blossoming flowers had been placed during the golden period of the New Year, the result might have been different.

Along with the sound of the blossoming of the box office closing, the sound of the blossoming of the same won good word of mouth, whether it is the sense of picture, or the plot, as well as the acting skills of the actors, are highly praised.

At the same time, Nirvana also closed with a cumulative box office total of 1.5 billion, which is not bad for a domestic film, but this is Qi Yuanyi's film, and his last film set a record of 3.2 billion.

Although the initial release set a record at the box office in a single day, it quickly declined due to poor word of mouth.

Everyone says that director Qi Yuanyi is becoming more and more commercialized and seems to be making the film to make money, and the plot is set up with many bugs, forced hilarity, and the synopsis is all old and nothing new.

What's more, the actor he chose this time is really notorious, and Rameen Tong's acting is even scolded by everyone.

What's more, Rameen Tong is said to have ruined Qi Yuanyi's entire film all by herself.

Many people say that director Qi Yuanyi is deteriorating, and if this continues, he will definitely ruin his reputation.

Moreover, this film is a big name, just all the actors' fees alone took 100 million, plus director Qi Yuanyi likes special effects, and likes to shoot big scenes, this film is a full 800 million into it.

It was estimated at the time that the film would have to get at least \$2 billion to make any money.

So the 1.5 billion box office is actually a very poor performance.

Tong's popularity is on the rise, and her first starring role in a movie has grossed 2.6 billion at the box office, which is not something every star can do.

Xu Xingru calls Jasmine Tong and asks her how her injury is and if she's ready to return.

In fact, she has missed the opportunity to rise in popularity, and now that the sound of the blossoms is closing, it can't be missed again.

Jasmine Tong looked at the scars on her face and almost recovered, so she immediately gave John Quan a call.

"That, Quan, I don't think I'm ready to work."

"Manny, are you ready?"

"I'm well ah, I'm exceptionally well now, I'm perfectly capable of doing any job."

"Oh, it's no use asking me then, you can just ask your husband, I do what he says."

"Uh this, that's okay."

I thought it would be ok to give John Quan a call, but I didn't think the one who made the decision was the big devil in the house.

Chapter 176

In the afternoon, Jasmine Tong sent a special WeChat to ask Albert Ou what he wanted for dinner.

Naturally, Albert Ou couldn't say anything, but told Jasmine Tong to watch and do it.

Jasmine Tong could show off her skills and cooked a table full of food, but of course it was Aunt Fang who gave her a hand.

As soon as Albert Ou came home and saw the table of food, Jasmine Tong was eagerly sandwiching the food, and there were various introductions, so I knew that this woman did not have good intentions.

After the meal, Albert Ou went to the study.

Jasmine Tong walked in with a tray.

Jasmine Tong smiled weakly as Albert Ou looked up at her.

“Don’t you like cookies dried this time specially made for you chocolate and matcha flavored, and red wine yogurt, today according to the online tutorial made one, the taste is not bad, try it”

Albert Ou put the mouse down and turned sideways to receive the red wine yogurt and the spoon from Jasmine Tong.

Then gulped it down.

The flavor of the red wine and the yogurt combine perfectly and that feeling is amazing.

Albert Ou only cared about eating, Jasmine Tong couldn’t even find a chance to open her mouth, it really drove her to death.

Seeing that the yogurt was finished and the cookies had gone down a small half-dish, Albert Ou continued to look at the computer, seemingly playing a game.

Jasmine Tong trailed off, too embarrassed to say when she saw how busy he was.

“Then I’ll leave you alone.”

After saying that, she was ready to leave, who knew that Albert Ou reached out and pulled, she was completely unprepared and fell unsteadily right into his lap.

Albert Ou circled her in his arms in a smooth motion.

“A man who offers nothing is either a traitor or a thief.”

Tonto grinned.

“Tell me what to do.”

“I’m all better now, am I able to come back to always staying home, it’s boring me to death.”

She felt like she was going to grow hair on her body if she didn't get out and about.

"It's really good,"

"Yeah, you see I'm getting fat." Jasmine Tong squeezed her face, and it did have flesh.

These days, Auntie Fang is making soup for her everyday, especially chicken soup.

"I don't see it, you have to prove it." Albert Ou hooked his lips and smiled.

"How to prove it or I'll give you a dance and a couple of bounces."

Albert Ou leaned down to get close to Jasmine Tong's ear.

"You'll prove you're good if you don't breathe for 300 rounds tonight."

Jasmineton glared at Albert Ou.

I knew he was up to no good.

Three hundred rounds and no breathing.

How is that possible?

"Care to give it a try?"

"You're taking this too far then how can you not breathe?"

"I'd have to verify that to do so."

"If I pass, will you let me back in?"

"Well."

"Okay, then you test it."

Albert Ou carried Jasmine Tong back to the bedroom in a smooth manner and directly pressed her down on the bed.

These last few times of making out, Albert Ou had only been spot on, also to allow Jasmine Tong to slowly adjust to being a couple again.

This time, it seems that he is going to “kill”.

Jasmine Tong has been carrying it hard, not begging for mercy, allowing Albert Ou to torment her, she has to prove that her body is getting better!

Otherwise this man...

“Is it okay? It’s been three times. I’m in perfect health.”

Albert Ou capped her lips, “It’s only three times.”

“”

This night, Albert Ou didn’t dare to mess around, and when he saw that Jasmine Tong couldn’t hold on any longer, he let it go.

Before going to sleep, Jasmine Tong was hugging Albert Ou’s neck.

“Is it okay?”

“Yes.”

When she heard Ou Zeno’s “yes”, Jasmine Tong fell asleep as if she had lost electricity.

Jasmine Tong is taking over the show again.

Rameen, who is busy filming for Nirvana, is currently filming in a gymnasium and the progress is slow.

The first thing that I want to do is to make sure that I’m not going to be able to do anything about it, but I’m not going to do anything about it.

He repeatedly asked to shoot over and over again, the number of times, Rameen Tong Miss temper committed, Du Yuan had to stop.

In addition, the fact that Rameen Tong was paid into the group also gave Du Yuan the feeling that he had taken someone’s short hand, and he couldn’t be cruel to Rameen Tong.

The process is really tough.

Du Yuan was also anxious, but helpless.

Rameen Tong is also anxious, knowing that this film can't be a big hit, but it would be a real punch in the face if she didn't pick it up, and now that she has, it's this light again.

Nirvana has brought her some popularity though, and has increased the number of voices questioning her, and she must find an opportunity to prove herself.

Here Rameen Tong is filming Sparrow Nirvana while asking Ro Chen to contact the new movie.

Rameen Tong was angry eight more times in a row, and seeing that she was about to lose her temper again, Du Yuan barely got past it.

Ro Chen stepped quickly into the arena.

"Rameen, there's good news."

Rameen Tong immediately looked at Xu Yueru and directly asked Huang Can to tell Du Yuan that he had something to go out and walked out with Luo Chen.

Du Yuan is about to shoot his next scene when he receives news that Rameen Tong is out of town.

"I've never seen such an actor before, but it's too powerful to play a big game. Where is it that you've hired a woman? It's clearly that you've hired an aunt."

Rameen Tong is not here, so this scene can't be filmed.

Everybody's waiting for her.

"Brother Chen, what good news ah" Rameen Tong is so much in need of good news lately.

"Director Yan Ke is making a new movie recently."

"Teen Movie"

Director Yan Ke's blossoming sound is once again taking away the youth film, and it is said that several places are now preparing youth films and even looking for youth novels to adapt on the Internet.

Rochen shook his head.

"No, he's never liked to follow a routine, he's just finished a youth film and I don't think he's going to continue making it any time soon, but this is a big production, a comedy."

"Ah,"

Yim Ko is making a comedy film, did she hear that right?

"Blossom is kind of a complete fire, Yanke is gaining momentum right now, and if you could do his film, it would be an absolute firestorm."

Rameen Tong smashed her mouth twice.

"Minister, I don't even have much confidence right now, the internet is now questioning my acting skills and I need to prove it."

Rochen smiled and shook his head.

"Little girl, these days, it's enough to have flow, to have any questionable acting skills shows that people are paying attention to you ah, paying attention to you, that is, there is flow, there is flow is popular, don't worry about this problem, instead, it proves that you are popular."

As soon as Luo Chen said that, Rameen Tong had a bottom line.

"So can this movie be won? I hear Yan Ke is eccentric and Jasmine Tong"

Yan Ke handpicked Jasmine Tong as the Voice of Blossom's No. 1 woman, and the two must have a good friendship.

"Xu Xingru's side didn't hear any movement, Jasmine Tong hasn't shown up for a long time, they've missed the best time to show up, don't worry, Yan Ke is eccentric but this comedy film is a big production, our company invested 80 million, he wouldn't dare not use you."

Chapter 177

After hearing what Luo Chen said, Rameen Tong was relieved.

“But, Wren Dream, be prepared for this comedy to be particularly image-destroying, but it’s the kind of image-destroying role that will get your popularity climbing again.”

Rameen Tong nodded.

“Alright, go back and get busy, I still have to communicate with Yanke over there specifically.”

“Good.”

Back in the venue, the shooting continued, so many people were waiting for her alone, but Rameen Tong did not feel apologetic at all, but swaggered in.

Jasmine Tong has finally gotten approval from Albert Ou to film again.

Since she hadn’t shown up for a long time, she naturally needed to have a good discussion with Xu Xingru.

Star King International

“Manny, you’ve been away all this time, but I’ve been so busy looking for your endorsements and plays that my phone is bursting at the seams, but General Manager Quan’s side has given orders that you won’t be given any work, so have you offended General Manager Quan”

Xu Xingru’s worry was not unreasonable, John Quan had somehow given such an order, and it had scared her enough.

“Uh that’s not true, I’ve just been injured for a while, you can still see a little bit of my face.”

What if Xu Xingru thinks that Jasmine Tong has offended John Quan and doesn’t take her anymore she’d better tell the truth.

“Oh, so that’s it, I thought you offended Quan, I’m glad you didn’t.”

“What are we going to do now, then, Sister Starru,”

“There are quite a few films looking for you to make, but I don’t think there are many that really suit you, forget about endorsements, and those products have a time limit, and we’re definitely inferior again now that we’re looking back. Well, there is a suitable film, but I gave you a push a while ago.”

“Ah what piece of film”

“The film directed by Yanke.”

“No way, Director Yan just finished one film, followed by another, that’s not his character.”

“His character is synonymous with eccentricity, and he supposedly got a particularly good script for a comedy that he’s never done before and wanted to challenge, but I’ve put you off because I got orders from Quan.”

“It’s okay, I’ll give Director Yan a call, the last time we filmed we got along pretty well, I’ll just call and ask, success, not success forget it.”

Xu Xingru nodded her head, at this time it was the best solution for the artist to go and communicate with the director, instead of having the agent appear, there was no sincerity.

Jasmine Tong immediately dialed Yan Ke’s phone.

“Hey, Manny.”

“Director Yan, it’s been a long time since you left the crew.”

“Okay, stop, stop, don’t follow me on this, just say what you want.”

Jasmine Tong smiled apologetically.

“Look, you can’t hide anything from me, I heard you were doing a comedy film, and I was approached.”

“Yeah, but your agent said you haven’t been acting lately, Manny, how come you haven’t been showing your face lately, the movie is selling so well, you’re out and about more, it’ll help your popularity go up.”

“Had a little accident, scratched my face a bit, not fit to come out, I’m able to film now, have you found the right person for your role?”

“What you can shoot again that’s of course you lah geez, I finally don’t have to worry about it, then this thing is settled ah”

“Okay, okay.”

Jasmine Tong hung up the phone and gave Xu Xingru a “ok” gesture.

Xu Xingru was also really convinced.

“It seems you’ve really gotten into Yanke’s good graces, and this eccentric and temperamental director isn’t really one to put up with.”

Tong shrugged his shoulders and smiled.

dark empire (i.e. empire of darkness)

In the president’s office, Albert Ou looked serious, and in front of him stood a very hard woman with a slightly more heroic face.

Russel Cheng stood aside.

“Mr. Ou, this is the bodyguard and assistant I picked for my wife, a special forces soldier named Lu Wei Ran.”

Albert Ou’s eyes looked up and down at Lu Wei Ran.

“Kung Fu has to be not only good, but you have to be able to take care of people.”

“Yes. It was with that in mind that I chose her.”

Albert Ou gave Russel Cheng a wink, and Russel Cheng immediately turned to Lu Wei Ran.

“You go out for a minute.”

Lu Wei Ran nodded, and with a sunny glance at Albert Ou out of the corner of his eye, he left the office.

This was the employer Young Master Quan had arranged for him that day, and he was truly a talent.

Unfortunately, by the time she got to the bar that day, she was already there.

Knowing that the person she is going to serve is Albert Ou, she follows him for a long time, and then she realizes that it's Jasmine Tong who stole her man!

"Give me the information on this woman."

Russel Cheng immediately submitted Lu Wei Ran's information.

Albert Ou looked it over carefully and indeed couldn't see anything wrong.

Lu Weiran used to be a selected special soldier and one of the first female soldiers in the country's special forces, but because she failed the final assessment, she gave up on herself and retired directly from the army, because she didn't meet the army's regulations, so she didn't have the retirement protection that she should have.

After retiring from the military, she worked as a fitness instructor and was very popular.

"She should be making quite a bit of money as a fitness instructor, so why would she want to come over here and be a bouncer?"

"Oh, I asked her about it, and she said it was because some of the members under her hand, all rich people, and one of them looked at her lustfully because she was pretty and couldn't stand the inevitable tofu-eating at work, so she resigned."

That's a plausible reason.

Albert Ou nodded.

"Put her in charge of keeping the wife safe, and make sure that she can't leave the house for twenty-four hours as long as she's out there."

"Yes."

The last incident left Albert Ou still reeling, he hadn't found out who was trying to hurt Jasmine Tong and had to be prepared for anything.

In addition, Jasmine Tong did lack an assistant to serve tea and water.

Russel Cheng walked out.

“Secretary Cheng, has Mr. Ou decided to use me?”

“It’s decided, from now on you will follow your wife, your wife has not been well lately, you are not only responsible for her safety, but also for taking care of her, Mr. Ou is very attentive to her, you must do it well.”

“That’s natural.”

“Ou’s salary here won’t treat you badly either, 80,000 a month, that’s a top level in the circle, I’m sure you know that.”

Lu Wei Ran nodded, “I’ll do it right, but when do I start working.”

“You can go back and get ready, Mrs. will be in the crew in a while, and in the meantime, there’s someone from Ou’s side to keep an eye on.”

“Err why don’t Secretary Cheng take me to meet Madam as well as get acquainted with each other first, I also feel Madam’s temper.”

Russel Cheng thought, “Fine, then I’ll take you to meet your wife first.”

After saying that, Russel Cheng led Lu Wei Ran straight to Rainbow City.

Chapter 178

Since she had just returned, Xu Xingru didn’t have too much work for Jasmine Tong, she was now just preparing to enter the crew in a few days.

At the moment, Jasmine Tong is at home eating fruit and watching TV, enjoying this comfortable little day.

Russel Cheng came over with Lu Wei Ran.

As soon as Jasmine Tong looked up, she saw a girl with a heroic face, with a figure of one and a half meters, and a competent ponytail, looking at this figure, she was definitely a trainer as well.

“Secretary Cheng, what’s going on here?”

“Madam, this is the personal assistant and bodyguard that Mr. Ou has found for you, and she will be responsible for looking after you and protecting you from now on.”

Lu Weiran immediately nodded down towards Jasmine Tong.

“Ma’am, my name is Lu Wei Ran.”

“Oh, sit down, sit down, you don’t have to be so polite.”

“Ma’am, I’ve brought the man, so I’ll be going home.”

“Okay, you’re busy, Secretary Cheng.”

Russel Cheng left.

Jasmine Tong hurriedly greeted Lu Wei Ran, “Sit down, sit down, there’s no need to be so formal.”

Lu Wei Ran sat on the sofa and smiled slightly towards Jasmine Tong.

Originally, I thought that this woman must be a big shelf person to become Albert Ou’s wife, but I never thought that she looked like she had a pure and natural harmless smile, she didn’t seem to have any shelf and was very easy-going.

How did a woman like that manage to get to Albert Ou?

“Your name is Lu Weiran, which Wei ah Rose’s Wei” Jasmine Tong took an orange and handed it to Lu Weiran.

Usually, girls with “Wei” in their names are basically these words.

“Mighty Mighty.”

Jasmine Tong was startled that there would be a girl with this word in her name, it seemed that this girl was not simple.

Lu Wei Ran shrugged his nose, training in the special forces, the sense of smell was also a mandatory course.

“Ma’am, are you taking Chinese medicine?”

“Ah that one, I have a foot injury, that is, I use Chinese medicine to bubble my feet, maybe after soaking for a long time, I also have the smell of Chinese medicine on my body, your nose really works ha.”

Lu Wei Ran pursed his lips and smiled.

“Madam, I know an old herbalist who is very good at healing, why don’t you ask him to prescribe some medicine.”

“That’s not necessary, the old herbalist who gave me the medicine is pretty good too.”

“Oh, I see, then consider me nosy, but I’m afraid this old herbalist I know specializes in gynecology, and I’m not good at this skeletal injury and pain.”

Hearing Lu Weiran say that, Jasmine Tong immediately brightened up.

“You said this old herbalist specializes in gynecology.”

Lu Wei Ran nodded his head.

“Uh that,”

Jasmine Tong immediately moved her buttocks and sat closer to Lu Weiran.

“I’m not going to lie, I’ve been trying to get in shape, my husband and I are ready to have a baby now, but I’m not very well, and I was hospitalized a while ago, and I used a lot of medication, and the doctor slept me with uterine cold, so I need to take care of it.”

Lu Wei Ran subconsciously clenched his fist, but quickly loosened it again.

So this woman’s shrewdness is here, so she can have a child as soon as possible, and even if she is stable as Mrs. Au, she can still get a lot of money by virtue of the child, even if there is an accident in the future.

Good planning.

“Of course this is no problem, that old Chinese medicine practitioner is over seventy years old, many who can’t conceive children go to him to adjust their health.”

“Then how about you introduce me to picking up the day rather than crashing it today, just as I have time.”

There was no pushback from Lu Wei Ran.

The two of them got in the car and went straight to see the old herbalist that Lu Weiran was talking about.

Along the way, Jasmine Tong was chatting with Lu Weiran, looking at the scenery outside from time to time.

Lu Weiran was also puzzled by the fact that his wife would naturally be accompanied by a large group of people when she went out, but apart from the driver, there was no one else around Jasmine Tong.

You’re just gonna let your guard down?

It’s a rare and wonderful opportunity.

If you end her here, then presumably no one will know about it, and then she’ll find a way to justify herself.

A smile appeared on the corner of Lu Wei Ran’s lips.

This woman is a dead woman.

“Are we almost there?” Jasmine Tong took her gaze back from the window.

“Not yet, this old herbalist lives far away, he’s old, he doesn’t like crowds, and he’s found himself a place to stay in the mountains.”

“Oh, so that’s how it is, this kind of high man, usually has a quiet personality.”

Jasmine Tong also said she understood.

As soon as Lu Weiran turned his head, he saw a car following in the rearview mirror, almost 200 meters away from their car!

The car’s license plate number starts with an “O.”

All the license plates in Slivestopol start with a Z. Only the cars of the Dark Empire start with an O.

Is it possible that...?

Lu Wei Ran suddenly realized that this car could be responsible for protecting Jasmine Tong, she remembered Russel Cheng said that she could wait until Jasmine Tong entered the crew and then follow Jasmine Tong, in the meantime, there would be someone from Albert Ou in charge of protecting Jasmine Tong.

It turns out that these people aren't protecting Jasmine Tong overtly, but covertly.

I'm afraid it's because it's not comfortable or convenient to follow Jasmine Tong at close range, so I've brought in my own bodyguard and assistant, who is responsible for protecting Jasmine Tong at close quarters.

Oh, my God.

It seems Albert Ou is interested in Jasmine Tong.

It was so well laid out.

She had really underestimated Albert Ou, and if that was the case, it would have been hard for her to do it.

"Wiran wiran" Jasmine Tong shouted twice in a row.

Only then did Lu Wei Ran come back to his senses.

"What is it, ma'am?"

"It's fine, I see you're in a trance, don't feel ill."

"No, the mountain air is nice and so quiet, it's fascinating to watch."

"Yeah, I like it too, the city's so noisy, it's nice to have some quiet once in a while."

Lu Wei Ran smiled towards Jasmine Tong.

"Ma'am, I don't know if I should ask, are you and your husband so young that you're in such a hurry to have a baby?"

Jasmine Tong looked a little embarrassed.

“My situation is complicated, and I can’t quite explain it to you, but I wanted it in the beginning, but I never got pregnant and was always hurt, and now that he wants it, I’m going to take care of it and get ready to have a healthy baby.”

“Oh, that’s right.”

Lu Wei Ran belly slandered, this Albert Ou is so young, he doesn’t even worry about his heir, how could he want children at such a young age.

Jasmine Tong is obviously lying.

Rainbow City

The night was dark, and Albert Ou was a little late coming back because he had a lot going on.

It was already past nine o’clock at night, Albert Ou went straight upstairs and pushed open the bedroom door, but he didn’t see Jasmine Tong.

Where are the people?

Not in the living room, not in the bedroom.

Where did Jasmine Tong go?

He said he was here this afternoon with Lu Wei Ran. Could it be?

Albert Ou had a bad feeling about this.

“Jasmine,”

Albert Ou was out the door, ready to rush out to find Jasmine Tong.

Chapter 179

Just as he was rushing downward with an anxious face.

Jasmine Tong came up with a bowl of medicine.

“What are you doing in such a hurry?”

“Oh all right.” Albert Ou’s heart fell to the ground.

Right after that, Albert Ou smelled an unpleasant scent of the medicine in Jasmine Tong's hand, even a bit nauseating.

"What's that in your hand?"

"Chinese medicine."

Jasmine Tong said as she went into the bedroom, and Albert Ou followed her into the bedroom.

"What kind of herbal medicine isn't used to soak the feet?"

"This is the bodyguard you found for me, Lu Wei Ran, she took me to an old Chinese doctor who prescribed medicine, that old Chinese doctor specializes in conditioning women's bodies, he said I don't have any major problems, but it's really time to do some conditioning."

Jasmine Tong blew on the bowl of medicine and puffed on the nauseating smell.

She had a dry spell and almost threw up.

"This smells worse than Chinese medicine for foot baths."

Jasmine Tong caressed her chest, afraid that she wouldn't be able to hold back one of them and throw up all her dinner.

Albert Ou frowned.

"I'll take care of my body so I can have a healthy baby later, hehe." Jasmine Tong smirked.

When Albert Ou heard this, his heart thudded.

Jasmine Tong was still thinking about it.

What he feared had happened.

In order to trick Jasmine Tong into having a checkup and to prevent pregnancy, Albert Ou had to talk about having a baby, but after that, he was most worried that Jasmine Tong would think that she wanted to have a baby too, and would make it a priority.

“There’s no rush about having a baby.”

“What’s not anxious ah anxious, don’t have a baby now, wait for me to get well enough to regenerate, don’t you want a baby too?”

“I,”

Albert Ou was momentarily speechless, and if he said he didn’t want it, then all of what he had said before wouldn’t count.

Albert Ou looked at the bowl of black medicine, coupled with the unpleasant smell.

“Don’t drink it, it smells so bad, throw it away” said Albert Ou, who was about to take the medicine away, and Jasmine Tong immediately held it back.

“Good medicine is bitter, do you know that the worse it smells, the more bitter it is, that means it’s good? Besides, it’s me who drinks it, not you.”

Jasmine Tong saw that most of the medicine was already cold, sniffed it, and felt like throwing up again.

She held her nose, took the medicine, and gulped a clean drink.

I just finished my drink, and then I threw up again and rushed to the bathroom.

Albert Ou sighed silently and went downstairs, and when he returned, Jasmine Tong came out of the bathroom as well.

“Here.” Albert Ou spread his palm with a piece of sugar in his hand.

Jasmine Tong picked it up and immediately stuffed it into her mouth.

“This drug kills too much” as the sugar cube slowly melted in my mouth, which squashed the sickening taste.

Jasmine Tong had finally slowed down.

“By the way, I’m going to be on the set soon, do you have a place in that hospital where you can decoct all the medicine and make it into a sealed pouch”

“There, what are you doing?”

"I can't decoct the medicine when I'm on the set, so I decocted it ahead of time and brought it to the set, even though that doesn't work very well."

"You're really going to drink this all the time" Albert Ou was very surprised.

"What do you say this traditional Chinese medicine is slowly conditioning the body, take a serving of medicine has what use ah will have to eat for a long time, I'll take a look for a while, it's not early, sleep."

That night, they still did what they had to do, and Albert Ou only had to take Jasmine Tong once, and Jasmine Tong went to sleep.

Albert Ou, however, tossed and turned and never slept.

He gently stroked Jasmine Tong's face, thinking.

She still wants a child, and the desire is stronger and more powerful now than it was before.

She wouldn't even hesitate to drink such bitter medicine, and even brought it to the set, showing how much she wanted to get well and have a child sooner.

Maybe John was right.

Long pain is better than short pain.

Since he couldn't give Jasmine Tong a child, it was better to let go early.

This night, he stayed up all night.

I got up very early in the morning, sat in the living room, and called Aunt Fanny over.

"Go and get me a copy of the medicine the wife brought back yesterday."

"Yes."

Aunt Fang immediately placed a medicine bag in Albert Ou's hand.

"Don't tell the missus."

Albert Ou took the medicine and left, driving alone to the Z.Y. hospital and giving it to a herbalist.

In fact, Albert Ou was wary of Lu Weiran, no matter how clean the man's profile was, he didn't trust anyone without contact.

"Mr. Ou, there is no problem with this medicine, it is indeed used for conditioning a woman's body, this prescription of several medicines is equipped with just the right amount of medicine, very mild, and is beneficial to the wife."

"Okay, I got it."

That said, he was relieved.

hotel

The movie is about to enter its final stage, and it is about to finalize the movie of Yan Ke, so Rameen has not taken any other movie.

She is now in an upward phase of her career, so naturally she can't stop filming and has to come out one piece at a time to keep the heat on.

But there's no news about Yanke.

She got a little anxious and immediately called Rochen over.

In front of Rameen Tong, Rochen made a call to Yan Ke.

It wasn't Yanke himself who answered the phone, but Yanke's assistant.

As soon as the assistant answered the phone, Rochen was even more unhappy, this Yan Ke inevitably too big card, not even answer the phone

"I'm asking you, Yan Ke's part of the film female number one in the end has been chosen or not our Rameen is now a top-tier actress, looking for her to film a lot of people don't always so delayed."

Rameen Tong also craned her neck to reveal a look of contempt when she heard this.
